ITEM 7.01 Regulation FD Disclosure

As of August 17, 2010, holders of the May 15, 2014 series of Zions Bancorporation subordinated notes (CUSIP: 989701 AL1), which is convertible into the company's Series A or Series C preferred stock, filed notice of their election to convert \$54.3 million principal amount of these notes into 2,168,760 depositary shares each representing a 1/40th interest in a share of the company's Series C preferred stock and 1,600 depositary shares each representing a 1/40th interest in a share of the company's Series A preferred stock. As a result of the elected conversions, Zions expects an additional 54,219 of Series C and 40 shares of Series A preferred stock will be issued when the conversions close on September 15, 2010, unless the elections are revoked prior to that date.

The expected discount amortization attributable to the September 2010 conversions (i.e. accelerated discount amortization) is approximately \$27.5 million, which compares to the accelerated discount amortization for the May 2010 conversions of \$60.5 million.

Upon the close of the conversions noticed this quarter, the cumulative amount of subordinated notes converted since the debt was modified in June of 2009 to include the conversion feature will equal \$255.4 million, of which approximately \$255.3 million will have been converted into the company's depositary shares representing Series C preferred stock and \$0.04 million will have been converted into depositary shares representing the company's Series A preferred stock, equaling 10,212,640 depositary shares of Series C preferred stock and 1,600 depositary shares of Series A preferred stock. In aggregate, 255,316 shares of Series C and 40 shares of Series A preferred stock will have been issued. The aggregate conversions are expected to constitute approximately 21.1% of the original \$1.21 billion principal amount of the convertible subordinated notes; the \$1.21 billion includes the December modification of \$40 million of subordinated debt, as referenced in the Form 8-K filed January 5, 2010.

The conversion dates for the convertible subordinated notes occur only on semi-annual interest payment dates. The next such dates are:

- November 15, 2010 for convertible 5.65% notes due on May 15, 2014;
- November 16, 2010 for convertible 5.50% notes due on November 16, 2015;
