Since the incorporation of our predecessor company in 1959, we have delivered in excess of 134,000 homes, including 9,514 homes in fiscal 2002. In addition, we provide financial services (mortgage loans and title insurance) to our homebuilding customers.

Over the past few years, our strategies have included several initiatives to fundamentally transform our traditional practices used to design, build and sell homes and focus on "building better." We believe that the adoption and implementation of processes and systems successfully used in other manufacturing industries, such as rapid cycle times, vendor consolidation, vendor partnering and just-in-time material procurement, will dramatically improve our business and give us a clear advantage over our competitors. Our concentration in selected markets is a key factor that enables us to achieve powers and economies of scale and differentiate ourselves from most of our competitors. These performance enhancing strategies are designed to achieve operational excellence through the implementation of standardized and streamlined "best practice processes."

Hovnianian was originally incorporated in New Jersey in 1967 as successor to a business founded in 1959 by Kevork S. Hovnianian and became a Delaware corporation in August, 1983. K. Hovnianian was incorporated under the laws of the State of New Jersey on November 1, 1982, as an indirect wholly-owned consolidated subsidiary of Hovnianian and reincorporated in California in October, 2002. K. Hovnianian functions as a financing company for the operating subsidiaries of Hovnianian and borrows funds which it lends to such subsidiaries. K. Hovnianian has essentially no independent operations and generates no operating revenues. Both Hovnianian's executive offices and K. Hovnianian's principal executive offices are located at 10 Highway 35, P.O. Box 500, Red Bank, New Jersey 07701, and their telephone number is (732) 747-7800.

### RISK FACTORS

In addition to the other matters described in this prospectus, you should carefully consider the following risk factors.

**Leverage places burdens on our ability to comply with the terms of our indebtedness, may restrict our ability to operate, may prevent us from fulfilling our obligations and may adversely affect our financial condition.**

We have a significant amount of debt. As of July 31, 2003, our debt, including the debt of the guarantors, was \$834.4 million. In addition, as of July 31, 2003, we had \$457.1 million of borrowings available under our \$590 million revolving credit facility (net of \$132.9 million letters of credit outstanding under the facility), subject to borrowing conditions. For the 12-month period ended April 30, 2003, our debt service payments, which includes interest incurred and mandatory principal payments on our corporate debt under the terms of our indentures (but does not include principal and interest on non-recourse secured debt and debt of our financial subsidiaries), was \$61,211,000. An increase of 1.0% in short-term interest rates (one-month LIBOR) would have increased our annual debt service at April 30, 2003 by approximately \$1,187,000.

5

---

Our amount of debt could have important consequences to you. For example, it could:

limit our ability to obtain future financing for working capital, capital expenditures, acquisitions, debt service requirements or other requirements;

require us to dedicate a substantial portion of our cash flow from operations to the payment on our debt and reduce our ability to use our cash flow for other purposes;

limit our flexibility in planning for, or reacting to, changes in our business;

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

place us at a competitive disadvantage because we have more debt than some of our competitors; and

make us more vulnerable in the event of a downturn in our business or in general economic conditions.

Our ability to meet our debt service and other obligations will depend upon our future performance. We are engaged in businesses that are substantially affected by changes in economic cycles. Our revenues and earnings vary with the level of general economic activity in the markets we serve. Our businesses are also affected by financial, political, business and other factors, many of which are beyond our control. The factors that affect our ability to generate cash can also affect our ability to raise additional funds for these purposes through the sale of equity securities, the refinancing of debt, or the sale of assets. Changes in prevailing interest rates may affect our ability to meet our debt service obligations, because borrowings under our revolving credit facilities bear interest at floating rates. A higher interest rate on our debt service obligations could result in lower earnings.

Our business may not generate sufficient cash flow from operations and borrowings may not be available to us under our revolving credit facilities in an amount sufficient to enable us to pay our indebtedness or to fund our other liquidity needs. We may need to refinance all or a portion of our debt on or before maturity, which we may not be able to do on favorable terms or at all.

The indentures governing the debt securities offered hereby and our other outstanding debt, our Term Loan and our revolving credit facilities impose restrictions on our operations and activities. The most significant restrictions relate to debt incurrence, sales of assets and cash distributions by us and require us to comply with certain financial covenants listed in those debt, Term Loan and revolving credit facilities. If we fail to comply with any of these restrictions or covenants, the trustees or the banks, as appropriate, could cause our debt to become due and payable prior to maturity.

### **The terms of our indentures allow us to incur additional indebtedness.**

Under the terms of our indebtedness under our existing indentures, we have the ability, subject to our debt covenants, to incur additional amounts of debt. Additional indebtedness issued under the indentures governing the securities offered hereby can be issued in more than one series, and some series may have characteristics that provide that series with rights that are superior to those of our outstanding debt securities or to those that may be issued under the indentures governing the securities offered hereby. Additionally, the incurrence of additional indebtedness could magnify the risks described above.

### **The homebuilding industry is significantly affected by changes in general and local economic conditions, real estate markets and weather conditions, which could affect our ability to build homes at prices our customers are willing or able to pay, could reduce profits that may not be recaptured and could result in cancellation of sales contracts.**

The homebuilding industry is cyclical, has from time to time experienced significant difficulties and is significantly affected by changes in general and local economic conditions, such as:

employment levels and job growth;

6

---

availability of financing for home buyers;

interest rates;

consumer confidence; and

housing demand.

An oversupply of alternatives to new homes, such as rental properties and used homes, could depress prices and reduce margins for the sale of new homes.

Weather conditions and natural disasters such as hurricanes, tornadoes, earthquakes, floods and fires, can harm the local homebuilding business.

The difficulties described above could cause us to take longer and incur more costs to build our homes. We may not be able to recapture increased costs by raising prices in many cases because we fix our prices up to twelve months in advance of delivery by signing home sales contracts. In addition, some home buyers may cancel or not honor their home sales contracts altogether.

**Our success depends on the availability of suitable undeveloped land and improved lots at acceptable prices.**

Our success in developing land and in building and selling homes depends in part upon the continued availability of suitable undeveloped land and improved lots at acceptable prices. The availability of undeveloped land and improved lots for purchase at favorable prices depends on a number of factors outside of our control, including the risk of competitive over-bidding on land on lots and restrictive governmental regulation. Should suitable land opportunities become less available, the number of homes we may be able to build and sell would be reduced, which would reduce revenue and profits.

**Raw material and labor shortages and price fluctuations could delay or increase the cost of home construction and adversely affect our operating results.**

The homebuilding industry has from time to time experienced raw material and labor shortages. In particular, shortages and fluctuations in the price of lumber or in other important raw materials could result in delays in the start or completion of, or increase the cost of, developing one or more of our residential communities. In addition, we contract with subcontractors to construct our homes. Therefore, the timing and quality of our construction depends on the availability, skill and cost of our subcontractors. Delays or cost increases caused by shortages and price fluctuations could harm our operating results, the impact of which may be further affected by our ability to raise sales prices.

**Changes in economic and market conditions could result in the sale of homes at a loss or holding land in inventory longer than planned, the cost of which can be significant.**

Land inventory risk can be substantial for homebuilders. We must continuously seek and make acquisitions of land for expansion into new markets and for replacement and expansion of land inventory within our current markets. The market value of undeveloped land, buildable lots and housing inventories can fluctuate significantly as a result of changing economic and market conditions. In the event of significant changes in economic or market conditions, we may have to sell homes at a loss or hold land in inventory longer than planned. Inventory carrying costs can be significant and can result in losses in a poorly performing project or market.

**Home prices and sales activities in the California, New Jersey, Texas, North Carolina, Virginia and Maryland markets have a large impact on our profitability because we conduct a significant portion of our business in these markets.**

We presently conduct a significant portion of our business in the California, New Jersey, Texas, North Carolina, Virginia and Maryland markets. Home prices and sales activities in these markets, including in some of the markets in which we operate, have declined from time to time, particularly as a result of slow economic growth. Furthermore, precarious economic and budget situations at the state government level, such as that presently existing in California, may adversely affect the market for our homes in those affected areas. If home prices and sales activity decline in one or more of the markets in which we operate, our costs may not decline at all or at the same rate and profits may be reduced.

**Because almost all of our customers require mortgage financing, increases in interest rates or the availability of mortgage financing could impair the affordability of our homes, lower demand for our products, limit our marketing effectiveness, and limit our ability to fully realize our backlog.**

Virtually all our customers finance their acquisitions through lenders providing mortgage financing. Increases in interest rates or decreases in availability of mortgage financing could lower demand for new homes because of the increased monthly mortgage costs to potential home buyers. Even if potential customers do not need financing, changes in interest rates and mortgage availability could make it harder for them to sell their existing homes to potential buyers who need financing. This could prevent or limit our ability to attract new customers as well as our ability to fully realize our backlog because our sales contracts generally include a financing contingency. Financing contingencies permit the customer to cancel his obligation in the event mortgage financing at prevailing interest rates, including financing arranged or provided by us, is unobtainable within the period specified in the contract. This contingency period is typically four to eight weeks following the date of execution.

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

In addition, we believe that the availability of FNMA, FHLMC, FHA and VA mortgage financing is an important factor in marketing many of our homes. Any limitations or restrictions on the availability of those types of financing could reduce our sales.

**Homebuilders are subject to a number of federal, local, state and foreign laws and regulations concerning the development of land, the homebuilding process and protection of the environment, which can cause us to incur delays, costs associated with compliance and prohibit or restrict activity in some regions or areas.**

We are subject to extensive and complex regulations that affect the development and homebuilding process, including zoning, density and building standards. These regulations often provide broad discretion to the administering governmental authorities. This can delay or increase the cost of development or homebuilding.

We also are subject to a variety of local, state, federal and foreign laws and regulations concerning protection of health and the environment. The particular environmental laws which apply to any given community vary greatly according to the community site, the site's environmental conditions and the present and former uses of the site. These environmental laws may result in delays, may cause us to incur substantial compliance, remediation, and/or other costs, and can prohibit or severely restrict development and homebuilding activity in certain environmentally sensitive regions or areas.

It can be anticipated that increasingly stringent requirements will be imposed on developers and homebuilders in the future. Although we cannot predict the effect of these requirements, they could result in time-consuming and expensive compliance programs and in substantial expenditures, which could cause delays and increase our cost of operations. In addition, the continued effectiveness of permits already granted or approvals already obtained is dependent upon many factors, some of which are beyond our control, such as changes in policies, rules and regulations and their interpretation and application.

8

---

**We compete on several levels with homebuilders that may have greater sales and financial resources, which could hurt future earnings.**

We compete not only for home buyers, but also for desirable properties, financing, raw materials and skilled labor often within larger subdivisions designed, planned and developed by other homebuilders. Our competitors include other local regional and national homebuilders, some of which have greater sales and financial resources.

The competitive conditions in the homebuilding industry could result in:

difficulty in acquiring suitable land at acceptable prices;

increased selling incentives;

lower sales; or

delays in construction.

Any of these problems could increase costs and/or lower profit margins.

**We may have difficulty in obtaining the additional financing required to operate and develop our business.**

Our operations require significant amounts of cash, and we will be required to seek additional capital, whether from sales of equity or borrowing more money, for the future growth and development of our business. The terms or availability of additional capital is uncertain. Moreover, the indentures for our outstanding debt contain provisions that may restrict the debt we may incur in the future. If we are not successful in obtaining sufficient capital, it could reduce our sales and may hinder our future growth and results of operations.

**Our future growth may include additional acquisitions that may not be successfully integrated and may not achieve expected benefits.**

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

Acquisitions have contributed to our growth. We have recently announced several acquisitions or mergers, including the Parkside Homes and Brighton Homes acquisitions in Houston, Texas, which closed in late 2002, the Summit Homes acquisition in Ohio, which closed in April, 2003 and the Great Western Homes acquisition in Phoenix, Arizona, which closed in August 2003. In the future, we may acquire other businesses. As a result of these acquisitions, we may need to integrate product lines, dispersed operations and distinct corporate cultures. These integration efforts may not succeed or may distract our management from operating our existing business. Additionally, we may not be able to enhance our earnings as a result of acquisitions. Our failure to successfully manage future acquisitions could harm our operating results.

### **Utility shortages and outages or rate fluctuations could have an adverse impact on our operations.**

In prior years, the areas in which we operate in California have experienced power shortages, including periods without electrical power, as well as significant fluctuations in utility costs. We may incur additional costs and may not be able to complete construction on a timely basis if such power shortages/outages and utility rate fluctuations continue. Furthermore, power shortages and outages, such as the blackout which recently occurred in the northeast, and rate fluctuations may adversely affect the regional economies in which we operate, which may reduce demand for our homes. Our operations may be adversely impacted if further rate fluctuations and/or power shortages and outages occur in California, the northeast or in our other markets.

9

---

### **Geopolitical risks and market disruption could adversely affect our operating results and financial condition.**

Geopolitical events, such as the aftermath of the war with Iraq and the continuing occupation of Iraq, may have a substantial impact on the economy and the housing market. Terrorist attacks on the World Trade Center and the Pentagon on September 11, 2001 had an impact on our business and the occurrence of similar events in the future cannot be ruled out. The war and occupation, terrorism and related geopolitical risks have created many economic and political uncertainties, some of which may have additional material adverse effects on the U.S. economy, our customers and, in turn, our results of operations and financial condition.

### **An active trading market may not develop for the securities offered hereby.**

The securities offered hereby, other than the Class A Common Stock, will be a new issue of securities and when offered, there may not be an active public trading market for them. We do not intend to apply for listing of the securities offered hereby on a security exchange, however, the Class A Common Stock is already traded on the New York Stock Exchange. The liquidity of the trading market in the securities offered hereby, and the market prices quoted for these securities, may be adversely affected by changes in the overall market for these types of securities and by changes in our financial performance or prospects or in the prospects for companies in our industry generally. As a consequence, when issued, an active trading market may not develop for the securities offered hereby, other than the Class A Common Stock, you might not be able to sell your securities, other than the Class A Common Stock, or, even if you can sell your securities, you might not be able to sell them at an acceptable price.

### **Federal and state laws allow courts, under specific circumstances, to void guarantees and to require you to return payments received from guarantors.**

The debt securities of Hovnainan offered hereby may be guaranteed by, and the debt securities of K. Hovnanian offered hereby may be further guaranteed by, the subsidiaries of Hovnanian. Although you may be direct creditors of any guarantors by virtue of any guarantee, existing or future creditors of any guarantor could avoid or subordinate that guarantor's guarantee under the fraudulent conveyance laws if they were successful in establishing that:

the guarantee was incurred with fraudulent intent; or

the guarantor did not receive fair consideration or reasonably equivalent value for issuing its guarantee and

was insolvent at the time of the guarantee;

was rendered insolvent by reason of the guarantee;

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

was engaged in a business or transaction for which its assets constituted unreasonably small capital to carry on its business;  
or

intended to incur, or believed that it would incur, debt beyond its ability to pay such debt as it matured.

The measurers of insolvency for purposes of determining whether a fraudulent conveyance occurred vary depending upon the laws of the relevant jurisdiction and upon the valuation assumptions and methodology applied by the court. Generally, however, a company would be considered insolvent for purposes of the above if:

the sum of the company's debts, including contingent, unliquidated and unmatured liabilities, is greater than all of that company's property at a fair valuation, or

if the present fair saleable value of the company's assets is less than the amount that will be required to pay the probable liability on its existing debts as they become absolute and matured.

### RATIOS OF EARNINGS TO FIXED CHARGES AND EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS

For purposes of computing the ratio of earnings to fixed charges and the ratio of earnings to combined fixed charges and preferred stock dividends, earnings consist of earnings from continuing operations before income taxes, minority interest, extraordinary items and cumulative effect of accounting changes, plus fixed charges less interest capitalized. Fixed charges consist of all interest incurred plus the amortization of debt issuance costs and bond discount. Combined fixed charges and preferred stock dividends consist of fixed charges and preferred stock dividends.

The following table sets forth the ratio of earnings to fixed charges and the ratio of earnings to combined fixed charges and preferred dividends for Hovnanian for each of the periods indicated.

	Six Months Ended April 30, 2003	Year Ended October 31,

### **Provisions Applicable to Senior, Senior Subordinated and Subordinated Debt Securities**

*General.* Hovnanian debt securities will be unsecured senior, senior subordinated or subordinated obligations of Hovnanian and K. Hovnanian debt securities will be unsecured senior, senior subordinated or subordinated obligations of K. Hovnanian, except that, under specified circumstances, K. Hovnanian may be released from these obligations. See "Condition for Release of K. Hovnanian." Except as

described in the applicable prospectus supplement, none of the Indentures limits the payment of dividends by or the acquisition of stock of Hovnanian or K. Hovnanian. Except to the extent described in any prospectus supplement, the Indentures do not, and the debt securities will not, contain any covenants or other provisions that are intended to afford holders of the debt securities special protection in the event of either a change of control of Hovnanian or a highly leveraged transaction by Hovnanian.

We refer to the prospectus supplement for the following terms of and information relating to the debt securities being offered, the "Offered Debt Securities", to the extent these terms are applicable to Offered Debt Securities:

the title of the Offered Debt Securities;

classification as K. Hovnanian Senior Debt Securities, K. Hovnanian Senior Subordinated Debt Securities, K. Hovnanian Subordinated Debt Securities, Hovnanian Senior Debt Securities, Hovnanian Senior Subordinated Debt Securities or Hovnanian Subordinated Debt Securities, aggregate principal amount, purchase price and denomination, and whether the Offered Debt Securities will be guaranteed by the Subsidiary Guarantors of Hovnanian as described under "Description of Guarantees" below;

the date or dates on which the Offered Debt Securities will mature;

the method by which amounts payable in respect of principal, premium, if any, or interest, if any, on or upon the redemption of the Offered Debt Securities may be calculated;

the interest rate or rates, or the method by which it will be determined, and the date or dates from which the interest, if any, will accrue;

the date or dates on which the interest, if any, will be payable;

the place or places where and the manner in which the principal of, premium, if any, and interest, if any, on the Offered Debt Securities will be payable and the place or places where the Offered Debt Securities may be presented for transfer;

14

---

the right, if any, or obligation, if any, of Hovnanian or K. Hovnanian to redeem, repay or purchase the Offered Debt Securities pursuant to any sinking fund or analogous provisions or at the option of a holder thereof, and the period or periods within which, the price or prices or the method by which such price or prices will be determined, or both at which, the form or method of payment therefor if other than in cash and the terms and conditions upon which the Offered Debt Securities will be redeemed, repaid or purchased pursuant to the obligation;

the terms for conversion or exchange, if any, of the Offered Debt Securities;

any provision relating to the issuance of the Offered Debt Securities at an original issue discount;

if the amounts of payments of principal of, premium, if any, and interest, if any, on the Offered Debt Securities are to be determined with reference to an index, the manner in which those amounts will be determined;

any applicable United States federal income tax consequences;

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

the currency or currencies for which the Offered Debt Securities may be purchased and the currency or currencies in which principal, premium, if any, and interest, if any, may be payable;

the trustee with respect to the series of Offered Debt Securities; and

any other specific terms of the Offered Debt Securities, including any deleted, modified or additional Events of Default or remedies or additional covenants provided with respect to the Offered Debt Securities, and any terms that may be required by or advisable under applicable laws or regulations.

Unless otherwise specified in any prospectus supplement, the debt securities will be issuable in registered form and in denominations of \$1,000 and any integral multiple thereof, see Section 2.7. No service charge will be made for any transfer or exchange of any debt securities but the issuer may require payment of a sum sufficient to cover any tax or other governmental charge, payable in connection therewith, see Section 2.8.

Debt securities may bear interest at a fixed rate or a floating rate. Debt securities bearing no interest or interest at a rate that at the time of issuance is below the prevailing market rate may be sold at a discount below their stated principal amount. Special United States federal income tax considerations applicable to discounted debt securities or to some debt securities issued at par that are treated as having been issued at a discount for United States federal income tax purposes will be described in the applicable prospectus supplement.

In determining whether the holders of the requisite aggregate principal amount of outstanding debt securities of any series have given any request, demand, authorization, direction, notice, consent or waiver under the Indentures, the principal amount of any series of debt securities originally issued at a discount from their stated principal amount that will be deemed to be outstanding for such purposes will be the amount of the principal thereof that would be due and payable as of the date of the determination upon a declaration of acceleration of the maturity thereof.

*Description of Guarantees.* Hovnanian will fully and unconditionally guarantee, pursuant to the K. Hovnanian Indentures, the due and prompt payment of the principal of and premium, if any, and interest on the K. Hovnanian Debt Securities when and as the same shall become due and payable, whether at the stated maturity, by declaration of acceleration, call for redemption or otherwise. Debt securities of Hovnanian may be guaranteed by, and debt securities of K. Hovnanian may be further guaranteed by, the subsidiaries of Hovnanian, the "subsidiary guarantors", that also guaranty Hovnanian's revolving credit agreement at the time of issuance of the debt securities, the "subsidiary guarantors". Under the terms of Hovnanian's revised revolving credit agreement, dated June 19, 2003,

15

---

the subsidiary guarantors consist of all of Hovnanian's subsidiaries other than certain subsidiaries formerly engaged in the issuance of collateralized mortgage obligations, Hovnanian's mortgage lending and title subsidiaries and certain joint ventures with third-party partners in which Hovnanian's aggregate consolidated investment as of July 31, 2003 was less than \$30,000,000. If debt securities are guaranteed by subsidiary guarantors, that guarantee will be set forth in a supplemental indenture.

Payments with respect to the guarantee of the K. Hovnanian Senior Subordinated Debt Securities and K. Hovnanian Subordinated Debt Securities will be subordinated in right of payment to the prior payment in full of all Senior Indebtedness of the guarantor to the same extent and manner that payments with respect to the K. Hovnanian Senior Subordinated Debt Securities and K. Hovnanian Subordinated Debt Securities are subordinated in right of payment to the prior payment in full of all Senior Indebtedness of the issuer as described under "Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities" below. Likewise, payments with respect to subsidiary guarantees of Senior Subordinated Debt Securities and Subordinated Debt Securities will be subordinated in right of payment to the prior payment in full of all Senior Indebtedness of each such subsidiary guarantor to the same extent and manner that payments with respect to the Senior Subordinated Debt Securities and Subordinated Debt Securities are subordinated in right of payment to the prior payment in full of all Senior Indebtedness of the issuer of such debt securities.

*Global Securities.* The debt securities of a series may be issued in whole or in part in the form of one or more global securities, the "global securities", that will be deposited with or on behalf of a depository, "the depository", identified in the prospectus supplement relating to such series. Global securities may be issued only in fully registered form and in either temporary or permanent form. Unless and until it is exchanged in whole or in part for the individual debt securities represented thereby, a global security:

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

may not be transferred except as a whole; and

may only be transferred

by the depository for the global security to its nominee,

by a nominee of the depository to the depository or another nominee of the depository; or

by the depository or any nominee to a successor depository or nominee of the successor depository, see Section 2.8.

The specific terms of the depository arrangement with respect to a series of debt securities will be described in the prospectus supplement relating to such series. Hovnanian and K. Hovnanian anticipate that the following provisions generally will apply to all depository arrangements.

Upon the issuance of a global security, the depository for that global security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the individual debt securities represented by that global security to the accounts of persons that have accounts with such depository. Those accounts will be designated by the dealers, underwriters or agents with respect to those debt securities or by the issuer if the debt securities are offered and sold directly by the issuer. Ownership of beneficial interests in a global security will be limited to persons that have accounts with the applicable depository, participants, or persons that may hold interests through participants. Ownership of beneficial interests in a global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable depository or its nominee, with respect to interests of participants, and the records of participants, with respect to interests of persons other than participants. The laws of some states require that certain purchasers of securities take physical delivery of these securities in definitive form. These limits and laws may impair the ability to transfer beneficial interests in a global security.

16

---

As long as the depository for a global security or its nominee is the registered owner of the global security, the depository or its nominee, as the case may be, will be considered the sole owner or holder of the debt securities of the series represented by that global security for all purposes under the Indenture governing those debt securities. Except as provided below, owners of beneficial interests in a global security will not be entitled to have any of the individual debt securities of the series represented by the global security registered in their names, will not receive or be entitled to receive physical delivery of any of those debt securities in definitive form and will not be considered the owners or holders thereof under the Indenture governing those debt securities.

Payment of principal of, premium, if any, and interest, if any, on individual debt securities represented by a global security registered in the name of a depository or its nominee will be made to the depository or its nominee, as the case may be, as the registered owner of the global security representing the debt securities. Hovnanian and K. Hovnanian expect that the depository for a series of debt securities or its nominee, upon receipt of any payment of principal, premium, if any, and interest, if any, in respect of a global security representing any of those debt securities, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the global security for those securities as shown on the records of such depository or its nominee. Hovnanian and K. Hovnanian also expect that payments by participants to owners of beneficial interests in the global security held through the participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name." These payments will be the responsibility of the participants. Neither Hovnanian, K. Hovnanian, the trustee for such debt securities, any paying agent nor the registrar for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the global security for the debt securities or for maintaining, supervising or reviewing any records relating to beneficial ownership interests.

If the depository for a series of debt securities is at any time unwilling, unable or ineligible to continue as depository and a successor depository is not appointed by the issuer within 90 days, the issuer will issue individual debt securities of the applicable series in exchange for the global security representing the applicable series of debt securities. In addition, an issuer may at any time and in its sole discretion, subject to any limitations described in the prospectus supplement relating to such debt securities, determine not to have any debt securities of a series represented by a global security and, in such event, will issue individual debt securities of the applicable series in exchange for the global security representing the applicable series of debt securities. Further, if an issuer so specifies with respect to the debt securities of a series, an owner of a beneficial interest in a global security representing debt securities of that series may, on terms acceptable to the issuer, the trustee and the depository for the global security, receive individual debt securities of the applicable series in exchange for beneficial interests, subject to

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

any limitations described in the prospectus supplement relating to the debt securities. In this instance, an owner of a beneficial interest in a global security will be entitled to physical delivery of individual debt securities of the series represented by the applicable global security equal in principal amount to the beneficial interest and to have the debt securities registered in its name. Individual debt securities of the series so issued will be issued in registered form and in denominations, unless otherwise specified in the applicable prospectus supplement relating to that series of debt securities, of \$1,000 and integral multiples thereof.

*Events of Default.* Unless otherwise specified in the applicable prospectus supplement, an Event of Default is defined under each Indenture with respect to the debt securities of any series issued under the applicable Indenture as being:

default in the payment of principal of or premium, if any, with respect to debt securities of the applicable series when due;

17

---

default in the payment of any installment of interest on any of the debt securities of that series when due, continued for 30 days;

default in the payment or satisfaction of any sinking fund or other purchase obligation with respect to debt securities of that series when due;

default in the performance of any other covenant of any of the Obligors' applicable to debt securities of that series, continued for 90 days after written notice to the Obligors by the trustee or to the Obligors and the trustee, by the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding requiring the same to be remedied; and

specified events of bankruptcy, insolvency or reorganization of the issuer, see Section 5.1.

If any Event of Default shall occur and be continuing, the trustee or the holders of not less than 25% in aggregate principal amount of the debt securities of that series then outstanding, by notice in writing to the Obligors, and to the trustee, if given by the holders, may declare the principal, or, in the case of any series of debt securities originally issued at a discount from their stated principal amount, the portion of the principal amount as may be specified in the terms of that series, of all of the debt securities of that series and the interest, if any, accrued thereon to be due and payable immediately. The declaration described in the preceding sentence may be rescinded by notice in writing to the Obligors and the trustee by holders of a majority in aggregate principal amount of the debt securities of the series then outstanding. This rescission will rescind and annul any declaration made pursuant to the first sentence of this paragraph and its consequences if all defaults under such Indenture are cured or waived, see Section 5.1.

Each Indenture provides that no holder of any series of debt securities then outstanding may institute any suit, action or proceeding with respect to, or otherwise attempt to enforce, that Indenture, unless

the holder previously gave the trustee written notice of default and of the continuance thereof;

the holders of not less than 25% in aggregate principal amount of the applicable series of debt securities then outstanding made written request to the trustee to institute the suit, action or proceeding and offered to the trustee reasonable indemnity as it may require with respect thereto; and

the trustee, for 60 days after its receipt of the notice, request and offer of indemnity, neglected or refused to institute any action, suit or proceeding;

Subject to the subordination provisions applicable to the Senior Subordinated Debt Securities and the Subordinated Debt Securities, the right, described in the above bullet points, of any holder of any debt security to receive payment of the principal of, premium, if any, or interest, if any, on that debt security, on or after the respective due dates, or to institute suit for the enforcement of any payment shall not be impaired or affected without the consent of the holder, see Section 5.4.

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

The holders of a majority in aggregate principal amount of the debt securities of the series then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities of that series, provided that the trustee may decline to follow that direction if the trustee determines that the action or proceeding is unlawful or would involve the trustee in personal liability, see Section 5.7.

The Obligors are required to furnish annually to the trustee a certificate as to compliance by the Obligors with all conditions and covenants under each Indenture, see Section 4.3.

18

---

**Discharge and Defeasance.** Unless otherwise specified in the applicable prospectus supplement, the Obligors can discharge or defease their respective obligations with respect to any series of debt securities as described below, see Article Ten.

The Obligors may discharge all of their obligations, except those described below, to holders of any series of debt securities issued under any Indenture that have not already been delivered to the trustee for cancellation and that have either become due and payable, or are by their terms due and payable within one year or scheduled for redemption within one year, by irrevocably depositing with the trustee cash or U.S. Government Obligations, as defined in the Indenture, or a combination thereof, as trust funds in an amount certified to be sufficient to pay when due the principal of, premium, if any, and interest, if any, on all outstanding debt securities of that series and to make any mandatory sinking fund payments, if any, thereon when due.

Unless otherwise provided in the applicable prospectus supplement, the Obligors may also elect at any time to defease and be discharged from all of their obligations, except those described below, to holders of any series of debt securities issued under each Indenture, "defeasance", or be released from all of their obligations with respect to specified covenants applicable to any series of debt securities issued under each Indenture, "covenant defeasance", if, among other things:

the Obligors irrevocably deposit with the trustee cash or U.S. Government Obligations, or a combination thereof, as trust funds in an amount certified to be sufficient to pay when due the principal of, premium, if any, and interest, if any, on all outstanding debt securities of the applicable series and to make any mandatory sinking fund payments, if any, thereon when due and those funds have been so deposited for 91 days;

the deposit will not result in a breach or violation of, or cause a default under, any agreement or instrument to which any of the Obligors is a party or by which it is bound; and

the Obligors deliver to the trustee an opinion of counsel to the effect that the holders of the applicable series of debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of the defeasance or covenant defeasance and that defeasance or covenant defeasance will not otherwise alter the United States federal income tax treatment of the holders' principal of and interest payments, if any, on that series of debt securities.

In the case of defeasance, the opinion must be based on a ruling of the Internal Revenue Service or a change in United States federal income tax law occurring after the date of the Indenture relating to the debt securities of such series, because this result would not occur under current tax law, see Section 10.1.

Notwithstanding the foregoing, no discharge, defeasance or covenant defeasance described above will affect the following obligations to, or rights of, the holders of any series of debt securities:

rights of registration of transfer and exchange of debt securities of the applicable series;

rights of substitution of mutilated, defaced, destroyed, lost or stolen debt securities of the applicable series;

rights of holders of debt securities of the applicable series to receive payments of principal thereof, premium, if any; and interest, if any, thereon, upon the original due dates therefore, but not upon acceleration, and to receive mandatory sinking

fund payments thereon when due, if any;

rights, obligations, duties and immunities of the trustee;

rights of holders of debt securities of a series as beneficiaries with respect to property so deposited with the trustee payable to all or any of them; and

19

---

obligations of the Obligor to maintain an office or agency in respect of debt securities of the series, see Section 10.1.

The Obligor may exercise the defeasance option with respect to any series of debt securities notwithstanding the prior exercise of the covenant defeasance option with respect to any series of debt securities. If the Obligor exercise the defeasance option with respect to any series of debt securities, payment of that series of debt securities may not be accelerated because of an Event of Default with respect to that series of debt securities. If the Obligor exercise the covenant defeasance option with respect to any series of debt securities, payment of that series of debt securities may not be accelerated by reason of an Event of Default with respect to the covenants to which such covenant defeasance is applicable. However, if acceleration were to occur by reason of another Event of Default, the realizable value at the acceleration date of the cash and U.S. Government Obligations in the defeasance trust could be less than the principal of, premium, if any, and interest, if any, and any mandatory sinking fund payments, if any, then due on the series of debt securities, in that the required deposit in the defeasance trust is based upon scheduled cash flow rather than market value, which will vary depending upon interest rates and other factors.

*Modification of the Indenture.* Each Indenture provides that the Obligor and the trustee may enter into supplemental indentures without the consent of the holders of the debt securities to:

evidence the assumption by a successor entity of the obligations of any of the Obligor under that Indenture,

add covenants or new events of default for the protection of the holders of the debt securities,

cure any ambiguity or defect or correct any inconsistency in the Indenture;

establish the form and terms of debt securities of any series;

evidence the acceptance of appointment by a successor trustee;

in the case of Senior Debt Securities, secure those debt securities;

designate a bank or trust company other than the trustee specified in the applicable prospectus supplement to act as trustee for a series of debt securities;

modify the existing covenants and events of default solely in respect of, or add new covenants and events of default that apply solely to, debt securities not yet issued and outstanding on the date of the supplemental indenture;

provide for the issuance of debt securities of any series in coupon form and exchangeability of those debt securities for fully registered debt securities;

modify, eliminate or add to the provisions of the Indenture as necessary to effect the qualification of the Indenture under the Trust Indenture Act of 1939 and to add provisions expressly permitted by that Act; and

modify the provisions to provide for the denomination of debt securities in foreign currencies that will not adversely affect the interests of the holders of the debt securities in any material respect, see Section 8.1.

Each Indenture also contains provisions permitting the Obligors and the trustee, with the consent of the holders of not less than a majority in aggregate principal amount of debt securities of each series then outstanding and affected, to add any provisions to, or change in any manner or eliminate any of the provisions of, the applicable Indenture or any supplemental indenture or modify in any manner the

20

---

rights of the holders of the debt securities of that series; provided that the Obligors and the trustee may not, without the consent of the holder of each outstanding debt security affected thereby:

extend the stated final maturity of any debt security, reduce the principal amount thereof, reduce the rate or extend the time of payment of interest, if any, thereon, reduce or alter the method of computation of any amount payable on redemption, repayment or purchase by the issuer, change the coin or currency in which principal, premium, if any, and interest, if any, are payable, reduce the amount of the principal of any original issue discount security payable upon acceleration or provable in bankruptcy, impair or affect the right to institute suit for the enforcement of any payment or repayment thereof or, if applicable, adversely affect any right of prepayment at the option of the holder or, in the case of K. Hovnianian Indentures, make any change adverse to the interests of the holders in the terms and conditions of the guarantee; or

reduce the stated percentage in aggregate principal amount of debt securities of any series issued under the Indenture, see Section 8.2.

*Consolidation, Merger, Sale or Conveyance.* Except as otherwise provided in the applicable prospectus supplement, the K. Hovnianian Indentures provide that K. Hovnianian or the guarantor may, and the Hovnianian Indentures provide that Hovnianian may, without the consent of the holders of debt securities, consolidate with, merge into or transfer, exchange or dispose of all of its properties to, any other corporation or partnership organized under the laws of the United States, provided that:

the successor corporation assumes all obligations of K. Hovnianian or Hovnianian, as the case may be, by supplemental indenture satisfactory in form to the applicable trustee executed and delivered to that trustee, under the Indentures and the debt securities,

immediately after giving effect to the consolidation, merger, exchange or other disposition, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, will have occurred and be continuing; and

certain other conditions are met, see Section 9.1.

*Condition for Release of K. Hovnianian.* Except as otherwise provided in a prospectus supplement, each K. Hovnianian Indenture provides that K. Hovnianian may be released from its obligations under the K. Hovnianian Indenture and the K. Hovnianian debt securities, without the consent of the holders of the K. Hovnianian debt securities of any series, if Hovnianian or any successor to Hovnianian has assumed the obligations of K. Hovnianian under those K. Hovnianian Debt Securities. In the event of the release, a taxable sale or exchange of a debt security for a new debt security will be deemed to occur. As a result, a holder of a debt security may recognize gain or loss on the sale or exchange and may be required to include in income different amounts during the remaining term of the debt security than would have been included absent the release.

*Certain Definitions.* Except as otherwise provided in a prospectus supplement, the definitions listed below are applicable to the discussions of the Indentures, see Article One.

## Edgar Filing: HOVNIANIAN ENTERPRISES INC - Form S-3/A

"Consolidated Net Tangible Assets" means the aggregate amount of assets included on the most recent consolidated balance sheet of Hovnanian and its Restricted Subsidiaries, less applicable reserves and other properly deductible items and after deducting therefrom all current liabilities and all goodwill, trade names, trademarks, patents, unamortized debt discount and expense and other like intangibles, all in accordance with generally accepted accounting principles consistently applied.

"Indebtedness," with respect to any person, means, without duplication:

the principal of, premium, if any, and interest, if any, on indebtedness for money borrowed of that person, indebtedness of that person evidenced by bonds, notes, debentures or similar obligations, and any guaranty by that person of any indebtedness for money borrowed or

21

---

indebtedness evidenced by bonds, notes, debentures or similar obligations of any other person, whether the indebtedness or guaranty is outstanding on the date of the Indenture or is thereafter created, assumed or incurred;

obligations of that person for the reimbursement of any Obligor on any letter of credit, banker's acceptance or similar credit transaction;

the principal of and premium, if any, and interest, if any, on indebtedness incurred, assumed or guaranteed by that person in connection with the acquisition by it or any of its subsidiaries of any other businesses, properties or other assets;

lease obligations of that person capitalized in accordance with Statement of Financial Accounting Standards No. 13 promulgated by the Financial Accounting Standards Board or other generally accepted accounting principles as may be from time to time in effect;

any indebtedness of that person representing the balance deferred and unpaid of the purchase price of any property or interest therein, except any balance that constitutes an accrued expense or trade payable and any guaranty, endorsement or other contingent obligation of that person in respect of any indebtedness of another that is outstanding on the date of the Indenture or is thereafter created, assumed or incurred by, that person;

obligations of that person under interest rate, commodity or currency swaps, caps, collars, options and similar arrangements; and

any amendments, modifications, refundings, renewals or extensions of any indebtedness or obligation described as Indebtedness in the above bullet points.

"Restricted Subsidiary" means any Subsidiary of Hovnanian other than an Unrestricted Subsidiary, and any Subsidiary of Hovnanian that was an Unrestricted Subsidiary but which, subsequent to the date of the Indentures, is designated by the board of directors of Hovnanian to be a Restricted Subsidiary; provided, however, that Hovnanian may not designate any Subsidiary to be a Restricted Subsidiary if Hovnanian would thereby breach any covenant or agreement contained in the Indentures, on the assumptions that any Outstanding Indebtedness of the Subsidiary was incurred at the time of the designation.

"Subsidiary" of any specified Person means any corporation of which that Person, or that Person and one or more Subsidiaries of that Person, or any one or more Subsidiaries of that Person, directly or indirectly own voting securities entitling any one or more of that Person and its Subsidiaries to elect a majority of the directors, either at all times, or so long as there is no default or contingency which permits the holders of any other class or classes of securities to vote for the election of one or more directors.

"Unrestricted Subsidiary" means:

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

any Subsidiary of Hovnanian acquired or organized after the date of the Indentures, provided, however, that this Subsidiary shall not be a successor, directly or indirectly, to any Restricted Subsidiary; and

any Subsidiary of Hovnanian substantially all the assets of which consist of stock or other securities of a Subsidiary or Subsidiaries of the character described in clause the above bullet point, unless and until that Subsidiary is designated to be a Restricted Subsidiary.

### Provisions Applicable Solely to Senior Debt Securities

*General.* Senior Debt Securities will be issued under a Senior Debt Indenture and will rank pari passu with all other unsecured and unsubordinated debt of the issuer of such Senior Debt Securities.

22

---

At July 31, 2003, Hovnanian had an aggregate of \$300,000,000 of Indebtedness outstanding, which would be subordinated to Senior Debt Securities.

*Limitations on Liens.* The Senior Debt Indentures provide that, so long as any Senior Debt Securities are outstanding, Hovnanian will not, and will not permit any Restricted Subsidiary to, pledge, mortgage, hypothecate or grant a security interest in, or permit any mortgage, pledge, security interest or other lien upon, any property or assets owned by Hovnanian or any Restricted Subsidiary to secure any Indebtedness, without making effective provision whereby outstanding Senior Debt Securities will be equally and ratably secured.

Under the terms of the Senior Debt Indentures, the limitation described above does not apply to:

any mortgage, pledge, security interest, lien or encumbrance upon any property or assets created at the time of the acquisition of such property or assets by Hovnanian or any Restricted Subsidiary or within one year after that time to secure all or a portion of the purchase price for the property or assets;

any mortgage, pledge, security interest, lien or encumbrance upon any property or assets existing thereon at the time of the acquisition thereof by Hovnanian or any Restricted Subsidiary, whether or not the obligations secured thereby are assumed by Hovnanian or any Restricted Subsidiary;

any mortgage, pledge, security interest, lien or encumbrance upon any property or assets, whenever acquired, of any corporation or other entity that becomes a Restricted Subsidiary after the date of the Senior Debt Indenture, provided that

- 1) the instrument creating the mortgage, pledge, security interest, lien or encumbrance was in effect prior to the time the corporation or other entity becomes a Restricted Subsidiary, and
- 2) the mortgage, pledge, security interest, lien or encumbrance will only apply to properties or assets owned by the corporation or other entity at the time it becomes a Restricted Subsidiary or thereafter acquired by it from sources other than Hovnanian or another Restricted Subsidiary;

any mortgage, pledge, security interest, lien or encumbrance in favor of Hovnanian or any wholly-owned Subsidiary of Hovnanian;

any mortgage, pledge, security interest, lien or encumbrance created or assumed by Hovnanian or a Restricted Subsidiary in connection with the issuance of debt securities the interest on which is excludable from gross income of the holder of the security pursuant to the Internal Revenue Code of 1986, as amended, for the purpose of financing, in whole or in part, the acquisition or construction of property or assets to be used by Hovnanian or a Subsidiary;

## Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3/A

any extension, renewal or refunding of any mortgage, pledge, security interest, lien or encumbrance described in the bullet points above on substantially the same property or assets theretofore subject thereto;

any mortgage, pledge, security interest, lien or encumbrance securing any Indebtedness in an amount which, together with all other Indebtedness secured by a mortgage, pledge, security interest, lien or encumbrance that is not otherwise permitted by the foregoing provisions, does not at the time of the incurrence of the Indebtedness so secured exceed 20% of Consolidated Net Tangible Assets;

deposits or pledges to secure the payment of workmen's compensation, unemployment insurance or other social security benefits or obligations, or to secure the performance of trade contracts,

23

---

leases, public or statutory obligations, surety or appeal bonds or other obligations of a like general nature incurred in the ordinary course of business;

mechanics', materialmen's, warehousemen's, carriers' or other like liens arising in the ordinary course of business securing obligations that are not overdue for a period longer than 30 days or that are being contested in good faith by appropriate proceedings;

liens for taxes, assessments or other governmental charges not yet payable or being contested in good faith and as to which adequate reserves will have been established in accordance with generally accepted accounting principles;

non-recourse mortgages on Income Producing Properties securing Indebtedness;

liens on assets of a Mortgage Subsidiary to secure only a Warehouse Line of Credit provided to that Subsidiary;

easements, rights-of-way, restrictions and other similar encumbrances incurred in the ordinary course of business; or

liens in connection with capital leases or sale leaseback transactions not securing any other indebtedness.

For the purpose of this "Limitation on Liens" provision, "security interest" will include the interest of the lessor under a lease with a term of three years or more that should be, in accordance with generally accepted accounting principles, recorded as a capital lease and any lease of property or assets not acquired from Hovnanian or any Restricted Subsidiary in contemplation of that lease will be treated as though the lessee had purchased the property or assets from the lessor, see Section 3.6 of the Senior Debt Indentures.

### **Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities**

*Subordination.* The Subordinated Debt Securities will be subordinate and junior in right of payment, to the extent described in the Subordinated Debt Indentures, to all Senior Indebtedness. The Senior Subordinated Debt Securities will be subordinate and junior in right of payment, to the extent described in the Senior Subordinated Debt Indentures, to all Senior Indebtedness of the Obligor. The Senior Subordinated Debt Securities will rank senior to all existing and future Indebtedness of the Obligor that is neither Senior Indebtedness of the Obligor nor Senior Subordinated Indebtedness and only Indebtedness of the Obligor that is Senior Indebtedness of the Obligor will rank senior to the Senior Subordinated Debt Securities in accordance with the subordination provisions of the Senior Subordinated Debt Indentures.

"Senior Indebtedness" of the Obligor is defined in the Subordinated Debt Indentures and the Senior Subordinated Debt Indentures as Indebtedness of the Obligor outstanding at any time, other than the Indebtedness evidenced by the debt securities of any series, except:

any Indebtedness as to which, by the terms of the instrument creating or evidencing the same, it is provided that the Indebtedness is not senior or prior in right of payment to the debt securities or is *pari passu* or subordinate by its terms in

right of payment to the debt securities;

renewals, extensions and modifications of any such Indebtedness;

any Indebtedness of the Obligor to a wholly-owned Subsidiary of the Obligor;

interest accruing after the filing of a petition initiating certain events of bankruptcy or insolvency unless that interest is an allowed claim enforceable against the Obligor in a proceeding under federal or state bankruptcy laws; and

"Senior Subordinated Indebtedness" is defined in the Hovnanian Senior Subordinated Debt Indenture as the Hovnanian Senior Subordinated Debt Securities and any other Indebtedness of Hovnanian that ranks pari passu with the Hovnanian Senior Subordinated Debt Securities. Any Indebtedness of Hovnanian that is subordinate or junior by its terms in right of payment to any other Indebtedness of Hovnanian will be subordinate to Senior Subordinated Indebtedness of Hovnanian unless the instrument creating or evidencing the same or pursuant to which the same is outstanding specifically provides that this Indebtedness is to rank pari passu with other Senior Subordinated Indebtedness of Hovnanian and is not subordinated by its terms to any Indebtedness of Hovnanian that is not Senior Indebtedness of Hovnanian.

"Senior Subordinated Indebtedness" is defined in the K. Hovnanian Senior Subordinated Debt Indenture as the K. Hovnanian Senior Subordinated Debt Securities, the guarantee and any other Indebtedness of K. Hovnanian or the guarantor that ranks pari passu with the K. Hovnanian Senior Subordinated Debt Securities. Any Indebtedness of K. Hovnanian or the guarantor that is subordinate or junior by its terms in right of payment to any other Indebtedness of K. Hovnanian or the guarantor will be subordinate to Senior Subordinated Indebtedness unless the instrument creating or evidencing the same or pursuant to which the same is outstanding specifically provides that such Indebtedness will rank pari passu with other Senior Subordinated Indebtedness and is not subordinated by its terms to any Indebtedness of K. Hovnanian or the guarantor, which is not Senior Indebtedness of K. Hovnanian or Senior Indebtedness of the guarantor.

"Subordinated Indebtedness" of the Obligors means the Senior Subordinated Debt Securities, the guarantees, any other Senior Subordinated Indebtedness of that Obligor and any other Indebtedness that is subordinate or junior in right of payment to Senior Indebtedness of that Obligor.

If:

the Obligor should default in the payment of any principal of, premium, if any, or interest, if any, on any Senior Indebtedness of the Obligor when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise or

any other default with respect to Senior Indebtedness of the Obligor occurs and the maturity of the Senior Indebtedness has been accelerated in accordance with its terms, then, upon written notice of the default to the Obligor by the holders of the Senior Indebtedness or any trustee therefor, unless and until the default is cured or waived or has ceased to exist or the acceleration has been rescinded, no direct or indirect payment, in cash, property or securities, by set-off or otherwise, will be made or agreed to be made for principal of, premium, if any, or interest, if any, on any of the Senior Subordinated Debt Securities or the Subordinated Debt Securities, or in respect of any redemption, retirement, purchase or other acquisition of the Senior Subordinated Debt Securities or the Subordinated Debt Securities other than those made in capital stock of Hovnanian, or cash in lieu of fractional shares thereof, see Sections 13.1 and 13.4 of the Senior Subordinated Debt Indentures and Sections 13.1 and 13.4 of the Subordinated Debt Indentures.

If any default, other than a default described in the bullet points directly above, occurs under the Senior Indebtedness of the Obligor, pursuant to which the maturity thereof may be accelerated immediately or the expiration of any applicable grace periods occurs, a "Senior Nonmonetary Default", then, upon the receipt by the Obligor and the trustee of written notice thereof, a "payment notice", from or on behalf of holders of 25% or more of the aggregate principal amount of Senior Indebtedness specifying an election to prohibit the payment and other action by the Obligor in accordance with the following provisions of this paragraph, the Obligor may not make any payment or take any other action

that would be prohibited by the bullet points directly above during the period, the "payment blockage period" commencing on the date of receipt of the payment notice and ending on the earlier of

the date, if any, on which the holders of such Senior Indebtedness or their representative notify the trustee that the Senior Nonmonetary Default is cured, waived or ceases to exist or the Senior Indebtedness to which the Senior Nonmonetary Default relates is discharged or

the 179th day after the date of receipt of the payment notice.

Notwithstanding the provisions described in the immediately preceding bullet points, the Obligor may resume payments on the Senior Subordinated Debt Securities and the Subordinated Debt Securities after the payment blockage period.

If

without the consent of the Obligor a receiver, conservator, liquidator or trustee of the Obligor or of any of its property is appointed by the order or decree of any court or agency or supervisory authority having jurisdiction, and the decree or order remains in effect for more than 60 days, the Obligor is adjudicated bankrupt or insolvent, any of its property is sequestered by court order and that order remains in effect for more than 60 days, or a petition is filed against the Obligor under any state or federal bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or receivership law of any jurisdiction whether now or hereafter in effect, and is not dismissed within 60 days after such filing;

the Obligor:

commences a voluntary case or other proceeding seeking liquidation, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or other relief with respect to itself or its debt or other liabilities under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property;

consents to any such relief or to the appointment of or taking possession by any of the above officials in an involuntary case or other proceeding commenced against it;

fails generally to, or cannot, pay its debts generally as they become due;

takes any corporate action to authorize or effect any of the foregoing; or

any Subsidiary of the Obligor takes, suffers or permits to exist any of the events or conditions referred to in any of the above bullet points,

then all Senior Indebtedness of the Obligor, including any interest thereon accruing after the commencement of any proceedings, will first be paid in full before any payment or distribution, whether in cash, securities or other property, is made by the Obligor to any holder of Senior Subordinated Debt Securities or Subordinated Debt Securities on account of the principal of, premium, if any, or interest, if any, on the Senior Subordinated Debt Securities or Subordinated Debt Securities, as the case may be.

Any payment or distribution, whether in cash, securities or other property, other than securities of the Obligor or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the subordination provisions with respect to the indebtedness evidenced by the Senior Subordinated Debt Securities or the Subordinated Debt Securities, to the payment of all Senior Indebtedness of the Obligor then outstanding and to any securities issued in respect thereof under a plan of reorganization

or readjustment, that would otherwise, but for the subordination provisions, be payable or deliverable in respect of the Senior Subordinated Debt Securities or the Subordinated Debt Securities of any series will be paid or

delivered directly to the holders of Senior Indebtedness of the Obligor in accordance with the priorities then existing among such holders until all Senior Indebtedness of the Obligor, including any interest thereon accruing after the commencement of proceedings, has been paid in full. In the event of any proceeding, after payment in full of all sums owing with respect to Senior Indebtedness of the Obligor, the holders of Senior Subordinated Debt Securities, together with the holders of any obligations of the Obligor ranking on a parity with the Senior Subordinated Debt Securities, will be entitled to be repaid from the remaining assets of the Obligor the amounts at that time due and owing on account of unpaid principal of, premium, if any, or interest, if any, on the Senior Subordinated Debt Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or obligations of the Obligor ranking junior to the Senior Subordinated Debt Securities, including the Subordinated Debt Securities, and such other obligations, see Section 13.1 of the Senior Subordinated Debt Indentures and Section 13.1 of the Subordinated Debt Indentures.

If any payment or distribution of any character, whether in cash, securities or other property, other than securities of the Obligor or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the subordination provisions with respect to the Senior Subordinated Debt Securities or the Subordinated Debt Securities, to the payment of all Senior Indebtedness of the Obligor then outstanding and to any securities issued in respect thereof under the plan of reorganization or readjustment, will be received by the trustee, or any holder of any Senior Subordinated Debt Securities or Subordinated Debt Securities in contravention of any of the terms of the Senior Subordinated Debt Indenture or the Subordinated Debt Indenture, as the case may be, such payment or distribution of securities will be received in trust for the benefit of, and will be paid over or delivered and transferred to, the holders of the Senior Indebtedness of the Obligor then outstanding in accordance with the priorities then existing among the holders for application to the payment of all Senior Indebtedness of the Obligor remaining unpaid to the extent necessary to pay all the Senior Indebtedness of the Obligor in full, see Section 13.1 of the Senior Subordinated Debt Indentures and Section 13.1 of the Subordinated Debt Indentures.

By reason of the subordination, in the event of the insolvency of the Obligor, holders of Senior Indebtedness of the Obligor may receive more, ratably, than holders of the Senior Subordinated Debt Securities or Subordinated Debt Securities of the Obligor. Subordination will not prevent the occurrence of any Event of Default, as defined in the Indentures, or limit the right of acceleration in respect of the Senior Subordinated Debt Securities or Subordinated Debt Securities.

**Item 15. Indemnification of Directors and Officers.**

Hovnanian is a Delaware corporation. Section 145 of the General Corporation Law of the State of Delaware grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 102(b)(7) of the General Corporation Law of the State of Delaware enables a corporation in its certificate of incorporation or an amendment thereto validly approved by stockholders to limit or eliminate the personal liability of the members of its board of directors for violations of the directors' fiduciary duty of care.

Article EIGHTH of Hovnanian's Restated Certificate of Incorporation contains the following provisions with respect to indemnification:

No director of the Company shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director; provided, however, that this Article shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. This Article shall not eliminate or limit the liability of a director for any act or omission occurring prior to the date on which this Article becomes effective. II-1

Hovnanian maintains a liability insurance policy providing coverage for its directors and officers in an amount up to an aggregate limit of \$10,000,000 for any single occurrence.

K. Hovnanian is a California corporation. Section 317 of the California Corporations Code provides that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding, other than in an action by or on behalf of the corporation to obtain a favorable judgment for itself, because such person is or was an agent of the corporation, against expenses actually and

reasonably incurred in connection with the proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of criminal proceedings, had no reasonable cause to believe that the conduct was unlawful. In the case of suits by or on behalf of a corporation to obtain a judgment in its favor, a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to such proceeding because such person is or was the corporation's agent, against expenses actually and reasonably incurred, if the person acted in good faith in a manner the person believed to be in the best interests of the corporation and its shareholders, except that no such indemnification may be made for claims as to which the person shall have been adjudged to be liable to the corporation in the performance of that person's duty to the corporation, unless and then only to the extent a court determines otherwise.

Article FIFTH of K. Hovnianian's Articles of Incorporation contains the following provisions with respect to indemnification:

The Corporation is authorized, to the fullest extent permissible under California law, to indemnify its agents (as defined by Section 317 of the California Corporations Code) whether by bylaw, agreement or otherwise, for breach of duty to the Corporation and its shareholders in excess of that expressly permitted by California Code Section 317, and to advance defense expenses to its agents in connection with such matters as those expenses are incurred; provided, indemnification shall not be provided for any acts or omissions or transactions from which pursuant to applicable statute(s) a director may not be relieved of liability nor under circumstances in which indemnity is expressly prohibited by the statute covering the indemnification of agents.

### Item 16. Exhibits.

See Exhibit Index.

### Item 17. Undertakings.

The undersigned Registrants hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post effective amendment to this registration statement:
  - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the from of prospectus filed with the Commission pursuant to Rule 462(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

II-2

---

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrants pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrants hereby undertake that, for purposes of determining any liability under the Securities Act, each filing of the Hovnianian annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit

plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrants pursuant to the provisions set forth in response to Item 15, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned Registrants hereby undertake to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.
