Item 1.01 Entry into a Material Definitive Agreement

On November 7, 2016, Akamai Technologies, Inc. (the "Company") and Bryan J. Koop, Mortimer B. Zuckerman and Michael A. Cantalupa, sole Trustees of Eleven Cambridge Center Trust, a Massachusetts nominee trust (the "Landlord"), entered into an Indenture of Lease (the "Headquarters Lease") for a building to be constructed at 145 Broadway, Cambridge, Massachusetts (the "Headquarters Building"). The Company intends that such facility will serve as its corporate headquarters. Under the terms of the Headquarters Lease, the parties agreed that if necessary permits and approvals specified in the Headquarters Lease are granted and neither the Landlord nor the Company exercises any applicable termination right, then the Landlord will construct the Headquarters Building, and the Company will lease the office space portion of such facility.

The Headquarters Lease has a 15-year term commencing on the earlier of the date on which the Company occupies the Headquarters Building or the date that it is substantially completed (the "145 Commencement Date"). The Company expects to occupy approximately 475,000 square feet in the Headquarters Building at an annual lease rate commencing at \$32.6 million in the first year and subject to annual increases specified in the Headquarters Lease. Aggregate committed rent for the initial term is approximately \$540 million. The Company has an option to extend the Headquarters Lease for an additional ten year term. The estimated 145 Commencement Date is December 2019.

In addition, on November 7, 2016, the Company, Boston Properties Limited Partnership ("Boston Properties") and the Trustees of Ten Cambridge Center Trust entered into a Must-Take Premises and Right of First Offer Agreement under the terms of which the Company committed to lease at least an additional 150,000 square feet of office space in one or more existing or to-be-constructed buildings near the Headquarters Building when available (the "Must-Take Space"). The annual rent for the Must-Take Space will commence at a minimum of approximately \$9.5 million, with an increase of a minimum of approximately \$150,000 each succeeding year in the term, which is coterminous with the Headquarters Lease. In addition, the Company has a right-of-first offer to rent additional space at a building owned by an affiliate of Boston Properties if it becomes available for lease during the term of the Headquarters Lease. In both instances, the Company's occupancy of the new facilities would require entry into a lease agreement.

In connection with its entry into the Headquarters Lease, on November 7, 2016, the Company also entered into amendments to its leases with affiliates of the Landlord for its current offices at 90 Broadway, Cambridge, Massachusetts (the "90 Broadway Lease") and 150 Broadway, Cambridge Massachusetts (the "150 Broadway Lease"). The amendments to the 90 Broadway Lease and the 150 Broadway Lease revise the respective termination dates of such leases to be the later of (i) December 31, 2019 and (ii) the earlier of the date that is (a) two years following any termination of the Headquarters Lease that may occur prior to the 145 Commencement Date and (b) the 145 Commencement Date; provided, however, that such termination date will be no later than December 31, 2022. The amendment to the 150 Broadway Lease also provides the Company with certain extension options in the event that the Company does not occupy the Headquarters Building.

The foregoing descriptions of each of the Headquarters Lease, the Must-Take Premises and Right of First Offer Agreement, the 90 Broadway Lease and the 150 Broadway Lease are a summary only and are qualified in their entirety by reference to the text of each of such agreement, filed as Exhibits 10.47, 10.48, 10.49 and 10.50, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
