ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Board of Directors (the “Board”) of U.S. Concrete, Inc. (the “Company”) previously adopted the U.S. Concrete, Inc. Long Term Incentive Plan (the “LTIP”). The LTIP is maintained to, among other things, attract, retain and motivate certain employees, directors, and consultants of the Company and its subsidiaries (the “Company Entities”). On June 27, 2013, the Board approved a form of award agreement that will be used to grant restricted stock awards pursuant to the LTIP (the “Restricted Stock Agreement”). The following is intended to provide a brief description of the Restricted Stock Agreement, but is not a complete description and is qualified in its entirety by reference to the Restricted Stock Agreement (Employee Form) filed as Exhibit 10.1 to this Form 8-K.

The Restricted Stock Agreement (substantially in the form filed hereto as Exhibit 10.1) will set forth the number of restricted shares a recipient may be entitled to receive, subject to certain forfeiture restrictions and the applicable vesting schedules as determined by the compensation committee of the Board at the time of an award. The Restricted Stock Agreement will subject the restricted shares to both a time-based vesting schedule and a performance-based vesting schedule tied to one of the performance measures that are set forth in the LTIP. The Restricted Stock Agreement provides for the forfeiture of unvested awards in the event that the participant is terminated for any reason other than death or due to a “change of control,” which is generally defined in the LTIP as the occurrence of “a change in the ownership” of the Company, “a change in effective control” of the Company, or “a change in the ownership of a substantial portion of the assets” of the Company, in each case, within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder. The vesting schedule in the Restricted Stock Agreement shall be accelerated in the event that the participant’s termination of services ends due to the participant’s death, or upon the occurrence of a change of control (as described above and more fully defined in the LTIP). The foregoing provisions of the Restricted Stock Agreement may be overridden by the terms of a particular participant’s individual employment, change in control, severance or similar agreement.

The Restricted Stock Agreement attached to this report provides for the prompt delivery of certificates or other evidence of the number of shares of restricted stock as to which restrictions have lapsed for a participant, subject to such participant’s and the Company’s compliance with all applicable tax withholding and securities laws and restrictions.
