Ladies and Gentlemen:

I deliver this opinion to you for filing as Exhibit F to the Application-Declaration referenced above (the "Declaration") seeking authority by the Securities and Exchange Commission (the "Commission") under the Public Utility Holding Company Act of 1935, as amended (the "Act") for Xcel Energy Inc. ("Xcel Energy" or the "Applicant") to sell all of the issued and outstanding stock of Cheyenne Light, Fuel & Power Company ("Cheyenne") to Black Hills Corporation ("Black Hills"), all as more fully described in the Declaration (the "Transaction") and the order of the Commission issued on December 28, 2005 (HCAR No. 27932) (the "Order") approving the Transaction.

I have acted as counsel to the Applicant in connection with the filing of the Application. All capitalized terms used herein but not defined herein shall have the meaning ascribed to them in the Application.

I am a member of the bar of Minnesota, the place of organization of Xcel Energy. For purposes of this opinion, to the extent I deemed necessary, I have relied on advice from counsel employed or retained directly or indirectly by the Applicant.

In connection with this opinion, I or attorneys in whom I have confidence, have examined originals or copies, certified or otherwise identified to my satisfaction, of such records and such other documents, certificates and corporate or other records as I have deemed necessary or appropriate as a basis for the opinions expressed in this letter. In my examination, I have assumed the genuineness of all signatures, the legal capacity of all persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of documents submitted to me as certified or photostatic copies and the authenticity of the originals of such copies. As to various questions of fact material to such opinions, I have, when relevant facts were not independently established, relied upon statements contained in the Application.

Based upon the foregoing and subject to the assumptions, qualifications, limitations, conditions and exceptions set forth herein, it is my opinion that, with respect to the Applicant, that:

(a) all state laws applicable to the Transaction have been complied with; and

(b) the consummation of the Transaction did not violate the legal rights of the holders of any securities issued by the Applicant.

Edgar Filing: XCEL ENERGY INC - Form 35-CERT

I hereby consent to the filing of this opinion with the Securities and Exchange Commission.

Very truly yours,
