**Appointment of Principal Officers.**

On February 14, 2006, Dr. Ralph S. Cunningham, Michael A. Creel, Richard H. Bachmann, W. Randall Fowler and Stephen L. Baum were elected as directors of Enterprise Products GP, LLC ( Enterprise Products GP ), the general partner of Enterprise Products Partners L.P. (the Company ). In addition, O.S. Andras, W. Matt Ralls and Richard S. Snell resigned from the board of directors of Enterprise Products GP effective February 14, 2006. There were no disagreements between Messrs. Andras, Ralls, Snell and the Company on any matter relating to the Company s operations, policies or practices which resulted in their resignation. Following such resignations, Mr. Andras and Mr. Ralls were appointed directors of the general partner of Enterprise GP Holdings L.P., which owns a 100% membership interest in Enterprise Products GP. Mr. Snell was elected a director of the general partner of TEPPCO Partners L.P. ( TEPPCO, a publicly traded partnership affiliated with Dan L. Duncan) in January 2006. A copy of the press release announcing the reorganization of Enterprise Products GP s board of directors is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Following the reorganization of its board of directors, the directors of Enterprise Products GP are as follows:

<b>Name</b>	<b>Position with Enterprise Products GP</b>
Dan L. Duncan	Director and Chairman
Robert G. Phillips	Director, President and Chief Executive Officer
Dr. Ralph S. Cunningham	Director, Group Executive Vice President and Chief Operating Officer
Michael A. Creel	Director, Executive Vice President and Chief Financial Officer
Richard H. Bachmann	Director, Executive Vice President, Chief Legal Officer and Secretary
W. Randall Fowler	Director, Senior Vice President and Treasurer

(4) Chairman of Governance Committee

The newly elected inside directors Messrs. Cunningham, Creel, Bachmann and Fowler are current employees of EPCO, Inc. ( EPCO ) and executive officers of Enterprise Products GP. In accordance with an administrative services agreement between the Company and EPCO, the Company will be allocated a portion of the compensation paid to these individuals for their service as executive officers. No compensation will be paid to these individuals for their service as directors.

The Board of Directors of Enterprise Products GP has determined that Mr. Baum meets the director independence requirements under the applicable rules and regulations of the Securities and Exchange Commission and under the New York Stock Exchange s Audit Committee Additional Requirements. Mr. Baum s compensation will be paid by Enterprise Products GP in accordance with its standard compensation arrangement for outside directors.

As a result of the foregoing changes, the Board of Directors of Enterprise Products GP has only three independent directors (Messrs. Barnett, Jackson and Baum) and therefore no longer has a majority of independent directors. Because the Company is a limited partnership and meets the definition of a controlled company under the listing standards of the NYSE, the Company is not required to comply with certain requirements of the NYSE. Accordingly, the Company has elected to not comply with Section 303A.01 of the NYSE Listed Company Manual, which would

require that the Board of Directors of Enterprise Products GP be comprised of a majority of independent directors.
