**Westpac Banking Corporation**

We are one of the four major banking organizations in Australia and, through our New Zealand operations, we are also one of the largest banking organizations in New Zealand. We provide a broad range of banking and financial services in these markets, including retail, business and institutional banking and wealth management services.

We were founded in 1817 and were the first bank to be established in Australia. In 1850 we were incorporated as the Bank of New South Wales by an Act of the New South Wales Parliament. In 1982 we changed our name to Westpac Banking Corporation following our merger with the Commercial Bank of Australia. On August 23, 2002, we were registered as a public company limited by shares under the Australian Corporations Act. Our principal office is located at 275 Kent Street, Sydney, New South Wales, 2000, Australia. Our telephone number for calls within Australia is 132 032 and our international telephone number is +61 2 9293 9270.

We have branches, affiliates and controlled entities throughout Australia, New Zealand and the near Pacific region and maintain branches and offices in some of the key financial centers around the world. As at March 31, 2012, we had total assets of A\$653.9 billion. Our market capitalization as of September 14, 2012 was approximately A\$74.3 billion.

We have three key customer-facing divisions. These divisions are Australian Financial Services, Westpac Institutional Bank and Westpac New Zealand.

Australian Financial Services, which we refer to as AFS, is responsible for Westpac's Australian retail banking, business banking and wealth operations. It incorporates the operations of Westpac Retail & Business Banking, St.George Banking Group and BT Financial Group (Australia). AFS also includes the product and risk responsibilities for Australian banking.

Westpac Retail & Business Banking, which we refer to as Westpac RBB, is responsible for sales and service for our consumer, small to medium enterprise customers and commercial customers (typically with turnover of up to A\$100 million) in Australia under the Westpac brand. Activities are conducted through Westpac RBB's nationwide network of branches and business banking centers and specialized consumer and business relationship managers, with the support of cash flow, financial markets and wealth specialists, customer service centers, automated teller machines, which we refer to as ATMs, and internet and mobile channels.

St.George Banking Group, which we refer to as St.George, is responsible for sales and service for consumer, business and corporate customers in Australia under the St.George, BankSA, Bank of Melbourne and RAMS brands. RAMS is a diversified non-bank financial services group. Consumer activities are conducted through a network of branches, third party distributors, call centers, ATMs, EFTPOS terminals and internet banking services. Business and corporate customers (businesses with facilities typically up to A\$150 million) are provided with a wide range of banking and financial products and services including specialist advice for cash flow finance, trade finance, automotive and equipment finance, property finance, transaction banking and treasury services. Sales and service activities for

business and corporate customers are conducted by relationship managers via business banking centers, internet and customer service center channels.

BT Financial Group (Australia), which we refer to as BTFG, is Westpac's Australian wealth division. BTFG's funds management operations include the manufacturing and distribution of investment, superannuation and retirement products, investment platforms such as Wrap and Master Trusts, private banking, financial planning as well as margin lending and broking. BTFG's insurance solutions cover the manufacturing and distribution of life, general and lenders mortgage insurance. BTFG's brands include Advance Asset Management, Ascalon, Asgard, BT, BT Investment Management (64.5% owned by us and consolidated in BTFG's Funds Management business), Licensee Select, Magnitude, Securitor, and the Advice, Private Banking and Insurance Operations of Bank of Melbourne, BankSA, St.George and Westpac.

Westpac Institutional Bank, which we refer to as WIB, delivers a broad range of financial services to commercial, corporate, institutional and Government customers with connections to Australia and New Zealand. WIB operates through dedicated industry relationship and specialist product teams, with expert knowledge in transactional banking, financial and debt capital markets, specialized capital, and alternative investment solutions. Customers are supported through branches and subsidiaries located in Australia, New Zealand, the United States, the United Kingdom and Asia.

Westpac New Zealand is responsible for sales and service of banking, wealth and insurance products for consumers, business and institutional customers in New Zealand. Westpac conducts its New Zealand banking business through two banks in New Zealand: Westpac New Zealand Limited, which is incorporated in New Zealand, and Westpac Banking Corporation (NZ Division), a branch of Westpac, which is incorporated in Australia. The division operates via an extensive network of branches and ATMs across both the North and South Islands. Business and institutional customers are also served through relationship and specialist product teams. Banking products are provided under the Westpac and Westpac Institutional Bank brands while insurance and wealth products are provided under Westpac Life and BT brands, respectively.
