On August 29, 2007, management of Altair Nanotechnologies Inc. (the “Company”) received a copy of a letter from Christopher Jones, a director of the Company, announcing his resignation from the Board of Directors of the Company effective September 30, 2007. Mr. Jones’ employer, Behr Process, Corp., is a competitor of SherwinWilliams, an increasingly significant business partner of the Company, and Mr. Jones determined that it would be in his best interest and that of the Company for him to resign before any conflicts arose. Management has appreciated the contributions of Mr. Jones to the Company and wishes him success in the future.

The Company has not identified a replacement for Mr. Jones but expects to appoint a successor as soon after September 30, 2007 as an appropriate successor has been identified.
