Item 8.01. Other Events

On April 1, 2016, Weyerhaeuser Company closed the previously announced sale and contribution of approximately 260,000 acres of Southern U.S. timberlands formerly owned by Plum Creek Timber Company, Inc. (“Plum Creek”) to Twin Creeks Timber LLC (“Twin Creeks”), a timberlands joint venture. Weyerhaeuser received approximately \$440 million in cash and retains a 21% equity interest in the joint venture. The transaction was valued at approximately \$560 million, or \$2,150 per acre.

Twin Creeks was formed in September 2015 as a joint venture between Plum Creek and several institutional investors. Plum Creek merged with Weyerhaeuser in February 2016. Investors in the joint venture include the Washington State Investment Board, the Oregon Public Employees Retirement Fund, the Maine Public Employees Retirement System and the Alaska Permanent Fund Corporation. Silver Creek Capital Management, a Seattle-based fund manager and fiduciary to investors, acts as managing member and independent fiduciary for the joint venture.
