PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS OF STOCKGROUP INFORMATION SYSTEMS INC.

May 30, 2006

The accompanying Form of Proxy is solicited on behalf of the Board of Directors of Stockgroup Information Systems Inc. (the "Corporation"), to be used at our annual meeting to be held at our offices at the 5th Floor, 750 West Pender Street, Vancouver, British Columbia, on May 30, 2006, at 1:30 p.m. local time. This proxy statement, accompanying Form of Proxy, Notice of Meeting and Annual Report to Shareholders for the fiscal year ended December 31, 2005, are first being mailed to shareholders on or about May 4, 2006.

We will bear the expense of this solicitation. In addition to solicitation by use of the mails, certain of our directors, officers and regular employees may solicit the return of proxies by telephone, facsimile or other means. Requests will also be made of brokerage houses and custodians, nominees or fiduciaries to forward proxy material at our expense to the beneficial owners of stock held of record by such persons. Our transfer agent, Pacific Corporate Trust Company of Canada, has agreed to assist us in the tabulation of proxies and the counting of votes at our annual meeting.

All of a shareholder's common shares registered in the same name will be represented by one proxy.

WHO CAN VOTE

Only shareholders of record as of the close of business on April 25, 2006 are entitled to receive notice of, attend and vote at our annual meeting. As of the date of this report, there are 33,541,596 common shares in the capital

of our Corporation issued and outstanding. We have no other voting securities outstanding. Each shareholder of record on April 25, 2006 is entitled to one vote for each common share held.

HOW YOU CAN VOTE

Common shares cannot be voted at our annual meeting unless the holder of record is present in person or represented by proxy. A shareholder has the right to attend our annual meeting at the time and place set forth in the Notice of Annual Meeting and to vote their securities directly at the meeting. In the alternative, a shareholder may appoint a person to represent such shareholder at our annual meeting by completing the enclosed Form of Proxy, which authorizes a person other than the holder of record to vote on behalf of the shareholder, and returning it to our transfer agent, Pacific Corporate Trust Company, 2nd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9. All shareholders are urged to complete, sign, date and promptly return the proxy by mail in the enclosed postage-paid envelope, or by fax, after reviewing the information contained in this proxy statement. Valid proxies will be voted at our annual meeting and at any postponements or adjournments thereof as you direct in the proxy, provided that they are received by our transfer agent at least 24 hours prior to the scheduled time of the meeting, or any adjournment thereof, or deposited with the Chair of the meeting on the day of the meeting or any adjournment thereof prior to the time of voting.

Stockgroup Information Systems Inc.	Proxy Statement

The common shares represented by the proxy will be voted, or withheld from voting, as directed in the proxy. If no direction is given and the proxy is validly executed, the proxy will be voted FOR the election of the nominees for our Board of Directors set forth in this proxy statement. If any other matters properly come before our annual meeting, the persons authorized under the proxies will vote upon such other matters in accordance with their best judgement, pursuant to the discretionary authority conferred by the proxy.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

THE INFORMATION SET FORTH IN THIS SECTION IS OF SIGNIFICANT IMPORTANCE TO MANY SHAREHOLDERS OF OUR CORPORATION, AS A SUBSTANTIAL NUMBER OF SHAREHOLDERS DO NOT HOLD SHARES IN THEIR OWN NAME.

Shareholders who do not hold their shares in their own name (referred to in this Proxy Statement as "beneficial shareholders") should note that only proxies deposited by shareholders whose names appear on the records of our Corporation as the registered holders of common shares can be recognized and acted upon at our annual meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of our Corporation. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial shareholders in order to ensure that their common shares are voted at our annual meeting. The form of proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by our Corporation. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the beneficial shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communication Services ("ADP") in the United States and Independent Investor Communications Company ("IICC") in Canada. ADP and IICC typically apply a special sticker to proxy forms, mail those forms to the beneficial shareholders and

beneficial shareholders return the proxy forms to ADP for the United States and IICC for Canada. ADP and IICC then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of shares to be represented at our annual meeting. A beneficial shareholder receiving an ADP proxy or an IICC proxy cannot use that proxy to vote common shares directly at our annual meeting - the proxy must be returned to ADP or IICC, as the case may be, well in advance of our annual meeting in order to have the common shares voted.

Although a beneficial shareholder may not be recognized directly at our annual meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a beneficial shareholder may attend at our annual meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial shareholders who wish to attend at our annual meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of our annual meeting.

5

Stockgroup Information Systems Inc.	Proxy Statement
-------------------------------------	-----------------

Alternatively, a beneficial shareholder may request in writing that his or her broker send to the beneficial shareholder a legal proxy which would enable the beneficial shareholder to attend at our annual meeting and vote his or her common shares.

QUORUM

A quorum of shareholders is necessary to take action at our annual meeting. A minimum of one person present in person or represented by proxy and holding a majority of the outstanding common shares entitled to vote at the annual meeting as at April 25, 2006 will constitute a quorum for the transaction of business at our annual meeting. However, if a quorum is not present, the shareholders present at our annual meeting have the power to adjourn the meeting until a quorum is present. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting. Broker non-votes occur when a nominee holding common shares for a beneficial owner of those common shares has not received voting instructions from the beneficial owner with respect to a particular matter and such nominee does not possess or choose to exercise discretionary authority with respect thereto. Broker non-votes and abstentions will be included in the determination of the number of common shares present at our annual meeting for quorum purposes but will not be counted as votes cast on any matter presented at our annual meeting.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, YOU ARE ASKED TO MARK, DATE, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY WHETHER OR NOT YOU PLAN TO ATTEND OUR ANNUAL MEETING. IF YOU PLAN TO ATTEND OUR ANNUAL MEETING TO VOTE IN PERSON AND YOUR SHARES ARE REGISTERED WITH OUR TRANSFER AGENT (PACIFIC CORPORATE TRUST COMPANY) IN THE NAME OF A BROKER OR BANK, YOU MUST SECURE A PROXY FROM THE BROKER OR BANK ASSIGNING VOTING RIGHTS TO YOU FOR YOUR COMMON SHARES.

REVOCAION OF PROXIES

You may revoke your proxy at any time prior to the start of our annual meeting in three ways:

1. by delivering a written notice of revocation to the Secretary of our Corporation;
2. by submitting a duly executed proxy bearing a later date; or
3. by attending our annual meeting and expressing the desire to vote your common shares in person (attendance at our annual meeting will not in and of itself revoke a proxy).

CURRENCY

Except where otherwise indicated, all dollar (\$) amounts referred to herein are expressed in U.S. dollars.

PROPOSAL ONE - ELECTION OF DIRECTORS

Our Articles of Incorporation provide that the number of directors shall be determined by resolution of the Board of Directors and set out in the notice calling the meeting of shareholders provided that the number of directors may be not less than two (2) or more than seven (7). We have no reason to believe that any of the nominees will be unable to serve if elected, but if any of them should become unable to serve as a director, and if our Board of Directors designates a substitute nominee, the persons named in the accompanying proxy will vote for the substitute nominee designated by our Board of Directors, unless a contrary instruction is given in the proxy.

The affirmative majority vote of the common shares represented in person or by proxy at our annual meeting is required to elect each director. Votes may be cast in favor or withheld. The Board of directors had three (3) standing committees during the year: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee includes David Caddey and Elisabeth DeMarse, and it is governed by a written charter, which can be viewed at www.stockgroup.com. The function of the Audit Committee is to review and approve the scope of audit procedures employed by our independent auditors and to review the results of our independent auditors' examination, the scope of audits, our independent auditors' opinions on the adequacy of internal controls and quality of financial reporting, and our Corporation's accounting and reporting principles, policies and practices, as well as our accounting, financial and operating controls. - (1) reviewed and discussed the audited consolidated financial statements with our Corporation's management;
- (2) discussed with the independent accountants the matters described in Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants;

Compensation Committee

Our Compensation Committee includes Lee deBoer, David Caddey, and Patrick Spain and is governed by a written charter which can be viewed at www.stockgroup.com. The Compensation Committee met once during the fiscal year ended December 31, 2005. The Compensation Committee's duties include developing policies that are designed to offer competitive compensation opportunities for our executive officers, which are based on personal performance, individual initiative and achievement, as well as assisting in attracting and retaining qualified executives. The Compensation Committee also endorses the position that stock ownership by management and stock-based compensation arrangements are beneficial in aligning management's and shareholders' interests in the enhancement of shareholder value. No member of our Compensation Committee was, during the fiscal year ended December 31, 2005 or prior, an officer or employee of our Corporation or any of its subsidiaries.

Report of the Compensation Committee

Compensation paid to our Corporation's executive officers is generally comprised of two elements: base salary and long-term compensation in the form of stock options. Compensation levels for executive officers of our Corporation are determined by a consideration of each officer's initiative and contribution to our overall corporate performance, and the officer's managerial abilities and performance in any special projects that the officer may have undertaken. Competitive base salaries that reflect the individual's level of responsibility are important elements of our Corporation's executive compensation philosophy. Subjective considerations of individual performance are considered in establishing incentive compensation. In addition, our Compensation Committee considers our financial position and cash flow in making compensation decisions.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee includes Patrick Spain, Lee deBoer, and Leslie Landes and is governed by a written charter which can be viewed at www.stockgroup.com. The Committee was formed in 2004 and new directors appointed in 2005. The Committee's duties include

During the fiscal year ended Dec 31, 2005, the Nominating and Corporate Governance Committee met 0 times. The meetings were attended by all of our directors either in person or by teleconference.

No member of the Committee was, during the fiscal year ended December 31, 2004 or prior, an officer or employee of our Corporation or any of its subsidiaries.

Recommendations by security holders must be made in writing to the attention of Chairman, Nominating and Corporate Governance Committee, Stockgroup Information Systems Inc., Suite 500 □ 750 West Pender Street, Vancouver, British Columbia, Canada V6C 2T7.

COMPENSATION OF DIRECTORS

Directors are entitled to reimbursement for reasonable travel and other out-of-pocket expenses incurred in connection with attendance at Board or committee meetings. The Board of Directors may award special remuneration to any director undertaking any special services on behalf of our Corporation other than services ordinarily required of a director.

Stockgroup compensates its outside directors with cash and stock options. Each outside director receives an annual fee of \$4,000, plus \$300 per meeting attended, or \$750 for certain meetings which, in our discretion, involve unusual amounts of time or work. In addition, each outside director receives 100,000 options to acquire shares of common stock, with the exercise price being the market price of our common stock on the date of grant. "HOUSEHOLDING" OF PROXY MATERIAL

In December of 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding", potentially means extra conveniences for security holders and cost savings for companies.

This year, a number of brokers with accountholders who are shareholders of our Corporation will be "householding" our proxy materials. As indicated in the notice previously provided by these brokers to

Stockgroup Information Systems Inc.	Proxy Statement
-------------------------------------	-----------------

shareholders of our Corporation, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement, please notify your broker.

Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

3. Orientation and Continuing Education

Our company has a formal process to orient and educate new recruits to the board regarding the role of the board, its committees and its directors, as well as the nature and operations of our business. This process provides for an orientation day with key members of the management staff and further provides key reference and background materials, such as the current board approved business and strategic plan, the most recent board approved budget, the most recent annual report, the audited financial statements and copies of the interim quarterly financial statements.

The board does not provide continuing education for its directors. Each director is responsible to maintain the skills and knowledge necessary to meet his obligations as directors.

The board intends that individual director assessments be conducted by other directors, taking into account each director’s contributions at board meetings, service on committees, experience base and their general ability to contribute to one or more of our company’s major needs. However, due to our stage of development and our need to deal with other urgent priorities, the board has not yet implemented such a process of assessment.
