## Item 3.03 Material Modifications to the Rights of Security Holders

Sprint Nextel Corporation's (the "Company") board, upon the recommendation of its Nominating and Corporate Governance Committee, approved an amendments to the Amended and Restated Articles of Incorporation (the "Articles"), subject to shareholder approval. On May 15, 2012, the Company's shareholders approved such amendments to the Company's articles of incorporation (the "Amended and Restated Articles").

The amendments were adopted in response to a shareholder proposal requesting that the Company eliminate supermajority voting provisions. The amendments eliminate supermajority voting on all matters impacting the Company by: (1) opting-out of certain anti-takeover provisions of the Kansas General Corporation Code relating to business combinations and (2) eliminating the business combination provision contained in Article SEVENTH of the Articles.

The amendment struck Article SEVENTH of the Articles in its entirety and replaced it as follows: Business Combinations with Interested Stockholders. The Corporation expressly elects not to be subject to the provisions of contained in Sections 17-12,100 to 17-12,104 of the General Corporation Code, as it may be amended.

This description is a summary of the amendments to the Articles and is qualified in its entirety by reference to the Amended and Restated Articles (with amendments marked) filed herewith as Exhibit 3.1 and incorporated herein by reference. A clean copy of the Amended and Restated Articles is filed herewith as Exhibit 3.2.

## Item 5.07 Submission of Matters to a Vote of Security Holders

The Company's 2012 meeting of shareholders was held on May 15, 2012. The Company's bylaws provide that each nominee for director in an uncontested election will be elected if the votes cast "for" that nominee exceed the votes cast "against" that nominee.
