Dear Fellow Shareholder:

As an investor in one of the funds listed above, you are cordially invited to attend the annual shareholder meeting on Thursday, March 7, 2002 at 9:00 A.M., Eastern time, to be held at John Hancock Funds, 101 Huntington Avenue, Boston, MA 02199.

Elect your fund's Board of Trustees

For each fund, proposal number one asks common shareholders to elect five Trustees and preferred shareholders to elect one Trustee. Trustees will serve until their respective successors are elected and qualified. Your proxy statement includes a brief description of each nominee's background.

For each fund, proposal number two asks you to ratify or reject the Trustees' selection of Deloitte & Touche LLP as each fund's independent public accountants for the fund's current fiscal year.

Your vote is important!

Please complete the enclosed proxy ballot form, sign it and mail it to us immediately. For your convenience, a postage-paid return envelope has been provided. Your prompt response will help avoid the cost of additional mailings at your fund's expense.

### Record Ownership

The Trustees of each fund have fixed the close of business on January 7, 2002 as the record date to determine which shareholders are entitled to vote at the meeting. Common and Preferred shareholders of each fund are entitled to one vote per share on all business of the meetings or any postponement of the meeting relating to their fund and respective share class. On the record date, the following number of shares of beneficial interest of each fund were outstanding:

1

Fund ----	Common Shares -----	Preferred Shares -----
Premium Dividend I	14,979,601	685
Premium Dividend II	15,002,724	1,000
Select Dividend	9,885,027	700
Global Dividend	8,334,700	600
Preferred Dividend	7,257,200	525

The funds' management does not know of anyone who beneficially owned more than 5% of either class of any fund's shares outstanding as of the record date, except for The Commerce Group, Inc., 211 Main Street, Webster, MA 01570, which holds the following Common Shares: 31.3% of Premium Dividend I, 35.3% of Premium Dividend II, 36.2% of Select Dividend, 28.3% of Global Dividend and 32.7% of Preferred Dividend. (Beneficial ownership means voting power and/or investment power, which includes the power to dispose of shares.)

## Edgar Filing: HANCOCK JOHN PATRIOT PREMIUM DIVIDEND FUND I - Form DEF 14A

Although the annual meetings of the funds are being held jointly and proxies are being solicited through the use of this joint proxy statement, shareholders of each fund will vote separately as to proposals affecting their fund.

### PROPOSAL 1

#### ELECTION OF TRUSTEES (Common Shares and Preferred Shares of each fund)

##### General

Each fund's Board of Trustees consists of eleven members. Holders of the Preferred Shares are entitled to elect two Trustees, and holders of the Common Shares are entitled to elect nine Trustees. Ms. Ford, Ms. McGill Peterson and Messrs. Carlin, Cunningham, Ladner, Moore, Pruchansky, Smith and Toolan have been designated as subject to election by holders of the Common Shares of each fund. Messrs. DeCiccio and Dion have been designated as subject to election by holders of the Preferred Shares of each fund.

Each Board of Trustees is divided into three staggered term classes, two classes contain four Trustees each and one class contains three Trustees. The term of one class expires each year, and no term continues for more than three years after the applicable election. Each class of Trustees will stand for election at the conclusion of their respective three-year terms. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for up to a two-year period.

As of the date of this proxy, each nominee for election currently serves as Trustee of each fund. Using the enclosed proxy card, you may authorize the proxies to vote your shares for the nominees representing your shares or you may withhold from the proxies authority to vote your shares for one or more of the nominees representing your shares. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his or her nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of such substitute nominee, if any, as the funds' Trustees may designate. The funds have no reason to believe that it will be necessary to designate a substitute nominee.

2

##### Proposal 1

For each fund, Messrs. Carlin, Cunningham, Toolan and Moore and Ms. McGill Peterson are the current nominees for election by the Common Shareholders, and Mr. DeCiccio is the current nominee for election by the Preferred Shareholders. The term of Mr. Moore will expire at the 2003 annual meeting; the term of Ms. Peterson will expire at the 2004 annual meeting and the terms of Messrs. Carlin, Cunningham, DeCiccio and Toolan will expire at the 2005 annual meeting.

##### Vote Required For Proposal 1

The vote of a plurality of the votes cast by the Common Shares and the Preferred Shares, voting as separate classes, of a fund is sufficient to elect the Common Shares' and Preferred Shares' respective nominees of that fund.

##### Information Concerning Trustees

The following table describes each nominee's position with the funds. The table also shows his or her principal occupation or employment during the past

### Compliance with Section 16(a) Reporting Requirements

Section 16(a) of the Securities Exchange Act of 1934 requires a fund's executive officers, Trustees and persons who own more than ten percent of a fund's shares ("10% Shareholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive officers, Trustees, and 10% Shareholders are required by SEC regulations to furnish each fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the funds and representations that no other reports were required to be filed, each fund believes that during the past fiscal year its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

(1) The total compensation paid by the John Hancock fund complex to the Independent Trustees for the calendar year ended December 31, 2001. All the Independent Trustees are Trustees of 36 funds in the John Hancock fund complex.

\* As of December 31, 2001, the value of the aggregate accrued deferred compensation amount from all funds in the John Hancock fund complex for Mr. Cunningham was \$540,844, for Mr. Dion was \$112,044, for Mr. Moore was \$238,982, for Mr. Pruchansky was \$117,545, for Mr. Smith was \$202,737 and for Mr. Toolan was \$621,800 under the John Hancock Deferred Compensation Plan for Independent Trustees (the "Plan"). Under the Plan, an Independent Trustee may elect to have his deferred fees invested by a fund in shares of one or more funds in the John Hancock fund complex, and the amount paid to the Trustees under the Plan will be determined based upon the performance of such investments. Deferral of Trustees' fees does not obligate any fund to retain the services of any Trustee or obligate any fund to pay any particular level of compensation to the Trustee.

+ Mr. Moore and Ms. McGill Peterson appointed Trustees of the funds effective January 1, 2002.

### PROPOSAL 2 RATIFICATION OF SELECTION OF THE INDEPENDENT PUBLIC ACCOUNTANTS (Common Shares and Preferred Shares of Each Fund)

The Trustees of each fund, including a majority of each fund's Independent Trustees, have selected Deloitte & Touche, LLP ("Deloitte & Touche") to act as independent public accountants for each fund's 2002 fiscal year. The funds' 2002 fiscal year ends are: Premium Dividend I -- September 30, 2002; Premium Dividend II -- October 31, 2002; Select Dividend -- June 30, 2002; Global Dividend -- July 31, 2002; and Preferred Dividend -- May 31, 2002. Each fund paid the following audit fees for the funds' 2001 fiscal year end: Premium Dividend I, \$54,350; Premium Dividend II, \$56,150; Select Dividend, \$62,750; Global Dividend, \$49,050; and Preferred Dividend, \$28,250.

Deloitte & Touche has advised the funds that it has no direct or indirect financial interest in any of the funds. This selection is subject to the approval by the shareholders of the funds at the meetings. The enclosed proxy card provides space for instructions directing the proxies named on the card to vote for, against, or abstain from ratifying that selection. A representative of Deloitte & Touche is expected to be present at the meeting, will have the opportunity to make a statement if the representative desires to do so and will be available to respond to appropriate questions relating to the examination of the funds' financial statements.

The Boards of Trustees, including all the Independent Trustees, unanimously recommend that shareholders ratify the selection of Deloitte & Touche as independent public accountants of the funds.

Vote Required to Ratify the Selection of Independent Public Accountants

The approval of a "majority" (as described below) of the Common Shares and

## Edgar Filing: HANCOCK JOHN PATRIOT PREMIUM DIVIDEND FUND I - Form DEF 14A

the Preferred Shares, voting as a single class, of each fund is required to ratify the selection of Deloitte & Touche as such fund's independent public accountants for that fund's 2002 fiscal year.

### MISCELLANEOUS

Voting; Quorum; Adjournment

The following vote is required to approve each respective proposal:

Proposal	Vote Required
Election of Trustees (Proposal 1)	For each class, a plurality of all votes cast, assuming a quorum exists.*  A "plurality" means that the five nominees up for election by the Common Shares and the one nominee up for election by the Preferred Shares receiving the greatest number of votes of the Common Shares or Preferred Shares, as the case may be, will be elected as Trustees, regardless of the number of votes cast.  Common and Preferred Classes vote separately on this proposal.

11

Proposal	Vote Required
Ratification of Public Accountants (Proposal 2)	The affirmative vote of more than 50% of the votes cast, assuming a quorum exists.*  Common and Preferred Classes vote together as a single class on this proposal.

\* In order for a "quorum" to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.

Proposals 1 and 2 in this proxy statement are considered routine matters on which brokers holding shares in "street name" may vote without instruction under the rules of the New York Stock Exchange. While, as noted above, both of the proposals in this proxy statement are routine, for non-routine proposals, brokers that are member organizations of the New York Stock Exchange may vote Preferred Shares for which they have not received instructions in proportion to the shares for which they have received instructions. Proportionate voting of Preferred Shares may occur on a non-routine proposal only if: (i) at least 30% of the Preferred Shares of the fund outstanding and entitled to vote have been voted; (ii) less than 10% of such Preferred Shares voted against the proposal; (iii) the shareholders of the Common Shares of the fund have approved the proposal (except with respect to plurality votes); and (iv) a majority of the Independent Trustees of the fund have approved the proposal.

The following table summarizes how the quorum and voting requirements are determined.

Edgar Filing: HANCOCK JOHN PATRIOT PREMIUM DIVIDEND FUND I - Form DEF 14A

Shares	Quorum	Voting
In General	All shares "present" in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be voted in person by the shareholder at the meeting. Shares present by proxy will be voted by the proxyholder in accordance with instructions specified in the proxy.
Broker Non-Vote	Not considered "present" for determining whether a quorum exists.	Disregarded. Because broker non-votes are not votes "cast", broker non-votes will have no effect on whether a proposal is approved.
Proxy with No Voting Instruction (other than Broker Non-Vote)	Considered "present" for determining whether a quorum exists.	Will be voted "for" the proposal by the proxyholder.

12

Shares (continued)	Quorum	Voting
Vote to Abstain	Considered "present" for determining whether a quorum exists.	Disregarded. Because abstentions are not votes "cast", abstentions will have no effect on whether a proposal is approved.
Proportionately Voted Preferred Shares with No Voting Instruction	Considered "present" for determining whether a quorum exists.	Voted in proportion to Preferred Shares for which the broker received instructions.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. If a quorum is present, but there are insufficient votes to approve any proposal, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation. Shareholder action may be taken on one or more proposals prior to such adjournment. Proxies instructing a vote for a proposal will be voted in favor of an adjournment with respect to that proposal, and proxies instructing a vote against a proposal will be voted against an adjournment with respect to that proposal.

Expenses and Methods of Solicitation

The costs of the meeting, including the solicitation of proxies, will be paid by the funds. Persons holding shares as nominees will be reimbursed by the relevant fund, upon request, for their reasonable expenses in sending soliciting material to the principals of the accounts. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the funds or of the funds' investment adviser may solicit proxies in person or by telephone. John Hancock Advisers, Inc., 101 Huntington Avenue, Boston, Massachusetts 02199-7603, serves as each fund's investment adviser and serves as the administrator of Premium

Dividend I, Premium Dividend II, Select Dividend, Global Dividend and Preferred Dividend. Georgeson Shareholder has been retained to assist in the solicitation of proxies at a cost of approximately \$24,000 plus reasonable expenses.

### Telephone Voting

In addition to soliciting proxies by mail, by fax or in person, the funds may also arrange to have votes recorded by telephone by officers and employees of the funds or by the personnel of the adviser or the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded. If these procedures were subject to a successful legal challenge, the telephone votes would not be counted at the meeting. The funds have not obtained an opinion of counsel about telephone voting, but they are currently not aware of any challenge.

- o A shareholder will be called on a recorded line at the telephone number in the funds' account records and will be asked to provide the shareholder's social security number or other identifying information.
- o The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.
- o To ensure that the shareholder's instructions have been recorded correctly, the shareholder will also receive a confirmation of the voting instructions by mail.
- o A toll-free number will be available in case the voting information contained in the confirmation is incorrect.

13

If the shareholder decides after voting by telephone to attend the meeting, the shareholder can revoke the proxy at that time and vote the shares at the meeting.

### Other Matters

The management of the funds knows of no business to be brought before the meeting except as mentioned above. If, however, any other matters were properly to come before the meeting, the persons named in the enclosed form of proxy intend to vote on such matters in accordance with their best judgment. If any shareholders desire additional information about the matters proposed for action, the management will provide further information.

The meeting is scheduled as a joint meeting of the respective shareholders of the funds because the shareholders of all the funds are generally expected to consider and vote on similar matters. The Boards of Trustees of the funds have determined that the use of this joint Proxy Statement for the meeting is in the best interest of each fund's shareholders. In the event that any shareholder present at the meeting objects to the holding of a joint meeting and moves for an adjournment of his or her particular fund's meeting to a time immediately after the meeting so that his or her particular fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment.

The shareholders of each fund will vote separately on each proposal, and voting by shareholders of one fund will have no effect on the outcome of voting by shareholders of the other funds.

SHAREHOLDER PROPOSALS

Shareholder proposals intended to be presented at a fund's annual meeting to be held in 2003 must be received by the fund at its offices at 101 Huntington Avenue, Boston, Massachusetts, no later than October 11, 2002 for inclusion in that fund's proxy statement and form of proxy relating to that meeting.

EXHIBIT A

AUDIT COMMITTEE CHARTER

For the John Hancock Funds

The Audit Committee shall be composed of Independent Trustees only. The membership of the Committee shall consist of at least three Trustees who are each free of any relationship that, in the opinion of the Independent Trustees, may interfere with such member's individual exercise of independent judgment. Each Audit Committee member shall also meet the independence and financial literacy requirements for serving on audit committees, and at least one member shall have accounting or related financial management expertise, all as set forth in the applicable rules of the New York Stock Exchange and American Stock Exchange. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling and presiding over meetings, preparing agendas and making regular reports to the Independent Trustees. The Committee shall meet at least four times a year, or more frequently as the Committee considers necessary. It shall be the responsibility of the Committee to oversee the funds' auditing and accounting process, recommend to the full Board of Trustees the appointment of auditors for each of the funds, monitor the audits of the funds, communicate with both the external auditors and internal auditors on a regular basis, and provide a conduit for such auditors to report and discuss any matters they deem appropriate at any time. The Committee shall also perform other tasks assigned to it, from time to time, by the Independent Trustees and, in all cases, will report its findings and recommendations to the Independent Trustees or the Committee on Administration.

The Committee's responsibilities include:

1. Recommending to the Board of Trustees the appointment of external auditors for each fund annually through the selection, evaluation and, where appropriate, replacement of the external auditor, and ensuring that the external auditors are ultimately accountable to the Audit Committee and the Board of Trustees.
2. Meeting with the external auditors, the internal auditors, and the funds' senior management to review the form and substance of the funds' financial statements and reports.

3. Reviewing the funds' internal and external audit functions and the extent and quality of the auditing program, including implementation of the Code of Ethics.
4. Reviewing and discussing with the external auditors their objectivity, independence and accountability by meeting with the external auditors at least twice a year and receiving formal written statements from the external auditors describing their reporting relationships with the Audit Committee consistent with the Independent Standards Board Standard No. 1.
5. Recommending to the Board of Trustees that it take appropriate action to satisfy itself of the external auditor's independence.
6. Reviewing any problems that may arise out of a fund's accounting, auditing or financial reporting functions.
7. Reviewing the auditing and other fees charged by the external auditing firms.
8. Monitoring the procedures for allocating fund brokerage, the allocation of trades among various accounts under management and the fees and other charges for fund brokerage.

15

9. Reviewing operating and internal control structure of custodian banks and transfer agents, including procedures to safeguard fund assets.

The Committee's job is one of oversight. Management is responsible for the preparation of the Company's financial statements and the external auditors are responsible for auditing those financial statements. The Committee and the Board of Trustees recognize that management (including the internal audit staff) and the external auditors have more resources and time and more detailed knowledge and information regarding the Company's accounting, auditing, internal control and financial reporting practices than the Committee does; accordingly, the Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by the Company to its shareholders and others.
