PROXY STATEMENT

Edgar Filing: EAGLE BANCORP/MT - Form DEF 14A

ANNUAL MEETING OF STOCKHOLDERS
OCTOBER 16, 2003

This Proxy Statement is being furnished to the holders of the common stock, par value \$0.01 per share ("Common Stock"), of Eagle Bancorp ("Eagle" or the "Company"), in connection with the solicitation of proxies by the Board of Directors for use at the 2003 Annual Meeting of Stockholders ("Annual Meeting") to be held on Thursday, October 16, 2003, at the home office of American Federal Savings Bank located at 1400 Prospect Avenue, Helena, Montana at 10:00 a.m. Montana time, for the purposes set forth in the attached Notice of Annual Meeting of Stockholders. This Proxy Statement is first being mailed to stockholders on or about September 12, 2003.

MATTERS TO BE CONSIDERED AND ACTED UPON AT THE ANNUAL MEETING

Each proxy solicited hereby, if properly signed and returned to Eagle and not revoked prior to its use, will be voted in accordance with the instructions indicated on the proxies. If no contrary instructions are given, each signed proxy received will be voted in favor of the election of Mr. McCarvel and Mr. Maierle, in favor of the ratification of Anderson ZurMuehlen & Co., P.C. and in the discretion of the proxy holder, as to any other matter which may properly come before the Annual Meeting. Only proxies that are returned can be counted and voted at the Annual Meeting.

SOLICITATION OF PROXIES

All costs of the solicitation of proxies will be borne by Eagle. In addition, directors, officers and other employees of Eagle or American Federal Savings Bank (the "Bank" or "American Federal") may solicit proxies personally or by telephone or other means without additional compensation. Eagle will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock.

REVOCATION OF PROXIES

A stockholder who has given a proxy may revoke it at any time prior to its exercise at the Annual Meeting by (i) giving written notice of revocation to the Secretary of Eagle, (ii) properly submitting to Eagle a duly-executed proxy bearing a later date, or (iii) attending the Annual Meeting and voting in person. All written notices of revocation and other communications with respect to revocation of proxies should be addressed as follows: Eagle Bancorp, 1400 Prospect Avenue, Helena, Montana 59601, Attention: Terey Artz. Proxies solicited hereby may be exercised only at the Annual Meeting and will not be used for any other meeting.

VOTING SECURITIES

The securities that may be voted at the Annual Meeting consists of shares of Common Stock, with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting. Only holders of record of Common Stock at the close of business on September 2, 2003 (the "Record Date"), will be entitled to notice of and to vote at the Annual Meeting. On the Record Date there were 1,209,772 shares of Common Stock issued and outstanding and 648,493 shares of Common Stock, or 53.6% of the issued and outstanding Common Stock, are held

Edgar Filing: EAGLE BANCORP/MT - Form DEF 14A

by Eagle Financial MHC, Eagle's mutual holding company. Eagle had no other class of securities outstanding at this time.

The presence in person or by proxy of the holders of at least a majority of the total number of shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. With respect to any matter, any shares for which a broker indicates on the proxy that it does not have discretionary authority as to such shares to vote on such matter ("Broker Non-Votes") will be considered present for the purposes of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Annual Meeting, the Annual Meeting shall be adjourned in order to permit further solicitation of proxies.

VOTING PROCEDURES

Once a quorum has been established, the affirmative vote of a majority of the outstanding shares of Common Stock present or represented by proxy at the Annual Meeting is required to approve the proposals described in this proxy statement, except as described below. Additionally, directors can be elected by a plurality of stockholders. Stockholders are not permitted to cumulate their votes for the election of directors or any other purpose. Votes may be cast for or withheld from each nominee for election as directors. Votes that are withheld and Broker Non-Votes will have no effect on the outcome of the election for directors because directors will be elected by a plurality of votes cast.

With respect to the other proposals to be voted upon at the Annual Meeting, stockholders may vote for or against a proposal and may abstain from voting. Ratification of Anderson ZurMuehlen & Co., P.C. as independent auditors for the fiscal year ending June 30, 2004, will require the affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy at the Annual Meeting and entitled to vote. Abstentions and Broker Non-Votes will have the same effect as a vote against this proposal.

The Company's Annual Report to Stockholders, which includes its annual report on Form 10-KSB for its fiscal year ended June 30, 2003, is mailed herewith to stockholders. The Company has filed this report with the Securities and Exchange Commission (the "SEC"). Stockholders may obtain, free of charge, an additional copy of the annual report on Form 10-KSB by requesting it by telephone or in writing from Terey Artz, Eagle Bancorp, 1400 Prospect Avenue, Helena, Montana 59601, (406) 442-3080.

Executed, unmarked proxies will be voted for all proposals. Except for procedural matters incidental to conduct of the Annual Meeting, the Company knows of no other matters expected to come before the meeting.

Proxies solicited hereby are to be returned to the Company's transfer agent, Registrar & Transfer Company. The Board of Directors has designated Terey Artz, corporate secretary, to act as Inspector of Election and tabulate votes at the Annual Meeting. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company.

PROPOSAL I - ELECTION OF DIRECTORS

The Company's Bylaws provide that the Board of Directors be composed of seven (7) members, whose terms are divided into three approximately equal classes. The members of each class are elected for a term of three years. One class is elected annually.

Two directors will be elected at the Annual Meeting. The Board of Directors has nominated current directors Thomas J. McCarvel and James A. Maierle for re-election. If elected, Mr. McCarvel and Mr. Maierle will each serve as director for a three year term expiring at the Annual Meeting to be held in 2006.

The Board of Directors acts as Eagle's Nominating Committee and determines management nominees for election as directors. The Bylaws also allow stockholders to submit nominations in writing directly to the Corporate Secretary of the Company not fewer than five (5) days prior to the date of the Annual Meeting. No stockholder nominations have been received by the Company. There are no arrangements known to management between the persons named and any other person pursuant to which such nominees were selected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE ABOVE NOMINEES FOR DIRECTOR UNDER THIS PROPOSAL I.

The persons named in the enclosed proxy intend to vote for the election of the named nominees, unless the proxy is marked by the stockholder to the contrary. Eagle Financial MHC, which owns a majority of the Company's common stock, also intends to vote its shares in favor of the named nominee. If any nominee is unable to serve, all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. The Board of Directors knows of no reason why any nominee might be unable to serve.

The following table sets forth certain information as of June 30, 2003, with respect to each nominee, and each director continuing in office.

Also, each non-employee director, other than the Chairman of the Board, was paid \$175 for each committee meeting attended. (footnotes continued on next page)

(footnotes continued from previous page)

(2) On October 19, 2000, shareholders of the company approved the 2000 Eagle Bancorp Stock Incentive Plan (the "Plan"). Under the Plan, certain employees of the Bank and directors are eligible to receive stock related benefits, including stock options and restricted stock. Under the Plan, the Board made restricted stock awards available to all nonemployee members of the Board and to certain officers, including

Edgar Filing: EAGLE BANCORP/MT - Form DEF 14A

- Messrs. Dreyer, Johnson, Mundt and Ms. Sanderson. The restricted stock vests over a five year period at a rate of 20% per year. The value of shares when awarded was determined by multiplying the closing price (\$11.50) of the Common Stock on January 18, 2001, the date the of the award, by the number of shares awarded. No shares have vested to date.
- (3) For fiscal 2003 consists of employer contribution to profit sharing plan of \$10,720, \$2,722 for employer 401(k) payments, \$23,209 for employer deferred compensation payments, \$2,516 for ESOP stock, and \$3,465 for various medical and life insurance payments.

Option Grants in Last Fiscal Year. There were no options granted in fiscal 2003 to Mr. Dreyer or any other employees or directors.

Employment Agreement. American Federal entered into an Employment Agreement with its President, Larry A. Dreyer, effective January 1, 2000. The Employment Agreement has an initial term of three years. The Employment Agreement is terminable by the Bank for cause as defined in the Employment Agreement. If Mr. Dreyer is terminated without cause, he will be entitled to a continuation of his salary plus bonuses and deferred compensation from the date of termination through the remaining term of the Employment Agreement. The aggregate payment made to Mr. Dreyer would be an expense to the Bank and would result in reductions to net income and capital. After the first three years, the Employment Agreement may be renewed annually by the board of directors after a determination of the satisfactory performance of Mr. Dreyer in the Board's sole discretion. If Mr. Dreyer becomes disabled during the term of the Employment Agreement, he would continue to receive payment of 75% of the base salary until he returns to full-time employment at American Federal, reaches age 65, accepts another full-time position with another employer, or upon his death. Such payments shall be reduced by any other benefit payments made under a disability plan in effect for Mr. Dreyer and the Bank's other employees.

Non-Contributory Profit Sharing Plan. Neither Eagle nor American Federal has a pension plan for employees. Instead, the Bank has established a non-contributory profit sharing plan for eligible employees who have completed one year of service with American Federal. The non-contributory plan enables American Federal to contribute up to 15% of qualified salaries each year. Typically 8% is contributed. The percentage amount of the contribution is determined by the board of directors each year and is based primarily on profitability for the past year. For the year ended June 30, 2003, the Board authorized profit sharing contributions to Mr. Dreyer of \$10,720 and total contributions are \$146,807 as of June 30, 2003.

The Non-Contributory Profit Sharing Plan also allows employees to make contributions to a tax-qualified defined contribution savings plan or an employee owned 401(k) plan. Employees can contribute a portion of their salaries, (up to a maximum of \$12,000 for calendar 2003), to a 401(k) plan. Eagle's board of directors has the authority to match up to a maximum of 50% of an employee's contribution provided that the matching amount does not exceed 2.0% of such employee compensation. For the year ended June 30, 2003, the Bank contributed \$2,722 to Mr. Dreyer's 401(k) program and \$36,286 in total to the 401(k) program.

Salary Continuation Agreement. Another benefit offered by American Federal is a program to increase overall retirement benefits for employees to levels which more closely approximate those in comparable businesses. American Federal consulted with independent compensation consultants and developed a plan to supplement retirement benefits. The plan American Federal adopted covers eight of its senior officers, including Mr. Dreyer and all senior vice presidents and vice presidents. It is a non-qualified retirement plan which is

Edgar Filing: EAGLE BANCORP/MT - Form DEF 14A

designated the American Federal Savings Bank Salary Continuation Agreement (the "Salary Continuation Agreement"). Under the Salary Continuation Agreement, each officer receives a fixed retirement benefit based on his or her years of service with

8

American Federal. This plan is funded by insurance policies owned by American Federal. It also provides for partial payments in the event of early retirement, death or disability. In Mr. Dreyer's case, if he retires at age 65, the Salary Continuation Agreement provides for a lump sum payment of \$414,000, or an annual payment for life of \$45,000. American Federal has purchased life insurance contracts for each covered executive to fund the payments. American Federal Savings Bank recognizes expenses to maintain the plan. For the year ended June 30, 2003, the total expenses were \$82,504.

Bonus Plan. American Federal also provides a discretionary bonus program ("Bonus Program") for all eligible employees. The Bonus Program is based on the after-tax net profitability of American Federal and is linked specifically to the Bank's return on assets. In the case of non-officer employees, bonus amounts are based on salary levels. Under the Bonus Program, the Bank's return on assets for the period from January through October is used to determine the bonus levels of Bank officers. Officers' bonuses are directly linked to the return on assets. For example, if American Federal Savings Bank produces a return on assets of .90%, then each officer would receive a bonus of 9% of annual base salary. For the year ended June 30, 2003, American Federal Savings Bank paid total bonuses of \$194,004. Mr. Dreyer's bonus during this period was \$18,300.

Employee Stock Ownership Plan. In connection with its reorganization to the mutual holding company form of organization, the Bank established the ESOP for employees age 21 or older who have at least one year of credited service with the Bank.

As of June 30, 2003, the ESOP held 32,206 shares of Common Stock. These shares represent shares purchased by the ESOP in the offering. Shares of Common Stock purchased by the ESOP were funded by funds borrowed from Eagle. Shares purchased in the reorganization by the ESOP will be allocated to participants' accounts over ten (10) years.

The ESOP is administered by an unaffiliated corporate trustee in conjunction with the ESOP Committee of the Bank. The ESOP trustee must vote all allocated shares held by the ESOP in accordance with the instructions of participating employees. Shares for which employees do not give instructions will be voted by the ESOP trustee.

GAAP requires that any third party borrowing by the ESOP be reflected as a liability on Eagle's statement of financial condition. Since the ESOP is borrowing from Eagle, such obligation is eliminated in consolidation. However, the cost of unallocated shares are treated as a reduction of shareholders' equity.

Contributions to the ESOP and shares released from the suspense account are allocated among ESOP participants on the basis of participants' compensation as it relates to total participant compensation. Employees are fully vested upon completion of seven (7) years of service. Benefits may be payable upon retirement, early retirement, disability, death or separation from service.

The ESOP is subject to the requirements of ERISA and regulations of the IRS and the United States Department of Labor.
