Shareholders Entitled to Vote	Only Dakota shareholders of record at 5:00 p.m., Las Vegas time on March 1, 2002 are entitled to notice of and to vote at the Annual Meeting.
Vote Required	Under North Dakota law, the Proposals at the Annual meeting require the affirmative vote of the holders of a majority of the Dakota Common Stock outstanding and entitled to vote. (See "Introduction," and "The Proposal-Vote Required.") The officers and directors of Dakota control an

aggregate of 18,000,000 shares of common stock and 1,500,000 shares of preferred stock. The preferred stock has 10:1 voting rights. Therefore, in the aggregate, the officers and directors of Dakota control, and intend to vote, 33,000,000 votes, of the total potential aggregate votes of 49,015,000, (34,015,000 common share votes, and 15,000,000 preferred votes), or approximately 67%, consequently the passage of the proposals is assured.

Recommendation of the Board of Directors of Dakota

Our Board of Directors has determined that the Proposals are advisable and in the best interests of Dakota and our shareholders and that the Proposals are fair to our shareholders. Our Board of Directors recommends that you vote "FOR" adoption of the Proposals.

### QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

WHAT DOES OUR BOARD OF DIRECTORS RECOMMEND?

Our Board of Directors recommends that you vote "FOR" adoption of the Proposals. Our Board of Directors has determined that the Proposals are advisable and in the best interests of Dakota and our shareholders and that the Proposals are fair to our shareholders.

Our Board of Directors has approved and recommended adoption of the Proposals.

IF MY SHARES OF DAKOTA COMMON STOCK ARE HELD IN "STREET NAME" BY MY BROKER, WILL MY BROKER VOTE MY SHARES FOR ME?

No. The law does not allow your broker to vote your shares of Dakota common stock on the Proposals at the Annual meeting without your direction. You should follow the instructions from your broker on how to vote your shares. Shares that are not voted because you do not instruct your broker are called "broker non-votes," and will have the effect of a vote "AGAINST" the Proposals.

IF I SEND IN MY PROXY CARD BUT DO NOT INDICATE MY VOTE, HOW WILL MY SHARES BE VOTED?

If you sign and return your proxy card but do not indicate how to vote your shares at the Annual meeting, the shares represented by your proxy will be voted "FOR" the Proposals.

WHAT IF I DON'T RETURN MY PROXY CARD?

Since it takes a majority of the shares outstanding to approve the Proposals, not returning your proxy card is the same as voting against the Proposals.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

### WHAT SHOULD I DO NOW TO VOTE AT THE ANNUAL MEETING?

Sign, mark and mail your proxy card indicating your vote on the Proposals in the enclosed return envelope as soon as possible, so that your shares of Dakota common stock can be voted at the Annual meeting.

### MAY I CHANGE MY VOTE AFTER I MAIL MY PROXY CARD?

Yes. You may change your vote at any time before your proxy is voted at the Annual meeting. You can do this in one of three ways:

\* You can send Dakota a written statement that you revoke your proxy, which to be effective must be received prior to the vote at the Annual meeting;

\* You can send Dakota a new proxy card prior to the vote at the Annual meeting, which to be effective must be received by Dakota prior to the vote at the Annual meeting; or

\* You can attend the Annual meeting and vote in person. Your attendance alone will not revoke your proxy. You must attend the Annual meeting and cast your vote at the Annual meeting.

Send any revocation of a proxy or new proxy card to the attention of the Corporate Secretary at Dakota, 4483 West Reno Avenue, Las Vegas, Nevada (702) 221-8070. If your shares are held in street name, you must follow the directions provided by your broker to vote your shares or to change your instructions.

### THE ANNUAL MEETING

#### TIME, PLACE AND DATE

We are furnishing this proxy statement to Dakota shareholders in connection with the solicitation of proxies by the Dakota Board of Directors for use at the Annual meeting of shareholders of Dakota to be held on April 4, 2002, at 10:00 a.m., local time, at the Conference Room, Suite 115, 111, 1850 East Flamingo Rd., Las Vegas, Nevada, or any adjournment or postponement thereof, pursuant to the enclosed Notice of Annual Meeting of Shareholders.

#### PURPOSE OF THE MEETING

At the Annual meeting, holders of Dakota common stock of record as of the close of business on March 1, 2002 will be eligible to vote upon:

#### ITEM 1. Election of Directors:

Our shareholders elect the members of the Board of Directors annually. Current nominations are for Gregg Giuffria, Veldon Simpson, and Richard Hannigan. The nominees have consented to their nomination to the Board of Directors, and will serve if elected. However, if any nominee should become unable or unwilling for good cause to serve for any reason, proxies may be voted for another person nominated as a substitute by the Board of Directors, or the Board of Directors may reduce the number of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF GREGG GIUFFRIA, VELDON SIMPSON AND RICHARD HANNIGAN.

#### ITEM 2. Change of fiscal year from October 31 to December 31:

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

The Company is proposing to change its year-end from 10/31 to 12/31. The basis for the year-end change is to harmonize the release of the Company's quarterly and annual financial statements and operating results with the release of similar information by the majority of the companies in its industry. This will facilitate the comparison of the Company's financial and operating performance to other companies in its peer group.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR CHANGE OF FISCAL YEAR FROM OCTOBER 31 TO DECEMBER 31.

ITEM 3. Change of name from Dakota Imaging, Inc. to Voyager Entertainment International, Inc.:

On February 8, 2002, pursuant to a reverse triangular merger, Voyager Ventures, Inc. became our wholly-owned subsidiary. As a result of this merger, our business focus and plan were changed to become an Entertainment and Themed Attraction company primarily focusing on the construction of unique new attractions throughout the World.

The Company's first major project will be to design, finance, develop and manage a unique new attraction to be located on the Las Vegas Strip. It is the intention of the Company to build the world's largest Ferris wheel with 33 vehicles called Sky Cruiser's. The vertical revolving vehicles will overlook the Las Vegas Strip as it revolves higher than a 50-story building at 518 feet. One slow rotation in a vehicle will last 24 minutes and each vehicle will travel at 0.652 MPH.

In connection with the merger our Board of Directors believes it is important that our corporate name be reflective of our future business enterprise. Accordingly, our Board of Directors has unanimously approved "Voyager Entertainment International, Inc." as our corporate name. If the name change is approved by the shareholders our Certificate of Incorporation will have to be amended and filed with the North Dakota Secretary of State in order to make the name change effective. A copy of the Amendment to the Certificate of Incorporation is attached hereto as Exhibit A.

The proposed amendment reads as follows:

A. Paragraph 1 shall be deleted in its entirety and the following inserted in lieu thereof:

Article 1. The name of the corporation as reflected in the Articles of Incorporation on file with the Secretary of State.

VOYAGER ENTERTAINMENT INTERNATIONAL, INC.

If the shareholders vote in favor of the name change, certificates for shares of the Company's common stock issued under Dakota Imaging, Inc.'s name will continue to represent the same interest in the Company under the new

name. IT WILL NOT BE NECESSARY FOR SHAREHOLDERS TO EXCHANGE THEIR COMPANY STOCK CERTIFICATES, ALTHOUGH SHAREHOLDERS MAY EXCHANGE THEIR CERTIFICATES IF THEY WISH, AT THEIR SOLE EXPENSE.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE NAME CHANGE TO VOYAGER ENTERTAINMENT INTERNATIONAL, INC.

ITEM 4. Amend the Company's Certificate of Incorporation:

The Company is proposing to amend its Certificate of Incorporation to

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

provide for holders of a majority of the Company's voting stock to take corporate action by written consent, without having to submit the action to a vote of all of the shareholders.

Pursuant to current North Dakota law (section 10-19.1-75 (1)) "If the articles so provide, any action may be taken by written action signed by the shareholders who own voting power equal to the voting power that would be required to take the same action at a meeting of the shareholders at which all shareholders were present."

Additionally, Section 14(c) and Schedule 14C of the Securities Exchange Act of 1934 requires that if action is being taken by written consent when a special or annual meeting to solicit shareholders would otherwise be required, we must deliver an information statement, pursuant to the above mentioned rule, 20 calendar days prior to the taking of such corporate action. This coincides with the changes made to the Amended and Restated Bylaws.

This proposal has the effect of eliminating the need for a shareholders vote in situations where a majority of the shareholders are willing to approve of a matter in writing without a meeting. This saves the expense of a shareholders meeting, in addition to saving on the cost of expensive proxy solicitation material. However, as a result of proxy rule 14(c) the shareholders would receive information on the action to be taken, 20 days in advance of the action, providing time for the shareholders to take action against the majority consent. The negative impact of this amendment is that minority shareholders will not have the ability to share their opinions at a meeting of the shareholders.

The proposed amendment reads as follows:

The following shall be added as Article 6.

Pursuant to Section 10-19.1-75 of the North Dakota Business Corporation Act, any action which may be taken at any annual or special meeting of shareholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. All such consents shall be filed with the secretary of the corporation and shall be maintained in the corporate records. Any shareholder giving a written consent, or the shareholder's proxy holders, or a transferee of the shares of a personal representative of the shareholder or their respective proxy holders, may revoke the consent by a writing received by the secretary of the corporation prior to the time that written consents of the number of shares required to authorize the proposed action have been filed with the secretary.

A notice of action to be taken by majority stockholder consent shall be sent or otherwise given in a manner in accordance with Section 5 of Article II of the Bylaws, not less than twenty (20) calendar days prior to the earliest date on which the corporate action may be taken. The notice shall specify: (i) the general nature of the corporate action(s) to be taken; (ii) the date on which the majority stockholder consent was given; (iii) the effects of the action(s) on the corporation and/or its stockholders; and (iv) any conflicts of interest that are present with regards to the action(s) to be taken between the corporation's officers, directors and/or their affiliates. A shareholder who does not sign or consent to the written action has no liability for the action or actions taken by the written actions.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION.

### ITEM 5. Amend and restate the Company's Bylaws:

The original Bylaws of Dakota were initially created for a closely held corporation. The Amended Bylaws are better suited to the corporate governance necessary to effectively operate as a public company. The following represent the material changes which are being proposed for the Company:

1. Current Bylaws set the annual shareholder's meeting on February 15th of each year.

Proposed Bylaws - Article II, Section 2. sets the annual meeting at a date and time to be designated by the board of directors.

EXPLANATION: This amendment allows the Company flexibility in setting its annual shareholder meeting to coincide with the 10-KSB filing and submittal of annual reports to the shareholders.

2. Current Bylaws provide for special meetings to be called by all of the directors, provided there are no more than three. If there are more than three, by any three directors.

Proposed Bylaws - Article II, Section 3 provides for special meetings to be called at the request in writing of a majority of the board of directors, or at the request in writing of shareholders holding shares in the aggregate entitled to cast not less than a majority of the votes at any such meeting.

EXPLANATION: This amendment prevents one director from delaying corporate action while at the same time providing the majority shareholders the opportunity to call a special meeting.

3. Current Bylaws provide for notice of shareholders' meetings to be given at least 10 days prior to the meeting. There is no provision requiring notice to contain the nature of business to be transacted.

Proposed Bylaws - Article II, Section 4 requires notice to be given not less than ten (10) nor more than sixty (60) days before the date of the meeting. The proposed bylaw also requires the notice to state the general nature of the business to be transacted and also adds language providing that, if action is proposed to be taken at any meeting for approval of (i) contracts or transactions in which a director has a direct or indirect financial interest (ii) an amendment to the articles of incorporation, (iii) a reorganization of the corporation, (iv) dissolution of the corporation, or (v) a distribution to preferred shareholders, the notice shall also state the general nature of such proposal.

EXPLANATION: This amendment, by causing the management to state the nature of business being transacted in the shareholders' meeting, provides a shareholder with advance notice of what is to be discussed and voted on, which provides a further opportunity to determine the shareholder's position on the issue. Further, the requirement coincides with 14(a) proxy rules under the Securities Exchange Act of 1934.

4. Current Bylaws provide for (1) notice to be given either personally or by mail (2) makes no discussion for future notices in the event notice is returned to the corporation marked to indicate that the United States Postal Service is unable to deliver and (3) does not require affidavit of mailing of notice.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Proposed Bylaws - Article II, Section 5 would allow for (1) notice to be given either personally, by mail, telegraphic or by other written communication, (2) in the event notice is returned from the United States Postal Service marked to indicate that they are unable to deliver at such address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available to the shareholder upon written demand of the shareholder and (3) provides that an affidavit of mailing or other means of giving notice of any shareholders' meeting shall be executed by the person giving such notice and shall be filed and maintained in the minute book of the corporation.

EXPLANATION: This amendment places a burden on the shareholder to provide a change of address to the Company in the event a change of address for the shareholder actually occurred. The amendment saves potential additional costs to the corporation in tracking down shareholders or continuous mailing to improper addresses.

5. Current bylaws provide that, in the event of adjournment due to a quorum not being present, the shareholders present may adjourn the meeting to some other date and new notice shall be mailed at least 10 days prior to the meeting date.

Proposed Bylaws - Article II, Section 7, allows adjournment by the vote of the majority of the shares represented at such meeting, either in person or by proxy, but in the absence of a quorum, no other business may be transacted

at such meeting. When any meeting of shareholders, either annual or special, is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at a meeting at which the adjournment is taken.

EXPLANATION: This eliminates duplicative notice resulting in additional expenses to the Company.

6. Current Bylaws do not discuss voting.

Proposed Bylaws - Article II, Section 8, describes in detail who may vote and the procedure for voting.

EXPLANATION: This amendment clarifies the details of the voting process, which is one of the most important aspects of corporate governance.

7. Current Bylaws require action by written consent without a meeting to be signed by all shareholders.

Proposed Bylaws - Article II, Section 10 allows for action by written consent without a meeting if a consent in writing, setting forth the action so taken is signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize to take such action at a meeting at which all shares entitled to vote thereon were present.

Proposed Bylaws - Article II, Section 11, provides that, in the event action is taken by majority consent, notice shall be given to each shareholder not less than twenty (20) calendar days prior to the earliest date on which the corporate action may be taken.

EXPLANATION: This amendment allows the majority shareholders to take action without the expense of a shareholder's meeting. Additionally, the amendment

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

provides for notice 20 days in advance of the action taken, providing the shareholders with ample opportunity to attempt to disrupt the action. Further, the 20 day notice period falls in line with 14(c) of the proxy rules under the Securities Exchange Act of 1934.

8. Current Bylaws do not describe proxies and proxy procedure. They basically state that shareholders may vote by proxy, but do not describe the proxy procedure.

Proposed Bylaws - Article II, Section 12, describes proxies and the proxy procedure in detail.

EXPLANATION: This amendment enhances the ability of the Company to operate under the corporate governance which is requisite in the operation of a public company.

9. Current Bylaws do not provide for an Inspector of Election.

Proposed Bylaws - Article II, Section 13 provides for an Inspector of Election and the duties of the inspector.

EXPLANATION: This amendment provides for verification of the votes required to take corporate action. It further creates a responsibility in the inspector.

10. Current Bylaws do not list powers of the directors.

Proposed Bylaws - Article III, Section 1 describes the powers of the directors in detail.

EXPLANATION: The purpose of this amendment is to provide the corporate governance constraints on the board of directors, and further, provide the shareholders with an understanding as to what authority the board of directors has over the management of the company.

11. Current Bylaws requirement is "at least two directors". This Bylaw does set a maximum number of directors.

Proposed Bylaws - Article III, Section 2 authorize the number of directors to be no fewer than one (1) nor more than seven (7). The exact number of authorized directors shall be set by resolution of the board of directors, within the limits specified above.

EXPLANATION: Although this provision has the effect of potentially reducing the number of directors from the previous two directors, it allows one director, if necessary to operate the Company until another director is nominated. Additionally, by providing for seven (7) directors, there is sufficient provision for two outside directors as required by some stock exchanges.

12. Current Bylaws discuss briefly the resignation and removal of directors and the filling of vacancies. The basic requirements are similar to the proposed bylaws.

Proposed Bylaws - Article III, Sections 4 and 5 discuss in more detail the resignation and removal of directors process and the procedure for filling vacancies.

EXPLANATION: This amendment clarifies the resignation and removal process of directors.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

13. Current Bylaws do not provide for set annual meetings of directors.

Proposed Bylaws - Article III, Section 7 provides for an annual meeting of directors to be held immediately following each annual meeting of shareholders.

EXPLANATION: This amendment mandates at least one directors meeting, which will assist the Company in its management oversight.

14. Current Bylaws give basic procedures for regular or special meetings of directors.

Proposed Bylaws - Article III, Sections 8, 9, 10 and 11 describe in detail the procedure for "Other Regular Meetings", "Special Meetings", "Quorum" and Waiver of Notice.

EXPLANATION: The existing Bylaws were insufficient in describing the procedures for meetings of directors. The proposed Bylaws conform to the detail required to operate a Company with greater corporate governance.

15. Current Bylaws do not provide for adjournment of directors meeting.

Proposed Bylaws - Article III, Sections 12 and 13 provide that a majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours.

EXPLANATION: This amendment allows the directors who showed up for a properly called meeting to continue the meeting without the requirement of a future notice, which notice may delay action required by the Board.

16. Current Bylaws do not provide for fees and compensation of directors.

Proposed Bylaws - Article III, Section 15 provides that directors and members of committees may receive such compensation, if any, for their services, and such reimbursement of expenses, as may be fixed or determined by resolution of the board of directors.

EXPLANATION: This amendment allows the Company to compensate its directors, which in turn is intended to provide a greater management team for the Company.

17. Current Bylaws do not provide for Committees.

Proposed Bylaws - Article IV, Sections 1 and 2 provide for committees of directors.

EXPLANATION: This amendment provides for committees of directors, such as audit committees, compensation committees, or acquisition or merger committees, required to operate a public company with disclosure requirement.

18. Current Bylaws do not have a provision for an office of Chief Executive Officer and provides for the President to be the highest office.

Proposed Bylaws - Article V, Section 6 provides for a Chief Executive Officer who shall be the principal executive officer of the corporation and, subject

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

to the control of the board of directors, shall, have general charge of the business, affairs and property of the corporation and general supervision over the officers, employees and agents.

Proposed Bylaws - Article V, Section 7 provides that the President shall be the chief operating officer of the corporation and subject to the control of the board of directors and supervision of the chief executive officer.

EXPLANATION: This amendment creates the opportunity for the Company to have an additional executive officer, which provides additional management oversight potential for the Company.

19. Current Bylaws briefly describe the duties of Vice Presidents, Secretary and Treasurer.

Proposed bylaws - Article V, Sections 8, 9 and 10 describe the duties of Vice Presidents, Secretary and Treasurer in detail.

EXPLANATION: This amendment assists the Company in its management operations, by providing a better method of allocating responsibility.

20. Current Bylaws provide for the Indemnification of Officers and Directors. This is a very basic indemnification and does not discuss the indemnification process in any detail.

Proposed Bylaws Article VI, Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 discuss the indemnification of directors, officers, employees and other agents in detail, including, but not limited to, defense of action, required approval, advance of expenses, insurance and retroactive effect.

EXPLANATION: Although the current Bylaws provide for Indemnification of Officers and Directors, the new amendment is intended to clarify the basis of indemnification, to prevent future litigation, which is expensive to the Company. Additionally, by having greater clarity in the Indemnification, the Company may attract better management in the future.

21. Current Bylaws do not make any formal provision or procedure for maintaining records and books.

Proposed Bylaws Article VII, Section 1 requires the corporation to keep at its principal executive office, or at the office of its transfer agent or registrar, a record of shareholders.

Article VII, Sections 2, 3 and 5 require the corporation to maintain at its principal executive office the original or copy of the bylaws as amended to date, together with the accounting books and records and minutes of proceedings of the shareholders and board of directors and any committee or committees of the board of directors and a copy of any annual financial statement and any income statement of the corporation for each quarterly period of each fiscal year, and any accompanying balance sheet of the corporation as of the end of each such period, that has been prepared by the corporation.

EXPLANATION: Inherent in the ability to operate the Company, and provide the required disclosure under the Securities Exchange Act of 1934, is a requirement by management that they maintain proper records of the Company.

22. Current Bylaws have no provision for general corporate matters.

Proposed Bylaws - Article VIII provide for the following general corporate

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

matters.

Section 1. Record Date. This provision describes in detail the record date for the purpose of determining the shareholders entitled to notice of any meeting or to vote or entitled to receive payment of any dividend or other distribution or allotment of any rights or entitled to exercise any rights in respect of any other lawful action.

Section 2. Closing of Transfer Books. The directors may prescribe a period not exceeding sixty (60) days prior to any meeting of the shareholders during which no transfer of stock on the books of the corporation may be made, or may fix a date not more than sixty (60) days prior to the holding of any such meeting as the day as of which shareholders entitled to notice of and to vote at such meeting shall be determined.

Section 3. Registered Shareholders. Describes registered shareholders.

Section 4. Checks, Drafts, Evidences of Indebtedness. Describes how all checks, drafts, evidences of indebtedness are to be handled by the corporation.

Section 5. Corporate Contracts and Instruments; How Executed. Sets an execution procedure for contracts.

Section 6. Stock Certificates. Describes the corporation's stock certificates, procedure for issuance and designates what officers may execute the certificates.

Section 7. Dividends. Sets a procedure for the payment of dividends, if any.

Section 8. Fiscal Year. Sets the Corporations fiscal year as December 31st.

Section 9. Seal. Describes what shall be inscribed on the corporate seal.

Section 10. Representation of shares of other corporations. Describes the procedure for voting any and all shares of any other corporation or corporations, foreign or domestic, standing in the name of the corporation.

Section 11. Construction and Definitions. Explains that, unless the context requires otherwise, the general provisions, rules of construction, and definitions in the North Dakota General Corporation Law shall govern the construction of the bylaws.

EXPLANATION: This amendment was required as a result of the deficiencies in the current Bylaws relative to corporate matters which are important for any

company, however significantly more important to a public company with added disclosure and corporate governance issues.

POTENTIAL NEGATIVE CONSEQUENCES TO SHAREHOLDERS OF AMENDING AND RESTATING THE BYLAWS.

7-Majority Consent. The proposed change to the Bylaws allowing for actions to be taken by a vote of the Company's majority shareholders negatively impacts minority shareholders by not allowing them the ability to share their opinions at a meeting of the shareholders and not allowing them to actually vote to approve or deny the action that is to be taken.

11-Change in Number of Directors. The proposed change to the Bylaws

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

allowing for there to be no fewer than 1 nor more than 7 directors may have a negative effect on shareholders by allowing the Company to be governed by a single director. In such a circumstance decisions would be made by a single individual without the assistance of other board members. Because all business and affairs of the Company and all corporate powers are managed under the direction of the board of directors, a board of directors consisting of one individual could have a material effect on the operations of the Company. The single board member would have the authority to:

- \* Select and remove all officers, agents, and employees of the corporation, prescribe such powers and duties for them as may not be inconsistent with law, with the articles of incorporation or these bylaws, fix their compensation, and require from them security for faithful service;
- \* Change the principal executive office or the principal business office from one location to another; cause the corporation to be qualified to do business in any other state, territory, dependency, or foreign country and conduct business within or without the State; designate any place within or without the State for the holding of any stockholders' meeting, or meetings, including annual meetings; adopt, make and use a corporate seal, and prescribe the forms of certificates of stock, and alter the form of such seal and of such certificates from time to time as in their judgment they may deem best, provided that such forms shall at all times comply with the provisions of law;
- \* Authorize the issuance of shares of stock of the corporation from time to time, upon such terms as may be lawful, in consideration of money paid, labor done or services actually rendered, debts or securities cancelled, tangible or intangible property actually received; and
- \* Borrow money and incur indebtedness for the purpose of the corporation, and cause to be executed and delivered therefor, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, or other evidences of debt and securities therefor.

16-Fees and Compensation to Directors. The proposed amendment to the Bylaws allowing for director fees and compensation could have a negative effect on the Company and its shareholders. Directors may become influenced to act in

an unethical fashion because of financial motivations. In addition, directors that are independent (not officers or employees of the Company) may be compelled, through the payment of fees or other compensation, to jeopardize their independence and act in a manner contrary to the best interests of the Company or its shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE AMENDMENT AND RESTATEMENT OF THE BYLAWS.

ITEM 6. Ratify the appointment of MERDINGER, FRUCHTER, ROSEN & CORSO, P.C. as the Company's new auditor:

The Company's Board of Directors has voted to engage MERDINGER, FRUCHTER, ROSEN & CORSO, P.C. as its new independent auditor's for the fiscal year ending December 31, 2002. CLYDE BAILEY P.C., of San Antonio, Texas, is the current auditor of the Company. He has agreed to resign as auditor upon approval of the shareholders of the ratification of MERDINGER, FRUCHTER, ROSEN & CORSO, P.C.

The change in accountants does not result from any dissatisfaction with the quality of professional services rendered by CLYDE BAILEY P.C. as the

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Company's independent accountant. Please see the "INDEPENDENT AUDITORS" section of this Proxy Statement for additional information on the change of auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF MERDINGER, FRUCHTER, ROSEN & CORSO, P.C. FOR THE YEAR ENDED DECEMBER 31, 2002.

ITEM 7. Authorization to adopt an Option Plan providing for Five Million (5,000,000) shares of common stock:

The Company's Board of Directors has approved the 2002 Stock Option Plan. The plan authorizes the Company to issue 5,000,000 shares of common stock for issuance upon exercise of options. The plan is intended to encourage directors, officers, employees and consultants of the Company to acquire ownership of Common Stock. The opportunity so provided is intended to foster in participants a strong incentive to put forth maximum effort for the continued success and growth of the Company, to aid in retaining individuals who put forth such efforts, and to assist in attracting the best available individuals to the Company in the future. A copy of the option plan is attached hereto as Exhibit C.

Officers (including officers who are members of the Board of Directors), directors (other than members of the Stock Option Committee (the "Committee") to be established to administer the Stock Option Plan) and other employees and consultants of the Company and its subsidiaries (if established) will be eligible to receive options under the planned Stock Option Plan. The Committee will administer the Stock Option Plan and will determine those persons to whom options will be granted, the number of options to be granted, the provisions applicable to each grant and the time periods during which the options may be exercised. No options may be granted more than ten years after the date of the adoption of the Stock Option Plan.

Unless the Committee, in its discretion, determines otherwise, non-qualified stock options will be granted with an option price equal to the fair market value of the shares of Common Stock to which the non-qualified stock option relates on the date of grant. In no event may the option price with respect to an incentive stock option granted under the Stock Option Plan be less than the fair market value of such Common Stock to which the incentive stock option relates on the date the incentive stock option is granted.

Each option granted under the Stock Option Plan will be exercisable for a term of not more than ten years after the date of grant. Certain other restrictions will apply in connection with this Plan when some awards may be exercised. In the event of a change of control (as defined in the Stock Option Plan), the date on which all options outstanding under the Stock Option Plan may first be exercised will be accelerated. Generally, all options terminate 90 days after a change of control.

At the present time there is no intent to issue options under the plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADOPTION OF THE 2002 STOCK OPTION PLAN.

ITEM 8. Adjourn or postpone the meeting for the purpose of soliciting additional proxies.

The Company may adjourn or postpone the meeting to another day or time for the purpose of soliciting additional proxies.

ITEM 9. Transaction of other business:

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

The Company may transact such other business as may properly come before the Annual meeting or any adjournment or postponement thereof, however, the Board of Director's knows of no matters, other than those outlined above, that will be presented for action at the Annual Meeting.

### RECORD DATE AND VOTING AT THE ANNUAL MEETING

The Board of Directors has fixed the close of business on March 1, 2002, as the record date for the determination of the shareholders entitled to notice of, and to vote at, the Annual meeting and any adjournments and postponements of the Annual meeting. On that day, there were 34,015,000 shares of Dakota common stock outstanding, which shares were held by approximately 67 shareholders of record. Holders of Dakota common stock are entitled to one vote per share. Additionally, there were 1,500,000 shares of Dakota preferred stock outstanding, which shares were held by the three directors. Holders of the issued and outstanding preferred stock have 10:1 voting rights, which in the aggregate constitute 15,000,000 votes.

A majority of the issued and outstanding shares of Dakota common stock on the record date, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual meeting. If a quorum is

not present, the Annual meeting may be adjourned from time to time, until a quorum is present. Abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum at the Annual meeting for the transaction of business.

### VOTES REQUIRED

Approval of any Proposal requires the affirmative vote of holders of a majority of the outstanding shares of Dakota common stock entitled to vote at the Annual meeting. A failure to vote or a broker non-vote will have the same legal effect as a vote cast against approval of any Proposal.

Brokers, and in many cases nominees, will not have discretionary power to vote on the Proposals to be presented at the Annual meeting. Accordingly, beneficial owners of shares must instruct their brokers or nominees how to vote their shares at the Annual meeting.

### SOLICITATION AND PROXY SOLICITOR

Dakota will bear all expenses of the solicitation of proxies in connection with this proxy statement, including the cost of preparing and mailing this proxy statement. Dakota will reimburse brokers, fiduciaries, custodians and their nominees for reasonable out-of-pocket expenses incurred in sending this proxy statement and other proxy materials to, and obtaining instructions relating to such materials from, beneficial owners of Dakota common stock. Dakota shareholder proxies may be solicited by directors, officers and employees of Dakota strictly through the mailing of the proxy statement only.

### REVOCATION AND USE OF PROXIES

The enclosed proxy card is solicited on behalf of the Dakota Board of Directors. A shareholder giving a proxy has the power to revoke it at any time before it is exercised by (i) delivering a written notice revoking the proxy to Dakota before the vote at the Annual meeting; (ii) executing a proxy with a later date and delivering it to Dakota before the vote at the Annual meeting; or (iii) attending the Annual meeting and voting in person. Any

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

written notice of revocation should be delivered to the attention of the Corporate Secretary at Dakota, 4483 West Reno Avenue, Las Vegas, NV 89118. Attendance at the Annual meeting without casting a ballot will not, by itself, constitute revocation of a proxy.

Subject to proper revocation, all shares of Dakota common stock represented at the Annual meeting by properly executed proxies received by Dakota will be voted in accordance with the instructions contained in such proxies. Executed, but unmarked, proxies will be voted "FOR" approval of the Proposals.

### ADJOURNMENTS OR POSTPONEMENTS

Although it is not expected, the Annual meeting may be adjourned or postponed for the purpose of soliciting additional proxies. Any adjournment or postponement of the Annual meeting may be made without notice, other than by an announcement made at the Annual meeting, by approval of the holders of a majority of the votes present in person or represented by proxy at the Annual

meeting, whether or not a quorum exists. Any adjournment or postponement of the Annual meeting for the purpose of soliciting additional proxies will allow Dakota shareholders who have already sent in their proxies to revoke them at any time prior to their use.

### INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS ACTED UPON

The Company is not aware of any interest that would be substantially affected through the change of the Company's name, change of the year end to 12/31, amending the Certificate of Incorporation, amending and restating the Bylaws, authorization of Option Plan, or change in auditors, whether adversely or otherwise.

### AUDIT COMMITTEE

The Board of Directors, elected not to incur the expense of an Audit Committee. Therefore, at this time the Company does not have an Audit Committee.

### INDEPENDENT AUDITORS

The Company's Board of Directors has voted to engage MERDINGER, FRUCHTER, ROSEN & CORSO, P.C., of Los Angeles, California, as its new independent auditor's for the fiscal year ending December 31, 2002. CLYDE BAILEY P.C., of San Antonio, Texas, is the current auditor of the Company. He has agreed to resign as auditor upon approval of the shareholders of the ratification of MERDINGER, FRUCHTER, ROSEN & CORSO, P.C.

The change in accountants does not result from any dissatisfaction with the quality of professional services rendered by CLYDE BAILEY P.C. as the Company's independent accountant.

A representative of MERDINGER, FRUCHTER, ROSEN & CORSO, P.C. is not expected to be present at the Annual meeting.

### Disagreements with Accountants on Accounting and Financial Disclosure

The audit reports issued by CLYDE BAILEY P.C. with respect to the Company's year ended October 31, 2001 financial statements did not contain an adverse opinion or disclaimer of opinion, and were not qualified as to

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

uncertainty, audit scope or accounting principles. There have been no disagreements between the Company and CLYDE BAILEY P.C. on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of CLYDE BAILEY P.C., would have caused them to make a reference to the subject matter of the disagreement in connection with their audit report.

### Audit Fees

For professional services rendered with respect to the audit of Dakota's annual financial statements for the year ended October 31, 2001, Dakota paid to CLYDE BAILEY P.C. fees in the amount of \$3,750.

### All Other Fees

Dakota paid \$1,650 to CLYDE BAILEY P.C. for audit comment responses to the Form SB-2 for the year ended October 31, 2001.

In view of the fact that Dakota did not pay to CLYDE BAILEY P.C. any fees in its fiscal year ended October 31, 2001 other than fees for audit services and audit related comment responses, the Board of Directors was not required to consider whether the provision of services other than audit services by CLYDE BAILEY P.C. is compatible with maintaining CLYDE BAILEY P.C. independence in performing audit services.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Section 2. ANNUAL MEETINGS. The annual meetings of stockholders shall be held at a date and time designated by the board of directors. (At such meetings, directors shall be elected and any other proper business may be transacted by a plurality vote of stockholders.)

Section 3. SPECIAL MEETINGS. A special meeting of the stockholders, for any purpose or purposes whatsoever, unless prescribed by statute or by the articles of incorporation, may be called at any time by the president and shall be called by the president or secretary at the request in writing of a majority of the board of directors, or at the request in writing of stockholders holding shares in the aggregate entitled to cast not less than a majority of the votes at any such meeting.

The request shall be in writing, specifying the time of such meeting, the place where it is to be held and the general nature of the business proposed to be transacted, and shall be delivered personally or sent by registered mail or by telegraphic or other facsimile transmission to the chairman of the board, the president, any vice president or the secretary of

the corporation. The officer receiving such request forthwith shall cause notice to be given to the stockholders entitled to vote, in accordance with the provisions of Sections 4 and 5 of this Article II, that a meeting will be held at the time requested by the person or persons calling the meeting, not less than thirty-five (35) nor more than sixty (60) days after the receipt of the request. If the notice is not given within twenty (20) days after receipt of the request, the person or persons requesting the meeting may give the notice. Nothing contained in this paragraph of this Section 3 shall be construed as limiting, fixing or affecting the time when a meeting of stockholders called by action of the board of directors may be held.

Section 4. NOTICE OF STOCKHOLDERS' MEETINGS. All notices of meetings of stockholders shall be sent or otherwise given in accordance with Section 5 of this Article II not less than ten (10) nor more than sixty (60) days before the date of the meeting being noticed. The notice shall specify the place, date and hour of the meeting and (i) in the case of a special meeting the general nature of the business to be transacted, or (ii) in the case of the annual meeting those matters which the board of directors, at the time of giving the notice, intends to present for action by the stockholders. The notice of any meeting at which directors are to be elected shall include the name of any nominee or nominees which, at the time of the notice, management intends to present for election.

If action is proposed to be taken at any meeting for approval of (i) contracts or transactions in which a director has a direct or indirect financial interest, (ii) an amendment to the articles of incorporation, (iii) a reorganization of the corporation, (iv) dissolution of the corporation, or (v) a distribution to preferred stockholders, the notice shall also state the general nature of such proposal.

Section 5. MANNER OF GIVING NOTICE; AFFIDAVIT OF NOTICE. Notice of any meeting of stockholders shall be given either personally or by first-class mail or telegraphic or other written communication, charges prepaid, addressed to the stockholder at the address of such stockholder appearing on the books of the corporation or given by the stockholder to the corporation for the purpose of notice. If no such address appears on the corporation's books or is given, notice shall be deemed to have been given if sent by mail or telegram to the corporation's principal executive office, or if published at least once in a newspaper of general circulation in the county where this office is located. Personal delivery of any such notice to any officer of a corporation or association or to any member of a partnership

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

shall constitute delivery of such notice to such corporation, association or partnership. Notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by telegram or other means of written communication. In the event of the transfer of stock after delivery or mailing of the notice of and prior to the holding of the meeting, it shall not be necessary to deliver or mail notice of the meeting to the transferee.

If any notice addressed to a stockholder at the address of such stockholder appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice to the stockholder at such address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available

to the stockholder upon written demand of the stockholder at the principal executive office of the corporation for a period of one year from the date of the giving of such notice.

An affidavit of the mailing or other means of giving any notice of any stockholders' meeting shall be executed by the secretary, assistant secretary or any transfer agent of the corporation giving such notice, and shall be filed and maintained in the minute book of the corporation.

Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 6. QUORUM. The presence in person or by proxy of the holders of a majority of the shares entitled to vote at any meeting of stockholders shall constitute a quorum for the transaction of business, except as otherwise provided by statute or the articles of incorporation. The stockholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum.

Section 7. ADJOURNED MEETING AND NOTICE THEREOF. Any stockholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the shares represented at such meeting, either in person or by proxy, but in the absence of a quorum, no other business may be transacted at such meeting.

When any meeting of stockholders, either annual or special, is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at a meeting at which the adjournment is taken. At any adjourned meeting the corporation may transact any business which might have been transacted at the original meeting.

Section 8. VOTING. Unless a record date set for voting purposes be fixed as provided in Section 1 of Article VII of these bylaws, only persons in whose names shares entitled to vote stand on the stock records of the corporation at the close of business on the business day next preceding the day on which notice is given (or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held) shall be entitled to vote at such meeting. Any stockholder entitled to vote on any matter other than elections of directors or officers, may vote part of the shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal, but, if the stockholder fails to specify the number of shares such stockholder is voting

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

affirmatively, it will be conclusively presumed that the stockholder's approving vote is with respect to all shares such stockholder is entitled to vote. Such vote may be by voice vote or by ballot; provided, however, that all elections for directors must be by ballot upon demand by a stockholder at any election and before the voting begins.

When a quorum is present or represented at any meeting, the vote of the holders of a majority of the stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of the statutes or of the articles of incorporation a different vote is required in which case such express provision shall govern and control the decision of such question. Every stockholder of record of the corporation shall be entitled at each meeting of stockholders to one vote for each share of stock standing in his name on the books of the corporation.

Section 9. WAIVER OF NOTICE OR CONSENT BY ABSENT STOCKHOLDERS. The transactions at any meeting of stockholders, either annual or special, however called and noticed, and wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present either in person or by proxy, and if, either before or after the meeting, each person entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to a holding of the meeting, or an approval of the minutes thereof. The waiver of notice or consent need not specify either the business to be transacted or the purpose of any regular or special meeting of stockholders, except that if action is taken or proposed to be taken for approval of any of those matters specified in the second paragraph of Section 4 of this Article II, the waiver of notice or consent shall state the general nature of such proposal. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Attendance of a person at a meeting shall also constitute a waiver of notice of such meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters not included in the notice if such objection is expressly made at the meeting.

Section 10. STOCKHOLDER ACTION BY WRITTEN CONSENT WITHOUT A MEETING. Any action which may be taken at any annual or special meeting of stockholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. All such consents shall be filed with the secretary of the corporation and shall be maintained in the corporate records. Any stockholder giving a written consent, or the stockholder's proxy holders, or a transferee of the shares of a personal representative of the stockholder or their respective proxy holders, may revoke the consent by a writing received by the secretary of the corporation prior to the time that written consents of the number of shares required to authorize the proposed action have been filed with the secretary.

Section 11. NOTICE OF ACTION TO BE TAKEN BY MAJORITY STOCKHOLDER CONSENT. A notice of action to be taken by majority stockholder consent shall be sent or otherwise given in a manner in accordance with Section 5 of this Article II not less than twenty (20) calendar days prior to the earliest date on which the corporate action may be taken. The notice shall specify: (i) the general nature of the corporate action(s) to be taken; (ii) the date

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

on which the majority stockholder consent was given; (iii) the effects of the

action(s) on the corporation and/or its stockholders; and (iv) any conflicts of interest that are present with regards to the action(s) to be taken between the corporation's officers, directors and/or their affiliates.

A shareholder who does not sign or consent to the written action has no liability for the action or actions taken by the written actions.

Section 12. PROXIES. Every person entitled to vote for directors or on any other matter shall have the right to do so either in person or by one or more agents authorized by a written proxy signed by the person and filed with the secretary of the corporation. A proxy shall be deemed signed if the stockholder's name is placed on the proxy (whether by manual signature, typewriting, telegraphic transmission or otherwise) by the stockholder or the stockholder's attorney in fact. A validly executed proxy which does not state that it is irrevocable shall continue in full force and effect unless revoked by the person executing it, prior to the vote pursuant thereto, by a writing delivered to the corporation stating that the proxy is revoked or by a subsequent proxy executed by, or attendance at the meeting and voting in person by the person executing the proxy; provided, however, that no such proxy shall be valid after the expiration of six (6) months from the date of such proxy, unless coupled with an interest, or unless the person executing it specifies therein the length of time for which it is to continue in force, which in no case shall exceed seven (7) years from the date of its execution. Subject to the above and the provisions of the North Dakota General Corporation Law, any proxy duly executed is not revoked and continues in full force and effect until an instrument revoking it or a duly executed proxy bearing a later date is filed with the secretary of the corporation.

Section 13. INSPECTORS OF ELECTION. Before any meeting of stockholders, the board of directors may appoint any persons other than nominees for office to act as inspectors of election at the meeting or its adjournment. If no inspectors of election are appointed, the chairman of the meeting may, and on the request of any stockholder or his proxy shall, appoint inspectors of election at the meeting. The number of inspectors shall be either one (1) or three (3). If inspectors are appointed at a meeting on the request of one or more stockholders or proxies, the holders of a majority of shares or their proxies present at the meeting shall determine whether one (1) or three (3) inspectors are to be appointed. If any person appointed as inspector fails to appear or fails or refuses to act, the vacancy may be filled by appointment by the board of directors before the meeting, or by the chairman at the meeting.

The duties of these inspectors shall be as follows:

(a) Determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of proxies;

(b) Receive votes, ballots, or consents;

(c) Hear and determine all challenges and questions in any way arising in connection with the right to vote;

(d) Count and tabulate all votes or consents;

Section 7. ANNUAL MEETINGS. Immediately following each annual meeting of stockholders, the board of directors shall hold a regular meeting for the purpose of transaction of other business. Notice of this meeting shall not be required.

Section 8. OTHER REGULAR MEETINGS. Other regular meetings of the board of directors shall be held without call at such time as shall from time to time be fixed by the board of directors. Such regular meetings may be held without notice, provided the notice of any change in the time of any such meetings shall be given to all of the directors. Notice of a change in the determination of the time shall be given to each director in the same manner as notice for special meetings of the board of directors.

Section 9. SPECIAL MEETINGS. Special meetings of the board of directors for any purpose or purposes may be called at any time by the chairman of the board or the president or any vice president or the secretary or any two directors.

Notice of the time and place of special meetings shall be delivered personally or by telephone to each director or sent by first-class mail or telegram, charges prepaid, addressed to each director at his or her address as it is shown upon the records of the corporation. In case such notice is mailed, it shall be deposited in the United States mail at least four (4) days prior to the time of the holding of the meeting. In case such notice is delivered personally, or by telephone or telegram, it shall be delivered personally or by telephone or to the telegraph company at least forty-eight (48) hours prior to the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated to either the director or to a person at the office of the director who the person giving the notice has reason to believe will promptly communicate it to the director. The notice need not specify the purpose of the meeting nor the place if the meeting is to be held at the principal executive office of the corporation.

Section 10. QUORUM. A majority of the authorized number of directors shall constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is

present shall be regarded as the act of the board of directors, subject to the provisions of the North Dakota General Corporation Law. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for such meeting.

Section 11. WAIVER OF NOTICE. The transactions of any meeting of the board of directors, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice if a quorum be present and if, either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting or an approval of the minutes thereof. The waiver of notice of consent need not specify the purpose of the meeting. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such director.

Section 12. ADJOURNMENT. A majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time

and place.

Section 13. NOTICE OF ADJOURNMENT. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case notice of such time and place shall be given prior to the time of the adjourned meeting, in the manner specified in Section 8 of this Article III, to the directors who were not present at the time of the adjournment.

Section 14. ACTION WITHOUT MEETING. Any action required or permitted to be taken by the board of directors may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to such action. Such action by written consent shall have the same force and effect as a unanimous vote of the board of directors. Such written consent or consents shall be filed with the minutes of the proceedings of the board.

Section 15. FEES AND COMPENSATION OF DIRECTORS. Directors and members of committees may receive such compensation, if any, for their services, and such reimbursement of expenses, as may be fixed or determined by resolution of the board of directors. Nothing herein contained shall be construed to preclude any director from serving the corporation in any other capacity as an officer, agent, employee, or otherwise, and receiving compensation for such services. Members of special or standing committees may be allowed like compensation for attending committee meetings.

### ARTICLE VI

#### INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES, AND OTHER AGENTS

Section 1. ACTIONS OTHER THAN BY THE CORPORATION. The corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that

he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, has no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and that, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

Section 2. ACTIONS BY THE CORPORATION. The corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees, actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. SUCCESSFUL DEFENSE. To the extent that a director, officer, employee or agent of the corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 1 and 2, or in defense of any claim, issue or matter therein, he must be indemnified by the corporation against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

Section 4. REQUIRED APPROVAL. Any indemnification under

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 5, must be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances. The determination must be made:

- (a) By the stockholders;
- (b) By the board of directors by majority vote of a quorum consisting of directors who were not parties to the act, suit or proceeding;
- (c) If a majority vote of a quorum consisting of directors who were not parties to the act, suit or proceeding so orders, by independent legal counsel in a written opinion; or
- (d) If a quorum consisting of directors who were not parties to the act, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion.

Section 5. ADVANCE OF EXPENSES. The articles of incorporation, the bylaws or an agreement made by the corporation may provide that the expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding must be paid by the corporation as they are incurred and in advance of the final disposition of the action, suit or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he is not entitled to be indemnified by the corporation. The provisions of this section do not affect any rights to advancement of expenses to which corporate personnel other than directors or officers may be entitled under any contract or otherwise by law.

Section 6. OTHER RIGHTS. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to this Article VI:

(a) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the articles of incorporation or any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, for either an action in his official capacity or an action in another capacity while holding his office, except that indemnification, unless ordered by a court pursuant to Section 2 or for the advancement of expenses made pursuant to Section 5, may not be made to or on behalf of any director or officer if a final adjudication establishes that his acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(b) Continues for a person who has ceased to be a director, officer, employee or agent and inures to the benefit of the heirs, executors and administrators of such a person.

Section 7. INSURANCE. The corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise for any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this Article VI.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Section 8. RELIANCE ON PROVISIONS. Each person who shall act as an authorized representative of the corporation shall be deemed to be doing so in reliance upon the rights of indemnification provided by this Article.

Section 9. SEVERABILITY. If any of the provisions of this Article are held to be invalid or unenforceable, this Article shall be construed as if it did not contain such invalid or unenforceable provision and the remaining provisions of this Article shall remain in full force and effect.

Section 10. RETROACTIVE EFFECT. To the extent permitted by applicable law, the rights and powers granted pursuant to this Article VI shall apply to acts and actions occurring or in progress prior to its adoption by the board of directors.

### ARTICLE VII

Every director shall have the absolute right at any reasonable time to inspect and copy all books, records and documents of every kind and to inspect the physical properties of this corporation and any subsidiary of this corporation. The foregoing rights of inspection shall extend to the records of each subsidiary of the corporation.

#### GENERAL CORPORATE MATTERS

Section 1. RECORD DATE. For purposes of determining the stockholders entitled to notice of any meeting or to vote or entitled to receive payment of any dividend or other distribution or allotment of any rights or entitled to exercise any rights in respect of any other lawful action, the board of directors may fix, in advance, a record date, which shall not be more than sixty (60) days nor less than ten (10) days prior to the date of any such meeting nor more than sixty (60) days prior to any other action, and in such case only stockholders of record on the date so fixed are entitled to notice and to vote or to receive the dividend, distribution or allotment of rights or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the corporation after the record date fixed as aforesaid, except as otherwise provided in the North Dakota General Corporation Law.

If the board of directors does not so fix a record date:

(a) The record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

(b) The record date for determining stockholders entitled to give consent to corporate action in writing without a meeting, when no prior action by the board has been taken, shall be the day on which the first written consent is given.

(c) The record date for determining stockholders for any other purpose shall be at the close of business on the day on which the board adopts the resolution relating thereto, or the sixtieth (60th) day prior to the date of such other action, whichever is later.

Section 2. CLOSING OF TRANSFER BOOKS. The directors may prescribe a period not exceeding sixty (60) days prior to any meeting of the stockholders during which no transfer of stock on the books of the corporation may be made, or may fix a date not more than sixty (60) days prior to the holding of any such meeting as the day as of which stockholders entitled to notice of and to vote at such meeting shall be determined; and only stockholders of record on such day shall be entitled to notice or to vote at such meeting.

Section 3. REGISTERED STOCKHOLDERS. The corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable for calls and assessments a person registered on its books as

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of North Dakota.

Section 4. CHECKS, DRAFTS, EVIDENCES OF INDEBTEDNESS. All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness, issued in the name of or payable to the corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the board of directors.

Section 5. CORPORATE CONTRACTS AND INSTRUMENTS; HOW EXECUTED. The board of directors, except as in the bylaws otherwise provided, may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the corporation, and such authority may be general or confined to specific instances; and, unless so authorized or ratified by the board of directors or within the agency power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or to any amount.

Section 6. STOCK CERTIFICATES. A certificate or certificates for shares of the capital stock of the corporation shall be issued to each stockholder when any such shares are fully paid, and the board of directors may authorize the issuance of certificates or shares as partly paid provided that such certificates shall state the amount of the consideration to be paid therefor and the amount paid thereon. All certificates shall be signed in the name of the corporation by the chief executive officer or president or vice president and by the treasurer or an assistant treasurer or the secretary or any assistant secretary, certifying the number of shares and the class or series of shares owned by the stockholder. When the corporation is authorized to issue shares of more than one class or more than one series of any class, there shall be set forth upon the face or back of the certificate, or the certificate shall have a statement that the corporation will furnish to any stockholders upon request and without charge, a full or summary statement of the designations, preferences and relatives, participating, optional or other special rights of the various classes of stock or series thereof and the qualifications, limitations or restrictions of such rights, and, if the corporation shall be authorized to issue only special stock, such certificate must set forth in full or summarize the rights of the holders of

such stock. Any or all of the signatures on the certificate may be facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if such person were an officer, transfer agent or registrar at the date of issue.

No new certificate for shares shall be issued in place of any certificate theretofore issued unless the latter is surrendered and cancelled at the same time; provided, however, that a new certificate may be issued without the surrender and cancellation of the old certificate if the certificate thereto fore issued is alleged to have been lost, stolen or destroyed. In case of any such allegedly lost, stolen or destroyed certificate, the corporation may require the owner thereof or the legal representative of such owner to give the corporation a bond (or other adequate security) sufficient to indemnify it against any claim that may be made against it (including any expense or liability) on account of the alleged loss, theft or destruction of any such certificate or the issuance of

Dividends may be paid in cash, in property, or in shares of the capital stock, subject to the provisions of the articles of incorporation.

Before payment of any dividend, there may be set aside out of any funds of the corporation available for dividends such sum or sums as the directors from time to time, in their absolute discretion, think proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the corporation, or for such other purpose as the directors shall think conducive to the interest of the corporation, and the directors may modify or abolish any such reserves in the manner in which it was created.

Plan, decide all questions and settle all controversies and disputes which may arise in connection with the Plan and to define the terms used therein; (ii) prescribe, amend and rescind rules and regulations relating to administration of the Plan; (iii) determine the purchase price of the Shares covered by each Option and the method of payment of such price, individuals to whom, and the time or times at which, Options shall be granted and exercisable and the number of Shares covered by each Option; (iv) determine

the terms and provisions of the respective Option Agreements (which need not be identical); (v) determine the duration and purposes of leaves of absence which may be granted to participants without constituting a termination of their employment for purposes of the Plan; and (vi) make all other determinations necessary or advisable to the administration of the Plan. Determinations of the Committee on matters referred to in this Section 3 shall be conclusive and binding on all parties howsoever concerned. With respect to Incentive Stock Options, the Committee shall administer the Plan in compliance with the provisions of Code Section 422A as the same may hereafter be amended from time to time. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Option.

### 4. ELIGIBILITY AND PARTICIPATION.

4.1 In General. Only officers, employees and directors who are also employees of the Corporation or any Subsidiary shall be eligible to receive grants of Incentive Stock Options. Officers, employees and directors (whether or not they are also employees) of the Corporation or any Subsidiary, as well as consultants, independent contractors or other service providers of the Corporation or any Subsidiary shall be eligible to receive grants of Nonqualified Options. Within the foregoing limits, the Committee, from time to time, shall determine and designate persons to whom Options may be granted. All such designations shall be made in the absolute discretion of the Committee and shall not require the approval of the stockholders. In

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

determining (i) the number of Shares to be covered by each Option, (ii) the purchase price for such Shares and the method of payment of such price (subject to the other sections hereof), (iii) the individuals of the eligible class to whom Options shall be granted, (iv) the terms and provisions of the respective Option Agreements, and (v) the times at which such Options shall be granted, the Committee shall take into account such factors as it shall deem relevant in connection with accomplishing the purpose of the Plan as set forth in Section 1. An individual who has been granted an Option may be granted an additional Option or Options if the Committee shall so determine. No Option shall be granted under the Plan after April 1, 2012, but Options granted before such date may be exercisable after such date.

4.2 Certain Limitations. In no event shall Incentive Stock Options be granted to an Optionee such that the sum of (i) aggregate fair market value (determined at the time the Incentive Stock Options are granted) of the Shares subject to all Options granted under the Plan which are exercisable for the first time during the same calendar year, plus (ii) the aggregate fair market value (determined at the time the options are granted) of all stock subject to all other incentive stock options granted to such Optionee by the Corporation, its parent and Subsidiaries which are exercisable for the first time during such calendar year, exceeds One Hundred Thousand Dollars (\$100,000). For purposes of the immediately preceding sentence, fair market value shall be determined as of the date of grant based on the Fair Market Value Per Share as determined pursuant to Section 2.3.

### 5. AVAILABLE SHARES AND ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.

5.1 Shares. Subject to adjustment as provided in Section 5.2 below, the total number of Shares to be subject to Options granted pursuant to this Plan shall not exceed five Million (5,000,000) Shares. Shares subject to the Plan may be either authorized but unissued shares or shares that were once issued and subsequently reacquired by the Corporation; the Committee shall be empowered to take any appropriate action required to make

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Shares available for Options granted under this Plan. If any Option is surrendered before exercise or lapses without exercise in full or for any other reason ceases to be exercisable, the Shares reserved therefore shall continue to be available under the Plan.

5.2 Adjustments. As used herein, the term "Adjustment Event" means an event pursuant to which the outstanding Shares of the Corporation are increased, decreased or changed into, or exchanged for a different number or kind of shares or securities, without receipt of consideration by the

Corporation, through reorganization, merger, recapitalization, reclassification, stock split, reverse stock split, stock dividend, stock consolidation or otherwise. Upon the occurrence of an Adjustment Event, (i) appropriate and proportionate adjustments shall be made to the number and kind of shares and exercise price for the shares subject to the Options which may thereafter be granted under this Plan, (ii) appropriate and proportionate adjustments shall be made to the number and kind of and exercise price for the shares subject to the then outstanding Options granted under this Plan, and (iii) appropriate amendments to the Option Agreements shall be executed by the Corporation and the Optionees if the Committee determines that such an amendment is necessary or desirable to reflect such adjustments. If determined by the Committee to be appropriate, in the event of an Adjustment Event which involves the substitution of securities of a corporation other than the Corporation, the Committee shall make arrangements for the assumptions by such other corporation of any Options then or thereafter outstanding under the Plan. Notwithstanding the foregoing, such adjustment in an outstanding Option shall be made without change in the total exercise price applicable to the unexercised portion of the Option, but with an appropriate adjustment to the number of shares, kind of shares and exercise price for each share subject to the Option. The determination by the Committee as to what adjustments, amendments or arrangements shall be made pursuant to this Section 5.2, and the extent thereof, shall be final and

conclusive. No fractional Shares shall be issued under the Plan on account of any such adjustment or arrangement.

6. TERMS AND CONDITIONS OF OPTIONS.

6.1 Intended Treatment as Incentive Stock Options. Incentive Stock Options granted pursuant to this Plan are intended to be "incentive stock options" to which Code Sections 421 and 422A apply, and the Plan shall be construed and administered to implement that intent. If all or any part of an Incentive Stock Option shall not be an "incentive stock option" subject to Sections 421 or 422A of the Code, such Option shall nevertheless be valid and carried into effect. All Options granted under this Plan shall be subject to the terms and conditions set forth in this Section 6 (except as provided in Section 5.2) and to such other terms and conditions as the Committee shall determine to be appropriate to accomplish the purpose of the Plan as set forth in Section 1.

6.2 Amount and Payment of Exercise Price.

6.2.1 Exercise Price. The exercise price per Share for each Share which the Optionee is entitled to purchase under a Nonqualified Option shall be determined by the Committee but shall not be less than One Hundred percent (100%) of the Fair Market Value Per Share on the date of the grant of the Nonqualified Option. The exercise price per Share for each Share which the Optionee is entitled to purchase under an Incentive Stock Option shall be determined by the Committee but shall not be less than the Fair Market Value Per Share on the date of the grant of the Incentive Stock Option; provided, however, that the exercise price shall not be less than one hundred ten percent (110%) of the Fair Market Value Per Share on the date of the grant of the Incentive Stock Option in the case of an individual then owning (within the meaning of Code Section 425(d)) more than ten percent (10%) of the total combined voting power of all classes of stock of the Corporation or of its parent or Subsidiaries.

6.2.2 Payment of Exercise Price. The consideration to be

paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Committee and may consist of promissory notes, shares of the common stock of the Corporation or such other consideration and method of payment for the Shares as may be permitted under applicable state and federal laws.

6.3 Exercise of Options.

6.3.1 Each Option granted under this Plan shall be exercisable at such times and under such conditions as may be determined by the Committee at the time of the grant of the Option and as shall be permissible under the terms of the Plan; provided, however, in no event shall an Option be exercisable after the expiration of ten (10) years from the date it is granted, and in the case of an Optionee owning (within the meaning of Code Section 425(d)), at the time an Incentive Stock Option is granted, more than ten percent (10%) of the total combined voting power of all classes of stock of the Corporation or of its parent or Subsidiaries, such Incentive Stock Option shall not be exercisable later than five (5) years after the date of grant.

6.3.2 An Optionee may purchase less than the total number of Shares for which the Option is exercisable, provided that a partial exercise of an Option may not be for less than One Hundred (100) Shares and shall not include any fractional shares.

6.4 Nontransferability of Options. All Options granted under this Plan shall be nontransferable, either voluntarily or by operation of law, otherwise than by will or the laws of descent and distribution, and shall be exercisable during the Optionee's lifetime only by such Optionee.

6.5 Effect of Termination of Employment or Other Relationship. Except as otherwise determined by the Committee in connection with the grant of Nonqualified Options, the effect of termination of an Optionee's employment or other relationship with the Corporation on such Optionee's rights to acquire Shares pursuant to the Plan shall be as follows:

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

6.5.1 Termination for Other than Disability or Cause. If an Optionee ceases to be employed by, or ceases to have a relationship with, the Corporation for any reason other than for disability or cause, such Optionee's Options shall expire not later than three (3) months thereafter. During such three (3) month period and prior to the expiration of the Option by its terms, the Optionee may exercise any Option granted to him, but only to the extent such Options were exercisable on the date of termination of his

employment or relationship and except as so exercised, such Options shall expire at the end of such three (3) month period unless such Options by their terms expire before such date. The decision as to whether a termination for a reason other than disability, cause or death has occurred shall be made by the Committee, whose decision shall be final and conclusive, except that employment shall not be considered terminated in the case of sick leave or other bona fide leave of absence approved by the Corporation.

6.5.2 Disability. If an Optionee ceases to be employed by, or ceases to have a relationship with, the Corporation by reason of disability (within the meaning of Code Section 22(e)(3)), such Optionee's Options shall expire not later than one (1) year thereafter. During such one (1) year period and prior to the expiration of the Option by its terms, the Optionee may exercise any Option granted to him, but only to the extent such Options were exercisable on the date the Optionee ceased to be employed by, or ceased to have a relationship with, the Corporation by reason of disability and except as so exercised, such Options shall expire at the end of such one (1) year period unless such Options by their terms expire before such date. The decision as to whether a termination by reason of disability has occurred shall be made by the Committee, whose decision shall be final and conclusive.

6.5.3 Termination for Cause. If an Optionee's employment by, or relationship with, the Corporation is terminated for cause, such

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Optionee's Option shall expire immediately; provided, however, the Committee may, in its sole discretion, within thirty (30) days of such termination, waive the expiration of the Option by giving written notice of such waiver to the Optionee at such Optionee's last known address. In the event of such waiver, the Optionee may exercise the Option only to such extent, for such time, and upon such terms and conditions as if such Optionee had ceased to be

employed by, or ceased to have a relationship with, the Corporation upon the date of such termination for a reason other than disability, cause, or death. Termination for cause shall include termination for malfeasance or gross misfeasance in the performance of duties or conviction of illegal activity in connection therewith or any conduct detrimental to the interests of the Corporation. The determination of the Committee with respect to whether a termination for cause has occurred shall be final and conclusive.

6.6 Withholding of Taxes. As a condition to the exercise, in whole or in part, of any Options the Board of Directors may in its sole discretion require the Optionee to pay, in addition to the purchase price of the Shares covered by the Option an amount equal to any Federal, state or local taxes that may be required to be withheld in connection with the exercise of such Option.

6.7 No Rights to Continued Employment or Relationship. Nothing contained in this Plan or in any Option Agreement shall obligate the Corporation to employ or have another relationship with any Optionee for any period or interfere in any way with the right of the Corporation to reduce such Optionee's compensation or to terminate the employment of or relationship with any Optionee at any time.

6.8 Time of Granting Options. The time an Option is granted, sometimes referred to herein as the date of grant, shall be the day the Corporation executes the Option Agreement; provided, however, that if appropriate resolutions of the Committee indicate that an Option is to be granted as of and on some prior or future date, the time such Option is

granted shall be such prior or future date.

6.9 Privileges of Stock Ownership. No Optionee shall be entitled to the privileges of stock ownership as to any Shares not actually issued and delivered to such Optionee. No Shares shall be purchased upon the exercise of any Option unless and until, in the opinion of the Corporation's counsel, any then applicable requirements of any laws or governmental or regulatory agencies having jurisdiction and of any exchanges upon which the stock of the Corporation may be listed shall have been fully complied with.

6.10 Securities Laws Compliance. The Corporation will diligently endeavor to comply with all applicable securities laws before any Options are granted under the Plan and before any Shares are issued pursuant to Options. Without limiting the generality of the foregoing, the Corporation may require from the Optionee such investment representation or such agreement, if any, as counsel for the Corporation may consider necessary or advisable in order to comply with the Securities Act of 1933 as then in effect, and may require that the Optionee agree that any sale of the Shares will be made only in such manner as is permitted by the Committee. The Committee in its discretion may cause the Shares underlying the Options to be registered under the Securities Act of 1933, as amended, by the filing of a Form S-8 Registration Statement covering the Options and Shares underlying such Options. Optionee shall take any action reasonably requested by the Corporation in connection with registration or qualification of the Shares under federal or state securities laws.

6.11 Option Agreement. Each Incentive Stock Option and Nonqualified Option granted under this Plan shall be evidenced by the appropriate written Stock Option Agreement ("Option Agreement") executed by the Corporation and the Optionee in a form substantially the same as the appropriate form of Option Agreement attached as Exhibit I or II hereto (and made a part hereof by this reference) and shall contain each of the provisions and agreements specifically required to be contained therein

pursuant to this Section 6, and such other terms and conditions as are deemed desirable by the Committee and are not inconsistent with the purpose of the Plan as set forth in Section 1.

7. PLAN AMENDMENT AND TERMINATION.

7.1 Authority of Committee. The Committee may at any time discontinue granting Options under the Plan or otherwise suspend, amend or terminate the Plan and may, with the consent of an Optionee, make such modification of the terms and conditions of such Optionee's Option as it

shall deem advisable; provided that, except as permitted under the provisions of Section 5.2, the Committee shall have no authority to make any amendment or modification to this Plan or any outstanding Option thereunder which would: (i) increase the maximum number of shares which may be purchased pursuant to Options granted under the Plan, either in the aggregate or by an Optionee (except pursuant to Section 5.2); (ii) change the designation of the class of the employees eligible to receive Incentive Stock Options; (iii) extend the term of the Plan or the maximum Option period thereunder; (iv) decrease the minimum Incentive Stock Option price or permit reductions of the price at which shares may be purchased for Incentive Stock Options granted under the Plan; or (v) cause Incentive Stock Options issued under the Plan to fail to meet the requirements of incentive stock options under Code Section 422A. An amendment or modification made pursuant to the provisions of this Section 7 shall be deemed adopted as of the date of the action of the Committee effecting such amendment or modification and shall be effective immediately, unless otherwise provided therein, subject to approval thereof (1) within twelve (12) months before or after the effective date by stockholders of the Corporation holding not less than a majority vote of the voting power of the Corporation voting in person or by proxy at a duly held stockholders meeting when required to maintain or satisfy the requirements of Code Section 422A with respect to Incentive Stock Options, and (2) by any appropriate governmental agency. No Option may be granted during any

suspension or after termination of the Plan.

7.2 Ten (10) Year Maximum Term. Unless previously terminated by the Committee, this Plan shall terminate on April 1, 2012, and no Options shall be granted under the Plan thereafter.

7.3 Effect on Outstanding Options. Amendment, suspension or termination of this Plan shall not, without the consent of the Optionee, alter or impair any rights or obligations under any Option theretofore granted.

8. EFFECTIVE DATE OF PLAN. This Plan shall be effective as of April 1, 2002, the date the Plan was adopted by the Board of Directors, subject to the approval of the Plan by the affirmative vote of a majority of the issued and outstanding Shares of common stock of the Corporation represented and voting at a duly held meeting at which a quorum is present within twelve (12) months thereafter. The Committee shall be authorized and empowered to make grants of Options pursuant to this Plan prior to such approval of this Plan by the stockholders; provided, however, in such event the Option grants shall be made subject to the approval of both this Plan and such Option grants by the stockholders in accordance with the provisions of this Section 8.

9. MISCELLANEOUS PROVISIONS.

9.1 Exculpation and Indemnification. The Corporation shall indemnify and hold harmless the Committee from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act, or omission to act, in connection with the performance of such persons' duties, responsibilities and obligations under the Plan, other than such liabilities, costs and expenses as may result from the gross negligence, bad faith, willful conduct and/or criminal acts of such persons.

9.2 Governing Law. The Plan shall be governed and construed in accordance with the laws of the State of North Dakota and the Code.

9.3 Compliance with Applicable Laws. The inability of the Corporation to obtain from any regulatory body having jurisdiction authority

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Shares upon the exercise of an Option shall relieve the Corporation of any liability in respect of the non-issuance or sale of such Shares as to which such requisite authority shall not have been obtained.

As approved by the Board of Directors on  
February 8, 2002.

[FORM OF]

#### INCENTIVE STOCK OPTION AGREEMENT

THIS INCENTIVE STOCK OPTION AGREEMENT ("Agreement") is entered into as of, by and between VOYAGER ENTERTAINMENT INTERNATIONAL, INC., a North Dakota corporation ("Corporation"), and ("Optionee").

#### R E C I T A L S

A. On February 8, 2002, the Board of Directors of the Corporation adopted the VOYAGER ENTERTAINMENT INTERNATIONAL, INC. 2002 Stock Option Plan (the "Plan").

B. Pursuant to the Plan, on \_\_\_\_\_, the Board of Directors of the Corporation acting as the Plan Committee ("Committee") authorized granting to Optionee options to purchase shares of the common stock, \$.001 par value, of the Corporation ("Shares") for the term and subject to the terms and conditions hereinafter set forth.

#### A G R E E M E N T

It is hereby agreed as follows:

1. CERTAIN DEFINITIONS. Unless otherwise defined herein, or the context otherwise clearly requires, terms with initial capital letters used herein shall have the meanings assigned to such terms in the Plan.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

2. GRANT OF OPTIONS. The Corporation hereby grants to Optionee, options ("Options") to purchase all or any part of Shares, upon and subject to the terms and conditions of the Plan, which is incorporated in full herein by this reference, and upon the other terms and conditions set forth herein.

3. OPTION PERIOD. The Options shall be exercisable at any time during the period commencing on the following dates (subject to the provisions of Section 18) and expiring on the date ten (10) years from the date of grant, unless earlier terminated pursuant to Section 7:

[terms of option vesting to be set forth here]

4. METHOD OF EXERCISE. The Options shall be exercisable by Optionee by giving written notice to the Corporation of the election to purchase and of the number of Shares Optionee elects to purchase, such notice to be accompanied by such other executed instruments or documents as may be required by the Committee pursuant to this Agreement, and unless otherwise directed by the Committee, Optionee shall at the time of such exercise tender the purchase price of the Shares he has elected to purchase. An Optionee may purchase less than the total number of Shares for which the Option is exercisable, provided that a partial exercise of an Option may not be for less than One Hundred (100) Shares. If Optionee shall not purchase all of the Shares which he is entitled to purchase under the Options, his right to purchase the remaining unpurchased Shares shall continue until expiration of the Options. The Options shall be exercisable with respect of whole Shares only, and fractional Share interests shall be disregarded.

5. AMOUNT OF PURCHASE PRICE. The purchase price per Share for each Share which Optionee is entitled to purchase under the Options shall be per Share.

6. PAYMENT OF PURCHASE PRICE. At the time of Optionee's notice of exercise of the Options, Optionee shall tender in cash or by certified or bank cashier's check payable to the Corporation, the purchase price for all

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Shares then being purchased. Provided, however, the Board of Directors may, in its sole discretion, permit payment by the Corporation of the purchase price in whole or in part with Shares. If the Optionee is so permitted, and the Optionee elects to make payment with Shares, the Optionee shall deliver to the Corporation certificates representing the number of Shares in payment for new Shares, duly endorsed for transfer to the Corporation, together with any written representations relating to title, liens and encumbrances, securities laws, rules and regulatory compliance, or other matters, reasonably requested by the Board of Directors. The value of Shares so tendered shall be their Fair Market Value Per Share on the date of the Optionee's notice of exercise.

7. EFFECT OF TERMINATION OF EMPLOYMENT. If an Optionee's employment or other relationship with the Corporation (or a Subsidiary) terminates, the effect of the termination on the Optionee's rights to acquire Shares shall be as follows:

7.1 Termination for Other than Disability or Cause. If an Optionee ceases to be employed by, or ceases to have a relationship with, the Corporation or a Subsidiary for any reason other than for disability or cause, such Optionee's Options shall expire not later than three (3) months thereafter. During such three (3) month period and prior to the expiration of the Option by its terms, the Optionee may exercise any Option granted to him, but only to the extent such Options were exercisable on the date of termination of his employment or relationship and except as so exercised, such Options shall expire at the end of such three (3) month period unless such Options by their terms expire before such date. The decision as to whether a termination for a reason other than disability, cause or death has occurred shall be made by the Committee, whose decision shall be final and conclusive, except that employment shall not be considered terminated in the case of sick leave or other bona fide leave of absence approved by the Corporation.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

7.2 Disability. If an Optionee ceases to be employed by, or ceases to have a relationship with, the Corporation or a Subsidiary by reason of disability (within the meaning of Code Section 22(e)(3)), such Optionee's Options shall expire not later than one (1) year thereafter. During such one (1) year period and prior to the expiration of the Option by its terms, the Optionee may exercise any Option granted to him, but only to the extent such Options were exercisable on the date the Optionee ceased to be employed by, or ceased to have a relationship with, the Corporation or Subsidiary by reason of disability. The decision as to whether a termination by reason of disability has occurred shall be made by the Committee, whose decision shall be final and conclusive.

7.3 Termination for Cause. If an Optionee's employment by, or relationship with, the Corporation or a Subsidiary is terminated for cause, such Optionee's Option shall expire immediately; provided, however, the Committee may, in its sole discretion, within thirty (30) days of such termination, waive the expiration of the Option by giving written notice of such waiver to the Optionee at such Optionee's last known address. In the event of such waiver, the Optionee may exercise the Option only to such extent, for such time, and upon such terms and conditions as if such Optionee had ceased to be employed by, or ceased to have a relationship with, the Corporation or a Subsidiary upon the date of such termination for a reason other than disability, cause or death. Termination for cause shall include termination for malfeasance or gross misfeasance in the performance of duties or conviction of illegal activity in connection therewith or any conduct detrimental to the interests of the Corporation or a Subsidiary. The determination of the Committee with respect to whether a termination for cause has occurred shall be final and conclusive.

8. NONTRANSFERABILITY OF OPTIONS. The Options shall not be transferable, either voluntarily or by operation of law, otherwise than by will or the laws of descent and distribution and shall be exercisable during

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

the Optionee's lifetime only by Optionee.

9. ADDITIONAL RESTRICTIONS REGARDING DISPOSITIONS OF SHARES. The Shares acquired pursuant to the exercise of Options shall be subject to the restrictions set forth in Exhibit "A" attached hereto and incorporated herein as if fully set forth.

10. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION. As used herein, the term "Adjustment Event" means an event pursuant to which the outstanding Shares of the Corporation are increased, decreased or changed into, or exchanged for a different number or kind of shares or securities, without receipt of consideration by the Corporation, through reorganization, merger, recapitalization, reclassification, stock split, reverse stock split, stock dividend, stock consolidation or otherwise. Upon the occurrence of an Adjustment Event, (i) appropriate and proportionate adjustments shall be made to the number and kind and exercise price for the shares subject to the Options, and (ii) appropriate amendments to this Agreement shall be executed by the Corporation and Optionee if the Committee determines that such an amendment is necessary or desirable to reflect such adjustments. If determined by the Committee to be appropriate, in the event of an Adjustment Event which involves the substitution of securities of a corporation other than the Corporation, the Committee shall make arrangements for the assumptions by such other corporation of the Options. Notwithstanding the foregoing, any such adjustment to the Options shall be made without change in the total exercise price applicable to the unexercised portion of the Options, but with an appropriate adjustment to the number of shares, kind of shares and exercise price for each share subject to the Options. The determination by the Committee as to what adjustments, amendments or arrangements shall be made pursuant to this Section 10, and the extent thereof, shall be final and conclusive. No fractional Shares shall be issued on account of any such adjustment or arrangement.

11. NO RIGHTS TO CONTINUED EMPLOYMENT OR RELATIONSHIP. Nothing

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

contained in this Agreement shall obligate the Corporation to employ or have another relationship with Optionee for any period or interfere in any way with the right of the Corporation to reduce Optionee's compensation or to terminate the employment of or relationship with Optionee at any time.

12. TIME OF GRANTING OPTIONS. The time the Options shall be deemed granted, sometimes referred to herein as the "date of grant," shall be .

13. PRIVILEGES OF STOCK OWNERSHIP. Optionee shall not be entitled to the privileges of stock ownership as to any Shares not actually issued and delivered to Optionee. No Shares shall be purchased upon the exercise of any Options unless and until, in the opinion of the Corporation's counsel, any then applicable requirements of any laws, or governmental or regulatory agencies having jurisdiction, and of any exchanges upon which the stock of the Corporation may be listed shall have been fully complied with.

14. SECURITIES LAWS COMPLIANCE. The Corporation will diligently endeavor to comply with all applicable securities laws before any stock is issued pursuant to the Options. Without limiting the generality of the foregoing, the Corporation may require from the Optionee such investment representation or such agreement, if any, as counsel for the Corporation may consider necessary in order to comply with the Securities Act of 1933 as then in effect, and may require that the Optionee agree that any sale of the Shares will be made only in such manner as is permitted by the Committee. The Committee may in its discretion cause the Shares underlying the Options to be registered under the Securities Act of 1933 as amended by filing a Form S-8 Registration Statement covering the Options and the Shares underlying the Options. Optionee shall take any action reasonably requested by the Corporation in connection with registration or qualification of the Shares under federal or state securities laws.

15. INTENDED TREATMENT AS INCENTIVE STOCK OPTIONS. The Options granted herein are intended to be "incentive stock options" to which Sections 421 and 422A of the Internal Revenue Code of 1986, as amended from time to time

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

("Code") apply, and shall be construed to implement that intent. If all or any part of the Options shall not be subject to Sections 421 and 422A of the Code, the Options shall nevertheless be valid and carried into effect.

16. PLAN CONTROLS. The Options shall be subject to and governed by the provisions of the Plan. All determinations and interpretations of the Plan made by the Committee shall be final and conclusive.

17. SHARES SUBJECT TO LEGEND. If deemed necessary by the Corporation's counsel, all certificates issued to represent Shares purchased upon exercise of the Options shall bear such appropriate legend conditions as counsel for the Corporation shall require.

### 18. CONDITIONS TO OPTIONS.

18.1 Compliance with Applicable Laws. ## NON-QUALIFIED STOCK OPTION AGREEMENT

THIS NON-QUALIFIED STOCK OPTION AGREEMENT ("Agreement") is entered into as of \_\_\_\_\_, by and between VOYAGER ENTERTAINMENT INTERNATIONAL, INC., a North Dakota corporation ("Corporation"), and \_\_\_\_\_ ("Optionee").

### R E C I T A L S

A. On February 8, 2002, the Board of Directors of the Corporation adopted, subject to the approval of the Corporation's shareholders, the VOYAGER ENTERTAINMENT INTERNATIONAL, INC. 2002 Stock Option Plan (the "Plan").

B. Pursuant to the Plan, on \_\_\_\_\_, the Board of Directors of the Corporation acting as the Plan Committee ("Committee") authorized granting to Optionee options to purchase shares of the common stock, \$.001 par value, of the Corporation ("Shares") for the term and subject to the terms and conditions hereinafter set forth.

### A G R E E M E N T

It is hereby agreed as follows:

1. CERTAIN DEFINITIONS. Unless otherwise defined herein, or the context otherwise clearly requires, terms with initial capital letters used herein shall have the meanings assigned to such terms in the Plan.

2. GRANT OF OPTIONS. The Corporation hereby grants to Optionee, options ("Options") to purchase all or any part of \_\_\_\_\_ Shares, upon

and subject to the terms and conditions of the Plan, which is incorporated in full herein by this reference, and upon the other terms and conditions set forth herein.

3. OPTION PERIOD. The Options shall be exercisable at any time during the period commencing on the following dates (subject to the provisions of

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A

Section 18) and expiring on the date five (5) years from the date of grant, unless earlier terminated pursuant to Section 7:

[Terms of vesting to be set forth here]

4. METHOD OF EXERCISE. The Options shall be exercisable by Optionee by giving written notice to the Corporation of the election to purchase and of the number of Shares Optionee elects to purchase, such notice to be accompanied by such other executed instruments or documents as may be required by the Committee pursuant to this Agreement, and unless otherwise directed by the Committee, Optionee shall at the time of such exercise tender the purchase price of the Shares he has elected to purchase. An Optionee may purchase less than the total number of Shares for which the Option is exercisable, provided that a partial exercise of an Option may not be for less than One Hundred (100) Shares. If Optionee shall not purchase all of the Shares which he is entitled to purchase under the Options, his right to purchase the remaining unpurchased Shares shall continue until expiration of the Options. The Options shall be exercisable with respect of whole Shares only, and fractional Share interests shall be disregarded.

5. AMOUNT OF PURCHASE PRICE. The purchase price per Share for each Share which Optionee is entitled to purchase under the Options shall be \$ per Share.

6. PAYMENT OF PURCHASE PRICE. At the time of Optionee's notice of exercise of the Options, Optionee shall tender in cash or by certified or bank cashier's check payable to the Corporation, the purchase price for all Shares then being purchased. Provided, however, the Board of Directors may, in its sole discretion, permit payment by the Corporation of the purchase price in whole or in part with Shares. If the Optionee is so permitted, and the Optionee elects to make payment with Shares, the Optionee shall deliver to the Corporation certificates representing the number of Shares in payment

for new Shares, duly endorsed for transfer to the Corporation, together with any written representations relating to title, liens and encumbrances, securities laws, rules and regulatory compliance, or other matters, reasonably requested by the Board of Directors. The value of Shares so tendered shall be their Fair Market Value Per Share on the date of the Optionee's notice of exercise.

7. EFFECT OF TERMINATION OF RELATIONSHIP OR DEATH. If Optionee's relationship with the Corporation as a director terminates (whether voluntarily or involuntarily because he is not re-elected by the shareholders), or if optionee dies, all options which have previously vested shall expire six (6) months thereafter. All unvested options shall laps and automatically expire. During such six (6) month period (or such shorter period prior to the expiration of the Option by its own terms), such Options may be exercised by the Optionee, his executor or administrator or the person or persons to whom the Option is transferred by will or the applicable laws of descent and distribution, as the case may be, but only to the extent such Options were exercisable on the date Optionee ceased to have a relationship with the Corporation as a director or died.

8. NONTRANSFERABILITY OF OPTIONS. The Options shall not be transferable, either voluntarily or by operation of law, otherwise than by will or the laws of descent and distribution and shall be exercisable during the Optionee's lifetime only by Optionee.

9. ADDITIONAL RESTRICTIONS REGARDING DISPOSITIONS OF SHARES. The Shares acquired pursuant to the exercise of Options shall be subject to the restrictions set forth in Exhibit "A" attached hereto and incorporated herein as if fully set forth.

10. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION. As used herein, the term "Adjustment Event" means an event pursuant to which the outstanding Shares of the Corporation are increased, decreased or changed into, or exchanged for a different number or kind of shares or securities, without

receipt of consideration by the Corporation, through reorganization, merger, recapitalization, reclassification, stock split, reverse stock split, stock dividend, stock consolidation or otherwise. Upon the occurrence of an Adjustment Event, (i) appropriate and proportionate adjustments shall be made to the number and kind and exercise price for the shares subject to the Options, and (ii) appropriate amendments to this Agreement shall be executed by the Corporation and Optionee if the Committee determines that such an amendment is necessary or desirable to reflect such adjustments. If determined by the Committee to be appropriate, in the event of an Adjustment Event which involves the substitution of securities of a corporation other than the Corporation, the Committee shall make arrangements for the assumptions by such other corporation of the Options. Notwithstanding the foregoing, any such adjustment to the Options shall be made without change in the total exercise price applicable to the unexercised portion of the Options, but with an appropriate adjustment to the number of shares, kind of shares and exercise price for each share subject to the Options. The determination by the Committee as to what adjustments, amendments or arrangements shall be made pursuant to this Section 10, and the extent thereof, shall be final and conclusive. No fractional Shares shall be issued on account of any such adjustment or arrangement.

11. NO RIGHTS TO CONTINUED EMPLOYMENT OR RELATIONSHIP. Nothing contained in this Agreement shall obligate the Corporation to employ or have another relationship with Optionee for any period or interfere in any way with the right of the Corporation to reduce Optionee's compensation or to terminate the employment of or relationship with Optionee at any time.

12. TIME OF GRANTING OPTIONS. The time the Options shall be deemed granted, sometimes referred to herein as the "date of grant," shall be ..

13. PRIVILEGES OF STOCK OWNERSHIP. Optionee shall not be entitled to the privileges of stock ownership as to any Shares not actually issued and

delivered to Optionee. No Shares shall be purchased upon the exercise of any Options unless and until, in the opinion of the Corporation's counsel, any then applicable requirements of any laws, or governmental or regulatory agencies having jurisdiction, and of any exchanges upon which the stock of the Corporation may be listed shall have been fully complied with.

14. SECURITIES LAWS COMPLIANCE. The Corporation will diligently endeavor to comply with all applicable securities laws before any stock is issued pursuant to the Options. Without limiting the generality of the foregoing, the Corporation may require from the Optionee such investment representation or such agreement, if any, as counsel for the Corporation may consider necessary in order to comply with the Securities Act of 1933 as then in effect, and may require that the Optionee agree that any sale of the Shares will be made only in such manner as is permitted by the Committee. The Committee may in its discretion cause the Shares underlying the Options to be registered under the Securities Act of 1933 as amended by filing a Form S-8 Registration Statement covering the Options and the Shares underlying the Options. Optionee shall take any action reasonably requested by the Corporation in connection with registration or qualification of the Shares under federal or state securities laws.

15. INTENDED TREATMENT AS NON-QUALIFIED STOCK OPTIONS. The Options granted herein are intended to be non-qualified stock options described in U.S. Treasury Regulation ("Treas. Reg.") 1.83-7 to which Sections 421 and 422A of the Internal Revenue Code of 1986, as amended from time to time ("Code") do not apply, and shall be construed to implement that intent. If all or any part of the Options shall not be described in Treas. Reg. 1.83-7 or be subject to Sections 421 and 422A of the Code, the Options shall nevertheless be valid and carried into effect.

16. PLAN CONTROLS. The Options shall be subject to and governed by the provisions of the Plan. All determinations and interpretations of the Plan made by the Committee shall be final and conclusive.

## Edgar Filing: DAKOTA IMAGING INC - Form DEF 14A
