### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 11-K, 20-F, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On November 26, 2008, LandAmerica Financial Group, Inc. ( LandAmerica or the Company ) filed a voluntary petition for relief under chapter 11 of the United States Code (the Bankruptcy Code ) in the United States Bankruptcy Court for the Eastern District of Virginia (the Court ). The Company's chapter 11 case is being administered under Case Number 08-35994. Thereafter, on December 22, 2008, LandAmerica sold all of its interests in its underwriters, Lawyers Title Insurance Corporation, Commonwealth Land Title Insurance Company and United Capital Title Insurance Company, to Fidelity National Financial, Inc. and certain of its subsidiaries ( Fidelity ). At the time of the sale, these underwriters constituted approximately 85% of the Company's revenues.

LandAmerica's current activities consist of administering its estate, providing limited transition services to Fidelity and disposing of its remaining assets. LandAmerica does not have debtor-in-possession financing. Further, the Company's available cash is limited, and, during its chapter 11 case, such cash is needed to meet administrative expenses such as rent, payroll, corporate overhead, advisors' fees, and expenses associated with selling remaining assets, reconciling claims and winding down the Company's affairs. The chapter 11 proceedings created obligations to file monthly operating reports with the Court, and the Company has used its limited financial and human resources to complete such filings. The Company currently does not have, and does not expect to have in the future, the capacity to prepare consolidated financial statements for the fiscal quarter ended September 30, 2009 that are capable of being reviewed by an independent registered public accounting firm or certified by the Company's executive officers.

As a result, the Company will not be in a position to file its Form 10-Q for the third fiscal quarter of 2009 by the fifth calendar day following the required filing date, as prescribed in Rule 12b-25 and further cannot make any assurances as to when it will complete and file the Form 10-Q. The Company has not had the resources, and does not expect to have the resources, to file its Form 10-Q for the third fiscal quarter of 2009.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes  No\*

\*The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and Quarterly Reports on Form 10-Q for the quarters ended March 31, 2009 and June 30, 2009 have not been filed. A Form 12b-25 with respect to these reports was filed on February 27, 2009, May 6, 2009, and November 9, 2009, respectively.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No\*\*

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

\*\*The Company anticipates, based on the information currently available to it, that results of operations for the fiscal quarter ended September 30, 2009 will be significantly different from those for the fiscal quarter ended September 30, 2008, due to significant financial deterioration in the business over the past year and in particular, its bankruptcy proceedings described above. On September 18, 2009 and October 23, 2009, the Company filed current reports on Form 8-K that includes certain financial information relating to the periods July 1-31, 2009 and August 1-31, 2009; however, such information has not been audited or reviewed by independent accountants. In addition, following the filing of its Trustee Report for the period September 1-30, 2009 with the bankruptcy court, which is expected to occur after November 16, 2009, the Company intends to file the Trustee Report on a current report on Form 8-K. The Trustee Report will include financial information relating to the period September 1-30, 2009, also unaudited and unreviewed by independent accountants. Given the Company's limited financial and human resources, the Company cannot at this time estimate what significant changes would be reflected in its results of operations for such period compared to prior periods. The Company notes that its results of operations for the third fiscal quarter of 2008 were prepared on the basis of the assumption that the Company and its consolidated subsidiaries would continue to operate as a going concern, which was not the case as of September 30, 2009.
