Under the Option, RALLC is to make monthly installment payments of \$36,043.71 each, based on a total price of \$825,000, plus interest, but if the market price per Share for five consecutive trading days exceeds \$6.55, the individual may discontinue monthly sales, deliver the Shares for which payment has been made to RALLC, and sell the remaining Shares as he wishes. Correspondingly, if the market price per Share declines below a specified level, RALLC may terminate the Option, receive the Shares purchased, and cease making payments.

Of the Shares owned directly by RALLC, 6,666,052 are held in bank and brokerage accounts along with other securities owned by RALLC and as such, those Shares may be deemed to be "collateral" for any borrowings made from time to time pursuant to customary margin or other account arrangements with such banks and/or brokers. Such arrangements are standard involving margin securities of up to a specified percentage of market value of the Shares, as well as other securities in such accounts, bear interest at varying rates and contain only standard default and similar provisions, the operation of which should not give any other person immediate voting power or investment power over such Shares.
