“ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 8.01. Other Events

On July 9, 2007, Northway Financial, Inc. (the “Company”) called and paid off a \$13,000,000 floating rate trust preferred security, issued by Northway Capital Trust II, callable by the Company on July 7, 2007. This resulted in the write-off of deferred origination costs of \$355,000 and the approximate after-tax reduction in net income was \$234,000.

The source of funds was from two sources. \$3,000,000 came from the Company’s private placement of a floating rate trust preferred security on March 22, 2007 and \$10,000,000 came from the Company’s private placement of a floating rate trust preferred security on June 15, 2007. The effect of which is a 2.15% reduction in the interest rate on the \$13,000,000. This results in a \$280,000 per year reduction in interest expense, the approximate after-tax effect of which is \$185,000.

SIGNATURE
