Item 1. Security and Issuer.

Item 1 is hereby amended and restated in its entirety as follows:

This statement relates to shares of Common Stock, \$0.001 par value per share (the "Stock"), of Boulder Acquisitions, Inc., a Nevada corporation (the "Issuer"). All share amounts reflect the Issuer's one-for-two reverse split that took place on March 19, 2004 and its 1.31722-for-one forward split that took place on June 10, 2004. The principal executive offices of the Issuer are located at 689 Laoshandong Road, Shanghai 200120, People's Republic of China.

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

On June 23, 2004, the Issuer completed a stock exchange (the "Stock Exchange") with the shareholders of Sifang Holdings Co., Ltd., an exempted company incorporated in the Cayman Islands with limited liability ("Sifang Holdings"). The Stock Exchange was consummated under Nevada and Cayman Islands law and pursuant to the terms of the Securities Exchange Agreement, dated as of June 23, 2004, referred to in this Schedule 13D as the Exchange Agreement.

Pursuant to the Exchange Agreement, the Issuer issued 13,782,636 shares of its Stock, par value \$0.001 per share (on a post-forward split basis), to the shareholders of Sifang Holdings, representing approximately 89.7% of the Issuer's post-exchange issued and outstanding Stock, in exchange for 100% of the outstanding capital stock of Sifang Holdings.

At the closing of the Stock Exchange, Sifang Holdings became a wholly-owned subsidiary of the Issuer, and the Issuer succeeded to the business of Sifang Holdings. All of the Issuer's business operations are conducted through Sifang Holdings.

The Stock Exchange was approved in accordance with the laws of the State of Nevada and the Cayman Islands. Pursuant to the Exchange Agreement, Timothy P. Halter ("Halter") resigned as officer of the Issuer effective immediately following the closing of the transaction. On June 24, 2004, Halter resigned as a director of the Issuer.

Item 2. Identity and Background.

No change from initial schedule.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 is hereby amended to include the following:

Pursuant to a transaction effective June 24, 2004, Halter Financial Group, Inc. ("HFG") purchased for a price of \$190,000 in cash 166,667 newly issued shares of Stock from the Issuer. HFG used "working capital" to purchase its Stock.

On June 8, 2004, Halter exercised a warrant to purchase 100,000 shares of Stock at a price of \$.40 per share. Such shares constituted 131,722 shares of Stock post-split. Halter's beneficial ownership of the shares of Stock underlying the warrant was previously reported on the Schedule 13D filed with the Securities and Exchange Commission on February 27, 2004. Halter used personal funds to purchase such shares upon conversion of the warrant.

STOCK PURCHASE AGREEMENT

THIS STOCK PURCHASE AGREEMENT (this "Agreement") is made and entered into as of the 23rd day of June, 2004, by and between Halter Financial Group, Inc. ("Purchaser") and Boulder Acquisitions, Inc., a Nevada Corporation (the "Company").

W I T N E S S E T H:

WHEREAS, the Company desires to sell to Purchaser and Purchaser desires to purchase from the Company a total of 166,667 newly issued, restricted shares (the "Shares") of the common capital stock of the Company, par value \$0.001 per share, upon the terms, provisions, and conditions and for the consideration hereinafter set forth;

NOW, THEREFORE, for and in consideration of the premises and mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby represent, warrant, covenant, and agree as follows:

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

Section 1. Issuance and Sale of Shares.

Based upon the representations, warranties, and covenants and subject to the terms, provisions, and conditions contained in this Agreement, the Company agrees to sell and deliver the Shares to Purchaser, free and clear of all liens, pledges, encumbrances, security interests, and adverse claims, and Purchaser agrees to purchase the Shares from the Company for the consideration hereinafter set forth.

Section 2. Purchase Price.

The total purchase price to be paid to the Company by Purchaser for the Shares is \$1.14 per Share (the "Purchase Price").

Section 3. The Closing.

Upon execution of this Agreement, the Company shall deliver to Purchaser a certificate(s) evidencing the Shares issued in the name of Purchaser, and immediately upon delivery thereof, Purchaser shall deliver to the Company the Purchase Price.

Section 4. Representations and Warranties of Purchaser.

Purchaser acknowledges and understands that the Shares are being acquired for investment in a transaction that is considered to be exempt from registration. In connection with the transactions contemplated hereby, Purchaser hereby represents and warrants to the Company that:

- a) Purchaser is acquiring the Shares solely for investment purposes and not with a view to, or for resale in connection with, any distribution thereof or with any present intention of distributing or selling any

1

of the Shares, except as allowed by the Securities Act of 1933, as amended, or any rules or regulations promulgated thereunder (collectively, the "Act").

- b) Purchaser will hold the Shares subject to all of the applicable provisions of the Act, and Purchaser will not at any time make any sale, transfer, or other disposition of the Shares in contravention of said Act.
- c) Purchaser acknowledges that it must bear the economic risk of its investment in the Shares for an indefinite period of time since the Shares have not been registered under the Act and therefore cannot be sold unless the Shares are subsequently registered or an exemption from registration is available.
- d) The sale of the Shares to Purchaser is being made without any public solicitation or advertisements.

Section 5. Representations and Warranties of the Company.

In connection with the transactions contemplated hereby, the Company hereby represents and warrants to Purchaser as follows, with each such representation and warranty pertaining to the Company and its direct and indirect subsidiaries where applicable:

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

5.1. Organization, Standing and Power.

The Company is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated and has the requisite corporate power and authority to carry on its business as now being conducted. The Company is duly qualified or licensed to do business and is in good standing in each jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification or licensing necessary, other than in such jurisdictions where the failure to be so qualified or licensed (individually or in the aggregate) would not have a Company Material Adverse Effect. For purposes of this Agreement, the term "Company Material Adverse Effect" means any material adverse effect with respect to the Company, taken as a whole, or any change or effect that adversely, or is reasonably expected to adversely, affect the ability of the Company to maintain its current business operations or to consummate the transactions contemplated by this Agreement in any material respect.

5.2. Validity of Transaction.

This Agreement and, as applicable, each other agreement contemplated hereby are valid and legally binding obligations of the Company, enforceable in accordance with their respective terms against the Company, except as limited by bankruptcy, insolvency and similar laws affecting creditors generally, and by general principles of equity. At the time that the Shares are sold, assigned, transferred and conveyed to Purchaser pursuant to this Agreement, the Shares will be duly authorized, validly issued, fully paid and nonassessable. The execution, delivery and performance of this Agreement have been duly authorized by the Company and will not violate any applicable federal or state law, any order of any court or government agency or the articles or certificate of incorporation of the Company. The execution, delivery and performance of this Agreement and each other agreement contemplated hereby will not result in any

2

breach of or default under, or result in the creation of any encumbrance upon any of the assets of the Company pursuant to the terms of any agreement by which the Company or any of its respective assets may be bound. No consent, approval or authorization of, or registration or filing with any governmental authority or other regulatory agency, is required for the validity of the execution and delivery by the Company of this Agreement or any documents related thereto.

5.3. Capital Structure.

The authorized capital stock of the Company consists of 100,000,000 shares of common stock, par value \$0.001 per share (the "Company Common Stock"). On the Closing Date hereof, there will be 15,702,903 shares of Company Common Stock issued and outstanding. No shares of Company Common Stock will be held by the Company in its treasury. All outstanding shares of capital stock of the Company will have been duly authorized and validly issued, and will be fully paid and nonassessable and not subject to preemptive or similar rights. No bonds debentures, notes or other indebtedness of the Company having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which the stockholders of the Company may vote are issued or outstanding. There are no outstanding stock appreciation rights or similar derivative securities or rights of the Company.

5.4. Authority: Noncontravention.

The Company has the requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated by this

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

Agreement. The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company. This Agreement has been duly executed and delivered by the Company and, assuming this Agreement constitutes the valid and binding agreement of Purchaser, constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies and to general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity). The execution and delivery of this Agreement do not, and the consummation of the transactions contemplated by this Agreement and compliance with the provisions hereof will not, (a) conflict with any of the provisions of the charter documents or bylaws of the Company, (b) subject to the governmental filings and other matters referred to in the following sentence, conflict with, result in a breach of or default (with or without notice or lapse of time, or both) under, or give rise to a right of first refusal, termination, cancellation or acceleration of any obligation (including to pay any sum of money) or loss of a benefit under, or require the consent of any person under, any indenture or other agreement, permit, concession, ground lease, franchise, license or similar instrument or undertaking to which the Company is a party or by which the Company or any of the assets of either entity are bound, result in the creation or imposition of a material Lien or other restriction or encumbrance on any material asset of the Company, which, singly or in the aggregate, would have a Company Material Adverse Effect, or (c) subject to the governmental filings and other matters referred to in the following sentence, violate any domestic or foreign law, rule or regulation or any order, writ, judgment, injunction, decree, determination or award currently in effect except for such violations,

3

which, singly or in the aggregate, would only have an immaterial effect. Except as otherwise required by applicable state or federal securities laws, no consent, approval or authorization of, or declaration or filing with, or notice to, any domestic or foreign governmental agency or regulatory authority (a "Governmental Entity") or any third party which has not been received or made, is required by or with respect to the Company in connection with the execution and delivery of this Agreement by the Company or the consummation by the Company of the transactions contemplated hereby, except for consents, approvals, authorizations, declarations, filings and notices that, if not obtained or made, will not, individually or in the aggregate, result in a Company Material Adverse Effect. "Lien" means, collectively, all material pledges, claims, liens, charges, mortgages, conditional sale or title retention agreements, hypothecations, collateral assignments, security interests, easements and other encumbrances of any kind or nature whatsoever.

5.5. Restrictions Upon Registration.

The Company agrees that for the twelve month period following the execution date of this Agreement it shall not file a registration statement, of any type, with the Commission for the purpose of registering shares of the Company's common stock held by those persons who received such shares pursuant to that certain Securities Exchange Agreement, dated effective as of June 23, 2004, entered into by and among Sifang Holdings Co., Ltd., a corporation organized under the laws of the Cayman Islands ("Holding Co"), the Company and the shareholders of Holding Co.

5.6. Absence of Certain Changes or Events; No Undisclosed Material Liabilities.

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

Except as otherwise set forth in the Company's periodic reports as filed with the U.S. Securities and Exchange Commission pursuant to the requirements of the Securities Exchange Act of 1934, the Company has no Liabilities. "Liability" means, as to any person, all debts, liabilities and obligations, direct, indirect, absolute or contingent of such person, whether accrued, vested or otherwise, whether known or unknown and whether or not actually reflected, or required in accordance with GAAP to be reflected, in such person's balance sheet.

5.7. Compliance with Applicable Laws.

The Company has and after giving effect to the transactions contemplated hereby will have in effect all federal, state, local and foreign governmental approvals, authorizations, certificates, filings, franchises, licenses, notices, permits and rights ("Permits") necessary for it to own, lease or operate its properties and assets and to carry on its business as now conducted, and to the knowledge of the Company there has occurred no default under any such Permit, except for the lack of Permits and for defaults under Permits which individually or in the aggregate would not have a Company Material Adverse Effect. To the Company's knowledge, the Company is in compliance with, and has no liability or obligation under, all applicable statutes, laws, ordinances, rules, orders and regulations of any Governmental Entity, including any liability or obligation to undertake any remedial action under hazardous substances laws, except for instances of non-compliance, liabilities or obligations, which individually or in the aggregate would only have an immaterial effect.

4

5.8. Litigation, etc.

As of the date hereof, (a) there is no suit, claim, action or proceeding (at law or in equity) pending or, to the knowledge of the Company, threatened against the Company (including, without limitation, any product liability claims) before any court or governmental or regulatory authority or body, and (b) the Company is not subject to any outstanding order, writ, judgment, injunction, order, decree or arbitration order that, in any such case described in clauses (a) and (b), (i) could reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or (ii) involves an allegation of criminal misconduct or a violation of the Racketeer and Influenced Corrupt Practices Act, as amended. As of the date hereof, there are no suits, actions, claims or proceedings pending or, to the Company's knowledge, threatened, seeking to prevent, hinder, modify or challenge the transactions contemplated by this Agreement.

5.9. Disclosure.

The representations and warranties and statements of fact made by the Company in this Agreement are, as applicable, accurate, correct and complete and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements and information contained herein not false or misleading.

Section 6. Survival of Representations and Warranties.

All representations, warranties, covenants, and agreements contained herein shall not be discharged or dissolved upon, but shall survive the closing and shall be unaffected by any investigation made by any party at any time.

Section 7. Registration Rights.

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

7.1. Registration by the Company.

(a) Mandatory Registration. As promptly as practicable (but in no event later than 30 days) after the date of this Agreement, the Company shall file a registration statement (the "Registration Statement") with the Commission under the Act covering the Shares.

(b) Registration Statement Form. Registrations under this Section 7.1 shall be on such appropriate registration form of the Commission as shall be reasonably selected by the Company.

(c) Effective Registration Statement. A registration required pursuant to this Section 7.1 shall not be deemed to have been effected (i) unless the Registration Statement has become effective and remained effective in compliance with the provisions of the Act with respect to the disposition of all of the Shares covered by such Registration Statement until such time as all of the Shares have been disposed of in accordance with the intended methods of disposition by the Purchaser set forth in such Registration Statement (unless the failure to so dispose of such Shares shall be caused solely by reason of a failure on the part of the Purchaser).

5

7.2. Priority Registrations.

Subject to the limitations set forth below, the Registration Statement may include, in addition to the Shares, other securities of the Company which are proposed to be sold for the account of the Company or any other stockholders thereof.

The Company will, as expeditiously as possible:

- a) prepare and file with the Commission the requisite Registration Statement to effect such registration and thereafter use its reasonable best efforts to cause such Registration Statement to become effective;
- b) prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective and to comply with the provisions of the Act with respect to the disposition of all the Shares covered by such Registration Statement until the earlier of the time as all of such Shares have been disposed of in accordance with the intended methods of disposition by the Purchaser set forth in such Registration Statement or the date that the Shares are eligible for resale pursuant to the provisions of Rule 144 under the Act;
- c) furnish such number of conformed copies of such Registration Statement and of each such amendment and supplement thereto (in each case including all exhibits), such number of copies of the prospectus contained in such Registration Statement (including each preliminary prospectus and any summary prospectus) and any other prospectus filed under Rule 424 under the Act, in conformity with the requirements of the Act, and such other documents, as the Purchaser may reasonably request;

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

- d) use its reasonable best efforts (i) to register or qualify the Shares under such other securities or blue sky laws of such States of the United States of America where an exemption is not available and as Purchaser shall reasonably request, (ii) to keep such registration or qualification in effect for so long as such Registration Statement remains in effect, and (iii) to take any other action which may be reasonably necessary or advisable to enable the Purchaser to consummate the disposition in such jurisdictions of the securities to be sold by the Purchaser, except that the Company shall not for any such purpose be required to qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this subdivision (d) be obligated to be so qualified or to consent to general service of process in any such jurisdiction;
- e) use its reasonable best efforts to cause all Shares covered by such Registration Statement to be registered with or approved by such other federal or state governmental agencies or authorities as may be necessary in the opinion of counsel to the Company and counsel to the Purchaser to enable the Purchaser to consummate the disposition of such Shares;

6

- f) notify the Purchaser at any time when a prospectus relating thereto is required to be delivered under the Act, upon discovery that, or upon the happening of any event as a result of which, the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading, in the light of the circumstances under which they were made, and at the request of the Purchaser promptly prepare and furnish to it a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made;
- g) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and, if required, make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months, but not more than eighteen months, beginning with the first full calendar month after the effective date of such Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Act and Rule 158 promulgated thereunder, and promptly furnish to Purchaser a copy of any amendment or supplement to such Registration Statement or prospectus;
- h) provide and cause to be maintained a transfer agent and registrar (which, in each case, may be the Company) for all the Shares covered by such Registration Statement from and after a date not later than the effective date of such registration; and
- i) use its reasonable best efforts to list the Shares on any national securities exchange on which the shares of the same class covered by such Registration Statement are then listed and, if no such shares are

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

so listed, on any national securities exchange on which the common stock is then listed.

Purchaser agrees by acquisition of the Shares that, upon receipt of any notice from the Company of the happening of any event of the kind described in subdivision (f) of this Section 7.3, such holder will forthwith discontinue such disposition of the Shares pursuant to the Registration Statement until Purchaser's receipt of the copies of the supplemented or amended prospectus contemplated by subdivision (f) of this Section 7.3 and, if so directed by the Company, will deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in such holder's possession of the prospectus relating to the Shares current at the time of receipt of such notice.

7.4. Indemnification.

(a) Indemnification by the Company. The Company will, and hereby does, indemnify and hold harmless, in the case of the Registration Statement filed pursuant to Section 7.1, the Purchaser and its respective directors, officers, partners, agents and affiliates, against any losses, claims, damages or liabilities, joint or several, to which

7

Purchaser or any such director, officer, partner, agent, affiliate or controlling person may become subject under the Act or otherwise, including, without limitation, the fees and expenses of legal counsel, insofar as such losses, claims, damages or liabilities (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, any preliminary prospectus, final prospectus or summary prospectus contained therein, or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances in which they were made not misleading, and the Company will reimburse Purchaser and each such director, officer, partner, agent, affiliate and controlling person for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, liability, action or proceeding; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Purchaser, specifically stating that it is for use in the preparation thereof. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of Purchaser or any such director, officer, partner, agent, affiliate or controlling person and shall survive the transfer of such securities by the Purchaser.

(b) Indemnification by the Purchaser. As a condition to including the Shares in the Registration Statement, the Company shall have received an undertaking satisfactory to it from the Purchaser, to indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 7.4(a)) each other seller, if any, the Company, and each director of the Company and each officer of the Company, with respect

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

to any statement or alleged statement in or omission or alleged omission from such Registration Statement, any preliminary prospectus, final prospectus or summary prospectus contained therein, or any amendment or supplement thereto, if such statement or alleged statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Purchaser specifically stating that it is for use in the preparation of such Registration Statement, preliminary prospectus, final prospectus, summary prospectus, amendment or supplement; provided, ----- however, that the liability of such indemnifying party under this Section 7.4(b) shall be limited to the amount of proceeds received by such indemnifying party giving rise to such liability. Such indemnity shall remain in full force and effect, regardless of any investigation made by or on behalf of the Company or any such director, officer or controlling person and shall survive the transfer of such securities by the Purchaser.

(c) Notices of Claims, etc. Promptly after receipt by an indemnified party of notice of the commencement of any action or proceeding involving a claim referred to in Section 7.4 (a) or (b), such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the latter of the commencement of such action; provided, however, that the failure of any

8

indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations under the preceding subdivisions of this Section 7.4, except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that any indemnified party may, at its own expense, retain separate counsel to participate in such defense. Notwithstanding the foregoing, in any action or proceeding in which both the Company and an indemnified party is, or is reasonably likely to become, a party, such indemnified party shall have the right to employ separate counsel at the Company's expense and to control its own defense of such action or proceeding if (a) there are or may be legal defenses available to such indemnified party or to other indemnified parties that are different from or additional to those available to the Company or (b) any actual conflict exists between the Company and such indemnified party that would make such separate representation advisable; provided, however, that the Company may limit the fees and expenses that it pays in any one legal action or group of related legal actions to those fees and expenses of one firm of attorneys (together with appropriate local counsel), which firm of attorneys (together with appropriate legal counsel) shall be designated in writing by a majority of the indemnified parties who are a party to, or are reasonably likely to become parties to, such legal action or group of related legal actions. No indemnifying party shall be liable for any settlement of any action or proceeding effected without its written consent, which consent shall not be unreasonably withheld or delayed. No indemnifying party shall, without the consent of the indemnified party, which consent shall not be unreasonably withheld or delayed, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation or which requires action other than the payment of money by the indemnifying party.

(d) Contribution. If the indemnification provided for in this Section 7.4 shall for any reason be held by a court to be unavailable to an indemnified party under Section 7.4(a) or (b) hereof in respect of any loss, claim, damage or liability, or any action in respect thereof, then, in lieu of the amount paid or payable under Section 7.4(a) or (b), the indemnified party and the indemnifying party under Section 7.4(a) or (b) shall contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating the same), (i) in such proportion as is appropriate to reflect the relative fault of the Company and the Purchaser which resulted in such loss, claim, damage or liability, or action or proceeding in respect thereof, with respect to the statements or omissions which resulted in such loss, claim, damage or liability, or action or proceeding in respect thereof, as well as any other relevant equitable considerations or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as shall be appropriate to reflect the relative benefits received by the Company and the Purchaser from the offering of the securities covered by such Registration Statement, provided, that for purposes of

9

this clause (ii), the relative benefits received by the Purchaser shall be deemed not to exceed the amount of proceeds received by the Purchaser. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Purchaser's obligation to contribute as provided in this Section 7.4(d) is several in proportion to the relative value of its respective Shares covered by such Registration Statement and not joint. In addition, no person shall be obligated to contribute hereunder any amounts in payment for any settlement of any action or claim effected without such person's consent, which consent shall not be unreasonably withheld.

(e) Other Indemnification. Indemnification and contribution similar to that specified in the preceding subdivisions of this Section 7.4 (with appropriate modifications) shall be given by the Company and the Purchaser with respect to any required registration or other qualification of securities under any federal or state law or regulation of any governmental authority other than the Act.

(f) Indemnification Payments. The indemnification and contribution required by this Section 7.4 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred.

Section 8. Put Option.

(a) Subject to the provisions of subparagraphs (b) and (c) or this Section 8, the Company hereby grants to Purchaser an option to require the Company to purchase up to 166,667 Shares at a price of \$1.14 per share (the "Put Option").

(b) The Put Option may be exercised at any time after the date that is

Edgar Filing: HALTER TIMOTHY P - Form SC 13D/A

six months after the Company files the Registration Statement registering the Shares up to and including the earlier of the date that such Registration Statement is declared effective by the Commission or the Shares are eligible for resale under Rule 144 under the Act (the "Expiration Date").

(c) The Put Option may be exercised by written notice given by the Purchaser to the Company exercising the Put Option. If the Put Option is not exercised by the Expiration Date, then the Put Option will terminate, and be null, void and of no further effect immediately following the Expiration Date.

Section 9. Entirety and Modification.

No modification, alteration, amendment, or supplement to this Agreement shall be valid or effective unless the same is in writing and signed by all parties hereto.
