EXPLANATORY NOTE

This Form 20-F/A is being filed by ABB Ltd ("ABB") as Amendment No. 1 to its Annual Report on Form 20-F filed on June 30, 2003 (the "Form 20-F") for the purpose of revising Exhibit 99.2 under Item 19 by:

- deleting in their entirety the consolidated financial statements of Jorf Lasfar Energy Company S.C.A. ("JLEC"), an entity in which ABB owns a 50% interest, for the financial year ended December 31, 2002 included as Exhibit 99.2 to the Form 20-F; and
- including as Exhibit 99.2 the restated consolidated financial statements of JLEC for the financial year ended December 31, 2002.

In the JLEC financial statements that were included as Exhibit 99.2 to ABB's Form 20-F filed on June 30, 2003, JLEC had reflected its investment in certain direct financing leases on a gross basis. ABB has been advised that JLEC has restated its 2002 financial statements to properly present this lease-related information on a net basis. The impact of the restatement, as of December 31, 2002, was to increase JLEC's total current assets by approximately \$52 million, reduce its total non-current assets by approximately \$1,232 million, increase its total current liabilities by approximately \$3 million and reduce its total non-current liabilities by approximately \$1,183 million. The net assets of JLEC and its reported earnings are unaffected by the restatement.

Edgar Filing: ABB LTD - Form 20-F/A

Pursuant to the requirements of Rule 4-08(g) under Regulation S-X, ABB provided summary financial information relating to JLEC in Note 13 to its 2002 consolidated financial statements contained in Item 18 of its Form 20-F. The restatement of the JLEC financial statements has not affected the carrying value of ABB's investment in JLEC, or the amount of earnings of JLEC recognized in ABB's consolidated financial statements. Consequently, ABB believes the revisions to the JLEC financial statements are immaterial to ABB.

As ABB is not required to file the JLEC financial statements pursuant to Rule 3-09 under Regulation S-X and has elected to provide these financial statements solely for purposes of additional disclosure, ABB is filing the restated financial statements of JLEC as Exhibit 99.2 with this Form 20-F/A.

This Form 20-F/A consists of a cover page, this explanatory note, Item 19 (as amended), the signature page, the required certifications of the chief executive officer and the chief financial officer of ABB and the revised Exhibit 99.2.

Other than as expressly set forth above, this Form 20-F/A does not, and does not purport to, amend, update or restate the information in any other Item of the Form 20-F filed on June 30, 2003 or reflect any events that have occurred after the Form 20-F was filed on June 30, 2003.
