Wade, as Owner Trustee and Co-trustee under a separate trust agreement with each of Alterna and LDVF1, (Alterna and LDVF1, together with the Owner Trustees and Co-trustees, the Third-Party Owners) are parties to litigation and arbitration proceedings relating to Unit 1 of the Springerville Generating Station (Springerville Unit 1) which they recently agreed to stay in furtherance of settlement negotiations.

On February 29, 2016, TEP entered into an agreement with the Third-Party Owners for settlement and release of asserted claims and the purchase and sale of beneficial interests in Springerville Unit 1 (Agreement). The Agreement provides that TEP will purchase the Third-Party Owners' 50.5% undivided interest in Springerville Unit 1 for \$85 million and the Third-Party Owners will pay TEP \$12.5 million for operating costs related to Springerville Unit 1 incurred on behalf of the Third-Party Owners. Upon completion of the purchase, all outstanding disputes and pending litigation and arbitration proceedings between TEP and the Third-Party Owners will be dismissed with prejudice. The purchase of Third-Party Owners' undivided interest in Springerville Unit 1 is subject to, among other things, Federal Energy Regulatory Commission approval and satisfaction of other customary closing conditions. TEP expects the purchase to close in the second quarter of 2016.
