The Company's Form 10-K for the fiscal year ended December 31, 2003 was required to be filed on or before March 30, 2004. The Company was unable to make such filing because after its outside auditors had completed their year-end audit and were prepared to certify that the Company's Consolidated Financial Statements presented fairly the financial position and results of operations of the Company and were prepared in accordance with generally accepted accounting principles, Mr. Benito Fernandez, a member of the Board of Directors and the Company's Audit Committee, raised certain questions concerning the Notes to the Consolidated Financial Statements, and related disclosures and information, which created issues as to which the auditors determined it was appropriate to make further inquiries so they could issue their audit report.

These inquiries have been completed, and the Company's auditors have now issued their report on the Company's Consolidated Financial Statements and the Notes thereto for the fiscal year ended December 31, 2003. The Company intends to file its Form 10-K today, April 5, 2004.
