PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

This Proxy Statement is furnished by the Board of Directors of BIOMERICA, INC., a Delaware corporation (together with its subsidiaries, the "Company"), in connection with the solicitation of proxies for use at the Company's Annual Meeting of Stockholders to be held on November 13, 2001, at the offices of the Company located at 1533 Monrovia Avenue, Newport Beach, California 92663 at 10:00 a.m, and at any and all adjournments thereof (the "Annual Meeting"). The Annual Meeting has been called for the purposes set forth in the accompanying Notice of the Annual Meeting of Stockholders (the "Notice"). This Proxy Statement, and the Annual Report of the Company for the year ended May 31, 2001, will be mailed on or about October 1, 2001, to each stockholder of record as of the close of business on September 20, 2001.

RECORD DATE AND OUTSTANDING SHARES

At the close of business on September 20, 2001, the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"), there was outstanding and entitled to vote an aggregate of approximately 5,035,920 shares of the Company's common stock, \$0.08 par value per share (the "Common Stock"), held of record by approximately 1,220 stockholders. However, brokers and other institutions hold many shares on behalf of the Company's stockholders and the Company has been informed that there are approximately 2,831 beneficial owners.

QUORUM

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock held of record on the Record Date is necessary to constitute a quorum for the purposes of electing directors and each other items of business. VOTES REQUIRED

Edgar Filing: BIOMERICA INC - Form DEF 14A

VOTING RIGHTS

Holders of our Common Stock are entitled to one vote for each share held as of the Record Date.

EFFECT OF ABSTENTIONS AND BROKER NON-VOTES

If the stockholder or his, her or its broker marks "Abstain" on a duly submitted proxy card representing such stockholder's shares, or if the stockholders attend the Annual Meeting in person, but elect not to vote on a particular proposal or proposals, then such shares will be considered present at the meeting for purposes of determining the required quorums and (i) will not be taken into account in determining the outcome of the election of directors, and (ii) will be considered shares entitled to vote with respect to Proposal 2, and therefore will have the effect of a vote against that proposal.

Brokers holding shares of record for customers generally are not entitled to vote on some matters unless they receive voting instructions from their customers. "Broker non-votes" are votes that could have been cast on the matter in question if the brokers had received their customers' instructions, and as to which the broker has notified the Company on a proxy form in accordance with industry practice or has otherwise advised us that it lacks voting authority. Shares represented by brokers' non-votes (i) will be considered present at the meeting for purposes of determining the required quorums, (ii) will not be taken into account in determining the outcome of the election of directors; and (iii) will not be counted as a vote cast with respect to Proposal No. 2.

All votes will be tabulated by the inspector of elections appointed for the meeting, who will separately tabulate, for each proposal, affirmative and negative votes, abstentions and broker non-votes.

APPRAISAL RIGHTS

Under Delaware law, stockholders are not entitled to any appraisal rights with respect to the approval of any of the proposals described in this Proxy Statement.

Executive officers, directors and greater than 10% beneficial owners are required by applicable regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to the Company and information involving securities transactions of which the Company is aware, the Company believes that during the fiscal year ended May 31, 2001, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than 10% beneficial stockholders were complied with.

PROPOSAL NO. 2: AMENDMENT TO CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT OF THE COMPANY'S COMMON STOCK.

Overview

The stockholders are being asked to vote upon amendments to the Company's certificate of incorporation which would authorize the board of directors to effect a reverse split of all outstanding shares of the Company's common stock at an exchange ratio of one-to-three. The board would have the sole discretion to elect, as it determines to be in the best interests of the Company and its stockholders, whether or not to effect a reverse stock split, at any time before the 2002 annual meeting of stockholders. The board of directors believes that approval of a proposal granting this discretion to the board, rather than approval of an immediate reverse stock split, provides the board with maximum flexibility to react to current market conditions and to therefore act in the best interests of the Company and its stockholders.

The form of amendment to the Company's certificate of incorporation to effect the proposed reverse split is attached to this proxy statement as Annex A. If the board elects to implement the approved reverse stock split, the number of issued and outstanding shares of Common Stock would be reduced in accordance with the exchange ratio. The par value of the Common Stock would remain unchanged at \$0.08 per share, and the number of authorized shares of Common Stock would remain unchanged. The reverse stock split would become effective upon filing the amendment to the Company's certificate of incorporation with the Delaware Secretary of State. The board may elect not to implement the approved reverse stock split at its sole discretion, even if the proposed reverse stock split is approved by our stockholders.

Edgar Filing: BIOMERICA INC - Form DEF 14A

The board of directors has recommended the amendment to the Company's certificate of incorporation to effect the proposed reverse stock split.

REASONS FOR REVERSE STOCK SPLIT

Due to the fact that the Company's Common Stock has failed to maintain a closing bid price greater than or equal to \$1.00 per share for ten consecutive days during the last 90 days, the Company was informed by the National Association of Securities Dealers (NASD) that the Company's stock is subject to a delisting action from the National Association of Securities Dealers Quotation System (NASDAQ). To continue listing on the NASDAQ SmallCap Market, the Company's stock must maintain a minimum bid of \$1.00 per share.

On August 31, 2001, the Board of Directors approved an amendment to the Company's Certificate of Incorporation to effectuate a reverse stock split. The reverse stock split would be in the ratio of one-to-three. The purpose of the reverse stock split is to increase the likelihood that the stock price would be maintained at least at \$1.00, and thereby comply with the NASDAQ minimum bid requirement. However, there can be no assurance that the market price of the Common Stock will increase in proportion to the reduction in the number of outstanding shares resulting from the reverse stock split or that the market price of the Company's Common Stock will remain above \$1.00 after the reverse stock split.

If the stock price does not maintain a minimum bid price of \$1.00 by October 4, 2001, the Company's Common Stock will be subject to a delisting action. At that time, the Company may appeal that decision to a Nasdaq Listing Qualifications Panel. Should the Biomerica stock trade at over \$1.00 per share for at least 10 consecutive days before the hearing, and thus be in compliance with Marketplace Rule 4310(c)(4), the Company may forego the reverse split and maintain the existing number of outstanding shares. Since July 2, 2001, the closing bid price of the Common Stock has ranged from \$.48 per share to \$.86 per share. If the Company's Common Stock is no longer listed on the Nasdaq SmallCap Market and is traded on the OTC Bulletin Board, the Company's Common Stock may be deemed a penny stock and subject to rules that impose additional sales practices on broker-dealers who sell the Company's securities. This may have an adverse effect on the liquidity of the Company's Common Stock.

After completing the reverse stock split, the Company will have approximately 1,678,640 shares of Common Stock issued and outstanding. The reverse stock split will also similarly impact the number of shares of Common Stock to be received upon conversion or exercise of outstanding convertible securities such as options and warrants.

11

The reverse stock split will become effective at the board's discretion after approval by the Company's shareholders at the 2001 Annual Stockholders' Meeting on November 13, 2001. Upon the filing of the Certificate of Amendment to the Certificate of Incorporation, each three shares of Common Stock will be combined and converted into one share of Common Stock. No fractional shares of new Common Stock will be issued for any fractional new share interest. Rather, each stockholder who would otherwise receive a fractional new share of Common Stock as a result of the reverse stock split will receive the nearest whole share rounded up.

If the reverse stock split is implemented, the Company will notify the stockholders of the filing of the Amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware and will furnish stockholders of record as of the close of business on the effective date with a

Edgar Filing: BIOMERICA INC - Form DEF 14A

letter of transmittal for use in exchanging certificates. The stockholders of the Company, promptly after the Amendment to the Certificate of Incorporation becomes effective, will be requested to mail their certificates representing their shares of Common Stock to the transfer agent named in the letter of transmittal in order that a new stock certificate giving effect to the reverse stock split may be issued.

The reverse stock split will not change the proportionate equity interests of the Company's stockholders, nor will the respective voting rights and other rights of stockholders be altered, except for possible immaterial changes due to the Company's purchase of fractional shares. The Common Stock issued pursuant to the reverse stock split will remain fully paid and non-assessable. The reverse stock split, however, will result in adjustments to the exercise price, conversion rates and number of shares issuable upon the exercise or conversion of all outstanding options and warrants.

FEDERAL INCOME TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT

The following is a summary of certain material U.S. federal income tax consequences of the reverse stock split and does not purport to be complete. It does not discuss any state, local, foreign or minimum income or other U.S. federal tax consequences. Also, it does not address the tax consequences to stockholders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, non-resident alien individuals, broker-dealers and tax-exempt entities. The discussion is based on the provisions of the U.S. federal income tax law as of the date hereof, which is subject to change retroactively as well as prospectively. This summary also assumes that the Common Stock was and will be held as a "capital asset", as defined in the Internal Revenue Code of 1986, as amended. The tax treatment of a stockholder may vary depending upon the particular facts and circumstances of such stockholder. EACH STOCKHOLDER SHOULD CONSULT WITH SUCH STOCKHOLDER'S OWN TAX ADVISOR WITH RESPECT TO THE CONSEQUENCES OF THE REVERSE STOCK SPLIT.

The reverse stock split is an isolated transaction and is not part of a plan to periodically increase any stockholder's proportionate interest in the assets or earnings and profits of the Company. As a result, no gain or loss should be recognized by a stockholder of the Company upon such stockholder's exchange of its old Common Stock for the new Common Stock pursuant to the reverse stock split.

NO APPRAISAL RIGHTS

Under the Delaware General Corporation Law, holders of Common Stock are not entitled to appraisal rights with respect to the reverse stock split.

VOTE REQUIRED

The affirmative vote of holders representing a majority of the shares of Common Stock present and entitled to vote at the meeting is required to elect the directors and to amend the Company's Certificate of Incorporation to effect a reverse stock split.

The Board of Directors recommends a vote for approval of the reverse stock split.
