When used in this Proxy Statement, the terms the "Company," "we," "us," "our" and "Jaguar" refer to Jaguar Health, Inc.

Accordingly, we have enclosed our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the "Annual Report"), which we expect to be filed on or about April 10, 2019, with this Proxy Statement, and we will also provide copies of such documents to brokers, dealers, banks, voting trustees and their nominees for the benefit of their beneficial owners of record. GENERAL INFORMATION ABOUT VOTING

Record Date

As of March 27, 2019, the record date for the Annual Meeting (the "Record Date"), 59,415,042 shares of our voting common stock, par value \$0.0001 per share (the "Common Stock"), and 5,524,926 shares of our Series A Convertible Participating Preferred Stock, par value \$0.0001 per share (the "Preferred Stock"), were issued and outstanding. Only holders of record of our Common Stock and our Preferred Stock as of the close of business on the record date are entitled to notice of, and to vote at, the Annual Meeting or at any adjournment or postponement thereof. A list of such holders will be open to the examination of any stockholder for any purpose germane to the meeting at Jaguar

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

Health, Inc., 201 Mission Street, Suite 2375, San Francisco, CA 94105 for a period of ten (10) days prior to the Annual Meeting. The list of stockholders will also be available for such examination at the Annual Meeting. In addition, as of March 27, 2019, 40,301,237 shares of our non-voting common stock were outstanding, but these shares will have no voting rights with respect to any of the proposals being considered at the Annual Meeting. Each share of non-voting common stock is convertible into one-fifteenth (1/15th) of a share of Common Stock at the election of the holder thereof or automatically upon transfer to anyone that is not Nantucket Investments Limited or an affiliated investment fund. The use of the capitalized term "Common Stock" in this Proxy Statement and related materials refers only to the Company's voting common stock and does not include the Company's convertible non-voting common stock.

Voting, Quorum and Revocability of Proxies

Each share of Common Stock entitles the holder of record thereof to one vote. Each share of Preferred Stock entitles the holder of record thereof to 0.574 votes (on an as converted to Common Stock basis, calculated assuming that the conversion price for the Preferred Stock for this purpose only is \$2.9025 (subject to appropriate adjustment in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization) as a result of limitations imposed by Nasdaq Listing Rule 5640 (the "Nasdaq Voting Limitations'')) (as provided in the Certificate of Designation of the Series A Convertible Participating Preferred Stock (as amended, the "Certificate of Designation")). No other securities are entitled to be voted at the Annual Meeting. Each stockholder holding Common Stock or Preferred Stock may vote in person or by proxy on all matters that properly come before the Annual Meeting and any adjournment or postponement thereof (except as otherwise described below).

Stockholders have no right to cumulative voting as to any matter, including the election of directors.

The presence, in person or by proxy, of stockholders entitled to vote a majority of the shares of Common Stock and Preferred Stock (on an as converted to Common Stock basis subject to the Nasdaq Voting Limitations) outstanding on the Record Date will constitute a quorum for purposes of voting at the Annual Meeting. Properly executed proxies marked "ABSTAIN" or "WITHHOLD AUTHORITY," as well as broker non-votes, will be counted as "present" for purposes of determining the existence of a quorum. If a quorum should not be present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

Our board of directors is soliciting proxies for use in connection with the Annual Meeting and any postponement or adjournment thereof. If you vote your shares via the Internet or by telephone or execute and return the proxy card or voting instruction form accompanying this Proxy Statement, your shares will be voted as you direct on all matters properly coming before the Annual Meeting for a vote. For Proposals 1, 2, 3, 4, 5, 6, and 7, you may vote "FOR," "AGAINST" or "ABSTAIN."

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A. (the "Transfer Agent"), you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your proxy directly to the Company or to vote your shares in person at the Annual Meeting. If you hold your shares in a stock brokerage account or through a bank or other financial intermediary, you are considered the beneficial owner of shares held in street name. Your bank, broker or other financial intermediary is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your bank, broker or other financial intermediary on how to vote your shares, but because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. As a beneficial owner, you are, however, welcome to attend the Annual Meeting.

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy as described in the proxy card or voting instruction form, so that your vote will be counted if you later decide not to attend the Annual Meeting. Submitting your proxy now will not prevent you from voting your shares in person by written ballot at the Annual Meeting if you desire to do so, as your proxy is revocable at your option.

You may revoke your proxy by (a) delivering to the Secretary of the Company at or before the Annual Meeting a written notice of revocation bearing a later date than the proxy, (b) duly executing a subsequent proxy and delivering it to the Secretary of the Company at or before the Annual Meeting or (c) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered at or prior to the Annual Meeting to: Jaguar Health, Inc., 201 Mission Street, Suite 2375, San Francisco, CA 94105, Attention: Karen S. Wright. Beneficial owners of our Common Stock who are not holders of record and wish to revoke their proxy should contact their bank, brokerage firm or other custodian, nominee or fiduciary to inquire about how to revoke their proxy.

The shares represented by all valid proxies received will be voted in the manner specified. Where specific choices are not indicated on a validly executed and delivered proxy, the shares represented by such proxy will be voted: (i) "FOR" the nominees for director named in this Proxy Statement, (ii) "FOR" the approval of the amendment to the Company's Third Amended and Restated Certificate of Incorporation (the "COI") to effect a reverse stock split of the Company's issued and outstanding Common Stock at a ratio of not less than 1-for-30 and not greater than 1-for-70, with the exact ratio, if approved and effected at all, to be set within that range at the discretion of the Company's board of directors and publicly announced by the Company on or before November 3, 2019 without further approval or authorization of the Company's stockholders (the "Reverse Stock Split"), (iii) "FOR" the approval of an amendment to the Company's 2014 Stock Incentive Plan (the "2014 Plan") to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan such that the aggregate authorized but unissued shares under the 2014 Plan shall equal 12.5% of the issued and outstanding shares of Common Stock on a fully diluted basis calculated as of the earlier of (A) the day immediately after the consummation of the Company's next underwritten public equity offering with gross proceeds of \$5 million or more or (B) July 31, 2019 (collectively, the "Calculation Date"), contingent upon the Reverse Stock Split being approved and effected in accordance with Proposal 2 on, or prior to, the Calculation Date, (iv) "FOR" the approval, for purposes of Nasdaq Rule 5635(d), of the issuance of shares of Common Stock upon the exchange of promissory notes and exercise of warrants in one or more private placement transactions that may equal or exceed 19.99% of Common Stock outstanding before such offering, (v) "FOR" the approval, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon the exercise of a warrant issued in connection with the cancellation of a letter of credit that may equal or exceed 19.99% of Common Stock outstanding before such transaction, (vi) "FOR" the approval, for purposes of Nasdaq Rule 5635(d), of the issuance of up to 40,000,000 shares of Common Stock that may be issued at the Company's discretion from time to time to Oasis Capital, LLC ("Oasis Capital") under an equity line to be entered into between the Company and Oasis Capital, and (vii) "FOR" the approval of discretionary authority to adjourn the Annual Meeting, if necessary, to solicit additional proxies in the event that there are not sufficient votes at the time of the Annual Meeting to approve Proposals 1-6.

We will bear all expenses of this solicitation, including the cost of preparing and mailing this Proxy Statement. We have retained Geogeson LLC to solicit proxies for a fee of \$20,000 plus reimbursement of reasonable out-of-pocket expenses. In addition to solicitation by use of the mail, proxies may be solicited by telephone, facsimile or personally by our directors, officers and employees, who will receive no extra compensation for their services. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy soliciting materials to beneficial owners of shares of Common Stock.

Broker Voting

Brokers holding shares of record in "street name" for a client have the discretionary authority to vote on some matters (routine matters) if they do not receive instructions from the client regarding how the client wants the shares voted at least 10 days before the date of the meeting; provided the proxy materials are transmitted to the client at least 15 days before the meeting. There are also some matters with respect to which brokers do not have discretionary authority to vote (non-routine matters) if they do not receive timely instructions from the client. When a broker does not have discretion to vote on a particular matter and the client has not given timely instructions on how the broker should vote, a broker non-vote results. Any broker non-vote will be counted as present at the Annual Meeting for purposes of determining a quorum, but will be treated as not entitled to vote with respect to non-routine matters.

The proposal to approve the amendment to the COI to effect the Reverse Stock Split (Proposal 2), and the proposal to approve discretionary authority for the Company to adjourn the Annual Meeting, if necessary, to solicit additional proxies in the event there are not sufficient votes at the time of the Annual Meeting to approve Proposals 1 through 6 (Proposal 7) are considered routine matters and brokers will be permitted to vote in their discretion on these matters on behalf of clients who have not furnished voting instructions at least 10 days before the date of the Annual Meeting. In contrast, the proposal to elect directors (Proposal 1), the proposal to approve an increase in the number of shares of Common Stock authorized for issuance under the 2014 Plan, contingent upon the Reverse Stock Split being approved and effected (Proposal 3), the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon the exchange of promissory notes and exercise of warrants issued in one or more private placement transactions that may equal or exceed 19.99% of Common Stock outstanding before such offering (Proposal 4), the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon the exercise of a warrant issued in connection with the cancellation of a letter of credit that may equal or exceed 19.99% of Common Stock outstanding before such transaction (Proposal 5), and the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of up to 40,000,000 shares of Common Stock to Oasis Capital under an equity line (Proposal 6) are not considered "routine" items and brokers do not have discretionary authority to vote on behalf of clients on such matters.

Required Vote

Proposal 1 Election of Class I Directors

With respect to the proposal to elect directors (Proposal 1), you may vote in favor of all nominees, withhold your vote as to all nominees or vote in favor of or withhold your vote as to specific nominees. The vote required to approve Proposal 1 is governed by Delaware law, our COI and our Bylaws and is a plurality of the votes cast by the holders of shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors. Stockholders have no right to cumulative voting as to any matter, including the election of directors.

The Preferred Stock shall not be entitled to vote with respect to Proposal 1.

Proposal 2 Adoption of the Amendment to the COI to effect the Reverse Stock Split

With respect to the proposal to approve the Amendment to the COI to effect the Reverse Stock Split, you may vote in favor of the proposal, vote against the proposal or abstain from voting.

The vote required to approve Proposal 2 is governed by Delaware law, our COI and our Bylaws and is the affirmative vote of the holders of a majority of the outstanding shares of Common Stock and

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

Preferred Stock (on an as converted to Common Stock basis subject to the Nasdaq Voting Limitations) as of the record date, present in person or represented by proxy at the Annual Meeting and entitled to vote, voting together as a single class. As a result, abstentions will have the same practical effect as a vote against Proposal 2.

Proposal 3 Increase the Number of Authorized Shares under the 2014 Plan

With respect to the proposal to approve an amendment to the 2014 Plan to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan such that the aggregate authorized but unissued shares under the 2014 Plan shall equal 12.5% of the issued and outstanding shares of Common Stock on a fully diluted basis calculated as of the earlier of (A) the day immediately after the consummation of the Company's next underwritten public equity offering with gross proceeds of \$5 million or more or (B) July 31, 2019, contingent upon the Reverse Stock Split being approved and effected in accordance with Proposal 2 on, or prior to, the Calculation Date, you may vote in favor of the proposal, vote against the proposal or abstain from voting.

The vote required to approve Proposal 3 is governed by Delaware law, Nasdaq Listing Rules, our COI and our Bylaws and is the affirmative vote of the holders of a majority of votes cast affirmatively or negatively in person or by proxy at the Annual Meeting and entitled to vote. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 3.

Proposal 4 Issuance of Shares of Common Stock Upon Exchange of Promissory Notes and Exercise of Warrants for Purposes of Nasdaq Listing Rule 5635(d)

With respect to the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon the exchange of promissory notes and exercise of warrants in one or more private placement transactions that may equal or exceed 19.99% of Common Stock outstanding before such offering, you may vote in favor of the proposal, vote against the proposal or abstain from voting.

The vote required to approve Proposal 4 is governed by Delaware law, the Nasdaq Listing Rules, our COI and our Bylaws and is the affirmative vote of the holders of a majority of the votes cast affirmatively or negatively in person or by proxy at the Annual Meeting and entitled to vote, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 4.

Proposal 5 Issuance of Shares of Common Stock Upon Exercise of a Warrant for Purposes of Nasdaq Listing Rule 5635(d)

With respect to the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of shares of Common Stock upon the exercise of a warrant issued in connection with the cancellation of a letter of credit that may equal or exceed 19.99% of Common Stock outstanding before such transaction, you may vote in favor of the proposal, vote against the proposal or abstain from voting.

The vote required to approve Proposal 5 is governed by Delaware law, the Nasdaq Listing Rules, our COI and our Bylaws and is the affirmative vote of the holders of a majority of the votes cast affirmatively or negatively in person or by proxy at the Annual Meeting and entitled to vote, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 5.

Proposal 6 Issuance of Shares of Common Stock to Oasis Capital for Purposes of Nasdaq Listing Rule 5635(d)

With respect to the proposal to approve, for purposes of Nasdaq Rule 5635(d), the issuance of up to 40,000,000 shares of Common Stock that may be issued at the Company's discretion from time to time to Oasis Capital under an equity line to be entered into between the Company and Oasis Capital, you may vote in favor of the proposal, vote against the proposal or abstain from voting.

The vote required to approve Proposal 6 is governed by Delaware law, the Nasdaq Listing Rules, our COI and our Bylaws and is the affirmative vote of the holders of a majority of the votes cast affirmatively or negatively in person or by proxy at the Annual Meeting and entitled to vote, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 6.

Proposal 7 Adjournment

With respect to the proposal to grant discretionary authority to adjourn the Annual Meeting, if necessary, to solicit additional proxies in the event that there are not sufficient votes at the time of the Annual Meeting to approve Proposals 1 through 6, you may vote in favor of the proposal, vote against the proposal or abstain from voting. The vote required to approve Proposal 7 is governed by Delaware law, our COI and our Amended and Restated Bylaws and is the affirmative vote of the holders of a majority of votes cast affirmatively or negatively (excluding abstentions and broker non-votes), provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 7.

NO DISSENTERS' RIGHTS

The corporate action described in this Proxy Statement will not afford to stockholders the opportunity to dissent from the actions described herein and receive an agreed or judicially appraised value for their shares of Common Stock.

PROPOSAL 1 ELECTION OF DIRECTORS

Nominees

Our Board of Directors currently consists of eight (8) members, James J. Bochnowski, Lisa A. Conte, Jeffery C. Johnson, Greg J. Divis, John Micek III, Jiahao Qui, Jonathan B. Siegel, and Murray David MacNaughtan, who are divided into three classes with staggered three-year terms. The Board has nominated James J. Bochnowski, Lisa A. Conte and Jonathan B. Siegel for re-election as Class I directors. If elected as a Class I director at the Annual Meeting, each of the nominees will serve and hold office for a three-year term expiring in 2022.

Each of the nominees has consented to continue his/her service as a director if elected. If any of the nominees should be unavailable to serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees (in which event the persons named on the enclosed proxy card will vote the shares represented by all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancies to remain open until a suitable candidate or candidates are located, or by resolution provide for a lesser number of directors or fill the position. All of the nominees for director are, at present, directors of Jaguar and have been nominated by our Nominating and Corporate Governance Committee and ratified by our full Board.

Vote Required

The vote required to approve Proposal 1 is the plurality of the votes cast by the holders of shares of Common Stock represented and entitled to vote at the Annual Meeting, provided a quorum is present and provided further that holders of Preferred Stock are not entitled to vote for Class I directors pursuant to Proposal 1. As a result, in accordance with Delaware law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors. Stockholders have no right to cumulative voting as to any matter, including the election of directors.

The Board of Directors unanimously recommends that the stockholders vote "FOR" Proposal No. 1 to elect James J. Bochnowski, Lisa A. Conte and Jonathan B. Siegel as Class I directors.

PROPOSAL 2 APPROVAL OF THE ADOPTION OF THE AMENDMENT TO THE COI TO EFFECT THE REVERSE STOCK SPLIT

At the Annual Meeting, stockholders will be asked to approve an amendment to our COI to effect a reverse stock split of our issued and outstanding Common Stock by a numerical ratio of not less than 1-for-30 and not more than 1-for-70, with the exact ratio, if approved and effected at all, to be set within that range at the discretion of the board of directors and publicly announced by the Company on or before November 3, 2019. The proposed amendment to the COI reflecting the Reverse Stock Split is included in *Annex A* to this Proxy Statement. By approving this proposal, stockholders would give the board of directors the authority, but not the obligation, to effect the Reverse Stock Split and full discretion to approve the ratio at which shares of Common Stock will be reclassified, from and including a ratio of 1-for-30 and up to and including a ratio of 1-for-70. The ratio (if any) selected by the board of directors for the Reverse Stock Split would be publicly disclosed by the Company to the stockholders on or before the date on which the amendment to the COI reflecting the Reverse Stock Split is filed with the Secretary of State of the State of Delaware.

We are requesting stockholder approval to effect the Reverse Stock Split at a ratio of not less than 1-for-30 and not more than 1-for-70, with the exact ratio determined by the board of directors and publicly announced by the Company on or before November 3, 2019, to provide the board of directors with the flexibility to determine the appropriate ratio and timing for the Reverse Stock Split based upon our performance and other market factors. However, the board of directors reserves the right to elect not to proceed with the Reverse Stock Split, even if approved, and to abandon the Reverse Stock Split if it determines, in its sole discretion, that the Reverse Stock Split is no longer in the best interests of our stockholders. No further action by the stockholders will be required for the board of directors to either implement or abandon the Reverse Stock Split. For the avoidance of doubt, except as otherwise specified herein, all share and dollar amounts set forth in this proxy statement are on a pre-Reverse Stock Split basis.

If the board of directors does not effect the Reverse Stock Split on or before November 3, 2019, any authority granted to the board of directors by our stockholders pursuant to this Proposal 2 will terminate.

Reasons for the Reverse Stock Split

The board of directors has authorized the resolution to seek stockholder approval to effect the Reverse Stock Split with the primary intent of increasing the price of our Common Stock in order to meet The Nasdaq Capital Market's minimum price per share criteria for continued listing on that exchange. Our Common Stock is publicly traded and listed on The Nasdaq Capital Market under the symbol "JAGX." The board of directors believes that, in addition to increasing the price of our Common Stock, the reverse stock split would also reduce certain of our costs, such as Nasdaq listing fees, and make our Common Stock more attractive to a broader range of institutional and other investors. The combination of lower transaction costs and increased interest from institutional investors and investment funds may ultimately improve the trading liquidity of our Common Stock. Accordingly, we believe that authority granted to the board of directors to effect the Reverse Stock Split is in the Company's and the stockholders' best interests.

On November 9, 2018, we received a letter from the Listing Qualifications Department of Nasdaq notifying us that we were not in compliance with Nasdaq Listing Rule 5550(a)(2), as the minimum bid price for the Company's listed securities was less than \$1 for the previous 30 consecutive business days. Our Common Stock is listed on The Nasdaq Capital Market, which imposes, among other requirements a minimum bid requirement. We were granted a 180 calendar day grace period, or until May 8, 2019, to regain compliance with the minimum bid price requirement.

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

In addition to establishing a mechanism for the price of our Common Stock to meet Nasdaq's minimum bid price requirement, we also believe that the Reverse Stock Split will make our Common Stock more attractive to a broader range of institutional and other investors. It is our understanding that the current market price of our Common Stock may affect its acceptability to certain institutional investors, professional investors and other members of the investing public. It is also our understanding that many brokerage houses and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. In addition, some of those policies and practices may function to make the processing of trades in low-priced stocks economically unattractive to brokers. Moreover, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of our Common Stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were substantially higher. However, some investors may view the Reverse Stock Split negatively because it reduces the number of shares of Common Stock available in the public market.

Reducing the number of outstanding shares of our Common Stock through the Reverse Stock Split is intended, absent other factors, to increase the per share market price of our Common Stock. However, other factors, such as our financial results, market conditions and the market perception of our business may adversely affect the market price of our Common Stock. As a result, there can be no assurance that the Reverse Stock Split, if completed, will result in the intended benefits described above, that the market price of our Common Stock will increase following the Reverse Stock Split, that the market price of our Common Stock will not decrease in the future, or that our Common Stock will achieve a high enough price per share to permit its continued listing by Nasdaq.

Certain Risks Associated with the Reverse Stock Split

In evaluating the proposed Reverse Stock Split, the board of directors also took into consideration certain risks associated with reverse stock splits generally, including the negative perception of reverse stock splits held by some investors, analysts and other stock market participants, the fact that the stock price of some companies that have effected reverse stock splits has subsequently declined back to pre-reverse stock split levels, and the risks described below.

There can be no assurance that the total market capitalization of our Common Stock (the aggregate value of our Common Stock at the then market price) after the implementation of the Reverse Stock Split will be equal to or greater than the total market capitalization before the Reverse Stock Split or that the per share market price of our Common Stock following the Reverse Stock Split will increase in proportion to the reduction in the number of shares of our Common Stock outstanding before the Reverse Stock Split.

There can be no assurance that the market price per share of our Common Stock after the Reverse Stock Split will remain unchanged or increase in proportion to the reduction in the number of shares of our Common Stock outstanding before the Reverse Stock Split. For example, based on the closing price of our Common Stock on March 27, 2019, of \$0.282 per share, if the board of directors were to implement the Reverse Stock Split and utilize a ratio of 1-for-45, we cannot assure you that the post-split market price of our Common Stock would be \$12.69 (that is, \$0.282 multiplied by 45) per share or greater. The market price of our Common Stock may fluctuate and potentially decline after the Reverse Stock Split, such as the decline in the market price of our Common Stock that we experienced after our previous reverse stock split effectuated on June 1, 2018.

Accordingly, the total market capitalization of our Common Stock after the Reverse Stock Split when and if approved and effected may be lower than the total market capitalization before the Reverse Stock Split. Moreover, in the future, the market price of our Common Stock following the

Reverse Stock Split may not exceed or remain higher than the market price prior to the Reverse Stock Split.

If the Reverse Stock Split is approved and effected, the resulting per-share market price may not attract institutional investors or investment funds and may not satisfy the investing guidelines of such investors and, consequently, the trading liquidity of our Common Stock may not improve.

While the board of directors believes that a higher stock price may help generate investor interest, there can be no assurance that the Reverse Stock Split will result in a per-share market price that will attract institutional investors or investment funds or that such share price will satisfy the investing guidelines of institutional investors or investment funds. As a result, the trading liquidity of our Common Stock may not necessarily improve.

A decline in the market price of our Common Stock after the Reverse Stock Split is approved and effected may result in a greater percentage decline than would occur in the absence of the Reverse Stock Split.

If the Reverse Stock Split is approved and effected and the market price of our Common Stock declines, the percentage decline may be greater than would occur in the absence of the Reverse Stock Split. The market price of our Common Stock will, however, also be based upon our performance and other factors, which are unrelated to the number of shares of Common Stock outstanding.

Effecting the Reverse Stock Split; Board Discretion to Implement Reverse Stock Split

If approved by stockholders at the Annual Meeting and the board of directors decides that it is in the best interests of the Company and our stockholders to effect the Reverse Stock Split, the board of directors will establish an appropriate ratio for the Reverse Stock Split based on several factors existing at such time, the Company will publicly announce the ratio selected by the board of directors and we will subsequently file an amendment to the COI, in the form of the proposed amendment to COI attached in *Annex A*. The board of directors will consider, among other factors, prevailing market conditions, the likely effect of the Reverse Stock Split on the trading price of our Common Stock and on our compliance with applicable Nasdaq listing requirements, and the marketability and liquidity of our Common Stock. The board of directors will also determine the appropriate timing for filing the amendment to our COI with the Secretary of State of the State of Delaware to effect the Reverse Stock Split. If, for any reason, the board of directors deems it advisable, the board of directors in its sole discretion, may abandon the Reverse Stock Split at any time prior to the effectiveness of the amendment to our COI, without further action by our stockholders. Assuming the board of directors determines that it is in the best interests of the Company and our stockholders to proceed with the Reverse Stock Split, the Reverse Stock Split will be effective as of the date and time set forth in the amendment to our COI that is filed with the Secretary of State of the State of Delaware (the "Effective Time").

At the Effective Time, without any further action on the part of the Company or our stockholders, the outstanding shares of Common Stock held by stockholders of record as of the Effective Time will be converted into a lesser number of shares of Common Stock based on the ratio selected by the board of directors and publicly announce by the Company. For example, if the board of directors approves a ratio of 1-for-45, a stockholder who holds 4,500 shares of Common Stock as of the Effective Time will hold 100 shares of Common Stock following the Reverse Stock Split.

Effect on Outstanding Shares, Options, and Certain Other Securities

If the Reverse Stock Split is approved and effected, the number of shares of our Common Stock owned by each stockholder will be reduced in the same proportion as the reduction in the total number of shares outstanding, such that the percentage of our Common Stock owned by each stockholder will remain unchanged, except for any de minimis change resulting from the treatment of any fractional

shares that such stockholder would have received as a result of the Reverse Stock Split. The number of shares of Common Stock that may be received upon conversion, exercise or exchange, as the case may be, of outstanding options or other securities convertible into, or exercisable or exchangeable for, shares of our Common Stock, and the exercise or conversion prices for these securities, will also be adjusted in accordance with their terms, as of the Effective Time.

Effect on Registration and Stock Trading

Our Common Stock is currently registered under Section 12(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and we are subject to the periodic reporting and other requirements of the Exchange Act. The proposed Reverse Stock Split will not affect the registration of our Common Stock under the Exchange Act. If the Reverse Stock Split is approved and effected, our Common Stock will receive a new CUSIP number.

Mechanics of Reverse Split

If this Proposal 2 is approved by the stockholders at the Annual Meeting and the board of directors decides that it is in the best interests of the Company and our stockholders to effect the Reverse Stock Split, our stockholders will be notified of the ratio for the Reverse Stock Split selected by the board of directors and that the Reverse Stock Split has been approved and effected. The mechanics of the Reverse Stock Split will differ depending upon whether a stockholder holds its shares of Common Stock in brokerage accounts or "street name" or whether the shares are registered directly in a stockholder's name and held in book-entry form or certificate form.

Our stockholders who hold shares of Common Stock in "street name" through a nominee (such as a bank or broker) will be treated in the same manner as stockholders whose shares are registered in their names, and nominees will be instructed to effect the Reverse Stock Split for their beneficial holders. However, nominees may have different procedures for processing the reverse stock split and stockholders holding shares in "street name" are encouraged to contact their nominees.

Our registered stockholders may hold some or all of their shares of Common Stock electronically in book-entry form under the direct registration system for securities. These stockholders will not have stock certificates evidencing their ownership of our Common Stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts. Stockholders holding registered shares of our Common Stock in book-entry form need not take any action to receive post-Reverse Stock Split shares as a transaction statement will automatically be sent to the stockholder's address of record indicating the number of shares held.

Some of our registered stockholders hold all their shares of Common Stock in certificate form or a combination of certificate and book-entry form. Stockholders holding shares of Common Stock in certificate form will receive a transmittal letter from the Transfer Agent as soon as practicable after the Effective Date of the Reverse Stock Split. The letter of transmittal will contain instructions for the surrender of stock certificates received prior to the Effective Time (the "Old Certificates") to the Transfer Agent in exchange for new certificates representing the appropriate number of whole shares of Common Stock giving effect to the Reverse Stock Split. No new stock certificates will be issued to any stockholder until such stockholder has surrendered all Old Certificates, together with a properly completed and executed Letter of Transmittal, to the Transfer Agent. The stockholders will then receive, at their option, either a new certificate or certificates or book-entry shares representing the number of whole shares of Common Stock into which their pre-Reverse Stock Split shares have been converted as a result of the Reverse Stock Split. Until surrendered, we will deem outstanding Old Certificates held by

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

stockholders to be cancelled and to only represent the number of whole shares of post-Reverse Stock Split Common Stock to which the stockholders are entitled. STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.

Treatment of Fractional Shares

Stockholders who would otherwise hold fractional shares because the number of shares of Common Stock they hold before the Reverse Stock Split is not evenly divisible, based on the Reverse Stock Split ratio approved by our board of directors, will be entitled to receive cash (without interest or deduction) in lieu of such fractional shares from our transfer agent, upon receipt by our transfer agent of a properly completed and duly executed transmittal letter and, where shares are held in certificated form, the surrender of all old certificate(s), in an amount per share equal to the product obtained by multiplying (a) the closing price per share of our Common Stock on the effective date for the Reverse Stock Split as reported on the Nasdaq Stock Market by (b) the fraction of the share owned by the stockholder, without interest. The ownership of a fractional share interest will not give the holder any voting, dividend or other rights, except to receive the above-described cash payment.

Effect on Authorized but Unissued Shares of Capital Stock

Currently, we are authorized to issue up to a total of 150,000,000 shares of Common Stock, of which 59,415,042 shares were issued and outstanding as of the Record Date, 50,000,000 shares of non-voting common stock, of which 40,301,237 shares were issued and outstanding as of the Record Date, and 10,000,000 shares of Preferred Stock, of which 5,524,926 were issued and outstanding as of the Record Date. The Reverse Stock Split, if approved and effected, will not have any effect on the authorized number of shares of our Common Stock, non-voting common stock or Preferred Stock.

Accounting Consequences

The Reverse Stock Split will not affect the par value of our Common Stock per share, which will remain \$0.0001 par value per share. As a result, as of the Effective Time, the total of the stated capital attributable to Common Stock and the additional paid-in capital account on our balance sheet will not change due to the Reverse Stock Split. Reported per share net income or loss will be higher because there will be fewer shares of Common Stock outstanding.

No Going Private Transaction

Notwithstanding the decrease in the number of outstanding shares following the implementation of the Reverse Stock Split, the board of directors does not intend for this transaction to be the first step in a "going private transaction" within the meaning of Rule 13e-3 of the Exchange Act, and the implementation of the proposed Reverse Stock Split will not cause the Company to go private.

No Dissenters' Rights

Under the General Corporation Law of the State of Delaware (the "DGCL"), stockholders will not be entitled to dissenters' rights with respect to the proposed amendment to our COI to effect the reverse stock split, and we do not intend to independently provide stockholders with any such right.

Reservation of Right to Abandon the Amendment to our COI

The board of directors reserves the right to abandon the proposed amendment to our COI described in this Proposal 2 without further action by our stockholders at any time before the Effective Time, even if stockholders approve this Proposal 2 at the Annual Meeting. By voting in favor of the

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

Reverse Stock Split, stockholders are also expressly authorizing the board of directors to determine not to proceed with, and abandon, the Reverse Stock Split if it should so decide.

Material U.S. Federal Income Tax Consequences of the Reverse Stock Split

The following discussion is a summary of the material U.S. federal income tax consequences of the proposed reverse stock split to U.S. Holders (as defined below) of our Common Stock. This discussion is based on the Internal Revenue Code of 1986, as amended (the "Code"), U.S. Treasury Regulations promulgated thereunder, judicial decisions, and published rulings and administrative pronouncements of the U.S. Internal Revenue Service (the "IRS"), in each case in effect as of the date of this proxy statement. These authorities may change or be subject to differing interpretations. Any such change or differing interpretation may be applied retroactively in a manner that could adversely affect a U.S. Holder. We have not sought and will not seek any rulings from the IRS regarding the matters discussed below and there can be no assurance the IRS or a court will not take a contrary position to that discussed below regarding the tax consequences of the proposed reverse stock split.

For purposes of this discussion, a "U.S. Holder" is a beneficial owner of our Common Stock that, for U.S. federal income tax purposes, is or is treated as (i) an individual who is a citizen or resident of the United States; (ii) a corporation (or any other entity or arrangement treated as a corporation) created or organized under the laws of the United States, any state thereof, or the District of Columbia; (iii) an estate, the income of which is subject to U.S. federal income tax regardless of its source; or (iv) a trust if (1) its administration is subject to the primary supervision of a court within the United States and all of its substantial decisions are subject to the control of one or more "United States persons" (within the meaning of Section 7701(a)(30) of the Code), or (2) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a United States person.

This discussion is limited to U.S. Holders who hold our Common Stock as a "capital asset" within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion does not address all U.S. federal income tax consequences relevant to the particular circumstances of a U.S. Holder, including the impact of the Medicare contribution tax on net investment income. In addition, it does not address consequences relevant to U.S. Holders that are subject to special rules, including, without limitation, financial institutions, insurance companies, real estate investment trusts, regulated investment companies, grantor trusts, tax-exempt organizations, brokers, dealers or traders in securities, commodities or currencies, stockholders who hold our Common Stock as part of a position in a straddle or as part of a hedging, conversion or integrated transaction for U.S. federal income tax purposes, U.S. Holders that have a functional currency other than the U.S. dollar, or U.S. Holders who actually or constructively own 10% or more of our voting stock.

If a partnership (or other entity treated as a partnership for U.S. federal income tax purposes) is the beneficial owner of our Common Stock, the U.S. federal income tax treatment of a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. Accordingly, partnerships (and other entities treated as partnerships for U.S. federal income tax purposes) holding our Common Stock and the partners in such entities should consult their own tax advisors regarding the U.S. federal income tax consequences of the proposed reverse stock split to them.

In addition, the following discussion does not address the U.S. federal estate and gift tax, alternative minimum tax, or state, local and non-U.S. tax law consequences of the proposed reverse stock split. Furthermore, the following discussion does not address any tax consequences of transactions effectuated before, after or at the same time as the proposed reverse stock split, whether or not they are in connection with the proposed reverse stock split.

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

Each stockholder should consult his, her or its own tax advisors concerning the particular U.S. federal tax consequences of the reverse stock split, as well as the consequences arising under the laws of any other taxing jurisdiction, including any state, local or foreign income tax consequences.

The proposed reverse stock split is intended to be treated as a "recapitalization" for U.S. federal income tax purposes pursuant to Section 368(a)(1)(E) of the Code. As a result, a U.S. Holder generally should not recognize gain or loss upon the proposed reverse stock split for U.S. federal income tax purposes. A U.S. Holder's aggregate adjusted tax basis in the shares of our Common Stock received pursuant to the proposed reverse stock split should equal the aggregate adjusted tax basis of the shares of our Common Stock exchanged therefor. The U.S. Holder's holding period in the shares of our Common Stock received pursuant to the proposed reverse stock split should include the holding period in the shares of our Common Stock exchanged therefor. U.S. Treasury Regulations provide detailed rules for allocating the tax basis and holding period of shares of Common Stock surrendered in a recapitalization to shares received in the recapitalization. U.S. Holders of shares of our Common Stock acquired on different dates and at different prices should consult their tax advisors regarding the allocation of the tax basis and holding period of such shares.

The U.S. federal income tax discussion set forth above does not discuss all aspects of U.S. federal income taxation that may be relevant to a particular stockholder in light of such stockholder's circumstances and income tax situation. Accordingly, we urge you to consult with your own tax advisor with respect to all of the potential U.S. federal, state, local and foreign tax consequences to you of the reverse stock split.

Consequences if the Reverse Split is Not Approved

In the event that the Reverse Stock Split is not approved, we intend to actively monitor the trading price of our Common Stock on The Nasdaq Capital Market and will consider available options to resolve our non-compliance with the Nasdaq listing rules. We believe that our ability to remain listed on The Nasdaq Capital Market would be significantly and negatively affected if the Reverse Stock Split is not approved. If we are unable to achieve an increase in our stock price and our Common Stock is subsequently delisted, we could experience significant negative impacts including the acceleration of our outstanding debt with Kingdon Capital Management L.L.C. In addition, if our Common Stock is delisted it will significantly and negatively affect our ability to obtain alternative debt or equity financing in order to support Company operations.

Required Vote of Stockholders

The vote required to approve Proposal 2 is the affirmative vote of the holders of a majority of the outstanding shares of Common Stock and Preferred Stock (on an as converted to Common Stock basis subject to the Nasdaq Voting Limitations) as of the Record Date, present in person or represented by proxy at the Annual Meeting and entitled to vote, voting together as a single class. As a result, abstentions will have the same practical effect as a vote against Proposal 2.

The board of directors unanimously recommends that the stockholders vote "FOR" Proposal No. 2 to effect a reverse stock split at a ratio of not less than 1-for-30 and not greater than 1-for-70, with the exact ratio, if approved and effected at all, to be set within that range at the discretion of the board of directors and publicly announced by the Company on or before November 3, 2019, without further approval or authorization of our stockholders.

PROPOSAL 3 APPROVAL OF THE AMENDMENT OF OUR 2014 PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE UNDER THE 2014 PLAN

At the Annual Meeting, stockholders will be asked to approve an amendment to our 2014 Plan to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan such that the aggregate authorized but unissued shares under the 2014 Plan shall equal 12.5% of the issued and outstanding shares of Common Stock on a fully diluted basis including for purposes of this calculation as if such shares authorized under the 2014 Plan were included in the denominator (and assuming conversion of all outstanding convertible securities, including but not limited to conversion of our Series A Preferred Stock into Common Stock shares in accordance with our Certificate of Incorporation as amended from time to time without any regulatory limitations, all issued and outstanding warrants, notes, RSUs and stock options (whether issued under or outside the 2014 Plan and the like)) calculated as of the earlier of (A) the day immediately after the consummation of the Company's next underwritten public equity offering with gross proceeds of \$5 million or more or (B) July 31, 2019 (collectively, the "Calculation Date"). This amendment of our 2014 Plan under this Proposal 3 is contingent upon the Reverse Stock Split being approved and effected in accordance with Proposal 2 on, or prior to, the Calculation Date. For illustrative purposes only, and only by way of example, if the total number of issued and outstanding shares of Common Stock on a fully diluted basis as of the Calculation Date is 75 Million shares, then the total number of shares approved for issuance under the 2014 Plan as of the Calculation Date would be approximately 10,714,000 shares (e.g., $10,714,000 / 85,140,000 = 12.5\%$).

The purpose of the 2014 Plan is to promote the success and enhance the value of our company by linking the personal interests of employees, directors, and consultants to those of our shareholders and by providing these individuals with an incentive to work to generate superior returns to our shareholders. The 2014 Plan is also intended to provide us with flexibility in creating competitive plans to motivate, attract, and retain the services of employees, directors, and consultants upon whose judgment, interest, and special effort our success is largely dependent.

We believe that our interests and those of the shareholders will be advanced if we can continue to offer our employees, notably at the senior management level, consultants, and directors the opportunity to acquire or increase their proprietary interests in us. We have determined that the total number of shares available for issuance under the 2014 Plan should be increased to equal 12.5% of the issued and outstanding shares of Common Stock on a fully diluted basis, contingent upon the Reverse Stock Split being approved and effected in accordance with Proposal 2 on, or prior to, the Calculation Date, so that we may continue our compensation structure and strategy and succession planning process.

Background

On March 22, 2019, the Board unanimously approved the amendment of the 2014 Plan, subject to approval by the stockholders and contingent upon the Reverse Stock Split being approved and effected (see Proposal 2), to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan to a number of shares equal to 12.5% of the issued and outstanding shares of Common Stock on a fully diluted basis as of the Calculation Date.

The Board has directed that the proposal to amend the 2014 Plan be submitted to the stockholders for their approval at the Annual Meeting. The Board believes that our interests and the interests of our stockholders will be advanced if we can continue to offer our employees, notably at the senior management level, advisors, consultants, and non-employee directors the opportunity to acquire or increase their proprietary interests in us. The Board has concluded that our ability to attract, retain and motivate top quality management and employees is material to our success and would be enhanced by our continued ability to grant equity compensation under the 2014 Plan. Accordingly, the Board has

determined that the number of shares available for issuance under the 2014 Plan should be increased so that we may continue our compensation structure and strategy and succession planning process.

When adopted, a total of 22,222 shares were allocated to the 2014 Plan. Since its adoption, additional shares have been allocated to the 2014 Plan. Effective January 1, 2016, 10,833 shares were added to the 2014 Plan share pool under the 2014 Plan's automatic annual share pool increase. On April 1, 2016, the Board approved, subject to shareholder approval, an amendment to the 2014 Plan that increased the number of shares available for issuance under the 2014 Plan by 103,333 shares. Our shareholders approved this increase in the number of shares on June 14, 2016. On January 1, 2017, 18,676 shares were added to the 2014 Plan share pool under the automatic annual share pool increase. On March 28, 2017, the Board approved, subject to shareholder approval, an amendment to the 2014 Plan that increased the number of shares available for issuance under the 2014 Plan by 433,345 shares. Our shareholders approved this increase in the number of shares on July 27, 2017. On August 2, 2017, the Board approved the amendment of the 2014 Plan to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan by 346,666. Our shareholders approved this increase in the number of shares on March 18, 2018. On January 1, 2018, 140,433 shares were added to the 2014 Plan share pool under the automatic annual share pool increase. On November 29, 2018, the Board approved the amendment of the 2014 Plan to increase the number of shares of Common Stock authorized for issuance by 3,533,826 shares. Our shareholders approved this increase in the number of shares on February 28, 2019. On January 1, 2019, 545,797 shares were added to the 2014 Plan share pool under the automatic annual share pool increase. . The 2014 Plan currently has 4,236,399 shares available for issuance.

Under the 2014 Plan, stock awards are outstanding for a total of 3,125,360 shares that have been granted to 103 employees, directors and consultants. Thus, the total number of shares currently available for issuance under the 2014 Plan as of March 27, 2019 is 4,236,399 shares, not taking into consideration the increase of the 2014 Plan share pool that is the subject of this Proposal 3. For illustrative purposes only, and only by way of example, if the total number of issued and outstanding shares of Common Stock on a fully diluted basis as of the Calculation Date is 75,000,000, then the total number of shares approved for issuance under the 2014 Plan as of the Calculation Date would be approximately 10,714,000 shares (e.g., $10,714,000 / 85,140,000 = 12.5\%$). Based on current forecasts and estimated stock award grant rates, if the increase is not approved, it is anticipated that the 2014 Plan could run out of available shares as soon as December 31, 2019.

Stockholder approval of the amendment of the 2014 Plan is being sought (i) in order for incentive stock options to meet the requirements of the Code, and (ii) in order to meet The Nasdaq Capital Market listing requirements. If the stockholders do not approve the amendment and restatement of the 2014 Plan at the Annual Meeting, the amendment of the 2014 Plan will not become effective, and the number of shares authorized for issuance under the 2014 Plan will not be increased.

For information with respect to grants to certain executive officers in Fiscal Year 2018 under the 2014 Plan, see page 46 and for information with respect to grants to our non-employee directors, see page 49.

Material Terms of the 2014 Plan

In July 2014, our Board of Directors adopted the 2014 Plan, and in July 2014, our stockholders approved the 2014 Plan. The 2014 Plan became effective in May 2015. The 2014 Plan provides for the grant of incentive stock options to our Eligible Employees, and for the grant of nonstatutory stock options, restricted stock, and RSUs to Eligible Employees, directors and consultants.

Authorized Shares. We originally approved 22,222 shares of Common Stock for issuance pursuant to the 2014 Plan. On April 1, 2016, we unanimously approved the amendment of the 2014 Plan, subject to approval by the stockholders, which was received on June 14, 2016, to increase the number of shares

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

of Common Stock authorized for contingent issuance under the 2014 Plan by 103,333 shares from 33,055 to 136,388. On March 28, 2017, we unanimously approved the amendment of the 2014 Plan, subject to approval by the stockholders, which was received on July 27, 2017, to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan by 433,345 shares from 155,065 to 588,410. On August 2, 2017, we unanimously approved the amendment of the 2014 Plan, subject to approval by the stockholders, to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan by 346,666 shares from 588,410 to 935,078. On January 31, 2018, we unanimously approved the amendment of the 2014 Plan, subject to approval by the stockholders, to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan by up to 2,390,666 shares from 1,075,511 to 3,466,174. On November 29, 2018, we unanimously approved the amendment of the 2014 Plan, subject to approval by the stockholders, to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan by up to 3,533,826 shares to 7,000,000.

On January 1st of each year, ending no later than January 1, 2024, the number of shares allocated to the 2014 Plan automatically increases in an amount equal to 2% of the total number of shares of common stock outstanding on December 31st of the preceding calendar year. The Board of Directors may act prior to January 1st of any given year, at its discretion, to provide for no increase in shares or to add a lesser number of shares than provided for in the prior sentence. On January 1, 2016, a total of 10,833 shares were added to the 2014 Plan share pool under the automatic annual share pool increase. On January 1, 2017, a total of 18,676 shares were added to the 2014 Plan share pool under the automatic annual share pool increase. On January 1, 2018, a total of 140,433 shares were added to the 2014 Plan share pool under the automatic annual share pool increase. On January 1, 2019, a total of 545,797 shares were added to the 2014 Plan share pool under the automatic annual share pool increase.

If a stock award expires without having been exercised in full, or, with respect to restricted stock and RSUs, a stock award is forfeited, the shares that were subject to those stock awards will become available for future grant or sale under the 2014 Plan (unless the 2014 Plan has terminated). If unvested shares of restricted stock or RSUs are repurchased by the company or are forfeited to the company, such shares will become available for future awards under the 2014 Plan.

Plan Administration. The 2014 Plan is administered by the Compensation Committee. In the case of awards intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code, the Compensation Committee will consist of two or more "outside directors" within the meaning of Section 162(m) of the Code. In addition, if we determine it is desirable to qualify transactions under the 2014 Plan as exempt under Rule 16b-3, such transactions will be structured to satisfy the requirements for exemption under Rule 16b-3. Subject to the provisions of the 2014 Plan, the committee has the power to administer the 2014 Plan, including but not limited to, the power to interpret the terms of the 2014 Plan and stock awards granted under it, to create, amend and revoke rules relating to the 2014 Plan, including creating sub-plans, and to determine the terms of the awards, including the exercise price, the number of shares subject to each such award, the exercisability of the awards and the form of consideration, if any, payable upon exercise.

Options. Both incentive stock options qualifying under Section 422 of the Code and non-statutory stock options may be granted under the 2014 Plan. Of the total number of shares allocated to the 2014 Plan, the maximum aggregate number of shares that may be issued pursuant to the exercise of incentive stock options shall not exceed 7,000,000 shares. The exercise price of options granted under the 2014 Plan must at least be equal to the fair market value of the Common Stock on the date of grant. The term of an incentive stock option may not exceed ten years, except that with respect to any participant who owns more than 10% of the voting power of all classes of our outstanding stock, the term must not exceed five years and the exercise price must equal at least 110% of the fair market value on the grant date. For nonstatutory stock options the exercise price must equal at least 100% of the fair market value. The committee will determine the methods of payment of the exercise price of an option, which may include cash, shares or other property acceptable to the committee, as well as

other types of consideration permitted by applicable law. After the termination of service of an employee, director or consultant, he or she may exercise the vested portion of his or her option for the period of time stated in his or her award agreement, except in the case of an employee terminated for cause (as defined in the 2014 Plan) the option will terminate upon his or her termination from service. Generally, if termination is due to death or disability, the vested portion of the option will remain exercisable for 12 months. In all other cases, the vested portion of the option generally will remain exercisable for three months following the termination of service. An option may not be exercised after expiration of its term. However, if the exercise of an option is prevented by applicable law the exercise period may be extended under certain circumstances. Subject to the provisions of the 2014 Plan, the committee determines the other terms of options.

Restricted Stock. Restricted stock awards may be granted under the 2014 Plan. Restricted stock awards are grants of shares of Common Stock that vest in accordance with terms and conditions established by the committee. The committee will determine the number of shares of restricted stock granted to any employee, director or consultant and, subject to the provisions of the 2014 Plan, will determine the terms and conditions of such awards. The committee may impose whatever conditions to vesting it determines to be appropriate (for example, the committee may set restrictions based on the achievement of specific performance goals or continued service to us); provided, however, that the committee, in its sole discretion, may accelerate the time at which any restrictions will lapse or be removed. Recipients of restricted stock awards generally will have voting and dividend rights with respect to such shares upon grant without regard to vesting, unless the committee provides otherwise. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

RSUs. Awards of RSUs may be granted under the 2014 Plan. An RSU is the right to receive a share of Common Stock at a future date. The committee determines the terms and conditions of RSUs, including the vesting criteria (which may include accomplishing specified performance criteria or continued service to us) and the form and timing of payment. Notwithstanding the foregoing, the committee, in its sole discretion, may accelerate the time at which RSUs will vest.

Non-Transferability of Awards. Unless the committee provides otherwise, stock awards issued under the 2014 Plan are not transferrable other than by will or the laws of descent and distribution, and only the recipient of an award may exercise an award during his or her lifetime, although a recipient may designate a beneficiary to exercise an award after death.

Certain Adjustments. In the event of certain changes in the capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2014 Plan, the committee will adjust the number and class of shares that may be delivered under the 2014 Plan and/or the number, class and price of shares covered by each outstanding award, and the numerical share limits set forth in the 2014 Plan. In the event of the proposed liquidation or dissolution, the committee will notify participants as soon as practicable and all awards will terminate immediately prior to the consummation of such proposed transaction.

Merger or Change in Control. The 2014 Plan provides that in the event of a merger or change in control, as defined under the 2014 Plan, each outstanding award will be treated as the committee determines, including (i) the assumption, continuation or substitution of the stock awards by the successor corporation or its parent or subsidiary, (ii) the acceleration of vesting for any unvested portion of the stock awards, or (iii) the cash-out of the stock awards.

Amendment; Termination. The Board has the authority to amend, suspend or terminate the 2014 Plan provided such action does not impair the existing rights of any participant.

Required Vote of Stockholders

To approve the amendment of the 2014 Plan (this Proposal 3), the affirmative vote of the holders of a majority of shares of votes cast, in person or by remote communication, if applicable, or represented by proxy at the Annual Meeting, voting together as a single class and entitled to vote, is required. Although failure to submit a proxy or vote in person at the Annual Meeting, or a failure to provide your broker, nominee, fiduciary or other custodian, as applicable, with instructions on how to vote your shares will not affect the outcome of the vote on this proposal, the failure to submit a proxy or vote in person at the Annual Meeting will make it more difficult to meet the requirement under our bylaws that the holders of a majority of our capital stock issued and outstanding and entitled to vote at the Annual Meeting be present in person or by proxy to constitute a quorum at the Annual Meeting.

The Board of Directors unanimously recommends that the stockholders vote "FOR" Proposal No. 3 to amend the 2014 Plan to increase the number of shares of Common Stock authorized for issuance under the 2014 Plan, contingent upon the Reverse Stock Split being approved and effected in accordance with Proposal 2.

PROPOSAL 4 APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK UPON EXCHANGE OF PROMISSORY NOTES AND EXERCISE OF WARRANTS ISSUED IN THE NOTES FINANCING

At the Annual Meeting, stockholders will be asked to approve the issuance of shares of Common Stock upon exchange of promissory notes and exercise of warrants issued in one or more private placement transactions that may equal or exceed 19.99% of Common Stock outstanding before such offering in one or more private placement transactions. All per share dollar figures included in this Proposal 4 are subject to adjustment for stock splits, stock dividends, reclassifications and other similar recapitalization transactions.

Background

Notes Financing

On March 18, 2019 (the "Execution Date"), the Company began entering into securities purchase agreements (each, a "Securities Purchase Agreement") with selected accredited investors (each, an "Investor"), pursuant to which the Company intends to issue up to \$5.5 million aggregate principal amount of promissory notes (collectively, the "Notes") to such Investors. The Company will use the proceeds for working capital and other general corporate purposes. The initial offering closed on March 18, 2019, and as of March 21, 2019, \$800,000 aggregate principal amount of Notes were issued and the proceeds from such offering were paid to the Company.

The Notes bear interest at the rate of 12% per annum and mature on July 18, 2019 (the "Maturity Date"). Each Note is subject to a right to purchase by Sagard Capital Partners, L.P. and its affiliates (collectively, "Sagard"), pursuant to which Sagard may elect, within 5 business days of providing notice thereof to the holder such Note, to purchase all or any portion of such Note and all accrued interest thereon.

At the time of entering into a Securities Purchase Agreement, an Investor may elect to purchase either a Note that is subject to a mandatory exchange provision (each a "125% Coverage Note") or a Note that is not subject to a mandatory exchange provision but is otherwise substantially the same as the 125% Coverage Note (each, a "75% Coverage Note"). The mandatory exchange provision in the 125% Coverage Notes provides that, at the Company's option upon the consummation of an underwritten public offering of Common Stock by the Company on or before the Maturity Date (the "Public Offering"), the principal amount of the 125% Coverage Notes plus any unaccrued interest thereon will be mandatorily exchanged into shares of Common Stock (the "Exchange Shares") at a price equal to the per share price at which the Company issues Common Stock in the Public Offering (the "Exchange Price"), subject to adjustment for reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction. Upon such exchange, the 125% Coverage Notes would be deemed repaid and terminated.

As an inducement to enter into the Securities Purchase Agreements, (i) each holder of 75% Coverage Notes will receive a 5-year warrant (the "75% Coverage Warrant") to purchase shares of Common Stock (the "Warrant Shares") in an amount equal to 75% of the principal amount of such holder's 75% Coverage Note divided by the Exercise Price (as defined below) and (ii) each holder of 125% Coverage Notes will receive a 5-year warrant (the "125% Coverage Warrant" and, together with the 75% Coverage Warrant, the "Warrants") to purchase Warrant Shares in an amount equal to 125% of the principal amount of such holder's 125% Coverage Note divided by the Exercise Price. The exercise price for the 75% Coverage Warrant and 125% Coverage Warrant is the price per share at which the Company issues Common Stock in the Public Offering, provided that if the Company has not consummated a Public Offering by the Maturity Date, then the exercise price will be equal to the closing sales price of the shares of Common Stock on the Maturity Date, in each case subject to

adjustment for reclassification of the Common Stock, non-cash dividend, stock split, reverse stock split or other similar transaction (the "Exercise Price").

Under the Securities Purchase Agreements, the Company is subject to certain restrictive covenants, including a covenant restricting the Company's right to pay dividends or otherwise make any payment or distribution in respect of the Company's capital stock, subject to certain limited exceptions, without the prior written consent of the holders of the Notes. In addition, the Company is required to use 100% of the net amount of any outside investments received by the Company (excluding product sales revenue) for repayment of the Notes.

The Company and each Investor have contractually agreed to restrict the Company's ability to exchange the 125% Coverage Notes and such Investor's ability to exercise the Warrants such that the total cumulative number of number of Exchange Shares and Warrant Shares that may be issued to the Investors after such exchange or exercise does not exceed 19.99% of the Company's then total issued and outstanding shares of Common Stock (the "Notes Financing Exchange Cap"), unless stockholder approval is obtained to issue more shares than the Notes Financing Exchange Cap. The Notes Financing Exchange Cap shall be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction.

Stockholder Approval Requirement

As noted above, the Notes and the Warrants restrict the amount of shares that may be issued to the Investors to the Notes Financing Exchange Cap. We can remove this Notes Financing Exchange Cap by obtaining stockholder approval in compliance with the applicable Listing Rules of The Nasdaq Stock Market. The Common Stock is listed on The Nasdaq Capital Market and, as such, we are subject to the Nasdaq Listing Rules.

Pursuant to Nasdaq Listing Rule 5635(d), stockholder approval is required prior to a 20% Issuance at a price that is less than the Minimum Price. For purposes of Nasdaq Listing Rule 5635(d), (A) "20% Issuance" means a transaction, other than a public offering, involving: (i) the sale, issuance or potential issuance by us of Common Stock (or securities convertible into or exercisable for Common Stock), which alone or together with sales by our officers, directors or substantial stockholders equals 20% or more of Common Stock (which for purposes of this calculation, includes issued and outstanding shares of our voting Common Stock and non-voting common stock) or 20% or more of the voting power outstanding before the issuance and (B) "Minimum Price" means a price that is the lower of: (i) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average closing price of Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement. Stockholder approval of this proposal will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

On March 27, 2019, there were 62,101,791 shares of our Common Stock and non-voting common stock issued and outstanding in the aggregate. Accordingly, our issuance of more than 9,609,247 shares under the Notes and Warrants requires the approval of our stockholders under Nasdaq Listing Rule 5635(d). The issuance of shares of Common Stock to Investors upon the exchange of the 125% Coverage Notes, together with the issuance of shares of Common Stock to Investors upon exercise of the Warrants, could result in the issuance of shares of Common Stock to the Investors that represents more than 20% of our Common Stock or 20% of the voting power outstanding prior to the issuance of the Notes and Warrants. For illustration purposes only, below is a table showing the number of shares of common stock that may potentially be issued pursuant to the Notes and Warrants based on three hypothetical Exercise Prices, assuming that all \$5.5 million Notes are issued and that each of the noteholders elected to receive the 125% Coverage Notes and the 125% Coverage Warrants. The number of shares issuable will correspondingly increase or decrease depending on the actual Exchange

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

Price and Exercise Price for the Notes and Warrants, respectively. Please note that the share figures and exercise prices set forth in the table below are on a pre-Reverse Stock Split basis:

	Scenario A	Scenario B	Scenario C
Hypothetical Exercise Price of Warrants	\$ 0.15	\$ 0.30	\$ 0.45
Hypothetical Aggregate Principal Amount of 125% Coverage Notes	\$ 5,500,000.00	\$ 5,500,000.00	\$ 5,500,000.00
Number of Exchange Shares	36,666,667	18,333,333	12,222,222
Number of Warrant Shares Issuable under 125% Coverage Warrants	45,833,333	22,916,667	15,277,778
Total Number of Shares	82,500,000	41,250,000	27,500,000

We are therefore seeking stockholder approval for the issuance of shares of Common Stock that may be issued to Investors upon (i) exchange of the outstanding balance (including interest thereon), or any portion thereof, of the Notes at the Exchange Price, subject to the terms of the Notes and (ii) exercise of the Warrants pursuant to the terms thereof at the Exercise Price.

Required Vote of Stockholders

To approve the issuance of shares of common stock upon the exchange of promissory notes and exercise of warrants issued in the Notes Financing (this Proposal 4), the affirmative vote of the holders of a majority of shares of votes cast, in person or by remote communication, if applicable, or represented by proxy at the Annual Meeting, voting together as a single class and entitled to vote, is required. Although failure to submit a proxy or vote in person at the Annual Meeting, or a failure to provide your broker, nominee, fiduciary or other custodian, as applicable, with instructions on how to vote your shares will not affect the outcome of the vote on this proposal, the failure to submit a proxy or vote in person at the Annual Meeting will make it more difficult to meet the requirement under our bylaws that the holders of a majority of our capital stock issued and outstanding and entitled to vote at the Annual Meeting be present in person or by proxy to constitute a quorum at the Annual Meeting.

The board of directors unanimously recommends that the stockholders vote "FOR" Proposal No. 4 to issue shares of common stock upon exchange of promissory notes and exercise of warrants issued in the Notes Financing.

PROPOSAL 5 APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK UPON THE EXERCISE OF THE LOC WARRANT

At the Annual Meeting, stockholders will be asked to approve the issuance of shares of Common Stock upon exercise of the LOC Warrant (as defined below) issued in connection with the Company's entry in the LOC Cancellation and Warrant Issuance Agreement (as defined below) that may equal or exceed 19.99% of Common Stock outstanding before such transaction. All per share dollar figures included in this Proposal 5 are subject to adjustment for stock splits, stock dividends, reclassifications and other similar recapitalization transactions.

Background

On August 28, 2018, the Company entered into an Office Lease Agreement (the "Lease") with CA-Mission Street Limited Partnership, a Delaware limited partnership ("Landlord"), to extend the Company's lease for approximately 6,311 square feet of office space located at 201 Mission Street, Suite 2375, San Francisco, California (the "Premises"). Concurrently with the execution of this Lease, the Company was required to deliver to the Landlord a standby, unconditional, irrevocable, transferable letter of credit, naming Landlord as beneficiary, as collateral for the full performance by the Company of all of its obligations under the Lease and for all losses and damages Landlord may suffer as a result of the Company's failure to comply with one or more provisions of the Lease.

To satisfy the letter of credit requirement in the Lease, Pacific Capital Management, LLC (the "LC Facilitator"), one of the Company's existing shareholders, caused its financial institution to issue a letter of credit in the amount of \$475,000 (the "Landlord Letter of Credit") on behalf of the Company in favor of Landlord pursuant to the terms of the Landlord Letter of Credit & Warrant Issuance Agreement, dated August 28, 2018, by and between the Company and the LC Facilitator ("Landlord LOC Agreement"). Under the terms of the Landlord LOC Agreement, if the Company did not receive on a consolidated basis at least \$5 million of gross proceeds in the aggregate from any source (in the form of debt or equity or debt or equity like instruments or any combination thereof) on, or before, October 1, 2018 ("Capital Raise Requirement"), then the Company was required to cause LC Facilitator's exposure under the Landlord Letter of Credit to be reduced by \$122,000, whether pursuant to a release of LC Facilitator of such amount under the Landlord Letter of Credit, replacement or modification of the Landlord Letter of Credit in whole or in part, partial replacement or additional collateral in favor of LC Facilitator or otherwise (the "Reduced Exposure Obligation"). Since the Company did not meet the Capital Raise Requirement, the Company caused its financial institution, Western Alliance Bank (the "Issuing Bank"), to issue a letter of credit in the amount of \$122,000 in favor of the letter of credit beneficiary ("LC Beneficiary"), who is the managing member of the LC Facilitator, pursuant to the terms of the Irrevocable Standby Letter of Credit No. LC22120-602, dated December 13, 2018 signed by the Issuing Bank (the "LC Beneficiary Letter of Credit") in order to reduce LC Facilitator's exposure under the Landlord Letter of Credit.

The Company and the LC Beneficiary intend to enter into a letter of credit cancellation and warrant issuance agreement ("LOC Cancellation and Warrant Issuance Agreement"), pursuant to which LC Beneficiary will agree to cancel the LC Beneficiary Letter of Credit and terminate the Company's Reduced Exposure Obligation in consideration for the Company's issuance of a 5-year warrant to purchase shares of Common Stock (the "LOC Warrant") in an amount equal to 75% of the principal amount of Reduced Exposure Obligation divided by the Exercise Price. For illustration purposes only, below is a table showing the number of shares of common stock that may potentially be issued pursuant to the LOC Warrant based on three hypothetical Exercise Prices. The number of shares issuable will correspondingly increase or decrease depending on the actual Exercise Price for the LOC

Warrant. Please note that the share figures and exercise prices set forth in the table below are on a pre-Reverse Stock Split basis:

	Scenario A	Scenario B	Scenario C
Hypothetical Exercise Price of LOC Warrant	\$ 0.15	\$ 0.30	\$ 0.45
Aggregate Amount of LOC Warrant	\$ 91,500.00	\$ 91,500.00	\$ 91,500.00
Number of Warrant Shares Issuable Under LOC Warrant	762,500	381,250	254,167

Stockholder Approval Requirement

Pursuant to Nasdaq Listing Rule 5635(d), stockholder approval is required prior to a 20% Issuance at a price that is less than the Minimum Price. For purposes of Nasdaq Listing Rule 5635(d), (A) "20% Issuance" means a transaction, other than a public offering, involving: (i) the sale, issuance or potential issuance by us of Common Stock (or securities convertible into or exercisable for Common Stock), which alone or together with sales by our officers, directors or substantial stockholders equals 20% or more of Common Stock (which for purposes of this calculation, includes issued and outstanding shares of our voting Common Stock and non-voting common stock) or 20% or more of the voting power outstanding before the issuance and (B) "Minimum Price" means a price that is the lower of: (i) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average closing price of Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement. Stockholder approval of this proposal will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

The issuance of shares of Common Stock to the LC Beneficiary upon the exercise of the LOC Warrant could result in the issuance of shares of Common Stock to the LC Beneficiary that represents more than 20% of our Common Stock or 20% of the voting power outstanding prior to the issuance of the LOC Warrant.

We are therefore seeking stockholder approval for the issuance of shares of Common Stock that may be issued to the LC Beneficiary upon the exercise of the LOC Warrant pursuant to the terms thereof at the Exercise Price.

Required Vote of Stockholders

To approve the issuance of shares of common stock upon the exercise of the LOC Warrant (this Proposal 5), the affirmative vote of the holders of a majority of shares of votes cast, in person or by remote communication, if applicable, or represented by proxy at the Annual Meeting, voting together as a single class and entitled to vote, is required. Although failure to submit a proxy or vote in person at the Annual Meeting, or a failure to provide your broker, nominee, fiduciary or other custodian, as applicable, with instructions on how to vote your shares will not affect the outcome of the vote on this proposal, the failure to submit a proxy or vote in person at the Annual Meeting will make it more difficult to meet the requirement under our bylaws that the holders of a majority of our capital stock issued and outstanding and entitled to vote at the Annual Meeting be present in person or by proxy to constitute a quorum at the Annual Meeting.

The board of directors unanimously recommends that the stockholders vote "FOR" Proposal No. 5 to issue shares of common stock upon exercise of the LOC Warrant.

PROPOSAL 6 TO APPROVE, FOR PURPOSES OF NASDAQ RULE 5635(D), OF THE ISSUANCE OF SHARES OF COMMON STOCK TO OASIS CAPITAL

At the Annual Meeting, holders of our Common Stock will be asked to approve for purposes of Nasdaq Rule 5635(d), the issuance of up to 40,000,000 shares of Common Stock that may be issued at the Company's discretion from time to time to Oasis Capital, LLC under an equity line at a price per share equal to or greater than the Oasis Issuance Price (as defined below), pursuant to a common stock purchase agreement to be entered into between the Company and Oasis Capital ("CSPA"). For purposes of this proposal, "Oasis Issuance Price" means, with respect to a specific issuance of shares of Common Stock to Oasis Capital under the CSPA, a price to be mutually agreed upon between the parties from time to time in accordance with the terms of the CSPA but in no case lower than a 25% discount to the closing price on the date immediately preceding the date of such issuance. For the avoidance of doubt, the number of shares for which the Company is seeking authority to issue under the proposed equity line is on a pre-reverse split basis (i.e., such amount does not give effect to the proposed reverse split described in Proposal 2).

Background

On January 7, 2019, we entered into a common stock purchase agreement with Oasis Capital, a Puerto Rico limited liability company, relating to an offering of up to 5,633,333 shares of Common Stock, of which 5,333,333 of such shares were offered in a primary offering consisting of an equity line of credit (the "Prior CSPA"). Under the terms of the Prior CSPA, we had an option to increase the equity line of credit by an additional 8,000,000 shares of Common Stock, which option we exercised on March 18, 2019 by giving notice thereof to Oasis Capital.

We expect to enter into a new common stock purchase agreement with Oasis Capital relating to an offering (the "Equity Line Offering") of up to 20,000,000 shares of Common Stock, which shares are being offered in a primary offering consisting of an equity line of credit ("CSPA"). We have the option to increase the equity line of credit by an additional 20,000,000 shares of Common Stock by notifying Oasis Capital any time after the effective date of the CSPA. The 20,000,000 shares of Common Stock issuable under the CSPA would be in addition to the 13,633,333 shares of Common Stock issuable under the Prior CSPA. We anticipate that the CSPA will be substantially similar to the Prior CSPA. The Equity Line Offering will be made pursuant to the Registration Statement on Form S-3 filed by us with the SEC (File No. 333-220236) (the "Registration Statement") and the related base prospectus included in the Registration Statement, as supplemented by a separate prospectus supplement to be filed with the SEC.

Under the terms of the CSPA, we will have the right to "put," or sell, up to 20,000,000 shares of Common Stock (the "Purchase Shares") to Oasis Capital at a fixed price per share or such other price as agreed upon between the Company and Oasis Capital (the "Purchase Price"), provided that Oasis Capital's obligation to purchase the Purchase Shares is automatically suspended with respect to a put if, within ten trading days prior to and the day of such put, the Common Stock is trading at a price of less than \$1.00 per share.

Subject to the foregoing, from time to time over the term of the CSPA, and at our sole discretion, we may direct Oasis Capital to purchase the Purchase Shares by presenting Oasis Capital with purchase notices ("Purchase Notices") specifying a number of Purchase Shares to be purchased by Oasis Capital pursuant to the terms of the CSPA. Each Purchase Notice shall require Oasis Capital to purchase shares equal to the lesser of (a) 500,000 shares or (b) 200% of the average trading volume of the Common Stock in the 5 trading days immediately preceding the applicable Purchase Date (each such purchase, a "Regular Purchase"). The "Purchase Date" means with respect to any Regular Purchase, the business day that the respective portion of the Purchase Shares are reflected in Oasis Capital's

account. Each such purchase of Purchase Shares will have an individual closing within one trading day following the receipt of the Purchase Shares for the applicable Purchase Notice.

With respect to the Purchase Shares that are the subject of any Purchase Notice, Oasis Capital shall deliver to us an amount equal to the product of (x) the Purchase Price and (y) the number of Purchase Shares set forth on such Purchase Notice, minus deposit and clearing costs associated with such purchase. Any proceeds that we receive under the CSPA are expected to be used for the commercialization of Mytesi and for working capital and general corporate purposes.

We may issue Purchase Shares at any time on or after the date of the CSPA until the date on which Oasis Capital has purchased 20,000,000 Purchase Shares, unless the CSPA is terminated earlier in accordance with its terms; provided, that, we are not permitted to submit more than one Purchase Notice to Oasis Capital in any 3 trading day period without Oasis Capital's consent. Further, the number of Purchase Shares to be purchased by Oasis Capital may not exceed the number of shares that, when added to the number of shares of the Common Stock then beneficially owned by Oasis Capital, would exceed 9.99% of the shares of Common Stock outstanding. Additionally, we are not required to deliver Purchase Shares, and Oasis Capital is not entitled to receive such Purchase Shares, if the issuance of such Purchase Shares would exceed the aggregate number of shares of Common Stock which the Company may issue under the rules and regulations of the Nasdaq Stock Market (including rules related to the aggregation of offerings under Nasdaq Listing Rule 5635(d) if applicable) ("Oasis 19.99% Exchange Cap"), unless we obtain stockholder approval to issue more than the Oasis 19.99% Exchange Cap in compliance with Nasdaq Listing Rule 5635(d).

Stockholder Approval Requirement

As noted above, the CSPA restricts the amount of shares that may be sold to Oasis Capital to the Oasis 19.99% Exchange Cap. We can remove this Oasis 19.99% Exchange Cap by obtaining stockholder approval in compliance with the applicable Listing Rules of the Nasdaq Stock Market. The Common Stock is listed on the Nasdaq Capital Market and, as such, we are subject to the Nasdaq Listing Rules.

Pursuant to Nasdaq Listing Rule 5635(d), stockholder approval is required prior to a 20% Issuance at a price that is less than the Minimum Price. For purposes of Nasdaq Listing Rule 5635(d), (A) "20% Issuance" means a transaction, other than a public offering, involving: (i) the sale, issuance or potential issuance by us of Common Stock (or securities convertible into or exercisable for Common Stock), which alone or together with sales by our officers, directors or substantial stockholders equals 20% or more of Common Stock (which for purposes of this calculation, includes issued and outstanding shares of our voting Common Stock and non-voting common stock) or 20% or more of the voting power outstanding before the issuance and (B) "Minimum Price" means a price that is the lower of: (i) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average closing price of Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement. Stockholder approval of this proposal will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

We are seeking stockholder approval for the issuance of 40,000,000 shares of Common Stock under the CSPA. We anticipate that the Board of Directors will approve the CSPA and reserve 40,000,000 shares for issuance under the CSPA, and we would seek additional stockholder approval before issuing more than such 40,000,000 shares.

Reasons for Transaction and Effect on Current Stockholders

Our Board of Directors has determined that the CSPA with Oasis Capital is in the best interests of us and our stockholders because the right to sell shares to Oasis Capital provides us with a reliable source of capital and the ability to access that capital when and as needed. For example, as we are

pursuing non-dilutive business development collaborations, we may need cash resources to finalize such negotiations and associated legal documentation in a favorable manner to us. While the terms of the CSPA do not currently provide for the issuance of shares of Common Stock at a price below the Minimum Price, we are seeking in advance the right to issue shares at a price equal to or greater than the Oasis Issuance Price to the extent we need to raise additional capital to execute our business plan and to provide flexibility in responding to future business opportunities. While we still have approximately five million shares of Common Stock still available for issuance under the Prior CSPA, we anticipate that we may need additional cash resources in the near term.

The CSPA does not affect the rights of the holders of our shares of Common Stock currently outstanding, but the sale of shares to Oasis Capital pursuant to the terms of the CSPA will have a dilutive effect on the existing stockholders, including the voting power and economic rights of the existing stockholders. If we were to sell to Oasis Capital all 40,000,000 shares for which we are seeking stockholder approval to issue under the CSPA, Oasis Capital would have purchased in the aggregate under the CSPA approximately 52.0% of our outstanding shares of Common Stock and non-voting common stock.

The CSPA provides that we shall not issue, and Oasis Capital shall not purchase, any shares of our Common Stock under the CSPA if such shares proposed to be issued and sold, when aggregated with all other shares of our Common Stock then owned beneficially (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended) by Oasis Capital and its affiliates, would result in the beneficial ownership by Oasis Capital and its affiliates of more than 9.99% of then issued and outstanding shares of Common Stock. Unlike the Oasis 19.99% Exchange Cap, which limits the aggregate number of shares we may issue to Oasis Capital under the CSPA, this beneficial ownership limitation limits the number of shares Oasis Capital may beneficially own at any one time to 9.99% of outstanding Common Stock. Consequently, the number of shares that Oasis Capital may beneficially own in compliance with the beneficial ownership limitation may increase over time as the number of outstanding shares of Common Stock increases over time. Oasis Capital may sell some or all of the shares it purchases under the CSPA, permitting it to purchase additional shares in compliance with the beneficial ownership limitation. We are not seeking stockholder approval to lift such 9.99% beneficial ownership limitation. However, even with the beneficial ownership limitation, Oasis Capital may be in a position to exert influence over us and there is no guarantee that the interests of Oasis Capital will align with the interests of other stockholders.

Required Vote of Stockholders

The vote required to approve Proposal 6 is the affirmative vote of the holders of a majority of the votes cast, affirmatively or negatively in person or by proxy at the Annual Meeting and entitled to vote, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present but will have no effect on the vote for Proposal 6.

The board of directors unanimously recommends that the stockholders vote "FOR" Proposal No. 6 to issue up to 40,000,000 shares of Common Stock that may be issued at the Company's discretion from time to time to Oasis Capital under an equity line at a price equal to or greater than the Oasis Issuance Price in accordance with the stockholder approval requirements of Nasdaq Listing Rule 5635(d).

PROPOSAL 7 GRANT OF DISCRETIONARY AUTHORITY TO ADJOURN THE ANNUAL MEETING IF NECESSARY TO SOLICIT ADDITIONAL PROXIES

Although it is not expected, the Annual Meeting may be adjourned for the purpose of soliciting additional proxies. Any such adjournment of the Annual Meeting may be made without notice, other than by the announcement made at the Annual Meeting, by approval of the holders of a majority of the outstanding shares of our Common Stock and Preferred Stock, voting together as a single class, present in person or by proxy and entitled to vote at the Annual Meeting, whether or not a quorum exists. We are soliciting proxies to grant discretionary authority to the chairperson of the Annual Meeting to adjourn the Annual Meeting, if necessary, for the purpose of soliciting additional proxies in favor of Proposals 1 through 6. The chairperson will have the discretion to decide whether or not to use the authority granted to such person pursuant to this Proposal 7 to adjourn the Annual Meeting.

Required Vote of Stockholders

To approve the grant of discretionary authority to the chairperson of the Annual Meeting to adjourn the Annual Meeting, if necessary, for the purpose of soliciting additional proxies in favor of Proposals 1 through 6, the affirmative vote of the holders of a majority of shares of our Common Stock and Preferred Stock, present in person or by remote communication, if applicable, or represented by proxy at the Annual Meeting, voting together as a single class and entitled to vote, is required. Although failure to submit a proxy or vote in person at the Annual Meeting, or a failure to provide your broker, nominee, fiduciary or other custodian, as applicable, with instructions on how to vote your shares will not affect the outcome of the vote on this proposal, the failure to submit a proxy or vote in person at the Annual Meeting will make it more difficult to meet the requirement under our bylaws that the holders of a majority of the our capital stock issued and outstanding and entitled to vote at the Annual Meeting be present in person or by proxy to constitute a quorum at the Annual Meeting.

The Board of Directors unanimously recommends that the stockholders vote "FOR" Proposal No. 7 to grant discretionary authority to adjourn the Annual Meeting, if necessary, to solicit additional proxies in favor of Proposals 1 through 6.

CORPORATE GOVERNANCE

Director Independence

Our common stock is listed on The Nasdaq Capital Market. Under Nasdaq rules, independent directors must comprise a majority of a listed company's board of directors. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company's Audit, Compensation and Nominating Committee must be independent. Audit Committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. Under Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of the company's board of directors, such person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, our board of directors, or any other board committee (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or (2) be an affiliated person of the listed company or any of its subsidiaries.

Our board of directors periodically undertakes a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that five of our eight directors (i.e., Mr. Bochnowski, Mr. Micek, Mr. Qui, Mr. Siegel and Mr. Divis) do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the Nasdaq rules. Our board of directors also determined that Mr. Micek (chairperson), Mr. Bochnowski, and Mr. Siegel, who comprise our Audit Committee, Mr. Bochnowski (chairperson), Mr. Johnson and Mr. Siegel, who comprise our Compensation Committee, and Mr. Johnson (chairperson), Mr. Bochnowski and Mr. Micek, who comprised our Nominating Committee, satisfy the independence standards for those committees established by applicable SEC rules and the Nasdaq rules and listing standards.

In making this determination, our board of directors considered the relationships that each non-employee director has with us and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

Under its charter, the Compensation Committee has the authority, in its sole discretion, to select, retain and obtain the advice of a compensation consultant as necessary to assist with the execution of its duties and responsibilities as set forth in its charter but only after taking into consideration factors relevant to the compensation consultant's independence from management specified in NASDAQ Listing Rule 5605(d)(3)(D). The Compensation Committee currently has not retained or sought advice from a compensation consultant.

Nominating Committee

The members of our Nominating Committee are Mr. Bochnowski (chairperson), Mr. Johnson and Mr. Micek. Mr. Johnson is the chairperson of the Nominating Committee. Our Nominating Committee's responsibilities include:

identifying individuals qualified to become members of our board of directors;

recommending to our board of directors the persons to be nominated for election as directors and to each of the committees of our board of directors; and

overseeing an annual evaluation of our board of directors.

The Nominating Committee did not hold any meetings in 2018. All nomination-related matters were approved at the board of directors level. The Nominating Committee has adopted a written charter approved by the board of directors, which is available on our website at: <https://jaguarhealth.gcs-web.com/static-files/02dfed04-9508-44cd-a96a-3215e565111c>.

Meetings and Attendance During 2018

The board of directors held 13 meetings in 2018. Except for Jiahao Qui, each director who served as a director during 2018 participated in 75% or more of the meetings of the board of directors and of the committees on which he or she served, if any, during the year ended December 31, 2018 (during the period that such director served). Mr. Johnson, Mr. Siegel and Mr. Divis were not appointed to the board of directors until March 23, 2018, March 29, 2018 and June 14, 2018, respectively, and therefore, did not attend any meetings in 2018 prior to their respective dates of appointment.

We do not have a written policy on director attendance at annual meetings of stockholders. We encourage, but do not require, our directors to attend the Annual Meeting. One director attended the 2018 Annual Meeting of Stockholders.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our President and Chief Executive Officer, our Chief Financial Officer and other employees who perform financial or accounting functions. The Code of Business Conduct and Ethics sets forth the basic principles that guide the business conduct of our employees. A current copy of the code is on our website at <https://jaguarhealth.gcs-web.com/static-files/2686b919-e219-4c2a-b863-e6df4533aea9>. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions on our website to the extent required by applicable rules and exchange requirements. The inclusion of our website address in this proxy

statement does not incorporate by reference the information on or accessible through our website into this proxy statement.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has ever been an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or Compensation Committee or other board committee performing equivalent functions of any entity that has one or more of its executive officers serving on our board of directors or Compensation Committee.

Limitation of Liability and Indemnification

Our COI and Bylaws contain provisions that limit the personal liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; or

any transaction from which the director derived an improper personal benefit.

Such limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

Our COI provides that we indemnify our directors to the fullest extent permitted by Delaware law. In addition, our Bylaws provide that we indemnify our directors and officers to the fullest extent permitted by Delaware law. Our Bylaws also provide that we shall advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered and expect to continue to enter into agreements to indemnify our directors, executive officers and other employees as determined by our board of directors. With certain exceptions, these agreements provide for indemnification for related expenses including, among others, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our COI and Bylaws and our indemnification agreements, may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty of care. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers. There is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

Board Leadership Structure

Our Bylaws and corporate governance guidelines provide our board of directors with flexibility in its discretion to combine or separate the positions of Chairperson of the board of directors and chief executive officer. As a general policy, our board of directors believes that separation of the positions of Chairperson and chief executive officer reinforces the independence of the board of directors from management, creates an environment that encourages objective oversight of management's performance and enhances the effectiveness of the board of directors as a whole. We expect and intend the positions of Chairperson of the board and chief executive officer to be held by two individuals in the future.

Risk Oversight

Our board of directors monitors our exposure to a variety of risks through our Audit Committee. Our Audit Committee charter gives the Audit Committee responsibilities and duties that include discussing with management and the independent auditors our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies.

Nomination of Directors

There have been no material changes to the procedures by which stockholders may recommend nominees to our board of directors. Recommendations to the board of directors for election as directors of Jaguar at an annual meeting may be made only by the Nominating Committee or by the Company's stockholders (through the Nominating Committee) who comply with the timing, informational, and other requirements of our Bylaws, except for the right of the holders of Series A Preferred Stock to elect up to two directors (voting as a separate class), which is not subject to such procedural limitations. Stockholders have the right to recommend persons for nomination by submitting such recommendation, in written form, to the Nominating Committee, and such recommendation will be evaluated pursuant to the policies and procedures adopted by the board of directors. Such recommendation must be delivered to or mailed to and received by the Secretary of the Company at the principal executive offices not less than 90 days nor more than 120 calendar days prior to the first anniversary of the date the preceding year's annual meeting, except that if no annual meeting of stockholders was held in the preceding year or if the date of the annual meeting of stockholders has been changed by more than 30 calendar days from the date contemplated at the time of the preceding year's proxy statement, the notice shall be received by the Secretary at the Company's principal executive offices not less than 150 calendar days prior to the date of the contemplated annual meeting or the date that is 10 calendar days after the date of the first public announcement or other notification to stockholders of the date of the contemplated annual meeting, whichever first occurs. The deadline to submit recommendations for election as directors at the 2019 Annual Meeting has already passed.

The Nominating Committee, in accordance with the board of directors' governance principles, seeks to create a board that has the ability to contribute to the effective oversight and management of the Company, that is as a whole strong in its collective knowledge of and diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business judgment, biotechnology industry knowledge, corporate governance and global markets. The Nominating Committee does not currently have a policy with regard to the consideration of diversity in identifying director nominees. When the Nominating Committee reviews a potential new candidate, the Nominating Committee looks specifically at the candidate's qualifications in light of the needs of the board of directors and the Company at that time given the then current mix of director attributes.

General criteria for the nomination and evaluation of director candidates include:

loyalty and commitment to promoting the long term interests of the Company's stockholders;

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

the highest personal and professional ethical standards and integrity;

an ability to provide wise, informed and thoughtful counsel to top management on a range of issues;

a history of achievement that reflects superior standards for themselves and others;

an ability to take tough positions in constructively-challenging the Company's management while at the same time working as a team player; and

individual backgrounds that provide a portfolio of personal and professional experience and knowledge commensurate with the needs of the Company.

The Nominating Committee must also ensure that the members of the board of directors as a group maintain the requisite qualifications under the applicable Nasdaq Stock Market listing standards for populating the Audit, Compensation and Nominating Committees.

Written recommendations from a stockholder for a director candidate must include the following information:

the stockholder's name and address, as they appear on our corporate books;

the class and number of shares that are beneficially owned by such stockholder;

the dates upon which the stockholder acquired such shares; and

documentary support for any claim of beneficial ownership.

Additionally, the recommendation needs to include, as to each person whom the stockholder proposes to recommend to the Nominating Committee for nomination to election or reelection as a director, all information relating to the person that is required pursuant to Regulation 14A under the Exchange Act, as amended, and evidence satisfactory to us that the nominee has no interests that would limit their ability to fulfill their duties of office.

Once the Nominating Committee receives a recommendation, it will deliver a questionnaire to the director candidate that requests additional information about his or her independence, qualifications and other information that would assist the Nominating Committee in evaluating the individual, as well as certain information that must be disclosed about the individual in the Company's proxy statement, if nominated. Individuals must complete and return the questionnaire within the time frame provided to be considered for nomination by the Nominating Committee.

The Nominating Committee will review the stockholder recommendations and make recommendations to the board of directors that the Committee feels are in the best interests of the Company and its stockholders.

The Nominating Committee has not received any recommendations from stockholders for the Annual Meeting.

Transactions with Sagard

Preferred Stock Offering

Preferred Stock Purchase Agreement

On March 23, 2018, we entered into the Preferred Stock Purchase Agreement with Sagard Capital Partners, L.P. ("Sagard"), pursuant to which we, in a private placement, agreed to issue and sell to Sagard 5,524,926 shares of Preferred Stock (the "Preferred Shares"), for an aggregate purchase price of \$9,199,001. The Preferred Stock Purchase Agreement also provides for customary representations, warranties and covenants among the parties. Among other things, the Preferred Stock Purchase Agreement requires that we (i) file prior to the initial closing the Certificate of Designation and (ii) enter into a registration rights agreement with Sagard providing for the registration of shares of our Common Stock, issuable upon conversion of the Preferred Shares (the "Conversion Shares"). In addition, so long as Sagard or its affiliates own, in the aggregate, no less than 50% or more of the cumulative amount of the Preferred Shares and Conversion Shares issued in the Preferred Stock Offering, Sagard and its affiliates have the right to purchase (x) 100% of the first \$10 million of any new securities issued by us and thereafter (y) a pro rata portion of any new securities that we may issue from time to time, subject to certain exceptions specified in the Preferred Stock Purchase Agreement. The Preferred Shares are subject to a 12-month lock-up period, which period may be shortened in limited circumstances specified in the Preferred Stock Purchase Agreement.

The Preferred Stock Purchase Agreement also provides that Sagard has the right to designate at least one non-voting observer (subject to increase to two if at any time two designees of the Preferred Shares and the Conversion Shares are not represented on the board of directors) to attend meetings of the Board, the board of directors of any of our subsidiaries and each committee of any of the foregoing (a "Board Observer"). In addition, at such time as no shares of Preferred Stock are outstanding, and so long as Sagard holds (i) at least 35% of the total number of the Conversion Shares that have been issued upon conversion of all shares of Preferred Stock issued in the Preferred Stock Offering, Sagard shall be entitled thereunder to nominate two directors of the Company (each, a "Series A Director") and (ii) less than 35% but at least 20% of the total number of the Conversion Shares that have been issued upon conversion of all shares of Preferred Stock issued in the Preferred Stock Offering, Sagard shall be entitled thereunder to nominate one director of the Company.

Notwithstanding the foregoing, the number of Series A Directors shall be reduced to the extent necessary to comply with our obligations, if any, under the rules or regulations of the Nasdaq Stock Market (including Nasdaq Listing Rule 5640). The Preferred Stock Purchase Agreement provides that, if one Series A Director may not be appointed due to compliance with Nasdaq Listing Rule 5640, then Sagard shall be entitled to designate one additional Board Observer to attend meetings of the board of directors, the board of directors of any of our subsidiaries and each committee of any of the foregoing as an observer.

Terms of Series A Preferred Stock

The Certificate of Designation authorizes 5,524,926 shares of Preferred Stock and provides for the rights, preferences and privileges of such Preferred Stock. Any reference to share prices in the below description of the Preferred Stock, including but not limited to the conversion price for the Preferred Shares and the amount of the liquidation preference per share, is subject to adjustment in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization, as further described in the Certificate of Designation.

Dividends

Holders of shares of Preferred Stock are entitled to participate equally and ratably with the holders of shares of Common Stock in all dividends paid and distributions made to the holders of Common Stock on the shares of Common Stock on an as converted basis.

Election of Directors and Voting Rights

The holders of a majority of the outstanding shares of Preferred Stock are entitled to elect two (2) members of the Company's Board of Directors. Notwithstanding the foregoing, the number of Series A Directors shall be reduced to the extent necessary to comply with the Company's obligations, if any, under the rules or regulations of the Nasdaq Stock Market (including Nasdaq Listing Rule 5640).

The holders of shares of Preferred Stock have the right to vote with holders of shares of the Common Stock, voting together as one class on all other matters, with each share of Preferred Stock entitling the holder thereof to cast that number of votes per share as is equal to the aggregate number of shares of Common Stock into which it is then convertible; provided that, holders of shares of Preferred Stock will not be entitled to vote together with the holders of Common Stock on any matter presented to the stockholders of the Company to the extent that such vote would be in violation of Nasdaq Listing Rule 5640.

Voluntary Conversion

Each share of Preferred Stock is initially convertible into six shares of Common Stock at an effective conversion price of \$0.2775 per share (based on an original price per Preferred Share of \$1.665). Subject to certain limited exceptions, the shares of Preferred Stock cannot be offered, pledged or sold by Sagard for one year from the date of issuance. The conversion price is subject to certain adjustments in the event of any stock dividend, stock split, reverse stock split, combination or other similar recapitalization.

Mandatory Conversion

The shares of Preferred Stock will be mandatorily converted upon the date and time, or the occurrence of an event, specified by vote or written consent of the holders of a majority of the then outstanding shares of Preferred Stock at a conversion price of \$0.2775 per share. In each case, the number of shares of Common Stock issuable upon such conversion will be limited to the extent necessary to satisfy limitations on beneficial ownership as described under "Voluntary Conversion" above.

Optional Redemption

At any time after the first anniversary of the issuance of the Preferred Shares, so long as certain call conditions specified in the Certificate of Designation have been satisfied, the Company shall have the right to offer to redeem shares of Preferred Stock at a share price equal to two times the original

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

share issue price of the Preferred Shares. The Company is only permitted to exercise this right to redeem two times, the first of which must be for an aggregate redemption price of \$9,199,001 and the second of which must be for all remaining shares of Preferred Stock remaining. If a holder of Preferred Shares fails to accept the Company's redemption offer, such holder's shares of Preferred Stock shall be automatically converted into shares of Common Stock pursuant to the terms of "Mandatory Conversion" as described above.

Mandatory Redemption

If (i) the Company's consolidated net revenues attributable to the Mytesi products ("Mytesi Revenues") for the six-month period ended March 31, 2021 are less than \$22 million, (ii) the average volume-weighted average price of the Common Stock for the thirty days immediately prior to the Measurement Date (as defined below) is less than \$1.50 or (iii) the Company fails to file with the SEC on or before June 30, 2021 its quarterly report on Form 10-Q for the three months ended March 31, 2021, then the holders of at least a majority of shares of Preferred Stock then outstanding may require the Company to redeem all shares of Preferred Stock then outstanding at a per share purchase price equal to \$2.3057. For purposes of the foregoing sentence, "Measurement Date" means the later of (x) April 30, 2021 and (y) the date on which the Company files its quarterly report on Form 10-Q for the three months ended March 31, 2021 (but in no event later than June 30, 2021).

The mandatory redemption right described above shall terminate if, prior to the Measurement Date, both (i) the Mytesi Revenues for any six-month period ending at the end of a calendar quarter are equal to or exceed \$22 million and (ii) the average volume-weighted average price of the Common Stock for the thirty days immediately preceding the end of such calendar quarter is equal to or greater than \$1.50.

The Services Agreement may be terminated earlier than the initial three-year term (i) upon mutual consent of the parties, (ii) by either party following a breach of the Services Agreement by the other party that remains uncured following 30 days' written notice thereof, (iii) in SCPM's sole discretion with 10 day's prior written notice, or (iv) upon the consummation of a Deemed Liquidation (so long as all accrued and unpaid fees payable thereunder as of such termination have been paid in full) or a Fundamental Change in which all of the Company's shares of Preferred Stock are repurchased by the Company.

**AUDIT AND OTHER FEES AND AUDIT AND
AUDIT COMMITTEE PRE-APPROVAL PROCESS**

Principal Accountant Fees and Services

Below is a listing of the services provided by type and amount charged to us by our independent registered public accounting firms for fiscal years 2018 and 2017. Effective on April 2, 2019, BDO USA, LLP ("BDO") declined to stand for re-election as our independent registered public accounting firm for the fiscal year ending December 31, 2019. The change will not be effective until the Company files its Form 10-K for the year ended December 31, 2018.

The reports of BDO on the Company's consolidated financial statements for the fiscal years ended December 31, 2017 and 2016 contained an explanatory paragraph regarding the Company's ability to continue as a going concern and contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2017 and 2016, and in the subsequent interim period through April 2, 2019, there have been no disagreements with BDO on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedure which, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the matter in its reports on the financial statements for such years.

During the two fiscal years ended December 31, 2017 and 2016 and the subsequent interim period through April 2, 2019, there were no reportable events (as that term is described in Item 304(a)(1)(v) of Regulation S-K), except as follows:

BDO's audit reports for the fiscal years ended December 31, 2017 and 2016 included an explanatory paragraph indicating that there was substantial doubt about the Company's ability to continue as a going concern.

As previously disclosed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, there was a material weakness in the internal control over financial information relating to the review of the tax provision.

The Company will disclose a material weakness in the internal control over financial information in its Annual Report on Form 10-K for the fiscal year ended December 31, 2018 relating to staff turnover in its accounting department. The Company did not maintain a sufficient complement of internal personnel with appropriate knowledge, experience and/or training commensurate with its financial reporting requirements. The Company relied on outside consulting technical experts and did not maintain adequate internal qualified personnel to properly supervise and review the information provided by the outside consulting technical experts to ensure certain significant complex transactions and technical matters were properly accounted for, specifically with respect to accurately reflecting all potential accrued services on the balance sheet at December 31, 2018. In addition, the Company identified inadequate internal technical staffing levels and expertise to properly supervise and review the information of the outside consulting technical experts to properly apply ASC 815-40 for liability classification of certain warrants and ASC 470-50 and ASC 470-60 to properly reflect the accounting impact to multiple modifications of the Company's debt instruments.

Edgar Filing: Jaguar Health, Inc. - Form PRER14A

The following table sets forth the fees billed for audit and other services rendered by BDO for the two fiscal years ended December 31, 2018 and 2017:

	Years ended December 31,	
	2018	2017
Audit Fees	\$ 599,140	\$ 594,909
Audit Related Fees		
Tax Fees		
All Other Fees		
Total	\$ 599,140	\$ 594,909

Audit fees include fees and out-of-pocket expenses, whether or not yet invoiced, for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements. In 2017 and 2018, audit fees also include fees for our follow-on public offerings and reviews of services provided in connection with other SEC filings.

Policy on Audit Committee Preapproval of Audit and Permissible Non-audit Services of the Independent Registered Public Accounting Firm

As specified in the Audit Committee charter, the Audit Committee pre-approves all audit and non-audit services provided by the independent registered public accounting firm prior to the receipt of such services. Thus, the Audit Committee approved 100% of the services set forth in the above table prior to the receipt of such services and no services were provided under the permitted *de minimus* threshold provisions.

The Audit Committee determined that the provision of such services was compatible with the maintenance of the independence of BDO.

AUDIT COMMITTEE REPORT

Management has primary responsibility for our financial statements and the overall reporting process, including maintaining effective internal control over financial reporting and assessing the effectiveness of our system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles, and discusses with the Audit Committee any issues it believes should be raised with the Audit Committee. These discussions include a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee monitors our processes, relying, without independent verification, on the information provided to it and on the representations made by management and the independent registered public accounting firm.

BDO USA, LLP (BDO), our Company's independent auditor for the year ended December 31, 2018, is responsible for expressing an opinion on the fairness of the presentation of the Company's financial statements in conformity with accounting principles generally accepted in the United States of America, in all material respects.

In this context, the Audit Committee has reviewed and discussed with management and BDO the audited financial statements for the year ended December 31, 2018. The Audit Committee has discussed with BDO the matters that are required to be discussed under the Public Accounting Oversight Board Auditing Standard No. 1301 "*Communications with Audit Committees*". BDO has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board's Ethics and Independence rule 3526 "*Communications with Audit Committees Concerning Independence*", and the Audit Committee has discussed with BDO that firm's independence. The Audit Committee has concluded that BDO's provision of audit and non-audit services to the Company are compatible with BDO's independence.

Based on the considerations and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements for the year ended December 31, 2018 be included in our Annual Report on Form 10-K for 2018. This report is provided by the following independent directors, who comprise the Audit Committee:

Audit Committee:

John Micek III, Chairperson
James J. Bochnowski
