PROXY STATEMENT FOR 2003 ANNUAL MEETING OF STOCKHOLDERS

PROCEDURAL MATTERS

General

The enclosed Proxy is solicited on behalf of Nextel Partners, Inc., a Delaware corporation (the "Company"), for use at the 2003 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, May 8, 2003 at 10:00 a.m., local time, and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Coast Bellevue Hotel, 625 116th Avenue N.E., Bellevue, Washington 98004.

These proxy solicitation materials were mailed on or about April 14, 2003 to all stockholders entitled to vote at the Annual Meeting.

Record Date and Outstanding Shares

Only stockholders of record at the close of business on March 21, 2003 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. The only outstanding securities of the Company entitled to vote at the Annual Meeting are shares of Class A Common Stock, \$.001 par value (the "Class A Common Stock"), and Class B Convertible Common Stock, \$.001 par value (the "Class B Common Stock," and together with the Class A Common Stock, the "Common Stock"). The Class B Common Stock is convertible into shares of the Class A Common Stock at any time on a one-for-one basis upon a transfer thereof to a person other than Nextel Communications, Inc. ("Nextel"), a majority-owned Nextel subsidiary or a person or entity controlling Nextel, and is subject to restrictions on its transfer contained in the Company's amended and restated certificate of incorporation and in the Company's amended and restated shareholders' agreement.

As of the Record Date, 171,945,083 shares of the Company's Class A Common Stock were issued and outstanding and held of record by 242 stockholders and 79,056,228 shares of the Company's Class B Common Stock were issued and outstanding and held of record by one stockholder, Nextel WIP Corp., a wholly owned subsidiary of Nextel ("Nextel WIP"). See "Security Ownership of Certain Beneficial Owners and Management" below for information regarding beneficial owners of more than five percent of the Company's Common Stock.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked or changed by the person giving it at any time prior to its use by delivering to the Corporate Secretary of the Company a written instrument revoking the proxy or by submitting a proxy bearing a later date or by attending the Annual Meeting and voting in person. Proxies may be changed in any manner regardless of the method used to submit the proxy. However, changing a proxy by telephone or Internet will require the stockholder to retain a record of the unique control number that appears on the proxy card.

1

Voting and Solicitation

The holders of the Common Stock are entitled to one vote per share on all matters on which they are entitled to vote.

The Company makes this solicitation of proxies, and all related costs will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Certain of the Company's directors, officers and regular employees, without additional compensation, may also solicit proxies personally or by telephone.

Quorum; Abstentions; Broker Non-Votes

At the Annual Meeting, inspectors of election will determine the presence of a quorum and tabulate the results of the voting by stockholders. A quorum exists when holders of a majority of the total number of outstanding shares of Common Stock that are entitled to vote at the Annual Meeting are present at the Annual Meeting in person or by proxy. A quorum is necessary for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting. Broker non-votes occur when a person holding shares in street name, meaning through a bank or brokerage account, does not provide instructions as to how his or her shares should be voted and the bank or broker does not exercise discretion to vote those shares. The seven nominees for election to the board of directors who receive the greatest number of votes cast for the election of directors by the shares present, in person or by proxy, will be elected to the board of directors. For the election of directors, abstentions and broker non-votes will have the effect of neither a vote for

nor a vote against the nominee, and thus will have no effect on the outcome. Stockholders are not entitled to cumulate votes in the election of directors. If a quorum is present, approval of all other matters that properly come before the meeting, including the proposal to ratify the Company's appointment of independent auditors and the proposal to approve the Company's Restricted Stock Plan, requires that the votes cast in favor of such actions exceed the votes cast against such actions. As in the election of directors, abstentions and broker non-votes will have the effect of neither a vote for nor against such actions and will have no effect on the outcome.

All shares entitled to vote and represented by properly submitted, unrevoked proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly submitted proxy, the shares represented by that proxy will be voted as recommended by the board of directors. If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the enclosed proxy and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. The Company does not currently anticipate that any matters other than the election of directors, the ratification of auditors and the approval of the Restricted Stock Plan will be raised at the Annual Meeting. Signing and returning the proxy card, or submitting your proxy by Internet or telephone, does not affect your right to revoke your proxy or to vote in person at the Annual Meeting.

Deadline for Receipt of Stockholder Proposals

Stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of the proxy rules promulgated by the Securities and Exchange Commission (the "SEC"). Proposals of stockholders of the Company intended to be presented for consideration at the Company's 2004 Annual Meeting of Stockholders must be received by the Company no later than December 5, 2003 in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting. All notices of proposals by stockholders, whether or not included in

2

the Company's proxy materials, should be sent to Nextel Partners, Inc., 4500 Carillon Point, Kirkland, Washington 98033, Attention: Corporate Secretary.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information with respect to the beneficial ownership of shares of the Company's Common Stock as of December 31, 2002 by:

each stockholder known to the Company to be a beneficial owner of more than 5% of the outstanding shares of the Company's Common Stock;

each of the Company's directors;

each of the Company's named executive officers; and

all of the Company's executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. Shares subject to options, warrants and securities convertible into Common Stock held by each person that are exercisable as of December 31, 2002 or exercisable within 60 days thereof are shown separately in the column labeled "Number of Shares Underlying Options" and are deemed outstanding for the purposes of computing the number of shares beneficially owned and the percentage ownership of that person. Except as indicated in the footnotes to this table, the Company believes that each stockholder named in the table has sole voting and investment power with respect to the shares set forth opposite such stockholder's name, except to the extent shared by a spouse under applicable law. This table is based on information supplied to the Company by officers, directors, principal stockholders and Schedules 13G filed with the SEC. As of December 31, 2002, there were 249,853,817 shares of Common Stock outstanding, of which 170,797,589 shares of Class A Common Stock were outstanding and 79,056,228 shares of Class B Common Stock were outstanding.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

General

The Company currently has authorized eight directors; however, the Company's board of directors is currently comprised of seven members and one board seat remains vacant. The board of directors intends to leave the remaining seat open until an appropriate individual is identified and elected by the board of directors.

Except for DLJ Merchant Banking, the parties to the Company's amended and restated shareholders' agreement have agreed to vote their shares of Common Stock to elect as directors the persons listed below:

one person selected by Madison Dearborn Partners: currently, Andrew Sinwell;

one person selected by Nextel WIP: currently, Timothy Donahue;

one person selected by Eagle River Investments: currently, Dennis Weibling; and

the Company's chief executive officer: currently, John Chapple.

The parties who have agreed to vote in this manner together owned approximately 58% of the Company's outstanding Common Stock as of December 31, 2002. Prior to the initial public offering of the Company's Class A Common Stock, DLJ Merchant Banking had the right to designate two directors, one of whom was designated by DLJ Merchant Banking directly (the "DLJ Designee") and one of whom was designated by Madison Dearborn Partners (the "MDP Designee"), and all of the parties to the shareholders' agreement had agreed to vote to elect such designees as directors. On February 18, 2000, the shareholders' agreement was amended and restated in order to, among other things, terminate the obligation of the other parties to the shareholders' agreement to vote in favor of the DLJ Designee. The parties to the amended and restated

Edgar Filing: NEXTEL PARTNERS INC - Form DEF 14A

shareholders' agreement agreed that DLJ Merchant Banking may nominate a director for election by the Company's stockholders, but that such nominee would otherwise be elected in accordance with the Company's restated certificate of incorporation and bylaws. DLJ Merchant Banking did not nominate a director for election to the Company's board of directors by the Company's stockholders at the Annual Meeting. The current parties to the amended and restated shareholders' agreement now include Nextel WIP, DLJ Merchant Banking and its affiliated entities (the "DLJ Entities"), Madison Dearborn Partners, Eagle River Investments, Motorola and all of the Company's senior management stockholders other than Donald Manning.

All directors will hold office until the next annual meeting of stockholders and until their successors are duly elected.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's nominees named below. The proxies cannot be voted for a greater number of persons than the number of nominees named. In the event that any nominee of the Company is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present board of directors to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of as many of the nominees listed below as possible, and in such event, the specific nominees to be voted for will be determined by the proxy holders.

Vote Required for Election of Directors

If a quorum is present and voting, the seven nominees who receive the greatest number of votes will be elected to the board of directors. The full board of directors has nominated Adam Aron, John

6

Chapple, Steven B. Dodge, Timothy Donahue, Caroline Rapking, Andrew Sinwell and Dennis Weibling to serve as directors.

A proposal will be presented at the Annual Meeting to ratify the appointment of the firm of KPMG as independent auditors to audit the Company's financial statements for the fiscal year ending December 31, 2003. Although ratification is not required by law, the board of directors believes that stockholders should be given this opportunity to express their views on the subject. While not binding on the board of directors, the failure of the stockholders to ratify the appointment of KPMG as the Company's independent auditors would be considered by the board of directors in determining whether to continue the engagement of KPMG.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF KPMG AS THE COMPANY'S INDEPENDENT AUDITORS.

Auditors

Edgar Filing: NEXTEL PARTNERS INC - Form DEF 14A

On May 20, 2002, the board of directors approved the selection of KPMG to replace Arthur Andersen LLP ("Arthur Andersen") as the Company's independent auditor for the fiscal year ended December 31, 2002. During the years ended December 31, 2001 and 2000 and through the date hereof, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company's consolidated financial statements for such years. Additionally, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act of 1933, as amended (the "Securities Act").

The Company provided Arthur Andersen with a copy of the foregoing disclosures and received from Arthur Andersen a revised letter addressed to the Securities and Exchange Commission stating that it agrees with the foregoing statements. A copy of this revised letter was filed on June 6, 2002 as an exhibit to the Company's Amendment No. 3 to Form 8-K.

During the years ended December 31, 2001 and 2000 and through the date of KPMG's appointment as the Company's independent auditor on May 20, 2002, the Company did not consult KPMG with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K. The Company has provided a copy of the foregoing disclosure to KPMG and provided it with an opportunity to provide the Company with any new information or clarification it deemed appropriate.

**PROPOSAL THREE
APPROVAL OF RESTRICTED STOCK PLAN**

On March 20, 2003, the board of directors adopted the Nextel Partners, Inc. Restricted Stock Plan, which allows for awards of stock to directors and officers of the Company and its subsidiaries. A copy of the Restricted Stock Plan is attached to this proxy statement as *Appendix B*. A proposal will be presented at the Annual Meeting to approve the Restricted Stock Plan.

Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"), limits to \$1 million annually the federal income tax deduction that public corporations may claim for compensation paid to any of their top five executive officers, except in certain limited circumstances. One such exception is for "performance-based compensation" based solely on the attainment of one or more performance criteria that are established by an independent compensation committee and

13

approved by stockholders. The Restricted Stock Plan includes features intended to permit awards to officers that will qualify as "performance-based compensation" and is being submitted to stockholders for approval in order generally to preserve the deductibility of awards under the Restricted Stock Plan, as well as to comply with Nasdaq requirements. If stockholder approval is not obtained, the Company will not implement the Restricted Stock Plan and no awards will be issued thereunder.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE RESTRICTED STOCK PLAN.

Purpose of the Restricted Stock Plan

The purpose of the Restricted Stock Plan is to aid the Company and its subsidiaries in attracting and retaining qualified individuals as officers and directors and to provide additional incentive to such officers and directors as a result of their ownership or increased ownership of the Company's Class A Common Stock.

Description of the Restricted Stock Plan

The following description of the Restricted Stock Plan is qualified in its entirety by reference to the copy of the Restricted Stock Plan set forth in *Appendix B* to this proxy statement.

Stock Subject to the Restricted Stock Plan. The Restricted Stock Plan authorizes the granting of awards with respect to an aggregate of up to 375,000 shares of the Company's Class A Common Stock (subject to adjustment as provided below). Shares which are forfeited as a result of a participant's termination of employment or participation on the board of directors shall again become available for award under the Restricted Stock Plan. The maximum value of an award under the Restricted Stock Plan to any participant for any year is \$500,000.

Eligibility. All of the directors and officers of the Company and its subsidiaries (currently, approximately 15 people) are eligible to participate in the Restricted Stock Plan.

Administration. The Restricted Stock Plan is administered by the board of directors or a committee of the board of directors (in either case, the "Committee") consisting of not less than the minimum number of persons required by Rule 16b-3 under the Exchange Act

Edgar Filing: NEXTEL PARTNERS INC - Form DEF 14A

("Rule 16b-3") and Section 162(m), provided that each member of the Committee, to the extent necessary to comply with Rule 16b-3 and Section 162(m), is a "Non-Employee Director" (as defined in Rule 16b-3) and an "Outside Director" (as defined in Section 162(m)).

Awards. The Committee shall have the authority to determine any vesting schedule, rights of repurchase, and other terms, conditions and restrictions on the Class A Common Stock awarded under the Restricted Stock Plan, as set forth in the applicable award agreement to be entered into with each participant. Such terms may include, but are not limited to, acceleration of vesting or termination of rights to repurchase shares upon events such as death or disability of a participant or change in control of the Company or related entities. A participant to whom an award is made will generally have all the rights of a stockholder with respect to such shares, including the right to vote and to receive dividends, except as set forth in the applicable award agreement.

Transferability. Except as set forth in the applicable award agreement, no stock awarded under the Restricted Stock Plan shall be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of so long as such shares are subject to any right of repurchase by the Company.

Adjustments. If the outstanding Class A Common Stock of the Company shall at any time be changed or exchanged by declaration of a stock dividend, stock split, reverse stock split, combination of shares, recapitalization, merger, consolidation or other corporate reorganization, an appropriate

14

adjustment shall be made in the number and kind of shares that have been awarded pursuant to the Restricted Stock Plan and that may thereafter be awarded.

Duration. The Restricted Stock Plan shall continue until March 20, 2013, unless otherwise amended or terminated. Termination will not affect any restriction previously imposed on stock awarded pursuant to the Restricted Stock Plan.

Amendments. The Committee may amend or terminate the Restricted Stock Plan at any time, subject to stockholder approval required (i) to maintain the qualification of awards under the Restricted Stock Plan as "performance-based compensation" under Section 162(m) or (ii) as required under any other applicable laws, rules or regulations.

Performance Criteria

The Committee may designate whether any award being granted is intended to be "performance-based compensation" under Section 162(m). Any such awards shall be conditioned on the achievement of one or more performance measures, which may be selected by the Committee based on any one or more of the following: total stockholder return, stock price, profit margin (gross or net), sales growth, return on investment, earnings per share, return on equity, operating cash flow, net income, market share, working capital, customer satisfaction and employee satisfaction. For awards intended to qualify as "performance-based compensation," the grant of the awards and the establishment of the performance goals shall be made in compliance with the requirements of Section 162(m).

Federal Income Tax Consequences of the Restricted Stock Plan

The following is a brief summary of certain of the Federal income tax consequences of awards granted under the Restricted Stock Plan based on Federal income tax laws in effect on January 1, 2003.

A participant who is granted a restricted stock award will not be taxed upon the acquisition of such shares so long as the interest in such shares is subject to a "substantial risk of forfeiture" within the meaning of Section 83 of the Code of 1986, as amended. Upon lapse or release of the restrictions, the recipient will be taxed at ordinary income tax rates on an amount equal to the current fair market value of the shares. Any awards that are not subject to a substantial risk of forfeiture will be taxed at the time of grant. The Company will be entitled to a corresponding deduction when the value of the award is included in the recipient's taxable income. The basis of restricted shares held after lapse or termination of restrictions will be equal to their fair market value on the date of lapse or termination of restrictions, and upon subsequent disposition any further gain or loss will be long-term or short-term capital gain or loss, depending upon the length of time the shares are held.

A participant may elect to be taxed at ordinary income tax rates on the full fair market value of the restricted shares at the time of grant. If the election is made, the basis of the shares so acquired will be equal to the fair market value at the time of grant. If the election is made, no tax will be payable upon the subsequent lapse or release of the restrictions, and any gain or loss upon disposition will be a capital gain or loss.

Edgar Filing: NEXTEL PARTNERS INC - Form DEF 14A

The foregoing discussion is not a complete description of the Federal income tax aspects of awards under the Restricted Stock Plan. In addition, administrative and judicial interpretations of the application of the Federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable to any awards.

Vote Required for Approval of Restricted Stock Plan

If a quorum is present and voting, and the votes cast in favor of the proposal to approve the restricted stock plan exceed the votes cast against such proposal, the proposal will be considered approved.

The Company had entered, through its wholly owned subsidiary, into employment agreements with Messrs. Chapple, Thompson, Aas, Satterlee and Fanning in connection with their employment. These employment agreements terminated on January 29, 2003. Pursuant to these agreements, each officer had agreed that while employed by the Company, and, with respect to Messrs. Thompson and Chapple, for one year thereafter, he would not compete against, or solicit employees or business from, the Company or Nextel, or any of the Company's affiliates. Each agreement had an initial four-year term and further provided that in the event the employee was terminated without cause or resigned for good reason, as defined in the agreements, the employee would be entitled to receive up to one year's base salary plus an amount equal to the employee's most recent annual bonus. The compensation committee is currently working on the terms and conditions for new employment agreements with the Company's executive officers.

Restricted Stock Purchase Agreements and Change of Control Arrangements

On November 20, 1998, the Company entered into restricted stock purchase agreements with each of Messrs. Chapple, Thompson, Thaler, Aas, Satterlee and Fanning in consideration of their employment, which agreements were amended on January 29, 1999. Pursuant to these agreements, the Company sold an aggregate of 8,774,994 shares of Class A Common Stock to these executive officers at a price of \$0.002 per share. These shares were subject to certain vesting provisions, but as of December 31, 2002, 100% of these shares had vested. Subject to certain conditions, vested shares may be repurchased by the Company upon termination for cause or resignation without good reason at varying prices. The vesting of shares belonging to Mr. Thaler was accelerated upon the termination of his employment due to his passing in December 2002.

18

Employee Stock Option Plan

The Company's nonqualified stock option plan was adopted by the Company's board of directors in January 1999 and was approved by the Company's stockholders in February 2000. The plan was amended in May 2000, October 2001 and May 2002. This plan offers employees the opportunity to purchase shares of Class A Common Stock at a price equal to the fair market value of the stock as of the date of the option grant. The total number of shares reserved for issuance under the plan is 28,545,354 shares of Class A common stock, provided that this number will be increased by the amount of shares repurchased by the Company under the restricted stock purchase agreements or the Company's shareholders' agreement. The options granted are exercisable for ten years. The options are generally non-transferable, and, depending on the cause of termination, the right to exercise terminates either immediately, three months, seven months or one year from the date of termination of employment. The plan contemplates the acceleration of vesting of some or all outstanding options upon a change of control of the Company.

Employee Stock Purchase Plan

The Company's employee stock purchase plan was adopted by the Company's board of directors in January 2000 and was approved by the Company's stockholders in February 2000. Initially, a total of 3,000,000 shares of Class A Common Stock has been reserved for issuance under the employee stock purchase plan. The employee stock purchase plan, which is intended to qualify under Section 423 of the Internal Revenue Code of 1986, is administered by the Company's board of directors. The Company's employees, including officers and employee directors, are eligible to participate in the employee stock purchase plan if they are employed by the Company or its subsidiaries for at least 20 hours per week.

The employee stock purchase plan is implemented by quarterly offering periods. The Company's board of directors may change the timing or duration of the offering periods. The employee stock purchase plan permits eligible employees to purchase shares of Class A Common Stock through payroll deductions at 85% of the lesser of the fair market value per share of the Class A Common Stock on the first day of the offering period or on the purchase date. Participants generally may not purchase shares if, immediately after the grant, the participant would own stock or options to purchase shares of Class A Common Stock totaling 5% or more of the total combined voting power of all of the Company's outstanding capital stock, or more than \$25,000 of the Company's outstanding capital stock in any calendar year. The purchase price is the lower of the market price of the shares on the first or last day of each fiscal quarter.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 and Form 5 with the SEC. Executive officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that, during fiscal 2002, all filing requirements applicable to the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities have been complied with, with the exception that Mr. Aron's and Ms. Rapping's Form 3s were filed late.

19

Board of Directors Report on Executive Compensation

The Company's board of directors did not have a separate compensation committee until July 24, 2002. Instead, until that time, the entire board of directors made compensation determinations, including compensation determinations for the year ended December 31, 2002. The following is the report of the board of directors of the Company describing the compensation policies and rationale applicable to the Company's executive officers with respect to the compensation paid to such executive officers for the year ended December 31, 2002. The information contained in the report shall not be deemed to be "soliciting material" or to be "filed" with the SEC and such information shall not be incorporated by reference into any future filing under the Securities Act, or the Exchange Act except to the extent that the Company specifically incorporates it by reference into such filing.

Cash Compensation

The board of directors established the salaries, bonuses and stock option grants of the executive officers by considering (a) the Company's financial performance as measured by the Company's achievement of stated, company-wide financial and operating goals including revenue growth, subscriber additions, operating cash flow and customer satisfaction results for the fiscal year, (b) compensation paid to other executives at similarly sized companies with operating results that compare with the operating achievements of the Company, (c) the Company's performance against long range business plans and strategic initiatives, (d) the achievement of individual performance goals related to each executive officer's duties and area of responsibility and (e) other relevant factors such as the overall labor market for qualified executives in the wireless industry, and the overall economic conditions both in the wireless industry and the country as a whole. In 2002, the Company exceeded its targeted revenue and operating cash flow objectives for the year and, overall against all objectives, accomplished 90% of its stated internal targets.

Bonus compensation for the executive officers was determined based on a formula that ties a target bonus objective, which is established as a percentage of base salary, to the achievement of the Company's overall corporate goals (most of which were met or exceeded in 2002). Under this formula in 2002, the Company's executive officers' bonus amounts could be less than, but not greater than the target bonus objective based on the Company's and the executives' performance against those goals. On average, the board of directors believes the cash compensation for the Company's executive officers is comparable to industry salary and bonus levels.

Equity-Based Compensation

The board of directors views stock options as an important part of its long-term, performance-based compensation program. The board of directors based grants of stock options to the executive officers of the Company under the Company's stock option plan upon its estimation of each executive's projected contribution to the long-term growth and profitability of the Company and on achievement by the Company of its primary business objectives for the particular year, which in 2002 included revenue growth, customer additions, operating cash flow and customer satisfaction. The board of directors established the pool of options available for grant to all employees, including executives, in January 2002 subject to the achievement of the stated goals. By achieving 90% of the stated goals, 90% of the pool was available for grant to employees and executives for 2002 performance. The stock option plan is intended to provide additional incentives to the executive officers for the purpose of retention and to maximize stockholder value. Options are generally granted under the stock option plan at the then-current market price and are generally subject to four-year vesting periods to encourage key employees to remain with the Company.

Compensation of the Chief Executive Officer

John Chapple, the Company's Chief Executive Officer, received total cash compensation of \$410,267 in 2002, including an annual salary of \$239,423. Mr. Chapple's annual salary was approved by the board of directors (with Mr. Chapple abstaining from these deliberations) by considering several factors, including significantly out-performing the Company's revenue growth and operating cash flow goals for the fiscal year, the successful expansion of the Company into additional markets thereby increasing to over 53 million the number of people covered by markets in which the Company holds licenses and the contribution of the chief executive officer to the Company's strategic focus, market position, corporate culture and seamless operations with Nextel. In addition, the Company successfully completed the build out and launch of all of its markets scheduled to be launched by the end of 2002 on time and under budget as required under the joint venture agreement with Nextel WIP Corp. The Company has achieved one of the lowest churn rates in the wireless industry and one of the highest average revenues per subscriber, which produced the highest lifetime revenue per subscriber in the wireless industry. No set formula is used for this determination, and no particular function is weighted greater or lesser than the other.

Summary

The board of directors believes that the Company's compensation policies have been successful in attracting and retaining qualified employees and in linking compensation directly to corporate performance relative to the Company's mission statement and guiding principles. The Company's compensation policies will evolve over time as the Company moves to attain the near-term goals it has set for itself while maintaining its focus on building long-term stockholder value.

Compensation Committee Interlocks and Insider Participation

The Company did not have a separate compensation committee until July 24, 2002. Instead, until that time, the entire board of directors made compensation determinations, including compensation determinations for the year ended December 31, 2002. John Chapple, the Company's chief executive officer and chairman of the board, participated in the board's deliberations of executive officer compensation in 2002, but abstained from the deliberations relating to his own compensation. No interlocking relationship exists between any member of the board of directors and any member of the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

Certain Relationships and Related Transactions

Amended and Restated Shareholders' Agreement. On January 29, 1999, the Company entered into a shareholders' agreement with Nextel WIP, DLJ Merchant Banking, Madison Dearborn Partners, Eagle River Investments, Motorola, the Company's senior management stockholders and all of the other parties who were stockholders prior to the Company's initial public offering. In that agreement, the parties agreed to certain matters relating to the Company's management and operations and the sale, transfer or other disposition of the Company's capital stock by these stockholders. This agreement also grants Nextel WIP certain preemptive rights to purchase shares of stock offered to the public by the Company, DLJ Merchant Banking or Madison Dearborn Partners. In addition, pursuant to this agreement, the Company granted to the DLJ Entities and Madison Dearborn Partners certain demand registration rights and to all of the parties "piggyback" registration rights. This agreement was amended and restated in February 2000 in connection with the initial public offering of the Company's Class A Common Stock. The current parties to the amended and restated shareholders' agreement are Nextel WIP, DLJ Entities, Madison Dearborn Partners, Eagle River Investments, Motorola and all of the Company's senior management stockholders other than Donald Manning. The amended and restated shareholders' agreement terminates on January 29, 2014.

Nextel Operating Agreements

The Company, through its principal subsidiary, entered into agreements with Nextel WIP that govern the build-out and operation of the Company's portion of the Nextel digital mobile network. Nextel WIP currently holds 31.6% of the Company's outstanding Common Stock, and two of the Company's directors are affiliated with it. Except as specifically set forth below, these operating agreements were executed on January 29, 1999 and, in some cases, were amended on September 9, 1999 and again on September 27, 2000, and have an initial term of ten years, which may be extended for up to an additional two and a half years and renewed for up to four ten-year renewal terms at the Company's option.

Joint Venture Agreement. The Company's joint venture agreement with Nextel WIP requires the Company to build and operate the Company's portion of the Nextel digital mobile network on time, make it compatible with Nextel's systems, meet or exceed quality standards applicable from time to time to Nextel's subsidiaries operating in the United States, and offer a set of core service features and upgrade the Company's system to comply with future Nextel standards.

This agreement also governs the transfer of licenses from Nextel WIP to the Company. To the extent that the Company requires additional frequencies to operate its business, the joint venture agreement sets forth the terms under which the Company may acquire such frequencies from Nextel WIP, from third parties or in auctions of spectrum by the Federal Communications Commission. All of the frequencies the Company acquired or may acquire from Nextel WIP are subject to transfer restrictions and rights of first refusal in favor of Nextel WIP.

Additional terms of the joint venture agreement are as follows: Nextel WIP has agreed to assist the Company with securing vendor discounts; the Company has agreed to obtain Nextel WIP's approval prior to taking certain significant actions, including making a material change to the Company's business objectives or technology; with limited exceptions, Nextel WIP has agreed that during the term of the joint venture agreement, Nextel and/or its subsidiaries will not provide digital mobile wireless communications services within the Company's markets using the Nextel brand name; Nextel WIP has agreed to negotiate with the Company to give it the first right in the Company's territories to own and operate businesses using the 900 MHz frequency that Nextel currently holds; and the Company is generally required to adhere to the same standards for pricing structure, advertising, promotions, customer care, telemarketing and related activities as the Nextel subsidiaries operating in the United States.

22

As described in further detail below, in the event of a termination of the joint venture agreement, Nextel WIP could, in certain circumstances, purchase or be forced to purchase all of the Company's outstanding stock. If that happens, Nextel WIP, at its option, would be entitled to pay the purchase price for the Company's stock in cash or in shares of Nextel common stock.

Other Operating Agreements. The Company has also entered into operating agreements with Nextel WIP with respect to: the license to Nextel trademarks and service marks; the ability of each company's subscribers to roam in the other's territory; Nextel's use of analog systems and services in the Company's territories; access to telecommunications towers space; access to information systems; and telecommunications switching services. For the year ended December 31, 2002, the Company paid to Nextel WIP approximately \$86.4 million for such services and received from Nextel WIP approximately \$79.5 million in roaming revenue.

Agreement Specifying Obligations and Limiting Liability of, and Recourse to, Nextel. All of the Company's operating agreements are with Nextel WIP, not Nextel. Pursuant to the terms of the agreement specifying obligations and limiting liability of, and recourse to, Nextel, the maximum cumulative, aggregate cash liability of Nextel and its controlled affiliates, other than Nextel WIP, for any and all actual or alleged claims or causes of action arising in connection with any aspect of the agreements governing or otherwise relating to the operating agreements is capped at \$200 million, subject to adjustments for amounts previously advanced. Some significant Nextel obligations, including any commitments that Nextel may make in the future to enable Nextel WIP to subsidize required upgrades and to buy the Company's stock from its other stockholders under certain circumstances, will not be subject to the cap.

Certain Obligations Under the Company's Charter

The Company's restated certificate of incorporation, under certain circumstances, allows Nextel WIP, or allows holders of a majority of the Company's Class A Common Stock to cause Nextel WIP, to purchase all of the Company's outstanding Class A Common Stock. In any such event, Nextel WIP will have the choice of paying for any shares of Class A Common Stock in cash, in shares of Nextel common stock, or in a combination of cash and Nextel common stock. Events that trigger these rights and obligations include:

January 29, 2008, subject to certain postponements by the Company's board of directors;

If Nextel changes its digital transmission technology for the Company's frequency range, the change is materially adverse to the Company and Nextel WIP determines not to provide the Company free of charge the equipment necessary to provide the Company's subscribers with service comparable to what they had been receiving;

If Nextel WIP requires a change in the Company's business, operations or systems, the change is materially adverse to the Company, Nextel WIP does not subsidize the Company for the costs of such change and the Company declines to implement the required change; or

Termination of the Company's operating agreements with Nextel WIP as a result of the Company's breach.

The holders of a majority of the Company's Class A Common Stock may cause Nextel WIP to purchase all outstanding Class A Common Stock upon the occurrence of certain triggering events. If a triggering event occurs and a majority of the holders of the Company's Class A Common Stock determine to require Nextel WIP to purchase all of the Company's outstanding Class A Common Stock, all stockholders will be required to sell their shares to Nextel WIP. In any such event, Nextel WIP will have the choice of paying for any shares of Class A Common Stock in cash, in shares of

Nextel common stock, or in a combination of cash and Nextel Common Stock. Events that trigger these rights and obligations include:

Change of control of Nextel;

If the Company does not implement a change in the Company's business, operations or systems required by Nextel WIP, the change is materially adverse to the Company, and the Company's board of directors provides non-Nextel affiliated stockholders with the opportunity to require Nextel WIP to buy their shares of Class A Common Stock and a majority of the stockholders vote to do so; or

Termination of the Company's operating agreements with Nextel WIP as a result of a breach by Nextel WIP.

Holders of the Company's Class A Common Stock also have the right and/or obligation to participate in any sale by Nextel WIP of all of its shares of the Company's capital stock to a third party occurring after January 29, 2011. Pursuant to the amended and restated shareholders' agreement, prior to January 29, 2011, Nextel WIP cannot transfer its shares of the Company's capital stock to a third party. In the event that the holders of a majority of the Class A Common Stock elect to participate in such sale, then pursuant to the Company's restated certificate of incorporation, all holders of Class A Common Stock will be required to participate.

Motorola Agreements

Under the iDEN infrastructure equipment purchase and supply agreements and the subscriber purchase and distribution agreement between the Company and Motorola, who currently holds 5.2% of the Company's outstanding Common Stock, the Company agreed to purchase, and Motorola agreed to sell, infrastructure equipment and related software and services required for the build-out of the Company's portion of the Nextel digital mobile network, as well as telephones and other accessories.

The Company obtained pricing for the Motorola equipment and handsets on financial and other terms that the Company believes are substantially similar to those obtained by Nextel. For the year ended December 31, 2002, the Company purchased approximately \$182.1 million of infrastructure and other equipment, handsets, warranties and services from Motorola.

DLJ Merchant Banking Relationship

In the Company's private placements of debt securities, Credit Suisse First Boston and Donaldson, Lufkin & Jenrette Securities Corporation have each served as initial purchasers of the Company's senior notes and senior discount notes and received customary discounts and commissions in connection with each such offering. Donaldson, Lufkin & Jenrette Securities Corporation also acted as the Company's financial advisor and as arranger, and DLJ Capital Funding, Inc., an affiliate of Donaldson, Lufkin & Jenrette Securities Corporation, acted as syndication agent, under the Company's credit facility, and received customary fees and reimbursements in connection therewith. DLJ Merchant Banking and certain related parties, all of which are affiliates of Donaldson, Lufkin & Jenrette Securities Corporation, currently hold approximately 11.4% of the Company's outstanding Common Stock through their affiliate, Credit Suisse First Boston. Donaldson, Lufkin & Jenrette Securities Corporation was a co-lead manager of the initial public offering of the Company's Class A Common Stock, and the Company may from time to time enter into other investment banking relationships with it or one of its affiliates. The aggregate amount of all fees paid to the Credit Suisse First Boston and entities affiliated with Donaldson, Lufkin and Jenrette in connection with the capitalization transactions and for financial services in 2002 was approximately \$437,500.

Business Relationship

In the ordinary course of business, the Company has engaged the consulting services of and leased tower space from American Tower Corporation, of which Mr. Dodge, one of the Company's directors, is a stockholder, president, chief executive officer and chairman of the board of directors. During 2002, the Company paid American Tower Corporation \$10.3 million for these services and for tower leases.

Other Transactions with Directors and Senior Management

Since inception, the Company has entered into restricted stock purchase agreements with each of Messrs. Chapple, Thompson, Thaler, Aas, Satterlee, Fanning and Manning pursuant to which the Company has sold an aggregate of 8,834,994 shares of Class A Common Stock to these executive officers at a price of \$0.002 per share. In addition, in July 2002, the Company issued 45,000 restricted shares of Class A Common Stock to each of Messrs. Aron, Dodge, Weibling and Ms. Rapking, which shares vest in equal annual installments over a three-year period and, assuming approval of the Restricted Stock Plan by the Company's stockholders at the Annual Meeting, will be considered to have been granted under and subject to the terms of the Company's Restricted Stock Plan described above under "Proposal Three Approval of Restricted Stock Plan." In addition, on January 29, 1999, Mr. Thompson obtained an interest-free secured loan of \$2.2 million from the Company, evidenced by a non-negotiable promissory note due and payable on January 29, 2003. Mr. Thompson's note was paid off in full on January 29, 2003.

During the fiscal year ended December 31, 2002, the Company also granted options to purchase shares of Class A Common Stock under the Company's employee stock option plan to the following officers and directors on the date, for the number of shares and with an exercise price indicated opposite each person's name:

Name	Grant Date	Number of Shares Underlying Options	Exercise Price
John Chapple	1/17/02	300,000	\$ 8.00
John Thompson	1/17/02	200,000	8.00
David Thaler	1/17/02	175,000	8.00
David Aas	1/17/02	150,000	8.00
Perry Satterlee	1/17/02	200,000	8.00
Mark Fanning	1/17/02	112,500	8.00
Donald Manning	1/17/02	112,500	8.00
Dennis Weibling	7/24/02	15,000	4.00

Options shown above granted on January 17, 2002 vest in four equal annual installments commencing on January 17, 2003. Options granted on July 24, 2002 vest in three equal annual installments commencing on July 24, 2003.

On January 16, 2003 as a result of Mr. Thaler's passing away on December 21, 2002, the compensation committee of the board of directors approved a proposal to continue payment of Mr. Thaler's annual salary to his wife for a period of one year and to continue to provide medical coverage to his wife for up to three years. Accordingly, the Company plans to make four quarterly payments to Mr. Thaler's spouse during 2003 in the amount of \$56,250 each, for a total of \$225,000. Additionally, under the terms of Mr. Thaler's stock option agreements, the vesting of all options granted prior to his death were automatically accelerated and became fully vested on his date of passing. The agreements also would have allowed Mr. Thaler's heir or estate to exercise such options until December 21, 2003; however, on January 16, 2003 the board of directors approved a proposal to extend the period during which such options could be exercised until December 21, 2005.

**APPENDIX B
NEXTEL PARTNERS, INC.
RESTRICTED STOCK PLAN**

1. PURPOSE OF PLAN

The purpose of the Nextel Partners, Inc. (the "Company") Restricted Stock Plan (the "Plan") is to aid the Company and its subsidiaries in attracting and retaining qualified individuals as officers and directors and to provide additional incentive to such officers and directors. The Company expects that it will benefit from the added interest which such Participants (as defined herein) will have in the growth, development and financial success of the Company as a result of their ownership or increased ownership of the Company's Common Stock.

2. STOCK SUBJECT TO THE PLAN

The shares that may be awarded under the Plan shall be the Class A Common Stock of the Company (the "Common Stock"). The maximum number of shares of Common Stock that may be awarded hereunder (subject to any adjustments as provided below) shall not in the aggregate exceed 375,000 shares. Shares which are forfeited as a result of a Participant's termination of employment or participation on the Board of Directors shall again become available for award under the Plan. The maximum value of an award under the Plan to any Participant for any year will be \$500,000.

3. ADMINISTRATION

The Plan shall be administered by the Board of Directors or any committee thereof (in either case, the "Committee"). The Committee shall be composed of not less than the minimum number of persons from time to time required by Rule 16b-3 ("Rule 16b-3") under the Securities Exchange Act of 1934 (the "Exchange Act") and Section 162(m) ("Section 162(m)") of the Internal Revenue Code of 1986, as amended, each of whom, to the extent necessary to comply with Rule 16b-3 and Section 162(m), shall be a "Non-Employee Director" and an "Outside Director" within the meaning of Rule 16b-3 and Section 162(m), respectively.

The Committee shall have the authority to (i) award shares under the Plan; (ii) consistent with the Plan, determine any vesting schedule, rights of repurchase, restrictions and other terms and conditions applicable to each award of shares under the Plan; (iii) interpret the Plan and the instruments evidencing awards under the Plan (the "Award Agreements"); (iv) adopt, amend and rescind rules and regulations governing the administration of the Plan; and (v) otherwise administer the Plan and make all determinations in connection therewith which may be necessary

or advisable, and all such actions of the Committee shall be binding upon all Participants.

4. ELIGIBILITY

Officers and directors, including non-employee directors, of the Company and its subsidiaries shall be eligible for awards of stock under the Plan (those to whom an award is made shall be referred to herein as the "Participants"). The Participants who shall receive awards under the Plan shall be selected from time to time by the Committee in its sole discretion, from among those eligible, and the Committee shall determine, in its sole discretion, the number of shares to be awarded to each such Participant selected. The Committee may, within the terms of the Plan, be selective and non-uniform with respect to its determination of the amount of awards and the eligible Participants to whom such awards are made.

B-1

5. RIGHTS WITH RESPECT TO SHARES

A Participant to whom an award is made hereunder shall have all rights of ownership with respect to such stock, including the right to vote the same and receive any dividends paid thereon, subject, however, to the terms, conditions and restrictions contained in the Plan and in the applicable Award Agreement.

6. INVESTMENT REPRESENTATION

If the shares of Common Stock that have been awarded to a Participant pursuant to the terms of the Plan are not registered under the Securities Act of 1933, as amended (the "Securities Act"), such Participant, if the Committee shall deem it advisable, shall be required to represent and agree in writing (i) that any shares of Common Stock acquired by such Participant pursuant to the Plan will not be sold except pursuant to an effective registration statement under the Securities Act, or pursuant to an exemption from registration under the Securities Act and (ii) that such Participant has acquired such shares of Common Stock for the Participant's own account and not with a view to the distribution thereof and shall make such further representations and warranties at the time of any such award that counsel for the Company deems necessary and appropriate.

7. RESTRICTIONS

(a) *Terms, Conditions and Restrictions.* In addition to the terms set forth in the Plan, any vesting schedule, rights of repurchase, and other terms, conditions and restrictions on the Common Stock awarded under the Plan, as may be imposed by the Committee, shall be contained in the applicable Award Agreement. Such terms may include, but are not limited to, acceleration of vesting or termination of rights to repurchase shares upon events which may include, but are not limited to, death or disability of a Participant or change in control of the Company or related entities.

(b) *Transferability Restriction.* Except as set forth in the applicable Award Agreement, no stock awarded under the Plan shall be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of so long as such shares are subject to any right of repurchase by the Company.

(c) *Agreements; Stock Legend.* As a condition to the grant of an award under the Plan, each Participant shall execute and deliver to the Company an Award Agreement in form and substance satisfactory to the Committee reflecting the conditions and restrictions imposed upon the Common Stock awarded. Certificates for shares of Common Stock delivered pursuant to such awards may, if the Committee so determines, bear a legend referring to the restrictions and the instruments to which such awards are subject.

(d) *Performance-Based Compensation.* The Committee may designate whether any award being granted to any Participant is intended to be "performance-based compensation" under Section 162(m). Any such awards designated as "performance-based compensation" shall be conditioned on the achievement of one or more performance measures, to the extent required by Section 162(m). The performance measures that may be used by the Committee for such awards shall be based on any one or more of the following, as selected by the Committee: total stockholder return, stock price, profit margin (gross or net), sales growth, return on investment, earnings per share, return on equity, operating cash flow, net income, market share, working capital, customer satisfaction and employee satisfaction. For awards intended to qualify as "performance-based compensation," the grant of the awards and the establishment of the performance goals shall be made in compliance with the requirements of Section 162(m).

(e) *Additional Conditions.* In each applicable Award Agreement or otherwise, the Committee may impose such other additional terms, conditions and restrictions upon the award as it, in its discretion, deems appropriate, including, without limitation, that the Company shall have the right to

deduct from payments of any kind due to the Participant any federal, state or local taxes of any kind required by law to be withheld with respect to the shares awarded.

8. CHANGES IN CAPITAL

If the outstanding Common Stock of the Company shall at any time be changed or exchanged by declaration of a stock dividend, stock split, reverse stock split, combination of shares, recapitalization, merger, consolidation or other corporate reorganization, an appropriate adjustment shall be made in the number and kind of shares that have been awarded pursuant to the Plan and that may thereafter be awarded hereunder.

9. MISCELLANEOUS

(a) *No Right to Receive Award.* Nothing in the Plan shall be construed to give any officer or director of the Company or a subsidiary any right or entitlement to receive an award under the Plan.

(b) *Additional Shares Received with Respect to Restricted Stock.* Any shares of Common Stock or other securities of the Company received by a Participant as a stock dividend on, or as a result of any stock split, reverse stock split, combination, exchange of shares, reorganization, merger, consolidation or otherwise with respect to shares of Common Stock received pursuant to an award hereunder shall have the same status, be subject to the same restrictions and bear the same legend, if any, as the shares received pursuant to the original award.

(c) *No Effect on Employment Rights or Right to Remain a Director.* Nothing in the Plan or in the instruments evidencing the grant of an award hereunder shall in any manner be construed to limit in any way (i) the right of the Company or its subsidiaries to terminate a Participant's employment at any time, or give any right to a Participant to remain employed by the Company or its subsidiaries or (ii) the right of the Board of Directors and/or the Company's stockholders to remove a director from the Board of Directors, or give any right to a Participant to remain on the Board of Directors.

10. DURATION OF THE PLAN

This Plan shall terminate and no further stock shall be awarded hereunder after March 20, 2013, unless reapproved by the Company's stockholders or unless amended or terminated pursuant to Section 11 below. The termination of this Plan shall not, however, affect any restriction previously imposed on stock awarded pursuant to this Plan.

11. AMENDMENT OR TERMINATION OF THE PLAN

The Committee may from time to time suspend, revise, amend or terminate the Plan; provided, however, that any amendment which requires approval of the Company's stockholders (i) in order to maintain the qualification of awards as "performance-based compensation" pursuant to Section 162(m) or (ii) to comply with any other applicable laws, rules or regulations shall not be made without such approval.

12. COMPLIANCE WITH RULE 16b-3

The Plan is intended to comply with all applicable conditions of Rule 16b-3. All transactions involving the Participants who are required to file reports under Section 16 of the Exchange Act (collectively, the "Section 16 filers") are subject to such conditions, regardless of whether the conditions are expressly set forth in the Plan. Any provision of the Plan that is contrary to a condition of Rule 16b-3 shall not apply to Section 16 filers.
