PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 14, 2018

GENERAL

This Proxy Statement is being furnished to shareholders of Stewardship Financial Corporation (the “Corporation”) in connection with the solicitation by the Board of Directors of the Corporation of proxies to be used at the Annual Meeting of Shareholders and at any adjournment of the meeting. You are cordially invited to attend the Annual Meeting that will be held at the Hilton Garden Inn, 15 Nevins Road, Wayne, New Jersey, on Monday, May 14, 2018 at 10:00 A.M. The Corporation’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017, including the Corporation’s consolidated financial statements for the period then ended (the “Annual Report”), and a proxy card accompany this Proxy Statement. This Proxy Statement is first being mailed to shareholders on or about April 6, 2018.

VOTING AND PROXY PROCEDURES

Who Can Vote At The Annual Meeting?

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, without par value (the “Common Stock”), as of the close of business on March 16, 2018 (the “Record Date”). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder (or its designee) of your shares. As of the Record Date, a total of 8,674,890 shares of Common Stock were outstanding, each of which is entitled to one vote with respect to each matter to be voted on at the Annual Meeting.

Who Is The Record Holder?

You may own shares of Common Stock directly in your name, in which case you are the record holder of such shares, or indirectly through a broker, bank or other nominee, in which case such nominee is the record holder of shares held by you in “street name.”

If your shares of Common Stock are registered directly in your name, the Corporation is sending these proxy materials directly to you. If the record holder of your shares of Common Stock is a broker, bank or other nominee, you will receive proxy materials from such record holder.

How Do I Vote?

Regardless of the number of shares of Common Stock you own, it is important that you vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage paid envelope.

If you hold your shares of Common Stock in “street name,” you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker,

bank or other nominee may allow you to deliver your voting instructions via telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement. If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of shares of Common Stock on March 16, 2018.

How Can I Revoke My Proxy Or Change My Vote?

A proxy may be revoked at any time prior to its exercise by sending a written notice of revocation to Computershare Shareholder Services, P.O. Box 505000, Louisville, KY 40233-5000. In addition, a proxy submitted prior to the Annual Meeting may be revoked by delivering to the Corporation a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

What is a Quorum And How Many Votes Are Required To Approve the Proposals?

A quorum is required to transact business at the Annual Meeting. Under New Jersey law, the presence, in person or by proxy, of the holders of at least a majority of the total number of shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event that a quorum is not present, or there are not sufficient votes to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

For purposes of determining the presence of a quorum, abstentions and broker “non-votes” are counted as present. A broker “non-vote” occurs when a nominee, such as a bank or broker, holding shares in “street name” for a beneficial owner, abstains from voting on a particular proposal because, under most circumstances, the nominee does not have discretionary authority to vote on proposals unless it has received instructions from the beneficial owner of the securities on how to vote those securities. Under applicable law, nominees are prevented from casting votes on non-routine matters without instructions from the beneficial owner of the securities. Due to legislative changes, the only routine matter remaining as to which a nominee may cast votes without instructions from the beneficial owner of securities is the ratification of auditors. The proposals concerning the election of directors, the advisory vote on executive compensation and the advisory vote on the frequency of the advisory vote on executive compensation are considered “non-routine” matters, which means that your broker, bank or other nominee does not have discretion to vote your shares in the election of directors, the advisory vote with respect to executive compensation and the advisory vote on the frequency of the advisory vote on executive compensation in the absence of specific instructions from you as to how you would like your shares to be voted. If you hold shares in “street name,” we strongly encourage you to provide your broker, bank or other nominee with instructions regarding the voting of your shares as your broker, bank or other nominee cannot vote your shares with respect to these proposals without voting instructions from you.

There is no cumulative voting in the election of directors. Directors are elected by a plurality of votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Thus, a nominee for director may be elected even if the nominee receives votes from the holders of less than a majority of the shares of Common Stock represented at the Annual Meeting. Broker non-votes and votes that are withheld will have no effect on the outcome of the vote on this proposal.

The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve, on a nonbinding advisory basis, the compensation of the Corporation’s named executive officers as described in this Proxy Statement.

The voting requirement applicable to the advisory vote on the frequency of the advisory vote on executive compensation is a plurality of the shares of Common Stock voted on the various frequency options. This means that the frequency (every one, two or three years) receiving the highest number of votes will be deemed to be the choice of the shareholders with respect to the frequency of the advisory vote on executive compensation.

Ratification of the appointment of the independent auditors requires the affirmative vote of a majority of those shares present in person or by proxy and entitled to vote at the Annual meeting.

As the proposal for ratification of the appointment of the Corporation's independent auditors is a routine matter, there can be no broker "non-votes" as to this proposal; abstentions have no effect on the outcome of the vote on this proposal. As to the remaining proposals, abstentions and broker non-votes have no effect on the outcome of the vote.

How Are Votes Counted?

Proxies solicited by the Board of Directors of the Corporation will be voted in accordance with the direction given therein. If you sign and return your proxy card, but do not specify how you wish your shares of Common Stock to be voted, your shares represented by that proxy will be voted "FOR" the election of each of the nominees for director indicated in this Proxy Statement, "FOR" the approval, on a non-binding advisory basis, of the compensation of the Corporation's executive officers described in this Proxy Statement, "FOR" the approval, on a non-binding advisory basis, of the recommendation to hold the advisory vote on the approval of executive compensation every year and "FOR" the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Should any other matters be properly presented at the Annual Meeting for consideration of the shareholders, such as consideration of a motion to adjourn the meeting to another time, the persons named as proxies will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. The Board of Directors knows of no additional matters that may be presented for consideration at the Annual Meeting.

For purposes of determining the outcome of any proposal, under New Jersey law, abstentions do not count as votes cast and, as such, will have no effect on the outcome of any proposal at the Annual Meeting.

If you hold your shares in "street name" and do not provide voting instructions to your broker, bank or other nominee, they will not have discretion to vote your shares except as to routine matters which is limited to the ratification of the appointment of independent auditors and, therefore, such failure will result in broker non-votes and your shares will not be voted on these proposals. Your broker, bank or other nominee has discretionary authority to vote your shares on the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2018, even if you do not provide voting instructions in such regard. However, your broker, bank or other nominee does not have discretionary authority to vote your shares in the election of each of the nominees for director indicated in this Proxy Statement, as to the non-binding advisory proposal on executive compensation or as to the non-binding advisory recommendation to hold the advisory vote on the approval of executive compensation every year without voting instructions from you.

How will the voting results be reported?

The results of the voting on each of the proposals included in this Proxy Statement will be announced at the Annual Meeting and will be reported in a Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") within four business days following the Annual Meeting.

How Does The Board Recommend That I Vote My Shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card accompanying this Proxy Statement will vote in accordance with the recommendations of the Board of Directors.

The Board of Directors recommends a vote “FOR” the election of each of the nominees for director named in this Proxy Statement, “FOR” the approval, on a non-binding advisory basis, of the compensation of the Corporation’s executive officers described in this Proxy Statement, “FOR” the approval, on a non-binding advisory basis, of the recommendation to hold the advisory vote on the approval of executive compensation every year and “FOR” the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

Who Will Pay The Expenses Of Proxy Solicitation?

The cost of solicitation of proxies on behalf of the Board of Directors will be borne by the Corporation. Directors, officers and other employees of the Corporation may solicit proxies on behalf of the Corporation in person or by telephone, e-mail, facsimile or other electronic means. These directors, officers and employees will not receive additional compensation for such services. The Corporation will reimburse the reasonable expenses of brokerage firms and other custodians and nominees for sending proxy materials to, and obtaining proxies from, beneficial owners.

PROPOSAL 1
- ELECTION
OF
DIRECTORS

The Corporation's Amended and Restated By-Laws (the "By-Laws") authorize a minimum of five and a maximum of fifteen directors, but the exact number is fixed from time to time by resolution of the Board of Directors. The Corporation's Board of Directors is currently comprised of eleven directors who are divided among three classes as close to equal as possible. One class is elected each year to serve a term of three years. The directors elected at the Annual Meeting will serve for a term of three years through and until the Corporation's annual meeting in May 2021, and until their successors are duly elected and qualified or their earlier death, resignation or removal from office.

The director nominees, Wayne Aoki, William J. Vander Eems, Paul Van Ostenbridge and Kim Vierheilig, have each consented to being named in this Proxy Statement and have indicated to the Corporation that he or she will serve on the Board of Directors if elected. The Corporation has no reason to believe that any of the nominees will be unable to stand for election. Unless authority to vote for any of the nominees is withheld, it is intended that the shares represented by the enclosed proxy card, if executed and returned, will be voted "FOR" the election of the nominees proposed by the Board of Directors. If, for any reason, any of the nominees becomes unavailable for election, the proxy solicited by the Board of Directors will be voted for a substitute nominee selected by the Board of Directors.

A plurality of the votes cast by the holders of shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting will be necessary to elect the nominees as directors. This means that the director nominees who receive the greatest number of affirmative votes cast are elected as directors.

The Board of Directors recommends that the shareholders vote "FOR" the election of Mr. Aoki, Mr. Vander Eems, Mr. Van Ostenbridge and Ms. Vierheilig.

Directors and Nominees for Director

After consideration of the experience, qualifications, attributes and skills of the four nominees for director, the Board of Directors concluded that each nominee should serve as a director of the Corporation. The names and biographical summaries of the four persons who have been recommended by the Board of Directors to stand for election at the Annual Meeting, as well as the names and biographical summaries of the directors continuing to serve on our Board of Directors following the Annual Meeting, are provided below for your information.

Currently, each director of the Corporation is also a director of our bank subsidiary, Atlantic Stewardship Bank (the "Bank"). No director is also a director of any other company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), any company subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940.

CORPORATE GOVERNANCE

Board Leadership Structure and the Board's Role in Risk Oversight

Mr. Culp was elected Chairman of the Board of Directors in May 2015. Mr. Van Ostenbridge has served as President and Chief Executive Officer, as well as a director, since 1997. The Board of Directors has determined that the separation of the offices of Chairman of the Board and President and Chief Executive Officer enhances Board independence and oversight. Moreover, the separation of the roles of the Chairman of the Board and of the President and Chief Executive Officer allows the President and Chief Executive Officer to better focus on his responsibilities of management of the Corporation, expanding and strengthening the Corporation's business and enhancing shareholder value, while allowing the Chairman of the Board to lead the Board in its fundamental role of oversight.

While management is responsible for the day-to-day management of risks that the Corporation faces, the Board takes an active role, as a whole and also at the committee level, in overseeing the management of the Corporation's risks. The Board reviews information regarding the Corporation's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee has responsibility for oversight of risks associated with financial accounting and audits, as well as internal control over financial reporting. Each of the other Board committees also considers the risk within its area of responsibilities. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Committees of the Board of Directors

During 2017, the Board of Directors had a standing Audit Committee, Nominating and Governance Committee and Compensation Committee. The charters of the Audit Committee, Nominating and Governance Committee and Compensation Committee, as approved by the Board of Directors, can be found on our website at www.asbnow.com, in the "Investor Relations" section of the website, under the subsection titled "Governance Documents".

Audit Committee

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Board has adopted a written charter setting out the functions of the Audit Committee. The audit functions of the Audit Committee are to: (i) monitor the integrity of the Corporation's financial reporting process and systems of internal controls; (ii) select, evaluate and provide oversight of the auditors to include the monitoring of the independence and performance of the Corporation's independent external audit and internal audit functions; (iii) provide oversight of the annual audit and quarterly reviews; and (iv) encourage the adherence to, and continuous improvement of, the Corporation's policies, procedures and practices at all levels. The Audit Committee also reviews and evaluates the recommendations of the Corporation's independent certified public accountant, receives all reports of examination of the Corporation and the Bank by regulatory agencies, analyzes such regulatory reports, and informs the Board of the results of its analysis of the regulatory reports. In

addition, the Audit Committee receives reports directly from the Corporation's internal auditors and recommends any action to be taken in connection therewith.

In 2017, the Audit Committee consisted of Directors Yeaton (Chairman), Aoki, Steen and Westra. The Board of Directors has determined that all members of the Audit Committee satisfy the independence and financial literacy requirements of the Nasdaq Stock Market ("Nasdaq") and that Messrs. Yeaton, Aoki and Westra, all of whom are independent, qualify as "audit committee financial experts" as defined in the applicable SEC rules.

Nominating and Governance Committee

The Nominating and Governance Committee is appointed by the Board of Directors to identify and recommend to the Board individuals qualified to serve as directors of the Corporation and to advise the Board with respect to the Board composition and nominating procedures. The Board has adopted a written charter setting out the functions of the Nominating and Governance Committee. In fiscal year 2017, the Nominating and Governance Committee consisted of Directors Steen (Chairman), Hanse, Vander Eems and Westra.

The Corporation's Amended and Restated By-Laws set out a procedure regarding shareholder nominations for director and for shareholder proposals generally. Shareholders meeting the requirements set forth in the Amended and Restated By-Laws who wish the Nominating and Governance Committee to consider their recommendations for nominees for the position of director, should submit their recommendations in writing in care of the Secretary of the Corporation, Stewardship Financial Corporation, 630 Godwin Avenue, Midland Park, New Jersey 07432-1405. Recommendations by shareholders meeting the share ownership requirements and that are made in accordance with these procedures will receive the same consideration given to nominees of the Nominating and Governance Committee.

In its assessment of each potential candidate, the Nominating and Governance Committee will review the nominee's judgment, experience, independence, understanding of the Corporation's or other related industries and such other factors the Nominating and Governance Committee determines are pertinent in light of the current needs of the Board. The Nominating and Governance Committee will also take into account the ability of a director to devote the time and effort necessary to fulfill his or her responsibilities.

Nominees may be suggested by directors, members of management, qualifying shareholders or, in some cases, by a third party firm. The Corporation has not hired a third party firm to serve this function. In identifying and considering candidates for nomination to the Board of Directors, the Nominating and Governance Committee considers, in addition to the requirements set out in the Nominating and Governance Committee's charter, quality of experience, the needs of the Corporation and the range of talent and experience represented on the Board. The current nominees for director were recommended for nomination by independent directors of the Corporation.

Diversity is one of many factors that the Nominating and Governance Committee's charter requires to be considered when evaluating candidates. To assess the effectiveness of the mandate set forth in the Nominating and Governance Committee's charter, the Nominating and Governance Committee reviews annually with the Board the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity required for the Board as a whole.

Compensation Committee

The Compensation Committee is appointed by the Board of Directors principally to oversee the Corporation's and the Bank's compensation and employee benefit plans and practices, including its executive compensation plans and its incentive compensation and equity-based plans. Attendant to its duties regarding oversight of compensation, the Compensation Committee conducts and reviews with the Board an annual evaluation of the performance of all executive officers of the Corporation, including the CEO, which evaluation is used in the course of its deliberations when considering compensation of such executives. In addition, the Compensation Committee produces a Committee report on executive compensation as required by the SEC to be included in the Corporation's annual proxy statement and is included elsewhere in this proxy statement.

In connection with its review of management, the Compensation Committee conducts an annual review of management development and succession planning for senior management, including the CEO, which includes an assessment of senior managers and their potential to succeed the CEO and other senior management position. The Compensation Committee reviews and recommends to the full Board a short-term succession plan which delineates a temporary delegation of authority to certain executives of the Corporation should all or a portion of the senior executive officers become unable to perform their duties. Long-term succession planning is also considered annually.

The Board has adopted a written charter setting out the functions of the Compensation Committee. In 2017, the Compensation Committee consisted of Directors Culp (Chair), Lane, Steen and, since her appointment to the Board of Directors on August 15, 2017, Director Vierheilg. Director Turner also served on the Compensation Committee in 2017 until his retirement in May 2017.

Independence of Directors

The Board of Directors has adopted standards for director independence, which incorporate the definition of "independent" contained in the Nasdaq Stock Market listing rules. Based on the information furnished by the directors, the Board has affirmatively determined that all of the directors, with the exception of Director Van Ostenbridge (who is a full-time employee of the Corporation, serving as our President and Chief Executive Officer), currently meet the definition of "independent". All of the members of the Board's Audit Committee, Nominating and Governance Committee and Compensation Committee are independent directors.

Board and Committee Meetings

The Board of Directors meets on a regularly scheduled basis each month to review significant developments, financial, investment, and lending performance and to act on those matters that require Board approval. It holds special meetings from time to time as circumstances require. The Board of Directors of the Corporation held 12 meetings during 2017. Independent directors held three executive session meetings during 2017. In addition, the Board held three meetings to provide for director education and development and supplemental discussions in areas such as compliance, annual budgeting process and strategic planning. The Audit Committee met ten times during 2017. The Compensation Committee met four times during 2017. The Nominating and Governance Committee met six times in 2017. All of the directors of the Corporation attended at least 75% of the total number of Board meetings held during 2017. In addition, each director who is a member of a committee of the Board of Directors attended at least 75% of the meetings for each committee of which he or she is a member. Each director of the Corporation is also a director of the Bank. The committees of the Corporation and the Bank generally appoint their respective members and chairpersons for each fiscal year during a Board meeting held in the second quarter of that year.

All Directors in office at the time of the Annual Meeting attended the 2017 Annual Meeting, except for Director Turner. The Corporation expects all directors will attend the 2018 Annual Meeting of Shareholders.

Communications with the Board of Directors

Shareholders are invited to contact the directors by writing to the Secretary of the Corporation, at 630 Godwin Avenue, Midland Park, New Jersey 07432-1405. These communications are not screened.

Code of Conduct

The Corporation has adopted a Code of Ethical Conduct that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, senior financial officers or persons performing similar functions. Our Code of Ethical Conduct is posted on our website at www.asbnow.com in the section headed "Investor Relations" under the caption "Governance Documents." We will provide to any person without charge upon request a copy of our Code of Ethical Conduct. Requests for a copy of our Code of Ethical Conduct should be made to our Secretary at 630 Godwin Avenue, Midland Park, New Jersey 07432-1405.

Compensation Committee Interlocks and Insider Participation

All of the members of the Compensation Committee are independent and no member of the Compensation Committee has served as an officer or employee of the Corporation or the Bank. None of the members of our Compensation Committee serves as an executive officer of another entity at which one of our executive officers serves as a member of the Board of Directors.

PROPOSAL 2 –
NON-BINDING
ADVISORY VOTE
ON
EXECUTIVE
COMPENSATION

Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), and the rules and regulations promulgated thereunder, requires a publicly traded company to include a resolution in its proxy statement seeking shareholder approval, on a non-binding advisory basis, of the compensation of the named executive officers as disclosed in such company proxy statement pursuant to the compensation rules of the SEC. This proposal, commonly known as a “say-on-pay” proposal, gives you, as a shareholder, the opportunity to endorse or not endorse our executive compensation programs and policies through your vote. The vote may be solicited every year, every two years or every three years as determined through a separate proposal to shareholders relating to frequency of “say-on-pay” required to be made every six years. The Corporation currently seeks shareholder approval of executive compensation on an annual basis.

The overall objective of the Corporation’s executive compensation programs and practices is to support delivery of sustained operating and financial performance results with the goal of creating and maximizing value for our shareholders on a long-term basis. We believe that our executive compensation programs and practices serve the interests of our shareholders by enabling us to attract and retain an experienced and effective management team whose combined knowledge of our business and industry has proved extremely valuable in delivering results for our shareholders. The Compensation Committee and the Board of Directors believe that the Corporation’s compensation programs and practices effectively implement our philosophy of aligning compensation to shareholder interests and that the compensation received by our executive officers reflects and supports such philosophy and goal and is commensurate with the performance and strategic position of the Corporation. We will continue to review and modify our executive compensation programs to address evolving best practices and changing regulatory requirements.

The following resolution is submitted for shareholder approval:

“RESOLVED, that the shareholders approve the overall executive compensation of the Corporation’s executive officers as described in the Corporation’s Proxy Statement, including the tabular disclosure regarding the compensation of the Corporation’s executive officers contained therein.”

This vote is advisory and will not be binding upon the Board of Directors. The outcome of the votes should not be construed as overruling a decision by the Board or creating or implying any additional fiduciary duty on the Board nor will it affect any compensation paid or awarded to any executive. However, we value the opinions of our shareholders and, as such, the Compensation Committee will review and consider the outcome of the vote on this proposal and will take this into account when considering future executive compensation arrangements.

Approval of this resolution requires the affirmative vote of the holders of a majority of the shares of Common Stock of the Corporation present in person or by proxy and entitled to vote at the Annual Meeting.

The Board of Directors recommends that the shareholders vote “FOR” the resolution approving the overall compensation of the Corporation’s executive officers for fiscal year 2017.

PROPOSAL 3 - NON-BINDING ADVISORY VOTE ON FREQUENCY OF
HOLDING AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

Also pursuant to Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Act, and the rules and regulations promulgated thereunder, publicly traded companies are required not less frequently than once every six years, to include a separate shareholder vote on the frequency with which shareholders shall have a non-binding advisory vote on the compensation of the named executive officers, such as Proposal 2 above. As a smaller reporting company we are not yet required to comply with these rules but the Corporation believes that our shareholders' view are important and has determined to comply with these rules on a voluntary basis. Accordingly, we are asking shareholders to vote on whether future non-binding advisory votes on the named executive officer's compensation should occur every year, every two years, or every three years. In lieu of voting for one of these options, shareholders may also abstain from voting. Our shareholders last voted on the frequency of the advisory vote on executive compensation in 2012, when 83% of the votes cast recommended that such votes be held on an annual basis. Accordingly, our shareholders have voted, on a non-binding advisory basis, on the compensation of our named executive officers annually since 2012.

After careful consideration, the Board of Directors believes it is appropriate for executive compensation to continue to be submitted to an advisory vote of the shareholders on an annual basis and, therefore, recommends that future advisory votes on the compensation of the named executive officers be conducted every year. The Board of Directors believes that an annual non-binding advisory vote on executive compensation is appropriate because it is consistent and allows our shareholders to evaluate our executive compensation program and practices in relation to the Corporation's performance over the long-term. A core principle of our executive compensation program is to attract and retain an experienced and effective management team to support delivery of sustained performance results by the Corporation with the ultimate goal of creating long-term value for shareholders. An annual vote is consistent with the Corporation's commitment to compensation programs designed to support long-term value creation for shareholders over a multi-year period. We believe that holding an annual vote is reasonable as it provides the benefit of gaining the collective view of our shareholders regarding executive compensation annually and affords the Corporation the ability to thoughtfully consider such view and, if appropriate, implement changes to our executive compensation programs.

While the Board of Directors recommends that future non-binding advisory votes on executive compensation be conducted every year, shareholders are not voting to approve or disapprove the Board's recommendation. Rather, shareholders are being asked to vote on the following resolution:

"RESOLVED, that the shareholders of Stewardship Financial Corporation (the 'Corporation') determine, on a non-binding advisory basis, that the frequency with which the shareholders should have an advisory vote on executive compensation set forth in the Corporation's Proxy Statement for its annual meeting of shareholders is (i) every year, (ii) every two years, or (iii) every three years."

Shareholders may choose among the three choices included in the resolution above, or may abstain from voting on this proposal.

This vote is advisory and will not be binding upon the Board of Directors. It should not be construed as overruling a decision by the Board or creating or implying any additional fiduciary duty on the Board. However, the Board of Directors and the Compensation Committee will take into account the outcome of the vote when determining the frequency of future say-on-pay votes.

The choice receiving the highest number of votes will be deemed the choice of the shareholders.

The Board of Directors recommends that the shareholders vote for a frequency of EVERY YEAR for future non-binding advisory votes on the compensation of the Corporation's Named Executive Officers.

Report of the Compensation Committee

The Role of the Compensation Committee

The Compensation Committee of the Board is charged with the responsibility to review the goals and objectives of the Corporation's executive compensation plans and to review and determine the compensation of the Chief Executive Officer, all senior executive officers and all directors in each case on an annual basis. The Committee reviews at least annually the goals and objectives of the Corporation's general compensation plans and other employee benefit plans including incentive compensation and equity-based plans.

At least annually, the Compensation Committee discusses, reviews and evaluates with the Corporation's senior risk officer and other executive officers the executive compensation plans and employee compensation plans for purposes of ensuring that the executive compensation plans do not encourage unnecessary and excessive risk-taking by executive officers and to identify and eliminate any employee compensation plan features that would pose unnecessary risks to the Corporation, such as features that would encourage an employee to manipulate reported earnings of the Corporation in order to enhance such employee's own compensation. Equity awards granted under the Corporation's 2010 Stock Incentive Plan generally time-vest over several years. Cash awards under the Corporation's 2010 Stock Incentive Plan are based upon the level of attainment of previously established performance goals and objectives for the Corporation as well as departmental and individual performance criteria. The Compensation Committee has not identified any features in our compensation plans covering our executive and non-executive employees that either encourage unnecessary and excessive risk-taking or expose the Corporation to unnecessary risks.

Executive Compensation Policy

The Corporation's policy is to compensate its executives fairly and adequately for the responsibility assumed by them for the success and direction of the Corporation, the effort expended in discharging that responsibility and the results achieved directly or indirectly from each executive's performance. "Fair and adequate compensation" is established after careful review of: (i) the Corporation's earnings; (ii) the Corporation's performance as compared to other companies of similar size and market area; and (iii) a comparison of what the market demands for compensation of similarly situated and experienced executives.

Total compensation takes into consideration a mix of base salary, bonus, perquisites, stock options and/or other stock awards. The particular mix is established in order to competitively attract competent professionals, retain those professionals and reward extraordinary achievement. The Board of Directors also considers net income for the year and earnings per share of the Corporation and the Bank before finalizing officer compensation increases for the coming year.

In late 2010 the Compensation Committee engaged McLagan, a compensation consultant, to conduct a review of executive compensation and assist in the design and implementation of the Corporation's equity compensation plans and programs. The Compensation Committee has adopted the 2010 Stock Incentive Plan, a performance-based incentive compensation plan intended to provide annual incentive awards in the form of cash and equity to participants based on the achievement of overall performance goals and objectives for both the Corporation as well as departments and individuals. The 2010 Stock Incentive Plan is designed to reward and retain high performers and to drive the long-term financial success of the Corporation. The 2010 Stock Incentive Plan is also

designed to encourage teamwork and create an environment where an executive is rewarded if the Corporation and the executive's department achieve or exceed pre-determined annual performance criteria. Furthermore, the 2010 Stock Incentive Plan is intended to reward employees for achieving and exceeding individual performance criteria. It is prospective in design with the utilization of a defined payout formula that is based upon the achievement of a combination of pre-determined Corporation and department/individual performance criteria.

Annually, the Compensation Committee reviews and approves a listing of the eligible employees, along with a summary of the incentive award tiers, the incentive award opportunities for each tier, the weighting of Corporation versus department/individual performance goals, and a summary of possible payouts. The 2010 Stock Incentive Plan design incorporates a tiered approach with incentive awards that are linked to the achievement of pre-defined performance goals. The incentive ranges (as a percent of salary) are designed to provide market competitive payouts for the achievement of minimum, target and maximum performance goals. The design of the incentives under the 2010 Stock Incentive Plan is reviewed and adjusted as appropriate on an annual basis to be sure the annual program remains market competitive and includes all the appropriate participants.

Based upon our current levels of compensation, the Corporation is not affected by the provisions of Section 162(m) of the Internal Revenue Code of 1984, as amended (the "Code"), which limit the deductibility to a corporation of compensation in excess of \$1,000,000 paid to certain executive officers. Thus, the Corporation has no specific policy in such regard.

Base Salary. The Board of Directors of the Corporation, under recommendations from the Compensation Committee, bears the responsibility for establishing base salary of the named executive officers and other executives of the Corporation. Salary is minimum compensation for any particular position and is not tied to any performance formula or standard. To establish salary, the following criteria are used: (i) position description; (ii) direct responsibility assumed; (iii) comparative studies of peer group compensation (additional weight is given to local factors as opposed to national averages); (iv) earnings performance of the Corporation resulting in availability of funds; and (v) competitive level of salary to be maintained to attract and retain qualified and experienced executives.

Long-term Incentive Compensation. In 2010, the Board of Directors adopted and the shareholders approved the 2010 Stock Incentive Plan. As noted previously, the purpose of the 2010 Stock Incentive Plan is to promote the long-term growth and profitability of the Corporation by (i) providing key people with incentives to improve shareholder value and to contribute to the growth and financial success of the Corporation, and (ii) enabling the Corporation to attract, retain and reward the best available persons. In March 2017, the named executive officers of the Corporation were issued restricted shares of Common Stock. Such shares will generally vest over three years, provided the recipient remains an employee of the Corporation.

Change in Control Severance Arrangements. The Corporation has entered into a Change in Control Severance Agreement with each of Mr. Paul Van Ostenbridge, the Corporation's President and Chief Executive Officer, Ms. Claire M. Chadwick, the Corporation's Executive Vice President and Chief Financial Officer and Mr. William S. Clement, the Corporation's Executive Vice President and Chief Lending Officer, which provides for a severance payment to the named executive officer upon a termination of employment without "cause" (as defined in the agreements) or a resignation of employment for "good reason" (as defined in the agreements) in connection with a change in control (as defined in the agreements) of the Corporation. Each of these agreements provides that if the named executive officer's employment is terminated by the Corporation without cause during the period commencing six months prior to a change in control transaction and ending two years following a change in control transaction or by the named executive officer for good reason within two years following a change in control, the named executive officer is entitled to receive the following: (a) within five business days after such termination, (i) accrued, unpaid salary; (ii) accrued, unpaid bonus awards;

(iii) accrued, unused vacation and sick time in accordance with the Corporation's leave policy; (iv) any benefits to which the named executive officer is entitled under any plans or programs then in effect; (v) any unreimbursed business expenses of the named executive officer incurred prior to termination; and (vi) a lump sum cash payment equal to 24 months' salary plus an amount equal to 100% of any bonus awarded to the named executive officer during the 24 months prior to termination; (b) (i) all of the named executive officer's outstanding stock options that would have vested within twelve months following the date of termination had the named executive officer remained an employee of the Corporation, all of which will become immediately vested and exercisable; (ii) all of the named executive officer's shares of restricted stock and any other stock or stock-based award that otherwise would have vested within twelve months following the date of termination had the named executive officer remained an employee of the Corporation, all of which will immediately vest in full and at 100% of target levels in the case of any performance-based stock awards; and (iii) all profit sharing plan awards that otherwise would have vested within twelve months following the date of termination had the named executive officer remained an employee of the Corporation, all of which will become immediately vested in full; and (c) for a period commencing with the month in which termination of employment becomes effective and ending 24 months later, the named executive officer and his or her covered dependents will be entitled to all benefits under the Corporation's welfare benefit plans as if the named executive officer were still employed during such period, at the same level of benefits and at the same dollar cost to the named executive officer as the Corporation makes available for the period to employees of similar status; provided that such benefits will be secondary to any comparable benefits provided by another employer.

The agreement of Mr. Van Ostenbridge also provides that the Corporation will continue to pay for the lease of the vehicle he is driving at the time of termination of employment, until the lease ends, at which time the Corporation will buy the vehicle and transfer title of the vehicle to Mr. Van Ostenbridge.

The severance payments payable under the agreements in connection with a change in control of the Corporation may result in the application of the "golden parachute" provisions of Section 280G of the Code and, to the extent Section 280G applies, the Corporation may not deduct from its taxable income a portion of the severance payments made to the named executive officers. In addition, Section 4999 of the Code would impose a 20% excise tax on each of the named executive officers receiving the severance payment. In such event, the agreements provide that the severance payments will not be subject to cutback, gross-up or other adjustment except as agreed upon by the named executive officer and the Corporation.

Profit Sharing Plan and 401(k) Plan. Until December 31, 2016, the Corporation maintained a noncontributory profit sharing plan covering all eligible employees. Employees were considered eligible if they had been employed for one full year and had worked a minimum of 1,000 hours that year. Contributions were determined by the Corporation's Board of Directors on an annual basis based on the earnings performance of the Corporation and allocated to eligible employees based on their salary level. The profit sharing plan was frozen at December 31, 2016.

The Corporation maintains a 401(k) plan which covers all eligible employees. Participants may elect to contribute up to 100% of their salaries, not to exceed the applicable limitations as per the Code. Currently, the Corporation, on an annual basis, may elect to match 50% of the participant's first 5% contribution.

Supplemental Executive Retirement Plan. In 2017, the Corporation entered into a Supplemental Executive Retirement Plan (SERP) agreement with Mr. Van Ostenbridge to provide a supplemental retirement income benefit upon his reaching age 66 or separation of service. The benefit provided under the SERP is \$57,183 per year, payable in monthly installments for 180 months. The benefit is based on Mr. Van Ostenbridge's final salary, offset by benefits that may be provided to him through the Corporation's contributions to Social Security and the Corporation's 401(k) and profit sharing

plans. Benefits are also payable upon death. Benefits accrue annually, but may be reduced if termination of service occurs before the normal retirement date except after a change in control.

Benefits, Perquisites and Other Personal Benefits. The executive officers participate in employee benefit programs available to other employees. Perquisites, such as automobile allowances and their related expenses and auxiliary insurance benefits, which the Board of Directors of the Corporation may approve from time to time, are determined and awarded by the Board under recommendations from the Compensation Committee pursuant to an evaluation under the same criteria used to establish base salary.

The Corporation has adopted an Excessive or Luxury Expenditures Policy, a copy of which can be found on our website at www.asbnow.com, in the “Investor Relations” section of the website, under the subsection titled “Governance Documents”, which establishes standards concerning expenditures that may be deemed excessive and in contravention of the Corporation’s duties and obligations. The policy describes the types of expenditures that are prohibited by the Corporation and those expenditures that require prior approval. Pre-approval of expenditures must be handled in the manner described in the policy.

The following table provides information with respect to the equity securities that are authorized for issuance under our compensation plans as of December 31, 2017:

Equity Compensation Plan Information

	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))

Equity compensation plans approved by security holders	—	\$	—249,353
Equity compensation plans not approved by security holders	—	—	514,649
Total	—	\$	—764,002

The only equity compensation plan not approved by the Corporation's shareholders is the Director Stock Plan. The Director Stock Plan permits members of the Board of Directors to receive payment of any monthly Board of Directors' fee in shares of Common Stock, rather than in cash. The Corporation purchased 2,855 shares of its Common Stock in the open market during 2017 for the benefit of the Director Stock Plan.

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of the quality and integrity of the Corporation's financial reporting process. We meet with both the independent auditors and the internal auditors, each of whom has unrestricted access to the committee. We also meet with management periodically to consider the adequacy of the Corporation's internal controls and the objectivity of its financial reporting. We discuss these matters with the independent auditors, internal auditors and appropriate financial personnel of the Corporation.

The directors who serve on the committee are all "independent" for the purposes of Rule 5605(a)(2) of the Nasdaq's listing standards. That is, the Board of Directors has determined that none of us has a relationship with the Corporation and the Bank that may interfere with the exercise of independent judgment in carrying out the responsibilities of a director of the Corporation.

Management has primary responsibility for the Corporation's financial statements and the overall reporting process, including the Corporation's system of internal controls. The independent auditors audit the financial statements

prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations, and cash flows of the

Corporation in conformity with generally accepted accounting principles and discuss with us any issues they believe should be raised with us.

This year, we reviewed the Corporation's audited financial statements and met with both management and KPMG LLP, the Corporation's independent registered public accounting firm, to discuss those financial statements. Management and the independent auditor have represented to us that the financial statements were prepared in accordance with generally accepted accounting principles in the United States.

We have received from and discussed with KPMG LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and have discussed with KPMG LLP the independence of KPMG LLP. We also discussed with KPMG LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

Based on these reviews and discussions, we recommended to the Board that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

PROPOSAL 4 –
RATIFICATION
OF
APPOINTMENT
OF
INDEPENDENT
REGISTERED
PUBLIC
ACCOUNTING
FIRM

General

The Audit Committee has appointed BDO as the Corporation's independent registered public accounting firm for the fiscal year ended December 31, 2018. Although the appointment of auditors is not required to be submitted to a vote of shareholders, the Board of Directors believes that it is appropriate as a matter of policy to request that the shareholders ratify the appointment. If the shareholders should not ratify the appointment, the Audit Committee will investigate the reasons for the shareholders' rejection and the Board of Directors will reconsider the appointment. A representative of BDO will be present at the Annual Meeting to respond to appropriate questions and will be given the opportunity to make a statement if he or she desires to do so.

Change of Independent Auditors

In 2017, the Audit Committee decided to undertake an auditor selection process to review qualified audit firms, including KPMG LLP ("KPMG"), the Corporation's then current independent auditors. On March 27, 2018, the Corporation notified KPMG of its intention to engage BDO as the Corporation's independent auditors for the fiscal year ending December 31, 2018. There were no disagreements with KPMG. KPMG's reports on the Corporation's financial statements as of and for each of the two fiscal years ended December 31, 2017 and 2016 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. For those two most recent fiscal years there were no: (i) disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG would have caused KPMG to make reference to the subject matter of the disagreements in connection with its reports nor (ii) "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K. The Corporation requested that KPMG furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with the above statements which letter has been furnished by KPMG to the Corporation. Neither the Corporation nor anyone acting on its behalf consulted with BDO at any time prior to its selection by the Audit Committee with respect to the application of accounting principles to any transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Corporation's accounts.

The affirmative vote of the holders of a majority of the shares of Common Stock of the Corporation present in person or by proxy and entitled to vote at the Annual Meeting is required for the ratification and approval of the appointment of BDO as the Corporation's auditors.

The Board of Directors recommends that the shareholders vote "FOR" ratification of the appointment of BDO as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2018.

Fees Billed by our Independent Registered Public Accounting Firm During Fiscal Year 2017 and Fiscal Year 2016.

Aggregate fees for the fiscal years ended December 31, 2017 and 2016, billed by the Corporation's independent registered public accounting firm, KPMG LLP were as follows:

Audit Related Fees (2)	\$0	\$0
Tax Fees (3)	\$36,600	\$34,000
All Other Fees (4)	\$155,000	\$0

(2) The Corporation generally does not engage KPMG LLP for "Audit Related" services.

(3) Tax fees consist principally of tax compliance and reporting.

(4) All other services relate to the professional services associated with common stock offering (consent, comfort letter, etc.).

Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may pre-approve particular services on a case-by-case basis. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. All audit and permissible non-audit services provided by KPMG LLP to the Corporation for the fiscal years ended 2017 and 2016 were approved by the Audit Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's officers and directors, and persons who own more than 10% of a registered class of the Corporation's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by regulation of the SEC to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by us, or written representations from certain Section 16(a) reporting persons, the Corporation believes that, during the fiscal year ended December 31, 2017, all filing requirements applicable to its officers, directors and greater than 10% shareholders were timely met.
