PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being made available to all stockholders of record at the close of business on June 17, 2014 in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Stockholders to be held on August 12, 2014 at 9:00 a.m., local time, or any adjournment thereof. Proxy materials for the Annual Meeting of Stockholders were made available to stockholders on or about June 30, 2014.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. Proxies so received without specified instructions will be voted as follows:

- (i) FOR the nominees named in the proxy to our Board of Directors.
- (ii) FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

If you are a beneficial owner of shares held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization will be prohibited under the current rules of the New York Stock Exchange from voting your shares on “non-routine” matters. This is commonly referred to as a “broker non-vote.” The election of directors is considered a “non-routine” matter and therefore may not be voted on by your bank or broker absent specific instructions from you. Please instruct your bank or broker so your vote can be counted.

Our Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holder will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the meeting or any nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with his best judgment.

The total number of common shares outstanding and entitled to vote as of the close of business on June 17, 2014 was 7,304,689. The common shares are the only class of securities entitled to vote on matters presented to our stockholders, each share being entitled to one vote. A majority of the common shares outstanding and entitled to vote as of the close of business on June 17, 2014, or 3,652,345 common shares, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business.

Our Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (five) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees; however, in order to cumulate votes, a stockholder must request a proxy card (as Internet and telephone voting will not be available for such purposes). Only stockholders of record as of the close of business on June 17, 2014 will be entitled to vote. With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected

by a plurality of the votes cast in favor. Accordingly, based upon there being five nominees, each person who receives one or more votes will be elected as a director. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals and may be voted for the other nominees.

Stockholders may expressly abstain from voting on Proposal 2 by so indicating on the proxy. Abstentions are counted as present in the tabulation of votes on Proposal 2. Since Proposal 2 requires the affirmative approval of a majority of the common shares present in person or represented by proxy at the meeting and entitled to vote (assuming a quorum is present at the meeting), abstentions will have the effective of a negative vote while broker non-votes will have no effect.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 15 Joys Lane, Kingston, New York 12401, Attention: Corporate Secretary. Those voting by Internet or by telephone may also revoke their proxy by voting in person at the meeting or by voting and submitting their proxy at a later time by Internet or by telephone.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by Internet availability of proxy materials and by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, telecopier or email without special compensation.

A list of stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose germane to the meeting, during ordinary business hours, for ten days prior to the meeting, at our offices located at 15 Joys Lane, Kingston, New York 12401, and also during the whole time of the meeting for inspection by any stockholder who is present. To contact us, stockholders should call (845) 802-7900.

PROPOSAL 1: ELECTION OF DIRECTORS

Five directors are to be elected at the meeting to serve until the next annual meeting of stockholders and until their respective successors shall have been elected and have qualified.

Our Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (five) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees.

Nominees for Directors

All five of the nominees are currently members of our Board. The following table sets forth each nominee's age as of June 17, 2014, the positions and offices presently held by him with us, and the year in which he became a director. The Board recommends a vote FOR all nominees. The person named as proxy intends to vote cumulatively all shares represented by proxies equally among all nominees for election as directors, unless proxies are marked to the contrary.

He has been instrumental in strategic planning and fundraising for a variety of Internet and high-tech, leading edge medical technology and marketing companies over the years. Mr. Haft is counsel to Reed Smith, an international law firm, as well as several other law and accounting firms. Mr. Haft is a past member of the Florida Commission for Government Accountability to the People, a past national trustee and Treasurer of the Miami City Ballet, and a past Board member of the Concert Association of Florida. He is also a past trustee of Florida International University Foundation and previously served on the advisory board of the Wolfsonian Museum and Florida International University Law School. Mr. Haft served as our Vice Chairman of the Board from February 1999 until March 2001. From October 1989 to February 1999, he served as our Chairman of the Board and he has served as one of our directors since 1989. Mr. Haft received B.A. and LL.B. degrees from Yale University. We believe that Mr. Haft's corporate finance, business consultation, legal and executive-level experience, as well as his service on the Board of KICO since July 2009, give him the qualifications and skills to serve as one of our directors.

Mr. Seibald has been affiliated with Concept Capital and its predecessors since 1995 and has extensive experience in equity research, investment management and prime brokerage services dating back to 1983. From 1997 to 2005, Mr. Seibald was also a Managing Member of Whiteford Advisors, LLC, an investment management firm, where as co-founder he co-managed several pools of funds. He began his career at Oppenheimer & Co. as an equity analyst covering the retailing industry and has also been affiliated with Salomon Brothers and Morgan Stanley & Co in similar positions. Mr. Seibald also operated The Seibald Report, Inc., an independent research firm specializing in the retailing sector. He holds an M.B.A. from Hofstra University and a B.A. from George Washington University. Mr. Seibald has served as one of our directors since 2004. In January 2008, the Financial Industry Regulatory Authority (“FINRA”) imposed a \$100,000 fine and 20-day suspension on Mr. Seibald in connection with the settlement of a FINRA action against Sanders Morris Harris Inc. and Mr. Seibald, among others. FINRA had found that Mr. Seibald had improperly received compensation from a profit pool derived, in part, from commissions on trading by a hedge fund for which he served as a manager. We believe that Mr. Seibald’s corporate finance and executive-level experience, as well as his service on the Board of KICO since 2006 (including his service as Chairman of its Investments Committee), give him the qualifications and skills to serve as one of our directors.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for assisting the Board in identifying and recruiting qualified individuals to become Board members, selecting director nominees to be presented for Board and/or stockholder approval, identifying members of the Board to serve on each Board committee, identifying individuals to serve as officers and developing corporate governance guidelines. The members of the Nominating and Corporate Governance Committee currently are Messrs. Haft, Feinsod, Seibald and Tupper. Our Board has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the charter is available on our website, www.kingstonecompanies.com. While the Nominating and Corporate Governance Committee does not have a formal policy on diversity for members of the Board of Directors, the Nominating and Corporate Governance Committee considers diversity of background, experience and qualifications in evaluating prospective Board members. The Nominating and Corporate Governance Committee will consider qualified director candidates recommended by stockholders if such recommendations are provided in accordance with

the procedures set forth in the section entitled “Stockholder Proposals - Stockholder Nominees” below. At this time, the Nominating and Corporate Governance Committee has not adopted minimum criteria for consideration of a proposed candidate for nomination.

Compensation Committee

The Compensation Committee of the Board of Directors is responsible for the management of our business and affairs with respect to the compensation of our employees, including the determination of the compensation for our Chief Executive Officer and our other executive officers, the approval of one or more stock option plans and other compensation plans covering our employees, and the grant of stock options and other awards pursuant to stock option plans and other compensation plans. The Compensation Committee has the authority to consult with management and to engage the services of outside advisors, experts and others to assist it in its efforts.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board of Directors our risks and the manner in which we manage or mitigate such risks. While our Board of Directors has the ultimate responsibility for our risk oversight, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures and our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our strategies and objectives.

Since 2001, Barry B. Goldstein has served as our Chief Executive Officer and Chairman of the Board. We do not currently have a lead independent director. At this time, our Board believes that Mr. Goldstein's combined role as Chief Executive Officer and Chairman of our Board enables us to benefit from Mr. Goldstein's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for our Board and executive management without duplication of effort and cost. Given our history, position, Board composition and the relatively small size of our company and management team, at this time, our Board believes that we and our stockholders are best served by our current leadership structure.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Based on the recommendation of the Audit Committee of the Board of Directors, the Board has selected Marcum LLP ("Marcum") as our independent registered public accounting firm to examine our financial statements for the year ending December 31, 2014.

Although ratification by stockholders is not required by our organizational documents or other applicable law, our Board of Directors has determined that requesting ratification by stockholders of its appointment of Marcum as our independent registered public accounting firm for the fiscal year ending December 31, 2014 is a matter of good corporate practice. If stockholders do not ratify the selection, the Board may reconsider whether or not to retain Marcum, but may still retain them. Even if the selection is ratified, the Board, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Marcum has served as our independent registered public accountants with respect to the fiscal years ended December 31, 2013 and 2012.

On January 7, 2013, we engaged Marcum as our independent registered public accountants and, concurrently, we dismissed EisnerAmper LLP ("EisnerAmper") as our independent registered public accountants. EisnerAmper had served as our independent auditors since 2009. The Audit Committee of our Board of Directors approved the engagement of Marcum and the dismissal of EisnerAmper.

The report of EisnerAmper on our consolidated financial statements as of December 31, 2011 and 2010 and for the fiscal years then ended did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal years ended December 31, 2011 and 2010 and the period from January 1, 2012 to January 7, 2013, (a) there were no disagreements with EisnerAmper on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of EisnerAmper, would have caused EisnerAmper to make reference thereto in its reports on the consolidated financial statements for such years; and (b) there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K promulgated by the Securities and Exchange Commission.

It is not expected that a representative of Marcum will attend the meeting.

The following is a summary of the fees billed to us by Marcum for professional services rendered for the fiscal years ended December 31, 2013 and 2012:

Fee Category	Fiscal 2013 Fees	Fiscal 2012 Fees

All Other Fees(4)	-	-
	\$ 296,147	\$ 178,664

-
- (1) Audit Fees consist of fees billed for services rendered for the audit of our consolidated financial statements and review of our condensed consolidated financial statements included in our quarterly reports on Form 10-Q, services rendered in connection with the filing of Form S-1 (and the related prospectus), Form S-8 and services provided in connection with other statutory or regulatory filings.
 - (2) Audit-Related Fees consist of aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees."
 - (3) Tax Fees consist of fees billed by our independent auditors for professional services related to preparation of our U.S. federal and state income tax returns, representation for the examination of our 2009 federal tax return, and tax advice.
 - (4) All Other Fees consist of aggregate fees billed for products and services provided by our independent auditors, other than those disclosed above.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent auditors and approves in advance any services to be performed by the independent auditors, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent auditors. Substantially all of the fees shown above were pre-approved by the Audit Committee.

Recommendation

The Board of Directors recommends that stockholders vote FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.
