Item 8.01 Other Events.

On September 9, 2015, West entered into an agreement (the "Agreement") to purchase a group annuity contract from Metropolitan Life Insurance Company ("MetLife") to settle approximately \$140.0 million of its approximate \$315.0 million of outstanding pension benefit obligations under the West Pharmaceutical Services, Inc. Employees' Retirement Plan (the "Plan"). MetLife was selected by the Plan's fiduciary, with the advice of an independent expert.

In connection with the Agreement, MetLife will assume the obligation to pay future pension benefits and provide administrative services beginning November 1, 2015 for approximately 1,750 West retirees and surviving beneficiaries who retired before January 1, 2015 and are currently receiving payments from the Plan.

The purchase is being funded directly by the assets of the Plan. In addition, West expects to make an additional contribution of approximately \$15.0 million to the Plan in order to maintain the Plan's funded status as of the transaction date. This contribution will be funded by cash on hand and debt financing, and it will be incremental to West's previous assumption of 2015 pension plan contributions of \$23.3 million.

A copy of the press release issued by West announcing the transaction is filed as Exhibit 99.2 hereto and is incorporated herein by reference.

West expects to recognize a non-cash, one-time pension settlement charge of approximately \$50.0 million pre-tax (approximately \$31.0 million after tax) in the third quarter of 2015.
