NOTES TO FINANCIAL STATEMENTS

(unaudited)

June 30, 2005 and 2004

NOTE A BASIS OF PRESENTATION

The accompanying unaudited financial statements have been prepared in accordance with generally accepted accounting principles (GAAP) for interim financial information and Item 310(b) of Regulation S-B. They do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, all adjustments (consisting only of normal recurring adjustments) considered necessary for a fair presentation have been included.

The results of operations for the periods presented are not necessarily indicative of the results to be expected for the full year. For further information, refer to the financial statements of the Company as of December 31, 2004 and for the year then ended, including notes thereto included in the Company's Form 10-KSB.

NOTE B INVENTORY

Inventories, consisting of purchased finished goods ready for sale, are stated at the lower of cost (as determined by the first-in, first-out method) or market.

NOTE C - REALIZATION OF ASSETS

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate continuation of the Company as a going concern. However, the Company has incurred net losses aggregating \$10,635,258 and may continue to incur net losses in the future. If revenues do not increase substantially in the near future, additional sources of funds will be needed to maintain operations. These matters give rise to substantial doubt about the Company's ability to continue as a going concern.

Management and other personnel have been focused on product exposure and marketing. The Company's management team has diligently explored several market segments relative to the Company's product and service lines over the past 24 months. From that exploration, the Company has decided it is in its best interests to develop an internal sales and marketing effort while developing the use of existing, well-established distribution channels for marketing and selling the DriverMax® product line. Management also believes a large market exists for the Company's testing and evaluation services and the information resulting from those services. By concentrating the sales efforts within its own reasonable geographical area, management believes it can better provide a professional, consultative approach toward customers needs and prove the value of its products and services. Management will focus on the Company's efforts on the sales of products, services, and programs with sensible controls over expenses. Management believes these steps, if successful, will improve the Company's liquidity and operating results, allowing it to continue in existence.

Gross sales of \$321,755, including \$158,044 in product sales and \$163,711 in sales of services, were realized for the six months ended June 30, 2005 and were \$195,176 higher than gross sales for the same period one year ago.

[The Balance of This Page Left Intentionally Blank]

MIRENCO, Inc.**NOTES TO FINANCIAL STATEMENTS Continued****(unaudited)****June 30, 2005 and 2004****NOTE D – STOCKHOLDERS EQUITY**

During the six months ended June 30, 2005, the Company issued 3,630,072 shares of common stock for cash of \$489,461 which shares were issued at a discount to the fair market value of the shares. Included in these shares were 270,000 shares issued to affiliates at a discount of \$46,300 of non cash compensation which has been charged to operations during the period.

During the six months ended June 30, 2005, the Company issued 9,000 options to directors to purchase common stock at \$.28 per share and 4,000 options at \$.25 per share. The options are exercisable at those prices until January 31, 2014. There was no material compensation expense related to these options.

The following summarizes the options outstanding at June 30, 2005:

	Number of shares		Weighted- average exercise price per share
	Outstanding	Exercisable	
Outstanding, December 31, 2004	1,022,710	1,022,710	2.37
Granted	9,000	9,000	0.26
Outstanding June 30, 2005	1,031,710	1,031,710	\$ 2.36

SFAS 123 requires the Company to provide pro forma information regarding net income and earnings per share as if

compensation cost for the Company's stock option plans had been determined in accordance with the fair value based method prescribed in SFAS 123. The fair value of the option grants is estimated on the date of grant utilizing the Black-Scholes option pricing model. Had the company charged the fair value of the options issued to operations during the period ended June 30, 2005, there would not be a material difference in the net loss as reported.

An officer and director of the Company currently holds more than 50% of the Company's outstanding shares and can therefore control substantially all matters related to the Company.

Item 2.

**MANAGEMENT'S DISCUSSION AND ANALYSIS OF
FINANCIAL CONDITION AND RESULTS OF OPERATIONS**

General and Background

We have incurred annual losses since inception while developing and introducing our original products and focusing management and other resources on capitalizing the Company to support future growth. Relatively high management, personnel, consulting and marketing expenditures were incurred in prior years in preparation for the commercialization of our products. We expect distribution, selling, general and administrative expenses to increase directly with sales increases, however, as a percentage of sales, these expenses should decline.

Liquidity and Capital Resources

Cash and equivalents are currently the Company's substantial source of liquidity. The changes in Cash and Equivalents for the six months ended June 30, 2005 and 2004 can be reviewed in the Statements of Cash Flows in PART I Item 1 above. During the six months ended June 30, 2005 and June 30, 2004, revenues of None and \$16,000 were recognized from an arrangement with the Iowa Foundation for Educational Administration, Inc. for emissions testing services being conducted on the Iowa School Bus fleet. This was substantially less than original revenues expected to be received from this project. Billed but uncollected amounts of these revenues were not recorded as revenue because of the nature of the arrangement with the Iowa Foundation for Educational Administration, Inc. This relationship was discontinued in 2004, but the revenues recognized in 2005 were from the emissions testing project.

According to the terms of our purchase agreement with American Technologies to acquire the patents and trademarks, we will pay a 3% royalty of annual gross sales for a period of 20 years, which began November 1, 1999.

Results of Operations

Gross sales of \$321,755, including \$158,044 in product sales and \$163,711 in sales of services, were realized for the six months ended June 30, 2005 and were \$195,176 higher than sales for the same period one year ago. Cost of sales for the six months ended June 30, 2005 was only \$10,044 higher resulting in an increase of \$185,132 in gross profit margin. This increase was the result of discontinuance of the costs of the emissions testing program. In the six months ended June 30, 2005, \$13,734 of employment costs were included in Cost of Sales compared to \$94,393 in the corresponding period in the prior year.

A total of 23 individuals, 21 full time and two part-time, were employed with the Company at June 30, 2005 compared to a total of 19 at June 30, 2004. The increase in personnel was primarily in the operational and technical staff to perform consultative services and installation of products.

[The Balance of This Page Left Intentionally Blank]

Edgar Filing: MIRENCO INC - Form 10QSB

A comparative breakdown of Other general and administrative expenses per the Statements of Operations included in PART I Item 1 above is as follows:

	Six Months Ended June 30, 2005	Six Months Ended June 30, 2004	Note
Royalty	\$ 9,656	\$ 3,317	1
Advertising	10,572	5,913	2
Depreciation and amortization	25,034	32,827	3
Insurance	38,429	39,682	4
Professional fees	31,939	129,191	5
Office expenses	24,608	30,576	6
Research and development	9,067	2,537	7
Travel	34,994	41,020	8
Utilities	27,778	29,286	9
Total general and administrative expenses	\$ 212,077	\$ 314,349	

1.

Royalty expense is proportional to sales and is based on sales of products, services and rights related to patents according to the contractual agreement.

2.

Advertising expense for the six months ended June 30, 2005 increased \$4,659 over the same period in the prior year because of increased marketing and sales activities.

3.

Depreciation and amortization expense decreased \$7,793 from the corresponding period in the prior year because of computer and other equipment becoming fully depreciated in the prior period.

4.

Insurance expense is comparable with the prior period.

5.

Professional fees expense decreased \$97,252 because of the discontinuance of the services of several outside consultants employed in 2004.

6.

Office expense for the six months ended June 30, 2005 decreased \$5,968 from the corresponding period in the prior year because of the implementation of cost control measures.

7.

Research and development expenses increased \$6,530 from the first six months of the prior year as a result of acquiring additional testing equipment.

8.

Travel expense for the first six months of 2005 was less than for the first six months of 2004 because of a reduction in foreign travel in 2005.

9.

Utilities expense for the first six months of 2005 was comparable to the expense for the first six months of 2004.

Interest expense for the six months ended June 30, 2005 and 2004 is a result of financing the purchase of Company vehicles from the majority shareholder and investor loans and bank loans obtained in 2004.

The Company uses estimates in the preparation of its financial statements. The estimates used relate to valuation of receivables and the useful lives of its equipment and patents. Since the Company's receivables consist of larger individual accounts, the Company elects to use the direct write off method for those accounts that are deemed to be uncollectible. The Company believe there is no material difference in this method from the allowance method. There have been no accounts written off in 2005. If it is determined that potential losses of a material amount in receivables, the allowance for doubtful accounts method will be adopted. No such allowance is considered to be required at this time. If it were determined that the depreciated cost of its equipment and the amortized cost of its patents exceeded their fair market value, there would be a negative impact on the results of operations to the extent the depreciated and amortized cost of these assets exceeded their fair market value. In connection with this, the value of certain real property was reduced in a prior year to conform with an appraisal of the property at that time. No such additional reduction is considered necessary at this time.

The carrying value of long-lived assets is reviewed on a regular basis for the existence of facts and circumstances that suggest impairment. During the first six months of 2005, no material impairment has been indicated. Should there be an impairment in the future, the Company will measure the amount of the impairment based on the amount that the carrying value of the impaired assets exceed the undiscounted cash flows expected to result from the use and eventual disposal of the impaired assets.

The Company accounts for equity instruments issued to employees for services based on the fair value of the equity instruments issued and accounts for equity instruments issued to other than employees based on the fair value of the consideration received or the fair value of the equity instruments whichever is more reliably measurable.

The Company accounts for stock based compensation in accordance with SFAS 123, Accounting for Stock-Based Compensation. The provisions of SFAS 123 allow companies to either expense the estimated fair value of stock options or to continue to follow the intrinsic value method set forth in APB Opinion 25, Accounting for Stock Issued to Employees (APB Opinion 25) but disclose the proforma effects on net income (loss) had the fair value of the

options been expensed. The Company has elected to continue to apply APB Opinion 25 in accounting for its stock option incentive plans.

SFAS 123 requires the Company to provide pro forma information regarding net income and earnings per share as if compensation cost for the Company's stock option plans had been determined in accordance with the fair value based method prescribed in SFAS 123. The fair value of the option grants is estimated on the date of grant utilizing the Black-Scholes option pricing model. Had the company charged the fair value of the options issued to operations during the period ended June 30, 2005, there would not be a material difference in the net loss as reported.

In December 2004, the FASB issued SFAS 123(R), Share-Based Payment. SFAS 123(R) amends SFAS 123, Accounting for Stock-Based Compensation, and APB Opinion 25, Accounting for Stock Issued to Employees. SFAS 123(R) requires that the cost of share-based payment transactions (including those with employees and non-employees) be recognized in the financial statements. SFAS 123(R) applies to all share-based payment transactions in which an entity acquires goods or services by issuing (or offering to issue) its shares, share options, or other equity instruments (except for those held by an ESOP) or by incurring liabilities (1) in amounts based (even in part) on the price of the entity's shares or other equity instruments, or (2) that require (or may require) settlement by the issuance of an entity's shares or other equity instruments. This statement is effective (1) for public companies qualifying as SEC small business issuers, as of the first interim period or fiscal year beginning after December 15, 2005, or (2) for all other public companies, as of the first interim period or fiscal year beginning after June 15, 2005, or (3) for all nonpublic entities, as of the first fiscal year beginning after December 15, 2005. Management is currently assessing the effect of SFAS No. 123(R) on the Company's financial statements.

The Company outsources the production of its DriverMax® products to ICE Corporation of Manhattan, Kansas. If, for some reason the relationship between the Company and ICE Corporation should be interrupted or discontinued, the operations of the Company could be adversely affected until such time an alternative supply source could be located, contracted and begin producing our technology. Such an event could materially effect the results of operations of the Company. The Company continues to review its relationship with this single source and believes there is no need for an alternative source at this time. As sales of product grow the Company will continue to review alternative sources.

Item 3.

CONTROLS AND PROCEDURES

An evaluation of the Company's disclosure controls and procedures and internal controls and procedures was performed on August 3, 2005. Based on that review, management concludes that the Company's disclosure controls and procedures adequately ensure that information required to be disclosed by the Company in the reports that it files or submits under the Act is recorded, processed, summarized and reported, within the time periods specified in the Securities and Exchange Commission's rules and forms. There have been no significant changes in internal controls or in other factors that could significantly affect internal controls subsequent to the evaluation date. There have been no corrective actions with regard to significant deficiencies and material weaknesses since the evaluation date.

WHEREAS, Mirencos desires to appoint Distributor as a non-exclusive distributor of Mirencos products in the Territory, and Distributor desires to accept such appointment, all upon the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1.

Appointment. Mirencos hereby appoints Distributor as an independent distributor of Mirencos Products subject to the terms of this Agreement. The appointment by Mirencos granted to Distributor shall be the right to purchase, promote, resell and service the Products in accordance with the terms of this Agreement. Distributor hereby warrants and covenants that Mirencos shall be Distributors sole and exclusive provider of fuel management and emission control products for internal combustion engines.

2.

Exclusive Rights of Distributor. Mirencos appoints Distributor as an exclusive distributor of the Products in the Territory for the term of this Agreement. Mirencos may sell products and services to non customers of Distributor in the territory provided that Distributor will be entitled to compensation as defined in paragraph 10 of this agreement.

3.

Definition of Products. For purposes of this Agreement, the term "Products" shall mean only those products which are specifically described in Schedule A as attached hereto from time to time. Mirencos reserves the right to change any listing of the Products on Schedule A or any aspect or characteristic of the Products including, but not limited to, the design, function or Mirencos suggested retail price. Distributor shall have no right to market or distribute any goods or products of Mirencos other than the Products listed herein.

4.

A Purchase Order shall become a binding order upon both Mirencos and Distributor when Mirencos accepts the Purchase Order (each, an Accepted Order and collectively the Accepted Orders) as provided in Paragraph 6 of this Agreement, but all upon and

EXHIBIT 10.32

(a) Without limiting the generality of the immediately preceding paragraph, Distributor also agrees that if it does not submit Purchase Orders to Mirencos during each year of the term of this Agreement for a minimum of 200 DriverMaxes® per year, Mirencos may at its sole discretion terminate this agreement with appropriate written notice.

(b) Each Purchase Order shall be placed by Distributor by forwarding the completed and executed Purchase Order to Mirencos at Mirencos s address for notices as specified below in this Agreement, or at such other location as Mirencos shall determine and give notice of to Distributor.

6.

Acceptance of Purchase Orders. (a) A Purchase Order shall not become, or be deemed to be, an Accepted Order until it is accepted by Mirencos as provided in this Paragraph 6. 7.

Additional Rights of Mirencos. Notwithstanding anything in this Agreement which may appear to the contrary, Mirencos reserves the right to withhold fulfilling any Accepted Order during any period of time that Distributor is in breach or default under any term or condition of an Accepted Order or any other agreement between Mirencos and Distributor. 9.

Delivery of Products and Risk of Loss. Any Products purchased by Distributor hereunder shall be made available to Distributor at the location of the Products. Unless otherwise expressly agreed in a written document signed by both Mirencos and Distributor, Distributor shall be responsible for arranging and providing, at Distributor's cost, for the delivery by common truck carrier ("Distributor's Carrier") of all Products to whatever locations are desired by Distributor, except only that Mirencos will provide the labor necessary to load the Products on the truck of Distributor's Carrier at the location of the Products. All duties, levies, landing charges, local taxes (including, without limitation, sales, use, import, export and excise taxes) and other charges howsoever designated shall be borne and paid by Distributor.

All risk of loss, destruction or damage to all Products shall automatically pass from Mirencos to Distributor upon the loading of the Products on the truck of Distributor's Carrier at the location of the Products.

10.

Compensation to Distributor. As Distributor's sole compensation hereunder, Distributor shall receive, with respect to each Product Distributor makes a sale (a Distributor Sale), with respect to each Product Sales Representative makes a sale (a Sales Representative Sale) and with respect to each Product Mirencos sells directly to a customer in the

Territory (a Mirencos Sale), a sales commission, with the rate of the commission to be determined in accordance with the commission schedule for Distributor Sales, Sales Representative Sales and Mirencos Sales, respectively, set forth in Schedule C attached hereto from time to time.

Mirencos shall have the right to determine, in its sole discretion, whether a sale constitutes a Distributor Sale, Sales Representative Sale or Mirencos Sale. In the event Mirencos adds new Products, Mirencos shall provide Distributor with an amended Schedule C reflecting the commission rates applicable to such new Products. Mirencos also reserves the right to amend the commission rates and other terms set forth on the then current Schedule C at any time, in Mirencos sole discretion, but any such amended Schedule C shall not be effective until sixty (60) days after Mirencos provides Distributor with a copy of the amended Schedule C.

Distributor agrees that Mirencos shall have the right to setoff against any amounts owed to it by Distributor pursuant to this Agreement including, without limitation, the amount of any commissions previously paid to Distributor with respect to Products which are subsequently returned or rejected by the customer in question, for whatever reason.

11.

Price, Terms of Sale. Mirencos will sell Products to Distributor and Distributor will purchase Products from Mirencos at prices as set forth in Schedule A attached hereto from time to time. Mirencos shall provide Distributor with ninety (90) days written notice prior to changing Product pricing. Product pricing shall include costs of packaging and crating Product for export in accordance with Mirencos ordinary course of business, but any special handling or packaging (including any necessary to meet any requirements imposed by any authority of the Territory) shall be at Distributors expense. The aggregate purchase price with respect to each Accepted Purchase Order shall be due and payable in U.S. dollars by Distributor, in full, within thirty (30) days of the date of Mirencos invoice to Distributor therefore; provided, however, that Mirencos reserves the right to place all sales to Distributor on a C.O.D. basis. In addition, Distributor shall be entitled to a discount of two (2) percent for all invoices paid within 10 days of the invoice date. Mirencos shall invoice Distributor concurrently with the Products being made available to Distributors Carrier pursuant to Paragraph 9 of this Agreement. Distributor shall pay a late charge on any delinquent amount (over 30 days) compounded and computed daily at the lesser of (i) 1.5% per month, or (ii) the highest rate permitted by applicable law. Title to the Products shall be deemed to transfer from Mirencos to Distributor, and all risks of loss associated with ownership of the Products shall transfer to Distributor, when Mirencos places the Products in the possession of Distributors Carrier. Distributor shall hold Mirencos harmless for any loss of Products at such time.

12.

Sales Efforts by Distributor. Distributor will maintain an adequate inventory of the Products and will diligently develop and promote the sales of the Products covered by this Agreement to the satisfaction of Mirencó. Distributor agrees to provide installation services for end-purchasers of Products. Distributor shall have the authority to sell the Products at any price which Distributor believes will be accepted by the market for the Products without regard to Mirencó's suggested retail price. Distributor will provide an adequate sales staff and customer relations organization trained to instruct customers in the use of the Products and can demonstrate same.

13.

Additional Duties of Distributor. Distributor agrees to devote its best efforts and such time as is necessary or appropriate to diligently market and promote the sale of the Products in the Territory. Without limiting the generality of the foregoing, and in addition thereto, Distributor agrees that it will:

(a)

(g)

Immediately advise Mirencos in writing of any matters with respect to any Product which come to the attention of Distributor and which may raise an issue of compliance of the Products with applicable local, provincial, state, federal or other governmental law, rule or regulation in the Territory, and how such matters can most efficiently be resolved, including, without limitation, with respect to the packaging or labeling thereof; provided, however, that Mirencos shall be responsible for all costs and expenses necessary to resolve such matters in the event Mirencos determines, in its sole discretion, to resolve such matters.

(h)

Not engage in any unethical, illegal, deceptive, fraudulent or misleading activities in connection with the performance of any services hereunder, including, without limitation, providing any deceptive, fraudulent, misleading, false or incorrect information to Mirencos, any potential or existing customer, or any third party dealing with Mirencos or any customer, and whether about the Products or otherwise.

(i)

Engage, at the sole expense of Distributor, a sufficient number of personnel to properly canvas the Territory and to assist in the performance of all other services required of Distributor hereunder. All such personnel shall be employees, agents or independent contractors of Distributor and not of Mirencos, and shall be bound by all of the terms and conditions of this Agreement.

(j)

Recognize, both during and after the term of this Agreement, and without limiting Paragraphs 19 and 22 below, the exclusive right and ownership of Mirencos in and to the Patents, the Mark, all names, trade names, trade or service marks, patents, copyrights and all other intellectual properties used or licensed by the Mirencos in connection with the Products and Mirencos business, and to market and sell the Products only under the Mark or other trade or service marks and trade names regularly applied to them by Mirencos and otherwise in accordance with Paragraph 19 below.

(k)

Not do any act or say anything, or omit to do or say any act or thing, during the term of this Agreement or at any time thereafter, which may impair, damage, or destroy the goodwill or reputation of the Products or Mirencos, or that is detrimental to Mirencos or its business.

(l)

(m)

Provide all customers with only those written promotional and sales materials, including, without limitation, price sheets and order forms, which have been either provided by Mirencos or otherwise previously approved by Mirencos pursuant to subparagraph (o) immediately below.

(n)

Promptly submit to an appropriate representative of Mirencos all correspondence or other documents regarding the Products which a person or entity may provide directly to Distributor.

EXHIBIT 10.32

14.

Duties of Mirencos. Mirencos agrees to:

(a)

Provide sales and technical assistance to Distributor similar to that provided by Mirencos to its other independent distributors, if any.

(b)

Furnish Distributor with a reasonable amount of such promotional and sales materials (in the English or Spanish language, as determined by Mirencos from time to time) as Mirencos, in its sole discretion, generally prepares in regard to export sales of the Products.

(c)

Identify Distributor in such of Mirencos promotional materials as Mirencos may, in its sole discretion, deem appropriate.

15.

Direct Sale Right. Notwithstanding any term or condition herein which may appear to be to the contrary, Distributor acknowledges and agrees that Mirencos expressly reserves the right (but does not have the obligation) at any time and from time to time to communicate directly with any potential or existing customer or customers of Mirencos, which are not customers of Distributor, in the Territory; to directly market, promote and sell the Products in the Territory; and to otherwise act in all matters in the Territory with or independently of the Distributor provided that Distributor will be entitled to compensation as defined in paragraph 10 of this agreement.

16.

Expenses. Distributor agrees that it shall pay and be solely responsible for all costs and expenses of any nature whatsoever which are incurred by Distributor in rendering services pursuant to this Agreement, and that Mirencos shall not be responsible for any such costs and expenses. Distributor further agrees that it shall pay and be solely responsible for Distributor's cost of qualifying the Products within the Territory and for obtaining all necessary Territory governmental approvals of this Agreement and the Products, if any, and for maintaining all of the same during the term of this Agreement. Distributor shall provide evidence of the same to Mirencos upon request of Mirencos from time to time. All such registrations shall be in the name of Mirencos, unless otherwise affirmatively required by the applicable governmental authority in the Territory, but any such registration in the name of Distributor shall not operate to grant any rights to Distributor in the Products or otherwise, and any such registration in Distributor's name shall be terminated, cancelled or revoked by Distributor, at its cost and expense, immediately following the expiration or termination of this Agreement (for whatever reason).

17.

Term and Termination. (a)

The term of this Agreement shall be for a period of one (1) year from the date hereof, and shall be automatically renewed thereafter for successive one (1) year periods, unless either party provides written notice to the other of its intention not to renew this Agreement, for whatever reason, with or without cause, at least thirty (30) days prior to the termination date of the one (1) year term then in effect, or this Agreement is earlier terminated pursuant to any other provision of this Agreement.

(b)

This Agreement may be terminated by either Mirencos or Distributor, with or without cause, for any reason or no reason, effective thirty (30) days following the giving of written notice thereof to the other, provided however that Mirencos agrees to buy back any unsold products that Distributor holds in inventory at Distributor's original price paid to Mirencos.

(c)

This Agreement may be terminated by either party in the event of any breach or nonfulfillment of or default under any term or condition of this Agreement by the other party, which breach, nonfulfillment or default is not fully cured by the applicable party (if capable of cure) within thirty (30) days following the giving of written notice thereof by the other party; provided, however, that this Agreement shall terminate immediately and without opportunity for cure by Distributor (i) upon receipt by Distributor of notice of termination from Mirencos in the event of a breach or nonfulfillment of or default by Distributor under Paragraphs 13(e), 13(f), 13(g), 13(h), 13(i) or 19 hereof; or (ii) upon the dissolution or liquidation of, termination of existence of, insolvency of, business failure of, appointment of receiver of any part of the property of, assignment for the benefit of creditors by, or the commencement of any proceeding (whether voluntary or involuntary) under any bankruptcy, insolvency, debtor-creditor, receivership or similar or related law by or against, Distributor.

18. **Transactions After Termination.** In addition to any other provisions hereof addressing the rights or obligations of the parties upon the termination of this Agreement, the parties agree that upon the termination of this Agreement, for whatever reason:

(a)

Distributor shall return all written promotional, advertising and sales materials provided to Distributor by Mirenc
hereunder.

(b)

Notwithstanding anything herein or otherwise which may appear to be to the contrary, the termination of this Agreement shall not affect any liability or obligation of the parties hereunder which shall accrue prior to such termination, including, but not limited to, any liability for loss or damage or on account of breach, nor shall the termination of this Agreement (by either party and for whatever reason) affect the terms or provisions hereof which contemplate performance by or continuing obligations of a party beyond the termination hereof,

(c) *Distributor reserves the right to complete all sales in effect on the date of termination within ninety (90) days of the termination.*

19.

Mirenc Trademarks. Distributor is hereby granted a limited, nonassignable and nontransferable right to use Mirenc's trade or service marks, including the Mark, in distributing, advertising and promoting the sale of the Products, but only in strict accordance with Mirenc's policies regarding the use of its trade or service marks and trade names. The rights conferred herein shall cease and terminate immediately upon notice to cease such use provided by Mirenc or, without notice, upon the termination of this Agreement, and Distributor agrees to take, at its sole cost and expense, all such steps as are necessary or appropriate to cease all use of Mirenc's trade or service marks and trade names in such event. Notwithstanding anything herein or otherwise which may appear to be to the contrary, the Mark and any of Mirenc's other trade or service marks and trade names shall at all times be and remain the sole and exclusive property of Mirenc and Mirenc reserves all rights in and to the same. Distributor agrees to use its best efforts to notify Mirenc of any and all infringements of the Mark or any of Mirenc's other trade or service marks or trade names pertaining to the Products which may come to Distributor's attention during the term hereof and to assist Mirenc in taking such action against said infringement as Mirenc, in its sole discretion, may decide.

20.

Grant of Security Interest by Distributor. Distributor hereby grants to MirencO a security interest in and to all of the Products which are at any time sold by MirencO to Distributor, as well as the proceeds thereof to the extent of amounts owed by Distributor to MirencO. The security interest does not include any other assets of Distributor. The security interest secures payment of all amounts payable by Distributor to MirencO under this Agreement and the performance of all other duties and obligations of Distributor under this Agreement, whether now existing or hereafter arising. Distributor will be in breach of and default under the security interest granted by this Paragraph upon the failure to make any payment, when due and payable, of any amounts payable under this Agreement, or upon the breach or nonfulfillment of or default under any other term or condition of this Agreement. After the occurrence of any breach or default, MirencO may exercise at any time and from time to time any and all rights and remedies available to a secured party under applicable law, including, without limitation, the right to sell, lease or otherwise dispose of all of the goods and property subject to the security interest granted by this Paragraph and the right to take possession of such goods and property. For that purpose, MirencO may enter upon any premises on which any of such goods or property or any part thereof may be situated and remove the same, all at the expense of Distributor. Distributor upon demand shall pay to MirencO the amount of all expenses, including reasonable attorneys' fees, incurred by MirencO in seeking to collect any sums secured hereby or to enforce any other rights or remedies in or under this Agreement or the security interest granted by this Section, and all such amounts shall be secured hereby. The proceeds of any disposition of any of the goods or property subject to the security interest granted by this Paragraph may be applied by MirencO first to the payment of all such expenses, and any balance of such proceeds shall then be applied against the other amounts secured hereby in such order of application as MirencO may elect. Distributor authorizes MirencO to file financing statements and amendments and continuation statements to financing statements to the full extent permitted by law and as MirencO otherwise deems necessary or appropriate from time to time.

EXHIBIT 10.32

21.

Proprietary and Confidential Information. (a)

Distributor acknowledges and agrees that it is necessary for MirencO to prevent the unauthorized use and disclosure of Proprietary and Confidential Information, as hereinafter defined, regarding MirencO and the Products. Accordingly, Distributor covenants and agrees that it will not, during the term of this Agreement or at any time following the termination of this Agreement, for whatever reason (whether this Agreement is terminated by MirencO, by Distributor or by mutual consent), directly or indirectly, engage in or refrain from taking any action which may in any way lead to the disclosure of any Proprietary and Confidential Information regarding MirencO or the Products to any third party, nor use any Proprietary and Confidential Information for its own benefit.

(b)

For purpose of this Agreement, the term "Proprietary and Confidential Information" shall be deemed to include all confidential and proprietary information relating to the Products, or MirencO, including, but not limited to, (i)

corporate and business information, including contractual arrangements (including the terms of this Agreement), plans, strategies, tactics, policies and resolutions; (ii) any negotiations; (iii) marketing information, including price and discount lists, sales or product plans, strategies or methods; (iv) customers, customer lists, prospects or market research data, including any lists or data developed or prepared by Mirencos or Distributor in performing hereunder; (v) financial information or projections, including cost and performance data, data arrangement, equity structure, investors, and holdings; (vi) operational information, including trade secrets, control and inspection practices, suppliers and vendors, all information related to the Products, inventions, technical and non-technical data, techniques, methods of manufacture, machines, equipment, apparatus, molds, tools, dies, drawings, blueprints, experimental or developmental work, photographs, slides, motion pictures, video tapes, compositions, formulas, formulations, processes, and know how; (vii) the Patents, the Mark and all copyrights, trademarks, service marks, trade secrets or other intellectual properties owned, utilized or licensed by Mirencos; (viii) personnel information, including personnel lists, resumes, personal data, organizational structure and performance evaluations; (ix) information provided to or obtained in any way by Mirencos under restrictions as to use, reproduction or further disclosure; and (x) information provided to or obtained in any way by Mirencos regarding another person, corporation or other form of entity which owns in whole or in part Mirencos or which is owned or controlled by Mirencos or under common control with Mirencos (collectively, the "Affiliates"), and which information is proprietary and confidential to the Affiliates which information is hereby deemed to include, without limitation, all of the types of information described in this subparagraph (b).

(c)

Distributor agrees that any use or disclosing by it of any Proprietary and Confidential Information which is both within the limited authority expressly granted to Distributor by this Agreement and is otherwise necessary, proper and lawful shall also in all events be limited only to its responsible personnel with a bona fide need to know and, in such event, to each such person limited to that portion of the Proprietary Confidential Information that each such person needs to know. Each such person shall be bound by the terms of this paragraph as well as the terms of any separate nondisclosure agreement between the person in question and Distributor or Mirencos. Distributor shall in all events, however, be and remain responsible and liable for assuring compliance by Distributor's personnel with the terms and conditions of this paragraph and other terms and conditions of this Agreement.

Distributor further agrees that any information it develops, prepares or compiles in performing its services hereunder which is Proprietary and Confidential Information as defined above, and all other Proprietary and Confidential Information shall be or is, as the case may be, and shall at all times be and remain the sole and exclusive property of Mirencos and that all physical reproductions of any nature pertaining to any Proprietary and Confidential Information, including, but not limited to, electronic media, memoranda, notebooks, notes, data sheets and records, and any and all copies of the same, shall be surrendered to Mirencos immediately upon the termination of this Agreement (whether this Agreement expires by its terms or is terminated by Mirencos, by Distributor or by mutual consent, and for whatever reason).

Notification of Unauthorized Disclosure. Distributor agrees to immediately notify Mirencos of any information which comes to Distributor's attention which does or might indicate that there has been any improper use or disclosure or any other loss of confidentiality of any Proprietary and Confidential Information, and upon discovery of such information or of any unauthorized use or communication of any Proprietary and Confidential Information, Distributor shall take such steps as are necessary or appropriate to prevent any further use or communication of the information and shall otherwise fully cooperate with Mirencos in this regard.

25.

Mirencos represents and warrants to Distributor that Products delivered to Distributor or its customers shall be free from defect for a period not to exceed one (1) year from the date of the installation of such Products on Distributor's customers equipment (the Warranty Period). The foregoing warranty will be automatically null and void if the defect has resulted in any way from Distributor's

EXHIBIT 10.32

negligence, from accident, abuse, misapplication, or if the Product has been altered in any manner without the express prior written consent of Mirencos.

If any Products fail to conform to the above warranty during the Warranty Period and Distributor provides Mirencos, before the close of the Warranty Period, with (i) written notice of the failure, and (ii) satisfactory written evidence and other proof of such failure, Mirencos will, at Mirencos's sole option, replace the Products, at Mirencos's cost, with like Products, or direct Distributor to repair the defective Products and reimburse Distributor for such repair work at the rate of Seventy Dollars, American (U.S. \$ 70) per hour. **MIRENCO'S ENTIRE LIABILITY AND DISTRIBUTOR'S SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO ANY BREACH OF THE FOREGOING WARRANTY BY MIRENCO SHALL BE REPLACEMENT OF THE PRODUCTS OR REIMBURSEMENT FOR REPAIR WORK AS PROVIDED IN THE PRECEDING SENTENCE. ANY REPLACEMENT PRODUCTS WILL BE WARRANTED AS PROVIDED ABOVE ONLY FOR ONE YEAR FROM THE DATE THE REPLACEMENT PRODUCTS IN QUESTION ARE INSTALLED ON DISTRIBUTOR'S CUSTOMERS EQUIPMENT.**

EXCEPT FOR THE LIMITED WARRANTY EXPRESSLY GIVEN ABOVE, MIRENCO MAKES NO EXPRESS WARRANTIES, AND HEREBY EXCLUDES AND DISCLAIMS IN ENTIRETY ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO ANY PRODUCTS PROVIDED BY MIRENCO. IN NO EVENT SHALL MIRENCO BE LIABLE FOR ANY LOST PROFITS, EXEMPLARY, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER ARISING OUT OF THIS AGREEMENT (EVEN IF MIRENCO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES), OR ARISING OUT OF THE USE OF OR INABILITY TO USE THE PRODUCTS OR ANY OTHER GOODS OR PRODUCTS FOR ANY REASON AND FOR ANY PURPOSE WHATSOEVER. ANY ACTION BY DISTRIBUTOR FOR BREACH OF ANY TERM OF THIS AGREEMENT MUST BE COMMENCED BY DISTRIBUTOR WITHIN ONE (1) YEAR AFTER THE DATE

THE CAUSE OF ACTION ACCRUES.

26.

Indemnification. Distributor agrees to defend, indemnify and hold Mirencos harmless from and against any claim, demand, proceeding, loss, liability, damage, cost or expense (including, but not limited to, attorneys' fees, legal expense and court costs) arising in connection with or resulting from any breach of warranty, misrepresentation or non-fulfillment of any agreement on the part of Distributor under this Agreement or which are incurred by Mirencos in enforcing its rights under this Agreement. Distributor shall be responsible and liable for assuring the full, timely and complete compliance with all of the terms and conditions of this Agreement by all of Distributor's employees and agents.

During the term of this Agreement, and for three (3) years thereafter, Distributor must maintain in full force and effect a policy or policies of product liability insurance on an as occurrence basis in amounts no less than U.S. One Million Dollars (U.S. \$1,000,000). Executed copies of such policies of insurance, or certificates issued by such insurance company or companies certifying to such insurance coverage, shall be delivered to Mirencos within ten (10) days after the execution of this Agreement, and thereafter within thirty (30) days prior to the expiration of the term of each such policy. All such policies of product liability insurance shall contain an endorsement that such policy may not be cancelled or amended except upon thirty (30) days prior written notice from the insurance company to Distributor and Mirencos and that the insurer shall give both Distributor and Mirencos notice of intention not to renew such policy at least thirty (30) days before the expiration of the policy.

27.

Nature of Relationship; Authority of Parties. The relationship between the parties shall be that of buyer and seller. Nothing contained in this Agreement, and no action taken by Mirencos or Distributor pursuant hereto, shall be deemed to constitute Mirencos and Distributor a partnership, an association, joint venture or other entity, nor shall this Agreement be construed to constitute Distributor as an employee or agent of Mirencos or cause Mirencos to be responsible in any way for the debts or obligations of Distributor, nor shall either Mirencos or Distributor have the authority to bind the other in any respect whatsoever, it being understood and agreed by the parties hereto that Distributor shall be acting as an independent contractor not as an agent, representative, partner, or employee of Mirencos for any purpose whatsoever. Distributor shall be solely responsible for discharging all obligations arising in connection with the operation of Distributor's business, including, without limitation,

EXHIBIT 10.32

compliance with all laws, rules and regulations relating to importing and exporting, income tax, sales tax, social security, unemployment compensation and worker's compensation. Distributor acknowledges that it has not relied upon any statements or other information made or supplied by Mirencos as to the potential profitability or success of Distributor's efforts or the relationship of the parties under this Agreement, and that Distributor is executing this Agreement based solely upon its own investigation, due diligence, knowledge and judgment.

28.

Dispute Resolution. In the event that any dispute arises with respect to any matter relating to this Agreement, including the applicability of this arbitration clause to any such dispute, such dispute shall be resolved by a single arbitrator appointed by the mutual agreement of the parties, or in the event such mutual agreement cannot be reached, by the American Arbitration Association. Either party may invoke this provision by written notice to the other party, and, upon receipt of such notice, both parties agree to proceed diligently to complete such arbitration and to be bound by the decision of the arbitrators. Any such arbitration shall be conducted in accordance with the Uniform Arbitration Act; and the rules of the American Arbitration Association shall govern. The venue for such arbitration proceeding shall be Des Moines, Iowa and any determination resulting from such arbitration shall be enforceable by judicial action in the jurisdiction identified in Paragraph 37.

29.

No Waiver; Modifications in Writing. No failure or delay on the part of any party in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. Except as may be otherwise expressly provided herein, the remedies provided herein are cumulative and are not exclusive of any remedies that may be available to any party at law or in equity or otherwise. No amendment, modification, supplement, termination or waiver of or to any provision of this Agreement, nor consent to any departure therefrom, shall be effective unless the same shall be in writing and signed by each of the parties hereto. Any amendment, modification or supplement of or to any provision of this Agreement, any waiver of any provision of this Agreement, and any consent to any departure from the terms of any provision of this Agreement, shall be effective only in the specific instance and for the specific purpose for which made or given.
