PART II INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents heretofore filed by the Company with the Securities and Exchange Commission (the "Commission") are incorporated by reference in this Registration Statement:

- (1) The Company's Annual Report on Form 10-K for the year ended December 31, 2001;
- (2) The Company's Quarterly Reports on Form 10-Q for the quarters ended September 30, 2002, June 30, 2002 and March 31, 2002;
- (3) The Company's Current Reports on Forms 8-K and 8-K/A, dated February 21, 2002, February 22, 2002, March 12, 2002, March 15, 2002, March 25, 2002, April 11, 2002, April 18, 2002, May 8, 2002, May 23, 2002, August 1, 2002, August 8, 2002,

Edgar Filing: FIRSTENERGY CORP - Form S-8

September 9, 2002, October 7, 2002, and October 31, 2002;

- (4) The description of the Company's common stock contained in the Company's Registration Statement on Form S-4, Amendment No. 1 (Registration No. 333-46444), filed with the Commission on October 13, 2000, and any amendment or report filed for the purpose of updating such description; and

- (5) The description of the Share Purchase Rights of the Company contained in the Company's Current Report on Form 8-K, dated November 18, 1997, and any amendment or report filed for the purpose of updating that description.

All documents, filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), subsequent to the filing of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and made a part hereof from their respective dates of filing (such documents, and the documents enumerated above, being hereinafter referred to as "Incorporated Documents").

Any statement contained in an Incorporated Document shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed Incorporated Document modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

After reasonable efforts, the Company was not able to obtain the consent of Arthur Andersen LLP, the former independent accountant of the Company, to the incorporation by reference of its audit report dated March 18, 2002 into this Registration Statement. As permitted by Rule 437a under the Securities Act, the Company has not filed the written consent of Arthur Andersen LLP that would otherwise be required by the Securities Act. Because Arthur Andersen LLP has not consented to the inclusion of its report in this Registration Statement, investors in the securities registered by this Registration Statement may not be able to recover amounts from Arthur Andersen LLP under Section 11(a) of the Securities Act for any untrue statement of a material fact or any omission to state a material fact, if any, contained in or omitted from the financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, which are incorporated by reference in this Registration Statement.

Item 4. Description of Securities.

The description of the Company's common stock and the Share Purchase Rights is incorporated by reference. See Item 3.

The summary of the Deferred Compensation Obligations created pursuant to the Plans is qualified in its entirety by reference to the terms and conditions of the Plans, which are filed as exhibits to certain of the Company's public documents filed with the Commission, which are incorporated herein by reference. The Deferred Compensation Obligations are unsecured general obligations of the Company to make future payments of compensation that certain employees and directors have elected to defer under the terms of the Plans.

Edgar Filing: FIRSTENERGY CORP - Form S-8

The Deferred Compensation Obligations rank pari passu with any of the Company's other unsecured and unsubordinated indebtedness that may be outstanding from time to time. Except for the portion of those Deferred Compensation Obligations that are payable at distribution in shares of common stock under the terms of the applicable plan, the Deferred

Compensation Obligations are not convertible into any of the Company's other securities. No sinking fund has or will be established with respect to the Deferred Compensation Obligations.

The Company reserves the right to amend or terminate the plans at any time, except that no such amendment or termination can adversely affect a participant's rights with respect to amounts deferred prior to the amendment or termination. A participant's rights to and under the Deferred Compensation Obligations are not assignable or transferable, except by way of transfer to a participant's beneficiary or estate upon the participant's death. Except as otherwise stated in the applicable plan, the Deferred Compensation Obligations do not enjoy the benefit of any affirmative or negative pledges or covenants by the Company.

All payments of Deferred Compensation Obligations will be made from the Company's general assets. The Company may establish, however, one or more grantor trusts to fund the payment of the Deferred Compensation Obligations. But, if the Company does establish any such trusts, the Company retains discretion to determine the amount and timing of any contributions to the trusts. No participant will have any preferred claim to, or beneficial interest in, any assets of the trusts, and the assets of the trusts will remain subject to the claims of the Company's creditors. The Company's establishment of a trust or trusts to fund payment of the Deferred Compensation Obligations will not effect the status of the Deferred Compensation Obligations as general, unsecured obligations of the Company.

Item 5. Interests of Named Experts and Counsel.

The validity of the securities being registered will be verified by Gary D. Benz, Esq., the Company's Associate General Counsel. As of November 19, 2002, Mr. Benz owned 2,368 shares of the Company's common stock. Mr. Benz is eligible to participate in the FirstEnergy Corp. Executive Deferred Compensation Plan, pursuant to which some of the Deferred Compensation Obligations and the Company's common stock will be issued.

Item 8. Exhibits.

The exhibits listed on the accompanying Exhibit Index are filed or incorporated by reference as part of this Registration Statement.

With respect to the unaudited financial information of FirstEnergy Corp. for the three-month period ended March 31, 2002, the three- and six-month periods ended June 30, 2002 and the three- and nine-month periods ended September 30, 2002, incorporated by reference in this Registration Statement, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated, respectively, May 15, 2002, August 8, 2002 and November 13, 2002 incorporated by reference herein, state that they did not audit and they do not express an opinion on that unaudited financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their reports on the

Edgar Filing: FIRSTENERGY CORP - Form S-8

unaudited financial information because those reports are not "reports" or a "part" of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Act.
