Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers

On April 22, 2015, F5 Networks, Inc. (the “Company”) announced that the Board of Directors of the Company on April 19, 2015 appointed Manuel Ravelo as its next President and Chief Executive Officer (“CEO”) and as a director of the Company. Mr. Ravelo will assume his new roles effective July 1, 2015, at which time current President and CEO John McAdam will retire as an employee of the Company. As of July 1, 2015, Mr. McAdam will become the Company’s non-executive Chairman and current Chairman Alan J. Higginson will become the Company’s Lead Independent Director. The Company’s press release announcing Mr. Ravelo’s appointment and these other changes is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Mr. Ravelo, age 50, has served as the Company’s Executive Vice President, Strategic Solutions, since October 2011. Prior to joining F5, Mr. Ravelo was Senior Vice President of Engineering Systems and Operations for Cisco Systems, Inc., a worldwide provider of information technology products and services. During his 19 years at Cisco, Mr. Ravelo, among other things, served as a member of the Cisco Engineering Leadership Team, ran Worldwide Sales and Engineering Operations, and was head of the Worldwide Systems Engineering organization. Mr. Ravelo also serves on the board of directors of Apollo Group, Inc., one of the world’s largest private education providers. He holds bachelor’s and master’s degrees in Electrical Engineering from the Stevens Institute of Technology.

Through his experience as the Company’s Executive Vice President, Strategic Solutions, Mr. Ravelo brings to the Board intimate knowledge of the Company’s strategic development, product management, and global marketing strategy. In addition, through his executive and management experience at the Company and at prior companies, Mr. Ravelo has a broad understanding of the operational issues that face companies such as F5, and as the Company’s new President and Chief Executive Officer, he will be a critical bridge between everyday Company, industry, and investor matters and the Board.

There are no arrangements or understandings between Mr. Ravelo and any other persons pursuant to which he was selected as a director. He has no direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K.

In connection with Mr. Ravelo’s appointment, the Company will effective July 1, 2015 increase Mr. Ravelo’s annual base salary to \$650,000.00 and his target annual bonus to 130% of base salary. In addition, Mr. Ravelo will on May 1, 2015 receive restricted stock units having an aggregate target fair market value of approximately \$1,500,000.00 on the date of grant, of which half of the target value of the restricted stock units will be time-based restricted unit awards and half of the target value of the awards will be performance-based restricted stock units (which performance-based restricted stock units will be subject to an overachievement allocation, if applicable). These restricted stock unit awards will vest to the extent applicable quarterly through fiscal 2019 and otherwise be subject to such other terms as set forth in the F5 Network, Inc. 2014 Incentive Plan and applicable award agreements.

In connection with Mr. McAdam’s retirement as an employee of the Company as of July 1, 2015 and in recognition of his service to the Company, the Company and Mr. McAdam intend to enter into a retirement agreement whereby (i) Mr. McAdam will be eligible to earn the cash incentive bonus for the fourth quarter of fiscal year 2015 under the Company’s fiscal year 2015 bonus program, (ii) Mr. McAdam’s performance-based restricted stock units will have the opportunity to vest based on Company performance for the third and fourth quarters of fiscal year 2015 and (iii) Mr. McAdam will continue to vest in his time-based restricted stock units. Although his performance-based restricted stock units by their terms would continue to vest as long as Mr. McAdam continued as a director, Mr. McAdams has agreed to forfeit all outstanding performance-based restricted stock units that have the opportunity to vest based on performance beyond fiscal year 2015.

For additional information regarding Messrs. Ravelo and McAdam, please review the relevant disclosures in the Company’s last proxy statement filed with the Securities and Exchange Commission on January 16, 2015, which disclosure is incorporated by reference.
