PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS MAY 17, 2013

INFORMATION ABOUT THIS PROXY STATEMENT AND THE 2013 ANNUAL GENERAL MEETING

The Board of Directors of Aon plc ("Aon" or the "Company") is soliciting your proxy to vote at the 2013 annual general meeting of shareholders (the "Annual Meeting") to be held at the offices of Freshfields Bruckhaus Deringer LLP, 65 Fleet Street, London, EC4Y 1HT, United Kingdom, at 8:00 a.m. (local time), on Friday, May 17, 2013, and at any adjournment or postponement thereof.

On April 1, 2013, we began mailing to our shareholders of record this proxy statement, the accompanying proxy card, our Annual Report to Shareholders and the U.K. annual report and accounts. As permitted by the rules of the Securities and Exchange Commission (the "SEC"), we are also making our proxy materials, including the Notice of 2013 Annual General Meeting, this proxy statement and the accompanying proxy card, our Annual Report to Shareholders and the U.K. annual report and accounts (collectively, the "proxy materials") available to all shareholders electronically via the Internet. Beneficial owners may have received a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") containing instructions on how to access our proxy materials and vote online. If you received a Notice of Internet Availability, you will not receive a printed copy of the proxy materials unless you have previously made a permanent election to receive these materials in hard copy. Instead, the Notice of Internet Availability instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability also instructs you as to how you may submit your proxy on the Internet. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability.

On April 2, 2012, we completed the reorganization of the corporate structure of the group of companies controlled by our predecessor as holding company of the Aon group, Aon Corporation, pursuant to which Aon Corporation merged with one of its indirect, wholly owned subsidiaries and Aon plc became the publicly-held parent company of the Aon group. We refer to this transaction as the redomestication. In connection with the redomestication, each issued and outstanding share of common stock of Aon Corporation was converted into the right to receive one Class A Ordinary Share, with nominal (*i.e.* par) value U.S. \$0.01 per share, of the Company. References in this proxy statement to the actions of "the Company", "us", "we" or "Aon" (or its board of directors, committees of its board of directors, or any of its directors and/or officers) or any similar references relating to periods before the date of the redomestication should be construed as references to the actions of Aon Corporation (or, where appropriate, its board of directors, committees of its board of directors or its directors and/or officers), being the previous parent company of the Aon group.

Aon's Annual Report to Shareholders, which contains Aon's Annual Report on Form 10-K, including consolidated financial statements for the year ended December 31, 2012 but excluding exhibits, and Aon's United Kingdom annual report and accounts accompanies this proxy statement. Requests for copies of exhibits to Aon's Annual Report on Form 10-K should be submitted to the Office of the Company Secretary, Aon plc, 8 Devonshire Square, London EC2M 4PL, United Kingdom. Exhibits will be furnished upon payment of a nominal fee (which fee will be limited to the expenses we incur in providing you with the requested exhibits). Aon's Annual Report on Form 10-K, including exhibits, and Aon's United Kingdom annual accounts and directors' remuneration reports are also available free of charge through our website (<http://www.aon.com>).

QUESTIONS AND ANSWERS ABOUT THE 2013 ANNUAL GENERAL MEETING AND VOTING

Why did I receive these proxy materials?

We have made these proxy materials available to you on the Internet or have delivered printed versions of these materials to you by mail to comply with our obligations under the U.K. Companies Act 2006 (the "Act") in connection with the solicitation of proxies for use at the Annual Meeting, and at any adjournment or postponement thereof.

The Notice of Internet Availability and proxy materials were first mailed to shareholders on or about April , 2013 to shareholders as of March 25, 2013, which we refer to as the "record date."

What matters will be presented for consideration at the Annual Meeting?

Action will be taken at the Annual Meeting with respect to the following proposals:

1. The election, by way of separate ordinary resolutions, of the eleven nominees named in this proxy statement to serve as directors of the Company until our 2014 annual general meeting of shareholders.
2. The receipt of our annual report and accounts, together with the reports of the directors and the U.K. statutory auditor, Ernst & Young UK LLP, for the financial year ended December 31, 2012 (the "Annual Report").
3. The ratification of the appointment of Ernst & Young LLP ("E&Y") as our independent registered public accounting firm for the year ending December 31, 2013.
4. The re-appointment of Ernst & Young UK LLP as our U.K. statutory auditor under the Companies Act 2006 (to hold office until the conclusion of the next annual general meeting at which accounts are laid before the Company).
5. The authorization of the directors to determine the remuneration of Ernst & Young UK LLP as the Company's U.K. statutory auditor.
6. An advisory resolution (proposed as an ordinary resolution) on executive compensation.
7. An advisory resolution (proposed as an ordinary resolution) on the directors' remuneration report contained within the Company's annual report and accounts for the year ended December 31, 2012.
8. The approval of the Aon plc Global Share Purchase Plan.
9. Any other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Proposals 2, 4, 5 and 7 are different than the proposals we sought approval for in the past. These proposals are now included because we have become a U.K. company.

Will any other matters be decided at the Annual Meeting?

At the date of this proxy statement, we do not know of any other matters to be raised at the Annual Meeting other than those described in this proxy statement. If any other matters are, in accordance with applicable law or the Company's articles of association (the "Articles"), properly presented for consideration at the Annual Meeting, such matters will, subject to the Articles and applicable law, be considered at the Annual Meeting and the individuals named in the proxy card will vote on such matters in their discretion.

Who is entitled to vote at the Annual Meeting?

Holders of our Class A Ordinary Shares, nominal (*i.e.*, par) value \$0.01 per share (the "Ordinary Shares") as of the close of business on March 25, 2013, are entitled to vote at the Annual Meeting. As of that date, there were Class A Ordinary Shares outstanding and entitled to vote and 125,000 Class B Ordinary Shares outstanding, none of which are entitled to vote. Unless disenfranchised under applicable

Edgar Filing: Aon plc - Form PRE 14A

law and/or the Articles, each Class A Ordinary Share is entitled to one vote on each matter properly brought before the Annual Meeting.

What is the difference between holding Ordinary Shares as a shareholder of record and as a beneficial owner?

If you are registered on the register of members of the Company in respect of Ordinary Shares, you are considered, with respect to those Ordinary Shares, the shareholder of record, and these proxy materials are being sent directly to you by the Company.

If your Ordinary Shares are held in a stock brokerage account or by a broker, bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials or the Notice of Internet Availability are being made available or forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your Ordinary Shares by following the instructions for voting on the proxy card or Notice of Internet Availability.

How do I vote?

If you are a shareholder of record, you may appoint a proxy to vote on your behalf using any of the following methods:

By telephone using the toll-free telephone number shown on the proxy card or the Notice of Internet Availability;

Through the Internet as instructed on the proxy card;

By mail by completing and signing the proxy card and returning it in the prepaid envelope provided; or

By written ballot at the Annual Meeting.

Telephone and Internet proxy appointment facilities for shareholders of record will be available 24 hours a day. If you give instructions as to your proxy appointment by telephone or through the Internet, such instructions must be received by 5:00 p.m., London time/12:00 p.m., New York time, on Thursday, May 16, 2013, the day before the Annual Meeting. If you properly give instructions as to your proxy appointment by telephone, through the Internet or by executing and returning a paper proxy card, and your proxy appointment is not subsequently revoked, your Ordinary Shares will be voted in accordance with your instructions. If you are a shareholder of record and you execute and return a proxy card but do not give instructions, your proxy will be voted as follows:

FOR the election of all nominees for director named in this proxy statement (in each case to be approved by way of a separate ordinary resolution);

FOR the receipt of the annual report and accounts, including the auditor's report contained therein by way of ordinary resolution;

FOR the ratification of the appointment of E&Y as our independent registered public accounting firm for the year 2013 by way of ordinary resolution;

FOR the re-appointment of Ernst & Young UK LLP as our statutory auditor by way of ordinary resolution;

FOR authorizing the board to determine remuneration of Ernst & Young UK LLP by way of ordinary resolution;

FOR advisory approval of the compensation of our named executive officers by way of ordinary resolution;

FOR advisory approval of the directors' remuneration report by way of ordinary resolution;

FOR the Aon plc Global Share Purchase Plan by way of ordinary resolution; and

Edgar Filing: Aon plc - Form PRE 14A

otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Annual Meeting.

If you are a beneficial owner, you should follow the directions provided by your broker, bank or other nominee. You may submit instructions by telephone or through the Internet to your broker, bank or other nominee, or request and return a paper proxy card to your broker, bank or other nominee. If you hold shares through the Aon Savings Plan, the Company Share Save Plan or the dividend reinvestment plan, the plan trustees will vote according to the instructions received from you provided your instructions are received by 5:00 p.m., New York time, on Tuesday, May 14, 2013.

We will distribute written ballots to anyone who wants to vote in person at the Annual Meeting. If you are a beneficial owner, you should obtain a legal proxy from your broker, bank or other nominee and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting (see the section titled "Who can attend the Annual Meeting?" below).

What should I do if I receive more than one notice of internet availability of proxy materials or proxy card?

If you own some Ordinary Shares directly in your name as a registered holder and other Ordinary Shares as a beneficial owner through a broker, bank or other

Table of Contents

nominee, or if you own Ordinary Shares through more than one broker, bank or other nominee, you may receive multiple Notices of Internet Availability or multiple proxy cards. It is necessary for you to fill in, sign and return all of the proxy cards included in the proxy materials that you receive or for you to follow the instructions for any alternative voting procedure on each of the Notices of Internet Availability that you receive in order to vote all of the shares you own.

How is a quorum determined?

The presence of the holders of shares in the Company who together represent at least the majority of the voting rights of all of the shareholders entitled to vote, present in person or by proxy, at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining a quorum at the Annual Meeting.

What is a broker non-vote?

If you own your Ordinary Shares through a broker, bank or other nominee, and do not provide the organization that holds your Ordinary Shares with specific voting instructions, pursuant to the rules of the New York Stock Exchange, the bank, broker or other nominee is generally permitted to vote your Ordinary Shares in its discretion on certain routine matters. With respect to certain non-routine matters, the broker, bank or other nominee is not permitted to vote your Ordinary Shares for you. If the broker, bank or other nominee that holds your Ordinary Shares does not receive voting instructions from you on how to vote your Ordinary Shares on a non-routine matter, it will inform the inspector of election that it does not have the authority to vote on this matter with respect to your Ordinary Shares. A broker non-vote occurs when a broker, bank or other nominee holding Ordinary Shares on your behalf does not vote on a particular proposal because it has not received voting instructions from you and does not have discretionary voting power with respect to that proposal.

What proposals are considered "routine" or "non-routine"?

Proposals 2, 3, 4 and 5 (the receipt of Aon's annual report and accounts, ratification of the appointment of E&Y as Aon's independent registered public accounting firm for 2013, appointment of our statutory auditor and authorizing our Board of Directors to determine auditor remuneration) are each considered a routine matter under the rules of the New York Stock Exchange (the "NYSE"). A broker, bank or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to occur in connection with Proposals 2, 3, 4 or 5.

Proposals 1, 6, 7 and 8 (the election of directors by way of separate resolutions, the advisory vote on executive compensation, the advisory vote on the directors' remuneration report and the approval of the Aon plc Global Share Purchase Plan) are matters considered non-routine under the rules of the NYSE. A broker, bank or other nominee may not vote on these non-routine matters without specific voting instructions from the beneficial owner. As a result, there may be broker non-votes with respect to Proposals 1, 6, 7 and 8.

What are the voting requirements to elect directors and approve each of the resolutions?

The election of each of the eleven nominees for director will be decided by ordinary resolution, which means that the nominee will be elected if a majority of the votes are cast in favor of the nominee's election. Abstentions and broker non-votes will not be counted as a vote either for or against a nominee for director. If the number of votes cast against an incumbent nominee exceeds the number of votes cast for the nominee, the Governance Guidelines adopted by our Board (the "Governance Guidelines") provide that the nominee must immediately offer to tender his or her resignation, and the Board, through a process managed by the Governance/Nominating Committee, will determine whether to accept or reject the resignation, or take other action.

All other resolutions will be proposed as ordinary resolutions, which means that, assuming a quorum is present, each resolution will be approved if a majority of the votes cast are cast in favor of the resolution. Abstentions and broker non-votes will not be counted as a vote either for or against these resolutions. If the number of votes cast against a resolution exceeds the number of votes cast for the resolution, the resolution will not be passed. With respect to Proposal 2 (regarding the receipt of the Company's annual report and accounts) and the non-binding advisory resolutions in Proposal 6 (regarding the compensation of our named executive officers) and Proposal 7 (regarding the directors' remuneration report), the results of the vote will not legally require the Board of Directors or any committee thereof to take any action (or refrain from taking any action). Nevertheless, our Board of Directors values the opinions of our shareholders as expressed through their advisory votes and other communications and the Board

Table of Contents

of Directors will carefully consider the outcome of the advisory votes.

Can I change my vote?

If you are a shareholder of record, you can change your vote or revoke your proxy at any time before the Annual Meeting by:

Entering a later-dated vote by telephone or through the Internet;

Delivering a valid, later-dated proxy card;

Sending written notice to the Office of the Company Secretary of Aon; or

Voting by ballot in person at the Annual Meeting.

If you are a beneficial owner of Ordinary Shares, you may submit new proxy appointment instructions by contacting your broker, bank or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above under "*How do I vote?*"

All Ordinary Shares that have been properly voted and not revoked will be voted at the Annual Meeting. Attending the Annual Meeting without taking further action will not automatically revoke your prior telephone or Internet vote or your proxy.

Will the Annual Meeting be webcast?

You may listen to the Annual Meeting on the World Wide Web by logging on to our website at www.aon.com and following the on-screen instructions. We have included our website address in this proxy statement for reference purposes only. The information contained on our website is not incorporated by reference into this proxy statement.

Who can attend the Annual Meeting?

Shareholders as of the close of business on March 25, 2013, which is the record date for voting, may attend the Annual Meeting. If you are a shareholder of record, you will need to present the proxy card that you received, together with a form of personal photo identification, in order to be admitted into the meeting. If you are the beneficial owner of shares held in "street name," you will need to provide proof of ownership, such as a recent account statement or letter from your bank, broker or other nominee as of the close of business on March 25, 2013, along with a form of personal photo identification. Alternatively, you may contact the broker, bank or other nominee in whose name your Ordinary Shares are registered and obtain a legal proxy to bring to the Annual Meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted into the meeting or adjacent areas. All other items may be subject to search.

Who will pay the costs of this proxy solicitation?

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made on our behalf by certain directors, officers or employees of Aon and our subsidiaries telephonically, electronically or by other means of communication. Directors, officers and employees of Aon and our subsidiaries will receive no additional compensation for such solicitation. We will also reimburse banks, brokers and other nominees for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners.

Who will count the vote?

Representatives of our transfer agent, Computershare Trust Company, N.A., will count the vote and serve as inspectors of election.

Where can I find the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of election and disclosed in a Current Report on Form 8-K, which Aon is required to file with the SEC. The results of the polls taken on the resolutions at the

Edgar Filing: Aon plc - Form PRE 14A

Annual Meeting and any other information required by the Act will be made available on the Company's website (www.aon.com) as soon as reasonably practicable following the Annual Meeting and for a period of two years thereafter.

PROPOSAL 1 RESOLUTIONS REGARDING THE ELECTION OF DIRECTORS

Eleven directors are to be elected at the Annual Meeting. All of the current members of our Board of Directors (the "Board") are standing for election. With respect to Mr. Case, his employment agreement provides that he will be nominated for election as a director at each annual meeting of shareholders during the period of his employment. The term of each director expires at the next annual general meeting of shareholders, and each director will continue in office until the election and qualification of his or her respective successor or until his or her earlier death, removal or resignation. The Board consists of a number of directors as is adopted from time to time by resolution adopted by the Board as provided in our Articles. Consistent with the terms of the Articles, the Board currently is authorized to have up to twenty-one members and the number of directors was most recently set at eleven. Proxies cannot be voted for a greater number of directors than the eleven nominees as identified in this Proxy Statement.

All nominees are currently directors of the Company. All nominees for director have consented to be named and have agreed to serve as directors, if elected. The Governance/Nominating Committee recommended to the full Board that each director be nominated to serve for an additional term.

Each of the eleven directors will be elected by the vote of a majority of the votes cast with respect to such director, which means that the number of votes cast for a nominee for director must exceed the number of votes cast against that nominee for director. A shareholder may: (i) vote for the election of a nominee for director; (ii) vote against the election of a nominee for director; or (iii) abstain from voting for a nominee for director.

Unless a proxy directs to the contrary, it is intended that the proxies will be voted FOR the election of each of the eleven nominees for director named on the following pages, to hold office until the 2014 annual general meeting or until their respective successors are duly elected and qualified. We have no reason to believe that any of the nominees will not be available to serve as a director. However, if any of them should become unavailable to serve for any reason, the proxies will be voted for such substitute nominees as may be designated by the Board.

Aon values a number of attributes and criteria when identifying candidates to serve as a director, including professional background, expertise, reputation for integrity, business, financial and management experience, leadership capabilities and diversity. In addition to the specific experience and qualifications set forth below, we believe all of the nominees are individuals with a reputation for integrity, demonstrate strong leadership capabilities and are able to work collaboratively to make contributions to the Board and management.

Set forth on the following pages is biographical and other background information concerning each nominee for election as a director. This information includes each nominee's principal occupation as well as a discussion of the specific experience, qualifications, attributes, and skills of each nominee that led to the Board's conclusion that each nominee should serve as a director. In addition, set forth below is the period during which each nominee has served as a director of Aon, including service as a director of Aon plc's predecessor, Aon Corporation. The information presented below has been confirmed by each nominee for purposes of its inclusion in this proxy statement. Ages shown for all directors are as of December 31, 2012.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF ALL NOMINEES.

CORPORATE GOVERNANCE

The Governance Guidelines of the Company provide the framework for the governance of Aon together with the Committee charters and the Code of Business Conduct, which sets forth standards of conduct for employees, officers and directors. The Board provides oversight of Aon's overall performance, strategic direction, and executive management team performance. The Board also approves major initiatives and transactions and advises on key financial and business matters. The Board is kept apprised of Aon's progress on a regular basis through Board and Committee meetings, discussions with management, operating and financial reports provided by the Chief Executive Officer and Chief Financial Officer, and other material distributed to the directors throughout the year.

The Governance Guidelines require that Aon have a majority of directors who meet the categorical independence standards adopted by the Board, which must meet or exceed the independence requirements of the NYSE corporate governance standards. The Governance Guidelines further provide that each of the Audit, Governance/Nominating and Organization and Compensation Committees will be composed entirely of independent directors. The principal responsibilities of each Committee are described in this proxy statement in the section captioned "Board of Directors and Committees."

Director Independence

In accordance with the rules of the NYSE, the Board has adopted categorical independence standards, which either meet or exceed the independence requirements of the NYSE corporate governance standards, to provide assistance in the determination of director independence. The categorical standards are set forth below and provide that a director of Aon will not qualify as an independent director if:

- (i) The director is, or has been within the last three years, an employee of Aon, or an immediate family member of the director is, or has been within the last three years, an executive officer, of Aon;
- (ii) The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from Aon, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (iii) (A) The director is a current partner or employee of a firm that is Aon's internal or external auditor; (B) the director has an immediate family member who is a current partner of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and personally works on Aon's audit; or (D) the director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on Aon's audit within that time;
- (iv) The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of Aon's present executive officers at the same time serves or served on that company's compensation committee;
- (v) The director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, Aon for property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1 million or 2% of such other company's consolidated gross revenues; or

Table of Contents

(vi)

The director, or the spouse of a director, serves as an executive officer of a charitable organization to which Aon's charitable contributions in the last fiscal year, excluding those made under Aon's matching gift program, exceeded the greater of \$1 million or 2% of such organization's consolidated gross revenues.

For purposes of the categorical standards, "immediate family member" is defined to include a director's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares the director's home.

In connection with the determination of director independence, the Governance/Nominating Committee reviewed the categorical standards adopted by the Board together with other applicable legal requirements and the rules of the NYSE. The Committee also reviewed information compiled from the responses to questionnaires completed by each of Aon's directors, information derived from Aon's corporate and financial records, information available from public records, and information received from other relevant parties. Following this review, the Committee delivered a report to the full Board of Directors, and the Board made its determination of director independence.

As a result of this review, the Board affirmatively determined that each of the following directors does not have a material relationship with Aon and is independent under the categorical standards adopted by the Board, applicable legal requirements and the rules of the NYSE: Mr. Conti, Ms. Francis, Mr. Jannotta, Mr. Knight, Mr. Losh, Mr. Morrison, General Myers, Mr. Notebaert, Ms. Santona and Dr. Woo. In addition, the Board affirmatively determined that Mr. Kalf, Mr. Martin, Mr. McKenna and Mr. Rogers were independent under these standards during their respective tenures in 2012. Mr. Case is considered a management director because of his position as President and Chief Executive Officer of Aon.

In determining that each of the non-employee directors is independent, the Board also considered the following relationships that it deemed were immaterial to such director's independence.

With respect to Mr. Conti, Mr. Jannotta, Mr. Knight, Mr. Martin, Mr. McKenna, Mr. Rogers, Ms. Santona and Dr. Woo, the Board considered that, in the ordinary course of business, Aon has sold services to a company (or other entity) at which these directors is an executive officer (or, in the case of Mr. Martin, is Of Counsel and a retired Partner), and in each case, the amount received from the entity in any of the previous three fiscal years was below the greater of \$1 million or one percent (1%) of that entity's annual revenue. In addition, the amount received from the entity in any of the previous three fiscal years was below one percent (1%) of Aon's annual revenue.

With respect to Mr. Martin, the Board considered that, prior to his retirement from the Board and in the ordinary course of business, Aon purchased services from an entity at which Mr. Martin is Of Counsel and a retired Partner, and the amount paid to this entity in any of the previous three fiscal years was below one percent (1%) of the entity's annual revenue.

With respect to Mr. Knight, the Board considered personal investments made by Mr. Jannotta and Mr. McKenna, as well as by the Aon Pension Fund, in a privately held fund managed by Mr. Knight.

With respect to Mr. Jannotta, Mr. Knight, Mr. Martin, Mr. McKenna, Mr. Morrison, General Myers, Mr. Notebaert, Mr. Rogers, Ms. Santona and Dr. Woo, the Board considered that Aon made charitable contributions in 2012 to organizations in which the director or a director's spouse was an officer, director or Trustee.

With respect to Ms. Francis, the Board considered the relationship between Aon and a non-profit entity of which Ms. Francis serves as co-Chair, in connection with a program designed to promote the development and advance the careers of high-potential executives.

Majority Voting

Aon's Articles require that directors be elected by majority vote in uncontested elections. In a contested election, directors will be elected by plurality vote. In addition, the Governance Guidelines provide that any incumbent director who fails to receive a majority of the votes cast in an uncontested election (and who is not

otherwise removed by ordinary resolution of the shareholders) must immediately offer to tender his or her resignation to the Board. The Board will then determine, through a process overseen by the Governance/Nominating Committee, whether to accept the resignation, reject the resignation, or take other action. The Board will act on the recommendation of the Governance/Nominating Committee, and promptly disclose its decision and the rationale behind such decision in a Form 8-K filed with the SEC.

Board Meetings

The Board met eleven times in 2012 and took action by unanimous written consent twice. All incumbent directors attended at least seventy-five (75%) of the aggregate of the total meetings of the Board and all Committees of the Board on which they served.

Meetings of Non-Management Directors

In accordance with NYSE rules and the Governance Guidelines, non-management directors meet regularly in executive session without management. Lester B. Knight, Aon's Non-Executive Chairman, chairs these executive sessions.

Share Ownership Guidelines

The Board of Directors has adopted Share Ownership Guidelines for Aon's senior executives and Share Ownership Guidelines for Non-Management Directors. Additional information on the Share Ownership Guidelines for Aon's senior executives can be found under the heading "Share Ownership Guidelines" in the section captioned "Compensation Discussion and Analysis." The Share Ownership Guidelines for Non-Management Directors require each non-management director to hold an investment position in Ordinary Shares equal to five times the annual director retainer. The Guidelines provide a transition period of five years for non-management directors to achieve the ownership guidelines level; provided, however that each new non-management director is expected to hold 1,000 Ordinary Shares within the first year of joining the Board or transitioning from a management director to a non-management director. In addition to shares held directly, vested deferred stock units and shares credited to deferred accounts will be included when determining if the target ownership level has been achieved. The guidelines serve to increase our non-management directors' equity stakes in Aon and align our non-management directors' interests more closely with those of our shareholders.

Hedging and Pledging Shares

Our Board of Directors has adopted a policy prohibiting all executive officers and directors from engaging in short sales, publicly traded options, puts and calls, forward sale contracts, and other swap, hedging, and derivative transactions relating to our securities. The Board also has adopted a policy prohibiting our executive officers and directors from holding our securities in margin accounts or pledging our securities as collateral for a loan.

Incentive Repayment Policy

In November 2012, the Board adopted an Incentive Repayment Policy applicable to our executive officers. Pursuant to the Incentive Repayment Policy, the Board may cancel or require reimbursement of any incentive payments or equity-based awards received if the incentive payment or equity award was based on the achievement of financial results that are subsequently restated. If the Board determines that the executive officer engaged in

Table of Contents

fraud that caused or partially caused the need for the financial restatement, the incentive payment or equity-based award is required to be forfeited or reimbursed in full. If the restatement was not the result of fraud by the executive officer, the Board may, to the extent allowed under applicable law, require forfeiture or reimbursement of the amount the incentive payment or equity-based award exceeded the lower amount that would have been made based on the restated financial results.

Upon the SEC's issuance of final rules regarding incentive repayments pursuant to the Dodd-Frank Act, the Company will adopt a revised mandatory Incentive Repayment Policy that will require the Company, in the event of a restatement, to recover from current and former executives any incentive-based compensation, for the three years preceding the restatement, that would not have been awarded under the restated financial statements.

Attendance at Annual Meeting

The Governance Guidelines provide that directors are expected to attend the annual general meeting. All of our Board members serving at the time attended the annual general meeting of Aon plc held on May 18, 2012.

Communications with the Board of Directors

Shareholders and other interested parties may communicate with the Board of Directors by contacting the non-management Directors of Aon plc, c/o Office of the Company Secretary, 8 Devonshire Square, London EC2M 4PL, London, United Kingdom. Alternatively, shareholders and other interested parties may communicate with Aon's non-management directors via electronic mail to the following address: corporate.governance@aon.com.

The non-management directors have established procedures for handling communications from shareholders and other interested parties. Communications are distributed to the Chairman of the Governance/Nominating Committee, the full Board of Directors, the non-management directors or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communication. Solicitations, spam, junk mail and mass mailings, resumes and other forms of job inquiries, business solicitations or advertisements and frivolous or inappropriate communications will not be forwarded, but will be made available to any non-management director upon request.

Code of Business Conduct

The Board has adopted a code of business conduct that applies to our directors, officers and employees. The Code of Business Conduct can be found on our web site at <http://www.aon.com/about-aon/corporate-governance/guidelines-policies/code-of-business-conduct.jsp> and is available in print copy to any shareholder who makes a written request to the Office of the Company Secretary.

We intend to disclose future amendments to, or waivers from, certain provisions of both the Code of Business Conduct on our website promptly following the date of such amendment or waiver.

Board Leadership Structure and Role in Risk Oversight

Since 2005, the positions of Chief Executive Officer and Chairman of the Board of Directors have been held by separate individuals. Effective August 1, 2008, Lester B. Knight was elected Non-Executive Chairman of Aon's Board of Directors. The position of Non-Executive Chairman is independent from Aon management. As Non-Executive Chairman, Mr. Knight sets the agendas for, and presides over, the Board meetings and also chairs executive sessions of the non-management directors. The Chief Executive Officer is also a member of the Board and participates in its meetings. The Board of Directors believes the separation of the positions of Chief Executive

Table of Contents

Officer and Chairman is the appropriate structure at this time, as it allows the Chief Executive Officer to focus on the management of Aon and the Chairman to ensure that the Board is focused on its oversight responsibilities, including independent oversight of Aon management.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including economic risks, financial risks, legal and regulatory risks, and others, such as the impact of competition. Management is responsible for the day-to-day management of risks that Aon faces, while the Board of Directors, as a whole and through its Committees, has responsibility for the oversight of risk management. In its risk oversight role, Aon's Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and full and open communication between management and the Board are essential for effective risk management and oversight. The Board regularly dedicates a portion of its meeting agenda to a review and discussion of enterprise risk management. In addition, senior management attends Board meetings and is available to address any questions or concerns raised by the Board on risk management-related and any other matters. The Board of Directors receives presentations from senior management on strategic matters involving our operations.

While the Board is ultimately responsible for risk oversight at Aon, Aon's Board Committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Board of Directors has delegated to the Audit Committee through its charter the primary responsibility for the oversight of risks facing Aon. The charter provides that the Audit Committee will discuss guidelines and policies with respect to risk assessment and risk management and will discuss Aon's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit Committee also has general oversight responsibility for Aon's compliance with legal, regulatory and ethics requirements, which represent many of the most significant risks that Aon faces. The Audit Committee annually reviews legal, regulatory and ethics policies and programs, including Aon's Code of Business Conduct. In addition, the Audit Committee periodically reviews with Aon management any material correspondence with, or other action by, regulators or governmental agencies, and also periodically reviews with Aon's General Counsel legal matters that may have a material impact on Aon's financial statements or compliance policies. Aon's senior management periodically reviews with the Audit Committee the major risks facing Aon and the steps management has taken to monitor and mitigate those risks.

In light of the breadth and number of responsibilities that the Audit Committee must oversee, and the importance of the evaluation and management of risk related to Aon's compliance programs and policies, the Audit Committee formed the Compliance Committee, a standing subcommittee of the Audit Committee, to oversee Aon's implementation of compliance policies, programs and procedures that are designed to be responsive to the various compliance and regulatory risks facing Aon and to assist the Audit Committee in fulfilling its oversight responsibility for Aon's legal, regulatory and ethics policies and programs.

While the Board's primary oversight of risk is through the Audit Committee, the Board has delegated to other Committees the oversight of risks within their areas of responsibility and expertise. For example, the Organization and Compensation Committee reviews the risks associated with Aon's compensation practices, including an annual review of Aon's risk assessment of its compensation policies and practices for its employees. In the first quarter of 2013, the independent compensation consultant for that committee assessed our executive compensation policies and practices and concluded that they do not motivate imprudent risk taking.

The Finance Committee reviews significant financial exposures and contingent liabilities of Aon, including Aon's capital structure, its credit ratings and its cost of capital, long-term benefit obligations, treasury counterparty risk and Aon's use of or investment in financial products, including derivatives used to manage risk related to foreign currencies, commodities, and interest rates. In addition, the Finance Committee reviews proposed mergers, acquisitions and divestitures; monitors the financial performance of completed mergers and acquisitions; and oversees the financial, investment and actuarial policies and objectives of Aon's ERISA-qualified benefit plans, reviews the investment performance of those plans, and periodically reviews the investment performance of, and makes recommendations regarding investment guidelines for, non-U.S. benefit and

Table of Contents

retirement plans. The Finance Committee also reviews Aon's major insurance programs.

The Governance/Nominating Committee oversees the risks associated with Aon's overall governance and its succession planning process to confirm that Aon has a slate of future, qualified candidates for key management positions.

The Board believes that its oversight of risks, primarily through delegation to the Audit Committee but also through delegation to other Committees to oversee specific risks within their areas of responsibility and expertise, and the sharing of information with the full Board, is appropriate for a company like Aon that serves clients through its risk solutions business, acting as an advisor and insurance and reinsurance broker, and human resources solutions business, partnering with organizations to solve their most complex benefits, talent and related financial challenges. The Chair of each Committee that oversees risk provides a summary of the matters discussed with the Committee to the full Board following each Committee meeting. The minutes of each Committee meeting are also provided to all Board members.

BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has appointed standing Committees, including Executive, Audit, Governance/ Nominating, Finance and Organization and Compensation Committees. The Audit Committee has also established the Compliance Committee as a standing sub-committee of the Audit Committee. Executive Committee

When the Board of Directors is not in session, the Executive Committee is empowered to exercise the power and authority in the management of the business and affairs of Aon as would be exercised by the Board of Directors, subject to certain exceptions. The Executive Committee acted by unanimous written consent on three occasions in 2012.

Table of Contents

Audit Committee

In 2012, the Audit Committee met seven times. The Board of Directors has determined that each of the members of the Audit Committee is independent as defined by the rules of the NYSE. In addition, as required by the rules of the NYSE, all of the Committee members are financially literate. The Board of Directors has determined that each of J. Michael Losh, the Chairman of our Audit Committee, and Robert S. Morrison is an "audit committee financial expert" within the meaning of rules promulgated by the SEC. The primary purposes of the Audit Committee are to assist the Board with the oversight of: (i) the integrity of Aon's financial statements and financial reporting process; (ii) Aon's compliance with legal and regulatory requirements and ethics programs established by management and the Board; (iii) the engagement of the independent auditor, and its qualifications, independence and performance; (iv) subject to the provisions of the U.K. Companies Act 2006, the appointment and performance of the U.K. statutory auditor as required under the U.K. Companies Act 2006; and (v) the performance of Aon's internal audit function. In discharging this role, the Audit Committee is authorized to retain outside counsel or other experts as it deems appropriate to carry out its duties and responsibilities.

The Board has considered Mr. Losh's service as a member of other audit committees, and determined that Mr. Losh's simultaneous service on the audit committees of more than two other public companies does not impair his ability to effectively serve on our Audit Committee. In reaching this determination, the Board considered Mr. Losh's substantial experience and understanding of public company financial reporting, accounting principles and audit committee functions acquired throughout the course of his professional career, and his availability to devote time and attention to his service on the Audit Committee as he is not currently serving in an executive officer capacity for another company.

Additional information regarding the Audit Committee's responsibilities may be found in this proxy statement in the section captioned "Report of the Audit Committee."

Compliance Committee

The Compliance Committee is a standing sub-committee of the Audit Committee, which has general oversight responsibility for Aon's legal, regulatory and ethics policies and programs. The primary purposes of the Compliance Committee are to: (i) oversee Aon's implementation of compliance programs, policies and procedures that are designed to be responsive to the various compliance and regulatory risks facing Aon; and (ii) assist the Audit Committee in fulfilling its oversight responsibilities for Aon's compliance and ethics programs, policies and procedures. The Compliance Committee reports regularly to the Audit Committee regarding its activities. Each member of the Compliance Committee is independent as defined in the independence standards of the NYSE. The Compliance Committee met four times during 2012.

Finance Committee

The Finance Committee is responsible for assisting the Board with monitoring and overseeing Aon's balance sheet, including Aon's capital management strategy, capital structure, investments, returns and related policies. The Finance Committee also reviews certain proposed mergers, acquisitions and divestitures in accordance with policies established by the Board. In addition, the Finance Committee oversees the financial, investment and actuarial policies and objectives of Aon's ERISA-qualified benefit plans, and reviews the investment performance of non-U.S. benefit and retirement plans. The Finance Committee met four times during 2012.

Governance/Nominating Committee

The Governance/Nominating Committee identifies and recommends to the Board of Directors candidates for service on the Board, reviews and recommends the renomination of incumbent directors, reviews and recommends Committee appointments and leads the annual performance evaluation of the Board and its Committees. In addition, the Governance/Nominating Committee develops and recommends governance guidelines for Aon to the Board of Directors, reviews related party transactions, periodically reviews management succession planning and periodically reviews compliance with stock ownership guidelines. Each member of the Governance/Nominating Committee is independent as defined in the independence standards of the NYSE. The Governance/Nominating Committee met six times during 2012.

The Governance/Nominating Committee considers recommendations for director candidates from Aon's directors and executive officers. In addition, the Governance/Nominating Committee will consider shareholders' recommendations. Recommendations, together with the name and address of the shareholder making the recommendation, relevant biographical information regarding the proposed candidate, and a description of any arrangement or understanding between the shareholder and the proposed nominee, should be sent to our Company Secretary. Consistent with the Governance Guidelines, the Governance/Nominating Committee considers a number of criteria in evaluating director candidates, including professional background, expertise, reputation for integrity, business experience, leadership capabilities and potential contributions to the Board of Directors and Aon's management. The Governance/Nominating Committee also considers whether a potential nominee would satisfy the categorical independence standards adopted by the Board consistent with the NYSE corporate governance standards.

The Board of Directors also values diversity as a factor in selecting nominees to serve on the Board, and believes that the diversity that exists in its composition provides significant benefits to the Board and Aon. Although there is no specific policy on diversity, the Governance/Nominating Committee considers the criteria noted above in selecting nominees for directors, including members from diverse backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. Such considerations may include gender, race, national origin, functional background, executive or professional experience, and international experience. The effectiveness of the nomination process, including the criteria used for selecting nominees for directors, is evaluated by the Board each year as part of its annual self-evaluation process and by the Governance/Nominating Committee as it evaluates and identifies director candidates.

When a vacancy exists on the Board of Directors due to the expansion of the size of the Board of Directors or the resignation or retirement of an existing director, the Governance/Nominating Committee identifies and evaluates potential director nominees. The Governance/Nominating Committee has sole authority to retain and terminate any search firm to be used to identify director candidates and sole authority to approve such search firm's fees and other retention terms.

Candidates for director are evaluated using the criteria discussed above and the existing composition of the Board of Directors, including its size, structure, backgrounds and areas of expertise of existing directors and the number of independent and management directors. The Governance/Nominating Committee also considers the specific needs of the various Board Committees. The Governance/Nominating Committee recommends potential director candidates to the full Board of Directors, which is responsible for final approval of any director candidate. This process is the same for director candidates who are recommended by our shareholders.

Recommendations for director candidates to stand for election at the 2014 annual general meeting must be submitted in writing to the Company Secretary of Aon, 8 Devonshire Square, London EC2M 4PL, United Kingdom. Recommendations will be forwarded to the Chairman of the Governance/Nominating Committee for review and consideration.

Organization and Compensation Committee

The Organization and Compensation Committee (the "Compensation Committee") assists the Board in carrying out its overall responsibilities with regard to executive compensation, including oversight of the determination and administration of Aon's philosophy, policies, programs and plans for executive officers and non-management directors. The Compensation Committee annually reviews and determines the compensation of Aon's executive officers, including Aon's Chief Executive Officer subject to the input of the independent members of the Board. The Compensation Committee consults with the Chief Executive Officer on, and directly approves, the compensation of other executive officers, including special hiring and severance arrangements. The Compensation Committee administers the Aon Corporation 2011 Incentive Plan (and its predecessor plans), including granting equity (other than awards to the Chief Executive Officer, which awards are approved by the independent members of the Board) and interpreting the plan, and has general administrative responsibility with respect to Aon's other U.S. employee benefit programs. In addition, the Compensation Committee reviews and makes recommendations to the Board concerning directors' compensation and certain amendments to U.S. employee benefit plans or equity plans. The Compensation Committee also reviews and discusses the compensation disclosures contained in Aon's Annual Report on Form 10-K and proxy statement and the U.K. directors' remuneration report. The Compensation Committee may delegate its authority to sub-committees when appropriate, although it did not do so in 2012. The Compensation Committee met eight times during 2012 and acted by unanimous written consent twice.

Process of Determining Executive Compensation

Aon management assists the Compensation Committee in managing Aon's executive and director compensation programs. Direct responsibilities of management include, but are not limited to:

Recommending executive compensation increases, short and long-term incentive awards and, where applicable, severance benefits for executive officers other than the Chief Executive Officer;

Providing an ongoing review of the effectiveness of Aon's executive compensation programs and aligning the programs with the Aon's objectives;

Designing and recommending the amendment of long-term and short-term cash and equity-based incentive plans for executives; and

Designing and recommending the amendment of U.S. employee benefit plans.

In the first quarter of 2013, the independent directors evaluated the performance, and reviewed the compensation, of the Chief Executive Officer. At that time, the Compensation Committee also evaluated the performance and reviewed the compensation of all other executive officers. The Compensation Committee also approved for each executive officer a target annual incentive for 2013 performance and the specific corporate performance metric that Aon's performance would be measured against for 2013.

In connection with this annual compensation review, management presented the Compensation Committee with compensation tally sheets reporting compensation paid for 2012 and competitive pay data, where available, as a market check. The Compensation Committee also reviewed and considered the overall performance of Aon against a target that was established for 2012 culminating in certain compensation decisions made by the Compensation Committee during the first quarter of 2013. The Compensation Committee's decisions with respect to the compensation of our executive officers are described in this proxy statement in the section captioned "Compensation Discussion and Analysis."

Relationship with Executive Compensation Consultant

Since 2005, the Compensation Committee has retained Frederic W. Cook & Co., Inc. as its independent executive compensation consultant. The consultant provides expertise on various matters coming before the Compensation Committee. The consultant is engaged by, and reports directly to, the Compensation Committee. The consultant does not advise Aon's management or receive other compensation from Aon. George Paulin, the Chief Executive Officer of Frederic W. Cook & Co., Inc., typically participates in all meetings of the Compensation Committee during which executive compensation matters are discussed and communicates between meetings with the Chairman of the Compensation Committee. During 2012, the consultant assisted the Compensation Committee by: providing insights and advice regarding Aon's compensation philosophy, objectives and strategy; developing criteria for identification of Aon's peer group for executive compensation and company performance review purposes; reviewing management's proposals for the design of short-term cash and long-term equity incentive compensation programs; providing insights and advice regarding Aon's analysis of risks arising from its compensation policies and practices; advising on and providing comments on management's recommendations regarding executive officers' bonuses for 2012 and equity-based awards granted in 2012; and advising the Compensation Committee on relocation benefits payable to relocating executive officers as part of Aon's redomestication to the U.K. Management periodically retains other consulting firms to provide pay survey data and other non-executive compensation services that may be presented to or reviewed by the Compensation Committee and reviewing Aon's non-employee director benefit programs.

The Compensation Committee has assessed the independence of Frederic W. Cook & Co., Inc. pursuant to SEC and NYSE rules and concluded that no conflict of interest exists that would prevent Frederic W. Cook & Co., Inc. from serving as an independent consultant to the Compensation Committee.

Review of Compensation Policies and Practices

Although recently there has been increased scrutiny of risk and whether companies' compensation programs contribute to unnecessary risk taking, Aon believes that it has historically maintained a level of prudence associated with its compensation programs and will continue to do so. Aon engages in a process to evaluate whether its executive and broad-based compensation programs contribute to unnecessary risk-taking, which includes an assessment by the Compensation Committee's independent consultant of whether these programs create material risk. Aon has concluded that the risks arising from these programs are not reasonably likely to have a material adverse effect on Aon.

Compensation Committee Interlocks and Insider Participation

From January 1, 2012 to May 18, 2012, the Compensation Committee was composed of Richard C. Notebaert (Chairman), Cheryl A. Francis, Edgar D. Jannotta, Andrew J. McKenna (resigned effective March 30, 2012), Robert S. Morrison and Richard B. Myers. From May 18, 2012 through December 31, 2012, the Compensation Committee was composed of Richard C. Notebaert (Chairman), Cheryl A. Francis, Edgar D. Jannotta, Robert S. Morrison, Richard B. Myers and Carolyn Y. Woo. No member of the Compensation Committee was, during 2012 or previously, an officer or employee of Aon or any of its subsidiaries. In addition, during 2012, there were no compensation committee interlocks required to be disclosed.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees Aon's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for establishing and maintaining adequate internal financial controls, for preparing the financial statements and for the reporting process. Ernst & Young LLP, Aon's independent registered public accounting firm for 2012, is responsible for expressing opinions on the conformity of Aon's audited financial statements with generally accepted accounting principles and the effectiveness of Aon's internal control over financial reporting.

In this context, the Audit Committee reviewed and discussed with management and Ernst & Young LLP the audited financial statements for the year ended December 31, 2012, as well as management's assessment of the effectiveness of Aon's internal control over financial reporting and Ernst & Young LLP's evaluation of Aon's internal control over financial reporting. The Audit Committee has discussed with Ernst & Young LLP the matters that are required to be discussed by Auditing Standards and the SEC.

In addition, the Audit Committee has discussed with Ernst & Young LLP the independence of that firm from Aon and its management, including the matters in the written disclosures required by Rule 3526 of the Public Company Accounting Oversight Board (Communication with Audit Committees Concerning Independence). The Audit Committee has also considered whether Ernst & Young LLP's provision of non-audit services to Aon is compatible with maintaining Ernst & Young LLP's independence. The Audit Committee has concluded that Ernst & Young LLP is independent from Aon and its management.

Ernst & Young UK LLP, Aon's U.K. statutory auditor for 2012, is responsible for expressing opinions on the conformity of Aon's audited financial statements with the requirements of the Act. The Audit Committee has discussed with Ernst & Young UK LLP the matters that are required to be discussed under the requirements under the Act. The Audit Committee has discussed with Ernst & Young UK LLP the independence of that firm from Aon and its management and the Audit Committee has concluded that Ernst & Young UK LLP is independent.

The Audit Committee discussed with Aon's internal auditors, Ernst & Young LLP and Ernst & Young UK LLP the overall scope and plans for their audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of Aon's internal controls, and the overall quality of Aon's financial reporting.

In reliance on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the SEC. The Audit Committee has approved, and the Board of Directors has requested that shareholders ratify, the selection of Ernst & Young LLP as Aon's independent registered public accounting firm for the year ending December 31, 2013 and Ernst & Young UK LLP as our U.K. statutory auditor (as is also required under the Act) until the next annual general meeting where accounts are laid before the shareholders.

Audit Fees. Fees for audit services totaled approximately \$18.9 million in 2012 and \$18.6 million in 2011. For both years, audit fees included services associated with the annual audit, including fees related to Sarbanes Oxley Section 404, the reviews of Aon's documents filed with the SEC, and statutory audits required domestically and internationally.

Audit Related Fees. Fees for audit related services totaled approximately \$1.6 million in 2012 and \$1.7 million in 2011. Audit related fees include services such as employee benefit plan audits, other attestation services, due diligence in connection with acquisitions and accounting consultations not included in audit fees.

Tax Fees. Fees for tax services, including tax compliance, tax advice and tax planning totaled approximately \$2.1 million in 2012 and \$2.0 million in 2011.

All Other Fees. Fees for all other services not included above totaled \$0 in each of 2012 and 2011.

Audit Committee's Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Each pre-approval provides details regarding the particular service or category of service to be provided and is subject to a specific engagement authorization. The Audit Committee requires that the independent registered public accounting firm and management report on the actual fees charged by the independent registered public accounting firm for each category of service at Audit Committee meetings held during the year.

The Audit Committee acknowledges that circumstances may arise throughout the year that require the engagement of the independent registered public accounting firm to provide additional services not contemplated in the Audit Committee's initial pre-approval process that occurs on an annual basis. In those circumstances, the Audit Committee requires that specific pre-approval be obtained before engaging the independent registered public accounting firm. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee for those instances when pre-approval is needed prior to a scheduled Audit Committee meeting. Such pre-approvals are reported to the Audit Committee at the next scheduled Audit Committee meeting.

PROPOSAL 2 RESOLUTION TO RECEIVE THE COMPANY'S ANNUAL REPORT AND ACCOUNTS

The directors are required to present to the meeting the Company's audited annual accounts and related directors' and auditor's reports and the audited part of the directors' remuneration report for the year ended December 31, 2012 (the "Annual Report"). In accordance with our obligations under English law, we will provide our shareholders at the Annual Meeting an opportunity to accept, in a non-binding vote, the Annual Report and ask any relevant and appropriate questions of the representative of Ernst & Young UK LLP in attendance at the Annual Meeting.

OUR BOARD OF DIRECTORS AND AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT YOU VOTE "FOR" THE RECEIPT OF THE ANNUAL REPORT.

PROPOSAL 3 RESOLUTION REGARDING RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Ernst & Young LLP as Aon's independent registered public accounting firm for the year ending December 31, 2013, subject to ratification by our shareholders. Ernst & Young LLP was first retained as the independent registered public accounting firm of our predecessor entity as parent of the Aon group, Aon Corporation, in February 1986. Although this appointment is not required to be submitted to a vote of the shareholders, the Board of Directors believes it appropriate as a matter of policy to request that the shareholders ratify the appointment of the independent registered public accounting firm for the year 2013. In the event this proposal does not receive the affirmative vote of the holders of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting, the Audit Committee will reconsider the appointment, but may decide to maintain its appointment of Ernst & Young LLP.

We anticipate that a representative of Ernst & Young LLP will be present at the Annual Meeting. The representative will be given the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to any appropriate questions that may be submitted by shareholders at the Annual Meeting.

OUR BOARD OF DIRECTORS AND AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2013.

PROPOSAL 4 RESOLUTION RE-APPOINTING ERNST & YOUNG UK LLP AS THE COMPANY'S U.K. STATUTORY AUDITORS UNDER THE COMPANIES ACT 2006 (TO HOLD OFFICE UNTIL THE CONCLUSION OF THE NEXT ANNUAL GENERAL MEETING AT WHICH ACCOUNTS ARE LAID BEFORE THE COMPANY)

Under the U.K. Companies Act 2006, our U.K. statutory auditors must be appointed at each general meeting at which the annual report and accounts are presented to shareholders. Ernst & Young UK LLP has served as our statutory auditors since our re-registration as a public limited company in March 2012. In the event this proposal does not receive the affirmative vote of the holders of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting, the Board of Directors may appoint an auditor to fill the vacancy.

OUR BOARD OF DIRECTORS AND AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT YOU VOTE "FOR" THE RE-APPOINTMENT OF ERNST & YOUNG UK LLP AS OUR U.K. STATUTORY AUDITORS UNDER THE COMPANIES ACT 2006 (TO HOLD OFFICE UNTIL THE CONCLUSION OF THE NEXT ANNUAL GENERAL MEETING AT WHICH ACCOUNTS ARE LAID BEFORE THE COMPANY).

PROPOSAL 5 RESOLUTION TO AUTHORIZE THE BOARD OF DIRECTORS TO DETERMINE THE COMPANY'S U.K. STATUTORY AUDITOR'S REMUNERATION

Under the U.K. Companies Act 2006, the remuneration of our U.K. statutory auditor must be fixed in a general meeting or in such manner as may be determined in a general meeting. We are asking our shareholders to authorize our Board of Directors to determine Ernst & Young UK LLP's remuneration as our U.K. statutory auditor. It is proposed that the Board of Directors would delegate the authority to determine the remuneration of the U.K. statutory auditor to the Audit Committee in accordance with the Board's procedures and applicable law.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE AUTHORIZATION OF OUR BOARD OF DIRECTORS TO DETERMINE OUR U.K. STATUTORY AUDITOR'S REMUNERATION.

COMPENSATION DISCUSSION AND ANALYSIS

INTRODUCTION

This Compensation Discussion and Analysis ("CD&A") describes and analyzes our executive compensation program. It should be read in conjunction with the executive compensation tables and corresponding footnotes that follow, as it provides context for the amounts shown in the tables and the footnote disclosures.

This CD&A is arranged in the following five sections:

Executive Summary

Discussion of our compensation objectives and pay for performance orientation

Analysis of 2012 key compensation decisions

Explanation of compensation components and process

Other policies and practices as they relate to our executive compensation program

In this proxy statement, the reference to our "named executive officers" means Gregory C. Case, our President and Chief Executive Officer (our "CEO"); Christa Davies, our Executive Vice President and Chief Financial Officer (our "CFO"); and Stephen P. McGill, Kristi Savacool and Gregory J. Besio, our three other most highly compensated executive officers for 2012.

EXECUTIVE SUMMARY

Who We Are

We are a global professional services firm with approximately 65,000 employees worldwide focused exclusively on risk and people. We are the industry-leading advisor on risk solutions, both retail and reinsurance, and human resources solutions. We have a presence in over 120 countries with more than 500 offices.

Our Performance

In 2012 net income attributable to Aon shareholders from continuing operations increased 5% per share. Additionally, we achieved record cash flow from operations of \$1.4 billion. Our stock price return was a positive 19%, as compared to the return of the benchmark S&P 500 of 16%, Marsh & McLennan of 7% and a decline in Willis Group Holdings of 14%.

We delivered improved organic growth in 2012 across both our Risk Solutions segment and HR Solutions segment, despite continuing economic headwinds in Europe and competitive pricing in key areas of our HR Solutions segment. The market had a modestly favorable impact on average globally for our Risk Solutions segment as pricing trended positively throughout the year and exposures were largely stable across the globe. We believe that we have significant leverage in an improved economy as GDP, insured values, unemployment levels and interest rates improve.

We continued to execute on our goals of strategically investing in long-term growth, managing expenses and effectively allocating capital. In our Risk Solutions segment, we continue to drive a set of initiatives to strengthen our industry-leading platform with investment in our Global Risk Insight Platform and in key talent to support emerging market growth. In our HR Solutions segment, we successfully launched the first fully-insured multi-carrier healthcare exchange for corporate participants. We returned \$1.3 billion of excess capital to shareholders through our share repurchase program and dividends, highlighting our strong cash flow generation and effective allocation of capital. In addition, we took significant steps to unlock that value for shareholders by increasing our strategic position and financial flexibility

with the change in jurisdiction of incorporation from Delaware to England on April 2, 2012 and the move of our corporate headquarters to London.

We believe we are well positioned for long-term value creation through improvements in operating performance and strong free cash flow generation.

How We Measure Performance for Pay Purposes

For 2012 and each of the six prior calendar years, achievement under our long-term equity-based incentive program (LPP) was based on a three-year cumulative adjusted non-GAAP earnings per share ("EPS") growth rate. For each period's program, the list of applicable adjustments to the corresponding GAAP figure is set forth in the program documentation at the beginning of the three year period and is intended to exclude the impact of items of a discrete or non-operating nature such as restructuring charges so as to provide a target that while challenging, does not factor in events outside of the officers' control. We believe this metric measures our core operating performance in a manner more consistent with how our shareholders evaluate our core operating performance. We also believe the cumulative nature of the measure balances short and long term perspectives appropriately. As explained in more detail below, the growth rate for the period 2010-2012 exceeded the minimum threshold for payout but moderately missed the target growth rate.

For our 2012 annual bonus plan, we measured threshold achievement using a non-GAAP measure of adjusted pre-tax income ("PTI") from continuing operations. We believe this metric, which excludes the impact of restructuring charges and certain other unusual items, is a better tailored measure of our core operating performance that more closely ties to how we evaluate our performance and directly links executives' awards to Aon's key business initiatives of delivering distinctive client value and achieving operational excellence. In 2012, adjusted pre-tax income surpassed the payout threshold but fell slightly short of the target level, as described below.

For 2013, our long-term equity-based incentive program will use our publicly-reported adjusted EPS metric as a starting point, while our 2013 annual bonus plan will use our publicly-reported adjusted PTI metric as a starting point. Both programs will allow for potential but limited adjustments from those measures. These changes to the baseline for the calculation are intended to add to the clarity and transparency of the compensation programs but not anticipated to make targets fundamentally more or less challenging to achieve.

Our Compensation

We awarded our named executive officers for their dedication and achievement in 2012 with compensation linked to performance, in most cases long-term sustained performance. Namely:

Performance-based compensation comprised 89% of the 2012 total direct compensation for Mr. Case and 85% for our other named executive officers on average.

Aon's financial performance over a multi-year period was the sole consideration for long-term incentives settled for the 2012 fiscal year. In early 2013, we settled performance share units granted to our named executive officers in 2010. Those units were linked to Aon's performance from 2010 through 2012. The units were settled, and Ordinary Shares were awarded, at 87% of target due to Aon's performance over that three-year period, as measured by cumulative adjusted EPS from continuing operations. Our cumulative adjusted EPS for that period moderately missed the target.

In 2012, we granted performance share units to each of our named executive officers, the settlement value of which will depend on Aon's cumulative EPS performance from 2012 through 2014 and the share price at the time of settlement.

Aon's financial performance was the principal consideration for the bonuses awarded to our named executive officers for 2012. The 2012 bonus pool for our 11 senior executives funded at 91% of target. The target was set pursuant to a matrix formulation adopted by the Compensation Committee for 2012. The matrix

Table of Contents

formulation determined funding for the pool based solely on Aon's actual 2012 adjusted PTI as compared to planned 2012 PTI as established in accordance with Aon's internal forecasts. Mr. Case received an annual bonus for 2012 of \$2,950,000. This represents 98% of the 2012 target annual bonus for Mr. Case. The remaining named executive officers received in the range of 83% to 103% of their target annual bonuses for 2012 performance.

In 2012, we continued to implement our policy of eliminating excise tax gross-up protection from our change-in-control agreements. Effective March 27, 2012, Ms. Davies and Mr. Besio each entered into a change-in-control agreement with Aon that provides the executive no such protection in the event of a change-in-control of Aon. Currently, none of our named executive officers have tax gross-up protection under change-in-control agreements. As the employment agreements of our other senior executives are up for renewal or are otherwise materially amended, we intend to eliminate tax gross-up protection from their change-in-control agreements.

Aon's Board adopted an Incentive Repayment Policy applicable to our executive officers effective in the fourth quarter of 2012.

In 2012, we made no adjustments from the previously established levels for base salaries or target annual bonuses of our named executive officers, other than the reduction to Mr. Besio's target bonus from 150% to 100% in the first quarter of 2012.

In 2012, we provided relocation benefits to certain of our named executive officers that relocated to our new corporate headquarters in London, England. The Compensation Committee approved the benefits after consulting with its independent compensation consultant, and each relocating executive signed an international assignment letter with Aon that sets forth the material relocation benefits available to him or her. Aon's shareholders indicated their support for the relocation benefits by passing an advisory vote on the "say on golden parachute" proposal presented at the March 16, 2012 special meeting of shareholders with approximately 94% of votes cast on the proposal in favor of the proposal. Accordingly, during 2012 the Compensation Committee made no changes to the relocation benefits provided to our named executive officers in response to such vote. The compensation received in connection with the relocation is reflected in the Summary Compensation Table for Fiscal Years 2012, 2011 and 2010.

These and other compensation decisions are explained below. We believe our compensation program achieved its purpose in 2012, as described below.

COMPENSATION OBJECTIVES AND PAY FOR PERFORMANCE ORIENTATION

We continue our journey to build, and continuously improve upon, the leading risk advice and HR solutions firm in the world. We accomplish this by providing clients with world-class advice, solutions, innovation and execution. To achieve those objectives, we must be the destination of choice for the best talent. Our compensation program supports this vision and business strategy and fundamentally aligns the financial interests of our executives with those of our shareholders in both our short and long-term programs. We strive to maximize shareholders' return primarily through growth in PTI from continuing operations and adjusted EPS.

We have a guiding philosophy with regard to our variable components of compensation, such as equity-based awards and annual bonuses. This philosophy dictates that our shareholders should always benefit first before any element of our executives' variable compensation is earned or paid. For example, under our annual bonus program, a minimum level of corporate performance must be achieved before any bonus is payable. We carefully set that minimum each year. Even if the minimum level is achieved, the Compensation Committee reserves the sole discretion to exercise negative discretion to the extent it deems reasonable and prudent under the circumstances.

The core principle of our executive compensation program continues to be pay for performance. Our approach includes strong governance features, including our share ownership guidelines for executive officers, as described below, and our annual risk assessment regarding our compensation program.

Table of Contents

We strive to link the vast majority of our executives' pay to performance. Performance-based compensation for 2012 of our named executive officers represents a significant percentage of their total direct compensation, as follows:

- (1) The "performance-based pay" component of the charts above is the sum of: (A) the cash portion of the executive's bonus paid for 2012 performance plus (B) the target value of all performance-based equity awards granted to the executive for 2012 performance or during 2012.
- (2) The "fixed pay" component of the chart above is the executive's 2012 base salary.
- (3) For our other NEOs, the performance-based amount ranged from 78% to 93% of the named executive officer's total compensation.

These supplemental graphs are not required by the SEC, but rather they are provided to demonstrate the link between performance and our executives' total direct compensation for 2012. Please refer to the Summary Compensation Table for Fiscal Years 2012, 2011 and 2010 for complete disclosure of the total compensation of our named executive officers, reported in accordance with the SEC disclosure requirements.

ANALYSIS OF 2012 KEY COMPENSATION DECISIONS

Equity-Based Awards

During 2012, we granted to our named executive officers, and settled where appropriate, two forms of equity compensation performance share units and restricted stock units.

Performance Share Units

LPP 7

In the first quarter of 2012, we granted performance share units to our executive officers, including each named executive officer, pursuant to the seventh cycle of our "Leadership Performance Program" ("LPP 7"). LPP 7 is the seventh layer of consecutive three-year performance cycles for certain of our named executive officers. It is intended to further strengthen the relationship between capital accumulation for our executives and long-term Aon financial performance and shareholder value.

The performance share units awarded under LPP 7 are payable in Ordinary Shares. The nominal value of the awards was determined and approved by the Compensation Committee. The number of target performance share units was calculated on the date of grant based on that day's closing price of Ordinary Shares on the New York Stock Exchange.

The performance share units under LPP 7 will be earned and settled in a range of 0% to 200% of the target value based on performance results over a three-year performance period. The performance period began January 1, 2012, and will end on December 31, 2014. The performance

Edgar Filing: Aon plc - Form PRE 14A

results will be measured against the specified cumulative adjusted EPS target for 2012-2014. After adjustments, the cumulative target ranges from

33

Table of Contents

\$12.49, below which no shares would be issued, to \$14.19, which would yield shares equal to 200% of the target value. A result of \$13.01 in cumulative adjusted EPS would yield settlement in Ordinary Shares at 100% of target. This target represents a 4% increase over the adjusted target for the sixth cycle of our Leadership Performance Program established for the performance period 2011-2013 ("LPP 6"). At the time the target was established, the Compensation Committee believed that such target represented a challenging, yet achievable, performance goal.

Award Values and Features

In determining the individual awards under LPP 7, the Compensation Committee considered internal pay fairness factors, the award recipient's compensation mix and total direct compensation. In addition, the market data relevant to Mr. Case supported a larger award to him than the awards granted to the other named executive officers generally, excluding the effect of the one-time awards to Ms. Davies and Mr. Besio discussed below.

In connection with the 2012 renewal of their employment contracts and reduction of financial protection in the event of a change in control of Aon, Ms. Davies and Mr. Besio were each awarded additional awards with a target value of \$6,000,000 and \$1,750,000, respectively, under LPP 7 to be earned and settled in a range of 0% to 200% of the target value on the same performance criteria and weightings as their regular awards. The additional awards were intended to recognize their commitment to Aon, effective in the first quarter of 2012, in entering into five-year renewals of their employment contracts and amended and restated change-in-control agreements that significantly reduced the financial protection to be afforded to them in the event of a termination of employment in connection with a change-in-control of Aon due to the removal of excise tax gross-up protection from such agreements. The 2012 contractual commitment to grant such award was subject to approval by the Compensation Committee, and such approval was granted on March 15, 2012, with regard to Ms. Davies, and on March 26, 2012 with regard to Mr. Besio.

The Compensation Committee determined that performance share units should continue to be the exclusive form of award under LPP 7 (as opposed to a mix of performance share units and stock options under earlier versions of the program) because performance share units use fewer shares and are, therefore, a more efficient form of award while allowing us to maintain a strong performance focus.

The Compensation Committee's selection under LPP 7 of the three-year performance period and cumulative adjusted EPS financial performance metric provides the award recipients a reasonable period of time within which to achieve and sustain challenging long-term growth objectives. The Compensation Committee believes adjusted EPS more effectively aligns executives to improve Aon performance, rather than EPS calculated in accordance with U.S. GAAP, as the adjusted measure provides a target that is within their control and area of accountability, and is a better measure of long-term operating performance. Further, the Company believes that as adjusted, the EPS measure provides a perspective on the Company's core operating performance that is more consistent with that of its shareholders.

Settlement of LPP 5

In early 2013, we determined the actual achievement under the fifth cycle of our Leadership Performance Program, covering the performance period January 1, 2010 through December 31, 2012 ("LPP 5"). We settled the performance share units in Ordinary Shares. The cumulative adjusted EPS from continuing operations target ranged from \$9.25, below which no payout was due to occur, to \$10.82, which would have yielded shares equal to 200% of the target value. A result of \$9.67 in cumulative adjusted EPS from continuing operations would have yielded shares equal to 100% of the target value. This target represented a 4% increase over the adjusted target for the fourth cycle of our Leadership Performance Program established for the performance period from 2009 through 2011 ("LPP 4"). Our actual cumulative adjusted EPS from continuing operations for the three-year period was \$9.56, resulting in a payout at 87% of target.

The adjusted EPS from continuing operations results for LPP 5 include adjustments detailed by the plan governing LPP 5 and approved by the Compensation Committee. For each year of the performance period associated with LPP 5 adjustments to EPS from continuing operations were approved by the Compensation Committee as follows: actual restructuring charges; gain on sale of land, businesses or discontinued operations, legacy receivable write-offs, U.K. statutory tax rate change; amortization of intangible assets; pension error adjustment; costs related to our acquisition of Hewitt; and an adjustment to results related

Table of Contents

to the Hewitt acquisition. Any permissible adjustment will be made on a comparable basis across the other Leadership Performance Programs then in progress.

Each of our named executive officers was a participant in LPP 5 other than Ms. Savacool, who joined Aon on October 1, 2010 in connection with Aon's acquisition of Hewitt Associates, Inc.

We do not pay dividends or dividend equivalents on performance share units.

Restricted Stock Units

In the first quarter of 2012, we granted time-vested restricted stock units to each of our named executive officers in connection with Aon's Incentive Stock Program (the "ISP"). The ISP award is based on prior year performance and provides executives with 35% of their annual bonus in the form of restricted stock units. The primary goals of the ISP are to further focus the employees' attention on the longer-term performance of Aon as a whole, and to further promote employee retention and stock ownership.

Each of the time-vested restricted stock units granted in connection with the ISP will vest ratably over a three-year period. Awards are not subject to forfeiture if the employee voluntarily terminates employment but vesting continues over the same three-year period. The restricted stock units are settled in Ordinary Shares.

No other time-vested equity awards were granted to our named executive officers during 2012. With respect to restricted stock units awarded under the ISP, we provide dividend equivalents on unvested restricted stock units in cash at the time actual dividends on Aon's Ordinary Shares are declared for shareholders.

*Performance-Based Annual Bonus**Determination of 2012 Bonuses*

The bonus program for our executive management committee, which includes each of our named executive officers, provides that the Compensation Committee has sole discretion to determine each executive's actual bonus amount as long as the corporate performance threshold was achieved. As explained below, for 2012 the threshold was achieved and, thus, the Compensation Committee had discretion to pay bonuses at the cap level or a lesser amount. It was anticipated that the Compensation Committee would consider in determining the executive's actual bonus, among other factors, the bonus for such executive at the pool funding level of 91%, as well as the executive's targeted bonus allocation. However, the Compensation Committee reserved, and for 2012 exercised, the discretion to set bonuses at levels higher or lower than the funded or targeted allocations.

The Compensation Committee chose to exercise negative discretion with regard to each of the named executive officers. In other words, none of the named executive officers received their maximum bonus of the lesser of \$10 million or 3 times their target bonus. In fact, each officer received in the range of 83% to 103% of their target bonus. The following table sets forth the target bonus, cap, and actual bonus paid to each of our named executive officers under the Senior Executive Incentive Compensation Plan:

Named Executive Officer	Target Bonus	Cap (lesser of \$10 million or 3 times target bonus)	Actual Bonus
Case	\$3,000,000	\$9,000,000	\$2,950,000
Davies	\$1,380,000	\$4,140,000	\$1,370,000
McGill	\$1,925,000	\$5,775,000	\$1,600,000
Savacool	\$800,000	\$2,400,000	\$825,000
Besio	\$747,500	\$2,242,500	\$700,000

Table of Contents

The Compensation Committee's rationale in determining the actual bonus awards was as follows:

In order for a named executive officer to get a bonus significantly in excess of the funded bonus, there needed to be certain exceptional factors; however, the Compensation Committee did not utilize a formula for determining the amount of any named executive officer's bonus to be awarded that was greater or less than the funded or target bonus level.

With regard to each of our named executive officers, the Compensation Committee determined it was appropriate to award a bonus at or near the named executive officer's funded bonus level; however:

With regard to Mr. Case, the independent members of the board determined that he met expectations with regard to Aon's financial results. The board determined that he met expectations in leading efforts to build the firm for long-term success, including execution of strategic initiatives to grow the firm and enhance client value and satisfaction, and leading the firm's talent agenda. The board further determined that he met expectations in improving cash flow from operations and execution of the redomestication.

With regard to Ms. Davies, the Compensation Committee determined that her performance met expectations with regard to Aon's financial results and met expectations with regard to contributions to our strategy to build Aon, improvements in cash flow from operations and the execution of the redomestication.

With regard to Mr. McGill, the Compensation Committee determined that he met expectations. The board determined that Mr. McGill successfully transitioned to his new role and led the development and execution of the global Risk Solutions strategy. However, the performance of his business unit, the Risk Solutions segment, missed financial targets for 2012.

With regard to Ms. Savacool, the Compensation Committee determined that she met expectations with regard to the financial performance of her business unit, our HR Solutions segment, drove the important rollout in 2012 of the first multi-carrier health care exchange, and contributed to our strategy to build Aon overall.

With regard to Mr. Besio, the Compensation Committee determined that he met expectations with regard to Aon's financial results and successfully drove the talent and performance initiatives that are critical to Aon's long-term sustained success.

For 2012, as was true in earlier years, all annual bonuses for executive officers are payable 65% in cash and 35% in restricted stock units, with such restricted stock units vesting ratably over a three-year period. The Compensation Committee believes this strikes a fair balance between reward for past performance and incentive for future improvements.

Shareholder-Approved Plan

For purposes of satisfying the "performance-based" compensation exemption under Section 162(m) of the Internal Revenue Code, Aon's shareholders approved an omnibus equity-based and cash incentive plan called the Aon Corporation 2011 Incentive Plan (the "Shareholder-Approved Plan") pursuant to which we award bonuses to our senior executives. Pursuant to our Shareholder-Approved Plan, the Compensation Committee annually sets an Aon-wide performance target (expressed in U.S. dollars) and minimum achievement threshold (expressed as a percentage). If the metric is not achieved, no bonuses are payable under the Shareholder-Approved Plan.

If the metric is achieved, the Shareholder-Approved Plan allows for the payment of current year tax deductible bonuses to our executive officers up to a cap of the lesser of \$10 million or the maximum bonus otherwise established by the Compensation Committee for each executive officer. For 2012, the Compensation Committee established a cap of 300% of each named executive officer's target bonus.

In the first quarter of 2012, the Compensation Committee set bonus eligibility for our named executive officers. For each named executive officer other than Mr. Case, bonus eligibility was set as a target percentage of the executive's base salary at year-end plus any annual foreign service allowance the executive received in connection with his or her relocation to London. The Compensation Committee and Mr. Case determined prior to beginning his international assignment that his foreign service allowance would not factor into his bonus eligibility. The target bonuses and the applicable cap for each of our

Table of Contents

named executive officers are shown in the table below under the heading "Determination of 2012 Bonuses."

The Shareholder-Approved Plan does not provide guidelines or formulas for determining the actual bonuses payable to our executive officers once the metric is achieved. Rather, the Compensation Committee retains sole discretion for determining the actual bonuses payable. If the metric is achieved, the Shareholder- Approved Plan would allow the Compensation Committee to award a bonus equal to the cap or allow it to exercise negative discretion to award a lesser amount. As explained below, for 2012 the Compensation Committee adopted the "Senior Executive Incentive Compensation Plan" as a set of guidelines for consideration by the Compensation Committee in determining actual bonuses to be paid if the metric under the Shareholder-Approved Plan was achieved.

2012 Metric Under Shareholder-Approved Plan

In the first quarter of 2012, the Compensation Committee determined that the 2012 Aon-wide performance target would be planned PTI from continuing operations excluding restructuring charges of \$1,640 million. The Compensation Committee set the minimum achievement threshold at 85% of such target, or \$1,394 million, as adjusted for extraordinary, unusual or infrequently occurring items. The Compensation Committee selected PTI as the measure to emphasize performance of Aon as a whole and directly link executives' awards to Aon's key business initiatives of delivering distinctive client value and achieving operational excellence. In combination with the performance targets established under each of LPP 5 through LPP 7 (i.e. cumulative adjusted EPS), we believe the targets are better measures of our core operating performance and balance the executives' short and long-term perspective appropriately.

The 2012 PTI target was set at a level higher than Aon's 2011 actual adjusted PTI. We believed that the 2012 target was achievable but challenging. We set the minimum threshold at 85% because we believed performance below that level would not create sufficient value for our shareholders and, therefore, should not result in bonus payments.

2012 Performance

During the first quarter of 2013, the Compensation Committee determined that Aon's 2012 PTI, after permitted adjustments for extraordinary or unusual items, was \$1,507 million, or 91.9% of target. This exceeded the minimum threshold established under the Shareholder- Approved Plan.

Senior Executive Incentive Compensation Plan

In the first quarter of 2012, the Compensation Committee approved a set of guidelines for funding the total bonus pool under the Shareholder-Approved Plan for the 10 executives that at such time comprised Aon's executive management committee or were senior executives regularly invited to attend meetings of such committee (collectively, the "executive management committee"). That group included each of the named executive officers. The rationale for establishing funding guidelines was to provide executives with a clearer connection between the expected reward and the required performance, as well as for bonus accrual purposes.

The funding formula was based on Aon's planned growth in PTI in 2012 as compared to 2011. The calculation was based on Aon's performance as measured solely by achievement of budgeted PTI. The funding was adjustable up by 10% at the discretion of the Compensation Committee or down by 20% at the discretion of Mr. Case. To align with the Shareholder-Approved Plan, the formula provided that no funding was to occur unless Aon achieved the minimum threshold of 85% of the 2012 PTI target. After consideration of this factor, the resulting bonus pool funding is determined. The funding level can range from 0% to 300%. The incentive pool funding was determined by the aggregate of each participant's individual target bonus then multiplied by the result of the funding calculation.

After determining Aon's 2012 PTI, with permitted adjustments for extraordinary or unusual items, was \$1,507 million, or 91.9% of target, the Compensation Committee then met to determine the funding status of the pool for 2012. The actual size of the incentive pool equals the aggregate target bonuses multiplied by the percentage the pool was funded after application of the formula, as described above. After application of the PTI metric, the total incentive pool for participants, including each of our named executive officers, in the Senior Executive Incentive Compensation Plan was determined to be funded at 91%, equating to a pool of \$11.9 million. Aggregated awards paid did not exceed this amount.

Relocation Benefits

During 2012, in connection with our relocation to our new corporate headquarters in London, England, certain of our named executive officers received relocation benefits. Relocation benefits are customary for expatriate assignments for Aon and other employers in our industry. The Compensation Committee approved certain relocation benefits for the relocating executives after consulting with its independent compensation consultant, and each relocating executive signed an international assignment letter with Aon (the "Letter") that sets forth the relocation benefits available to him or her. The compensation received in the form of such benefits is reflected in the Summary Compensation Table for Fiscal Years 2012, 2011 and 2010.

Under the terms of the Letters, the relocation packages generally provide for some or all of the following benefits, depending on each executive's personal circumstances: (i) relocation and housing benefits; (ii) cost of living differential benefits; (iii) a monthly foreign service allowance; (iv) an annual waiver/retention bonus (ranging from \$0 for Mr. Case to \$250,000 for certain other relocating executives); (v) transportation and home leave benefits; (vi) schooling assistance for eligible dependents; and (vii) tax preparation and equalization benefits. The terms of the relocation packages are consistent with those submitted to and approved by Aon's shareholders at its special meeting held March 16, 2012.

The annual waiver/retention bonus is subject to recoupment under certain circumstances resulting in termination of the executive officer's employment during the period of the international assignment. All of the relocation benefits are subject to recoupment if the executive officer resigns employment with Aon within two years of commencing the international assignment, or twelve months after the end thereof, and becomes employed by a direct competitor of Aon.

Incentive Repayment Policy

In the fourth quarter of 2012, Aon's board adopted an Incentive Repayment Policy applicable to our executive officers. Pursuant to the Incentive Repayment Policy, we may cancel or require reimbursement of any incentive payment or equity-based award received if the payment or award was based on the achievement of financial results that are subsequently restated. If we determine that an executive officer engaged in fraud that caused or partially caused the need for financial restatement, the incentive payment or equity-based award is required to be forfeited or reimbursed to Aon in full. If the restatement was not the result of fraud by the executive officer, we may, to the extent allowable under applicable law, require forfeiture or reimbursement of the amount the incentive payment or equity-based award exceeded the lower amount that would have been made based on the restated financial results.

Amendment of Employment Agreement with Ms. Davies

On March 27, 2012, Aon entered into an amendment to its employment agreement with Ms. Davies. Prior to approving such amendment, the Compensation Committee consulted with its independent executive compensation consultant, Frederic W. Cook & Co., Inc.

The amendment extended the term of Ms. Davies' employment for five years, through March 31, 2017 unless terminated earlier. Prior to such amendment, Ms. Davies' employment agreement was due to expire on November 11, 2012.

The amendment continued Ms. Davies' current annual base salary of \$800,000 and her annual bonus target at 150% of annual base salary.

As a reflection of Ms. Davies' exceptional performance to date and her commitment to the extended term of employment, the Compensation Committee approved an additional \$6 million award to her under LPP 7. The award may settle from 0% to 200% of target value wholly dependent on Aon's performance over the 2012-2014 performance period. The additional award will be earned based on the same performance criteria and weightings as the annual LPP award granted to Ms. Davies for the same

Table of Contents

performance period. The performance criteria and weightings are also the same as those applicable to other 2012 LPP award recipients.

The amendment modified Ms. Davies' termination severance provisions by reducing the available severance benefits to two years' pay (rather than a continuation of salary for the duration of the agreement) in the event of a termination of Ms. Davies' employment by Aon without cause, bringing Ms. Davies' severance in line with Aon's standard termination severance provisions generally applicable to its executives. In addition, the amendment modified the list of events that are deemed to be a "good reason" for Ms. Davies to terminate her employment with Aon, entitling her to severance benefits, by removing from the list any requirement by Aon for Ms. Davies' principal office to be located more than 50 miles outside of the greater Chicago metropolitan area.

Amendment of Employment Agreement with Mr. Besio

On March 27, 2012, Aon entered into an employment agreement with Mr. Besio that modifies and supersedes the prior agreement with Mr. Besio. Prior to approving such arrangement, the Compensation Committee consulted with its independent executive compensation consultant, Frederic W. Cook & Co., Inc. The amendment extended the term of Mr. Besio's employment for five years, through March 31, 2017 unless terminated earlier. Prior to such amendment, Mr. Besio's employment agreement was due to expire on November 14, 2012.

In connection with Mr. Besio's assumption of the role of Chief Human Resources Officer, the agreement reduced his annual bonus target from 150% to 100%. No adjustment to Mr. Besio's base salary was made by the Compensation Committee.

As a reflection of Mr. Besio's exceptional performance to date and his commitment to the extended term of employment, the Compensation Committee approved an additional \$1,750,000 award to him under LPP 7. The award may settle from 0% to 200% of target value wholly dependent on Aon's performance over the 2012-2014 performance period. The additional award will be earned based on the same performance criteria and weightings as the annual LPP 7 award granted to Mr. Besio for the same performance period. The performance criteria and weightings are also the same as those applicable to other LPP 7 award recipients.

The agreement contains other key terms and conditions that are generally consistent with those applicable to Aon's senior executives, and are described in greater detail under the heading "Employment Agreements" herein.

Amended Change in Control Agreements

On March 27, 2012, Aon entered into a Change in Control Agreement with each of Ms. Davies and Mr. Besio, which modify and supersede the existing severance agreements entered into by them.

The Change in Control Agreement for each of Ms. Davies and Mr. Besio significantly reduces the financial protection to be afforded to the executive in the event of the termination of the executive's employment in connection with a change-in-control of Aon. The principal changes are: (a) complete elimination of Aon's obligation to provide a gross-up payment to the executive in connection with excise taxes imposed by Section 4999 of the Internal Revenue Code; and (b) capping the executive's payments and benefits under the Change in Control Agreement to the best of (i) the "safe harbor" amount under Section 280G of the Internal Revenue Code, such that the payments and benefits are not deemed to be "excess parachute payments" or (ii) such greater amount of payments and benefits that would otherwise be provided under the Change in Control Agreement so long as the greater payments and benefits outweigh the tax consequences to the executive of receipt thereof.

Table of Contents**COMPENSATION COMPONENTS AND PROCESS*****Key Pay Components***

The table below describes our rationale for providing each of the key components of our executive compensation program and the factors that we consider in determining the amounts for a given year.

Component	Purpose	Factors Considered
Equity-Based Awards, comprised of:		
<i>Performance share units</i> that vest after three years and the value of which are determined based on Aon's achievement of a cumulative three-year performance objective	Long-term incentive to focus executives' efforts on increasing long-term shareholder value and align executives' interests with shareholder interests; encourage executive retention with multi-year vesting provisions; and encourage ownership of Aon equity	Executive's past performance; expectations regarding executive's future contributions to Aon; and market pay data as a reference point for grant values
<i>Restricted stock units</i> that are awarded in lieu of a portion of the cash payment under our annual bonus program; and, for this reason, are performance-based compensation; vest ratably over a three-year period	Same as above	Same as above
Annual Bonus	Short-term performance-based incentive to achieve select annual performance objectives	Expectations or opinions regarding the executive's qualitative and quantitative contributions to Aon-wide and business unit performance and individual performance; scope of job responsibilities; and market pay data as a reference point
Base Salary	Stream of income provided throughout the year in exchange for performance of specific job responsibilities	Scope of job responsibilities; historical pay and responsibilities; tenure; contractual commitments; and market pay data as a reference point
Other Personal, Executive and Relocation Benefits	Attraction and retention of top talent; with regard to executive benefits, provide mechanism to accumulate retirement benefits; with regard to relocation benefits, provide customary benefits to make the executive "whole" on a total rewards basis, be transparent and equitable and reflect best practices and benchmarks of industry counterparts	Perquisites or benefits received from prior employer to the extent necessary to attract and retain talent; time management factors; market practice regarding relocation benefits for executives
Post-Termination Compensation	Provide temporary income stream following involuntary termination of employment and, in the case of change-in-control protection, to provide for continuity and objectivity of management during that event	Executive's role within organization; market practices

Table of Contents***Use of Peer Group Solely as a Market Check of Target Total Direct Compensation***

We set executive compensation at levels that we believe to be appropriate and competitive for global professional services firms within our market sector and the general industry marketplace. We review annual financial reports filed by our peer group. For purposes of evaluating the competitive market, and not for purposes of doing true benchmarking to specific percentiles, we look at peer group compensation data. We compare the target total direct compensation (defined as base salary plus target bonus plus equity-based awards) for our named executive officers to the target total direct compensation for executives at selected peer companies where job descriptions are sufficiently similar to those of our executives to permit comparison.

In November 2012, we reviewed our peer group composition with the independent compensation consultant to the Compensation Committee and determined that certain modifications were necessary or advisable. Namely, Assurant, Inc. and Prudential Financial, Inc., both of which were in our peer group for 2011, currently fall outside of the market capitalization guideline we utilize and were therefore removed from the peer group for 2012. The Compensation Committee referred to the modified peer group when determining the actual bonus paid in 2013 related to 2012 performance.

Our 2012 peer group members were selected based upon three criteria. They are global financial services industry companies or major consulting firms with whom we compete for executive talent or financial capital. With the exception of Towers Watson, which is a direct competitor, and Accenture and Aetna, which are industry comparators, the peer group is comprised of companies that are between one-fourth and four times our size in average market capitalization (as calculated over the most recent eight quarters to reduce volatility), revenues and number of employees. Lastly, each company provides public disclosure regarding its executive compensation.

Our peer group members represent five financial GICS sub-sectors, and are:

Accenture plc	Chubb Corp.	The Progressive Corporation
ACE Limited	Cognizant Technology Solutions Corporation	Sun Life Financial Inc.
Automatic Data Processing, Inc.	Computer Sciences Corporation	Towers Watson & Co.
AFLAC Inc.	Fiserv, Inc.	The Travelers Companies, Inc.
Aetna Inc.	Humana Inc.	Willis Group Holdings plc
The Allstate Corporation	Marsh & McLennan Companies, Inc.	Xerox Corporation
CIGNA Corporation	Principal Financial Group, Inc.	

How We Determine Total Compensation

As described above, market data is helpful in determining the competitive level of various elements of total direct compensation. However, for 2012 we did not have a specific market target to set total compensation or particular components of it. We did not use a specific formula to set total compensation either in relation to market data, the relative mix of pay components or otherwise. A decision regarding one component of compensation had only an indirect link to decisions regarding other pay components.

We generally targeted a competitive level and mix of total direct compensation elements using market data simply as a reference point. This was not a mechanical process. Rather, we used our judgment and business experience. Overall, our intent was to manage the various elements of total compensation together so that the emphasis of our compensation program was on our variable components of pay, including long term equity awards and annual bonus awards that fluctuate based on the performance of Aon.

Our Use of Tally Sheets

In connection with our annual compensation review process, as described in the section of this proxy statement captioned "Board of Directors and Committees Organization and Compensation Committee Process of Determining Executive Compensation," the Compensation Committee reviews compensation tally sheets. The tally sheets assign dollar amounts to each component of the executive's compensation, including outstanding equity awards, current bonus and base salary, deferred compensation,

Table of Contents

employee benefits (including supplemental savings plan benefits), perquisites and potential change-in-control severance payments. The tally sheets are presented to the Compensation Committee to ensure it is aware of all compensation elements and the value of such elements.

Involvement of Mr. Case in the Compensation Process

Each year, the Compensation Committee approves all elements of compensation for Aon's named executive officers and other executive officers. These decisions are typically made during the annual compensation review process conducted in the first calendar quarter. The Compensation Committee solicits certain recommendations from each of Mr. Case and Mr. Besio, our Chief Human Resources Officer.

Mr. Case recommends to the Compensation Committee the equity award, annual bonus and base salary adjustments, if any, for the executive officers who report directly to him. He has direct knowledge of the contributions made by those executive officers to Aon and he shares this knowledge with the Compensation Committee. Mr. Case supports his recommendations by providing performance evaluations for his direct reports.

During the annual review process, Mr. Besio and the Chairman of the Compensation Committee work together on Mr. Case's annual evaluation report, which summarizes Mr. Case's qualitative and quantitative performance. The report is considered in the determination of Mr. Case's compensation, along with other factors, including the Compensation Committee's own assessment of Mr. Case's performance, relevant market data and Aon's overall performance.

The Compensation Committee has the ultimate authority to make compensation decisions. The Compensation Committee discusses its preliminary compensation decisions with the independent members of the Board who do not serve on the Compensation Committee. This process garners valuable input from those Directors regarding the executives' performance. The sharing of performance review information also aids the Directors in carrying out their succession planning responsibilities. After considering input from those Directors, the Compensation Committee makes its final determination.

Mr. Case, together with Mr. Besio and Ms. Davies, our CFO, makes recommendations to the Compensation Committee relating to the corporate performance targets to be established under Aon's annual incentive and long-term equity incentive programs. The Compensation Committee reviews such recommendations with its independent executive compensation consultant and reserves the ultimate authority to set such targets and to determine whether such goals were achieved.

Results of Advisory Vote by Shareholders on our "Say on Pay" Proposal

The Compensation Committee considered the results of the advisory vote by shareholders on the "say on pay" proposal presented to our shareholders at the 2012 Annual General Meeting of Shareholders. As reported in Aon's Form 8-K, filed with the SEC on May 21, 2012, there was significant support by shareholders for the compensation program offered to our named executive officers. Accordingly, the Compensation Committee made no changes to our executive compensation program as a direct result of such vote.

Results of Advisory Vote by Shareholders on our "Say on Golden Parachute" Proposal related to the Relocation Benefits

Aon's shareholders indicated their support for the relocation benefits described above by passing an advisory vote on the "say on golden parachute" proposal presented at the March 16, 2012 special meeting of shareholders. As reported in Aon's Form 8-K, filed with the SEC on March 19, 2012, with approximately 94% of the votes cast on the proposal voting in favor of the proposal. Accordingly, the Compensation Committee made no changes to the relocation benefits provided to our executive officers in response to such vote.

Other Policies and Practices

Internal Pay Fairness Considerations for Other Executive Officers

In determining an executive officer's target bonus or long-term performance award value, the Compensation Committee will, from time to time, consider internal pay fairness factors. However, the Compensation Committee has not adopted a broad internal pay equity policy pursuant to which each executive officer's compensation, or one or more components thereof, is tied to or targeted against the compensation of other executive officers.

Hedging and Pledging Company Shares

Our Board of Directors has adopted a policy prohibiting all executive officers and directors from engaging in short sales, publicly traded options, puts and calls, forward sale contracts, and other swap, hedging, and derivative transactions relating to our securities. The Board also has adopted a policy prohibiting our executive officers and directors from holding our securities in margin accounts or pledging our securities as collateral for a loan.

Base Salary

Base salary is a fixed component of compensation and is initially set at a level based primarily upon the executive's job scope or level of responsibility. The base salaries of our senior-most executives are adjusted rarely, as our general practice is to increase other components of pay based upon superior performance. However, base salaries may be adjusted to, among other things, recognize a significant change in job function or responsibilities or to bring the fixed component of an executive's total compensation in line with his or her peers at Aon or the industry generally. No base salary adjustments were made for any of our named executive officers during 2012.

Executive and Relocation Benefits

During 2012 we provided few personal benefits to our named executive officers as a component of their total compensation. Over the years, we have taken significant steps to de-emphasize personal benefits in our executive compensation practices.

Executive Benefits

In addition to Aon's broad-based employee benefit programs that are available to Aon employees generally (such as health coverage, 401(k) salary deferrals, etc.), each of our named executive officers is eligible to participate in a deferred compensation program and a supplemental savings plan. In addition, Aon provides an executive health screening program available to all members of Aon's executive management committee, including our named executive officers. None of our named executive officers participate in our defined benefit pension plan or the supplemental pension program because each was hired after eligibility in the qualified plan was frozen in 2004. Additional information regarding certain of our executive benefits is set forth under the heading "Nonqualified Deferred Compensation in Fiscal 2012" contained in this proxy statement.

We maintain a Supplemental Savings Plan. It is a non-qualified, deferred compensation plan that provides approximately 2,000 eligible employees, including executives, with the opportunity to receive contributions that could not be credited under the Aon Savings Plan because of tax limitations and the specific provisions of such plan.

Relocation Benefits

As described above under the heading "Analysis of 2012 Key Compensation Decisions Relocation Benefits," in connection with Aon's relocation of its headquarters to London, England, the Compensation Committee approved relocation benefits for the executive officers who relocated to our new corporate headquarters.

Table of Contents

Relocation benefits are customary for expatriate assignments for Aon and other employers in our industry. The relocation packages approved for our named executive officers are intended to: keep them "whole" on a total rewards basis; be transparent and equitable; and reflect competitive practices and benchmarks of industry counterparts. The Compensation Committee will periodically review the relocation packages of our executives.

Post-Termination Compensation

We believe that the provision of change-in-control severance agreements and other transitional compensation arrangements are critical to recruit talented employees and to secure the continued employment and dedication of our existing employees. All or nearly all of the companies with which we compete for talent have similar arrangements in place for their senior executives. While we consider these agreements to be necessary, the terms of these agreements are not considered as part of the compensation strategy when the Compensation Committee annually determines the compensation for the named executive officers. Additional information about post-termination compensation is set forth in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

Severance Agreements regarding Change-in-Control

Beginning in 2005, we entered into change-in-control severance agreements with certain of our key executive officers, including each of our named executive officers. The agreements are intended to secure the continued service, and to ensure the dedication and objectivity of these executives in the event of an actual or threatened change-in-control of Aon. The agreements provide that covered executives receive certain severance benefits upon qualifying terminations of employment in connection with or within two years following a change-in-control of Aon. Thus, the agreements require a "double trigger" a qualifying change-in-control of Aon and a qualifying termination of the executive's employment in order for severance benefits to become payable.

None of the agreements for our named executive officers currently provide for excise tax gross-up protection in the event the executive becomes subject to tax under Section 280G of the Internal Revenue Code in connection with such double trigger. To better align with market practice, Aon removed such protection from its standard form of agreement for newly-hired or newly-promoted senior executives.

Additional information regarding the change-in-control agreement for our named executive officers is set forth in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

Severance Benefits Pursuant to Employment Agreements

We have entered into agreements with certain executive officers that provide for post-employment severance benefits and transitional compensation if the officer's employment terminates for a qualifying event or circumstance unrelated to a change-in-control of Aon, such as being terminated without "cause" as such term is defined in the operative agreement. Additional information regarding such post-employment severance or transitional compensation for Mr. Case and the other named executive officers is set forth in the section captioned "Potential Payments on Termination or Change-in-Control" contained in this proxy statement.

Share Ownership Guidelines

Aon's share ownership guidelines are designed to increase executives' equity stakes in Aon and to align executives' interests more closely with those of our shareholders. The guidelines provide that the Chief

Table of Contents

Executive Officer should attain an investment position in Ordinary Shares equal to six times annual base salary and each other executive officer, including the remainder of our named executive officers, should attain an investment position in Ordinary Shares equal to three times annual base salary. The guidelines also set out equity retention rules generally requiring that net profit shares received upon the exercise of options to purchase Ordinary Shares, the vesting of restricted stock units and the vesting of performance share units be retained until the required investment position is achieved. Ordinary Shares counted toward these guidelines include: any shares owned outright; shares owned through an Aon-sponsored savings or retirement plan; shares purchased through an Aon-sponsored employee share purchase plan; shares obtained through the exercise of stock options; shares issued upon the vesting of restricted stock units or performance share units; "phantom shares" held in the deferred compensation plan; and "phantom shares" held in the Aon Supplemental Savings Plan. Each of our named executive officers held the requisite number of shares under the guidelines as of December 31, 2012.

Role of the Compensation Consultant

The Compensation Committee has retained Frederic W. Cook & Co., Inc. as its independent executive compensation consultant. The role of the compensation consultant is described in this proxy statement under "Board of Directors and Committees Organization and Compensation Committee Relationship with Executive Compensation Consultant."

Impact of Tax Treatment

Section 162(m) of the Internal Revenue Code provides that a public corporation may take a deduction for compensation in excess of \$1 million for its chief executive officer and certain of its other highest paid executive officers only if specific and detailed criteria are satisfied. Other sections of the Internal Revenue Code could result in adverse tax consequences to Aon and/or the executive related to certain change-in-control payments or the receipt of deferred compensation. Among other factors, we consider the company deductibility of compensation paid to the named executive officers.

The deductibility of some types of compensation payments can depend upon the timing of an executive's vesting or exercise of previously granted rights. The deductibility of compensation is also affected by interpretations of and changes in applicable tax laws and

regulations as well as other factors beyond our control. Also, in some circumstances, factors other than tax deductibility are more important in determining the forms and levels of executive compensation most appropriate and in the best interests of Aon and its shareholders.

For these and other reasons, we have determined that we will make a reasonable effort to administer Aon's compensation program in a tax-effective manner; however, we have approved elements of compensation for certain executive officers that are not fully deductible or result in adverse tax consequences to the executive and we reserve the right to do so in the future, when appropriate. For instance, we cannot deduct the portion of base salary in excess of \$1 million that we paid to certain executive officers.

For awards granted under the LPP and AHPP, the performance share units are calculated in accordance with FASB Topic 718 based on the probable outcome of the performance conditions at the time of grant. For further information on the stock awards granted in 2012, see the Grants of Plan-Based Awards in Fiscal Year 2012 table below.

Non-Equity Incentive Plan Compensation (Column (g))

In the first quarter of 2013, the Compensation Committee granted the following awards under the Shareholder-Approved Plan based on the achievement of certain performance measures by the named executive officers during 2012: Mr. Case, \$2,950,000; Ms. Davies, \$1,370,000; Mr. McGill, \$1,600,000; Ms. Savacool, \$825,000 and Mr. Besio, \$700,000. In accordance with the terms of the ISP applicable to awards paid for 2012 service, all of the named executive officers receiving these awards were paid: (a) 65% of the awards in cash, and (b) 35% of the awards in the form of restricted stock units under the ISP.

The amounts shown in column (g) for each of 2012, 2011 and 2010 reflect the cash portion of the awards paid to the named executive officers for performance in those years. The following amounts of restricted stock units represent the restricted stock unit portion of these awards related to fiscal year 2012 performance awarded in February 2013: Mr. Case, 18,114; Ms. Davies, 8,368; Mr. McGill, 9,773;

To the extent these individuals are again designated as our named executive officers in future years, all of these restricted stock units will be shown in our Grants of Plan-Based Awards Table and our Outstanding Equity Awards at Fiscal Year-End Table and the applicable grant date fair value for these restricted stock units will be included in the amount in column (e) for 2013 compensation in future executive compensation disclosures that present information for the fiscal year ending December 31, 2013. For further information on the terms of the ISP, see the section entitled "Analysis of 2012 Key Compensation Decisions" in the Compensation Discussion and Analysis. For awards paid for service in 2011 and 2010 as set forth in column (g), the named executive officers that received such awards were paid 65% of the awards in cash and 35% in the form of restricted stock units under the ISP.

All Other Compensation (Column (i))

For 2012, the amounts reported as "All Other Compensation" consist of the following components:

Name	Company Contributions (\$) (a)	Perquisites (\$) (b)	Other (\$) (c)	Tax Reimbursement-Equalization (\$) (d)	Total (\$)
Gregory C. Case	25,000	24,386	267,000		316,386
Christa Davies	25,000	221,101	529,174	23,609	798,884
Stephen P. McGill	25,000	92,704	255,667	100,056	473,427
Kristi Savacool	25,000				25,000
Gregory J. Besio	25,000	38,460	381,006		444,466

Company Contributions (Column (a))

The amounts shown in the "Company Contributions" column represent for each of the named executive officers, (i) a contribution by Aon of \$15,000 to the Aon Savings Plan, a defined contribution plan; and (ii) a contribution to the Aon Supplemental Savings Plan, a non-qualified defined contribution plan, of \$10,000 for each named executive officer.

Perquisites (Column (b))

In connection with the redomestication, certain of our named executive officers agreed to relocate to London. Relocation benefits are customary for expatriate assignments for the Company and other employers in its industry. The relocation packages approved are intended to keep the transferred executives "whole" on a total rewards basis, be transparent and equitable and reflect competitive practices and benchmarks of industry counterparts. Aon's shareholders approved the relocation compensation in connection with the special meeting of stockholders held on March 16, 2012, with approximately 94% of the votes cast in favor of the relocation compensation.

For schooling assistance and housing related costs, the amounts shown are the amounts actually paid by Aon to third parties in connection with the named executive officer's eligible dependents schooling and in connection with securing housing for the named executive officer and his or her family in London. For the pre-move and transfer in trip, the amount shown is the actual amount reimbursed to the named executive officer for expenses incurred in connection with any pre-move house hunting trip and the initial transportation of the named executive officer and his or her family to London.

Edgar Filing: Aon plc - Form PRE 14A

Table of Contents

The costs to the Company in 2012 for perquisites related to the relocation were as follows:

Name	Schooling Assistance (\$)	Pre-Move and Transfer In Trip (\$)	Household Goods Move (\$)	Tax Preparation Services (\$)	Housing Related Costs (\$)
Gregory C. Case				ü	
Christa Davies	76,078	44,150		ü	66,510
Stephen P. McGill			34,076	ü	
Gregory J. Besio			ü	ü	

A check mark in the table above indicates that the named executive officer received the perquisite, but the amount is not required to be separately quantified. For a description of cash allowances and cash bonuses paid to our named executive officers in connection with the relocation, see " Other (Column (c))" below.

Our executive officers are not eligible to use the Company's aircraft or the Company's arrangements with NetJets for personal travel. Infrequently, spouses and guests of our named executive officers accompany the executive when a Company-owned aircraft or NetJets flight is already going to a specific destination for a business purpose. This has a minimal cost to the Company and, where applicable, the direct variable costs associated with the additional passenger are included in determining the aggregate incremental cost to Aon. For Mr. Case and Mr. Besio, the perquisite column includes amounts related to such accompanied travel.

All named executive officers, other than Ms. Savacool, participated in 2012 in Aon's executive health screening program. The amount included in "All Other Compensation" is the actual cost to Aon of the named executive officers' use of this program.

Other (Column (c))

In connection with their relocation to London, our relocated named executive officers are also entitled to additional cash compensation in accordance with the terms of their relocation letters and our relocation programs. Aon's shareholders approved the estimated relocation compensation in connection with the special meeting of stockholders held on March 16, 2012, with approximately 94% of the votes cast in favor of the relocation compensation. Allowances became payable to the named executive officers beginning on the date the named executive officer's foreign assignment began. The following table sets forth the additional compensation received by the named executive officers with respect to 2012 service:

Name	Housing Allowance (\$)	Cost of Living Allowance (\$)	Foreign Service Allowance (\$)	Transportation Allowance (\$)	Waiver/ Retention Bonus (\$)	Relocation Allowance (\$)
Gregory C. Case	112,000	30,000	45,000			80,000
Christa Davies	115,500	41,250	55,000	10,769	209,988	96,667
Stephen P. McGill		60,000		15,667	100,000	80,000
Gregory J. Besio	84,000	30,000	32,500	7,833	162,506	64,167

Tax Reimbursement-Equalization (Column (d))

In connection with their relocation to London, Ms. Davies, Mr. McGill and Mr. Besio are entitled to receive a tax equalization benefit designed to equalize the income tax paid by the executive so that his or her total income and social tax costs related to any earnings from the Company while on the international assignment (including earnings related to granting or vesting of equity-based awards) will be no more than an amount the executive would have paid had all of the earnings been taxable solely pursuant to U.S. income and social tax laws. This tax equalization benefit does not include a gross-up feature for U.S. income and social taxes on any earnings, including any taxable relocation benefits.

Edgar Filing: Aon plc - Form PRE 14A

Table of Contents

The tax equalization benefit caps the executive's total income and social tax exposure to that he or she would be taxed on earnings from the Company under the U.S. tax laws (as compared to the U.K. tax laws as in existence from time to time).

The amounts shown in column (d) above in the "All Other Compensation" table represent Aon's calculation of the excess United Kingdom taxes paid above the hypothetical tax that the named executive officer would have paid had he or she not been relocated to London.

(1) This amount represents the restricted stock unit portion of the named executive officer's incentive bonus earned in 2011 and granted in 2012 under the ISP pursuant to the terms of the Shareholder-Approved Plan for 2011 service. Annual bonus eligibility for 2011 service for any executive officer was capped at \$10 million under the Shareholder-Approved Plan. Within the framework of the Shareholder-Approved Plan, we set bonus eligibility for 2011 incentive bonuses for our named executive officers as follows: the target amount of each executive's bonus as a percentage of base salary was 200% for Mr. Case, 175% for Mr. McGill, 150% for Ms. Davies and Mr. Besio and 100% for Ms. Savacool; the bonus range was capped at 600% for Mr. Case, 525% for Mr. McGill, 450% for each of Ms. Davies and Mr. Besio and 300% for Ms. Savacool. The determination of the actual bonus amount payable was determined based, among other things, on Aon's performance overall, the performance of the executive's business unit and individual performance.

These restricted stock units will vest in installments of 33¹/₃% on the first through third anniversaries of the date of grant. Dividend equivalents are paid quarterly in cash on unvested restricted stock units granted pursuant to the ISP and voting rights do not attach to any unvested restricted stock units. See "Performance-Based Annual Bonus" in the Compensation Discussion and Analysis for information on the terms of these plans applicable to 2012 performance.

Edgar Filing: Aon plc - Form PRE 14A

- (2) Amount represents the grant date fair value of an additional grant of performance share units having a target value of \$6,000,000 awarded in connection with the amendment of Ms. Davies's employment agreement. The amount shown in the table above is the grant date fair value of the awards determined in accordance with FASB Topic 718 based on the probable outcome of the performance conditions at the time of grant and not the target value of the award. The grant is subject to the same vesting conditions as the other awards granted under LPP 7.
- (3) Amount represents the grant date fair value of an additional grant of performance share units having a target value of \$1,750,000 awarded in connection with the amendment of Mr. Besio's employment agreement. The amount shown in the table above is the grant date fair value of the awards determined in accordance with FASB Topic 718 based on the probable outcome of the performance conditions at the time of grant and not the target value of the award. The grant is subject to the same vesting conditions as the other awards granted under LPP 7.

Table of Contents

Estimated Possible Payouts Under Non-Equity Incentive Plan Awards (Columns (c), (d) and (e))

The amounts shown reflect the incentive plan awards for 2012 service made to each named executive officer under the Shareholder-Approved Plan. The amounts shown in column (d) represent the target payment level of 200% for Mr. Case, 175% for Mr. McGill, 150% for Ms. Davies and 100% for Ms. Savacool and Mr. Besio of their base salary and the amounts shown in column (e) reflect the maximum payment level of the lesser of three times the target incentive amount or \$10,000,000 as provided by the terms of the Shareholder-Approved Plan. For Ms. Davies and Mr. Besio, the annual foreign service allowance is included with base salary in determining their bonus targets.

The Shareholder-Approved Plan does not contain a threshold payment level for each named executive officer. If pre-established performance measures are not met, no payments are made.

The amounts in columns (d) and (e) represent 100% of the target and maximum payment levels of the award; however, pursuant to the terms of the ISP for 2012 service, the awards granted to the named executive officers were paid 65% in cash and 35% in restricted stock units. The actual cash portions paid to the named executive officers are set forth in column (g) "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table. The actual restricted stock unit portions of the awards granted to the named executive officers are set forth in the footnote to column (g) "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table.

For more information regarding the terms of the Shareholder-Approved Plan, see the section entitled "Analysis of 2012 Key Compensation Decisions" in the Compensation Discussion and Analysis.

Estimated Possible Payouts Under Equity Incentive Plan Awards (Columns (f), (g) and (h))

The amounts shown in columns (f), (g) and (h) represent the threshold, target and maximum payout levels of performance share units granted to certain of the named executive officers pursuant to Aon's LPP that will be earned and settled in Ordinary Shares if certain performance criteria are achieved. As the potential payments are dependent on the achievement of certain performance criteria, actual payouts could differ by a significant amount. For more information regarding the terms of these performance share units and the LPP, see the section entitled "Analysis of 2012 Key Compensation Decisions" in the Compensation Discussion and Analysis.

Grant Date Fair Value of Stock and Option Awards (Column (l))

The amounts shown in column (l) are the grant date fair values of the various awards. The grant date fair value generally reflects the aggregate grant date fair value computed in accordance with FASB Topic 718 and, with respect to the performance share unit awards granted under the LPP, is based on the probable outcome of the performance-based conditions at the time of grant. These amounts do not correspond to the actual value (if any) that may be recognized by the named executive officers.

EMPLOYMENT AGREEMENTS AND OTHER COMPENSATION ARRANGEMENTS

Each of the named executive officers has entered into an Employment Agreement with Aon that addresses the payments and benefits these individuals will receive under various termination scenarios. These payments and benefits are described in the section entitled "Potential Payments on Termination or Change-in-Control" set forth in this proxy statement. Non-competition and non-solicitation covenants apply to each of the named executive officers for a period of two years, in each case following the termination of employment of such executive without regard to the reason for such termination.

In addition to the employment agreements, each of the named executive officers has entered into a severance agreement with Aon. Please see the section entitled "Potential Payments on Termination or Change-in-Control" of this proxy statement for a description of these agreements.

Mr. Case's Employment Agreement

Aon has entered into an Amended and Restated Employment Agreement with Gregory C. Case, our President and Chief Executive Officer, dated November 13, 2009, which commenced November 13, 2009 and will expire April 3, 2015 unless terminated earlier. The agreement provides that Mr. Case will be employed as Aon's President and Chief Executive Officer. The agreement also provides that Mr. Case will be nominated for reelection as a member of Aon's Board of Directors at each annual meeting of shareholders during the period of his employment.

The agreement provides for an initial base salary of \$1,500,000, subject to adjustment at the discretion of the Board of Directors, a target annual incentive bonus of not less than 200% of his base salary and an annual incentive bonus of up to 300% of the target annual incentive bonus, subject to the cap established under the Shareholder-Approved Plan. The Board of Directors retains the discretion to determine Mr. Case's actual bonus payment.

Pursuant to the agreement, Mr. Case received an additional award pursuant to Aon's LPP for the performance period beginning January 1, 2010 and ending December 31, 2012 with a grant date target value of \$10,000,000. The \$10,000,000 value was in addition to the value otherwise granted to Mr. Case pursuant to Aon's regular annual long-term incentive award process, and will be earned based on the same performance criteria and weightings as the regular annual long-term incentive award, which is also the same for other participants in Aon's LPP for the performance period. In addition, the agreement provides that Mr. Case will be provided with life insurance coverage in an amount no less than \$5,000,000 during the term of the agreement.

Ms. Davies' Employment Agreement

Aon has entered into an Employment Agreement with Christa Davies, our Executive Vice President, Global Finance and Chief Financial Officer, dated as of October 3, 2007, which was amended on March 27, 2012 and expires on March 31, 2017. Mr. McGill's Employment Agreement

Aon entered into an Employment Agreement with Stephen P. McGill, our Group President Aon plc, Chairman and Chief Executive Officer of Aon Risk Solutions, dated December 7, 2010, which commenced effective as of November 18, 2010 and will expire November 18, 2015, unless terminated earlier. The agreement provides that Mr. McGill will be employed as the Chairman and Chief Executive Officer of Aon Risk Solutions. The Board of Directors retains the discretion to determine Mr. McGill's actual bonus payment.

Pursuant to the agreement, Mr. McGill agreed to permanently relocate his residence to the United States from the United Kingdom, and become directly employed by Aon. Under the terms of the agreement, Mr. McGill received a one-time transfer payment of \$2.5 million from Aon in recognition of his willingness to enter into the agreement, which resulted in the elimination of expatriate benefits previously received by Mr. McGill, including housing allowance, and the forfeiture by Mr. McGill of his participation in certain U.K. employee benefits, including car allowance and pension contributions, and incurring relocation costs to permanently relocate to the United States. If Mr. McGill voluntarily terminates his employment with Aon prior to November 18, 2015, he will be obligated to repay to Aon a prorated amount of such payment.

In addition, Mr. McGill received an additional award pursuant to Aon's LPP for the performance period beginning January 1, 2011 and ending December 31, 2013 with a grant date target value of \$6 million. The \$6 million value is in addition to the value to be otherwise granted to Mr. McGill pursuant to Aon's regular annual long-term incentive award process, and will be earned based on the same performance criteria and weightings as the regular annual long-term incentive award, which is also the same for other participants in Aon's LPP for the performance period.

Ms. Savacool's Employment Agreement

Aon has entered into an Employment Agreement with Kristi Savacool, the Chief Executive Officer of Aon Hewitt dated as of September 30, 2010, which was amended on May 16, 2011, which will expire on September 30, 2015 unless terminated earlier. The agreement, as amended, provides for a base salary of no less than \$800,000, subject to adjustment, and a target annual incentive bonus of 100% of her base salary, subject to a cap of 300% of her base salary. For the period from October 1, 2010 to December 31, 2011, the agreement, as amended, provided for a target bonus of \$1,000,000 with a guaranteed bonus of \$950,000.

Pursuant to the agreement, upon commencement of her employment, Ms. Savacool received a restricted stock unit award equal in value to \$1,800,000, which was immediately vested upon grant. In addition, under the terms of the agreement, as amended, Ms. Savacool received an award pursuant to Aon's LPP for the performance period beginning January 1, 2011 and ending December 31, 2013 with a grant date target value of \$1,000,000 and an award pursuant to Aon's AHPP for the performance period beginning January 1, 2011 and ending December 31, 2013 with a grant date target value of \$1,000,000.

International Assignment Letters

In connection with the redomestication, in 2012, Aon entered into international assignment letters with each of Mr. Case, Ms. Davies, Mr. McGill and Mr. Besio. The letter describes the international assignment and sets forth the relocation benefits to the executive, which are described below. The letter is not intended to diminish the rights of the executive under his or her current employment arrangement; however, the letter provides by its terms that the executive's acceptance of the international assignment, and repatriation thereafter, shall not give rise to any right to terminate for good reason (as such term is defined in the executive's employment agreement, if applicable). The letter will only remain in effect during the international assignment, and is not intended to continue for more than two years.

Depending on each executive's personal circumstances, and as disclosed in the tables above, the relocation packages generally provide some or all of the following benefits, each shown in U.S. dollars:

A monthly housing allowance of approximately (a) \$28,000 for Mr. Case and (b) \$21,000 for the other executive officers;

A monthly cost of living differential, equal to 15% of the executive's monthly base salary (such monthly salary considered in the formula is subject to a cap of \$50,000);

A monthly foreign service allowance of up to the monthly equivalent of 15% of the executive's annual base salary as of January 12, 2012;

An annual waiver/retention bonus, ranging from \$0 for Mr. Case to \$210,000 for certain of the other relocating executive officers;

A monthly transportation allowance of approximately \$2,000;

An annual home leave benefit of \$5,000 per family member, providing one round-trip air fare for the executive, his or her partner and eligible dependents;

Eligible dependents' schooling assistance, including tuition and application fees;

A households goods move at the beginning and end of the international assignment;

A one-time relocation allowance of the sum of the executive's monthly base salary plus \$10,000 (capped at \$80,000);

A tax equalization benefit (without a tax gross-up feature insulating the executive from incurring any U.S. income or social tax, such as FICA, on the relocation benefits) designed to equalize the income tax paid by the executive so that his or her total income and social tax costs related to any earnings from the Company while on the international assignment (including earnings related to granting or vesting of equity-based awards) will be no more than an amount the executive would have paid had all of the earnings been taxable solely pursuant to the U.S. income and social tax laws; and

Enhanced tax preparation and planning and expatriate services for the tax years covered by the international assignment or for which international earnings are taxed by the host country.

The annual waiver/retention bonus is subject to recoupment under certain circumstances resulting in termination of the executive officer's employment during the period of the international assignment. All of the relocation benefits are subject to recoupment if the executive officer

Edgar Filing: Aon plc - Form PRE 14A

resigns employment with the Company within two years of commencing the international assignment, or twelve months after the end thereof, and becomes employed by a direct competitor of the Company.

For options issued prior to January 1, 2009, the exercise price was determined by averaging the high and low selling prices of a share of Aon Corporation common stock on the NYSE on the grant date. For options issued after that date, the exercise price is determined using the closing price of a share of Aon Corporation common stock on the NYSE on the grant date.

- (3) The performance share units convert into Ordinary Shares on a one-to-one basis after the conclusion of a three-year performance period. For performance share units with a 3/9/2010 grant date, the three-year performance period ended on December 31, 2012. These performance share units were subsequently settled into Class A Ordinary Shares of Aon plc on February 14, 2013 or February 15, 2013.

- (4) The performance share units convert into Ordinary Shares on a one-to-one basis after the conclusion of a three-year performance period. For the LPP, a pre-established cumulative earnings per share target as certified by the Compensation Committee in the first quarter of the following year after the performance period has ended must be met. For LPP performance share units with a 3/17/2011 or 3/18/2011 grant date, the three-year performance period ends on December 31, 2013 and for LPP performance share units with a 3/15/2012, 3/16/2012 or 3/27/2012 grant date, the three-year performance period ends on December 31, 2014.

If the minimum or threshold performance is not attained, the performance share units will be forfeited. In this table the maximum number of performance share units is shown for LPP units with a 3/18/2011, 3/19/2011, 3/15/2012, 3/16/2012 or 3/27/2012 LPP grant date as the awards are currently tracking at or above target payout levels. The market value is calculated using \$55.61, the closing price of an Ordinary Share of Aon plc on the NYSE on December 31, 2012. If Aon does not attain the maximum cumulative target over the three-year period, the number of Ordinary Shares received by the named executive officers upon settlement will be reduced.

- (5) The performance share units convert into Ordinary Shares on a one-to-one basis after the conclusion of a three-year performance period. For the AHPP, a pre-established adjusted three-year cumulative segment pre-tax income target as certified by the Compensation Committee in the first quarter of the following year after the performance period has ended must be met. The performance period for these performance share units will end on December 31, 2013. If the minimum or threshold performance is not attained, the performance share units will be forfeited. For these performance share units, performance is currently tracking below threshold and the threshold award value is displayed. The market value is calculated using \$55.61, the closing price of an Ordinary Share of Aon plc on the NYSE on December 31, 2012.

Aon Deferred Compensation Plan ("Deferred Compensation Plan")

The Deferred Compensation Plan is an unfunded, unsecured nonqualified deferred compensation program that allows participants to defer:

Up to 75% of their base salary;

All or a portion of their annual performance bonus; and

Up to 75% of other earnings, including certain hiring, retention or non-performance bonuses.

None of our named executive officers participated in the Deferred Compensation Plan in 2012.

Table of Contents

Aon Supplemental Savings Plan ("Supplemental Savings Plan")

The named executive officers may, similar to all U.S. employees hired in 2004 or later, participate at their election in the Aon Savings Plan, a defined contribution 401(k) plan (the "Aon Savings Plan"). The Aon Supplemental Savings Plan was created to provide matching and other company allocations similar to those that participants in the Aon Savings Plan would have received had the Internal Revenue Code limits not restricted contributions under the Aon Savings Plan. Participants eligible for Aon Savings Plan matching contributions who are active at the end of the plan year and who attain the IRS 401(k) contribution limit and compensation limit (or participate in the Deferred Compensation Plan) receive supplemental allocations to the Supplemental Savings Plan based on their years of service and their match eligible compensation in excess of the IRS limit or Deferred Compensation Plan deferrals (to a combined plan limit of \$500,000). Distributions from the Supplemental Savings Plan must begin at the earlier of retirement or age 65.

Each of the named executive officers participated in the Supplemental Savings Plan in 2012. If the named executive officer contributes the maximum permissible amount to the Aon Savings Plan, the Supplemental Savings Plan provides for a company allocation as a percentage of compensation in excess of the IRS limit (\$250,000 in 2012), with such compensation capped at \$500,000. The percentage allocation varies by length of service but in the first four years of employment the allocation percentage is 3% and increases to 6% after 15 years of service. Aon made the following allocations for 2012 to the respective accounts of each of Mr. Case, Ms. Davies, Mr. McGill, Ms. Savacool and Mr. Besio: a matching contribution to each named executive officer's account under the Aon Savings Plan of \$15,000, and an allocation to the Aon Supplemental Savings Plan account of \$10,000.

Going forward, each of the named executive officers will continue to be eligible for the Aon Savings Plan and the associated Supplemental Savings Plan.

POTENTIAL PAYMENTS ON TERMINATION OR CHANGE-IN-CONTROL

Severance Agreements

Aon has entered into severance agreements, as amended, which we refer to as "Tier 1 Agreements," with certain of its key executive officers, including each of the named executive officers. We refer to these officers as "Tier 1 Executives."

The Tier 1 Agreements are intended to secure the continued service and to ensure the dedication and objectivity of the Tier 1 Executives in the event of an actual or threatened change-in-control (as defined below) of Aon.

The Tier 1 Agreement between Aon and each Tier 1 Executive provides that the executive receives the following severance benefits upon qualifying terminations (as defined below) of employment in connection with or within two years following a change-in-control of Aon: (a) the executive's base salary through the date of termination, a pro-rated bonus based upon the executive's average annual cash incentive for the preceding three years and any accrued vacation pay; (b) for Tier 1 Executives other than Mr. Case, two times the sum of: (i) the executive's annual base salary in effect on the date of termination; and (ii) the executive's average incentive compensation over the previous two years (with regard to Mr. Case, three times the sum of (i) his highest annual base salary in effect during the twelve-month period prior to the date of termination and (ii) his target annual incentive bonus for the fiscal year in which the date of termination occurs); (c) the amount forfeited by the executive under any qualified defined contribution plan as a result of the executive's termination; and (d) the executive's accrued benefits under Aon's nonqualified benefit plans, which shall vest and be payable with two additional years of age and service credit and, in the case of the Supplemental Savings Plan, two additional years of plan contributions (with regard to Mr. Case, three additional years of age and service credit and, in the case of the Supplemental Savings Plan, three additional years of plan contributions). In addition, pursuant to the terms of Mr. Case's severance agreement, Aon is required to pay Mr. Case a lump sum cash amount equal to the actuarial equivalent of Mr. Case's accrued benefits under Aon's nonqualified benefit plans within 30 days of his termination of employment with Aon. Qualifying terminations consist of termination by Aon other than for cause (as defined in the Tier 1 Agreements) or by the executive for good reason (as defined in the Tier 1 Agreements), in each case in connection with or within two years following a change-in-control of Aon.

As defined in the Tier 1 Agreements:

"Good reason" means: (1) a material adverse change in authority, powers, functions, duties or responsibilities; (2) a material reduction in salary or bonus opportunity; (3) a failure to maintain material employee benefit or compensation plans; (4) a reassignment of the executive to an office location more than 50 miles from the executive's current location; or (5) a failure by Aon to require a successor to assume Aon's obligations under the severance agreement, and

"Cause" means: (1) a material breach by the executive of the executive's duties and responsibilities which is demonstrably willful and deliberate, which is committed in bad faith or without reasonable belief that the breach is in the best interests of Aon and which is not remedied in a reasonable period of time after receipt of written notice from Aon of such breach; (2) gross misconduct, theft, fraud, breach of trust or any act of dishonesty by the executive which results in material harm to Aon; or (3) the commission by the executive of a felony involving moral turpitude.

Each Tier 1 Agreement between Aon and each Tier 1 Executive also requires that Aon maintain medical, dental and life insurance on behalf of Tier 1 Executives other than Mr. Case for two years (with regard to Mr. Case, for three years), or, if earlier, until the executive becomes eligible for substantially equivalent benefits from another employer. In addition, all stock options and other equity awards will become fully vested and each option will remain exercisable until the expiration of its term. The agreements for executives not based in the United States were modified to conform to local benefit practices and to comply with local laws.

A "change-in-control" for purposes of the agreements generally occurs upon any of the following: (a) an acquisition of 30% or more of either outstanding Ordinary Shares or the combined voting power of the

Table of Contents

outstanding securities entitled to vote; (b) a change in the majority of the current Board; (c) a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of Aon (unless (i) the existing shareholders receive more than 60% of the outstanding Ordinary Shares and the combined voting power of the surviving company, as the case may be, (ii) no person or group owns 30% or more of the outstanding Ordinary Shares or combined voting power of the surviving company and (iii) there is no change in the majority of the Board); or (d) a liquidation or dissolution of Aon.

As a condition to the receipt of payments and benefits pursuant to the Tier 1 Agreement, the executive is required to enter into an agreement with Aon providing that the executive will not compete with Aon or solicit employees or customers of Aon for a two-year period and will not use or disclose any confidential information of Aon. In addition, the Tier 1 Agreement provides for a full release by the executive of claims in connection with the payment of severance benefits.

Pursuant to the terms of the severance agreements with each of our named executive officers, Aon is not obligated to provide a gross-up payment in connection with any excise taxes imposed by Section 4999 of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. In addition, Mr. Case's severance agreement provides that Mr. Case's cash and non-equity award payments shall be capped at the "safe harbor" amount under Section 280G of the Code, such that the cash and non-equity award payments are not deemed to be "excess parachute payments" within the meaning of Section 280G of the Code. The severance agreements with Ms. Davies, Mr. McGill, Ms. Savacool and Mr. Besio provide that his or her payments and benefits shall be capped at the greater of: (i) the "safe harbor" amount under Section 280G of the Code, such that the payments and benefits are not deemed to be "excess parachute payments" or (ii) the amount of payments and benefits that would otherwise be provided under the agreement so long as the payments and benefits outweigh the tax consequences to them of receipt thereof.

The Board may terminate the Tier 1 Agreements for Tier 1 Executives upon 120 days notice to an executive, provided that no termination may occur if the Board has knowledge of an action to effect a change-in-control or if there has been a change-in-control. In any event, each executive's Tier 1 Agreement will terminate upon the first to occur of the executive's death and the termination of the employment relationship of the executive prior to a change-in-control.

Employment Agreements

As noted in the narrative captioned "Employment Agreements and Other Compensation Arrangements" following the table captioned "Grants of Plan-Based Awards in Fiscal Year 2012" each of the named executive officers has entered into an employment agreement with Aon. The terms of these various employment agreements that provide benefits upon a change-in-control or the termination of employment under various scenarios are set forth below.

Mr. Case's Employment Agreement

Mr. Case's employment agreement provides that, in the event of Mr. Case's death during the term of the agreement, his heirs, executors or the administrators of his estate will receive: (i) his accrued base salary through and including his date of death; (ii) any annual incentive bonus earned and payable but not yet paid for the bonus year prior to the year in which termination of employment occurs; (iii) a prorated annual incentive bonus through and including his date of death; (iv) other employee benefits to which he was entitled at the time of his death in accordance with the terms of the plans and programs of Aon; and (v) accelerated vesting of the restricted stock unit awards, continued vesting of the stock option awards and payment or vesting of any other long-term incentive awards, in each case granted to him pursuant to the agreement. If Mr. Case's employment is terminated due to his incapacity or disability, he will receive the payments and benefits set forth in items (i) through (v) of the immediately preceding sentence, substituting the word "disability" for "death."

Mr. Case's employment agreement also provides that if Aon terminates Mr. Case's employment for cause (as defined in the agreement) as determined by a majority of

Table of Contents

the members of the Board of Directors (excluding Mr. Case), Mr. Case will be entitled to receive: (i) his accrued base salary through and including his date of termination; and (ii) other employee benefits to which he was entitled at the time of his termination in accordance with the terms of the plans and programs of Aon. In the event of a termination for cause, Mr. Case must immediately resign from Aon's Board of Directors.

If Aon terminates his employment for any other reason (other than for cause as defined in the agreement), Mr. Case will be entitled to receive: (i) his accrued base salary through and including his date of termination; (ii) any annual incentive bonus earned and payable but not yet paid for the bonus year prior to the year in which termination of employment occurs; (iii) a prorated annual incentive bonus through and including his date of termination, subject to the satisfaction of the specified performance goals established for the applicable bonus year; (iv) other employee benefits to which he was entitled at the time of his termination in accordance with the terms of the plans and programs of Aon; provided that Aon shall continue to provide medical, dental and vision benefits to Mr. Case, his spouse and dependent children for a period of 24 months following the date of termination, followed with immediate eligibility for coverage under Aon's retiree medical program until Mr. Case, his spouse and dependent children become covered by the plan of another employer providing comparable benefits; (v) accelerated vesting of the restricted stock unit awards, continued vesting of the stock option awards and payment or vesting of any other long-term incentive awards, in each case granted to him pursuant to the agreement; (vi) a lump sum cash payment equal to two times Mr. Case's target annual incentive bonus for the bonus year in which his employment terminates; and (vii) subject to continuing compliance with the non-competition, non-solicitation and confidentiality covenants set forth in the agreement, an amount equal to two times Mr. Case's base salary, payable in installment payments when Aon provides salary payments to its executives generally, through the two-year non-competition period.

If Mr. Case voluntarily terminates his employment with good reason (as defined in the agreement), he will be entitled to receive the payments and benefits set forth in items (i) through (vii) of the immediately preceding sentence. If Mr. Case voluntarily terminates his employment for any reason (other than with good reason), he will be entitled to receive: (i) his accrued base salary through and including his date of termination; and (ii) other employee benefits to which he was entitled at the time of his termination in accordance with the terms of the plans and programs of Aon. In addition, if Mr. Case's employment is terminated for any reason other than by Aon for cause (as defined in the agreement) after Mr. Case has attained at least age 50, which occurred in December 2012, and completed at least 10 years of continuous employment, Mr. Case, his spouse and his dependent children will be eligible for coverage under Aon's retiree medical program.

Non-competition and non-solicitation covenants apply to Mr. Case for a period of two years following the termination of his employment without regard to the reason for such termination.

Ms. Davies' Employment Agreement

Ms. Davies' employment agreement, as amended, provides that, in the event of the death of Ms. Davies during the term of the agreement, her heirs, executors or the administrators of her estate will receive: (i) her accrued base salary through and including her date of death plus any unpaid annual or long-term bonus earned for the completed year prior to her death; and (ii) a lump sum cash payment equal to her base salary at the date of death through March 31, 2017, reduced by the amount of any benefits paid under any life insurance policy maintained by Aon for her benefit. In the event of Aon's termination of the employment of Ms. Davies by reason of disability, she will receive: (i) her accrued base salary through and including her date of termination plus any unpaid annual or long-term bonus earned for the completed year prior to her termination; and (ii) continuation of her base salary at the rate in effect at the date of termination through March 17, 2017, reduced by the amount of any benefits paid under any disability insurance policy maintained by Aon for her benefit.

Ms. Davies' employment agreement also provides that if Aon terminates Ms. Davies' employment for cause due to a failure to perform her material duties under the agreement, Ms. Davies will be entitled to receive: (i) her accrued base salary through the date of termination; (ii) the continuation of her base salary for a period of two years from the date of termination; and (iii) other

Table of Contents

employee benefits to which she was entitled at the time of her termination in accordance with the terms of the plans and programs of Aon. If Aon terminates Ms. Davies' employment for cause as set forth in her employment agreement (other than as provided in the immediately preceding sentence), Ms. Davies will receive: (i) her accrued base salary through her date of termination; and (ii) other employee benefits to which she was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Aon terminates Ms. Davies' employment for any reason, other than for cause, or other than due to death or disability, Aon must give Ms. Davies 365 days prior written notice of termination, and she will be entitled to the following: (i) for the period of time beginning with Aon's delivery of notice of termination to Ms. Davies and extending through the date of termination: (A) Aon will continue to pay her salary at the rate in effect on the date of delivery of notice of termination; (B) Ms. Davies will remain eligible for annual bonuses determined in accordance with the terms of the senior management incentive plan; (C) Ms. Davies will continue to be entitled to all employee benefits; and (D) Ms. Davies will continue to vest in and be eligible to earn long-term incentive awards; (ii) on the termination date, Ms. Davies shall receive a lump sum cash payment equal to any accrued but unpaid base salary; any unpaid annual or long-term bonus earned for the completed year prior to such date; and an amount equal to her target full-year annual incentive award based on her base salary and target annual award percentage (or value, as applicable) as determined under the senior management incentive plan in effect for the bonus year in which the notice of termination is given; and (iii) for two years, provided that Ms. Davies complies with the non-competition, non-solicitation and confidentiality provisions of the employment agreement, the continuation of base salary at the rate in effect on the date notice of termination is given.

If Ms. Davies voluntarily terminates her employment for any reason (other than good reason), Ms. Davies must give Aon ninety (90) days prior written notice and will receive: (i) her accrued base salary through her date of termination; and (ii) other employee benefits to which she was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Ms. Davies voluntarily terminates her employment for good reason (as defined in the agreement), Ms. Davies must give Aon thirty (30) days prior written notice and Ms. Davies will receive the benefits outlined in the last sentence of the immediately preceding paragraph, with the date of the delivery by Ms. Davies to Aon of notice of termination deemed to be the date of the notice of termination, and the date specified in such notice as Ms. Davies' last day of employment with Aon as the termination date.

In addition, if Ms. Davies is terminated without cause, or if she voluntarily terminates her employment for good reason (as defined in the agreement), the stock awards and stock options granted to Ms. Davies pursuant to the employment agreement will immediately vest as of the date of termination.

Non-competition and non-solicitation covenants apply to Ms. Davies for a period of two years following the termination of her employment without regard to the reason for such termination.

Mr. McGill's Employment Agreement

Mr. McGill's employment agreement provides that, in the event of Mr. McGill's death during the term of the agreement, his estate will receive (i) within sixty (60) days following his death, an amount equal to Mr. McGill's base salary at the date of death through November 18, 2015, reduced by the amount of any benefits paid under any life insurance policy maintained by Aon for his benefit; and (ii) a pro rata bonus for the year in which his death occurred equal to the total value of the bonus paid to Mr. McGill for the year prior to the year of death multiplied by a ratio equal to the number of days Mr. McGill was employed during the year of death divided by 365. In the event of Aon's termination of Mr. McGill's employment by reason of a disability termination (as defined in the agreement), he will receive: (i) within sixty (60) days following the date of termination, an amount equal to Mr. McGill's base salary at the date of termination through November 18, 2015, reduced by the amount of any projected benefits paid under any disability insurance policy maintained by Aon for his benefit and (ii) a pro rata bonus for the year in which the termination of employment occurs equal to the total value of the bonus paid to Mr. McGill for the year prior to the year of termination multiplied by a ratio equal to the number of days Mr. McGill was employed during the year of termination divided by 365.

Table of Contents

If Aon terminates Mr. McGill's employment for cause as set forth in his employment agreement, Mr. McGill will receive: (i) his accrued base salary through his date of termination; and (ii) other employee benefits to which he was entitled at the time of termination. If Aon terminates Mr. McGill's employment for any reason, other than for cause, or due to death or disability, Aon must give Mr. McGill 365 days prior written notice of termination, and he will be entitled to receive: (i) all accrued base salary and benefits as of the notice date; (ii) during such twelve-month notice period his base salary at the rate in effect as of the notice date through his date of termination; (iii) a cash payment payable on the termination date in an amount equal to Mr. McGill's base salary as of the notice date and (iv) during such twelve-month notice period and thereafter, as applicable, other employee benefits to which he would be entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Mr. McGill voluntarily terminates his employment for good reason (as defined in the agreement), he must give Aon no less than ninety (90) days, but no more than 365 days advance notice and will be entitled to receive the payments and benefits set forth in items (i) through (iv) of the immediately preceding sentence. If Mr. McGill voluntarily terminates his employment for any reason (other than for good reason), he will only receive: (i) his accrued base salary through his date of termination; and (ii) other employee benefits to which he was entitled at the time of termination.

Non-competition and non-solicitation covenants apply to Mr. McGill for a period of two years following the termination of his employment without regard to the reason for such termination.

Ms. Savacool's Employment Agreement

Ms. Savacool's employment agreement provides that, in the event of Ms. Savacool's death during the term of the agreement, her estate will receive an amount equal to Ms. Savacool's base salary at the date of death through September 30, 2015, reduced by the amount of any benefits paid under any life insurance policy maintained by Aon for her benefit. In the event of Aon's termination of Ms. Savacool's employment by reason of total disability, she will receive (i) an amount equal to her base salary at the date of termination through September 30, 2015, reduced by the amount of any benefits paid under any disability insurance policy maintained by Aon for his benefit; and (ii) a pro rata bonus for the year in which such disability occurs equal to the total value of the bonus paid to her for the prior year.

If Aon terminates Ms. Savacool's employment for cause as set forth in her employment agreement, Ms. Savacool will receive: (i) her accrued base salary through her date of termination; and (ii) other employee benefits to which she was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Aon terminates Ms. Savacool's employment for any reason, other than for cause, or due to death or disability, Aon must give Ms. Savacool 365 days prior written notice of termination, and she will be entitled to receive: (i) all accrued base salary and benefits as of the date of termination; (ii) a pro rata bonus payable on the termination date in an amount equal to Ms. Savacool's bonus equal to the bonus received by Ms. Savacool for the prior year; and (iii) the vesting of all outstanding restricted stock units. If Ms. Savacool voluntarily terminates her employment for good reason (as defined in the agreement), the agreement will terminate on the 365th day following receipt of written notice of good reason, and she will be entitled to receive the payments and benefits set forth in items (i) through (iii) of the immediately preceding sentence. If Ms. Savacool voluntarily terminates her employment for any reason (other than for good reason), she will only receive: (i) her accrued base salary through her date of termination; and (ii) other employee benefits to which she was entitled at the time of termination in accordance with the terms of the plans and programs of Aon.

Non-competition and non-solicitation covenants apply to Ms. Savacool for a period of two years following the termination of her employment without regard to the reason for such termination.

Mr. Besio's Employment Agreement

Mr. Besio's employment agreement, as amended, provides that, in the event of Mr. Besio's death or total disability during the term of the agreement, the agreement will terminate and Mr. Besio is not entitled to continued compensation, but may be entitled to employee benefits to which he was entitled at the time of termination. If Aon terminates Mr. Besio's employment for cause as set forth in his employment agreement, Mr. Besio will receive: (i) his accrued base salary through his date of termination; and (ii) other employee benefits to which he was entitled at the time of termination in accordance with the terms of the plans and programs of Aon. If Aon terminates Mr. Besio's employment for any reason, other than for cause, or other than due to death or disability, Aon must give Mr. Besio 365 days' prior written notice of termination, and he will be entitled to receive: (i) all accrued base salary and benefits as of the notice date; (ii) his base salary at the rate in effect as of the notice date through his date of termination; and (iii) a cash payment payable on the termination date in an amount equal to Mr. Besio's base salary as of the notice date. If Mr. Besio voluntarily terminates his employment for good reason (as defined in the agreement), he must give Aon 90 days' prior written notice and will be entitled to receive the payments and benefits set forth in items (i) through (iii) of the immediately preceding sentence.

Non-competition and non-solicitation covenants apply to Mr. Besio for a period of two years following the termination of his employment without regard to the reason for such termination.

Termination and Change-in-Control Tables

The tables below outline the potential payments to the named executive officers upon the occurrence of various termination events, including, without limitation, a termination upon a change-in-control of Aon. The following assumptions apply with respect to the tables below and any termination of employment of a named executive officer:

The amounts shown in the table assume that the employment of each named executive officer was terminated on December 31, 2012, and that the price per Ordinary Share is \$55.61 per share, the closing market price per share on December 31, 2012. Accordingly, the tables set forth amounts earned as of December 31, 2012 and include estimates of amounts that would be paid to the named executive officer upon the occurrence of a termination event.

Each named executive officer is entitled to receive amounts earned during the term of his or her employment regardless of the manner of termination. These amounts include accrued base salary, accrued vacation time and other employee benefits to which the named executive officer was entitled on the date of termination, and are not shown in the tables below.

For purposes of the tables below, the specific definitions of (i) "good reason" applicable to the column entitled "Voluntary Termination by Executive for Good Reason," (ii) "cause" applicable to the column entitled "Involuntary Termination For Cause," and (iii) "without cause" or "not for cause" applicable to the column entitled "Involuntary Termination Without Cause" for each of the named executive officers can be found, to the extent applicable, in their respective employment agreements. In addition, the specific definitions of "qualifying termination" applicable to the column entitled "Qualifying Termination Change-in-Control" can be found in the Tier 1 Agreements entered into with each of the named executive officers.

No named executive officer held unvested stock options as of December 31, 2012.

Leadership Performance Program

The various cycles of the Leadership Performance Program were adopted as sub-plans of the Stock Plan to unite senior leaders of Aon around the common objectives of growing value, driving and motivating

Table of Contents

performance, and aligning senior executives with the overall success of Aon. LPP 5 was effective January 1, 2010, and covers the performance period beginning January 1, 2010 and ending December 31, 2012. LPP 6 was effective January 1, 2011, and covers the performance period beginning January 1, 2011 and ending December 31, 2013. LPP 7 was effective January 1, 2012, and covers the performance period beginning January 1, 2012 and ending December 31, 2014. Each named executive officer other than Ms. Savacool received a performance award under each of LPP 5, LPP 6 and LPP 7. Ms. Savacool joined Aon in 2010, and as a result received an award under LPP 6 and LPP 7. For purposes of the tables below, performance share units granted pursuant to LPP 5, LPP 6 and LPP 7 will be treated as follows upon the occurrence of various termination events:

For grants of performance share units under each of LPP 5, LPP 6 and LPP 7, under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause," participation in the LPP is cancelled retroactively back to the beginning of the performance period and performance share units will be forfeited in their entirety. For Ms. Savacool, for her grant under LPP 6, under the terms of her employment agreement, under "Voluntary Termination by Executive Without Good Reason," a pro-rated amount of the outstanding performance share units convert to Ordinary Shares at the end of the performance period based on the cumulative growth achieved during Ms. Savacool's employment during the performance period as a proportion of the total achieved over the performance period. The growth achieved during Ms. Savacool's employment will be measured as of the last full calendar quarter preceding her termination date.

For grants of performance share units under LPP 5, under "Death" or "Disability," the outstanding performance share units will immediately convert to Ordinary Shares at the greater of: (a) one hundred percent (100%) of the target level; or (b) the number of shares that would have resulted from the growth rate achieved during the named executive officer's period of service during the performance period. For grants of performance share units under LPP 6 and LPP 7, under "Death" or "Disability": (i) if death or disability occurs in the first or second calendar years of the performance cycle, the performance share units will become immediately vested at the target award level and convert to Ordinary Shares as soon as administratively feasible following such death or disability; and (ii) if death or disability occurs in the third calendar year of the performance cycle, the performance share units will become vested at the greater of: (a) the target award level; or (b) the number of units earned based on the actual achievement of cumulative earnings for the entire performance cycle.

For grants of performance share units under LPP 5, LPP 6 and LPP 7, under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," a pro-rated amount of the outstanding performance share units convert to Ordinary Shares at the end of the performance period based on the cumulative growth achieved during the named executive officer's employment during the performance period as a proportion of the total achieved over the performance period. For purposes of the calculation set forth in the preceding sentence only, the growth achieved during the named executive officer's employment will be measured as of the last full calendar quarter preceding the termination date.

For grants of performance share units under the LPP 5, LPP 6 and LPP 7, under "Qualifying Termination Change-in-Control," the outstanding performance share units convert to Ordinary Shares as follows: (a) if the named executive officer's employment is terminated without cause following a change-in-control but prior to the end of the performance period, the conversion occurs at the greater of: (i) one hundred percent (100%) of the target level; or (ii) the number of shares that would have resulted from the growth rate achieved during the named executive officer's period of service during the performance period, measured as of the last full calendar quarter preceding the termination date; and (b) in the event of a termination for cause, voluntary termination, death or disability, or if the named executive officer's employment continues through the end of the performance period, the treatment of performance share units described elsewhere in this section shall apply as if a change-in-control

Table of Contents

did not occur. In addition, amounts calculated using the methodology as described in this paragraph represent, for all grants under LPP 5, LPP 6 and LPP 7, the payout of a pro-rated amount of the outstanding performance share units at current performance levels. For grants of performance share units under LPP 5, LPP 6 and LPP 7, in the event of a change-in-control, without a qualifying termination, where the successor entity does not assume and continue the respective LPP, the outstanding performance share units will immediately convert to Ordinary Shares at the greater of: (a) one hundred percent (100%) of the target level; or (b) the number of shares that would have resulted from the growth rate achieved during the performance period measured as of the last full calendar quarter preceding the consummation of the change-in-control.

Aon Hewitt Performance Program

The Aon Hewitt Performance Program was adopted as a sub-plan of the Stock Plan effective January 1, 2011 to provide a unifying and motivating long-term wealth-building program for the key members of the leadership team of Aon Hewitt, which conducts Aon's human capital operations. The AHPP covers the performance period beginning January 1, 2011 and ending December 31, 2013. Ms. Savacool and Mr. Besio received grants under the AHPP on March 17, 2011. No other named executive officer is a participant in this performance program. For purposes of the tables below, performance share units granted pursuant to the AHPP will be treated as follows upon the occurrence of various termination events:

For grants of performance share units under the AHPP, under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," the outstanding performance share units convert to Ordinary Shares at the end of the performance period based on the actual achievement of the target cumulative segment pre-tax income for the performance cycle, with the results pro-rated as of the last full calendar quarter preceding the termination date (which includes an additional year of service credit).

For grants of performance share units under the AHPP, under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause," participation in the AHPP is cancelled retroactively back to the beginning of the performance period and performance share units will be forfeited in their entirety; except that, for Ms. Savacool, the performance share units will be forfeited only in the case of an "Involuntary Termination for Cause." For Ms. Savacool, for her grant under AHPP, under the terms of her employment agreement, under "Voluntary Termination by Executive Without Good Reason," a pro-rated amount of the outstanding performance share units convert to Ordinary Shares at the end of the performance period based on the cumulative growth achieved during Ms. Savacool's employment during the performance period as a proportion of the total achieved over the performance period. The growth achieved during Ms. Savacool's employment will be measured as of the last full calendar quarter preceding her termination date.

For grants of performance share units under the AHPP, under "Death" or "Disability": (i) if death or disability occurs in the first or second calendar years of the performance cycle, the performance share units will become immediately vested at the target award level and convert to Ordinary Shares as soon as administratively feasible following such death or disability; and (ii) if death or disability occurs in the third calendar year of the performance cycle, the performance share units will become vested at the greater of: (a) the target award level; or (b) the number of units earned based on the actual achievement of the cumulative segment pre-tax income for the entire performance cycle.

For grants of performance share units under the AHPP, under "Qualifying Termination Change-in-Control," the outstanding performance share units convert to Ordinary Shares as follows: (a) if the named executive officer's employment is terminated without cause following a change-in-control prior to the end of the first year of the performance cycle,

Table of Contents

the conversion occurs at the greater of: (i) fifty percent (50%) of the target level; or (ii) the number of Ordinary Shares that would have been earned based on the proportion of achievement of the target cumulative segment pre-tax income, measured as of the last full calendar quarter preceding the termination date; and (b) in the event of a termination for cause, voluntary termination, death or disability, or if the named executive officer's employment continues through the end of the performance period, the treatment described above with respect to the AHPP shall apply to the performance share units as if a change-in-control did not occur. For grants under the AHPP, in the event of a change-in-control, without a qualifying termination, where the successor entity does not assume and continue the AHPP, the outstanding performance share units will immediately convert to Ordinary Shares at the greater of: (i) one hundred percent (100%) of the target level; or (iii) the number of shares that would have been earned based on the proportion of achievement of the target cumulative segment pre-tax income measured as of the last full calendar quarter preceding the consummation of the change-in-control.

- (1) Represents a voluntary termination by Mr. Case due to: (a) the assignment to Mr. Case of any duties materially inconsistent with his position, authority, duties or responsibilities contemplated by his employment agreement; (b) Aon's failure to comply with the provisions of his employment agreement regarding compensation; (c) Aon's requirement that Mr. Case's principal office be located more than fifty (50) miles outside of the greater Chicago metropolitan area (other than as set forth in his international assignment letter); or (d) any other material breach by Aon of his employment agreement. Other than as provided in the preceding sentence, any other voluntary termination by Mr. Case shall constitute "Voluntary Termination by Executive Without Good Reason."
- (2) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Mr. Case would receive the maximum benefits possible pursuant to the terms of his Tier 1 Agreement as described in the section above entitled "Severance Agreements." Pursuant to the terms of Mr. Case's severance agreement, Aon is not obligated to provide a gross-up payment to Mr. Case in connection with any excise taxes imposed by Section 4999 of the Code. In addition, Mr. Case's severance agreement provides that Mr. Case's cash and non-equity award payments shall be capped at the "safe harbor" amount under Section 280G of the Code, such that the cash and non-equity award payments are not deemed to be "excess parachute payments" within the meaning of Section 280G of the Code. The amount set forth above reflects the application of such cap.
- (3) Severance is calculated as two times the sum of base salary and target annual incentive bonus for "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," and as three times base salary and target annual incentive bonus for "Qualifying Termination Change-in-Control." For additional information regarding the payments and benefits to Mr. Case upon a "Qualifying Termination Change-in-Control," please see the discussion set forth above in this section under the heading "Severance Agreements."
- (4) For "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause," the annual incentive bonus is the pro rata amount earned for 2012. For "Death" and "Disability," the annual incentive bonus is calculated based upon target annual incentive bonus. For "Qualifying Termination Change-in-Control," the annual incentive bonus is generally calculated based upon the named executive officer's average annual cash incentive for the preceding three years. As Aon considers the annual incentive bonus to be "reasonable" compensation, under Section 280G of the Code, it is not included in Mr. Case's Change-in-Control calculations for purposes of determining the payments subject to Section 280G of the Code.
- (5) Under "Voluntary Termination by Executive Without Good Reason" and "Involuntary Termination For Cause" the vesting of all outstanding unvested restricted stock unit awards ceases upon the date of the employment termination and all unvested awards are forfeited. Under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause" all outstanding unvested restricted stock unit awards granted pursuant to the ISP continue to vest in accordance with their original vesting schedules. Under "Death" and "Disability," all outstanding unvested RSUs granted pursuant to the ISP vest immediately. Under "Qualifying Termination Change-in-Control," all outstanding unvested restricted stock unit awards become fully vested.

- (7) Continuation of Health & Welfare Benefits is calculated for twenty-four (24) months under "Voluntary Termination by Executive for Good Reason" and "Involuntary Termination Without Cause."
- (8) Represents an additional benefit pursuant to the terms of his employment agreement payable upon Mr. Case's death in excess of the amount generally available to Aon's employees.

- (1) Represents a voluntary termination by Ms. Davies due to: (a) the assignment to Ms. Davies of any duties materially inconsistent with her position, authority, duties or responsibilities contemplated by her employment agreement; (b) Aon's failure to comply with the provisions of her employment agreement regarding compensation; or (c) any other material breach by Aon of her employment agreement. Other than as provided in the preceding sentence, any other voluntary termination by Ms. Davies shall constitute "Voluntary Termination by Executive Without Good Reason."
- (2) Represents a termination for any failure (other than physical or mental disability) of Ms. Davies to perform her material duties under her employment agreement.
- (3) Represents any termination for "Cause" as defined in Ms. Davies' employment agreement, other than as provided in footnote (2) above.
- (4) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Ms. Davies would receive the maximum benefits possible pursuant to the terms of her Tier 1 Agreement as described in the section entitled "Severance Agreements."
- (5) Severance is calculated as: (a) the continuation of base salary from the date of delivery of 30 days advance written notice of termination plus the continuation of base salary from the termination date through the end of her employment agreement plus target annual incentive bonus for "Voluntary Termination by Executive For Good Reason," (b) the continuation of base salary from the date of delivery of written notice of termination through the one year notice period plus the continuation of base salary from the termination date for one year plus target annual incentive bonus for "Involuntary Termination Without Cause" and (c) two times base salary plus average incentive compensation for the preceding two years for "Qualifying Termination Change-in-Control." For "Death" and "Disability," severance is calculated as a pro-rata amount of base salary from the date of death or disability through the end of the employment period, reduced by the amount of any benefit paid under any individual or group life insurance policy or any disability policy maintained by Aon for the benefit of Ms. Davies. For "Involuntary Termination For Cause (Performance)," severance is calculated as the continuation of base salary for a period of two years from the date of termination of employment.
- (6) For "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause," the annual incentive bonus is calculated at Ms. Davies's target full-year annual bonus. For "Qualifying Termination Change-in-Control," the annual incentive bonus is generally calculated based upon the named executive officer's average annual cash incentive for the preceding three years.
- (7) Under "Voluntary Termination by Executive Without Good Reason," "Involuntary Termination For Cause (Performance)," and "Involuntary Termination For Cause (all others)," the vesting of all outstanding restricted stock award unit awards ceases upon the date of the employment termination and all unvested awards are forfeited. Under "Voluntary Termination by Executive For Good Reason" (a) all outstanding unvested restricted stock unit awards granted pursuant to Ms. Davies' employment agreement immediately vest; and (b) all outstanding unvested restricted stock unit awards granted pursuant to the ISP continue to vest over the course of one additional year. Under "Involuntary Termination Without Cause" all outstanding unvested restricted stock unit awards granted pursuant to the ISP continue to vest in accordance with their original vesting schedules. Under "Death" and "Disability," all outstanding unvested restricted stock unit awards become fully vested as of the date of termination. Under "Qualifying Termination Change-in-Control," all outstanding unvested restricted stock unit awards become fully vested.

The amounts in this row reflect an additional year of performance credit that will accrue to Ms. Davies during the notice period in the event of "Voluntary Termination by Executive For Good Reason," or "Involuntary Termination Without Cause." For information regarding the treatment of performance share units granted under LPP 5, LPP 6 and LPP 7, please see the discussion set forth above in this section under the heading "Termination and Change-in-Control Tables Leadership Performance Program."

- (1) Represents a voluntary termination by Mr. McGill due to any of the following remaining uncured by Aon for twenty (20) days after notice is delivered: (a) a substantial adverse alteration in the then-current responsibilities of Mr. McGill; (b) any material breach of the employment agreement by Aon, including any purported termination of Mr. McGill's employment that breaches the employment agreement; or (c) a change by Aon in the location at which Mr. McGill is required to perform his principal duties under the agreement to offices that are not located in the Chicago or New York greater metropolitan areas (other than as set forth in his international assignment letter).
- (2) Represents any termination for "Cause" as defined in Mr. McGill's employment agreement.
- (3) For purposes of this table, under a "Qualifying Termination Change-in-Control" we have assumed that Mr. McGill would receive the maximum benefits possible pursuant to the terms of his Tier 1 Agreement as described in the section entitled "Severance Agreements." Pursuant to the terms of Mr. McGill's severance agreement, Aon is not obligated to provide a gross-up payment to Mr. McGill in connection with any excise taxes imposed by Section 4999 of the Code. In addition, Mr. McGill's severance agreement provides that Mr. McGill's cash and non-equity award payments shall be capped at the greater of: (a) the "safe harbor" amount under Section 280G of the Code, such that the payments and benefits are not deemed to be "excess parachute payments" or (b) the amount of payments and benefits that would otherwise be provided under the agreement so long as the payments and benefits outweigh the tax consequences to Mr. McGill of receipt thereof. The amounts set forth above were reduced as a result of this cap.
- (4) Severance is calculated as: (a) the continuation of base salary for one year from the date of delivery of written notice of termination plus a cash payment equal to Mr. McGill's annual base salary as of the notice date for "Voluntary Termination by Executive For Good Reason" and "Involuntary Termination Without Cause," and (b) two times base salary plus average incentive compensation for the preceding two years for "Qualifying Termination Change-in-Control"; subject to any reduction in payments as described in note 3 of this table relating to Section 280G of the Code. For "Death," severance is calculated as a pro-rata amount of base salary from the date of death through the end of the employment period plus the amount of any benefit paid under any individual or group life insurance policy maintained by Aon for the benefit of Mr. McGill, plus a pro rata bonus for the year in which such termination of employment occurs equal to the total value of the bonus paid to Mr. McGill for the year prior to the year of termination. For "Disability," severance is calculated as a pro-rata amount of base salary from the date of disability through the end of the employment period less the amount of any benefit paid under any disability policy maintained by Aon for the benefit of Mr. McGill, plus a pro rata bonus for the year in which such termination of employment occurs equal to the total value of the bonus paid to Mr. McGill for the year prior to the year of termination.
- (5) For "Qualifying Termination Change-in-Control," the annual incentive bonus is generally calculated based upon the named executive officer's average annual cash incentive for the preceding three years.
- (6) Under "Voluntary Termination by Executive without Good Reason" and "Involuntary Termination For Cause"
