**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD DECEMBER 17, 2004**

VOTING INFORMATION

Date, time and place of meeting

The enclosed Proxy is solicited on behalf of the Board of Directors of Media Sciences International, Inc. for use at the Annual Meeting of Stockholders to be held on Friday, December 17, 2004 at 1:00 P.M., local time, at the American Stock Exchange, 86 Trinity Place, New York, New York 10006, or at any adjournment of the Annual Meeting for the purposes set forth in the accompanying Notice of Annual Meeting. We intend to mail this Proxy Statement and the accompanying Notice of Annual Meeting on or about November 17, 2004, to all stockholders entitled to vote at the Annual Meeting and to those entitled to notice of the proposals.

Purpose of meeting

There are three proposals scheduled to be voted on at the meeting, which are described in more detail in this Proxy Statement:

- election of seven directors;
- ratification of the issuances of employment-issued stock options for 200,00 shares of common stock; and
- ratification of the appointment of J.H. Cohn LLP as our independent registered public accounting firm.

Who can vote?

You can vote if you were a stockholder of record of our common stock as of the close of business on October 22, 2004. Our common stock is the only class of voting stock, and there is no cumulative voting. You are entitled to one vote for each share of common stock you held on the record date, including shares:

- held directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, as a holder of record, and
- held for you in an account with a broker, bank or other nominee (which means your shares are held in street name).

Am I entitled to vote if my shares are held in street name ?

If a bank or brokerage firm holds your shares, you are considered the beneficial owner of share held in street name. If your shares are held in street name, these proxy materials are being forwarded to you by your bank or brokerage firm, along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares in its discretion on the election of directors (Proposal No. 1), and the ratification of the appointment of the independent registered public accounting firm (Proposal No. 3). Absent your instructions, the record holder will not be permitted, however, to vote your shares on the ratification of stock plans (Proposal No. 2), and your shares will be considered broker non-votes on this proposal.

3

How many shares must be present to hold the meeting?

A majority of our outstanding shares of common stock as of the record date must be present at the meeting in person or by proxy in order to hold the meeting and conduct business. This is called a quorum. On the record date, there were 9,935,710 shares of common stock outstanding. Your shares are counted as present at the meeting if you have properly voted by Internet or telephone or submitted a proxy card prior to the meeting, or are present and vote in person at the meeting.

What vote is required to approve each proposal?

- Election of Directors.** Directors will be elected by a plurality of the votes present in person or by proxy at the Annual Meeting and entitled to vote on the proposal. This means that the seven nominees who receive the largest number of FOR votes will be elected as directors.
- Ratification of Issuance of Employee Stock Plans.** The proposal to ratify the employment-issued stock options pursuant to AMEX rules requires the FOR vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote on the proposal.
- Ratification of Accountants.** The proposal to ratify the appointment of the independent certified public accountants requires the FOR vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote on the proposal.

How are votes counted?

You may either vote **FOR** or **WITHHOLD** authority to vote for each nominee for the Board of Directors. If you withhold authority to vote with respect to any nominee, your shares will be counted for purposes of establishing a quorum, but will have no effect on the election of that nominee. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

You may vote **FOR**, **AGAINST** or **ABSTAIN** on the proposals to ratify the issuance of employee stock plans and the appointment of the independent auditor. If you abstain from voting on these proposals, your shares will be counted as present for purposes of establishing a quorum, and the abstention will have the same effect as a vote against that proposal. Broker non-votes are not considered shares entitled to vote.

All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made. If you just sign and submit your proxy card without voting instructions, your shares will be voted **FOR** each proposal.

How will broker non-votes be treated?

If you hold shares beneficially in street name, a voting instruction form will be forwarded to you by your bank, broker or other holder of record. If you do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from you. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are treated as shares present for quorum purposes, but not entitled to vote, thus effectively reducing the number of shares needed to approve the proposal. Your broker will be entitled to vote your shares in its discretion on the election of directors (Proposal No. 1), and the ratification of the appointment of the independent registered public accounting firm (Proposal No. 3), without your voting instructions on these items. Your instructions are needed to vote on the ratification of the stock plans (Proposal No. 2).

How does the Board recommend that I vote?

The Board of Directors recommends that you vote **FOR** each of the director nominees and **FOR** ratifications of the stock plans and the appointment of J.H. Cohn LLP as Media Sciences International's independent registered public accounting firm.

4

How do I vote my shares without attending the meeting?

Whether you hold shares directly, in street name, or through a stock ownership plan, you may direct your vote without attending the Annual Meeting.

If you are a stockholder of record, you may vote by granting a proxy, as follows:

- **By Internet or Telephone** You may submit your proxy by following the instructions on the proxy card. If you vote in this way, you do not need to return your proxy card. The telephone and Internet voting procedures are designed to authenticate your identity as a stockholder, allow you to give your voting instructions and confirm that your instructions have been recorded properly. The deadline for telephone and Internet voting is 11:59 p.m. Eastern Daylight Saving Time on December 16, 2004.
- **By Mail** You may vote by mail by signing and dating your proxy card and mailing it in the envelope provided. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example as guardian, executor, trustee, custodian, attorney or officer of a corporation), you should indicate your name and title or capacity.

If your shares are held in street name, you still may be able to vote your shares electronically by telephone or on the Internet. Please refer to the information on the voting instruction form forwarded to you by your bank, broker or other holder of record to see which voting options are available to you. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet. A large number of banks and brokerage firms participate in a program provided through ADP Investor Communications Services that offers telephone and Internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in the ADP program, you may vote those shares electronically by telephone or on the Internet by following the instructions set forth on the voting form provided to you by your broker, trustee, or nominee. If you provide specific voting instructions by mail, telephone or the

Edgar Filing: MEDIA SCIENCES INTERNATIONAL INC - Form DEF 14A

Internet, your shares will be voted by your broker or nominee as you have directed.

How do I vote my shares in person at the meeting?

Even if you plan to attend the meeting, we encourage you to vote by telephone, Internet or mail so your vote will be counted if you later decide not to attend the meeting.

If you choose to vote at the Annual Meeting and:

- you are a stockholder of record, to vote your shares at the meeting you should bring the enclosed proxy card and proof of identity.
- you hold your shares in street name, you must obtain a proxy in your name from your bank, broker or other holder of record in order to vote at the meeting.

Bring your proxy card (for record holders) or proof of beneficial ownership (for street name holders) such as a recent brokerage statement or a letter from your bank or broker, and proof of identity to the meeting.

May I change my vote, or revoke my proxy?

Yes. Whether you have voted by mail, telephone or the Internet, you may change your vote and revoke your proxy by:

- voting by telephone or the Internet at a later time,
- submitting a properly signed proxy card with a later date,
- voting in person at the Annual Meeting, or
- sending a signed statement with a later date to that effect to Media Sciences International, Inc., Attn.: Corporate Secretary, 40 Boroline Road, Allendale, New Jersey 07401.

Who is soliciting the proxies?

The attached Proxy is solicited on behalf of our Board of Directors. We will bear the cost of soliciting proxies. Proxies may be solicited by certain of our directors, officers and regular employees, without additional compensation, in person or by telephone or facsimile. In addition, we may retain the services of one or more firms to assist in the solicitation of proxies, and may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Our Board of Directors consists of seven members who will serve until the next Annual Meeting held in 2005 and until their respective successors are duly elected and qualified. We know of no reason why any nominee should be unable or unwilling to serve as a director. However, if any nominee should for any reason be unable or unwilling to serve, the proxies will be voted for such substitute nominees as management may designate.

Director Compensation

We have a compensation plan for our independent directors. Eligible outside directors are paid \$5,000 per year, payable quarterly, for attendance at regular and special meetings and may be reimbursed for their reasonable out-of-pocket expenses incurred in connection with their attendance at meetings of the Board of Directors and for other expenses incurred in their capacity as directors of Media Sciences International. Outside directors are granted five or ten year stock options under the incentive stock option plan to purchase 10,000 shares of common stock, exercisable at the fair market value on the date of appointment to the Board. Outside directors will also be granted, annually, additional stock options to purchase 5,000 shares of common stock.

Board Committees and Meetings

During the fiscal year that ended on June 30, 2004, the Board of Directors held five meetings. During this period, all of the directors serving on the Board at the time attended or participated in more than 75% of the aggregate of the total number of meetings of the Board of Directors. The Audit Committee met three times in connection with fiscal year 2004. The Compensation Committee met two times in connection with fiscal year 2004.

Audit Committee

The Audit Committee acts under a written charter adopted by the Board of Directors. The charter may be viewed online at www.mediasciences.com. The function of the Audit Committee includes: reviewing internal financial information; monitoring cash flow; budget variances and credit arrangements; reviewing the audit program of Media Sciences International; reviewing with Media Sciences International's independent registered public accounting firm the results of all audits upon their completion; annually selecting and recommending an independent registered public accounting firm; overseeing the quarterly unaudited reporting process; and, taking such other action as may be necessary to assure the adequacy and integrity of financial information distribution by Media Sciences International. Each member of the Audit Committee is independent, as defined under the American Stock Exchange's listing standards. The Audit Committee consists of non-employee directors whom Media Sciences International has determined are free of any relationship that could influence their judgement as a committee member and are not affiliated with a major vendor to, or a customer of, Media Sciences International.

In connection with our fiscal year ended 2004, our Audit Committee consisted of: Edwin Ruzinsky and Paul Baker. Mr. Ruzinsky is a financial expert. Through the review of our 2003 fiscal year financials, our Audit Committee consisted of: Edwin Ruzinsky, Paul Baker and Sagiv Shiv, a former board member.

Compensation Committee

The Compensation Committee acts under a written charter adopted by the Board of Directors. The charter may be viewed online at www.mediasciences.com. The function of the Compensation Committee is to make determinations concerning salaries and incentive compensation for our officers and employees.

The Compensation Committee has consisted of the following members of the Board of Directors: Paul Baker, Henry Royer and Michael W. Levin. The independent directors of the committee determined the compensation for the Chief Executive Officer and all other officers. In accordance with recent American Stock Exchange rules, prior to July 31, 2005, we intend to amend our Compensation Committee Charter to provide that the committee shall consist of at least three members of the Board, all of which are, in the business judgment of the Board, independent under the rules of the Sarbanes-Oxley Act and the American Stock Exchange.

Nominating Committee

We presently do not have a separate nominating committee of the Board of Directors for the selection of directors, and do not have a written nominating committee charter. Actions in connection with the consideration of director candidates were performed by the entire Board of Directors. The Board did not have a separate nominating committee because the Board believed that the experience, discussion and input of all directors were valuable in the nomination process, particularly because the focus of the Company's business has changed in the past five years. Director candidates have historically been identified by directors, officers, shareholders, and through business relationships. We have not operated with a written policy concerning the qualifications of candidates. Factors considered in the evaluation of candidates include a person's

Edgar Filing: MEDIA SCIENCES INTERNATIONAL INC - Form DEF 14A

occupation, work history, education, independence, business sophistication, financial and accounting acumen, familiarity with our business market, and other factors such as time commitment, personal litigation, community activities, and experience on other boards. We will consider director candidates recommended by security holders. Stockholders who wish to recommend candidates for director should submit such recommendations to the attention of the Board of Directors at our corporate office.

In 2004, the Board approved Alan Bazaar as a director to fill a vacancy. Mr. Bazaar was a candidate of a security holder, GFX Investments, LLC, an entity controlled by Richard L. Scott, which made a \$1.25 million equity investment in Media Sciences International in 2004.

In accordance with recent American Stock Exchange rules, prior to July 31, 2005, we intend to adopt a Nomination Committee Charter and to provide that the committee shall consist of at least three members of the Board, all of which are, in the business judgment of the Board, independent under the rules of the Sarbanes-Oxley Act and the American Stock Exchange.

Selection of Committee Members

Members of the Audit Committee and Compensation Committee are selected each year by our Board of Directors after our annual stockholders meeting. Selection to a committee of the Board of Directors is determined by the majority vote of the Board of Directors. The Board of Directors intends to elect incumbent directors who are re-elected to the Board of Directors to continue to serve on the committees they presently serve, except in circumstances where that is impractical or where American Stock Exchange rules or other applicable rules set a time limitation for service or other restriction.

Code of Ethics

We have adopted a code of ethics applicable to our directors, officers and employees. The code may be viewed online at www.mediasciences.com.

Communications with Directors

Any stockholder wishing to communication with any of our directors regarding Media Sciences International may write to the director or directors at: c/o Denise Hawkins, Corporate Secretary, Media Sciences International, Inc., 40 Boroline Road, Allendale, New Jersey 07401. The Secretary will forward these communications directly to the director(s). The independent directors of the Board review and approve the stockholder's communication process periodically to ensure effective communication with stockholders.

Director Attendance at Annual Stockholder Meetings

The Board has not adopted a policy regarding director attendance at the annual stockholder meeting. Directors are invited to attend. Directors Michael L. Levin and Frances Blanco attended last year's annual meeting.

Stock Option Plan

Under our incentive stock option plan for employees, which was adopted by our Board of Directors and approved by our shareholders in 1998, we reserved 500,000 shares of our common stock for issuance pursuant to exercises of incentive stock options. An incentive stock option entitles the holder to purchase a share of our common stock at a purchase price equal to the fair market value of the common stock on the day of grant. During the year ended June 30, 2004, no stock options granted under this stock option plan were exercised. As of June 30, 2004, we had outstanding stock options to purchase 367,156 shares of common stock, exercisable, subject to vesting, for five or ten years from the date of grant at prices of \$0.43 to \$4.00. If we undergo a change of control, the incentive based stock options shall vest immediately.

Employee Profit Sharing Plan

We have a tax-qualified employee paired profit sharing plan sponsored by Scudder Financial Services, Inc. This 401(k) plan covers all of our employees that have been employed for at least six months and meet other age and eligibility requirements. Under the 401(k) plan, employees may choose to reduce their current compensation by up to 15% each year and have that amount contributed to the 401(k) plan. We make matching contributions equal to 25% of the employee's contribution. In our discretion, we may contribute unmatched contributions. The 401(k) plan qualifies under Section 401 of the Internal Revenue Code, so that we can deduct contributions by employees or by us. Employee contributions to the 401(k) plan are fully vested at all times, and our contributions, if any, vest at the rate of 25% after two years and after two years at the rate of 25% a year until fully vested.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Media Sciences International's executive officers, directors, and persons who beneficially own more than ten percent of Media Sciences International's common stock to file with the Securities and Exchange Commission initial reports of beneficial ownership and reports of changes in beneficial ownership of Media Sciences International's common stock. Such persons are also required by Securities and Exchange Commission regulations to furnish Media Sciences International with copies of all such Section 16(a) forms filed by such person. Based solely on a review of the copies of such reports furnished to Media Sciences International, Media Sciences International is not aware of any material delinquencies in the filing of such reports, except as described below.

In connection with the obligation to make online filings commencing in 2003, officers and directors experienced delays in obtaining their respective initial Edgar filings codes, and, accordingly, were unable to file certain reports timely. These reports included the following:

- On August 18, 2003, Frances Blanco filed a Form 5 reporting the acquisition of employee stock options granted on April 7, 2003.
- On August 21, 2003, Duncan Huyler filed a Form 5 reporting the acquisition of employee stock options granted on April 7, 2003.
- On August 21, 2003, Duncan Yates filed a Form 5 reporting the acquisition of employee stock options granted on April 7, 2003.
- On August 25, 2003, Donald Gunn filed a Form 5 reporting the acquisition of employee stock options granted on April 6, 2003.
- On August 25, 2003, Sagiv Shai, a former director, filed a Form 5 reporting the acquisition of stock options granted as director compensation on January 21, 2003.
- On September 9, 2003, Michael Levin filed a Form 5 reporting the acquisition of employee stock options granted as of June 27, 2003.
- On November 14, 2003, each of Paul Baker and Edwin Ruzinsky filed a Form 5 reporting the acquisition of stock options granted as director compensation on May 6, 2003.

Other untimely filings included the following:

- On February 12, 2004, Berthel SBIC LLC filed a Form 4 reporting the acquisition of stock options granted in connection with director compensation on February 10, 2004.
- On February 26, 2004, Sagiv Shai, a former director, filed a Form 4 reporting the acquisition of stock options granted as director compensation on February 10, 2004.
- On July 7, 2004, Duncan Yates filed a Form 4 reporting the exercise of stock options and the sale of the underlying shares transacted on July 21, 2004. The reason for the late filing was the delay in obtaining replacement Edgar filing codes.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Between August 2000 and September 2003, we borrowed an aggregate of \$450,000 from Michael W. Levin, our President. The funds were used for general corporate purposes. The debt was structured through two notes payable. The first note, in the amount of \$255,000, bore an interest rate of 10% per annum and was payable in monthly installments of interest only through May 2004. The second note, in the amount of \$195,000, bore an interest rate of 20% per annum and was payable in monthly installments of interest only through May 2005. In January 2004, Mr. Levin, voluntarily reduced the interest rate on the loan due May 2005 to 10%. We repaid both loans in May and June 2004. There is no representation or assurance made that Mr. Levin will make any further loans to us.

These notes were unsecured. In June 2004, we repaid these notes after securing a one year, \$400,000 term loan from our bank, carrying an interest rate of the banks base rate plus 2%. At June 30, 2004, the interest rate on this term loan was 6%. In July 2004, three warrant holders exercised a total of 75,000 warrants for proceeds to the Company of \$75,000.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

J.H. Cohn LLP audited our financial statements for the fiscal year ended June 30, 2004. J.H. Cohn LLP has advised us that J.H. Cohn LLP has no direct or indirect financial interest in Media Sciences International or in any of its present or former subsidiaries, and that J.H. Cohn LLP has had, during the last three years, no connection with Media Sciences International or any of our present or former subsidiaries or affiliates other than as independent registered public accounting firm and related activities. A representative of J.H. Cohn LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if the representative desires to speak, and will be available to respond to appropriate questions of stockholders.

Wiss & Company LLP audited our financial statements for our fiscal year ended June 30, 2003. Wiss & Company had been our principal independent accountant since about June 1998. In 2003, Wiss & Company informed us that they decided to discontinue providing audit services to publicly-held companies registered with the United States Securities and Exchange Commission and to exit the practice area. In 2004, we requested Wiss & Company to stand for re-election as our principal independent accountant and to continue to perform audit services for us in connection with our 2004 fiscal quarters until we had the opportunity to select and obtain new independent registered public accounting firm in connection with our June 30, 2004 fiscal year end, and Wiss & Company agreed to do so. On February 10, 2004, we engaged J.H. Cohn LLP as our principal independent registered public accounting firm, and the services of Wiss & Company as our principal independent accountant were concluded. The change in accountants was necessitated by the decision of Wiss & Company to exit the SEC practice area. Our Audit Committee, and our Board of Directors, approved the selection of J.H. Cohn LLP as our principal independent registered public accounting firm. We did not previously consult with J.H. Cohn LLP regarding the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements, and no written or oral advice was provided that was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue.

Wiss & Company's reports on our financial statements for the years ended April 30, 1998, June 30, 1999, June 30, 2000, June 30, 2001, June 30, 2002 and June 30, 2003, and all subsequent interim periods through the termination date of February 10, 2004, were not modified as to uncertainty, audit scope, or accounting principles. There were no disagreements with Wiss & Company, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Wiss & Company's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its reports.

The Audit Committee reviews audit and non-audit services performed by J.H. Cohn LLP as well as the fees charged by J.H. Cohn LLP for such services. In its review of non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditor's independence. The Audit Committee has determined that the provision of non-audit services by J.H. Cohn LLP is compatible with maintaining its independence.

PRINCIPAL ACCOUNTING FEES AND SERVICES

Audit Fees

Fees for audit services provided by J.H. Cohn LLP, our current principal independent registered public accounting firm, during the year ended June 30, 2004 was \$11,315. Fees for audit services provided by Wiss & Company, LLP, our former principal accountant, during the years ended June 30, 2003 and 2004 were \$46,624 and \$11,710, respectively.

Audit services consisted primarily of the annual audits, review of our financial statements, and services that are normally provided by our accountants in connection with statutory and regulatory filings or engagements for those fiscal years.

22

Audit-Related Fees

There were no fees billed for services reasonably related to the performance of the audit or review of our financial statements outside of those fees disclosed above under the caption Audit Fees for fiscal years ended June 30, 2003 and 2004.

Tax Fees

Fees for tax services provided by J.H. Cohn LLP, our current principal independent registered public accounting firm, during the year ended June 30, 2004 was \$1,172. Such services were pre-approved by the Audit Committee. Fees for tax services provided by Wiss & Company, LLP, our former principal accountant, during the years ended June 30, 2003 and 2004 were \$9,153 and \$7,895, respectively.

Tax services related primarily to the preparation of company tax filings with regulatory agencies.

All Other Fees

There were no other fees billed for services.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. All services performed in 2004 were pre-approved.

DESCRIPTION OF OUR SECURITIES

Common Stock

The holders of the common stock are entitled to cast one vote for each share held of record on all matters presented to stockholders. The holders of common stock do not have cumulative voting rights, which means that the holders of more than 50% of the outstanding shares voting for the election of our directors can elect all of the directors, and in such an event, the holders of the remaining shares will be unable to elect any of our directors. Our certificate of incorporation does not provide that the holders of common stock have any preemptive right.

The holders of the outstanding shares of common stock are entitled to receive dividends out of assets legally available at such times and in such amounts as the Board of Directors may from time to time determine, subject to the rights of the holders of our preferred stock. Upon our liquidation, dissolution, or winding up, the assets legally available for distribution to the stockholders will be distributed equally among the holders of the shares, subject to the rights of the holders of our preferred stock.

Preferred Stock

Our Certificate of Incorporation allows our Board of Directors to issue shares of preferred stock in one or more series. The Board can fix for each series, voting powers, designations, preferences and relative, participating, or other special rights to the extent permissible under the

Edgar Filing: MEDIA SCIENCES INTERNATIONAL INC - Form DEF 14A

Delaware General Corporation Law. The Board has designated 1,000,000 shares as series A preferred stock. The Board, without a vote of the series A preferred stock holders, can increase the number of authorized series A preferred stock above the number of shares of series A preferred stock actually outstanding at any time.

The preferred stock does not carry voting rights.

23

Our series A preferred stock is convertible into shares of common stock. The holder can convert its series A preferred stock into shares of common stock beginning 30 days after the date of issuance. One share of preferred stock is presently convertible into five shares of common stock. The conversion rate is subject to a further adjustment on December 13, 2003. At that adjusted conversion rate, the number of shares of common stock receivable upon conversion shall equal \$10 divided by 75% of the average bid price of our common stock during the 90 days preceding December 13, 2003, with a maximum conversion rate of one share of series A preferred stock into five shares of common stock.

While we have series A preferred stock outstanding, we will not materially and adversely alter the rights of the series A preferred stock without the consent of a majority of the series A preferred stock holders. Under certain circumstances, we can redeem the shares of series A preferred stock for \$15.00 per share, plus all accrued and unpaid dividends. If we liquidate, wind-up or dissolve, we will pay to the holder, for each share of series A preferred stock, the sum of \$10 plus unpaid dividends out of our available assets. Once paid, the holders of series A preferred stock will have no right or claim to any of the remaining assets of our company. If our assets are not enough to pay them, then the holders of series A preferred stock shall share ratably in such distribution of assets.

Dividends

We have never declared any cash dividends on our common stock. Future cash dividends on the common stock, if any, will be at the discretion of our Board of Directors and will depend on our future operations and earnings, capital requirements and surplus, general financial condition, contractual restrictions, and other factors that the Board of Directors may consider important.

No shares of series A preferred stock are presently outstanding. Prior to January 1, 2004, we had shares of series A preferred stock issued and outstanding. Our series A preferred stock carried a fixed dividend at an annual rate of 11.5%. Dividends were to be paid each quarter in arrears. The first dividend payment occurred on January 1, 2000. The certificate of designation for the series A preferred stock provided that unless and until we have fully paid all dividends on the outstanding shares of series A preferred stock, we would not to declare or pay cash dividends, or distribute or set aside assets, for any of our other securities. Further, the certificate of designation for the series A preferred stock provided that we may not pay dividends if payment of dividends would violate certain financial criteria of our senior lending agreement with a financial institution.

Our senior lending agreement with a financial institution restricts the payment of dividends if certain financial conditions are not met. Under the senior lending agreement, we are required to maintain a certain level of tangible capital funds. Tangible capital funds is defined as the sum of stockholders' equity, plus subordinated debt, plus dividends payable, minus intangibles and loans to stockholders, employees, other related parties. The lender sets the level of tangible capital funds that we are required to maintain. For June 30, 2004, September 30, 2004, December 31, 2004, and March 31, 2005, the minimum levels were set at \$500,000, \$600,000, \$700,00 and \$800,000. Additionally, under the senior lending agreement, we are required to maintain a debt service coverage ratio of not less than 1.2 to 1 for the quarter ending September 30, 2004 and of not less than 1.35 to 1 for the quarters ending thereafter. The ratio is determined on a quarterly basis, considering net income plus interest expense, tax expense, depreciation and amortization expense, less, the sum of dividends actually paid, unfunded capital expenditures and taxes actually paid, divided by the sum of the current portion of long term debt actually paid, any unscheduled debt payments, and interest expense actually paid.

We do not pay, but we do accrue, dividends if payment would violate the terms of the senior lending agreement. As of June 30, 2004, we are not in default of the financial restrictions of the senior lending agreement that prohibits the payment of dividends. As of June 30, 2003, and as of September 30, 2003, payment of all accrued but unpaid dividends would have violated the tangible capital funds level and the debt service coverage ratio that we are required to maintain under the senior lending agreement. We qualified to recommence the payment of dividends on or about January 1, 2004.

24

Edgar Filing: MEDIA SCIENCES INTERNATIONAL INC - Form DEF 14A

- o in the year ended June 30, 2002, we accrued \$577,476 of stock dividends and paid dividends totaling \$52,039 through issuance of 53,558 shares of common stock valued at \$0.95 to \$1.10 per share, and as of June 30, 2002, we had \$113,849 in dividends accrued and unpaid;
- o in the year ended June 30, 2003, we accrued \$586,059 of stock dividends and paid dividends totaling \$43,556 through issuance of 45,847 shares of common stock valued at \$0.95 per share, and as of June 30, 2003, we had \$699,919 in dividends accrued and unpaid;
- o in the three months ended September 30, 2003, we accrued \$157,406 in dividends; and, as of September 30, 2003, an aggregate of \$857,325 in dividends remained accrued and unpaid; and
- o in 2004, we paid an aggregate of \$66,125 in accrued dividends.

As of June 30, 2004, we do not have any unpaid or accrued dividends on our preferred stock or other securities.

PROPOSAL NO. 2 TO VOTE UPON THE RATIFICATION OF THE ISSUANCES OF EMPLOYMENT-ISSUED STOCK OPTIONS FOR 200,000 SHARES OF COMMON STOCK

Through this proposal, we are asking our stockholders, for purposes of complying with the American Stock Exchange (AMEX) rules, to ratify the issuances of stock options exercisable into 200,000 shares of common stock granted to two officers in the course of employment terms, and not issued pursuant to the Media Sciences International s Incentive Stock Option Plan.

The purpose of ratification is to comply with the rules of the American Stock Exchange, to the extent applicable. Section 711 of AMEX s Company Guide requires us to obtain shareholder approval for stock options granted or to be granted to officers, directors or key employees, regardless of whether or not such authorization is required by law or by the company s charter, unless the issuance qualifies under a specified exception.

The Board believes that the approval of the stock plans is in the best interests of the Company and its stockholders, as stock plans are an important factor in attracting, motivating and retaining qualified employees who will be essential to the success of the Company.

In order to comply with AMEX rules, we are requesting that you ratify the issuances described below.

New Plan Benefits

The table below summarizes stock options granted to executive officers and non-executive management level employees in connection with employment, and not issued pursuant to previously shareholder-approved equity compensation plans, during fiscal year ended 2004. The dollar values of the options was determined by multiplying the number of stock options by the difference between the fair market value of a share of common stock underlying an option and the exercise price of the option. The last sale price of a share of our common stock on June 30, 2004 was \$1.54, as reported by AMEX.

Name and Position -----	Dollar Value (\$) -----	Number of Options -----
Michael W. Levin, CEO	\$ 0	0
Frances Blanco, Vice President	\$48,000	100,000
Duncan Huyler, Vice President	\$48,000	100,000
Executive Group	\$96,000	200,000
Non-Executive Director Group	\$ 0	0
Non-Executive Officer Employee Group	\$ 0	0

On May 24, 2004, in connection with employment services, we issued to each of Frances Blanco and Duncan Huyler stock options to purchase 100,000 shares of our common stock. For each of Frances Blanco and Duncan Huyler, stock options to acquire 50,000 shares were deemed vested on the grant date, and the remaining 50,000 options are subject to vesting over the period May 25, 2004 through May 24, 2006. The options are exercisable at \$1.06 per share and expire on May 24, 2014.

The stock options are nonqualified stock options. In general, a holder to whom a nonqualified option is granted will recognize no taxable income at the time of the grant. Upon exercise of a nonqualified option, the holder will recognize ordinary income in an amount equal to the amount by which the fair market value of the common stock on the date of exercise exceeds the exercise price of the nonqualified option, and the Company will generally be entitled to a deduction equal to the ordinary income recognized by the holder in the year the holder recognized ordinary income, subject to the limitations of Section 162(m) of the Code. The Company is required to withhold certain income taxes from persons upon exercise of nonqualified options. The Company will be entitled to a business expense deduction for both financial statement and for federal income tax purposes equal to the ordinary income recognized by the holder in the year the person recognizes ordinary income from the exercise of nonqualified options.

Required Vote

The affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote on the proposal is required to ratify the issuances in connection with employment-issued stock options for purposes of satisfying AMEX additional share listing requirements, if required.

**The Board of Directors recommends a vote FOR

PROPOSAL NO. 3

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2005.

Although stockholder action in this matter is not required, the Board of Directors believes that it is appropriate to seek stockholder ratification of this appointment in light of the critical role played by independent registered public accounting firm in maintaining the integrity of our financial controls and reporting. If our stockholders fail to ratify the appointment, the Board of Directors will reconsider the selection. Even if the selection is ratified, the Board of Directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year, if the Board of Directors determines that such a change would be in the best interests of Media Sciences International and our stockholders.
