SCOTTISH POWER PLC SUCCESSFULLY COMPLETES SUBORDINATED PERPETUAL CONVERTIBLE BOND ISSUE TO RAISE \$700 MILLION

Scottish Power plc (ScottishPower) confirms that the terms of its \$700 million Subordinated Perpetual Convertible Bond (the Bonds) have been fixed. The Bonds will have an initial conversion price set at 460 pence per share, which represents a 25 per cent. premium over 367.5 pence, being the price of ScottishPower s ordinary shares at the time of pricing, and a cash coupon of 4.0 per cent. per annum.

The number of ordinary shares that would be issued on conversion of the Bonds would be 90.7 million, representing approximately 5 per cent. of ScottishPower s current issued share capital.

Application will be made for the Bonds to be admitted to the Official list of the UK Listing Authority and to the London Stock Exchange s market for listed securities.

The Bonds will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
