**ATLANTIC POWER CORPORATION
INFORMATION CIRCULAR AND PROXY STATEMENT**

This information circular and proxy statement (the "**Information Circular and Proxy Statement**") is furnished in connection with the solicitation of proxies by or on behalf of management of Atlantic Power Corporation (the "**Corporation**"), for use at the annual and special meeting (the "**Meeting**") of shareholders (the "**Shareholders**") of the Corporation to be held on June 22, 2012 at Millenium Hilton Hotel, Noso Room, 4th Floor, 55 Church Street, New York, New York commencing at 11:00 a.m. (Eastern time), and at all postponements or adjournments thereof, for the purposes set forth in the accompanying notice of the Meeting (the "**Notice of Meeting**"). In this Information Circular and Proxy Statement, references to "Cdn\$" and "Canadian dollars" are to the lawful currency of Canada and references to "\$", "US\$" and "U.S. dollars" are to the lawful currency of the United States. All dollar amounts herein are in U.S. dollars, unless otherwise indicated. The information contained herein is given as at April 30, 2012, except where otherwise noted.

This Information Circular and Proxy Statement is being first mailed to Shareholders on or about May 25, 2012.

Voting and Quorum

A quorum must be present at the Meeting for any business to be conducted. Pursuant to the Corporation's Articles, two persons, present in person, each being a Shareholder entitled to vote at a meeting of shareholders or a duly appointed proxy for a Shareholder so entitled constitutes a quorum. Abstentions and shares represented by "broker non-votes," as described below, will be considered as present for purposes of constituting a quorum.

Shareholders may vote by attending the Meeting and voting in person. If you choose not to attend the Meeting, you may still authorize your proxy by mailing a form of proxy. All shares entitled to vote and represented by properly executed proxies received before the polls are closed at the Meeting, and not revoked or superseded, will be voted at the Meeting in accordance with the instructions indicated on those proxies.

A "broker non-vote" occurs when a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner. Generally, current Canadian Securities laws and New York Stock Exchange rules, brokers will not have discretionary authority to vote such uninstructed shares with respect to any matter to be voted upon at the Meeting.

For purposes of counting votes, abstentions and broker non-votes will not be counted as votes cast at the Meeting.

Proxy Solicitation and Voting

Solicitation of Proxies

The solicitation of proxies for use at the Meeting is being made by or on behalf of management of the Corporation. The solicitation of proxies for the Meeting will be made primarily by mail, but proxies may also be solicited personally, in writing or by telephone by employees of the Corporation, at nominal cost. The Corporation will bear the cost in respect of the solicitation of proxies for the Meeting and will bear the legal, printing and other costs associated with the preparation of the Information Circular and Proxy Statement.

Table of Contents

Appointment and Revocation of Proxies

Together with the Information Circular and Proxy Statement, the Shareholders will also be sent a form of proxy (a "**Form of Proxy**"). The persons named in such proxy are Directors. **A Shareholder who wishes to appoint some other person to represent him, her or it at the Meeting may do so by crossing out the persons named in the enclosed proxy and inserting such person's name in the blank space provided in the form of proxy or by completing another proper form of proxy.** Such other person need not be a Shareholder of the Corporation.

To be valid, proxies or instructions must be deposited at the offices of Computershare Investor Services Inc. (the "**Agent**"), 9th Floor, North Tower, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or returned to the Agent by fax at 1-866-249-7775 (North America) or 416-263-9524 (outside North America), or at the offices of the Corporation by written instrument, fax or any other method of transmitting legibly recorded messages, so as not to arrive later than 11:00 a.m. (Eastern time) on June 20, 2012, or be deposited with the chair of the Meeting (the "**Chair of the Meeting**") prior to the commencement of the Meeting. If the Meeting is adjourned, proxies or instructions to the Agent must be deposited 48 hours (excluding Saturdays, Sundays and holidays), before the time set for any reconvened meeting at which the proxy or instructions are to be used, or be deposited with the Chair of the Meeting prior to the commencement of the Meeting or any reconvened meeting.

The document appointing a proxy must be in writing and completed and signed by a Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Instructions provided to the Agent by a Shareholder must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Persons signing as officers, attorneys, executors, administrators, and trustees or similarly otherwise should so indicate and provide satisfactory evidence of such authority.

A Shareholder that has given a proxy may revoke the proxy: (a) by completing and signing a proxy bearing a later date and depositing it as aforesaid; (b) by depositing an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the applicable Meeting, or any adjournment thereof, at which the proxy is to be used, or (ii) with the Chair of the Meeting prior to the commencement of such Meeting on the day of such Meeting or any adjournment thereof; or (c) in any other manner permitted by law. A Shareholder that has given instructions to their nominee with respect to the voting of the common shares of the Corporation ("**Common Shares**") may revoke the instructions: (a) by completing and signing instructions bearing a later date and depositing it as aforesaid; (b) by depositing an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing: (i) at the registered office of the Agent at any time up to and including the last business day preceding the day of the applicable Meeting, or any adjournment thereof, at which the instructions are to be relied on, or (ii) with the Chair of the Meeting prior to the commencement of such Meeting on the day of such Meeting or any adjournment thereof; or (c) in any other manner permitted by law.

Voting of Proxies

The persons named in the accompanying Form of Proxy will vote Common Shares in respect of which they are appointed, on any ballot that may be called for, in accordance with the instructions of the

Table of Contents

Shareholder as indicated on the proxy. **In the absence of such specification, such Common Shares will be voted at the Meeting as follows:**

FOR the election of Irving Gerstein, Kenneth Hartwick, John McNeil, R. Foster Duncan, Holli Ladhani and Barry Welch to the Board of Directors as described under the heading "Matters to be Considered at the Meeting Election of Directors";

FOR the appointment of KPMG LLP as auditors of the Corporation and to authorize the Board of Directors to fix the auditor's remuneration;

FOR the approval, by non-binding advisory vote, of named executive officer compensation; and

FOR the approval of the special resolution in the form set forth in this Information Circular and Proxy Statement approving the 2012 Equity Incentive Plan, a copy of which is set forth in Schedule B to this Information Circular and Proxy Statement.

For more information on these issues, please see the section entitled "Matters to be Considered at the Meeting" in this Information Circular and Proxy Statement.

The persons appointed under the Form of Proxy are conferred with discretionary authority with respect to amendments to or variations of matters identified in the Form of Proxy and the Notice of Meeting and with respect to other matters, which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting, it is the intention of the persons designated in the enclosed Form of Proxy to vote in accordance with their best judgment on such matter or business. At the time of printing the Information Circular and Proxy Statement, the Directors know of no such amendments, variations or other matters.

Information for Beneficial Holders of Securities

Information set forth in this section is very important to persons who hold Common Shares otherwise than in their own names.

A non-registered securityholder of the Corporation (a "**Beneficial Holder**") who beneficially owns Common Shares, but whose Common Shares are registered in the name of an intermediary (such as a securities broker, financial institution, trustee, custodian or other nominee who holds securities on behalf of the Beneficial Holder or in the name of a clearing agency in which the intermediary is a participant) should note that only proxies or instructions deposited by securityholders whose names are on the records of the Corporation as the registered holders of Common Shares as at the Record Date (as defined below) can be recognized and acted upon at the Meeting.

Common Shares that are listed in an account statement provided to a Beneficial Holder by a broker are likely not registered in the Beneficial Holder's own name on the records of the Corporation and such Common Shares are more likely registered in either the name of CDS Clearing and Depository Services Inc. ("**CDS**") or its nominee, or the name of the Depository Trust Company ("**DTC**") or its nominee.

Applicable regulatory policy in Canada requires brokers and other intermediaries to seek voting instructions from Beneficial Holders in advance of securityholders' meetings. Every broker or other intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Holder by its broker is identical to that provided to registered securityholders. However, its purpose is limited to instructing the registered securityholder how to vote on behalf of the Beneficial Holder. Most brokers now delegate responsibility for obtaining

Table of Contents

instructions from clients to Broadridge Investor Communications Solutions ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Holders and asks Beneficial Holders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of the securities to be represented at the Meeting. A Beneficial Holder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Holders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of CDS, DTC or their broker or other intermediary, a Beneficial Holder may attend at the Meeting as proxy holder for the registered holder and vote their Common Shares in that capacity. Beneficial Holders who wish to attend the Meeting and indirectly vote their own Common Shares as proxy holder for the registered holder should enter their own names in the blank space on the Form of Proxy or voting instruction form provided to them and return the same to their broker or other intermediary (or the agent of such broker or other intermediary) in accordance with the instructions provided by such broker, intermediary or agent well in advance of the Meeting.

Voting Securities and Principal Holders Thereof

The Corporation is authorized to issue an unlimited number of Common Shares. As of the date of this Information Circular and Proxy Statement, there were 113,680,643 Common Shares outstanding.

At the Meeting, each Shareholder of record at the close of business on April 23, 2012, the record date established for the Notice of Meeting and for voting at the Meeting (the "**Record Date**"), will be entitled to one vote for each Common Share held on all matters proposed to come before the Meeting. At the close of business on the Record Date, there were 113,680,643 Common Shares outstanding and entitled to be voted at the Meeting.

To the knowledge of the board of directors of the Corporation (the "**Directors**", the "**Board**", or the "**Board of Directors**", and each one individually, a "**Director**"), there are no persons that beneficially own or exercise control or direction over Common Shares carrying approximately 10% or more of the votes attached to the issued and outstanding Common Shares.

MATTERS TO BE CONSIDERED AT THE MEETING

MATTER 1: ELECTION OF DIRECTORS

The number of Directors to be elected at the Meeting is six. **The persons named in the enclosed Form of Proxy, if not expressly directed to the contrary in such Form of Proxy, intend to vote for the election, as Directors, of the proposed nominees whose names are set out below.** It is not contemplated that any of the proposed nominees will be unable to serve as a Director but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed Form of Proxy reserve the right to vote for another nominee at their discretion. Each nominee elected as a Director will hold office until the next annual meeting of the Shareholders or until his or her successor is elected or appointed.

Majority Voting Policy

In May 2009, the Board of Directors adopted a majority voting policy. Under this policy, a Director who is elected in an uncontested election with more votes withheld than cast in favour of his or her election will be required to tender his or her resignation to the Chairman of the Board. The resignation

Table of Contents

will be effective when accepted by the Board. The Board will consider the resignation and determine whether or not the resignation should be accepted. The Board expects that resignations will be accepted unless there are extenuating circumstances that warrant a contrary decision. The Board will announce its decision (including, if applicable, the reasons for not accepting any resignation) via press release within 90 days of the meeting when the election was held.

CORPORATE GOVERNANCE DISCLOSURE

We are pleased to make the following disclosure regarding our corporate governance practices pursuant to National Policy 58-201 Corporate Governance Guidelines and National Instrument 58-101 Disclosure of Corporate Governance Practices, and Item 407 of Regulation S-K and other applicable SEC and NYSE rules:

Board of Directors

- (a) Directors are elected by Shareholders at the Corporation's annual general meeting, which is generally held in June of each year. Each Director holds office until the next annual meeting of the Shareholders or until his or her successor is elected or appointed. At the annual general and special meeting of shareholders held on June 29, 2010, Shareholders approved, among other things, changes to the Corporation's articles reducing the minimum Canadian residency requirement for Directors from 50% to 25%.
- (b) Under the Corporation's independence standards and under the NYSE corporate governance rules, a majority of the Board of Directors must qualify as "independent directors." At least annually, the Board is required to evaluate all relationships between

Table of Contents

the Corporation and each Director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or otherwise interfere with such Director's ability to satisfy his or her responsibilities as an independent Director. The Board of Directors has determined that each of Irving Gerstein, Kenneth Hartwick, John McNeil, R. Foster Duncan and Holli Ladhani is an independent Director.

- (c) The non-independent member of the Board is Barry Welch. Mr. Welch is the President and Chief Executive Officer of the Corporation.
- (d) Five of the six members of the Board are independent.
- (e) Three of the Directors also serve as directors on the boards of other reporting issuers (or the equivalent in other jurisdictions). Senator Gerstein serves as a director on the boards of Medical Facilities Corporation and Student Transportation Inc. Mr. Hartwick serves as director on the board of Just Energy Group Inc. Mr. Duncan serves as director on the boards of Essential Power, LLC in Iselin, New Jersey, and Xtreme Power Inc. in Austin, Texas, as well as on the Board of Advisors of GridPoint, Inc. in Arlington, Virginia.
- (f) Each of the independent members of the Board, the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee meet regularly without management present. These meetings without management generally occur each time the Board or respective Committee holds a scheduled meeting.
- (g) The Chair of the Board, Senator Gerstein, is an independent Director. Mr. Gerstein's responsibilities include establishing, in consultation with the Chief Executive Officer of the Corporation, the Directors and appropriate members of management, the agendas for each meeting of the Board. The agenda for each committee meeting is established by the Chair of that committee in consultation with appropriate members of the committee and management.
- (h) The following table sets forth the number of Board and committee meetings held and attendance by Directors (in person or by telephone) for the year ended December 31, 2011:

Table of Contents

The Corporation does not have a policy of requiring its Directors to attend the annual general meeting of shareholders. Five of six Directors then serving attended the annual meeting held on June 24, 2011.

It is expected that the Board will meet at least six times each year: three meetings to review quarterly results, prior to the issuance of the annual audited financial results of the Corporation, an annual budget meeting in December and an annual strategy and director education meeting in January (and more frequently, if required). The committees of the Board meet as required by their respective charters.

Board Mandate

The mandate of the Board of Directors is included as Schedule A to this Information Circular and Proxy Statement.

Risk Oversight

The Audit Committee receives and discusses a risk management update each quarter which is reviewed and discussed with management prior to the committee's recommendation to the Board to approve quarterly financial disclosures. In addition, the Board receives monthly Operations Reports about each project with full opportunity for Directors to ask questions of management about any potential issues identified.

Board Leadership Structure

The Charter of the Board of Directors requires the Chair of the Board to be an independent director. Currently, Mr. Gerstein serves as the Chair. The Chair is expected to attend and chair meetings of the Board and Shareholders. The Chair ensures that the Board carries out its responsibilities effectively and the Board understand the boundaries between Board and management responsibilities. The Chair is also responsible for providing direction with respect to the dates and frequencies of Board meetings and related committee meetings. The Chair liaises with the Chief Executive Officer to prepare Board meeting agendas.

Directors who qualify as "non-management" within the meaning of the NYSE rules meet on a regular basis in executive sessions without management participation and, at least once per year, an executive session is held with only independent directors present. The executive sessions are chaired by the Chair of the Board. In addition, the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, all of which are comprised entirely of independent Directors, also perform oversight functions independent of management.

Audit Committee

The Corporation has established an audit committee consisting of Messrs. The committee's primary purposes are to, amongst other things: (i) assist the Board in its oversight and supervision of the integrity of the accounting and financial reporting practices and procedures, the adequacy of the internal accounting controls and procedures and the compliance with legal and regulatory requirements in respect of financial disclosure; (ii) assess, monitor and manage the strategic, operating, reporting and compliance risks of the business; and (iii) supervise the qualification, independence and performance of independent accountants of the Corporation.

The Board of Directors has determined that Kenneth Hartwick qualifies as an "audit committee financial expert" as the term is defined in the rules of the SEC. Mr. Hartwick is an independent Director. The Audit Committee met four times during 2011.

Nominating and Corporate Governance Committee

The Corporation has established a Nominating and Corporate Governance Committee consisting of Messrs. The committee's primary purposes are to, amongst other things: (i) screen and identify individuals who are qualified to become members of the Board; (ii) recommend to the Board director nominees to be presented for shareholder approval at the annual meetings of the shareholders of the Corporation; (iii) recommend to the Board nominees to fill vacancies on the Board or as otherwise required outside of the annual meetings of shareholders of the Corporation; (iv) select, or recommend to the Board, the directors to comprise the committees of the Board; (v) implement a process for examining the size of the Board and to undertake, where appropriate, a program to establish a Board size which facilitates effective decision-making; (vi) establish procedures for the nomination of directors and executive officers of the Corporation generally; (vii) establish and administer an annual assessment process relating to the performance of the Board as a whole, the committees of the Board and individual directors; (viii) review with the Board from time to time the appropriate skills and characteristics required of directors in the context of the current make-up of the Board, including issues of diversity, age, skills relating to the Corporation's businesses and professional background; (ix) recommend to the Board procedures for the conduct of Board meetings and the proper discharge of the Board's mandate as set out in the charter of the Board; (x) monitor the relationship between the officers and the Board with a view to ensuring that the Board is able to function independently of officers; (xi) develop the Corporation's approach to governance, including the development of a set of governance principles and guidelines that are specifically applicable to the Corporation; (xii) perform a leadership role in shaping the Corporation's corporate governance practices and provide oversight with respect to its corporate governance conduct; and (xiii) perform such other functions as the Board may from time to time request.

Table of Contents

In identifying, evaluating, and recommending suitable director candidates, the Nominating and Corporate Governance Committee may take into account a number of factors, such as the appropriate skills and characteristics required of directors in the context of the current make-up of the Board, including issues of diversity, skills relating to the Corporation's businesses and professional background and existing commitments to outside boards. It is the Corporation's practice to retain an outside recruiting firm to identify a wide range of candidates for review and consideration and to assist in the evaluation process. The Nominating and Governance Committee has not formally adopted any specific, minimum qualifications that must be met by each candidate for the Board, nor are there specific qualities or skills that are necessary for one or more of the members of the Board to possess. The Nominating and Governance Committee believes that candidates and nominees must reflect a Board that is comprised of directors who have competencies, skills and personal qualities required of Board members in light of relevant factors, including: (1) the objective of adding value to the Corporation in light of the opportunities and risks facing the Corporation and the Corporation's proposed strategies; (2) the need to ensure, to the greatest extent possible, that a majority of the Board is comprised of individuals who meet the independence requirements of the applicable securities legislation or other guidelines, including the Corporation's categorical standards for director independence; and (3) the policies of the Board with respect to board member tenure, retirement and succession and Board member commitments.

The Nominating and Corporate Governance Committee would review and consider any director nominees who have been recommended by Shareholders in the same manner as described above. All Shareholder recommendations for director nominees must be submitted to Irving Gerstein at Atlantic Power Corporation, 200 Clarendon St., Floor 25 Boston, Massachusetts 02116.

The Nominating and Corporate Governance Committee did not meet during 2011, as matters relating to director nominations and corporate governance were addressed during 2011 by the full Board.

Compensation Committee

The Corporation has established a Compensation Committee consisting of Messrs. Gerstein, Hartwick, McNeil and Duncan and Ms. Ladhani, each of whom is an independent director under the NYSE corporate governance rules and National Instrument 52-110 Audit Committees. The committee's primary purposes include: (i) discharging the responsibilities of the Board relating to compensation of the CEO and other named executive officers; (ii) evaluating the compensation plans, policies and programs that are of strategic significance to the Corporation; and (iii) reviewing and discussing with the Corporation's officers the Statement of Executive Compensation, including the Compensation Discussion and Analysis ("CD&A"), to be included in the Corporation's annual proxy circular and determining whether to recommend to the Board that the CD&A be included in the proxy circular. The Compensation Committee may form and delegate its authority to subcommittee consisting of one or more member of the Committee when appropriate. The Compensation Committee has not delegated any of its authority in 2011.

In 2009, the independent Directors retained Hugessen Consulting Group ("**Hugessen**") to assist in the restructuring and negotiation of new employment agreements for the Corporation's senior executives and to provide a review of the LTIP and of LTIP alternatives, and assist the Board in the design of a restated and amended LTIP. The Amended LTIP was structured to further align the interests of the senior executives with those of Shareholders. Aggregate fees for professional services rendered by KPMG LLP for the years ended December 31, 2011 and 2010 were as follows:

Fees	2011	2010
Audit Fees	1,030,000	732,475

Tax Fees	460,000	392,500
All Other Fees		
Total Fees	\$ 1,983,000	\$ 1,928,293

Notes:

- (1) Audit-related fees for the years ended December 31, 2011 and 2010 were for assurance and related services primarily attributable to issuance of a comfort letter and consents in connection with the Registration Statements on Form S-1 and Form 10, proxy statements and a private placement debt offering.

The Audit Committee pre-approves all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to the Corporation by KPMG LLP; however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Corporation if the "de minimus" provisions of Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") are satisfied. There were no services provided under the "de minimus" provision in 2011. The authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

Change in Auditors

From the time of the Corporation's initial public offering on the Toronto Stock Exchange ("**TSX**") in 2004, the Canadian firm of KPMG LLP, Chartered Accountants ("**KPMG Canada**") had served as the Corporation's independent public accounting firm. In April 2010, the Corporation filed an initial registration statement on Form 10 with the United States Securities and Exchange Commission ("**SEC**"). The registration statement was declared effective on July 21, 2010 and Common Shares began trading on the New York Stock Exchange ("**NYSE**") on July 23, 2010. Beginning with the first quarter of 2010, the Corporation commenced reporting its financial statements under United States generally accepted accounting principles ("**GAAP**"), rather than Canadian GAAP as in prior periods.

In connection with these events, on August 4, 2010, the Audit Committee authorized the appointment of the United States firm of KPMG LLP ("**KPMG US**") as the Corporation's independent registered public accounting firm for the fiscal year 2010 year-end audit. KPMG Canada's tenure as the Corporation's independent public accounting firm lapsed at the conclusion of the fiscal year 2010 second quarter review.

The audit report of KPMG Canada on the consolidated financial statements of the Corporation prepared in accordance with United States GAAP as of and for the years ended December 31, 2009 and 2008, as included in the Corporation's registration statement on Form 10 filed with the SEC on July 21, 2010, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except that the audit report indicated that, as discussed in note 2 to the consolidated financial statements, (i) on January 1, 2009, the Corporation

Table of Contents

adopted FASB's ASC 805 Business Combinations, (ii) on January 1, 2008, the Corporation changed its method of accounting for fair value measurements in accordance with FASB ASC 820 Fair Value Measurements, and (iii) on January 1, 2007, the Corporation changed its method of accounting for income tax uncertainties in accordance with guidance provided in FASB ASC 740 Income Taxes.

During the fiscal years ended December 31, 2009 and 2008, and in the interim period from January 1, 2010 through August 4, 2010, there were no disagreements between the Corporation and KPMG Canada on any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG Canada, would have caused it to make reference thereto in connection with their report. Additionally, during this time frame there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

During the years ended December 31, 2009 and 2008 and for the period beginning January 1, 2010 and ending August 4, 2010, neither the Corporation nor anyone acting on its behalf consulted KPMG US with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Corporation's consolidated financial statements, and no written report or oral advice was provided by KPMG US to the Corporation that KPMG US concluded was an important factor considered by the Corporation in reaching a decision as to the accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to that Item) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

The Board of Directors, upon recommendation of the Audit Committee, recommends a vote FOR the appointment of KPMG LLP as the auditors of the Corporation and the authorization of the Corporation's Board of Directors to fix such auditors' remuneration.

- (3) The Audit Committee has received the written disclosures and the letter from the independent accountant required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

MATTER 3: SPECIAL BUSINESS NON-BINDING ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

As required by Section 14A of the Exchange Act, the Corporation is seeking an advisory (non-binding) vote on the compensation paid to the Corporation's named executive officers, as disclosed in this Information Circular and Proxy Statement pursuant to the Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion. As previously disclosed by the Corporation, the Board of Directors has determined that it will hold an advisory vote on executive compensation on an annual basis, and the next such advisory vote will occur at the 2013 Annual Meeting of Shareholders.

This vote, commonly known as a Say-on-Pay proposal, gives Shareholders the opportunity to express their views on the compensation of the Corporation's named executive officers. This vote is not intended to address any specific item of compensation, but the overall compensation of the named executive officers and the principles, policies and practices described in this Information Circular and Proxy Statement. As this is an advisory vote, the result will not be binding on the Corporation, the Board of Directors or the Compensation Committee. However, the Board of Directors and the Compensation Committee value the opinions of Shareholders and intend to take into account the results of the vote when considering future compensation decisions for the named executive officers.

Vote Required

Advisory approval of the proposal on named executive officer compensation requires the affirmative vote of a majority of the votes cast at the Meeting. **The persons named in the enclosed Form of Proxy, if not expressly directed to the contrary in such Form of Proxy, will vote such proxies in favour of a resolution to approve, on a non-binding advisory basis, the compensation of the Corporation's named executive officers.**

The Board of Directors, upon recommendation of the Compensation Committee, recommends a vote FOR approval, on a non-binding advisory basis, of the compensation paid to our named executive officers, as disclosed in this Information Circular and Proxy Statement.

MATTER 4: SPECIAL BUSINESS APPROVAL OF THE 2012 EQUITY INCENTIVE PLAN

At the Meeting, Shareholders will be asked to consider and, if thought advisable, to pass, with or without alteration or modification, a special resolution, the full text of which is set forth below in this Information Circular and Proxy Statement, approving the adoption by the Corporation of the 2012 Equity Incentive Plan, a copy of which is set forth in Schedule B to this Information Circular and Proxy Statement.

Background

The Board of Directors believes that share-based incentive awards can play an important role in the success of the Corporation by encouraging and enabling the employees and officers of the Corporation and its subsidiaries upon whose judgment, initiative and efforts the Corporation largely depends for the successful conduct of its business to acquire a proprietary interest in the Corporation. The Board of Directors anticipates that providing such persons with a direct stake in the Corporation will assure a closer identification of the interests of such individuals with those of the Corporation and its shareholders, thereby stimulating their efforts on the Corporation's behalf and strengthening their desire to remain with the Corporation. The Corporation's Long-Term Incentive Plan (the "**LTIP**") permits the Corporation to grant notional shares to be earned tied to the Corporation's performance. With the growth in the Corporation, the Board of Directors has concluded that the LTIP is not sufficiently flexible enough to structure different forms of equity grants to meet the needs of the Corporation.

Accordingly, on April 23, 2012 the Board, upon the recommendation of the Compensation Committee, adopted the 2012 Equity Incentive Plan (the "**2012 Incentive Plan**"), subject to the approval of the Shareholders and the TSX. The 2012 Incentive Plan increases flexibility of the Compensation Committee to use various equity-based incentive awards as compensation tools to motivate the Corporation's workforce. If the Shareholders approve the 2012 Incentive Plan, going forward, the Corporation will have two different stock plans, the LTIP and the 2012 Incentive Plan.

Summary of Material Features

The material features of the 2012 Incentive Plan as proposed are:

The maximum number of Common Shares to be issued under the 2012 Incentive Plan is 250,000;

The award of restricted stock, unrestricted stock and cash-based awards is permitted;

Minimum vesting periods are required for grants of restricted stock;

Certain material amendments to the 2012 Incentive Plan are subject to approval by our shareholders, as described below; and

The term of the 2012 Incentive Plan will expire on June 22, 2022.

Based solely on the closing price of our Common Shares as reported by the NYSE on April 27, 2012, the maximum aggregate market value of the Common Shares that could potentially be issued under the 2012 Incentive Plan is \$3.6 million. The Common Shares we issue under the 2012 Incentive Plan will be authorized but unissued Common Shares. The Common Shares underlying any awards that are forfeited, canceled or otherwise terminated are added back to the Common Shares available for issuance under the 2012 Incentive Plan.

Qualified Performance-Based Compensation under Code Section 162(m)

To ensure that certain awards granted under the 2012 Incentive Plan to a "Covered Employee" (as defined in the U.S. Internal Revenue Code of 1986 (the "**Code**")) qualify as "performance-based compensation" under Section 162(m) of the Code and accordingly, deductible for U.S. tax purposes, the 2012 Incentive Plan provides that the Compensation Committee may require that the vesting of such awards be conditioned on the satisfaction of performance criteria that may include any or all of the following: (1) earnings before interest, taxes, depreciation and amortization; (2) net income (loss) (either before or after interest, taxes, depreciation and/or amortization); (3) changes in the market price of the Common Shares; (4) economic value-added; (5) funds from operations or similar measures; (6) sales or revenue; (7) acquisitions or strategic transactions; (8) product development or quality; (9) operating income (loss); (10) cash flow (including, but not limited to, operating cash flow and free cash flow); (11) return on capital, assets, equity, or investment; (12) shareholder returns; (13) return on sales; (14) gross or net profit levels; (15) productivity; (16) expenses; (17) margins; (18) operating efficiency; (19) customer satisfaction; (20) working capital; (21) earnings (loss) per Common Share; (22) sales or market shares; and (23) number of customers, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group. The Compensation Committee will select the particular performance criteria within 90 days following the commencement of a performance cycle. Subject to adjustments for stock splits and similar events, the maximum award granted to any one individual that is intended to qualify as "performance-based compensation" under Section 162(m) of the Code will not exceed 20,000 Common Shares for any performance cycle. If a performance-based award is payable in cash, it cannot exceed \$500,000 for any performance cycle.

Summary of the 2012 Incentive Plan

The following is a summary of the material provisions of the 2012 Incentive Plan. This summary does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of the 2012 Incentive Plan, the full text of which is set forth in Schedule B to this Information Circular and Proxy Statement.

Plan Administration. The 2012 Incentive Plan is administered by the Compensation Committee. The Compensation Committee has full power to select, from among the individuals eligible for awards, the individuals to whom awards will be granted, to make any combination of awards to participants, and to determine the specific terms and conditions of each award, subject to the provisions of the 2012 Incentive Plan. Upon being selected by the Compensation Committee to receive an award, the grantee will receive such number of Common Shares as allocated to them for no further consideration.

Eligibility. Persons eligible to participate in the 2012 Incentive Plan will be those full or part-time officers and employees of the Corporation and its subsidiaries as selected from time to time by the Compensation Committee in its discretion. Approximately 277 individuals are currently eligible to participate in the 2012 Incentive Plan, which includes two officers and 275 employees.

Plan Limits. If any award of restricted stock granted to an individual is intended to qualify as "performance-based compensation" under Section 162(m) of the Code, then the maximum award shall not exceed 20,000 Common Shares (subject to adjustment for stock splits and similar events) to any one such individual in any performance cycle. If any cash-based award is intended to qualify as "performance-based compensation" under Section 162(m) of the Code, then the maximum award to be paid in cash in any performance cycle may not exceed \$500,000.

Table of Contents

Limitations on Participation.

No award may be granted under the 2012 Incentive Plan at any time if such grant could result in:

- (a) the number of Common Shares reserved for issuance under the 2012 Incentive Plan, together with any other security-based compensation arrangement of the Corporation, exceeding 10% of Common Shares then issued and outstanding;
- (b) the number of Common Shares (i) issued to insiders within any one-year period and (ii) issuable to insiders at any time, under the 2012 Incentive Plan or when combined with all of the Corporation's other security-based compensation arrangements, exceeding 10% of the total issued and outstanding Common Shares;

Restricted Stock. The Compensation Committee may award Common Shares to participants subject to such conditions and restrictions as the Compensation Committee may determine. These conditions and restrictions may include the achievement of certain performance goals (as summarized above) and/or continued employment with us through a specified restricted period. However, except in the case of retirement, death, disability or a change of control, in the event these awards granted to employees have a performance-based goal, the restriction period will be at least one year, and in the event these awards granted to employees have a time-based restriction, the restriction period will be at least three years, but vesting can occur incrementally over such period. Except as may otherwise be provided by the administrator either in the award certificate or in writing after the award is issued, a grantee's rights in any shares of restricted stock that have not vested shall automatically terminate upon the grantee's termination of employment (or other service relationship) with the Corporation and its subsidiaries.

Unrestricted Stock Awards. The Compensation Committee may also grant Common Shares which are free from any restrictions under the 2012 Incentive Plan. Unrestricted stock may be granted to any participant in recognition of past services or other valid consideration and may be issued in lieu of cash compensation due to such participant.

Cash-Based Awards. The Compensation Committee may grant cash bonuses under the 2012 Incentive Plan to participants. The cash bonuses may be subject to the achievement of certain performance goals (as summarized above).

Change of Control Provisions. The 2012 Incentive Plan provides that upon the effectiveness of a "sale event" as defined in the 2012 Incentive Plan, the restrictions and conditions on all outstanding awards will automatically be deemed waived.

Adjustments for Stock Dividends, Stock Splits, Etc. The 2012 Incentive Plan requires the Compensation Committee to make appropriate adjustments to the number of Common Shares that are subject to the 2012 Incentive Plan, to certain limits in the 2012 Incentive Plan, and to any outstanding awards to reflect stock dividends, stock splits, extraordinary cash dividends and similar events.

Tax Withholding. Participants in the 2012 Incentive Plan are responsible for the payment of any federal, provincial, state and local taxes that the Corporation is required by law to withhold upon the vesting of awards. Subject to approval by the Compensation Committee, participants may elect to have the minimum tax withholding obligations satisfied by authorizing the Corporation to withhold Common Shares to be issued pursuant to the vesting.

Table of Contents

Amendments and Termination.

The Board may, at any time, amend or discontinue the 2012 Incentive Plan and the administrator of the 2012 Incentive Plan may, at any time, amend or cancel any outstanding award thereunder, in each case for the purpose of satisfying changes in law or for any other lawful purpose, provided that no such action shall adversely affect rights under any outstanding award without the holder's consent and any such action shall be subject to regulatory approvals, including, where required, the approval of the TSX and the NYSE. No such amendment to the 2012 Incentive Plan or any award shall require the approval of the Corporation's shareholders unless such amendment involves:

- (a) any increase in the number of shares reserved for issuance under the 2012 Incentive Plan;
- (b) any reduction in the pricing of awards issuable under the 2012 Incentive Plan or cancellation and reissue of entitlements under the 2012 Incentive Plan;
- (c) amendments to the persons eligible to participate in the 2012 Incentive Plan that may permit the introduction of non-employee directors on a discretionary basis;
- (d) any amendment that extends the term of awards beyond the original expiry, if any;
- (e) an amendment which would permit awards granted under the 2012 Incentive Plan to be transferable or assignable other than for normal estate settlement purposes; or
- (f) an amendment to the plan amendment provisions contained in the 2012 Incentive Plan.

Notwithstanding the foregoing, to the extent required under the rules of any securities exchange or market system on which the shares of the Corporation are listed, to the extent determined by the administrator of the 2012 Incentive Plan to be required, amendments shall be subject to approval by the Corporation's shareholders entitled to vote at a meeting of shareholders.

Except as may otherwise be provided by the administrator either in the award certificate or in writing after the award is issued, if a grantee's employment (or other service relationship) with the Corporation and its subsidiaries terminates for any reason, any restricted stock that has not vested at the time of termination shall automatically and without any requirement of notice to such grantee from or other action by or on behalf of, the Corporation be or be deemed to have been reacquired by the Corporation at its original purchase price (if any) from such grantee or such grantee's legal representative, or any trustee holding such restricted stock on behalf of the grantee, simultaneously with such termination of employment (or other service relationship), and thereafter shall cease to represent any ownership of the Corporation by the grantee or rights of the grantee as a shareholder.

Transferability. Awards under the 2012 Incentive Plan are not assignable, other than by will or by the laws of descent and distributions or pursuant to a domestic relations order.

Effective Date and Term of the 2012 Incentive Plan. The Board of Directors adopted the 2012 Incentive Plan on April 23, 2012 and the 2012 Incentive Plan will become effective on the date it is approved by the Shareholders. No awards may be granted under the 2012 Incentive Plan after the date that is 10 years from the date of Shareholder approval.

Table of Contents

New Plan Benefits

Because the grant of awards under the 2012 Incentive Plan is within the discretion of the Compensation Committee, the Corporation cannot determine the dollar value or number of Common Shares that will in the future be received by or allocated to any participant in the 2012 Incentive Plan.

Tax Aspects Under the Code

The following is a summary of the principal U.S. federal income tax consequences of certain transactions under the 2012 Incentive Plan. It does not describe all U.S. federal tax consequences under the 2012 Incentive Plan, nor does it describe state or local tax consequences.

Awards. The Corporation generally will be entitled to a tax deduction in connection with an award under the 2012 Incentive Plan in an amount equal to the ordinary income realized by the participant at the time the participant recognizes such income. Participants typically are subject to income tax and recognize such tax at the time that an award vests or becomes non-forfeitable, unless the award provides for a further deferral.

Parachute Payments. The vesting of any portion of an award that is accelerated due to the occurrence of a change in control (such as a sale event) may cause a portion of the payments with respect to such accelerated awards to be treated as "parachute payments" as defined in the Code. Any such parachute payments may be non-deductible to the Corporation, in whole or in part, and may subject the recipient to a non-deductible 20% federal excise tax on all or a portion of such payment (in addition to other taxes ordinarily payable).

Limitation on Deductions. Under Section 162(m) of the Code, the Corporation's deduction for certain awards under the 2012 Incentive Plan may be limited to the extent that the Chief Executive Officer or other executive officer whose compensation is required to be reported in the summary compensation table (other than the Principal Financial Officer) receives compensation in excess of \$1 million a year (other than performance-based compensation that otherwise meets the requirements of Section 162(m) of the Code). The 2012 Incentive Plan is structured to allow certain awards to qualify as performance-based compensation.

Special Resolution

The text of the resolution that Shareholders will be asked to consider, approving the 2012 Incentive Plan, is set out below. **In the absence of a contrary instruction, the person(s) designated by management of the Corporation in the enclosed form of proxy intend to vote "FOR" the 2012 Incentive Plan resolution.**

BE IT RESOLVED, AS A SPECIAL RESOLUTION OF SHAREHOLDERS THAT:

1. the 2012 Incentive Plan as described in, and attached as Schedule B to, the Corporation's information circular and proxy statement dated April 30, 2012, as may be amended and/or restated from time to time, and approved by the Board of Directors be and is hereby authorized and approved with such amendments as may be approved by the Board of Directors;
2. the Corporation is hereby authorized and approved to continue to grant awards under the 2012 Incentive Plan until June 22, 2022, being the date that is ten years from the date of the annual and special meeting of Shareholders at which this approval is being sought;

Table of Contents

3. notwithstanding that this resolution has been duly passed, the Board of Directors may, without further notice to or approval of the Shareholders, revoke this resolution, in whole or in part, at any time prior to the 2012 Incentive Plan becoming effective; and
4. any Director or officer of the Corporation is hereby authorized and directed, for and on behalf of the Corporation, to execute and, if appropriate, deliver and file all other documents and instruments and do all other things as in the opinion of such Director or officer may be necessary or advisable to implement this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution, filing or delivery of any such document or instrument, and the taking of any such action.

The Board of Directors, upon recommendation of the Compensation Committee, having concluded that the 2012 Incentive Plan is in the best interests of the Corporation recommends that Shareholders vote FOR the special resolution to approve the 2012 Incentive Plan.

Approvals

Shareholder Approval

In order for the 2012 Incentive Plan resolution above to be passed, it must be approved by the affirmative vote of two-thirds of the votes cast by Shareholders, being those Shareholders present in person or represented by proxy, on the resolution at the Meeting.

The Directors and named executive officers of the Corporation, who beneficially owned, directly or indirectly, or exercised control or direction over, approximately 0.7% of the outstanding Common Shares as at April 27, 2012, have indicated that they intend to vote in favour of the 2012 Incentive Plan resolution.

If you return a form of proxy but do not specify how you want your Common Shares voted, the persons named as proxyholders will cast the votes represented by proxy at the Meeting "FOR" the approval of the 2012 Incentive Plan resolution.

TSX Approval

The 2012 Incentive Plan is subject to the approval of the TSX. The TSX has conditionally approved the 2012 Incentive Plan and the listing of the Common Shares reserved for issuance under the 2012 Incentive Plan, subject to the receipt of Shareholder approval.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

Until December 31, 2009, the Corporation was managed through a management services agreement with Atlantic Power Management, LLC, which is referred to herein as the "**Manager**," which was owned by two private equity funds managed by ArcLight Capital Partners, LLC. As such, the Corporation did not have any executive officers or other employees and all of the persons listed in this Information Circular and Proxy Statement as "named executive officers" were employed by the Manager. Effective December 31, 2009, the management services agreement was terminated and all of the employees of the Manager became employees of the Corporation. In addition, Barry Welch, Patrick Welch and Paul Rapisarda entered into executive employment agreements with the Corporation in connection with the termination of the management services agreement.

The following Compensation Discussion and Analysis ("**CD&A**") describes the Corporation's compensation policies and practices as they relate to our executive officers identified in the Summary Compensation Table below (the "**named executive officers**").

2011 Achievements and Highlights

Acquired Capital Power Income L.P., now Atlantic Power Limited Partnership (the "**Partnership**"), on November 5, 2011 for a total enterprise value of approximately \$1.8 billion, roughly doubling the Company's enterprise value and market capitalization;

added 18 generation projects and increased the Corporation's net generating capacity by 143% to 2,116 MW, significantly decreasing its dependence on any individual project's performance;

diversified the Corporation's portfolio by adding plants in new regions of the United States and eight Canadian plants in Ontario and British Columbia and enhancing growth projects for those regions;

established the Corporation as the owner operator for approximately 50% of its projects;

retained 100% of Partnership's operations personnel, increasing the Corporation's employee count to 277, and adding offices in Toronto, Vancouver, Chicago and San Diego;

acquired a 30% interest in Rockland Wind, an 80 MW wind farm in American Falls, Idaho in December 2011, bringing the Corporation's total net generating capacity to 2,140 MW;

continued construction of 53MW Piedmont biomass facility on schedule and on budget;

met the Company's guidance for cash generated by projects, exceeding the Board approved 2011 budget; and

substantially met the Board approved 2011 goals and objectives.

Aggregate power generation in MWh's for 2011 increased approximately 24% from the previous year primarily due to increased generation from the newly acquired Partnership

Table of Contents

projects. Weighted average availability of Atlantic Power's projects also increased by 1.3% to 96.5% for the year ended 2011 vs. 2010.

Project revenue was 46% higher than in 2010.

Cash available for distribution was 21% higher than in 2010.

Executive Compensation Objectives

Compensation plays an important role in achieving short and long-term business objectives that ultimately drives business success in alignment with long-term shareholder goals. The objectives of the Corporation's compensation program are to:

attract and retain highly qualified executive officers with a history of proven success;

align the interests of the executive officers with Shareholders' interests and with the execution of the Corporation's business strategy;

establish performance goals that, if met by the Corporation, are expected to improve long-term shareholder value; and

tie compensation to performance with respect to those goals and provide meaningful rewards for achieving them.

The Corporation's compensation program is designed to provide competitive rewards for services and incentive for its senior management team to implement both short-term and long-term strategies aimed at increasing shareholder value and aligning the interests of senior management with those of the Shareholders.

The compensation program of the Corporation has been established in order to compete with remuneration practices of companies similar to the Corporation and those which represent potential competition for the Corporation's executive officers and other employees. In this respect, the Corporation identifies remuneration practices and remuneration levels of companies that are likely to compete for its employees. In designing the compensation program, the Board of Directors focuses on remaining competitive in the market with respect to total compensation for each of the executive officers. However, the Board of Directors does review each element of compensation for market competitiveness and it may weigh a particular element more heavily based on the executive officer's role.

2011 Say on Pay Vote

At our Annual Meeting of Shareholders held on June 24, 2011, 91.47% of the votes cast on the say-on-pay proposal regarding the executive compensation of our named executive officers identified in our 2011 Information Circular and Proxy Statement were voted in favor of the proposal. The Compensation Committee believes this strong level of support affirms Shareholders' support of the Corporation's approach to executive compensation. The Compensation Committee will continue to consider the outcome of the Corporation's annual 'say-on-pay' votes when making future compensation decision for the named executive officers.

Table of Contents

Elements of Executive Compensation

The compensation of each named executive officer includes a base salary, cash bonus and eligibility for awards under the long-term incentive plan. All compensation decisions for named executive officers are made by the Compensation Committee of the Board of Directors. The Compensation Committee periodically utilizes the services of Hugessen, an independent compensation consultant, to assist it in reviewing its compensation structure. Hugessen does not provide any other services to the Corporation.

Named Executive Officers in 2011

Our named executive officers in 2011 include Barry E. Welch, our President and Chief Executive Officer, Paul H. Rapisarda, our Executive Vice President Commercial Development, William B. Daniels, our Vice President Operations East and John J. Hulburt, our Corporate Controller. We also appointed Lisa Donahue to serve as interim Chief Financial Officer on July 12, 2011 as Patrick J. Welch, our former Chief Financial Officer, resigned on June 10, 2011.

Base salary

The base salaries for the named executive officers for 2011 were based on a review by the Compensation Committee. This review is based on the level of responsibility, the experience level attained by the relevant named executive officer, competitive salaries for similar positions in the market, and his or her personal contribution to the Corporation's operating and financial performance with a goal to ensure that the base salaries are appropriate and competitive. On the basis of this review by the Board of Directors, Barry Welch's salary was increased from \$535,000 to \$575,000, Patrick Welch's salary was increased from \$259,500 to \$310,000, and Paul Rapisarda's salary was increased from \$257,500 to \$310,000. Lisa Donahue, our interim Chief Financial Officer, serves as an Managing Director of AlixPartners, LLP, with whom we have entered into an agreement for management services relating to fees for Ms. Donahue's services. Annual cash bonus (non-equity incentive plan compensation)

Annual cash bonus awards for William Daniels and John Hulburt are discretionary, and generally based on whether or not duties have been performed well based on the relevant named executive officer's success in contributing to the operating and financial performance of the Corporation, including achieving annual goals and objectives approved by the Board. The annual goals and objectives are established at the company level and are broadly based on (i) company growth strategy through acquisitions and organic

growth; (ii) operating performance of existing assets; (iii) accounting and finance; (iv) investor relations; and (v) risk management and administrative functions.

In 2011, William Daniels made significant contributions to the Corporation achieving its goals and objectives pertaining to operating, safety and financial performance of existing projects as well as to the successful acquisition and integration of the Partnership. In 2011, John Hulburt made significant contributions to the Corporation achieving its goals and objectives pertaining to timely issuances of financial statements and other required disclosures and meeting Sarbanes Oxley 404 requirements for internal control over financial reporting with no significant deficiencies or material weaknesses identified in management or external audit testing.

In the case of Barry Welch, Patrick Welch and Paul Rapisarda, for each of the three years 2009 through 2011 per the terms of their respective employment contracts there are three components: (i) pursuant to arrangements entered into at the time of the internalization of the Manager in December 2009, a portion of the annual cash bonus, identified as "Bonus" in the Summary Compensation Table on page 47, is fixed based on the average amount in 2007 and 2008 of the portion of their bonuses that were paid by the Manager and not reimbursed by the Corporation in such years; (ii) a second component is based on the Corporation's total shareholder return compared to a group of peer companies of the Corporation. For this portion, which is included in the column identified as "Non-equity incentive plan compensation" in the Summary Compensation Table on page 47, a scale establishes a minimum of zero and a maximum of 110% of a target amount equal to \$300,000, \$130,000 and \$130,000 for Barry Welch, Patrick Welch and Paul Rapisarda, respectively. Relative performance at greater than the 10th percentile of the peer group is required to earn the minimum award and at greater than the 85th percentile of the peer group in order to earn the maximum award; and (iii) a discretionary component from zero to a maximum of 20% of the target in (ii) above, which is also included in the column identified as "Non-equity incentive plan compensation" in the Summary Compensation Table on page 47, is based on the Board's assessment of the senior officers' performance in contributing to achievement of the Corporation's approved goals and objectives. Specifically in 2011, the Directors based these assessments on for Barry Welch, his contributions to the achievement of goals related to the Corporation's growth strategy, operating and financial performance, risk management and investor relations and for Paul Rapisarda, his contributions to the achievement of goals related to the Corporation's growth strategy and operating performance of existing assets. In 2011, Barry Welch, Patrick Welch and Paul Rapisarda received for the portion of their bonus compensation based on 2010 relative total shareholder return 80% of their target amounts, and each also received the maximum 20% of such target based on the Board's assessment of the senior officers' performance.

Total shareholder return refers to the rate of return that a shareholder would earn on an investment in common shares (or, prior to the conversion of IPSs to common shares, IPSs) assuming the investment was held for the entire year and that monthly dividends were reinvested. For 2011, the Compensation Committee included the following companies in the peer group (the "**2011 Peer Group**") for the purpose of determining the Corporation's relative total shareholder return performance:

Boralex, Inc.;

Brookfield Renewable Power Fund;

Capital Power Income LP;

Northland Power Income Fund;

Macquarie Power and Infrastructure Income Fund;

Algonquin Power & Utilities Corp.;

Maxim Power Corp;

22 utilities in the S&P 400 Utility Index⁽¹⁾

In 2011, the Corporation's total shareholder performance return ("TSR") of 6.6% was at the 43rd percentile of the Corporation's peer group, as calculated by IPREO.

While this TSR would result in a 2012 TSR bonus of \$150,000 for Barry Welch and \$65,000 for Paul Rapisarda and a total 2012 bonus of \$610,000 and \$221,000, respectively for them, the Compensation Committee elected to exercise its discretion and recommend one-time additional bonus payments of \$140,000 for Barry Welch and \$79,000 for Paul Rapisarda. This was based on recognizing their achievements related to assessing, financing and closing the transformative acquisition and beginning the successful integration of the Partnership. The Compensation Committee took into account the value to the Corporation of the acquisition and the strong TSR performance after absorbing the impact of the issuance of substantial additional Common Shares in October and November in connection with the acquisition. The Compensation Committee also made one-time LTIP awards to Mr. Welch and Mr. Rapisarda of 15,000 and 12,000 notional shares on March 1, 2012, respectively.

Annual cash bonus awards for William Daniels and John Hulburt are discretionary, and generally based on whether or not duties have been performed well based on the relevant named executive officer's success in contributing to the operating and financial performance of the Corporation, including achieving annual goals and objectives approved by the Board. The annual goals and objectives are established at the company level and are broadly based on (i) company growth strategy through acquisitions and organic growth; (ii) operating performance of existing assets; (iii) investor relations; and (iv) risk management and administrative functions.

For the annual bonus paid in 2011 based on the 2010 performance year, Barry Welch's bonus was determined with one portion fixed at approximately the average level that the Manager's portion of his bonus had been paid for the prior two years, or \$400,000. The other portion of Mr. Welch's bonus was determined based on the sum of \$240,000 determined by the Corporation's 2010 total shareholder return performance relative to the Corporation's peer group and a maximum \$60,000 based on the independent directors' assessment of his performance against annually approved goals and objectives.

Including the one-time additional bonus of \$140,000 described above, Mr. Welch's total cash bonus for the 2011 performance year was \$750,000.

Notes:

- (1) In 2011 the Compensation Committee approved an expanded peer group to include the first eight in the group above as well as the companies included in the two indices.

Target ranges for STIP as percentages of base salaries <i>Long Term Incentive Plan ("LTIP")</i>	75-150%	50-100%	50-100%

The named executive officers and other employees of the Corporation are eligible to participate in the LTIP as determined by the Board of Directors. The purpose of the LTIP is to align the interests of named executive officers with those of the Shareholders and to assist in attracting, retaining and motivating key employees of the Corporation by making a significant portion of their incentive compensation directly dependent upon the achievement of critical strategic, financial and operational objectives that are critical to ongoing growth and increasing the long-term value of the Corporation, as well as providing an opportunity to increase their share ownership over time. The LTIP is designed to help achieve short-term compensation objectives by setting yearly performance targets that trigger various levels of grants and also to achieve longer term objectives and assist in retention through the use of both a three-year vesting period and possible forfeiture of awards if certain levels of performance are not achieved during each grant's vesting period.

The following description applies to the Corporation's initial LTIP, approved by Shareholders in June 2006 and amended in June 2008. For each performance period (being, generally, a period of one calendar year commencing on January 1 of each year), the independent directors establish LTIP award percentages that will determine the amount (based on a percentage of base salary) that each participant is entitled to receive under the LTIP if certain levels of target project cash flow for the performance period

Table of Contents

are achieved. Project cash flow is based on cash flows generated by the Corporation's projects less management fees, administrative expenses, corporate interest, taxes and any other adjustments determined by the independent directors, which discretion is exercised narrowly and may reflect either increases or decreases to project cash flow performance. LTIP awards for each performance period are determined by the independent directors based on the Corporation's actual cash flow compared to the target projected cash flow. In making this determination, the independent directors have discretion to consider other factors, related to the Corporation's performance. If certain levels of target project cash flow are achieved as determined by the independent directors, the named executive officer will be eligible to receive a number of notional units (including fractional units) to be calculated by dividing an incentive amount (based on the LTIP award percentages and the named executive officer's base salary) by the market price per IPS. The market price per IPS is defined in the LTIP as the weighted average closing price of IPSs on the TSX for the five days immediately preceding the applicable day. Notional units are meant to track the investment performance of IPSs, including IPS market prices and distributions. Any notional units granted to a participant in respect of a performance period will be credited to a notional unit account for each participant on the determination date for such performance period. Each notional unit is entitled to receive distributions equal to the distributions on an IPS, to be credited in the form of additional notional units immediately following any distribution on the IPSs. Subsequent to the Corporation's conversion to a common share structure in December 2009, all references to "IPS" in the LTIP were changed to "Common Shares" and all references to distributions on IPSs were changed to dividends on common shares. In addition, from 2010 onward, the discretion with respect to the determination of awards rests with the Board of Directors, rather than independent directors.

For grants under the LTIP, one-third of the notional units in a participant's notional unit account for a performance period vest on the 13-month anniversary following the determination date for such performance period, 50% of the notional units remaining in a participant's notional unit account for a performance period vest on the second anniversary date of the determination date for such performance period, and all remaining notional units in a participant's notional unit account for a performance period vest on the third anniversary of the determination date for such performance period.

On the applicable vesting date for notional units held in a participant's notional unit account, the Corporation redeems such vested notional units as follows: (i) one-third by lump sum cash payment (generally intended to be withheld toward payment of taxes that will be owed due to the vesting), and (ii) the remaining two-thirds by an exchange for common shares. Notwithstanding the foregoing, a named executive officer may elect to redeem such notional units for 100% common shares upon prior written notice of such election. All issuances of common shares on redemption of notional units under the LTIP are subject to compliance with applicable securities laws. In addition, the Board of Directors has the discretion to redeem notional units 100% with cash and has exercised this discretion for all notional units vested since the inception of the LTIP through 2010, except for those that have vested in the notional unit accounts of the Corporation's senior officers. This was due to constraints with regard to U.S. securities laws, which are no longer relevant since the company has registered with the SEC and listed on the NYSE, so all listings in 2011 and beyond should follow the vesting approach in (i) and (ii) above for all employees.

If the net cash flows (as determined by the Board of Directors) achieved in a performance period are less than 80% of the target project cash flow previously approved by the Board of Directors for that performance period, all notional units having a vesting date in the next performance period will be cancelled, will no longer be redeemable for common shares and the executive officers will forfeit all rights, title and interest with respect to such notional units, unless otherwise expressly determined by the Board of Directors, as administrators of the LTIP.

The aggregate number of Common Shares that may be issued under the LTIP upon the redemption of notional units is 1,000,000 Common Shares, which represents 0.9% of the issued and

Table of Contents

outstanding Common Shares, subject to increase or decrease by reason of amalgamation, rights offerings, reclassifications, consolidations or subdivisions, or as may otherwise be permitted by applicable law and the TSX. The total number of notional units granted under the LTIP is 485,781, which represents 0.4% of the issued and outstanding Common Shares. The total number of Common Shares issuable under actual grants is 485,781, which represents 0.4% of the issued and outstanding Common Shares.

Except with the approval of shareholders, no notional shares may be granted where such grant could result, at any time, in:

- (a) the number of Common Shares reserved for issuance to participants pursuant to the redemption of notional shares together with any other common share compensation arrangement exceeding 10% of Common Shares then issued and outstanding;
- (b) the number of Common Shares issuable to insider participants, at any time under the LTIP pursuant to the redemption of notional shares and any other common share compensation arrangements, exceeding 10% of Common Shares then issued and outstanding; or
- (c) the number of Common Shares issued to insider participants, within any one-year period, under the LTIP pursuant to the redemption of notional shares and any other common share compensation arrangements, exceeding 10% of Common Shares then issued and outstanding.

The Board of Directors may terminate, modify or amend the LTIP, without securityholder approval, at any time in such manner and to such extent as they deem advisable, subject to applicable corporate, securities and tax law requirements and the requirements of the TSX, provided that any such action may not adversely affect any rights already acquired under the LTIP to such date. The amendments that may be made by the independent directors to the LTIP include, without limitation, the vesting and redemption dates for notional units and the persons who may qualify as "Eligible Persons" under the LTIP provided that any change to the "Eligible Persons" does not have the potential of broadening or increasing insider participation. A participant may not assign or transfer any right or interest in the LTIP. All unvested notional units are forfeited by a participant on the date he or she ceases to be employed by the Corporation or its subsidiaries, except in the case of death, disability, retirement or change of control (in certain circumstances, as described below). If the employment of a participant is terminated in connection with the death, retirement or upon a change of control (in the case of a change of control, where termination is by the participant for good reason or by the Corporation without cause) prior to the applicable vesting date, all notional units credited to the participant's notional unit account will vest or be deemed to have vested effective the date immediately prior to the date of such termination of the participant's employment. If the employment of a participant is terminated due to the disability of the participant prior to the applicable vesting date, all notional units credited to the participant's notional unit account will vest on the vesting date as if the participant continued to be actively employed until the applicable vesting date.

2010 LTIP Amendments

In 2009, Hugessen was retained to assist the Board in assessing the Corporation's existing LTIP and proposing several design changes. The purpose of the LTIP changes was to further align the interests of the Corporation's officers and employees with Shareholders and to assist in attracting, retaining and motivating the Corporation's key employees.

In early 2010, the Board of Directors approved amendments to the LTIP. The amendments did not impact grants for the 2009 performance year or unvested notional shares related to grants made prior to the 2010 amendments. The amended LTIP became effective for grants beginning with the 2010

Table of Contents

performance year and was approved by the Shareholders at the annual general meeting held on June 29, 2010.

Under the amended LTIP, the notional shares granted to plan participants have the same characteristics as the notional shares under the old LTIP. However, the number of notional shares granted is currently based, for senior executives, entirely on the Corporation's total shareholder return compared to the group of peer companies included in the 2011 Peer Group and, for employees that are not senior executives, performance measurement is weighted 1/3rd based on the Corporation's total shareholder return compared to a the 2011 Peer Group, and 2/3rd based on the achievement of a simplified net project cash flow measure. In addition, vesting of notional shares for senior executives occurs on a three-year cliff basis as opposed to ratable vesting over three years under the old LTIP. Pursuant to each senior executive's employment agreement, each senior executive receives a grant at the beginning of each three-year performance period in an amount equal to his base salary. The grant vests at the end of the three-year performance period in an amount ranging from 0% up to a maximum of 150% of the sum of units initially granted plus dividend equivalent rights received during the performance period. In addition, on May 14, 2010, each senior executive received a grant equal to one-third of his base salary (the "2010 Transition Award") and a grant equal to two-thirds of his base salary (the "2011 Transition Award"). The 2010 Transition Awards vested on March 31, 2011 in an amount equal to 125% of the sum of the initial grant plus dividend equivalent rights received during the vesting period, based on the Corporation's total shareholder return in 2010 compared to the 2011 Peer Group. The 2011 Transition Awards vested on February 28, 2012 in an amount equal to 109% of the sum of the initial grant, plus dividend equivalent rights received during the vesting period, based on the total shareholder return of the Corporation during 2010 and 2011 compared to the 2011 Peer Group. The Compensation Committee considered the senior officers' contributions to the Partnership and, consistent with their approach to the 2011 performance year STIP award, elected to use their discretion to make a one-time special award of 15,000 and 12,000 units to Barry Welch and Paul Rapisarda respectively. These units and associated dividend equivalent rights will vest ratably over three years. Named executive officers other than senior executives are eligible for an annual award under the LTIP ranging from 0% to 100% of their annual base salary.

2011 LTIP Amendments

Effective as of November 5, 2011, being the closing date for the Corporation's acquisition of the Partnership, the Board of Directors and the Compensation Committee approved certain amendments to the LTIP in the form of a fourth amended and restated LTIP to provide for participation by certain designated employees who performed functions related to the Partnership's business ("New Employees") who became employees of the Corporation following the closing of the acquisition and certain other updates and clarifying amendments to the LTIP. Shareholder approval of these amendments was not required under the terms of the LTIP. The description below is qualified in its entirety by the text of the fourth amended and restated LTIP available on SEDAR at www.sedar.com.

The amendments related to the acquisition included revisions to certain defined terms to appropriately reflect that participants in the LTIP may be employees of subsidiaries of the Corporation and located in Canada and to provide the administrators of the LTIP with increased flexibility in the administration of the LTIP by granting them authority to (i) adopt rules and regulations for implementing the LTIP; (ii) determine when notional shares will be granted to eligible persons, the vesting period for each grant of notional shares and whether any adjustment(s) (performance-related or otherwise) will apply prior to vesting of any notional shares granted; (iii) adjust the size of any previously-approved pool for awards available for allocation among LTIP participants who are not officers and the membership of such non-officer group; (iv) interpret and construe the provisions of the LTIP; (v) alter or adjust any provision that is expressly provided in the LTIP in circumstances so as to operate the LTIP as objectively as possible; (vi) subject to regulatory requirements, make exceptions to the LTIP in circumstances which they

determine to be exceptional; (vii) impose certain conditions at the date of grant for any notional shares, which would have to be met for an LTIP participant to be entitled to redeem notional shares granted; and (viii) make amendments to the LTIP in accordance with the amendment provisions contained therein. The peer group applied in determining potential performance adjustments to certain awards under the LTIP has been changed from a scheduled list to a group of entities determined by the administrators from time to time in their sole discretion.

The Board of Directors also approved certain updates and clarifying amendments, including an update to the definition of "Insider Participant" to reflect the current TSX definition of "insider", and clarifying that notional shares held by non-officer participants vest in respect of one-third of such notional shares after each of the first three anniversaries of the date that the Board of Directors approves the audited financial statements of the Corporation for a given fiscal year of the Corporation.

In connection with the November 5, 2011 amendments, the Board of Directors approved certain grants of notional shares under the LTIP to the New Employees in an aggregate dollar amount of Cdn\$830,680 to replace similar equity compensation such New Employees had been entitled prior to employment by the Corporation upon closing of the acquisition. The terms of these grants are as follows: (i) the number of notional shares to be credited to the notional share account for each New Employee was determined by dividing the portion of the aggregate dollar amount allocated to such New Employee by the Market Price per Common Share (as defined in the LTIP) on November 5, 2011; (ii) the notional shares credited to each New Employee's notional share account on November 5, 2011 vest in respect of one-third of such notional shares after each of the first three anniversaries of the Financial Statement Approval Date (as defined in the LTIP) for fiscal year 2011 of the Corporation with no performance-related adjustments; and (iii) other than the foregoing, the notional shares credited to the New Employee's notional share account are subject to the terms and conditions of the LTIP treating each New Employee as a Non-Officer Group Participant (as defined in the LTIP).

2011 LTIP Awards

On March 31, 2011, Barry Welch received a grant of 38,134 notional shares under the amended LTIP for the 2011-2013 performance period. In accordance with the LTIP, the LTIP award for the 2011-2013 performance year for all senior officers was set at 100% of their base salary. Vesting of this award after three years will be based on the 2011-2013 relative TSR performance.

On March 31, 2011, Patrick Welch received a grant of 20,559 notional shares under the amended LTIP for the 2011-2013 performance period. In accordance with the LTIP, the LTIP award for the 2011-2013 performance year for all senior officers was set at 100% of their base salary. Patrick Welch forfeited these and all other unvested national shares upon his resignation on June 10, 2011.

On March 31, 2011, Mr. Rapisarda received a grant of 20,559 notional shares under the amended LTIP for the 2011-2013 performance period. In accordance with the LTIP, the LTIP award for the 2011-2013 performance year for all senior officers was set at 100% of their base salary. Vesting of this award after three years will be based on the 2011-2013 relative TSR performance.

LTIP awards to Mr. Daniels are based on his contribution to achieving target levels of a cash flow measure that are approved each year by our independent directors and to the Corporation achieving relative total shareholder return performance, as well as progress in successfully executing our strategic plan and goals and objectives, which are approved by the Compensation Committee each year. Vesting of this award occurs rateably over the three-year period immediately following the LTIP award. Based on our actual cash flow compared to the project cash flow levels, and the actual relative total shareholder return

Table of Contents

performance, Mr. Daniels' LTIP award in 2011 was set at 68% of base salary and was granted by the Board of Directors on March 31, 2011.

LTIP awards to Mr. Hulburt are based on his contribution to achieving target levels of a cash flow measure that are approved each year by our independent directors and to the Corporation achieving relative total shareholder return performance, as well as progress in successfully executing our strategic plan and goals and objectives, which are approved by our Compensation Committee each year. Vesting of this award occurs ratably over the three-year period immediately following the LTIP award. Based on our actual cash flow compared to the project cash flow levels, and the actual relative total shareholder return performance, Mr. Hulburt's LTIP award for the 2010 performance year was set at 58% of base salary and was granted by the Board of Directors on March 31, 2011.

On February 29, 2012 Barry Welch and Paul Rapisarda received annual grants with a value equal to their 2012 salaries of \$700,000 and \$425,000 respectively.

2012 LTIP Amendments

In 2012, the Compensation Committee reviewed the LTIP for the Corporation's senior officers and considered changes in light of both changes to the scale and complexity of the Corporation as well as input about plans for similar companies, especially those in the U.S. which is the relevant market for the Corporation's senior officers. Based on this review, the Compensation Committee approved certain changes to the LTIP for 2012. Under the revised LTIP, total shareholder return will be replaced as the exclusive measure of performance for the Corporation's senior officers with a combined measure based on project adjusted EBITDA per share, free cash flow, growth cash flow and relative total shareholder return. In determining the total score under the revised LTIP for a fiscal year, each of these four metrics will be given an equal 25% weighting and the combined score will serve as a guideline for the Compensation Committee in determining a senior officer's LTIP award. The Compensation Committee will have discretion to adjust a senior officer's LTIP award based on the long term progress of the Corporation or other factors determined relevant by the Compensation Committee. Awards under the revised LTIP will be made annually based on the performance over the applicable fiscal year and will vest as to one third over each of the three years following the year of the award. The quantum of awards under the revised LTIP will range from zero to a cap of \$2.8 million for the CEO and \$1.5 million for the EVP CFO and EVP Commercial Development. For 2012, the midpoint targets for each of the four performance measures have been set as follows: (1) project adjusted EBITDA per share \$2.98 to \$3.03; (2) free cash flow \$140.3 million to \$143.1 million; (3) growth cash flow \$18.5 million to \$21.7 million; and (4) relative total shareholder return 56 to 65th percentile. If each of these target ranges were achieved in 2012, the recommended award for our CEO would be \$1.5 million and for our CFO and our Executive Vice President Commercial Development would be \$750,000.

Employment Agreements

In connection with the termination of the management services agreement with the **Manager** on December 31, 2009, the Corporation entered into employment agreements with each of Barry Welch, Patrick Welch and Paul Rapisarda, who were previously employees of the Manager. (The employment agreement with Mr. Patrick Welch has been terminated in connection with his resignation.) To assist in the structuring and negotiation of the employment contracts, the Corporation's independent directors employed Hugessen to review and advise on their terms to ensure that the employment agreements were consistent with best practices in the marketplace. We believe that the consideration of a change in control transaction will create uncertainty regarding the continued employment of our senior executive officers. This uncertainty results from the fact that many change in control transactions result in significant organizational changes, particularly at the senior executive level. In order to encourage our executive

Table of Contents

officers to focus on seeking the best return for our Shareholders and to remain employed with the Corporation during an important time when their prospects for continued employment following a change in control transaction are often uncertain, we have agreed in the employment agreements to provide for severance benefits in the event the officer's employment is terminated under certain circumstances in connection with a change in control of the Corporation. In exchange for such severance protection, each executive officer agreed to certain non-competition and non-solicitation limitations following certain termination events.

For a description of the employment agreement change in control benefits provided to Barry Welch and Paul Rapisarda, see the sections of this Information Circular and Proxy Statement titled "Employment Contracts" and "Termination and Change in Control Benefits."

401(k) Matching Contributions

The Corporation also makes annual matching contributions to each named executive officer's 401(k) plan account based upon a predetermined formula. The purpose of the matching contributions is to supplement the named executive officer's personal savings toward future retirement as the Corporation has no other pension plan for them. The matching for the named executive officers is a dollar-for-dollar match with the employee's 401(k) contribution, up to the maximum allowed by Internal Revenue Service ("**IRS**") regulations. The IRS maximum contribution in 2011 was \$16,500 for participants under age 50 and \$22,000 for participants 50 and over.

Compensation Committee Report

The Compensation Committee of the Board of Directors of the Corporation has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Information Circular and Proxy Statement.

Notes:

- (1) Represents the fixed portion of annual cash bonus for 2009 through 2011 payable per the terms of each executive officer's employment contract executed in connection with the management internalization in December 2009.
- (2) The amounts shown under "Stock awards" reflect the grant date fair value of notional shares granted during the year under the terms of the LTIP and are calculated in accordance with FASB ASC Topic 718. The assumptions used in determining the grant date fair value of these awards are described in Note 14 to the consolidated financial statements contained in our Annual Report on Form 10-K for the year ended December 31, 2011. A portion of the awards granted to senior officers in 2011 contain a performance condition. Assuming the highest level of performance is achieved, the total fair value of awards for 2011 would be \$862,754 for Barry Welch and \$465,133 for Paul Rapisarda. The amounts shown do not include dividend equivalent rights that accrued on notional units.
- (3) Amounts represent company matching contributions to the 401(k) plan accounts of each executive officer.
- (4) Ms. Donahue, a managing director of AlixPartners, has served as our interim Chief Financial Officer since July 2011. Ms. Donahue's services as Chief Financial Officer were provided pursuant to an agreement with AlixPartners. We are unable to determine the amount received by Ms. Donahue in connection with her services to us in 2011, as we did not compensate Ms. Donahue directly; rather, Ms. Donahue was compensated independently pursuant to separate arrangements between her and AlixPartners. Under our agreement with AlixPartners, we incurred \$603,000 in 2011 for Ms. Donahue's services. The agreement with AlixPartners and the total amount incurred by us in 2011 under this agreement, is described at " Employment Contracts" and " Certain Relationships and Related Transactions".

Employment Contracts

Each of Barry Welch (President and Chief Executive Officer) and Paul Rapisarda (Executive Vice President-Commercial Development) are parties to employment agreements with the Corporation. Each of the employment agreements provides the respective officer with the following: (i) an initial annual base salary, which is subject to annual review; (ii) eligibility for a performance-based annual cash bonus; (iii) eligibility to participate in the LTIP; and (iv) certain other customary employee benefits. Under the employment agreements, the annual base salary is evaluated each calendar year and for 2011 for Barry Welch and Paul Rapisarda was \$575,000 and \$310,000, respectively. The guaranteed portion of cash bonuses for 2011 for Barry Welch and Paul Rapisarda were \$400,000 and \$130,000, respectively.

Effective July 12, 2011, the Corporation entered into an arrangement with AlixPartners to provide various accounting and financial consulting services. Pursuant to the arrangement, the Corporation announced the appointment of Lisa Donahue of AlixPartners as interim Chief Financial Officer and engaged other consultants from AlixPartners, the services of each of whom are billed by AlixPartners.

Termination and Change in Control Benefits

Each named senior executive officer's employment agreement provides that if the respective officer is terminated without cause within 90 days preceding or one year after a change in control or if he resigns within that time period because certain further triggering events have occurred including a constructive dismissal, reduction in salary or benefits, relocation, change in position of employment or reporting relationships, or the Corporation's breach of the employment agreement, then the following are paid or provided under the employment agreement: (i) his salary and bonus pro-rated through the termination date; (ii) a termination payment equal to three times the average (in the case of Barry Welch) or one times the average (in the case of Paul Rapisarda), during the last two years, of the sum of the respective officer's: (a) base salary, (b) annual cash bonus, and (c) the most recent matching contribution to his 401(k) plan; (iii) immediate vesting of all previous awards under the LTIP which had not yet vested; (iv) continuation of all employee benefits for a period of two years (in the case of Barry Welch) or one year (in the case of Paul Rapisarda) following termination; and (v) costs of outplacement services customary for senior executives at the respective officer's level for a period of 12 months following termination with the

Table of Contents

cost capped at \$25,000. The Compensation Committee has approved an amendment to Paul Rapisarda's employment agreement to provide that his termination payment as described in (ii) of the preceding sentence will be two times the average, during the last two years, of the sum of Mr. Rapisarda's (a) base salary, (b) annual cash bonus, and (c) the most recent matching contribution to his 401(k) plan. The employment agreements also contain non-competition and non-solicitation limitations on each of the officers following certain termination events. The non-competition restrictions apply for a period of one year or one month (in the case of Barry Welch) or a period of one month or six months (in the case of Paul Rapisarda) following termination depending on the circumstances of the termination and the non-solicitation restrictions apply for a period of two years (in the case of Barry Welch) or one year (in the case of Paul Rapisarda) following the date of termination.

In each senior executive officer's employment agreement, the term "Change in Control" means the occurrence of any of the following events: (i) the sale, lease or transfer to any person or group, in one or a series of related transactions, of the Corporation's assets, directly or indirectly, which assets generated more than 50% of the Corporation's cash flow in a 12-month period ended on the last day of the most recent fiscal quarter to any person or group; (ii) the adoption of a plan related to the Corporation's liquidation or dissolution; (iii) the acquisition by any person or group of a direct or indirect interest in more than 50% of the Corporation's common shares or voting power; (iv) the Corporation's merger or consolidation with another person with the effect that immediately after such transaction Shareholders immediately prior to such transaction hold, directly or indirectly, less than 50% of the voting control over the person surviving such merger or consolidation; or (v) the Corporation enters into any agreement providing for any of the foregoing; or the date which is 90 days prior to a definitive announcement of any of the foregoing whichever is earlier, and the transaction contemplated thereby is ultimately consummated.

If Barry Welch or Paul Rapisarda is terminated for cause, then he will be entitled to all vested benefits under all incentive compensation or other plans in accordance with the terms and conditions of such plan, however he will not be entitled to the payments or benefits listed in items (i) through (v) in the second preceding paragraph above, except as may be required by applicable law. "Cause" is defined in each employment agreement as "a termination by reason of the Corporation's good faith determination that the executive (i) engaged in willful misconduct in the performance of his duties, (ii) breached a fiduciary duty to the Corporation for personal profit to himself, (iii) after determination by a court of competent jurisdiction, willfully violated any law, rule or regulation of a governmental authority with jurisdiction over the executive or the Corporation at the time and place of such violation (other than traffic violation or similar offenses) or any final cease and desist order of a court or other tribunal of competent jurisdiction, or (iv) materially and willfully breached this Agreement. No act, or failure to act, on the executive's part shall be considered "willful" unless he has acted, or failed to act, with an absence of good faith and without a reasonable belief that this action or failure to act was in the best interest of the Corporation."

The following table provides, for each of the foregoing senior executive officers, an estimate of the payments payable by us, assuming a termination for any reason other than cause, including the occurrence of the triggering events described above. The amounts shown assume that such termination was effective as of December 31, 2011 and thus only include amounts earned through such time and are estimates of the

amounts that would be paid out to the executives upon their termination. The actual amounts to be paid out can only be determined at the time of each such officer's separation from the Corporation.

Name	Type of payment	Termination payment ⁽¹⁾ (US\$)	2011 Pro-rata bonus (US\$)	Vesting of stock based compensation (US\$)	Employee benefits (US\$)	Total (US\$)

Paul H. Rapisarda	Termination without cause or in connection with change of control	585,250	260,000	1,360,488	49,930	2,255,668

Note:

(1)

Includes three times the average (in the case of Barry Welch) or one times the average (in the case of Paul Rapisarda), during the last two years, of the sum of the respective officer's: (a) base salary, (b) annual Bonus, and (c) the most recent matching contribution to his 401(k) plan.

Compensation Risk Assessment

The Corporation has reviewed the Corporation's compensation policies and practices for all employees and concluded that any risks arising from the Corporation's policies and programs are not reasonably likely to have a material adverse effect on the Corporation. The Corporation believes that the mix and design of the elements of executive compensation do not encourage management to assume excessive risks. The corporation reviewed the elements of executive compensation to determine whether any portion of executive compensation encouraged excessive risk taking and concluded:

allocation of compensation between cash compensation and long-term equity compensation, combined with the vesting schedule under LTIP, discourages short-term risk taking;

approach of goal setting, setting of targets with payouts at multiple levels of performance, capping the amount of the Corporation's incentive payouts, and evaluation of performance results assist in mitigating excessive risk-taking;

compensation decisions include subjective considerations, which limit the influence of formulae or objective factors on excessive risk taking; and

business does not face the same level of risks associated with compensation for employees at financial services firms (traders and instruments with a high degree of risk).

Table of Contents**Compensation of Directors***Director Fees*

Each independent director is entitled to receive an annual retainer of \$50,000, plus \$10,000 of value in deferred share unit ("DSU") and \$1,500 per meeting attended in person or \$750 per meeting attended by phone. The Chairman, chair of the Audit Committee and Compensation Committee receive an additional \$25,000, 15,000 and 10,000 per year respectively. Directors are reimbursed for out-of-pocket expenses for attending meetings. Directors also participate in the insurance and indemnification arrangements described below.

Equity Ownership Guideline

On April 24, 2007, the Board of Directors adopted an equity ownership guideline for independent Directors. The guideline provides that by April 24, 2010 (for existing independent directors) or within three years of their initial election (for new independent directors), each independent director should own equity securities of the Corporation (which will include notional shares issued under the deferred share unit plan described below), representing an investment by each independent director of three times their current annual retainer.

Deferred Share Unit Plan

On April 24, 2007, the Board of Directors established a deferred share unit plan ("**DSU Plan**") for Directors. Under the DSU Plan, each non-management Director is entitled to elect to have fees paid to them by the Corporation for their services as directors contributed to the DSU Plan. All fees contributed to the DSU Plan are credited to such director in the form of notional shares representing the current market price of the Corporation's common shares at the time of contribution. For so long as the participant continues to serve on the Board of Directors, dividends accrue on the notional shares consistent with amounts declared by the Board of Directors on the Corporation's common shares and additional notional shares representing the dividends are credited to the participant's notional share account. Notional shares credited to the participant's notional share account may be redeemed only when a participant no longer serves on the Board of Directors for any reason or upon a reorganization of the Corporation.

The following table describes director compensation for non-management directors for the year ended December 31, 2011. Directors who are also officers of the Corporation are not entitled to any compensation for their services as a director.

Pursuant to the arrangement, the Corporation announced the appointment of Lisa Donahue of AlixPartners as interim Chief Financial Officer and engaged other consultants from AlixPartners, the services of each of whom are billed by AlixPartners. Ms. Donahue is a Managing Director of AlixPartners. We are unable to determine the amount received by Ms. Donahue in connection with her services to us in 2011, as we did not compensate Ms. Donahue directly; rather, Ms. Donahue was compensated independently pursuant to separate arrangements between her and AlixPartners. Under our agreement with AlixPartners, we incurred \$1,065,312 in the aggregate in 2011, including \$603,000 for Ms. Donahue's services.

Policies and Procedures for Review of Transactions with Related Persons

APPENDIX A

POLICY OF PRACTICES FOR DIRECTORS

Attendance at Meetings

Each director is expected to have a very high record of attendance at meetings of the Board, and at meetings of each Board committee on which the director sits. A director is expected to:

- i. advise the Chair as to planned attendance at Board and committee meetings shortly after meeting schedules have been distributed;
- ii. advise the Chair as soon as possible after becoming aware that he or she will not be able to attend a meeting; and
- iii. attend a meeting by conference telephone if unable to attend in person.

Preparation for Meetings

Directors are expected to carefully review and consider the materials distributed in advance of a meeting of the Board or a committee of the Board. Directors are also encouraged to contact the Chair, the Chief Executive Officer of the Issuer and any other appropriate officers to ask questions and discuss agenda items prior to meetings.

Conduct at Meetings

Directors are expected to ask questions and participate in discussions at meetings, and to contribute relevant insights and experience. In discussions at meetings, a director should:

- i. be candid and forthright;
- ii. not be reluctant to express views contrary to those of the majority;
- iii. be concise and, in most circumstances, respect the time constraints of a meeting; and
- iv. be courteous to and respectful of other directors and guests in attendance.

Knowledge of the Issuer's Business

Directors are expected to be knowledgeable with respect to the various fields and divisions of business of the Issuer. Although the senior officers of the Issuer have a duty to keep the Board informed about developments in the Issuer's business, directors have a primary duty of care and diligence, which includes a duty of inquiry. Directors should:

Edgar Filing: ATLANTIC POWER CORP - Form DEF 14A

Independent Advice

In discharging its mandate, the Board shall have the authority to retain (and authorize the payment by the Issuer of) and receive advice from, special legal, accounting or other advisors and outside consultants if appropriate.

Other Directorships and Significant Activities

The Issuer values the experience directors bring from other boards on which they serve and other activities in which they participate, but recognizes that those boards and activities also may present demands on a director's time and availability and may present conflicts or legal issues, including independence issues. No director should serve on the board of a competitor or of a regulatory body with oversight of the Issuer. Each director should, when considering membership on another board or committee, make every effort to ensure that such membership will not impair the director's time and availability for his or her commitment to the Issuer. Directors should advise the Chair of the Board and the Chief Executive Officer before accepting membership on other public corporation boards of directors or any audit committee or other significant committee assignment on any other board of directors, or establishing other significant relationships with businesses, institutions, governmental units or regulatory entities, particularly those that may result in significant time commitments or a change in the director's relationship to the Issuer.

SECTION 2. ADMINISTRATION OF PLAN; ADMINISTRATOR AUTHORITY TO SELECT GRANTEES AND DETERMINE AWARDS

- (a) Administration of Plan. The Plan shall be administered by the Administrator.
- (b) Powers of Administrator. Subject to Section 13 hereof, the Administrator shall have the power and authority to grant Awards consistent with the terms of the Plan, including the power and authority:
- (i) to select the individuals to whom Awards may from time to time be granted;
 - (ii) to determine the time or times of grant, and the extent, if any, of Restricted Stock Awards, Unrestricted Stock Awards and Cash-Based Awards, or any combination of the foregoing, granted to any one or more grantees;
 - (iii) to determine the number of Shares to be covered by any Award, subject to section 3(a) hereof;
 - (iv) to determine and modify from time to time the terms and conditions, including restrictions, not inconsistent with the terms of the Plan, of any Award, which terms and conditions may differ among individual Awards and grantees, and to approve the forms of Award Certificates;
 - (v) to accelerate at any time the exercisability or vesting of all or any portion of any Award, provided that the Administrator generally shall not exercise such discretion to accelerate Awards subject to Section 5 except in the event of the grantee's death, disability or retirement, or a change in control (including a Sale Event) or as otherwise provided in an applicable employment agreement; and
 - (vi) at any time to adopt, alter and repeal such rules, guidelines and practices for administration of the Plan and for its own acts and proceedings as it shall deem advisable; to interpret the terms and provisions of the Plan and any Award (including related written instruments); to make all determinations it deems advisable for the administration of the Plan; to decide all disputes arising in connection with the Plan; and to otherwise supervise the administration of the Plan.
- All decisions and interpretations of the Administrator shall be binding on all persons, including the Company and Plan grantees.
- (c) Award Certificate. Awards under the Plan shall be evidenced by Award Certificates that set forth the terms, conditions and limitations for each Award which may include, without limitation, the term of an Award and the provisions applicable in the event employment or service terminates.
- (d) Indemnification. Neither the Board nor the Administrator, nor any member of either or any delegate thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan, and the members of the Board and the Administrator (and any delegate thereof) shall be entitled in all cases to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, reasonable attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under the Company's articles or any directors' and officers' liability insurance coverage which may be in effect from time to time and/or any indemnification agreement between such individual and the Company.
- (e) Foreign Award Recipients. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company and its Subsidiaries operate or have

employees or other individuals eligible for Awards, the Administrator, in its sole discretion, shall have the power and authority to: (i) determine which Subsidiaries shall be covered by the Plan; (ii) determine which individuals outside the United States are eligible to participate in the Plan; (iii) modify the terms and conditions of any Award granted to individuals outside the United States to comply with applicable foreign laws or as may be advisable in light of foreign tax considerations applicable to the Company or a participant in the Plan; (iv) subject to Section 13 hereof, establish subplans and modify settlement procedures and other terms and procedures, to the extent the Administrator determines such actions to be necessary or advisable (and such subplans and/or modifications shall be attached to this Plan as appendices); provided, however, that no such subplans and/or modifications shall increase the share limitations contained in Section 3(a) hereof; and (v) take any action, before or after an Award is made, that the Administrator determines to be necessary or advisable to obtain approval or comply with any local governmental or regulatory exemptions or approvals. Notwithstanding the foregoing, the Administrator may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act or the *Securities Act* (British Columbia) or any other applicable United States or Canadian securities law, the Code, the *Income Tax Act* (Canada) or any other applicable United States or Canadian governing statute or law.

SECTION 3. SHARES ISSUABLE UNDER THE PLAN; MERGERS; SUBSTITUTION

(a) Shares Issuable. The maximum number of Shares reserved and available for issuance under the Plan shall be 250,000 shares, subject to adjustment as provided in this Section 3. For purposes of this limitation, the Shares underlying any Awards that are forfeited, canceled or otherwise terminated shall be added back to the Shares available for issuance under the Plan. Notwithstanding the foregoing, Shares tendered or held back upon settlement of an Award, or withheld in connection therewith pursuant to Section 10(b), to cover any required tax withholding shall not be added to the Shares authorized for issuance under the Plan. Subject to such overall limitations and the limitations set out below, Shares may be issued up to such maximum number pursuant to any type or types of Award. The shares available for issuance under the Plan shall be authorized but unissued Shares.

Additionally, no Award may be granted under the Plan at any time if such grant could result in:

(i) the number of Shares reserved for issuance under the Plan, together with any other security-based compensation arrangement of the Company, exceeding 10% of Shares then issued and outstanding; or

(ii) the number of Shares (i) issued to Insiders within any one-year period and (ii) issuable to Insiders at any time, under the Plan or when combined with all of the Company's other security-based compensation arrangements, exceeding 10% of the total issued and outstanding Shares.

(b) Changes in Shares. Subject to Section 3(c) hereof, if, as a result of any reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in the Company's share capital, the outstanding Shares are increased or decreased or are exchanged for a different number or kind of shares or other securities of the Company, or additional shares or new or different shares or other securities of the Company or other non-cash assets are distributed with respect to such Shares or other securities, or, if, as a result of any merger or consolidation, sale of all or substantially all of the assets of the Company, the outstanding Shares are converted into or exchanged for securities of the Company or any successor entity (or a parent or subsidiary thereof), the Administrator shall make an appropriate or proportionate adjustment in (i) the maximum number of shares reserved for issuance under the Plan, (ii) the maximum number of shares that may be granted under a Performance-Based Award, (iii) the number and kind of shares or other securities subject to any then outstanding Awards under the Plan, and (iv) the repurchase price, if any, per share subject to each outstanding Restricted Stock Award.

Table of Contents

The Administrator shall also make equitable or proportionate adjustments in the number of shares subject to outstanding Awards and the terms of outstanding Awards to take into consideration cash dividends paid other than in the ordinary course or any other extraordinary corporate event. The adjustment by the Administrator shall be final, binding and conclusive. No fractional Shares shall be issued under the Plan resulting from any such adjustment, but the Administrator in its discretion may make a cash payment in lieu of fractional shares.

(c) Mergers and Other Transactions. Except as the Administrator may otherwise specify with respect to particular Awards in the relevant Award Certificate, in the case of and subject to the consummation of a Sale Event, all Awards with time-based vesting, conditions or restrictions shall become fully vested and nonforfeitable as of the time immediately prior to the effective time of the Sale Event and all Awards with conditions and restrictions relating to the attainment of performance goals may become vested and nonforfeitable in connection with a Sale Event in the Administrator's discretion. Upon the effective time of the Sale Event, the Plan and all outstanding Awards granted hereunder shall terminate unless the parties thereto agree to cause the assumption or continuation by the successor entity of Awards theretofore granted or the substitution of such Awards with new Awards of the successor entity or parent thereof, with appropriate adjustment as to the number and kind of shares, as such parties shall agree.

SECTION 4. ELIGIBILITY

Grantees under the Plan will be such full or part-time officers and other employees of the Company and its Subsidiaries as are selected from time to time by the Administrator in its sole discretion.

SECTION 5. RESTRICTED STOCK AWARDS

(a) Nature of Restricted Stock Awards. The Administrator shall determine the restrictions and conditions applicable to each Restricted Stock Award at the time of grant. Conditions may be based on continuing employment (or other service relationship) and/or achievement of pre-established performance goals and objectives. The terms and conditions of each such Award Certificate shall be determined by the Administrator, and such terms and conditions may differ among individual Awards and grantees.

(b) Rights as a Shareholder. Unless the Administrator shall otherwise determine, (i) uncertificated Restricted Stock shall be accompanied by a notation on the records of the Company or the transfer agent to the effect that they are subject to forfeiture until such Restricted Stock are vested as provided in Section 5(d) below, and (ii) certificated Restricted Stock shall remain in the possession of the Company, or otherwise held in trust for the benefit of the grantee, until such Restricted Stock is vested as provided in Section 5(d) below, and the grantee shall be required, as a condition of the grant, to deliver to the Company such instruments of transfer as the Administrator may prescribe. Restricted Stock may not be voted by the grantee until it becomes vested.

(c) Restrictions. Except as may otherwise be provided by the Administrator either in the Award Certificate or, subject to Section 13 below, in writing after the Award is issued, if a grantee's employment (or other service relationship) with the Company and its Subsidiaries terminates for any reason, any Restricted Stock that has not vested at the time of termination shall automatically and without any requirement of notice to such grantee from or other action by or on behalf of, the Company be or be deemed to have been reacquired by the Company at its original purchase price (if any) from such grantee or such grantee's legal representative, or any trustee holding such Restricted Stock on behalf of the grantee, simultaneously with such termination of employment (or other service relationship), and thereafter shall cease to represent any ownership of the Company by the grantee or rights of the grantee as a shareholder. Following such deemed reacquisition of unvested Restricted Stock that is represented by physical certificates, the holder of such certificates shall surrender such certificates to the Company upon request without consideration.

Table of Contents

(d) Vesting of Restricted Stock. The Administrator at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the Restricted Stock and the Company's right of repurchase or forfeiture shall lapse. Notwithstanding the foregoing, in the event that any such Restricted Stock granted to employees shall have a performance-based goal, the restriction period with respect to such shares shall not be less than one year, and in the event any such Restricted Stock granted to employees shall have a time-based restriction, the total restriction period with respect to such shares shall not be less than three years; provided, however, that Restricted Stock with a time-based restriction may become vested incrementally over such period. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed shall no longer be Restricted Stock and shall be deemed "vested." Except as may otherwise be provided by the Administrator either in the Award Certificate or, subject to Section 13 below, in writing after the Award is issued, a grantee's rights in any shares of Restricted Stock that have not vested shall automatically terminate upon the grantee's termination of employment (or other service relationship) with the Company and its Subsidiaries and such shares shall be subject to the provisions of Section 5(c) above.

SECTION 6. UNRESTRICTED STOCK AWARDS

Grant or Sale of Unrestricted Stock. The Administrator may, in its sole discretion, grant (or sell at par value or such higher purchase price determined by the Administrator) an Unrestricted Stock Award under the Plan. Unrestricted Stock Awards may be granted in respect of past services or other valid consideration, or in lieu of cash compensation due to such grantee.

SECTION 7. CASH-BASED AWARDS

Grant of Cash-Based Awards. The Administrator may, in its sole discretion, grant Cash-Based Awards to any grantee in such amount and upon such terms, and subject to such conditions, as the Administrator shall determine at the time of grant. The Administrator shall determine the maximum duration of the Cash-Based Award, the amount of cash to which the Cash-Based Award pertains, the conditions upon which the Cash-Based Award shall become vested or payable, and such other provisions as the Administrator shall determine. Each Cash-Based Award shall specify a cash-denominated payment amount, formula or payment ranges as determined by the Administrator. Payment, if any, with respect to a Cash-Based Award shall be made in accordance with the terms of the Award and may be made in cash or in Shares, as the Administrator determines.

SECTION 8. PERFORMANCE-BASED AWARDS TO COVERED EMPLOYEES

(a) Performance-Based Awards. Any employee who is selected by the Administrator may be granted one or more Performance-Based Awards in the form of a Restricted Stock Award or Cash-Based Award payable upon the attainment of Performance Goals that are established by the Administrator and relate to one or more of the Performance Criteria, in each case on a specified date or dates or over any period or periods determined by the Administrator. The Administrator shall define in an objective fashion the manner of calculating the Performance Criteria it selects to use for any Performance Cycle. Depending on the Performance Criteria used to establish such Performance Goals, the Performance Goals may be expressed in terms of overall Company performance or the performance of a division, business unit, or an individual. The Administrator, in its discretion, may adjust or modify the calculation of Performance Goals for such Performance Cycle in order to prevent the dilution or enlargement of the rights of an individual (i) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development, (ii) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company, or the financial statements of the Company, or (iii) in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions

Table of Contents

provided however, that the Administrator may not exercise such discretion in a manner that would increase the Performance-Based Award granted to a Covered Employee. Each Performance-Based Award shall comply with the provisions set forth below.

(b) Grant of Performance-Based Awards. With respect to each Performance-Based Award granted to a Covered Employee, the Administrator shall select, within the first 90 days of a Performance Cycle (or, if shorter, within the maximum period allowed under Section 162(m) of the Code) the Performance Criteria for such grant, and the Performance Goals with respect to each Performance Criterion (including a threshold level of performance below which no amount will become payable with respect to such Award). Each Performance-Based Award will specify the amount payable, or the formula for determining the amount payable, upon achievement of the various applicable performance targets. The Performance Criteria established by the Administrator may be (but need not be) different for each Performance Cycle and different Performance Goals may be applicable to Performance-Based Awards to different Covered Employees.

(c) Payment of Performance-Based Awards. Following the completion of a Performance Cycle, the Administrator shall meet to review and certify in writing whether, and to what extent, the Performance Goals for the Performance Cycle have been achieved and, if so, to also calculate and certify in writing the amount of the Performance-Based Awards earned for the Performance Cycle. The Administrator shall then determine the actual size of each Covered Employee's Performance-Based Award, and, in doing so, may reduce or eliminate the amount of the Performance-Based Award for a Covered Employee if, in its sole judgment, such reduction or elimination is appropriate.

(d) Maximum Award Payable. The maximum Performance-Based Award payable to any one Covered Employee under the Plan for a Performance Cycle is 20,000 Shares (subject to adjustment as provided in Section 3(b) hereof) or \$500,000 in the case of a Performance-Based Award that is a Cash-Based Award.

SECTION 9. TRANSFERABILITY OF AWARDS

(a) Transferability. During a grantee's lifetime, his or her Awards shall be exercisable only by the grantee, or by the grantee's legal representative or guardian in the event of the grantee's incapacity. No Awards shall be sold, assigned, transferred or otherwise encumbered or disposed of by a grantee other than by will or by the laws of descent and distribution or pursuant to a domestic relations order. No Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind, and any purported transfer in violation hereof shall be null and void.

(b) Designation of Beneficiary. Each grantee to whom an Award has been made under the Plan may designate a beneficiary or beneficiaries to settle any Award or receive any payment under any Award payable on or after the grantee's death. Any such designation shall be on a form provided for that purpose by the Administrator and shall not be effective until received by the Administrator. If no beneficiary has been designated by a deceased grantee, or if the designated beneficiaries have predeceased the grantee, the beneficiary shall be the grantee's estate.

SECTION 10. TAX WITHHOLDING

(a) Payment by Grantee. Each grantee shall be solely responsible for all federal, provincial, state and local taxes resulting from his or her receipt of or the vesting of an Award or of any Shares or other amounts received thereunder. The Company and its Subsidiaries shall, to the extent permitted or required by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the grantee. The Company's obligation to deliver evidence of book entry (or share certificates) to any grantee is subject

Table of Contents

to and conditioned on tax withholding obligations being satisfied by the grantee, if not otherwise satisfied by the Company.

(b) *Payment in Shares.* Subject to approval by the Administrator, the Company may satisfy the minimum required tax withholding obligation, in whole or in part, by withholding from Shares to be issued pursuant to any Award a number of Shares with an aggregate Fair Market Value (as of the date the withholding is effected) equal to the withholding amount due, and remitting such amount to the applicable taxation authorities.

SECTION 11. SECTION 409A AWARDS

To the extent that any Award is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A (a "409A Award"), the Award shall be subject to such additional rules and requirements as specified by the Administrator from time to time in order to comply with Section 409A. In this regard, if any amount under a 409A Award is payable upon a "separation from service" (within the meaning of Section 409A) to a grantee who is then considered a "specified employee" (within the meaning of Section 409A), then no such payment shall be made prior to the date that is the earlier of (i) six months and one day after the grantee's separation from service, or (ii) the grantee's death, but only to the extent such delay is necessary to prevent such payment from being subject to interest, penalties and/or additional tax imposed pursuant to Section 409A. Further, the settlement of any such Award may not be accelerated except to the extent permitted by Section 409A.

SECTION 12. TRANSFER, LEAVE OF ABSENCE, ETC.

For purposes of the Plan, the following events shall not be deemed a termination of employment:

- (a) a transfer to the employment of the Company from a Subsidiary or from the Company to a Subsidiary, or from one Subsidiary to another; or
- (b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Administrator otherwise so provides in writing.

SECTION 13. AMENDMENTS AND TERMINATION

The Board may, at any time, amend or discontinue the Plan and the Administrator may, at any time, amend or cancel any outstanding Award, in each case for the purpose of satisfying changes in law or for any other lawful purpose, provided that no such action shall adversely affect rights under any outstanding Award without the holder's consent and any such action shall be subject to regulatory approvals, including, where required, the approval of the Toronto Stock Exchange and the New York Stock Exchange. No such amendment to the Plan or any Award shall require the approval of the Company's shareholders unless such amendment involves:

- (a) any increase in the number of Shares reserved for issuance under the Plan;
- (b) any reduction in the pricing of Awards issuable under the Plan or any cancellation and reissue of Awards under the Plan;
- (c) amendments to the persons eligible to participate in the Plan that may permit the introduction of non-employee directors on a discretionary basis;

Table of Contents

- (d) any amendment that extends the term of Awards beyond the original expiry, if any;
- (e) an amendment which would permit Awards granted under the Plan to be transferable or assignable other than for normal estate settlement purposes; or
- (f) an amendment to the plan amendment provisions contained in this Section 13.

Notwithstanding the foregoing, to the extent required under the rules of any securities exchange or market system on which the Shares is listed, to the extent determined by the Administrator to be required by the Code to ensure that compensation earned under Awards qualifies as performance-based compensation under Section 162(m) of the Code, Plan amendments shall be subject to approval by the Company shareholders entitled to vote at a meeting of shareholders. Nothing in this Section 13 shall limit the Administrator's authority to take any action permitted pursuant to Section 3(b) or 3(c).

SECTION 14. STATUS OF PLAN

With respect to the portion of any Award that has not been settled and any payments in cash, Shares or other consideration not received by a grantee, a grantee shall have no rights greater than those of a general creditor of the Company unless the Administrator shall otherwise expressly determine in connection with any Award or Awards. In its sole discretion, the Administrator may authorize the creation of trusts or other arrangements to meet the Company's obligations to deliver Shares or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the foregoing sentence.

SECTION 15. GENERAL PROVISIONS

(a) *No Distribution.* The Administrator may require each person acquiring Shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to distribution thereof.

(b) *Delivery of Share Certificates.* Share certificates issued to grantees under this Plan shall be deemed delivered for all purposes when the Company or a transfer agent for the Shares shall have mailed such certificates in the mail, addressed to the grantee, at the grantee's last known address on file with the Company. Uncertificated Shares shall be deemed delivered for all purposes when the Company or a transfer agent for the Shares shall have given to the grantee by electronic mail (with proof of receipt) or by mail, addressed to the grantee, at the grantee's last known address on file with the Company, notice of issuance and recorded the issuance in its records (which may include electronic "book entry" records). Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing Shares pursuant to the settlement of any Award, unless and until the Administrator has determined, with advice of counsel (to the extent the Administrator deems such advice necessary or advisable), that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the Shares are listed, quoted or traded. All Share certificates delivered pursuant to the Plan shall be subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with federal, state or foreign jurisdiction, securities or other laws, rules and quotation system on which the Shares are listed, quoted or traded. The Administrator may place legends on any Share certificate to reference restrictions applicable to the Shares. In addition to the terms and conditions provided herein, the Administrator may require that an individual make such reasonable covenants, agreements, and representations as the Administrator, in its discretion, deems necessary or advisable in order to comply with any such laws, regulations, or requirements. The Administrator shall have the right to

Table of Contents

require any individual to comply with any timing or other restrictions with respect to the settlement of any Award, including a window-period limitation, as may be imposed in the discretion of the Administrator.

(c) Shareholder Rights. Until Shares are deemed delivered in accordance with Section 15(b), no right to vote or receive dividends or any other rights of a shareholder will exist with respect to Shares to be issued in connection with an Award, notwithstanding any action by the grantee with respect to an Award.

(d) Other Compensation Arrangements; No Employment Rights. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, including trusts, and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of this Plan and the grant of Awards do not confer upon any employee any right to continued employment with the Company or any Subsidiary.

(e) Trading Policy Restrictions. Awards under the Plan shall be subject to the Company's insider trading policies and procedures, as in effect from time to time.

(f) Forfeiture of Awards under Sarbanes-Oxley Act. If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, then any grantee who is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002 shall reimburse the Company for the amount of any Award received by such individual under the Plan during the 12-month period following the first public issuance or filing with the United States Securities and Exchange Commission, as the case may be, of the financial document embodying such financial reporting requirement.

SECTION 16. EFFECTIVE DATE AND TERM OF PLAN

This Plan shall become effective upon shareholder approval in accordance with applicable state law, the Company's articles, and applicable stock exchange rules. The Plan shall have a term of ten years from the Effective Date. No grants of Awards may be made hereunder after the tenth anniversary of the Effective Date.

SECTION 17. GOVERNING LAW

This Plan and all Awards and actions taken hereunder and thereunder shall be governed by, and construed in accordance with, the laws of the State of Delaware, applied without regard to conflict of law principles.
