PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors and management of Airtrax, Inc. (the "Company") in connection with the solicitation of proxies to be voted at the Company's Special Meeting of Stockholders (the "Meeting"), which will be held on March 28, 2005 at 9:30 a.m. local time, at the Ramada Inn, 2216 West Landis Avenue, Vineland, New Jersey 08360

The Board of Directors has fixed the close of business on Wednesday, February 16, 2005 as the record date (the "Record Date") for the determination of stockholders entitled to receive notice of, and to vote at, the Meeting. As of Wednesday, February 16, 2005, 15,387,092 shares of the Company's common stock, no par value, were issued and outstanding. For the purposes of determining the presence of a quorum at the Meeting, abstentions will be counted toward the number of shares represented at the Meeting and broker non-votes will be disregarded. The stockholders present at the Meeting may continue to transact business until adjournment, notwithstanding the subsequent withdrawal of enough stockholders to leave less than a quorum or the refusal of any stockholder present in person or by proxy to vote or participate in the Meeting.

This Proxy Statement and the enclosed form of proxy are first being mailed to stockholders on or about March 14, 2005. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the proxy. Each stockholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company as of the close of business on February 16, 2005, on all matters that come before the Meeting.

For purposes of determining the votes cast with respect to any matter presented for consideration at the Meeting, only those votes cast "for" or "against" are included. However, if a proxy is signed but no specification is given, the shares will be voted "FOR" Proposal 1 (to elect the Board's nominees to the Board of Directors). A stockholder giving a proxy has the right to revoke it by giving written notice of such revocation to the Secretary of the Company at any time before it is voted, by submitting to the Company a duly executed, later dated proxy or by voting the shares subject to such proxy by written ballot at the Meeting. The presence at the Meeting of a stockholder who has given a proxy does not revoke such proxy unless such stockholder files the aforementioned notice of revocation or votes by written ballot.

Determination of whether a matter specified in the Notice of a Special Meeting of Stockholders has been approved will be determined as follows. For proposals 1, 2, and 3 to amend the Company's Certificate of Incorporation, the affirmative vote of a majority of all shares of Common Stock outstanding is required. For

Edgar Filing: AIRTRAX INC - Form DEF 14A

each other matter, the affirmative vote of a majority of the shares of Common Stock present at the Meeting in person or by proxy and entitled to vote on such matter is required for approval.

For purposes of determining the votes cast with respect to any matter presented for consideration at the Meeting, only those votes cast "for" or "against" are included. However, if a proxy is signed but no specification is given, the shares will be voted "FOR" Proposals 1, 2 and 3. A stockholder giving a proxy has the right to revoke it by giving written notice of such revocation to the Secretary of the Company at any time before it is voted, by submitting to the Company a duly executed, later dated proxy or by voting the shares subject to such proxy by written ballot at the Meeting. The presence at the Meeting of a stockholder who has given a proxy does not revoke such proxy unless such stockholder files the aforementioned notice of revocation or votes by written ballot.

The cost of soliciting proxies will be borne by the Company. The solicitation of proxies may be made by mail, telephone, facsimile or telegraph or in person by directors, officers and regular employees of the Company, without additional compensation for such services. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of stock held of record by such persons, and the Company will reimburse them for reasonable out of pocket expenses incurred in so doing.

1. AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED COMMON STOCK

The board of directors has adopted, subject to stockholder approval, an amendment to our certificate of incorporation to increase the number of authorized shares of Common Stock from 20,000,000 to 100,000,000. The Company currently has authorized capital stock of 20,000,000 shares and approximately 15,387,092 shares of Common Stock are outstanding as of the Record Date.

4

Between September 8, 2004 and the date hereof, we have entered into several financing agreements that require an issuance of shares greater than the number of shares that the Company is currently authorized to issue. By entering into these agreements, the Company has exhausted its 20,000,000 authorized shares of Common Stock and cannot meet any equity and/or convertible debt-based obligations entered into after September 2004 without stockholder approval for an increase in the number of authorized shares. Specifically, the Company has completed the following financing transactions:

- o On February 11, 2005, the Company entered into a Subscription Agreement with certain accredited investors pursuant to which the Company sold an aggregate of \$5,000,000 of principal amount promissory notes which are convertible into an aggregate of 3,846,154 shares of Common Stock and Class A and B warrants to purchase an aggregate of 2,884,615 shares of Common Stock.

- o In addition, the Company entered into a Securities Purchase Agreement with certain accredited investors on November 22 and 23, 2004 pursuant to which the Company issued warrants to purchase an aggregate of 984,000 shares of Common Stock.

- o Between September 8, 2004 and December 20, 2004, the Company received subscriptions for an aggregate of 1,812,403 shares of Common Stock and an aggregate of 906,200 shares of Common Stock issuable upon exercise of common stock purchase warrants to 33 accredited investors pursuant to a private placement offering.

Edgar Filing: AIRTRAX INC - Form DEF 14A

In addition to the foregoing, the Company has the following convertible securities outstanding:

- o Warrants to purchase 100,000 shares of Common Stock which were issued pursuant to an Advisory Agreement dated as of September 20, 2004.
- o Options to purchase an aggregate of 1,000,000 shares of Common Stock issued to Fil Filipov in connection with the proposed acquisition of Filco GmbH and in consideration for Mr. Filipov's services as a director of the Company.
- o Warrants to purchase an aggregate of 2,615,375 shares of Common Stock exercisable at \$1.25 per share.
- o Warrants to purchase an aggregate of 865,000 shares of Common Stock exercisable at \$2.50 per share

Based upon the foregoing, the Company will need a total of approximately 15,013,747 shares of Common Stock in order to be able to honor these various obligations, greater than the number of shares that the Company is currently authorized to issue. Unless the Company's stockholders approve this Proposal 1, the Company will be unable to perform its obligations under the equity and/or convertible debt-based agreements and will be in default pursuant to the terms of the agreements. Management of the Company believes that it is highly likely that such default will require the Company to substantially curtail or cease its operations, and may result in a total loss of the your investment in the Company. The Company intends to utilize the additional shares of authorized Common Stock in order to meet its obligations pursuant to the aforementioned equity and/or convertible debt-based financings and to have sufficient shares of Common Stock available with respect to the Company's outstanding convertible securities. In addition, the board of directors believes that the increase in authorized Common Stock would provide the Company greater flexibility with respect to the Company's capital structure for such purposes as additional equity financing, and stock based acquisitions. With the exception of the foregoing, the Company has no present intentions to issue any of the other newly authorized shares of common stock.

The amendment to the first paragraph of Section 5 of our certificate of incorporation with respect to this Proposal 1 shall read as follows:

"5. The aggregate number of shares which the corporation shall have the authority to issue is one-hundred five million (105,000,000), itemized by classes, par value of shares, shares without par value, and series, if any, within a class, is:

5

Class	Series (if any)	Number of Shares	Par value per Share or statement that Shares have no par value
Common		100,000,000	No par
Preferred		5,000,000	No par"

The terms of the additional shares of Common Stock will be identical to those of the currently outstanding shares of Common Stock. However, because holders of Common Stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, the issuance of additional shares of Common Stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of Common Stock. This amendment and the creation of additional shares of authorized common stock will not alter the current number

Edgar Filing: AIRTRAX INC - Form DEF 14A

of issued shares. The relative rights and limitations of the shares of Common Stock will remain unchanged under this amendment.

The increase in the number of authorized but unissued shares of Common Stock would enable the Company, without further stockholder approval, to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, business and asset acquisitions, stock splits and dividends, present and future employee benefit programs and other corporate purposes.

The proposed increase in the authorized number of shares of Common Stock could have a number of effects on the Company's stockholders depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. The increase could have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the Company more difficult. For example, additional shares could be issued by the Company so as to dilute the stock ownership or voting rights of persons seeking to obtain control of the Company. Similarly, the issuance of additional shares to certain persons allied with the Company's management could have the effect of making it more difficult to remove the Company's current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and this proposal is not being presented with the intent that it be utilized as a type of anti-takeover device.

The board of directors recommends a vote "FOR" the proposals to amend our certificate of incorporation to increase the number of authorized shares of Common Stock from 20,000,000 to 100,000,000.

2. AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMPANY'S "BLANK CHECK" PREFERRED STOCK TO 5,000,000 SHARES

The board of directors has adopted, subject to stockholder approval, an amendment to our certificate of incorporation to increase the number of authorized shares of "blank check" preferred stock from 500,000 to 5,000,000.

Pursuant to the laws of the State of New Jersey and the Company's certificate of incorporation, the Company's board of directors will have the authority, without further action by our stockholders, to issue up to 500,000 shares of preferred stock in one or more series and to fix the privileges and rights of each series. The Company's board of directors is now requesting that the stockholders approve an increase in the number of shares of "blank check" preferred stock which the Company can issue from 500,000 to 5,000,000. Currently, the Company has 275,000 shares of preferred stock outstanding which was issued to Arcon Corp., a corporation wholly owned by the Company's chairman and president, Peter Amico. In addition, the Company intends to issue an additional 100,000 shares of preferred stock to Arcon Corp. in lieu of approximately 221,000 shares of Common Stock as payment for accrued dividends with respect to the 275,000 shares of preferred stock. The Company believes that said issuance of 100,000 shares of preferred stock is in the best interests of its shareholders because the payment of accrued dividends in the form of Common Stock may result in substantial dilution to the interests of its common stockholders. With the exception of the foregoing, the Company has no present intentions to issue any of the other newly authorized shares of preferred stock.

The board of directors believes that increasing the number of authorized but unissued shares of preferred stock will provide the board with further flexibility to raise capital and to protect the Company against unsolicited takeover attempts. However, when designating and issuing the preferred stock, the board of directors may issue shares with voting, conversion or other rights that could adversely affect the voting power and other rights of the common

Edgar Filing: AIRTRAX INC - Form DEF 14A

stockholders. Further, this type of "blank check preferred stock" makes it possible for the Company to issue preferred stock quickly with terms calculated to delay or prevent a change in the Company's control or make removal of the Company's management more difficult. Additionally, if the Company issues the preferred stock, the market price of common stock may decrease, and voting and other rights may decrease.

6

The amendment to Section 5 of the Company's certificate of incorporation with respect to this Proposal 2 shall read as follows:

"5. The aggregate number of shares which the corporation shall have the authority to issue is fifty five million (55,000,000), itemized by classes, par value of shares, shares without par value, and series, if any, within a class, is:

Class	Series (if any)	Number of Shares	Par value per Share or statement that Shares have no par value
Common		100,000,000	No par
Preferred		5,000,000	No par

The relative rights, preferences and limitations of the shares of each class and series (if any), are as follows:

The preferred stock, or any series thereof, shall have such designations, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof as shall be expressed in the resolution or resolutions providing for the issue of such stock adopted by the Board of Directors and may be made dependent upon facts ascertainable outside such resolution or resolutions of the Board of Directors, provided that the matter in which such facts shall operate upon such designations, preferences, rights and qualifications; limitations or restrictions of such class or series of stock is clearly and expressly set forth in the resolution or resolutions providing for the issuance of such stock by the Board of Directors."

The board of directors recommends a vote " FOR " the proposals to amend the Company's certificate of incorporation to increase the number of authorized shares of "blank check" preferred stock from 500,000 to 5,000,000.

3. AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO PROVIDE THAT THE COMPANY MAY INDEMNIFY ITS OFFICERS AND DIRECTORS

The board of directors has adopted, subject to stockholder approval, an amendment to the Company's certificate of incorporation which will provide to the fullest extent permitted by New Jersey law, that the Company's directors or officers shall not be personally liable to the Company or its shareholders for damages for breach of such director's or officer's fiduciary duty. The effect of this provision of the amendment to the Company's certificate of incorporation is to eliminate the Company's rights and its shareholders rights (through shareholders' derivative suits on behalf of the Company) to recover damages against a director or officer for breach of the fiduciary duty of care as a director or officer (including breaches resulting from negligent or grossly negligent behavior), except under certain situations defined by statute. The board of directors believes that the indemnification provisions in the Company's certificate of incorporation are necessary to attract and retain qualified persons as directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act of

Edgar Filing: AIRTRAX INC - Form DEF 14A

1933 (the "Act" or "Securities Act") may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

The board of directors recommends a vote " FOR " the proposals to amend the Company's certificate of incorporation to provide to the fullest extent permitted by New Jersey law, that the Company's directors or officers shall not be personally liable to the Company or its shareholders for damages for breach of such director's or officer's fiduciary duty.

4. OTHER BUSINESS

The Board of Directors knows of no other matters which are likely to be brought before the Meeting. If any matter not described herein should be presented for Stockholder action at the Meeting, the persons named in the enclosed Proxy will vote the shares represented thereby in accordance with their best judgment.
