Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Green Plains Renewable Energy, Inc. (Green Plains) has been approved for listing on the NASDAQ Global Market pending completion of Green Plains mergers with VBV LLC, Ethanol Grain Processors, LLC and Indiana Bio-Energy, LLC. Green Plains currently anticipates that such mergers will close later this month. Thereafter, Green Plains will transfer its common stock from listing on the NASDAQ Capital Market to the NASDAQ Global Market.

On October 10, 2008, Green Plains notified the American Stock Exchange (AMEX) that (i) it intended to remove its common stock from listing on AMEX and (ii) it intended to file a Form 25 with the Securities Exchange Commission (the Commission) to remove the shares of common stock from listing and registration on AMEX. Green Plains intends to file a Form 25 with the Securities and Exchange Commission (the SEC) to formally withdraw its common stock from listing on AMEX on October 20, 2008. Green Plains will automatically be withdrawn from AMEX ten days after filing the Form 25 with the SEC. Green Plains principal reasons for the withdrawal from AMEX are (i) a limited volume of trading on AMEX in Green Plains common stock and (ii) the fact that Green Plains common stock is currently traded with NASDAQ.

Green Plains intends to continue trading on NASDAQ after completing its withdrawal from AMEX. Green Plains will continue to trade under the existing ticker symbol, GPRE.

Item 8.01. Other Events.

On October 10, 2008, Green Plains issued a press release announcing (i) the approval by Green Plains shareholders of the mergers with VBV LLC, Ethanol Grain Processors, LLC and Indiana Bio-Energy, LLC, (ii) Green Plains notification to AMEX of its intent to withdraw its securities from listing on AMEX and (iii) Green Plains anticipated removal of its shares from listing on the NASDAQ Capital Market and simultaneous listing of its shares on the NASDAQ Global Market. The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
