GENERAL INFORMATION

WHAT ARE STOCKHOLDERS BEING ASKED TO APPROVE?

Stockholders are not being asked to approve anything. To the extent required, stockholder approval of the action discussed herein has already been obtained. This Information Statement is being provided to you only for purposes of informing you of what has already been approved.

WHAT ACTION HAS ALREADY BEEN APPROVED?

The only action to which this Information Statement relates is the only action which has already been approved. Specifically, this action is the adoption of amendments to our Articles of Incorporation increasing the number of our authorized shares of Common Stock from 120,000,000 to 800,000,000.

HOW CAN STOCKHOLDER APPROVAL ALREADY HAVE BEEN OBTAINED IF STOCKHOLDERS WERE NOT YET INVITED TO VOTE AND NO STOCKHOLDERS' MEETING HAS BEEN HELD?

Section 78.320 of the Nevada Statutes provides that, unless prohibited under a company's articles of incorporation or bylaws, any action which may be taken at any annual or special meeting of stockholders may be taken without a meeting and without prior notice if a written consent thereto is obtained by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote thereon were present and voted. In accordance with Article VIII of our Articles of Incorporation, any action to be taken by way of written consent of our stockholders, however, requires that it first be approved by our Board of Directors.

In accordance with the Nevada Statutes and our Articles of Incorporation and Bylaws, the corporate action discussed herein requires the affirmative vote of the holders of a majority of our voting power. Each share of our Common Stock entitles the holder to one vote on all matters submitted to the stockholders. We currently have no class of voting stock outstanding other than the Common Stock, and neither our Articles of Incorporation or our Bylaws prohibit stockholder action by way of written consent.

In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the action described herein as early as possible in order to accomplish the purposes as hereafter described, our Board of Directors voted to utilize, and did in fact obtain, the written consent of the holders of a majority in interest of the Company's voting stock, which voting stock is comprised solely of the Common Stock. As of December 13, 2012 (the "Record Date"), there were 87,832,660 shares of our Common Stock outstanding and no shares of preferred stock outstanding. Also as of December 14, 2012, the written consent of certain of our principal stockholders holding 48,099,043 shares of our Common Stock, representing 55% of our then total issued and outstanding Common Stock, to the above action has been obtained. Our Board of Directors approved the foregoing action by unanimous written consent (in accordance with Section 78.315 of the Nevada Statutes) on December 6, 2012 and recommended that such resolutions be submitted as required under Article VIII of our Articles of Incorporation for stockholder approval.

As a result of the foregoing, no stockholder vote or meeting is required to approve the action and no proxies will be solicited.

ARE STOCKHOLDERS ENTITLED TO DISSENTER'S RIGHTS IN CONNECTION WITH THIS ACTION?

No. The Nevada Statutes do not provide for dissenter's rights in connection with the action taken.

IS THE COMPANY DISTRIBUTING THIS INFORMATION STATEMENT VOLUNTARILY?

No. Although the Nevada Statutes do not require that notice of action taken by way of written consent of stockholders be provided to non-consenting stockholders, federal securities laws impose very specific requirements for reporting companies. Pursuant to Rule 14c-2 promulgated under the Exchange Act, any stockholder approval of a reporting company which is obtained by written consent cannot take effect until 20 days after an Information Statement conforming to the requirements of Schedule 14C is mailed to stockholders.

**INFORMATION RELATING TO THE ACTION TAKEN BY OUR BOARD OF DIRECTORS
AND THE CONSENTING STOCKHOLDERS INVOLVING THE ADOPTION OF AN AMENDMENT TO
OUR ARTICLES OF INCORPORATION INCREASING THE NUMBER OF OUR AUTHORIZED
SHARES OF COMMON STOCK FROM 120,000,000 TO 800,000,000.**

WHAT IS MEANT BY "AUTHORIZED SHARES"?

"Authorized Shares" are those shares of Findex capital stock that the Company has been granted authority to issue pursuant to its articles of incorporation, the total amount of which is specifically set forth therein. Authorized shares include both issued and outstanding shares as well as unissued shares and treasury shares.

HOW MANY SHARES DOES THE COMPANY CURRENTLY HAVE AUTHORIZED?

Pursuant to Article V of our Articles of Incorporation, as restated and amended to date, we are currently authorized to issue up to a total of 125,000,000 shares of capital stock, 120,000,000 of which are shares of Common Stock, and 5,000,000 of which are serial preferred stock, the rights, preferences and privileges of which may be set by our Board of Directors from time to time.

**HOW MANY ADDITIONAL SHARES HAVE BEEN AUTHORIZED BY THE CONSENTING
SHAREHOLDERS?**

680,000,000 shares of Common Stock. Upon effectiveness of the amendment to our Articles of Incorporation, we will be authorized to issue up to a total of 800,000,000 shares of Common Stock, as opposed to the current 120,000,000

shares. No additional shares of preferred stock have been authorized.

WHY IS THERE A NEED FOR ADDITIONAL AUTHORIZED SHARES OF COMMON STOCK?

Of the 120,000,000 shares of Common Stock currently authorized, as of the Record Date (December 13, 2012), 87,832,660 shares of Common Stock were issued and outstanding. As a result, approximately 32,167,340 shares of Common Stock remain available for future issuance prior to the taking of this corporate action, subject to certain compensation-based share issuances previously committed to by the Company but, in accordance with such commitments, not yet fulfilled.

It is anticipated, however, that we may need additional shares of Common Stock the precise number of which cannot be specifically known at this time in order to pursue (i) possible future acquisitions or other business combinations, and/or (ii) possible future equity, convertible debt, or equity-linked financings. Accordingly, we believe that an increase in the number of authorized shares of our Common Stock is prudent in order to assure that a sufficient number of shares of our Common Stock are available for issuance in the future if our Board of Directors deems any such issuance or issuances to be in our stockholders' best interests. A total of an additional 680,000,000 shares of Common Stock has been determined by our Board of Directors to be a reasonably conservative estimate of what might be required by the Company in this regard for the foreseeable future.

WHAT WILL BE THE EFFECT OF AN INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK?

Upon the effectiveness of the amendment, the number of authorized shares of our Common Stock that are not issued or outstanding would increase. As of the Record Date, we had 120,000,000 shares of authorized Common Stock and 87,832,660 shares of Common Stock issued and outstanding on a fully diluted basis (meaning it includes all shares into which any outstanding convertible securities may be converted as well as all shares underlying unexercised options and warrants).

The increase in authorized Common Stock will not have any immediate effect on the rights of existing stockholders. However, the Board of Directors will have the authority to issue authorized Common Stock without requiring future stockholder approval of such issuances, except as may be required under the Nevada Statutes or pursuant to our Articles of Incorporation. To the extent that additional authorized shares are issued in the future, they may decrease our existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be economically dilutive to the shareholdings of existing stockholders.

The increase in the authorized number of shares of Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the stockholders. Shares of authorized and unissued Common Stock could, within the limits imposed by applicable law, be issued in one or more transactions which would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Common Stock and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company.

Our Board of Directors is not currently aware of any attempt to take over or acquire the Company. While it may be deemed to have potential anti-takeover effects, the amendment to our Articles of Incorporation is not prompted by any specific effort or takeover threat currently perceived by management.

HOW WILL THIS CHANGE AFFECT OUR ARTICLES OF INCORPORATION?

The amendment will result in a change in Article V of our Articles of Incorporation so that it reads in pertinent part as follows:

“The aggregate number of shares of all classes of capital stock which the Corporation has authority to issue is 805,000,000 of which 800,000,000 are to be shares of common stock, \$.001 par value per share, and of which 5,000,000 are to be shares of serial preferred stock, \$.001 par value per share.”

The text of the form of amendment to our Articles of Incorporation that will be filed with the Nevada Secretary of State to effect this action is set forth in Appendix A, subject, however, to such changes as may be required by the office of the Nevada Secretary of State, or as our Board of Directors deems necessary and advisable, to effect this action.

WHY DO STOCKHOLDERS NEED TO APPROVE AN INCREASE IN OUR AUTHORIZED COMMON STOCK?

Our capitalization is set forth in Article V of our Articles of Incorporation. Section 78.390 of the Nevada Statutes provides that every amendment to a company's articles of incorporation shall first be adopted by the resolution of the board of directors and then be subject to the approval of stockholders entitled to vote on any such amendment. Pursuant to that Section, as well as Article XVIII of our Articles of Incorporation, our Articles of Incorporation may only be amended upon the affirmative vote of at least a majority of the voting power of stockholders entitled to vote. While, pursuant to Article XVIII of our Articles of Incorporation, some of the provisions contained in our Articles of Incorporation require a 75% supermajority to amend, Article V is not one of those provisions.

WHAT IS THE REQUIRED VOTE FOR THIS ACTION?

This corporate action has already been approved by the holders of a majority of the voting power of our outstanding Common Stock pursuant to written consent. No further vote is required or will be taken.

WHEN WILL THE AMENDMENT BECOME EFFECTIVE?

Under applicable federal securities laws, the corporate action discussed herein cannot be effective until at least 20 calendar days after this Information Statement is sent or given to the Company's stockholders. The amendment to our Articles of Incorporation will become effective upon filing with the Nevada Secretary of State. It is anticipated that the foregoing will take place approximately 20 calendar days after this Information Statement is mailed to the Company's stockholders.

NO ADDITIONAL MATTERS

Except as set forth above, as of the date of this Information Statement, the Board of Directors knows of no other matters other than those described in this Information Statement, which have been approved or considered by the holders of a majority of the shares of our voting stock.
