PROSPECTUS SUMMARY

This is only a summary of the prospectus. You should read the entire prospectus, including the financial data and related notes, before making an investment decision. Unless the context indicates otherwise, all references to "Ameristar," "we," "our," "ours" and "us" refer to Ameristar Casinos, Inc. and its consolidated subsidiaries and the information presented in this prospectus gives effect to the transactions described under the headings "The Company" and "The Transactions."

THE COMPANY

We are a leading multi-jurisdictional gaming company that owns and operates casinos and related hotel and entertainment facilities. On December 20, 2000, we acquired substantially all the assets of two gaming and entertainment facilities located in Kansas City, Missouri and St. Charles, Missouri from subsidiaries of Station Casinos, Inc. (the "Acquisitions"). On January 29, 2001, in a separate transaction, we sold substantially all the assets of The Reserve Hotel and Casino, located in Henderson, Nevada, to a subsidiary of Station Casinos (the "Disposition"). As a result of these transactions, we currently own and operate six casino properties in five distinct markets. Pro forma for these transactions, we would have generated \$596.9 million of revenue and \$142.5 million of pro forma EBITDA (as defined) for the year ended December 31, 2000. The term "Transactions" refers to the Acquisitions, the Disposition and the related financing transactions (other than the offering of the old notes).

Except as footnoted below, the following table provides summary data giving effect to the Transactions for our gaming properties as of March 15, 2001:

BUSINESS STRATEGY AND STRENGTHS

Our business strategy is to: (1) emphasize quality dining, lodging, entertainment and other non-gaming amenities at affordable prices to complement and enhance our gaming operations, (2) promote our properties as entertainment destinations, (3) construct and expand facilities appropriate to individual markets, (4) emphasize courteous and responsive service to develop customer loyalty and (5) utilize marketing programs to promote customer retention. In selecting markets, we seek strong demographics and a favorable competitive environment. Within markets, we look for sites with attractive, prominent locations and ease of access that will support the size and scope of our development plans. We believe the following strengths will enable us to implement these strategies and position us for future growth.

High Quality Properties with Strong Market Share. Our casino properties generally are leaders in their respective markets in terms of size, location and quality of amenities and enjoy a strong market share position. Our Kansas City property was recently named the top tourist attraction in Missouri by a local Kansas City magazine, Ameristar Council Bluffs is the only riverboat property in the country with a Four-Diamond rating from the AAA, and Cactus Petes, which is also a AAA-rated Four-Diamond property, has been named "Best Hotel/Resort" in rural Nevada by Nevada Magazine for the last two years. We believe the size, location and quality of amenities of our properties position us to retain or improve our current market positions and benefit from future market growth. At Ameristar St. Charles, our current plans call for us to invest approximately

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

\$110 million to complete a new casino-entertainment facility at the property in which the former owner invested approximately \$169 million prior to the Acquisitions. We are also considering an alternative design that would expand the casino, among other enhancements. Upon the completion of the replacement facility at Ameristar St. Charles, which is anticipated in mid-2002, we expect the property to be the premier gaming facility in the St. Louis market.

Strong Presence in Attractive Gaming Markets. Our properties are strategically located in attractive gaming markets with significant barriers to entry for additional competitors. Our four Midwest properties are located near major population centers with approximately 1.5 million or more people living within a 100-mile radius of each property and are easily accessible from well-traveled highways. Furthermore, the markets in which our Midwest properties are located have historically generated strong year-over-year growth in gaming revenues. For the three years ended November 30, 2000, gaming revenues for these markets grew at a weighted average compounded annual growth rate of 10.7%.

Stable and Growing Cash Flow. We generally emphasize slot play, cater to local patrons and do not target high-end play. Our pro forma revenue has grown at a 8.1% compounded annual growth rate between the year ended December 31, 1998 and the year ended December 31, 2000. In addition, pro forma combined EBITDA margins at our properties before corporate overhead have improved from approximately 19.8% to approximately 25.9% over the same period, further driving our cash flow growth.

Geographic Diversity. We own and operate six gaming facilities in five distinct markets in the United States. This diversity generally limits the impact on our cash flow of adverse conditions in any one market. Pro forma for the Transactions, approximately 37.5% of our total property-level EBITDA before corporate overhead for the year ended December 31, 2000 would have been generated by Ameristar Kansas City, and no other property would have accounted for more than 20.9% of such EBITDA.

Experienced Management Team with Proven Track Record. Our senior management team is an experienced group of industry veterans with an average tenure in the gaming industry or applicable fields of expertise of more than 20 years. Our management team has developed a track record of success in the operation and development of hotels and casinos, developing three casino properties over the last seven years and overseeing a number of expansions at our properties. In addition, we have retained the key managers of the Missouri operations, including John Finamore, President of Missouri Operations.

Reinvestment in Our Properties. Our philosophy is to reinvest in our properties in order to enhance and maintain their appeal to our current patrons and to attract new customers. To this end, we reinvested approximately \$100.1 million from January 1998 through December 2000 in the properties we owned during such period. During 1999 and 2000, we added approximately 2,900 new generation multi-coin slot

machines at the properties we owned during such period. We recently completed approximately \$28.2 million of upgrades to Ameristar Council Bluffs where we added a third level to our riverboat and constructed a 1,000-space parking garage. In the first quarter of 2001, we completed an approximately \$7.4 million renovation and enhancement project at Ameristar Council Bluffs and we expect to complete an approximately \$10.0 million renovation and enhancement project at

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Ameristar Vicksburg in the second quarter of 2001. In addition, our current plans call for us to invest approximately \$110 million to complete a new casino-entertainment facility at Ameristar St. Charles in mid-2002, which will expand the gaming area to at least 70,000 square feet and create what we believe will be the premier gaming facility in the St. Louis market. Furthermore, we are evaluating the development of a covered parking facility at Ameristar Kansas City. We expect these planned projects, in addition to the recently completed projects, to continue to drive revenue growth at our properties and enhance our market share positions.

THE TRANSACTIONS

Overview

On December 20, 2000, we consummated the acquisitions of two gaming and entertainment facilities in Kansas City and St. Charles, Missouri from subsidiaries of Station Casinos for an aggregate purchase price of approximately \$488 million. On January 29, 2001, in a separate transaction, we consummated the disposition of The Reserve Hotel and Casino to a subsidiary of Station Casinos for approximately \$71.8 million. In connection with the Acquisitions, we refinanced substantially all of our indebtedness, including the repayment and termination of our previous \$115 million revolving credit facility and the repurchase through a tender offer of all \$100 million of our 10.5% senior subordinated notes due 2004. Upon consummation of the Disposition, we repaid borrowings and permanently reduced commitments totalling \$50 million under our new senior credit facilities. As a result, we currently have \$475 million in senior credit facilities that dedicate up to \$100 million to finance our completion of the St. Charles expansion. Additionally, in connection with the Acquisitions, we entered into a \$300 million senior subordinated credit facility that was refinanced with the proceeds of the offering of the old notes.

Transactions Rationale

The acquisition of Ameristar Kansas City and Ameristar St. Charles strengthens our position as a leading developer, owner and operator of regional gaming and entertainment facilities in the United States by allowing us to continue to pursue our growth strategy and providing us with increased scale, diversification and internal growth opportunities.

Attractive Properties and Purchase Price. We believe we acquired superior gaming properties at an attractive price. We believe Ameristar Kansas City is the premier riverboat gaming facility in the United States, with a Las Vegas-style, high quality property and amenities that differentiate it from its competitors. Upon completion of the expansion, we expect Ameristar St. Charles to rival Ameristar Kansas City in asset quality. In addition, we believe the Missouri gaming regulatory environment has become more favorable as a result of recent legislative and regulatory changes, which now allow continuous boarding and enhanced play, particularly on multi-coin slot machines, through the use of electronic credits instead of tokens.

The purchase price for the Missouri properties represents an approximately 20% discount to the former owner's capital investment in the properties and equates to a 5.5 times multiple of the Missouri properties' combined EBITDA for the twelve months ended September 30, 2000. Our purchase price for Ameristar St. Charles was \$160 million. In addition to the currently operating facility at St. Charles, the purchased assets include a partially completed replacement casino-entertainment facility in which the former owner invested approximately \$169 million, including the purchase of a substantial portion of the construction materials, equipment and fixtures necessary to complete the new casino-entertainment facility.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Significant Growth Potential. Our current plans call for us to invest approximately \$110 million to complete the new casino-entertainment facility at Ameristar St. Charles begun by the former owner.

3

9

Following the completion of the replacement casino-entertainment facility, Ameristar St. Charles will have at least 70,000 square feet of gaming space, 2,400 slot machines and 60 table games and will be similar in design to Ameristar Kansas City. We are also considering an alternative design that would further expand the casino, among other enhancements. We expect to complete the St. Charles project in mid-2002, creating what we believe will be the premier gaming facility in the St. Louis market. We do not expect the property's current operations to be disrupted during construction. Upon completion of the project, Ameristar St. Charles will have available for future expansion up to an additional 70,000 square feet of gaming space and approximately 65,000 square feet of space in the land-based pavilion, each of which will require only interior build-out for completion. A substantial portion of this future expansion space has already been constructed by the former owner of the property, and a substantial portion of the construction materials, equipment and fixtures for the future casino expansion space has been purchased.

Ameristar Kansas City is the largest gaming facility in its market. As a result of the property's size, quality and amenities, we believe Ameristar Kansas City is well positioned to benefit from future market growth without additional capital investment. In addition, the property is master-planned for future expansions as warranted.

Similarity of Operations and Expected Ease of Integration. Ameristar Kansas City and Ameristar St. Charles are similar to our other properties in terms of quality, customer base and business model. We believe we currently have the corporate staff and systems in place to successfully integrate the Missouri properties. The key managers in charge of operations at the Missouri properties have entered into long-term employment contracts with us and we retained substantially all of the approximately 3,000 employees at the Missouri properties. We are re-branding the Missouri properties as Ameristar properties. We believe we will be able to obtain operating and marketing efficiencies following integration and will have revenue enhancement opportunities through cross-marketing our four Midwest properties.

Strategic Sale and Redeployment of Capital. The Disposition has allowed us to exit the highly competitive Las Vegas locals market and focus on our core Midwest gaming and entertainment facilities. The sales price of approximately \$71.8 million represented an attractive multiple of EBITDA for the twelve months ended December 31, 2000 of approximately 11.7 times and provides us with the opportunity to redeploy our capital into our newly acquired properties and reduce indebtedness. In addition, the Disposition enables us to reduce our cash tax burden over the next two years by approximately \$18 million through tax benefits from prior periods.

SUMMARY UNAUDITED PRO FORMA FINANCIAL AND OTHER DATA

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Pro forma EBITDA information is presented solely as a supplemental disclosure because management believes that it is a widely used measure of operating performance in the gaming industry and for companies with a significant amount of depreciation and amortization. Pro forma EBITDA should not be construed as an alternative to income from operations (as determined in accordance with generally accepted accounting principles) as an indicator of our operating performance, or as an alternative to cash flows from operating activities (as determined in accordance with generally accepted accounting principles) as a measure of liquidity. We have significant uses of cash flows, including capital expenditures and debt principal repayments that are not reflected in pro forma EBITDA. (2) EBITDA consists of income from operations plus depreciation, amortization, preopening costs and impairment losses. EBITDA information is presented solely as a supplemental disclosure because management believes that it is a widely used measure of operating performance in the gaming industry and for companies with a significant amount of depreciation and amortization. EBITDA should not be construed as an alternative to income from operations (as determined in accordance with generally accepted accounting principles) as an indicator of our operating performance, or as an alternative to cash flows from operating activities (as determined in accordance with generally accepted accounting principles) as a measure of liquidity. We have significant uses of cash flows, including capital expenditures and debt principal repayments that are not reflected in EBITDA. It should also be noted that not all gaming companies that report EBITDA information calculate EBITDA in the same manner as us.

(3) Earnings were insufficient to cover fixed charges by \$20.5 million for the year ended December 31, 1998, including preopening costs of \$10.6 million, and \$52.6 million for the year ended December 31, 2000, including an impairment loss of \$57.2 million.

SUMMARY OF THE EXCHANGE OFFER

The following is a summary of the principal terms of the exchange offer. A more detailed description is contained in the section "The Exchange Offer." The term "old notes" refers to our outstanding 10 3/4 Senior Subordinated Notes due 2009, and the term "exchange notes" refers to our 10 3/4 Senior Subordinated Exchange Notes due 2009. The term "indenture" refers to the indenture that governs both the old notes and the exchange notes.

The Exchange Offer..... We are offering to exchange \$1,000 principal amount of our exchange notes, which have been registered under the Securities Act of 1933, as amended, for each \$1,000 principal amount of our unregistered old notes. We issued the old notes on February 2, 2001 in a private offering. The terms of the exchange notes are substantially identical to the terms of the old notes.

In order to exchange your old notes, you must properly tender them before the expiration of the exchange offer. All old notes that are validly tendered and not validly withdrawn will be exchanged. We will issue the exchange notes on or promptly after the expiration of the exchange offer.

You may tender your old notes for exchange notes in whole or in part in integral multiples of \$1,000 principal amount.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Registration Rights

Agreement..... We sold the old notes on February 2, 2001 to a group of initial purchasers. Simultaneously with that sale, we entered into a registration rights agreement relating to the old notes with the initial purchasers, which requires us to conduct the exchange offer.

You have the right under the registration rights agreement to exchange your old notes for exchange notes with substantially identical terms. This exchange offer is intended to satisfy those rights. After this exchange offer is complete, you will no longer be entitled to any exchange or registration rights with respect to your old notes.

For a description of the procedures for tendering your old notes, see "The Exchange Offer -- Procedures for Tendering Old Notes."

Expiration Date..... 5:00 p.m., New York City time, June 25, 2001, unless the exchange offer is extended, in which case the expiration date will be the latest date and time to which the exchange offer is extended. See "The Exchange Offer -- Terms of the Exchange Offer."

Consequences of Failure to Exchange Your Old Notes.....

If you do not exchange your old notes for exchange notes in the exchange offer, you will still have the restrictions on transfer provided in the old notes and in the indenture. In general, the old notes may not be offered or sold unless registered or exempt from registration under the Securities Act, or in a transaction not subject to the Securities Act and applicable state securities laws. We do not plan to register the old notes under the Securities Act.

Conditions to the Exchange Offer.....

The exchange offer is subject to customary conditions described under "The Exchange Offer -- Conditions to the Offer," some of which we may waive in our sole discretion. The exchange offer is not conditioned upon any minimum principal amount of old notes being

tendered. We reserve the right in our sole and absolute discretion, subject to applicable law, at any time and from time to time:

- to delay the acceptance of the old notes for exchange;
- to terminate the exchange offer if one or more specific conditions have not been

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

satisfied;

- to extend the expiration date of the exchange offer and retain all tendered old notes, subject, however, to the right of the tendering holders to withdraw their tendered old notes; or
- to waive any condition or otherwise amend the terms of the exchange offer in any respect.

See "The Exchange Offer -- Terms of the Exchange Offer."

Procedures for Tendering

Old Notes..... If you wish to tender your old notes for exchange notes, you must:

- complete and sign a letter of transmittal in accordance with the instructions contained in the letter of transmittal; and
- forward the completed letter of transmittal by mail, facsimile or hand delivery, together with any other required documents, to the exchange agent, either with the old notes to be tendered or in compliance with the specified procedures for guaranteed delivery of such old notes.

Specified brokers, dealers, commercial banks, trust companies and other nominees may also effect tenders by book-entry transfer.

Letters of transmittal and certificates representing old notes should not be sent to us. Those documents should be sent only to the exchange agent. The address, and telephone and facsimile numbers, of the exchange agent are set forth in "The Exchange Offer -- Exchange Agent" and in the letter of transmittal.

Special Procedures for

Beneficial Owners..... If your old notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, we urge you to contact your nominee holder promptly if you wish to tender such old notes. See "The Exchange Offer -- Procedures for Tendering Old Notes."

Withdrawal of Tenders..... You may withdraw the tender of your old notes at any time on or prior to the expiration date by delivering a written notice of withdrawal to the exchange agent in conformity with the procedures discussed under "The Exchange Offer -- Withdrawal of Tenders."

Acceptance of Old Notes and Delivery of Exchange

Notes..... Upon consummation of the exchange offer, we will accept any and all old notes that are properly tendered in the exchange offer and not withdrawn

prior to 5:00 p.m., New York City time, on the expiration date. The exchange notes issued pursuant to the exchange offer will be delivered promptly after acceptance of the tendered old notes. See "The Exchange Offer -- Terms of the Exchange Offer."

10

16

Resales of Exchange

Notes..... We believe that you will be able to offer for resale, resell or otherwise transfer exchange notes issued in the exchange offer without compliance with the registration and prospectus delivery provisions of the federal securities laws, provided that:

- you are acquiring the exchange notes in the ordinary course of your business;
- you are not participating, and have no arrangement or understanding with any person to participate, in a distribution of the exchange notes; and
- you are not an "affiliate" of Ameristar Casinos, Inc., as the term is defined for the purposes of Rule 144A under the Securities Act.

Our belief is based on interpretations by the staff of the Securities and Exchange Commission, as set forth in no-action letters issued to third parties unrelated to us. The staff of the Securities and Exchange Commission has not considered this exchange offer in the context of a no-action letter, and we cannot assure you that the staff of the Securities and Exchange Commission would make a similar determination with respect to this exchange offer.

If our belief is not accurate and you transfer an exchange note without delivering a prospectus meeting the requirements of the federal securities laws or without an exemption from these laws, you may incur liability under the federal securities laws. We do not and will not assume, or indemnify you against, this liability.

Each broker-dealer that receives exchange notes for its own account in exchange for old notes that such broker-dealer acquired as a result of market-making or other trading activities must agree to deliver a prospectus meeting the requirements of the federal securities laws in connection with any resale of the exchange notes. See "The Exchange Offer -- Resales of the Exchange Notes."

Exchange Agent..... The exchange agent for the exchange offer is U.S. Bank Trust National Association. The address, telephone number and facsimile number of the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

exchange agent are provided in "The Exchange Offer -- Exchange Agent" and in the letter of transmittal.

Use of Proceeds..... We will not receive any cash proceeds from the issuance of the exchange notes. See "Use of Proceeds."

Certain Federal Income Tax
Consequences..... Your acceptance of an exchange offer and the related exchange of your old notes for exchange notes will not be a taxable exchange for United States federal income tax purposes. You should not recognize any taxable gain or loss or any interest income as a result of the exchange.

SUMMARY OF THE TERMS OF THE EXCHANGE NOTES

The following is a summary of the principal terms of the exchange notes. A more detailed description is contained in the section "Description of the Exchange Notes."

Issuer..... Ameristar Casinos, Inc.

Securities Offered..... \$380,000,000 principal amount of 10 3/4% Senior Subordinated Exchange Notes due 2009.

Maturity..... February 15, 2009.

Interest Payment Dates..... Each February 15 and August 15, beginning on August 15, 2001. Interest will accrue from and including February 2, 2001 or the last payment date upon which interest on the old notes was paid.

Guarantees..... All of our subsidiaries have guaranteed the old notes and on the issue date of the exchange notes will guarantee the exchange notes. If we create or acquire a new subsidiary, it will guarantee the exchange notes unless we designate the subsidiary as an "unrestricted subsidiary" under the indenture or the subsidiary does not have significant assets.

Ranking..... The exchange notes will:

- be unsecured senior subordinated obligations of Ameristar; and
- rank junior to all of our existing and future senior debt, including borrowings under our senior credit facilities.

The guarantees by our subsidiaries will:

- be unsecured senior subordinated obligations of each of our subsidiaries that guarantee the exchange notes; and
- rank junior to all existing and future senior debt of those subsidiaries, including

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

guarantees of borrowings under our senior credit facilities.

As of March 31, 2001, we and our subsidiaries had \$359.2 million of senior debt with approximately \$123.6 million of unused availability under our senior credit facilities.

Optional Redemption..... On or after February 15, 2006, we may redeem some or all of the exchange notes at the redemption prices listed in the "Redemption -- Optional Redemption" subsection of "Description of the Exchange Notes" plus accrued interest.

Optional Redemption After
Public Equity
Offerings.....

At any time (which may be more than once) before February 2, 2004, we can choose to redeem up to 35% of the aggregate principal amount of the exchange notes and the old notes with money that we raise in one or more public equity offerings, as long as:

- we pay 110.75% of the face amount of the exchange notes and the old notes, plus interest,
- we redeem the exchange notes and the old notes within 90 days of completing the public equity offering, and
- at least 65% of the aggregate principal amount of exchange notes and old notes remains outstanding afterwards.

12

18

Redemption Based Upon
Gaming Laws.....

The exchange notes are subject to redemption requirements imposed by gaming laws and regulations of gaming authorities in jurisdictions in which we conduct gaming operations. See the "Redemption -- Redemption Based Upon Gaming Laws" subsection of "Description of the Exchange Notes."

Change of Control Offer....

If a specific kind of change in control of Ameristar occurs, we must give holders of the exchange notes the opportunity to sell us their exchange notes at 101% of their face amount, plus accrued interest.

Asset Sale Proceeds.....

If we or our subsidiaries engage in asset sales, we generally must invest the net cash proceeds from such sales in our business within a period of time, prepay senior debt or make an offer to purchase a principal amount of the exchange notes and the old notes equal to the remaining excess net cash proceeds. The purchase price of the exchange notes and the old notes will be 100% of their principal amount, plus accrued interest.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Certain Indenture Provisions

The indenture governing the exchange notes and the old notes contains covenants limiting our (and most or all of our subsidiaries') ability to:

- incur additional debt;
- pay dividends or make distributions on our capital stock or repurchase our capital stock;
- issue stock of subsidiaries;
- make certain investments,
- create liens on our assets to secure debt;
- enter into transactions with affiliates;
- merge or consolidate with another company; and
- transfer and sell assets.

These covenants are subject to a number of important limitations and exceptions.

Risk Factors..... See "Risk Factors" for a description of certain of the risks you should consider before exchanging any old notes for exchange notes.

13

19

RISK FACTORS

Before you participate in the exchange offer, you should carefully consider the following factors in addition to the other information contained in this prospectus and incorporated by reference in this prospectus.

RISKS RELATED TO THE EXCHANGE NOTES

THERE ARE CONSEQUENCES ASSOCIATED WITH FAILING TO EXCHANGE THE OLD NOTES FOR THE EXCHANGE NOTES.

If you do not exchange your old notes for exchange notes in the exchange offer, you will still have the restrictions on transfer provided in the old notes and the indenture. In general, the old notes may not be offered or sold unless registered or exempt from registration under the Securities Act, or in a transaction not subject to the Securities Act and applicable state securities laws. We do not plan to register the old notes under the Securities Act.

LEVERAGE MAY IMPAIR OUR FINANCIAL CONDITION AND WE MAY INCUR SIGNIFICANT ADDITIONAL DEBT.

We have a substantial amount of debt. As of March 31, 2001, our total consolidated debt was \$734.3 million. See "Capitalization" for additional information.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Our substantial debt could have important consequences for the holders of the exchange notes, including:

- making it more difficult for us to satisfy our obligations with respect to the exchange notes;
- increasing our vulnerability to general adverse economic and industry conditions;
- limiting our ability to obtain additional financing to fund future working capital, capital expenditures, acquisitions and other general corporate requirements;
- requiring a substantial portion of our cash flow from operations for the payment of interest on our debt and reducing our ability to use our cash flow to fund working capital, capital expenditures, acquisitions and general corporate requirements;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate; and
- placing us at a competitive disadvantage to other less leveraged competitors.

Subject to specified limitations, the indenture permits us and our subsidiaries to incur substantial additional debt. In addition, as of March 31, 2001, our senior credit facilities permitted us and our subsidiaries to borrow up to an additional \$123.6 million and all of those borrowings would be senior to the exchange notes. If new debt is added to our and our subsidiaries' current debt levels, the related risks that we and they now face could intensify. See "Description of Existing Indebtedness" for additional information.

SERVICING OUR DEBT WILL REQUIRE A SIGNIFICANT AMOUNT OF CASH, AND OUR ABILITY TO GENERATE SUFFICIENT CASH DEPENDS ON MANY FACTORS, SOME OF WHICH ARE BEYOND OUR CONTROL.

Our ability to make payments on and refinance our debt and to fund planned capital expenditures depends on our ability to generate cash flow in the future. To some extent, this is subject to general economic, financial, competitive, legislative and regulatory factors and other factors that are beyond our control. In addition, the ability to borrow funds under our senior credit facilities in the future will depend on our meeting the financial covenants in the agreements, including a fixed charge coverage test and maximum senior and total leverage ratio tests. Under our senior credit facilities, the \$75 million revolving term facility and \$25 million of the \$75 million revolving credit facility are dedicated to finance the completion of the Ameristar St. Charles expansion. As of March 31, 2001, approximately \$23.6 million

was available for general corporate purposes under the revolving credit facility. We cannot assure you that our business will generate cash flow from operations or that future borrowings will be available to us under our senior credit facilities in an amount sufficient to enable us to pay our debt or to fund other liquidity needs. As a result, we may need to refinance all or a portion of our debt on or before maturity. Our senior credit facilities mature

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

in stages between 2005 and 2007. We cannot assure you that we will be able to refinance any of our debt on favorable terms, if at all. Any inability to generate sufficient cash flow or refinance our debt on favorable terms could have a material adverse effect on our financial condition.

COVENANT RESTRICTIONS UNDER OUR SENIOR CREDIT FACILITIES AND THE INDENTURE MAY LIMIT OUR ABILITY TO OPERATE OUR BUSINESS.

Our senior credit facilities and the indenture governing the exchange notes will contain, and certain of our other agreements regarding debt will contain, among other things, covenants that may restrict our and the guarantors' ability to finance future operations or capital needs or to engage in other business activities. Our senior credit facilities and the indenture restrict, among other things, our ability and the ability of the guarantors to: borrow money; pay dividends or make distributions; purchase or redeem stock; make investments and extend credit; engage in transactions with affiliates; engage in sale-leaseback transactions; consummate certain asset sales; effect a consolidation or merger or sell, transfer, lease, or otherwise dispose of all or substantially all of our assets; and create liens on our assets.

In addition, our senior credit facilities will require us to maintain specified financial ratios and satisfy certain financial condition tests which may require that we take action to reduce our debt or to act in a manner contrary to our business objectives. Events beyond our control, including changes in general economic and business conditions, may affect our ability to meet those financial ratios and financial condition tests. We cannot assure you that we will meet those tests or that the lenders will waive any failure to meet those tests. A breach of any of these covenants would result in a default under our senior credit facilities and the indenture. If an event of default under our senior credit facilities occurs, the lenders could elect to declare all amounts outstanding thereunder, together with accrued interest, to be immediately due and payable. See the "Description of Existing Indebtedness" and "Description of the Exchange Notes" for additional information.

YOUR RIGHT TO RECEIVE PAYMENT ON THE EXCHANGE NOTES AND THE GUARANTEES IS JUNIOR TO ALL OF OUR AND THE GUARANTORS' SENIOR DEBT.

The exchange notes will be general unsecured obligations, junior in right of payment to all existing and future senior debt of Ameristar and each guarantor, respectively, including obligations under our senior credit facilities. The exchange notes will not be secured by any of our or the guarantors' assets, and as such will be effectively subordinated to any secured debt that we or the guarantors may have now or may incur in the future to the extent of the value of the assets securing that debt.

In the event that Ameristar or a guarantor is declared bankrupt, becomes insolvent or is liquidated or reorganized, any debt that ranks ahead of the exchange notes and the guarantees will be entitled to be paid in full from our assets or the assets of the guarantor, as applicable, before any payment may be made with respect to the exchange notes or the affected guarantees. In any of the foregoing events, we cannot assure you that we would have sufficient assets to pay amounts due on the exchange notes. As a result, holders of the exchange notes may receive less, proportionally, than the holders of debt senior to the exchange notes and the guarantees. The subordination provisions of the indenture will also provide that we can make no payment to you during the continuance of payment defaults on our senior debt, and payments to you may be suspended for a period of up to 180 days if a nonpayment default exists under our senior debt. See "Description of the Exchange Notes -- Subordination" for additional information.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

At March 31, 2001, after giving effect to the exchange offer, as if such transaction occurred on such date, the exchange notes and the guarantees would have ranked junior to \$359.2 million of senior debt of Ameristar and our subsidiaries and an additional \$123.6 million of unused availability would have been available for borrowing under the senior credit facilities. In addition, the indenture and our senior

15

21

credit facilities permit, subject to specified limitations, the incurrence of additional debt, some or all of which may be senior debt. See "Description of the Exchange Notes -- Certain Covenants" and "Description of Existing Indebtedness" for additional information.

CRAIG H. NEILSEN OWNS A MAJORITY OF OUR COMMON STOCK AND CONTROLS OUR AFFAIRS.

Mr. Neilsen is our President, Chief Executive Officer and Chairman of our Board of Directors and owns approximately 86% of our outstanding common stock. Mr. Neilsen has the ability to control our operations and policies. Circumstances may occur in which the interests of Mr. Neilsen, as the controlling stockholder, could be in conflict with your interests as a noteholder. In addition, Mr. Neilsen may have an interest in pursuing acquisitions, divestitures or other transactions that, in his judgment, could enhance his equity investment, even though such transactions might involve risks to you.

THE GUARANTEES MAY NOT BE ENFORCEABLE BECAUSE OF FRAUDULENT CONVEYANCE LAWS.

The incurrence of the guarantees by the guarantors may be subject to review under U.S. federal bankruptcy law or relevant state fraudulent conveyance laws if a bankruptcy case or lawsuit is commenced by or on behalf of the guarantors' unpaid creditors. Under these laws, if in such a case or lawsuit a court were to find that, at the time such guarantor incurred a guarantee of the exchange notes, such guarantor:

- incurred the guarantee of the exchange notes with the intent of hindering, delaying or defrauding current or future creditors; or
- received less than reasonably equivalent value or fair consideration for incurring the guarantee of the exchange notes and such guarantor:
 - was insolvent or was rendered insolvent;
 - was engaged, or about to engage, in a business or transaction for which its remaining assets constituted unreasonably small capital to carry on its business; or
 - intended to incur, or believed that it would incur, debts beyond its ability to pay as such debts matured (as all of the foregoing terms are defined in or interpreted under the relevant fraudulent transfer or conveyance statutes);

then such court could avoid the guarantee of such guarantor or subordinate the amounts owing under such guarantee to such guarantor's presently existing or future debt or take other actions detrimental to you.

It may be asserted that the guarantors incurred their guarantees for the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

benefit of Ameristar and they incurred the obligations under the guarantees for less than reasonably equivalent value or fair consideration.

The measure of insolvency for purposes of the foregoing considerations will vary depending upon the law of the jurisdiction that is being applied in any such proceeding. Generally, a company would be considered insolvent if, at the time it incurred the debt or issued the guarantee, either:

- the sum of its debts (including contingent liabilities) is greater than its assets, at fair valuation, or
- the present fair saleable value of its assets is less than the amount required to pay the probable liability on its total existing debts and liabilities (including contingent liabilities) as they become absolute and matured.

If a guarantee is avoided as a fraudulent conveyance or found to be unenforceable for any other reason, you will not have a claim against that obligor and will only be a creditor of Ameristar or any guarantor whose obligation was not set aside or found to be unenforceable.

16

22

WE CANNOT ASSURE YOU THAT AN ACTIVE TRADING MARKET WILL DEVELOP FOR THE EXCHANGE NOTES.

There is no established trading market for the exchange notes and we cannot assure you that a market for the exchange notes will develop in the future. If such a market were to develop, the exchange notes could trade at prices that are higher or lower than the initial offering prices depending on many factors, including the number of holders of the exchange notes, the overall market for similar securities, our financial performance and prospects and prospects for companies in our industry generally. The initial purchasers of the old notes have informed us that they intend to make a market in the exchange notes. However, the initial purchasers are not obligated to do so, and may cease market-making activities at any time without notice. As a result, you cannot be sure that an active trading market will develop for the exchange notes. We do not intend to apply (and are not obligated to apply) for listing of the exchange notes on any securities exchange or any automated quotation system.

YOU MUST COMPLY WITH THE PROCEDURES FOR THE EXCHANGE OFFER IN ORDER TO RECEIVE THE EXCHANGE NOTES.

You are responsible for complying with all exchange offer procedures. You will only receive exchange notes in exchange for your old notes if, prior to the expiration date, you deliver the following to the exchange agent:

- certificate for the old notes or a book-entry confirmation of a book-entry transfer of the old notes into the exchange agent's account with the Depository Trust Company "DTC");
- the letter of transmittal (or facsimile thereof), properly completed and duly executed by you, together with any required signature guarantees; and
- and other documents required by the letter of transmittal.

You should allow sufficient time to ensure that the exchange agent receives all required documents before the expiration date. Neither we nor the exchange agent has any duty to inform you of defects or irregularities with respect to the tender of your old notes for exchange notes. See "The Exchange

Offer."

WE MAY NOT HAVE THE ABILITY TO RAISE THE FUNDS NECESSARY TO FINANCE THE CHANGE OF CONTROL OFFER REQUIRED BY THE INDENTURE.

Upon a change of control, we are required to offer to repurchase all outstanding old notes and exchange notes at 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase.

The source of funds for any such purchase of notes will be our available cash or cash generated from our subsidiaries' operations or other sources, including borrowing, sales of assets or sales of equity. We cannot assure you that sufficient funds will be available at the time of any change of control to make any required repurchases of notes tendered. In addition, the terms of our senior credit facilities limit our ability to purchase your notes in those circumstances. Any of our future debt agreements may contain similar restrictions and provisions. If the holders of the old notes and the exchange notes exercise their right to require us to repurchase all of such notes upon a change of control, the financial effect of this repurchase could cause a default under our other debt, even if the change in control itself would not cause a default. Accordingly, it is possible that we will not have sufficient funds at the time of the change of control to make the required repurchase of old notes and exchange notes or that restrictions in our senior credit facilities will not allow such repurchases. See "Description of the Exchange Notes -- Change of Control" and "Description of Existing Indebtedness" for additional information.

WE MAY REQUIRE YOU TO DISPOSE OF YOUR EXCHANGE NOTES OR REDEEM YOUR EXCHANGE NOTES IF REQUIRED BY APPLICABLE GAMING REGULATIONS.

Gaming authorities in any jurisdiction in which we or any of our subsidiaries are or may become subject have the power to investigate any of our debt security holders, including holders of the exchange notes. These gaming authorities may, in their discretion, require a holder of any of our debt securities to

17

23

file applications, be investigated and be found suitable to own our debt securities, and the costs of the investigation of such finding of suitability will be the responsibility of such holder. Any person who fails or refuses to apply for a finding of suitability or a license within 30 days after being ordered to do so by such gaming authorities may be found unsuitable. Under certain circumstances, we have the right, at our option, to cause a holder to dispose of its exchange notes or to redeem its exchange notes in order to comply with gaming laws to which we are subject. See "Government Regulations" and the "Redemption Based Upon Gaming Laws" subsection of "Description of the Exchange Notes -- Redemption" for additional information.

RISKS RELATED TO OUR BUSINESS

IF WE CANNOT COMPETE SUCCESSFULLY WITH OTHER CASINO HOTEL OPERATORS, OUR FUTURE OPERATIONS MAY BE MATERIALLY ADVERSELY AFFECTED.

Some of our existing competitors have greater name recognition and financial and marketing resources than we have. Other companies with greater name recognition and financial and marketing resources than we have could enter our current markets and become competitors in the future. The entry into our current markets of additional competitors could materially adversely affect our business, financial condition and results of operations, particularly if a competitor were to obtain a license to operate a gaming facility in a superior location.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

In addition, our operating properties are located in jurisdictions that restrict gaming to certain areas and/or are adjacent to states that prohibit or restrict gaming operations. While these restrictions and prohibitions provide substantial benefits to our business and our ability to attract and retain customers, the legalization or expanded legalization or authorization of gaming within a market area of one of these properties could have a material adverse effect on our business, financial condition and results of operations.

MANY FACTORS, SOME OF WHICH ARE BEYOND OUR CONTROL, COULD ADVERSELY AFFECT OUR ABILITY TO SUCCESSFULLY COMPLETE OUR CONSTRUCTION AND DEVELOPMENT PROJECTS AS PLANNED.

General Construction Risks -- Delays and Cost Overruns. Construction and expansion projects for our properties entail significant risks. These risks include:

- shortages of materials (including slot machines or other gaming equipment);
- shortages of skilled labor or work stoppages;
- unforeseen construction scheduling, engineering, environmental or geological problems;
- weather interference, floods, fires or other casualty losses; and
- unanticipated cost increases.

Our anticipated costs and construction periods for construction projects are based upon budgets, conceptual design documents and construction schedule estimates prepared by us in consultation with our architects and contractors. The cost of any construction project undertaken by us may vary significantly from initial current expectations, and we may have a limited amount of capital resources to fund cost overruns on any project. If we cannot finance cost overruns on a timely basis, the completion of one or more projects may be delayed until adequate cash flow from operations or other financing is available. The completion date of any of our construction projects could also differ significantly from initial expectations for construction-related or other reasons. We cannot assure you that any project will be completed, if at all, on time or within established budgets. Significant delays or cost overruns on our construction projects could have a material adverse effect on our business, financial condition and results of operations.

We employ "fast-track" design and construction methods in some of our construction and development projects. This involves the design of future stages of construction while earlier stages of construction are underway. Although we believe that the use of fast-track design and construction methods can reduce the overall construction time, these methods may not always result in such reductions, may

involve additional construction costs than otherwise would be incurred and may increase the risk of disputes with contractors.

Construction Dependent upon Available Financing and Cash Flows from Operations. The availability of funds under our senior credit facilities at any time will be dependent upon, among other factors, the amount of our consolidated EBITDA (as defined in the credit agreement) during the preceding four full fiscal quarters. Our future operating performance will be subject to financial,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

economic, business, competitive, regulatory and other factors, many of which are beyond our control. Accordingly, we cannot assure you that our future consolidated EBITDA and the resulting availability of operating cash flow or borrowing capacity will be sufficient to allow us to undertake or complete future construction projects.

As a result of operating risks, including those described in this section, and other risks associated with a new venture, we cannot assure you that, once completed, any development project will increase our operating profits or operating cash flow.

THE DEVELOPMENT AND CONSTRUCTION OF THE NEW CASINO-ENTERTAINMENT FACILITY AT AMERISTAR ST. CHARLES INVOLVES MANY UNCERTAINTIES THAT COULD AFFECT THE FINAL COST AND TIME REQUIRED TO COMPLETE THE PROJECT.

We have begun to mobilize construction for the new casino-entertainment facility at Ameristar St. Charles. Construction involves significant risks that could affect the final cost and time of completion of the project, including the following:

- greater than expected deterioration of the project site, exterior structure or electrical systems;
- shortages of materials or skilled labor;
- delays in obtaining necessary permits from federal, state and local governmental authorities;
- work stoppages, weather interference, fire, floods or other natural disasters; and
- unanticipated cost increases.

Our anticipated costs and construction periods are based upon budgets, conceptual design documents and construction schedule estimates prepared by us in consultation with architects and a general contractor and assume that we will be able to use most of the construction materials that were purchased in 1996 and 1997 by the former owner. We cannot be sure that the construction materials that we acquired as part of the Acquisitions will be available for use in the expansion project. If we are not able to use a significant portion of the construction materials that we acquired the costs of the expansion could increase materially.

Our estimated cost of completing the St. Charles project is based on the contract we have signed with J.S. Alberici Construction Co., Inc. and on estimates to complete the portion of the project not covered by the Alberici contract. We cannot be sure that our construction costs will not be higher than the estimated cost of completion. Furthermore, the existing plans for the St. Charles expansion project may change, and the scope of the project may vary significantly from what is currently anticipated. We also cannot be sure that we will not exceed the budgeted costs of the project or that the project will commence operations within the contemplated time frame, if at all. Budget overruns and delays with respect to the project could have a material adverse impact on our results of operations, particularly in light of the requirement of the Missouri Gaming Commission that we complete construction of the St. Charles

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

project prior to January 1, 2004 or face potential loss of our licenses to operate Ameristar St. Charles.

Our senior credit facilities provide \$100 million of borrowing capacity specifically for the St. Charles project. We anticipate that the costs of completing the project as currently contemplated will be approximately \$110 million. Accordingly, we will be required to finance a portion of the project with cash from operations. We cannot be sure that our financial performance will be sufficient to fund the construction of the new casino-entertainment facility. This risk will become more significant if we have substantial cost overruns because of greater than expected deterioration, budget overruns or changes in the project. Under the terms of the indenture and our senior credit facilities, it is not likely that we will be

19

25

able to incur additional debt to fund the expansion project if cash from operations and available borrowings under our senior credit facilities are not sufficient to fund the construction.

WE MAY EXPERIENCE DIFFICULTIES INTEGRATING THE MISSOURI PROPERTIES INTO OUR OPERATIONS.

We cannot assure you that we will be able to integrate the recently-acquired Missouri properties into our existing operations without encountering difficulties. These difficulties could include integrating personnel with disparate business backgrounds and business strategies, integrating different technology systems and managing relationships with other business customers. Furthermore, the integration of the Missouri properties may temporarily distract management from our day-to-day business. We may also lose key personnel from the Missouri properties because of their sale to us. For these reasons, we cannot assure you that we will be able to successfully integrate the Missouri properties and our inability to do so could have a material and adverse effect on our operations.

IF OUR KEY PERSONNEL LEAVES US, OUR BUSINESS WILL BE SIGNIFICANTLY ADVERSELY AFFECTED.

We depend on the continued performance of Craig H. Neilsen, Ameristar's President and Chief Executive Officer, and his management team. The loss of the services of Mr. Neilsen or any of our other executive officers could have a material adverse effect on our business. In addition, our ability to retain management members hired in connection with the acquisition of the Missouri properties will significantly impact our ability to successfully operate those properties.

THE MARKET FOR QUALIFIED PROPERTY AND CORPORATE MANAGEMENT PERSONNEL IS SUBJECT TO INTENSE COMPETITION.

We have experienced and expect to continue to experience strong competition in hiring and retaining qualified property and corporate management personnel. Recruiting and retaining qualified management personnel is particularly difficult at Ameristar Vicksburg and the Jackpot Properties due to local market conditions. If we are unable to successfully recruit and retain qualified management personnel at our properties and at our corporate level, our results of operations could be materially adversely affected.

RESTRICTIONS AND LIMITATIONS IMPOSED BY GAMING REGULATORY AUTHORITIES ADVERSELY

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

AFFECT OUR BUSINESS.

The ownership and operation of casino gaming facilities are subject to extensive state and local regulation. The States of Iowa, Missouri, Mississippi and Nevada and the applicable local authorities require various licenses, findings of suitability, registrations, permits and approvals to be held by us and our subsidiaries. The Iowa Racing and Gaming Commission, the Missouri Gaming Commission, the Mississippi Gaming Commission and the Nevada Gaming Commission may, among other things, limit, condition, suspend, revoke or not renew a license or approval to own the stock of any of our Iowa, Missouri, Mississippi or Nevada subsidiaries, respectively, for any cause deemed reasonable by such licensing authority. Our gaming license in Mississippi must be renewed every three years and our gaming license in Iowa must be renewed or continued every year. If we violate gaming laws or regulations, substantial fines could be levied against us, our subsidiaries and the persons involved, and we could be forced to forfeit portions of our assets. The suspension, revocation or non-renewal of any of our licenses or the levy on us of substantial fines or forfeiture of assets would have a material adverse effect on our business, financial condition and results of operations. We are also subject to substantial gaming taxes and fees imposed by various governmental authorities, which are subject to increase.

To date, we have obtained all governmental licenses, findings of suitability, registrations, permits and approvals necessary for the operation of our currently operating gaming activities. However, gaming licenses and related approvals are deemed to be privileges under Iowa, Missouri, Mississippi and Nevada law. We cannot assure you that our existing licenses, permits and approvals will be maintained or extended. We also cannot assure you that any new licenses, permits and approvals that may be required in the future will be granted to us.

FAILURE OF LOCAL REAUTHORIZATION OF GAMING ACTIVITIES IN IOWA COULD HAVE A MATERIAL ADVERSE EFFECT ON US.

Under Iowa law, a license to conduct gambling games may be issued in a county only if the county electorate has approved such gambling games. Although the electorate of Pottawattamie County, which includes the City of Council Bluffs, approved by referendum the gambling games conducted at Ameristar Council Bluffs, a reauthorization referendum must be submitted to the county electorate in the general election to be held in 2002 and each eight years thereafter. Each such referendum requires the vote of a majority of the persons voting. If any such reauthorization referendum is defeated, Iowa law provides that any previously issued gaming license will remain valid and subject to periodic renewal for a total of nine years from the original issue unless otherwise terminated by the Iowa Racing and Gaming Commission. The original issue date for our Iowa gaming license was January 27, 1995. We cannot assure you that gaming operations of the type we conduct at Ameristar Council Bluffs will continue to be authorized in Pottawattamie County. Any failure of Pottawattamie County to reauthorize gaming operations of the type we conduct at Ameristar Council Bluffs would have a material adverse effect on our business, financial condition and results of operations.

THE NATIONAL GAMBLING IMPACT STUDY COMMISSION'S RECOMMENDATIONS MAY ADVERSELY AFFECT THE GAMING INDUSTRY AND OUR OPERATIONS.

A National Gambling Impact Study Commission was established by the U.S. Congress to conduct a comprehensive study of the social and economic impact of gaming in the U.S. On April 28, 1999, the National Commission voted to recommend that the expansion of gaming be curtailed. In June 1999, the National Commission

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

issued a final report of its findings and conclusions, together with recommendations for legislative and administrative actions. Below are highlights of some of those recommendations:

- Legal gaming should be restricted to those at least 21 years of age.
- Betting on college and amateur sports should be banned.
- The introduction of casino-style gaming at pari-mutuel racing facilities for the primary purpose of saving the pari-mutuel facility financially should be prohibited.
- Internet gaming should be banned in the U.S.
- The types of gaming activities allowed by Native American tribes within a given state should be consistent with the gaming activities allowed to other persons in that state.
- State, local and tribal governments should recognize that casino gaming provides economic development, particularly for economically depressed areas. The National Commission differentiated casino gaming from stand-alone slot machines (e.g., in convenience stores), internet gaming and lotteries which the National Commission stated do not provide the same economic development.

Any regulation of the gaming industry which may result from the National Commission's report may have an adverse effect on the gaming industry and on our financial condition or results of operations.

ANY LOSS FROM SERVICE OF OUR RIVERBOAT AND DOCKSIDE FACILITIES FOR ANY REASON COULD MATERIALLY ADVERSELY AFFECT US.

Our riverboat and dockside facilities in Missouri, Mississippi and Iowa could be lost from service due to casualty, mechanical failure, extended or extraordinary maintenance, floods or other severe weather conditions. Cruises of the Council Bluffs Casino are subject to risks generally incident to the movement of vessels on inland waterways, including risks of casualty due to river turbulence and severe weather conditions. In addition, United States Coast Guard regulations set limits on the operation of vessels and require that vessels be operated by a minimum complement of licensed personnel.

The United States Coast Guard also requires all U.S. flagged passenger vessels operating exclusively in fresh water to conduct a thorough dry-dock inspection of underwater machinery, valves and hull every five years. Less stringent inspection requirements apply to permanently moored dockside vessels like those at Ameristar Kansas City, Ameristar Vicksburg and Ameristar St. Charles. The Ameristar

Council Bluffs riverboat was due for its dry-dock inspection in November 2000, but we have been accepted into a United States Coast Guard program that has allowed us to extend the dry-dock requirement by undergoing a thorough underwater inspection. This underwater inspection has been completed and the Ameristar Council Bluffs riverboat has received a U.S. Coast Guard Certificate of Inspection valid through October 19, 2001. The underwater inspection program allows for an extension of the dry-dock requirement for up to 30 months. Based on the results of this inspection, Ameristar Council Bluffs has applied to the U.S. Coast Guard for such an extension and the regional office of the U.S. Coast Guard in St. Louis has recommended to the U.S. Coast Guard's office in Washington, D.C. that the extension be granted. However, if we do not obtain

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

this further extension, the Council Bluffs Casino would be out of service for a substantial period of time for its dry-dock inspection. This would have a material adverse effect on Ameristar Council Bluffs and on our business, financial condition and results of operations. We cannot assure you that we will actually obtain any further extension of the dry-dock requirement or that similar extensions will be obtained in the future.

The Ameristar Vicksburg site has experienced some instability that has required periodic maintenance and improvements. Although we have reinforced the cofferdam basin in which the vessel floats, further reinforcements may be necessary. We are also monitoring the site to evaluate what further steps, if any, may be necessary to stabilize the site to permit operations to continue. A site failure would require Ameristar Vicksburg to limit or cease operations.

The loss of a riverboat or dockside facility from service for any period of time likely would adversely affect our operating results and borrowing capacity under our long-term debt facilities. It could also result in the occurrence of an event of a default under one or more of our credit facilities or contracts.

OUR PROPERTIES ARE SUBJECT TO THE RISK OF THEFT WHICH COULD ADVERSELY AFFECT OUR OPERATIONS.

Given the nature of our operations, we entrust employees in various positions to handle large amounts of cash and casino chips and tokens. Although our internal controls and security and surveillance policies and procedures are designed to limit our exposure to theft and the associated risk of loss, we cannot assure you that such theft does not occur or that we will discover and such theft promptly, if at all. In addition, we cannot assure you that we will have adequate insurance coverage, if any, in the event of such theft. Any theft by our employees or otherwise could have an adverse effect on our results of operations.

WE COULD FACE SEVERE PENALTIES AND MATERIAL REMEDIATION COSTS IF WE FAIL TO COMPLY WITH APPLICABLE ENVIRONMENTAL REGULATIONS.

As is the case with any owner or operator of real property, we are subject to a variety of federal, state and local governmental regulations relating to the use, storage, discharge, emission and disposal of hazardous materials. Failure to comply with environmental laws could result in the imposition of severe penalties or restrictions on operations by government agencies or courts of law, which could adversely affect operations. We do not have environmental liability insurance to cover most such events, and the environmental liability insurance coverage we maintain to cover certain events includes significant limitations and exclusions. In addition, if we discover any significant environmental contamination affecting any of our properties, we could face material remediation costs or additional development costs for future expansion activities.

THE EXCHANGE OFFER

PURPOSE AND EFFECT OF THE EXCHANGE OFFER

In connection with the sale of the old notes, we entered into a registration rights agreement with the initial purchasers of the old notes, pursuant to which we agreed to file and to use our best efforts to cause to become effective with the Securities and Exchange Commission a registration statement with respect to the exchange of the old notes for exchange notes with terms identical in all material respects to the terms of the old notes. A copy

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

of the registration rights agreement has been filed as an exhibit to the registration statement of which this prospectus is a part. The exchange offer is being made to satisfy our obligations under the registration rights agreement.

By tendering old notes for exchange notes, each holder represents to us that:

- any exchange notes to be received by such holder are being acquired in the ordinary course of such holder's business;
- such holder has no arrangement or understanding with any person to participate in a distribution (within the meaning of the Securities Act) of exchange notes;
- such holder is not an "affiliate" of Ameristar Casinos, Inc., as the term is defined in Rule 144A under the Securities Act;
- such holder has full power and authority to tender, exchange, sell, assign and transfer the tendered old notes;
- we will acquire good, marketable and unencumbered title to the tendered old notes, free and clear of all liens, restrictions, charges and encumbrances; and
- the old notes tendered for exchange notes are not subject to any adverse claims or proxies.

Each tendering holder also warrants and agrees that it will, upon request, execute and deliver any additional documents deemed by us or the exchange agent to be necessary or desirable to complete the exchange, sale, assignment and transfer of the old notes tendered pursuant to the exchange offer. Each broker-dealer that receives exchange notes for its own account in exchange for old notes pursuant to the exchange offer, where such old notes were acquired by such broker-dealer as a result of market-making or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. See "Plan of Distribution."

The exchange offer is not being made to, nor will we accept tenders for exchange from, holders of old notes in any jurisdiction in which the exchange offer or the acceptance of the exchange notes would be in violation of securities or blue sky laws of that jurisdiction.

Unless the context requires otherwise, the term "holder" with respect to an exchange offer means any person in whose name the old notes are registered on the books of Ameristar Casinos, Inc. or any other person who has obtained a properly completed bond power from the registered holder, or any participant in DTC whose name appears on a security position listing as a holder of old notes (which, for purposes of the exchange offer, include beneficial interests in old notes held by direct or indirect participants in DTC and old notes held in definitive form).

TERMS OF THE EXCHANGE OFFER

We hereby offer, upon the terms and conditions described in this prospectus and in the accompanying letter of transmittal, to exchange \$1,000 principal amount of our 10 3/4 senior subordinated exchange notes due 2009 for each \$1,000 principal amount of our old 10 3/4 senior subordinated notes due 2009, properly tendered before the expiration date and not validly withdrawn according to the procedures described below. Holders may tender their old notes in whole or in part in integral multiples of \$1,000 principal amount.

The form and terms of the exchange notes are the same as the form and terms of the old notes, except that:

(1) the exchange notes have been registered under the Securities Act and therefore are not subject to the restrictions on transfer applicable to the old notes, and

(2) holders of the exchange notes will not be entitled to some of the rights of holders of the old notes under the registration rights agreement.

The exchange notes evidence the same indebtedness as the old notes (which they replace) and will be issued pursuant to, and entitled to the benefits of, the indenture.

The exchange offer is not conditioned upon any minimum principal amount of old notes being tendered for exchange. We reserve the right in our sole discretion to purchase or make offers for any old notes that remain outstanding after the expiration date or, as described under "Conditions to the Exchange Offer," to terminate the exchange offer and, to the extent permitted by applicable law, purchase old notes in the open market, in privately negotiated transactions or otherwise. The terms of any such purchases or offers could differ from the terms of the exchange offer. As of date of this prospectus, \$380.0 million principal amount of the old notes is outstanding.

Holders of the old notes do not have any appraisal or dissenters' rights in connection with the exchange offer. Old notes that are not tendered for, or are tendered but not accepted in connection with, the exchange offer will remain outstanding. See "Risk Factors -- You must comply with the procedures for the exchange offer in order to receive exchange notes."

If any tendered old notes are not accepted for exchange because of an invalid tender, the occurrence of particular other events described in this prospectus or otherwise, certificates for any such unaccepted old notes will be returned, without expense, to the tendering holder thereof promptly after the expiration date.

Holders who tender old notes in connection with the exchange offer will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes with respect to the exchange of the old notes in connection with the exchange offer. We will pay certain charges and expenses, other than specified applicable taxes. See "Fees and Expenses."

WE MAKE NO RECOMMENDATION TO THE HOLDERS OF THE OLD NOTES AS TO WHETHER TO TENDER OR REFRAIN FROM TENDERING ALL OR ANY PORTION OF THEIR OLD NOTES IN THE EXCHANGE OFFER. IN ADDITION, NO ONE HAS BEEN AUTHORIZED TO MAKE ANY SUCH RECOMMENDATION. HOLDERS OF THE OLD NOTES MUST MAKE THEIR OWN DECISION AS TO WHETHER TO TENDER PURSUANT TO THE EXCHANGE OFFER, AND, IF SO, THE AGGREGATE AMOUNT OF OLD NOTES TO TENDER, AFTER READING THIS PROSPECTUS AND THE LETTER OF TRANSMITTAL AND CONSULTING WITH THEIR ADVISORS, IF ANY, BASED ON THEIR FINANCIAL POSITIONS AND REQUIREMENTS.

EXPIRATION DATE; EXTENSIONS; AMENDMENTS

The expiration date for the exchange offer is 5:00 p.m. New York City time, on June 25, 2001, unless we, in our sole discretion, extend the exchange offer. If we do extend the exchange offer, the expiration date will be the latest date and time to which the exchange offer is extended.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

We expressly reserve the right, in our sole and absolute discretion, subject to applicable law, at any time and from time to time:

- to delay acceptance of any old notes for exchange;
- to terminate the exchange offer (whether or not any old notes have already been accepted for exchange) if we determine, in our sole and absolute discretion, that any of the events or

24

30

conditions referred to under "Conditions to the Exchange Offer" has occurred or exists or has not been satisfied;

- to extend the expiration date and retain all old notes tendered pursuant to the exchange offer, subject, however, to the right of holders of old notes to withdraw their tendered old notes as described under "Withdrawal of Tenders"; and
- to waive any condition or otherwise amend the terms of the exchange offer in any respect.

If we amended the exchange offer in a manner we determine constitutes a material change, or if we waive a material condition of the exchange offer, we will promptly disclose such material amendment by means of a prospectus supplement that will be distributed to the registered holders of the affected old notes, and we will extend the exchange offer to the extent required by Rule 14e-1 under the Exchange Act.

Any such delay in acceptance, extension, termination or amendment will be followed as promptly as possible by oral or written notice to the exchange agent (any such oral notice to be promptly confirmed in writing) and by making a public announcement, and such announcement in the case of an extension will be made no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date. Without limiting the manner in which we may choose to make any public announcement, and subject to applicable laws, we will have no obligation to publish, advertise, or otherwise communicate any such public announcement, other than by making a timely release to an appropriate news agency.

ACCEPTANCE FOR EXCHANGE AND ISSUANCE OF EXCHANGE NOTES

Upon the terms and subject to the conditions of the exchange offer, we will exchange, and will issue to the exchange agent, exchange notes for old notes validly tendered and not withdrawn (pursuant to the withdrawal rights described under "Withdrawal of Tenders") promptly after the expiration date.

In all cases, delivery of exchange notes in exchange for old notes tendered and accepted for exchange pursuant to the exchange offer will be made only after timely receipt by the exchange agent of:

- (1) old notes or a book-entry confirmation of a book-entry transfer of old notes into the exchange agent's account at DTC;
- (2) the letter of transmittal (or facsimile thereof), properly completed and duly executed, with any required signature guarantees; and
- (3) any other documentation required by the letter of transmittal

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Accordingly, the delivery of the exchange notes might not be made to all tendering holders at the same time, and will depend upon when old notes, book-entry confirmations with respect to old notes and other required documents are received by the exchange agent.

The term "book-entry confirmation" means a timely confirmation of a book-entry transfer of old notes into the exchange agent's account at DTC.

Subject to the terms and conditions of the exchange offer, we will be deemed to have accepted for exchange, and thereby exchanged, old notes validly tendered and not withdrawn as, if and when we give oral or written notice to the exchange agent (and such oral notice to be promptly confirmed in writing) of our acceptance of such old notes for exchange pursuant to the exchange offer. Our acceptance for exchange of old notes tendered pursuant to any of the procedures described above will constitute a binding agreement between the tendering holder and us upon the terms and subject to the conditions of the exchange offer. The exchange agent will act as agent for us for the purpose of receiving tenders of old notes, letters of transmittal and related documents and transmitting exchange notes to holders who have validly tendered old notes. Such exchange will be made promptly after the expiration date of the exchange offer. If for any reason the acceptance for exchange or the exchange of any old notes tendered pursuant to the exchange offer is delayed (whether before or after our acceptance for exchange of old notes), or we

25

31

extend the exchange offer or are unable to accept for exchange or exchange old notes tendered pursuant to the exchange offer, then, without prejudice to our rights set forth in this prospectus and in the letter of transmittal, the exchange agent may, nevertheless, on our behalf and subject to Rule 14e-1(c) under the Exchange Act, retain tendered old notes and such old notes may not be withdrawn except to the extent tendering holders are entitled to withdrawal rights as described under "Withdrawal of Tenders."

PROCEDURES FOR TENDERING OLD NOTES

VALID TENDER

Except as set forth below, in order for old notes to be validly tendered pursuant to the exchange offer, either:

(1) (a) a properly completed and duly executed letter of transmittal (or facsimile thereof), with any required signature guarantees and any other required documents, must be received by the exchange agent at the address set forth under "Exchange Agent" prior to the expiration date, and (b) tendered old notes must be received by the exchange agent, or such old notes must be tendered pursuant to the procedures for book-entry transfer set forth below and a book-entry confirmation must be received by the exchange agent, in each case prior to the expiration date; or

(2) the guaranteed delivery procedures set forth below must be complied with.

If less than all of the old notes are tendered, a tendering holder should fill in the amount of old notes being tendered in the appropriate box on the letter of transmittal. The entire amount of old notes delivered to the exchange agent will be deemed to have been tendered unless otherwise indicated.

If any letter of transmittal, endorsement, bond power, power of attorney or any other document required by the letter of transmittal is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

such person should so indicate when signing. Unless waived by us, evidence satisfactory to us of such person's authority to so act must also be submitted.

Any beneficial owner of old notes that are held by or registered in the name of a broker, dealer, commercial bank, trust company or other nominee or custodian is urged to contact such entity promptly if such beneficial holder wishes to participate in the exchange offer.

The method of delivery of old notes, the letter of transmittal and all other required documents is at the option and sole risk of the tendering holder. Delivery will be deemed made only when actually received by the exchange agent. Instead of delivery by mail, it is recommended that holders use an overnight or hand delivery service. In all cases, sufficient time should be allowed to assure timely delivery and proper insurance should be obtained. No letter of transmittal or old notes should be sent to Ameristar Casinos, Inc. Holders may request their respective brokers, dealers, commercial banks, trust companies or nominees to effect these transactions for them.

BOOK-ENTRY TRANSFER

The exchange agent will make a request to establish an account with respect to the applicable old notes at DTC for purposes of the exchange offer within two business days after the date of this prospectus. Any financial institution that is a participant in DTC's Book-Entry Transfer Facility system may make book-entry delivery of the old notes by causing DTC to transfer the old notes into the exchange agent's account via the ATOP system in accordance with DTC's transfer procedure. Although delivery of old notes may be effected through book-entry transfer into the exchange agent's account at DTC, the letter of transmittal (or facsimile thereof), properly completed and duly executed, any required signature guarantees and any other required documents, must, in any case, be transmitted to and received or confirmed by the

26

32

exchange agent at its addresses in this prospectus prior to 5:00 p.m., New York City time, on the expiration date, or the guaranteed delivery procedure set forth below must be complied with.

DELIVERY OF DOCUMENTS TO DTC DOES NOT CONSTITUTE
DELIVERY TO THE EXCHANGE AGENT.

SIGNATURE GUARANTEES

Certificates for old notes need not be endorsed and signature guarantees on a letter of transmittal or notice of withdrawal, as the case may be, are unnecessary unless:

(1) a certificate for old notes is registered in the name other than that of the person surrendering the certificate; or

(2) a registered holder completes the box entitled "Special Issuance Instructions" or "Special Delivery Instructions" on the letter of transmittal.

In the case of (1) or (2) above, such certificates for old notes must be duly endorsed or accompanied by a properly executed bond power, with the endorsement or signature on the bond power and on the letter of transmittal or the notice of withdrawal, as the case may be, guaranteed by a firm or other entity identified in Rule 17Ad-15 under the Exchange Act as an "eligible guarantor institution," including (as such terms are defined therein): (a) a bank, (b) a broker, dealer, municipal securities broker or dealer or government

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

securities broker or dealer, (c) a credit union, (d) a national securities exchange, registered securities association or clearing agency, or (e) a savings association that is a participant in a Securities Transfer Association. See Instruction 1 to the letter of transmittal.

GUARANTEED DELIVERY

If a holder desires to tender old notes pursuant to an exchange offer and the certificates for such old notes are not immediately available or time will not permit all required documents to reach the exchange agent prior to the expiration date, or the procedures for book-entry transfer cannot be completed on a timely basis, such old notes may nevertheless be tendered, provided that all of the following guaranteed delivery procedures are complied with:

(1) such tenders are made by or through an eligible guarantor institution;

(2) prior to the expiration date, the exchange agent receives from an eligible guarantor institution a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form accompanying the letter of transmittal, setting forth the name and address of the holder of the old notes and the amount of old notes tendered, stating that the tender is being made thereby and guaranteeing that, within three business days after the date of execution of the Notice of Guaranteed Delivery, the certificates for all physically tendered old notes, in proper form for transfer, or a book-entry confirmation, as the case may be, and any other documents required by the letter of transmittal, will be deposited by the eligible guarantor institution with the exchange agent. The Notice of Guaranteed Delivery may be delivered by hand, or transmitted by facsimile or mail to the exchange agent and must include a guarantee by an eligible guarantor institution in the form set forth in the Notice of Guaranteed Delivery; and

(3) the certificates (or book-entry confirmation) representing all tendered old notes, in proper form for transfer, together with a properly completed and duly executed letter of transmittal, with any required signature guarantees and any other documents required by the letter of transmittal, are received by the exchange agent within three business days after the date of execution of the Notice of Guaranteed Delivery.

COMPANY DETERMINATIONS FINAL

All questions as to the form of documents, validity, eligibility, including time of receipt, and acceptance for exchange of any tendered old notes will be determined by us, in our sole and absolute discretion, which determination will be final and binding on all parties. We reserve the absolute right, in our sole and absolute discretion, to reject any and all tenders we determine not to be in proper form or the acceptance for exchange of which may, in the view of our counsel, be unlawful. We also reserve the absolute right, subject to applicable law, to waive any of the conditions of the exchange offer as set forth under "Conditions to the Exchange Offer" or any defect or irregularity in any tender of old notes of any particular holder, whether or not similar defects or irregularities are waived in the case of other holders.

Our interpretation of the terms and conditions of the exchange offer (including the letter of transmittal and its instructions) will be final and binding upon all parties. No tender of old notes will be deemed to have been validly made until all defects or irregularities with respect to such tender have been cured or waived. None of Ameristar, any of our affiliates, the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

exchange agent or any other person will be under any duty to give any notification of any defects or irregularities in tenders or incur any liability for failure to give any such notification.

RESALE OF THE EXCHANGE NOTES

Based on previous interpretations by the staff of the Securities and Exchange Commission set forth in no-action letters issued to third parties, we believe that the exchange notes issued in the exchange offer may be offered for resale, resold and otherwise transferred without compliance with the registration and prospectus delivery provisions of the Securities Act of 1933. This would not apply, however, to any holder that is a broker-dealer that acquired old notes as a result of market-making activities or other trading activities or directly from us for resale under an available exemption under the Securities Act. Also, resale would only be permitted for exchange notes that (1) are acquired in the ordinary course of a holder's business, (2) where such holder has no arrangement or understanding with any person to participate in the distribution of such exchange notes, and (3) such holder is not an "affiliate" of Ameristar Casinos, Inc. The staff of the Securities and Exchange Commission has not considered the exchange offer in the context of a no-action letter, and there can be no assurance that the staff of the Securities and Exchange Commission would make a similar determination with respect to the exchange offer. Each broker-dealer that receives exchange notes for its own account in exchange for old notes, where the old notes were acquired by that broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. See "Plan of Distribution." In order to facilitate the disposition of exchange notes by broker-dealers participating in the exchange offer, we have agreed, subject to specific conditions, to make this prospectus, as it may be amended or supplemented from time to time, available for delivery by those broker-dealers to satisfy their prospectus delivery obligations under the Securities Act.

In the event that our belief regarding resale is inaccurate, those who transfer exchange notes in violation of the prospectus delivery provisions of the Securities Act and without an exemption from registration under the federal securities laws may incur liability under these laws. We do not assume, nor will we indemnify you against, this liability. The exchange offer is not being made to, nor will we accept surrenders for exchange from, holders of old notes in any jurisdiction in which the exchange offer or the acceptance thereof would not be in compliance with the securities or blue sky laws of the particular jurisdiction.

WITHDRAWAL OF TENDERS

Except as otherwise provided in this prospectus, tenders of old notes may be withdrawn at any time prior to 5:00 p.m., New York City time, on the expiration date.

28

34

In order to withdraw a tender of old notes in the exchange offer, a written or facsimile transmission notice of withdrawal must be received by the exchange agent at the address given under "The Exchange Agent" prior to 5:00 p.m., New York City time, on the expiration date. Any notice of withdrawal must:

- specify the name of the person having deposited the old notes to be withdrawn;
- identify the old notes to be withdrawn, including the certificate number or numbers and principal amount of the old notes;

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

- be signed by the depositor in the same manner as the original signature on the letter of transmittal by tendering the old notes, including any required signature guarantees, or be accompanied by documents of transfer sufficient to permit the trustee of the old notes to register the transfer of the old notes into the name of the depositor withdrawing the tender; and
- specify the name in which any old notes are to be registered, if different from that of the depositor.

Any old notes that have been properly withdrawn will not be deemed validly tendered for purposes of the exchange offer, but may be retendered by following one of the procedures described above under "Procedures for Tendering Old Notes" at any time prior to the expiration date.

All questions as to the validity, form and eligibility, including time of receipt, of any withdrawal notices will be determined by us, and will be final and binding on all parties. Neither Ameristar, nor any of our affiliates, the exchange agent or any other person will be under any duty to give any notification of any defects or irregularities in any notice of withdrawal or incur any liability for failure to give any such notification. Any tendered old notes that have been properly withdrawn will be returned to the holder promptly after withdrawal.

INTEREST ON THE EXCHANGE NOTES

The exchange notes will bear interest from the issue date of the old notes and will be paid with the first interest payment on the exchange notes. If interest has not yet been paid, the exchange notes will bear interest from and including February 2, 2001. Interest on the old notes accepted for exchange will cease to accrue upon issuance of the exchange notes and will be superceded by the interest accruing with respect to the exchange notes.

The exchange notes will bear interest at a rate of 10 3/4% per annum. Interest on the exchange notes will be payable semi-annually, in arrears, on each February 15 and August 15 following the consummation of the exchange offer. Untendered old notes that are not exchanged for exchange notes pursuant to the exchange offer will bear interest at a rate of 10 3/4% per annum after the expiration date.

CONDITIONS TO THE OFFER

If any of the following conditions has occurred or exists or has not been satisfied prior to the expiration date of the exchange offer, we will not be required to accept for exchange any old notes and will not be required to issue exchange notes in exchange for any old notes. In addition, we may, at any time and from time to time, terminate or amend the exchange offer (whether or not any old notes have already been accepted for exchange) or may waive any condition to or amend the exchange offer.

- A change in the current interpretation by the staff of the Securities and Exchange Commission that permits resale of exchange notes as described under "Resales of Exchange Notes."
- Any action or proceeding is instituted or threatened in any court or by or before any governmental agency or body with respect to the exchange offer that, in our judgment, would reasonably be expected to impair our ability to proceed with the exchange offer.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

- Any law, statute, rule or regulation is proposed, adopted or enacted, or any existing law, statute, rule or regulation is interpreted by the staff of the Securities and Exchange Commission in a manner that, in our judgment, would reasonably be expected to impair our ability to proceed with the exchange offer.
- The issuance of a stop order is threatened by the Securities and Exchange Commission, any state securities authority or any gaming authority or is in effect for the registration statement that this prospectus is a part of, or proceedings for the that purposes are instituted.
- Failure to obtain any governmental approval that we consider necessary for the consummation of the exchange offer as contemplated hereby.
- Any change or development involving a prospective change in our business or financial affairs that we think might materially impair our ability to consummate the exchange offer.

If we determine in our sole and absolute discretion that any of the foregoing events or conditions has occurred or exists or has not been satisfied at any time prior to the expiration date, we may, subject to applicable law, terminate the exchange offer (whether or not any old notes have already been accepted for exchange) or may waive any such condition or otherwise amend the terms of the exchange offer in any respect. If such waiver or amendment constitutes a material change to the exchange offer, we will promptly disclose such waiver or amendment by means of a prospectus supplement that will be distributed to each registered holder of old notes, and we will extend the exchange offer to the extent required by Rule 14e-1 under the Exchange Act.

Additional solicitations may be made by our officers and regular employees and our affiliates in person, by telegraph or by telephone.

36

We will pay all transfer taxes, if any, applicable to the exchange of old notes pursuant to the exchange offer. The amount of these transfer taxes, whether imposed on the registered holder or any other persons, will be payable by the tendering holder if:

- certificates representing exchange notes or old notes not tendered or accepted for exchange are to be delivered to, or are to be registered or issued in the name of, any person other than the registered holder of the old notes tendered;
- tendered old notes are registered in the name of any person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of old notes pursuant to the exchange offer.

If satisfactory evidence of payment of, or exemption from, these taxes is not submitted with the letter of transmittal, the amount of these transfer taxes will be billed directly to the tendering holder.

ACCOUNTING TREATMENT

The exchange notes will be recorded at the same carrying value as the old notes, which is face value, as reflected in our accounting records on the date of the exchange. Accordingly, no gain or loss for accounting purposes will be recognized by us upon the consummation of the exchange offer. The expenses of the exchange offer will be amortized by us over the term of the exchange notes under generally accepted accounting principles.

31

37

USE OF PROCEEDS

The exchange offer is intended to satisfy certain of our obligations under the registration rights agreement. We will not receive any proceeds from the issuance of the exchange notes or the closing of the exchange offer.

In consideration for issuing the exchange notes as contemplated in this prospectus, we will receive, in exchange, an equal number of old notes in like principal amount. The form and terms of the exchange notes are identical in all material respects to the form and term of the old notes, except as otherwise described in "The Exchange Offer -- Terms of the Exchange Offer." The old notes surrendered in exchange of the exchange notes will be retired and canceled and cannot be reissued. The proceeds from the offering of the old notes have been used (1) to repay the \$300 million in principal amount outstanding under our senior subordinated credit facility and accrued interest thereon, (2) to partially repay and permanently reduce the term loan B and the term loan C under our senior credit facilities by a total of \$50 million, (3) to repay revolving

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

loans under our senior credit facilities (which may be reborrowed) and (4) for working capital purposes. See "Prospectus Summary -- The Transactions" and "Description of Existing Indebtedness" for additional information.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

- (f) Reflects the reduction of the Missouri properties' historical interest expense related to debt not being assumed in the Acquisitions.
- (g) Reflects the historical results of The Reserve Hotel and Casino.
- (h) Reflects the reduction in interest expense related to the permanent reduction of certain borrowings under the senior credit facilities.

- (j) Reflects the reduction of interest expense from repaying the senior subordinated credit facility, including amortization of debt issuance costs, repayment and permanent reduction of a portion of two of the three term loans, and repayment of a portion of the revolving credit facility.
- (k) Reflects the tax effect of the pro forma adjustments using the 35% statutory tax rate, excluding the actual tax effects of the historical results of The Reserve Hotel and Casino referred to in Note (g).

- (1) The casino at Ameristar Council Bluffs opened in January 1996, portions of the land-based facilities opened in June 1996 and the 160-room hotel opened in November 1996. The remaining land-based facilities opened in February and March 1997. The expanded casino opened in November 1999. The Reserve Hotel and Casino opened in February 1998. The Ameristar Vicksburg hotel opened in June 1998. The expanded casino opened in December 1999. Results for the year ended December 31, 2000 include 11 days of operations at Ameristar Kansas City and Ameristar St. Charles, which were acquired on December 20, 2000. Results for the quarter ended March 31, 2001 include the operations of The Reserve until January 29, 2001, when it was sold.
- (2) EBITDA consists of income from operations plus depreciation, amortization, preopening costs and impairment losses. EBITDA information is presented solely as a supplemental disclosure because management believes that it is a widely used measure of operating performance in the gaming industry and for companies with a significant amount of depreciation and amortization. EBITDA should not be construed as an alternative to income from operations (as determined in accordance with generally accepted accounting principles) as an indicator of our operating performance, or as an alternative to cash flows from operating activities (as determined in accordance with generally accepted accounting principles) as a measure of liquidity. We have significant uses of cash flows, including capital expenditures and debt principal repayments that are not reflected in EBITDA. It should also be noted that not all gaming companies that report EBITDA information calculate EBITDA in the same manner as us.
- (3) For purposes of computing the ratio of earnings to fixed charges, earnings consists of income from continuing operations before income taxes and fixed charges, excluding capitalized interest. Fixed charges consists of interest expensed and capitalized, amortization of debt issuance costs and the interest component of rent expense.
- (4) Earnings were insufficient to cover fixed charges by \$20.5 million for the year ended December 31, 1998, including preopening costs of \$10.6 million, and \$52.6 million for the year ended December 31, 2000, including an impairment loss of \$57.2 million.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis should be read in conjunction with the section "Selected Financial and Other Data" and the consolidated financial statements and related notes included elsewhere in this prospectus.

OVERVIEW

We are a leading multi-jurisdictional gaming company that owns and operates casinos and related hotel, food and beverage, entertainment and other facilities. On December 20, 2000, we acquired substantially all the assets of two gaming and entertainment facilities located in Kansas City, Missouri and St. Charles, Missouri from subsidiaries of Station Casinos, Inc. On January 29, 2001, in a separate transaction, we sold substantially all the assets of The Reserve Hotel and Casino, located in Henderson, Nevada, to a subsidiary of Station Casinos. As a result of these transactions, we currently own and operate six casino properties in five distinct markets through our wholly owned subsidiaries. Our properties currently consist of the following:

Ameristar Kansas City, a casino and related hotel and other facilities located seven miles from downtown Kansas City;

Ameristar Council Bluffs, a riverboat casino and related land-based hotel and other facilities in Council Bluffs, Iowa across the Missouri River from Omaha, Nebraska;

Ameristar St. Charles, a casino and related facilities located on the Missouri River, situated immediately north of the Interstate 70 bridge in the St. Louis metropolitan area;

Ameristar Vicksburg, a riverboat-themed dockside casino and related land-based facilities, located in Vicksburg, Mississippi; and

Cactus Petes Resort Casino and The Horseshu Hotel & Casino, two casino-hotels located in Jackpot, Nevada at the Idaho border. See "Business" for additional information regarding our operating properties.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Certain of our operations are seasonal in nature. In particular, in Jackpot, the months of March through October are the strongest. As a result, the second and third calendar quarters typically produce a disproportionate amount of the income from operations of the Jackpot Properties. In addition, adverse weather conditions may adversely affect the business of the Jackpot Properties, and operations during the winter months typically vary from year to year based on the severity of the winter weather conditions in the northwestern United States. To date, operations in Iowa and Missouri have experienced some seasonality, with the winter months being the slower periods. To date, operations at both Ameristar Vicksburg and The Reserve have not experienced any material seasonality.

Our quarterly and annual operating results may be affected by competitive pressures, the timing of the commencement of new gaming operations, the amount of preopening costs incurred, charges associated with debt refinancing and/or property acquisition and disposition transactions, construction at existing facilities and general weather conditions. Consequently, our operating results for any quarter or year are not necessarily comparable and may not be indicative of results to be expected for future periods.

Three Months Ended March 31, 2001 Versus Three Months Ended March 31, 2000

Our consolidated net revenues for the three months ended March 31, 2001 increased to \$152.1 million, up 90.2 percent from \$80.0 million for the same quarter in 2000. The growth in revenues is primarily the result of contributions from the Kansas City and St. Charles, Missouri properties, which were acquired on December 20, 2000 and contributed \$86.1 million in net revenues in the first quarter of 2001. The increase in net revenues attributable to the Missouri properties was offset by lower revenues from The Reserve, which was owned for only approximately one month of the first quarter of 2000, and slightly lower net revenues at our other properties due primarily to construction disruptions and adverse winter weather conditions.

Income from operations for the three months ended March 31, 2001 was \$26.8 million compared to income from operations of \$11.3 million for the same period in 2000. The growth in income from operations for the three months ended March 31, 2001 resulted from the Missouri properties contributing \$21.9 million in operating income partially offset by the reduced operating income at the other properties for the reasons described above.

Net income for the quarter ended March 31, 2001 was \$3.9 million, or \$0.19 basic earnings per share, compared to net income of \$2.8 million, or \$0.14 basic earnings per share, for the same period in 2000. Net income for the three months ended March 31, 2001 includes a one-time charge to interest expense of \$2.3 million (net of the associated tax benefit) relating to the write-off of the unamortized interim credit facility loan fee and a prepayment premium on the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

retired senior debt which reduced basic earnings per share by \$0.11 per share. Net income also includes a cumulative effect of change in accounting principle relating to the adoption of SFAS No. 133, as discussed in Note 2 to our condensed consolidated financial statements for the quarter ended March 31, 2001, which reduced net income by \$0.1 million (net of tax benefit) and reduced basic earnings per share by \$0.01.

Net revenues at Ameristar Kansas City and Ameristar St. Charles in the first quarter of 2001 were \$52.5 million and \$33.6 million, respectively. The combined \$86.1 million of net revenues represents a 6.4 percent increase from net revenues in the same period of 2000 reported by the prior owner. The Missouri properties had a combined EBITDA of \$25.8 million (\$15.6 million at Ameristar Kansas City and \$10.2 million at Ameristar St. Charles), a 16.2 percent increase over the \$22.2 million of combined EBITDA reported by the prior owner of the Missouri properties for the first quarter of 2000. Operating income of \$21.9 million for the Missouri properties, including \$12.5 million at Ameristar Kansas City and \$9.4 million at Ameristar St. Charles, was up 28.1 percent compared to \$17.1 million reported by the prior owner for the first quarter of 2000. The increases in EBITDA and operating income were due to various operational changes and slot product enhancements implemented by us since acquiring the Missouri properties, as well as the consolidation of the casino at St. Charles onto a single barge in April 2000 that resulted in improved operational efficiencies. Ameristar St. Charles produced \$10.2 million in EBITDA in the first quarter of 2001, a record since the 1997 opening of two competing casinos across the Missouri River in Maryland Heights.

Ameristar Council Bluffs' net revenues of \$29.0 million for the quarter ended March 31, 2001 were 7.6 percent lower than net revenues of \$31.4 million for the same quarter in 2000. Ameristar Council Bluffs' gaming revenues were negatively impacted by a 3.5 percent decline in total Council Bluff gaming market revenues for the first quarter of 2001 compared to the first quarter of 2000. We believe the gaming market in Council Bluffs was negatively impacted by high-energy costs and severe weather conditions, especially in the month of February. In addition, Ameristar Council Bluffs' market share decreased one percentage point to 31.1 percent for the quarter ended March 31, 2001 compared to 32.1 percent in the first quarter of 2000. The market share decrease is primarily attributable to construction disruption associated with the \$7.4 million renovation and enhancement project for the casino floor and restaurants that began in the fourth quarter of 2000 and which was substantially completed in March 2001. Operating income decreased by \$2.3 million, or 30.7 percent, to \$5.2 million for the three months ended March 31, 2001 compared to \$7.6 million for the same period in 2000 for the reasons listed above.

Ameristar Vicksburg's net revenues decreased 7.0 percent to \$18.6 million for the first quarter of 2001 compared to \$20.0 million for the same period in 2000. Operating income was \$3.6 million for the first quarter of 2001 compared to \$5.5 million for the same period in 2000. The decrease in net revenues is largely due to the adverse impact of construction disruption associated with the \$10 million renovation and enhancement project for the casino and restaurants that began in the fourth quarter and is expected to be substantially completed in the second quarter of 2001. In addition to the construction disruption, the Vicksburg gaming market was generally flat in the first quarter of 2001, with an increase in gaming revenue of only 0.6 percent from the same period in 2000.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Ameristar Vicksburg is currently undergoing a complete renovation of the casino and adding a number of new amenities such as the Bottleneck Blues Bar, a dynamic club featuring live entertainment that re-creates an authentic delta blues "roadhouse" atmosphere, a new VIP lounge, and new high-definition plasma screens positioned throughout the casino. We believe these new amenities will position the property to further improve operating results and increase Ameristar Vicksburg's market share lead.

The Jackpot Properties' net revenues decreased by 5.6 percent to \$13.4 million for the three months ended March 31, 2001 compared to \$14.2 million for the same period in 2000. Operating income decreased to \$1.8 million compared to \$2.6 million for the same period in 2000. The decreased revenues and operating income are primarily attributable to slow economic conditions in the Southern Idaho market and severe winter weather conditions compared to the prior period.

Depreciation and amortization expense for the three months ended March 31, 2001 increased \$2.1 million, or 29.9 percent over the same period in 2000. This is primarily due to the purchase of the new Missouri assets, which increased depreciation expense by \$2.5 million, partially offset by the decrease in depreciation expense of \$2.0 million due to the sale of The Reserve assets. Depreciation expense increased \$0.4 million at our other properties. Amortization expense increased \$1.1 million mainly due to the \$1.2 million amortization expense of the new Missouri properties' intangible assets, partially offset by the decrease in goodwill amortization of \$0.1 million due to the sale of The Reserve.

Interest expense increased \$13.7 million for the three months ended March 31, 2001 as compared to the same period in the prior year. The increased interest expense for the quarter reflects the amortization of debt costs and discount on notes payable as well as interest on \$470.6 million in additional debt compared to debt as of March 31, 2000, which was incurred primarily in connection with our purchase of the Missouri properties. An additional \$3.5 million non-recurring charge to interest expense in the first quarter was incurred for the write off of unamortized interim credit facility costs. We have also recognized \$0.7 million interest expense for the first quarter of 2001 in relation to the interest rate collar agreement as discussed in Note 2 to our condensed consolidated financial statements for the quarter ended March 31, 2001.

Our effective income tax rate for the three months ended March 31, 2001 was 37.5 percent versus the federal statutory rate of 35 percent. The difference between the effective rate and the statutory rate is due to state and local income taxes as well as certain expenses deducted in the current period for financial reporting purposes which are not deductible for tax purposes. In addition to the tax benefit resulting from our net operating loss carry-forward credit from prior years, we have a tax benefit in the form of a net operating loss carry-forward credit resulting from the sale of The Reserve. These tax benefits may be used to offset taxable income in future years. We have approximately \$60.3 million of unused operating loss carry forwards at December 31, 2000. Since carryforwards will be applied against taxable income in future periods, we expect to not have any required cash payments of federal income tax

until 2002.

Year Ended December 31, 2000 Versus Year Ended December 31, 1999

Ameristar experienced an overall growth in net revenues and operating cash flow for the twelve months ended December 31, 2000 compared to 1999. The results of operations for the year ended December 31, 2000 have been significantly impacted by the following events:

- We completed acquisitions of the Kansas City and St. Charles properties in late December of 2000. The inclusion of 11 days of operations at the two new Missouri properties resulted in an increase to net revenues of \$12.4 million for the year-ended December 31, 2000.
- We also completed significant casino and parking expansions at the Iowa and Mississippi properties in late 1999 and early 2000. In addition, a number of new generation multi-coin slot machines have been installed throughout our properties and the strategic implementation of enhanced marketing programs has been introduced, aimed at increasing revenues and profitability. Our philosophy of reinvesting in our properties is continuing with ongoing renovation and enhancement projects at Ameristar Council Bluffs and Ameristar Vicksburg.
- We agreed on October 17, 2000 to sell substantially all of the assets of The Reserve Hotel and Casino for approximately \$71.8 million. The sale of The Reserve closed in late January 2001. The sale resulted in an impairment loss of \$57.2 million, which reduced operating income for the year-ended December 31, 2000. As a result, we reported a \$22.6 million loss from operations for the year-ended December 31, 2000 as compared to a \$25.5 million income from operations for 1999, despite increases in revenue and cash flows from operations.

Net revenues for the year ended December 31, 2000 were \$342.0 million compared to \$300.3 million for 1999, an increase of \$41.7 million or 13.9 percent. This growth results from casino and parking expansions at our Iowa and Mississippi properties, the introduction of new generation multi-coin slot machines throughout our properties, the strategic implementation of enhanced marketing programs and the additional revenues provided by the two new Missouri properties. A significant amount of the increase in net revenues was due to the previously mentioned acquisition of the Kansas City and St. Charles properties on December 20, 2000, though each of our properties experiences an increase in revenues.

Loss from operations (including the impairment loss) for the twelve months ended December 31, 2000 was \$22.6 million compared to income from operations of \$25.5 million for 1999. Excluding the impairment loss, operations produced an increase in operating income of \$9.0 million or 35.3 percent for the twelve months ended December 31, 2000, as compared to the prior year. These increases in operating income prior to the impairment loss resulted primarily from increased revenues at all the properties, partially offset by operating expense increases at the properties (particularly marketing costs) and development costs related to our unsuccessful bid for a gaming license in South St. Louis County, Missouri.

We incurred an extraordinary loss of \$10.0 million (\$6.6 million net of

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

tax) for the retirement of our \$100 million subordinated notes in December 2000. These notes were retired in connection with the refinancing for the purchase of the Missouri properties.

We incurred a net loss of \$40.3 million for the year-ended December 31, 2000, compared to net income of \$0.2 million in 1999. The net loss was a result of the \$57.2 million impairment of assets (\$37.1 million net of tax) and the \$10.0 million (\$6.6 million net of tax) extraordinary loss on the retirement of debt. Net income in 2000, prior to these unusual and non-recurring transactions, was \$3.4 million compared to net income of \$0.2 million in 1999. Earnings per share, prior to these unusual and non-recurring transactions, was \$0.17 for 2000 compared to \$0.01 for 1999.

Ameristar Council Bluffs had total net revenues of \$124.6 million for the year ended December 31, 2000 compared to \$112 million in 1999, an increase of \$12.6 million and 11.3 percent. The increase was primarily driven by increased slot revenues, offset slightly by lower table games revenues. The slot increase of \$13.9 million is attributable to the addition of the third deck of the boat in late 1999 (which increased

47

53

the number of gaming positions by approximately 349), having the largest number of new generation multi-coin slot machines in the market, having an aggressive new cash-back program and overall continued growth in the Iowa gaming market. The decrease in table win of \$1.4 million from 1999 to 2000 was the result of a 1.6 percentage point decline in table games hold percentage, which more than offset the increase in table drop of \$0.9 million.

Net revenues at Ameristar Vicksburg for the year ended December 31, 2000 was \$82.6 million compared to \$76.9 million in 1999, an increase of \$5.7 million or 7.4 percent. The property experienced an increase in slot revenue of \$5.5 million or 9.8 percent. The increase in net revenues is largely due to the casino expansion in the fall of 1999, the implementation of new generation multi-coin slot machines, an increase in slot machine count and improved marketing strategies.

The Jackpot properties produced net revenues of \$60.3 million for the year ended December 31, 2000 compared to \$58.3 million in 1999, an increase \$2.0 million or 3.4 percent. The increased revenues are primarily attributable to slot machine upgrades and improved marketing programs. Increased slot revenues of \$1.9 million over prior year were attributed to enhanced slot product, timely slot conversions and effective marketing programs.

The Reserve had net revenues for the year ended December 31, 2000 of \$62 million, an improvement of \$9.2 million or 17.4 percent over the 1999 net revenues of \$52.8 million. Slot revenue was the primary component of net revenues, comprising nearly 70 percent of the net revenues for the year. Slot revenue of \$43.1 million exceeded the prior year by \$7.2 million, or 20.0 percent. This improvement is primarily attributable to the implementation of various strategies to drive revenues and gain market share.

The company-wide operating expense ratio for 2000 improved to 89.9 percent of net revenues (before the asset impairment loss of \$57.2 million in connection with the sale of The Reserve) compared to 91.5 percent of net revenues in 1999. The improvement in this ratio is primarily the result of increased revenues, partially offset by operating expense increases at the properties and corporate office and \$1.9 million in development costs related to our unsuccessful bid for a gaming license in South St. Louis County, Missouri.

Casino costs and expenses for the year ended December 31, 2000 increased

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

\$20.6 million or 18.0 percent, from \$114.4 million in 1999 to \$134.9 million in 2000. As a percentage of casino revenues, casino expenses increased to 47.1 percent in 2000 compared to 46.2 percent in 1999. The increase in casino expenses as a percentage of casino revenues was due to an increase in cash back to players and an aggressive marketing strategy implemented in the second quarter of 2000. This cost increase was partially offset by other efficiencies in casino operations.

Food and beverage costs and expenses increased \$1.9 million to \$35.1 million in 2000 compared to \$33.2 million in 1999. Food and beverage expense-to-revenue ratio decreased to 65.5 percent in 2000 compared to 67.6 percent in 1999. This improvement is primarily related to improved operational efficiencies experienced during 2000.

Rooms expenses increased by \$0.5 million to \$6.9 million in 2000 from \$6.4 million in 1999. Room expense-to-revenue ratio increased to 38.3 percent in 2000 compared to 37.0 percent in 1999. The increase is primarily related to increases in payroll and benefits and the addition of the Kansas City property with a 184 room hotel for part of December.

Selling, general and administrative costs and expenses (including utilities and maintenance and business development costs) increased \$4.3 million or 5.0 percent from prior year. The increase was due primarily to \$1.9 million in development costs related to our unsuccessful bid for a gaming license in South St. Louis County, Missouri, increases in marketing costs associated with the implementation of an aggressive marketing strategy in the second quarter of 2000, increases in corporate overhead related to increased corporate staffing levels and increases in employee compensation at Ameristar Council Bluffs, Ameristar Vicksburg and the Jackpot Properties, partially offset by a decrease in such costs at The Reserve.

Depreciation expenses of \$27.8 million for 2000 represented an increase of \$3.3 million over 1999. The increases are attributed to the addition of the Missouri properties along with the new third deck and parking garage at Council Bluffs and improvements at the Vicksburg facilities.

Interest expense, net of capitalized interest of \$1.4 million in 2000 and \$0.6 million in 1999, was \$28.3 million for the year ended December 31, 2000 compared to \$24.4 million in 1999, an increase of \$3.9 million or 15.8 percent. The increased interest expense relates primarily to increased debt incurred to finance construction of the third deck and parking garage at Council Bluffs and the casino expansion at Vicksburg and the purchase of Kansas City and St. Charles properties in December. In addition, our average borrowing rate was 10.6 percent in 2000 compared to 9.8 percent in 1999, reflective of higher interest rates in the general economy throughout much of 2000. Interest was capitalized on borrowings for construction related to Ameristar Vicksburg, Ameristar Council Bluffs and Ameristar St. Charles after the December 20, 2000 acquisition.

Our effective tax benefit on losses was 34.8% in 2000 and the effective tax rate on income was 62.4% in 1999 (versus the Federal statutory rate of 35%). The differences from the statutory rates are due to the effects of certain expenses incurred by us, which are not deductible for Federal income tax purposes.

Year Ended December 31, 1999 Versus Year Ended December 31, 1998

Ameristar Council Bluffs had total net revenues of \$112.0 million for the year ended December 31, 1999 compared to \$97.7 million in 1998, an increase of 14.7 percent. The increase is attributed to the popularity of, and the resulting

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

increased revenues from, the enhanced slot product placed in service during the fourth quarter of 1998 and the first quarter of 1999, the completion of the third level casino expansion in the fourth quarter of 1999, which increased the number of gaming positions by approximately 400, as well as continued growth in the gaming market.

Net revenues for Ameristar Vicksburg were \$76.9 million for the year ended December 31, 1999 compared with \$68.5 million for the prior year, an increase of 12.2 percent. This increase in revenues in 1999 compared to 1998 is due primarily to an increase in slot revenue and an increase in hotel revenue from a full year of operating the new hotel facility. The hotel contributed \$2.8 million in net revenues for 1999 compared to \$1.3 million for 1998 when it was opened for a partial year beginning in June 1998. Management believes Ameristar Vicksburg will continue to experience growth due to its superior hotel, casino and restaurant facilities relative to the competing properties in the Vicksburg market.

The Jackpot Properties produced net revenues of \$58.3 million for the year ended December 31, 1999 compared to \$54.7 million in the prior year, an increase of 6.6 percent. The improvement was due primarily to an increase in casino revenues resulting from a higher hold percentage on table games and upgrades to the slot product.

The Reserve produced net revenues of \$52.8 million for the year ended December 31, 1999 compared to revenues of \$43.6 million in the 325 days in 1998 following its opening, an increase of 21.2 percent. In addition to the additional days open in 1999, the increase in revenue was attributable to increased direct-mail marketing and other marketing programs. As a result of these programs, The Reserve generated improved play from both slot machines and table games and increased its hotel occupancy rate. We are continuing to seek further operating improvement for additional revenue enhancement.

The company-wide operating expense ratio for 1999 improved to 91.5 percent of net revenues compared to 98.7 percent of net revenues in 1998 (94.7 percent before The Reserve preopening costs). The improvement in this ratio is primarily the result of the improved operating performance at The Reserve, partially offset by an increase in corporate overhead related to increased corporate staffing levels and development costs, and the greater centralization of certain management functions.

Casino costs and expenses for the year ended December 31, 1999 increased by \$11.0 million or 10.6 percent to \$114.4 million from \$103.4 million in 1998. As a percentage of casino revenues, casino expenses decreased to 46.2 percent in 1999 compared to 47.8 percent in 1998. The decrease was due primarily to the improved performance of The Reserve casino operations compared to the startup

49

55

operational inefficiencies experienced in the prior year, partially offset by a slight increase in casino expenses at Ameristar Council Bluffs relating to increases in employee compensation and benefits.

Food and beverage costs and expenses increased \$1.5 million to \$33.2 million in 1999 compared to \$31.7 million in 1998 primarily due to increased revenue. Food and beverage expense-to-revenue ratio decreased to 67.5 percent in 1999 compared to 69.1 percent in 1998. This improvement is primarily related to the improved operational efficiencies experienced during 1999 at The Reserve.

Rooms expenses increased by \$0.6 million to \$6.4 million in 1999 from \$5.8 million in 1998. The increase was primarily due to increases in costs resulting from a full year of operations of the hotels in Vicksburg and at The Reserve,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

compared to a partial year of operations at both properties in 1998.

Selling, general and administrative costs and expenses (including utilities and maintenance and business development costs) increased \$10.5 million or 13.9 percent from 1998 to 1999. The increase was due primarily to an increase in corporate overhead related to increased corporate staffing levels and future business development costs and increases in marketing costs and employee compensation at Ameristar Council Bluffs, Ameristar Vicksburg and the Jackpot Properties, partially offset by a decrease in such costs at The Reserve.

Depreciation expense increased \$0.3 million or 1.1 percent from 1998 to 1999 as our depreciable base increased by including The Reserve and the Ameristar Vicksburg hotel for the entire year, partially offset by certain five-year assets in Vicksburg that are now fully depreciated and are no longer included in depreciation expense in 1999.

Interest expense, net of capitalized interest of \$1.4 million in 1998 and \$0.6 million in 1999, increased \$1.8 million or 7.7 percent from 1998 to 1999. This increase primarily reflects the additional debt incurred to finance our various expansion projects (such as adding a third level to the casino at Ameristar Council Bluffs, completing restaurant and meeting room enhancements at The Reserve, and completing an expansion to the casino, remodeling restaurants and completing other site improvements at Ameristar Vicksburg) and higher interest rates on those borrowings. With the opening of The Reserve in February 1998 and the Ameristar Vicksburg Hotel in June 1998, the capitalization of interest on funds borrowed to construct these projects was discontinued. Interest was capitalized on borrowings for construction related to Ameristar Vicksburg and Ameristar Council Bluffs improvements during 1999. Our average borrowing rate was 9.8 percent in 1999 compared to 10.3 percent in 1998. The borrowing rate decreased due to the favorable effect of lower interest rates during the first half of 1999.

Our effective tax rate on income was 62.4% in 1999 and the tax benefit on losses was 33.4% in 1998 versus the Federal statutory rate of 34% and 35%, respectively. The differences from the statutory rates are due to the effects of certain expenses incurred by us that are not deductible for Federal income tax purposes. The total of these expenses did not vary significantly between periods, however the lower absolute level of income before taxes in 1999 caused a greater impact to the effective tax rate for 1999.

Year Ended December 31, 1998 Versus Year Ended December 31, 1997

Ameristar Council Bluffs had total net revenues of \$97.7 million in 1998 compared to \$87.8 million in 1997, an increase of 11.3 percent. This represents growth in the market share of Ameristar Council Bluffs and in the Council Bluffs gaming market in general.

Net revenues for Ameristar Vicksburg were \$68.5 million for the year ended December 31, 1998 compared with \$64.0 million for the prior year, an increase of 7.0 percent. This increase in revenues in 1998 compared to 1997 is due to an increase in casino revenue of \$3.4 million and a \$1.1 million increase in hotel revenue due to the new hotel facility. Management believes Ameristar Vicksburg maintained and will continue to hold its leading position in the Vicksburg market through effective promotional strategies and by continuing to provide customers with superior service and quality gaming and non-gaming products.

The Jackpot Properties produced stable net revenues of \$54.7 million and \$54.5 million for the years ended December 31, 1998 and 1997, respectively. A 2.0 percent increase in casino revenue in 1998 was offset by minimal decreases

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

in food and beverage, rooms and other revenues.

The Reserve produced net revenues of \$43.6 million from its opening on February 10, 1998 to December 31, 1998.

The operating expense ratio for 1998 increased to 98.7 percent (94.7 percent before preopening) compared to 86.4 percent of net revenues in 1997. The increase in this ratio is primarily a result of the initial operating performance of The Reserve. Excluding the \$34.6 million of revenues and \$70.3 million in operating expenses at The Reserve, operating expenses were 86.4 percent of net revenue, which is comparable to 1997.

Casino costs and expenses increased by \$24.7 million or 31.3 percent from \$78.7 million in 1997 to \$103.4 million in 1998. As a percentage of casino revenues, casino expenses increased to 47.8 percent in 1998 compared to 45.5 percent in 1997. The majority of the increase in expense (\$19.4 million) was associated with the opening of The Reserve and an increase of \$4.6 million in expenses at Ameristar Council Bluffs associated with additional gaming revenue of \$8.4 million.

Food and beverage costs and expenses increased \$11.9 million in 1998 compared to 1997 primarily due to the opening of The Reserve and partially offset by improvements in this area at the Jackpot Properties and Ameristar Vicksburg. Food and beverage expense-to-revenue ratio increased to 69.1 percent in 1998 compared to 64.5 percent in 1997. This increase is directly related to the startup operational inefficiencies experienced in 1998 at The Reserve.

Rooms expenses increased by \$2.7 million to \$5.8 million in 1998 from \$3.1 million in 1997. The increase was the result of seven months of operations of the new hotel in Vicksburg and almost 11 months of operations at The Reserve.

Selling, general and administrative costs and expenses (including utilities and maintenance and business development costs) increased \$23.6 million or 45.5 percent from 1997 to 1998. Most of the increase was a result of the opening of The Reserve and additional expenses associated with salaries, marketing and professional fees at the corporate level.

Depreciation expense increased \$7.8 million or 47.9 percent from 1997 to 1998 as our depreciable base increased with the opening of The Reserve and the Ameristar Vicksburg hotel.

Preopening costs of \$10.6 million were expensed during 1998 related to the opening of The Reserve.

Interest expense, net of capitalized interest of \$4.7 million in 1997 and \$1.4 million in 1998, increased \$10.6 million or 87.5 percent from 1997. This increase primarily reflects the additional debt outstanding to finance our expansion and higher interest rates on those borrowings. With the opening of The Reserve in February 1998 and the Ameristar Vicksburg Hotel in June 1998, the capitalization of interest on funds borrowed to construct these projects was discontinued. Subsequent interest costs were reflected as an expense on the statement of operations rather than as an additional cost of the projects on the balance sheet. Interest was capitalized on borrowings to construct The Reserve and the Ameristar Vicksburg hotel during 1997 and 1998 until the projects commenced operations. Our average borrowing rate was 10.3% in 1998 compared to 9.9% in 1997. The borrowing rate increased due to the issuance of \$100 million in 10.5% senior subordinated notes in mid-1997 and an increase in LIBOR.

Our effective tax rate on income was 36.5% in 1997 and the tax benefit on losses was 33.4% in 1998 versus the Federal statutory rate of 35%. The differences from the statutory rates are due to the effects of certain expenses incurred by us that are not deductible for Federal income tax purposes.

LIQUIDITY AND CAPITAL RESOURCES

Cash flows provided by operating activities were \$24.0 million for the three months ended March 31, 2001 compared to \$8.5 million for the three months ended March 31, 2000. This increase is

51

57

largely due to the increase in operating income generated at the new Missouri properties. Cash flows provided by operating activities were \$38.8 million, \$34.3 million and \$23.1 million for the years ended December 31, 2000, 1999 and 1998, respectively. The increases in 2000 and 1999 were due primarily to the increase in operating income from improved operations at all of our properties. Cash flows provided by investing activities were \$51.1 million for the three months ended March 31, 2001 compared to \$12.6 million used in investing activities for the three months ended March 31, 2000. The increase is due to the sale of The Reserve in January 2001 partially offset by an increase in capital expenditures and payments on construction contracts payable. Cash flows used in investing activities were \$521.2 million, \$50.0 million and \$53.9 million for the years ended December 31, 2000, 1999 and 1998, respectively. The acquisitions of Ameristar Kansas City and Ameristar St. Charles in December 2000 utilized approximately \$487 million in cash.

Our capital expenditures of \$16.9 million for the three months ended March 31, 2001 primarily relate to the new casino-entertainment facility at Ameristar St. Charles, renovation projects at Ameristar Council Bluffs and Ameristar Vicksburg, the purchase of new generation multi-coin slot machines at the Missouri properties and other capital expenditures for equipment and maintenance at each of our properties. We currently estimate that total capital expenditures for the remaining nine months of 2001 will be approximately \$80 million, including approximately \$60 million relating to the St. Charles construction project. Our actual capital expenditures may vary based on budget modifications, construction schedule changes and other factors. During the year ended December 31, 2000, we made capital expenditures of \$33.4 million, comprised of \$13.1 million related to expansion and remodeling projects at Ameristar Council Bluffs (including the completion of the 1,000 space parking garage), \$11.7 million in remodeling projects and equipment at Ameristar Vicksburg, and other capital expenditures for equipment and maintenance at each of our properties. Capital expenditures for the year ended December 31, 1999 were approximately \$57.6 million, consisting of approximately \$26.9 million at Ameristar Council Bluffs including adding a third deck to the casino and constructing the parking garage, \$16.6 million at Ameristar Vicksburg including expanding the casino, remodeling restaurants and other site improvements, and other capital expenditures for remodeling and land purchases at The Reserve and maintenance projects at the Jackpot Properties. In 1998, we made capital expenditures of \$32.3 million, primarily related to the completion of The Reserve and the hotel at Ameristar Vicksburg.

Cash flows used in financing activities were \$68.8 million for the three months ended March 31, 2001 compared to \$7.8 million of cash flows provided by financing activities for the three months ended March 31, 2000. The decrease is due primarily to reduction of debt from the proceeds of the sale of The Reserve. Cash flows provided by financing activities were \$503.1 million, \$13.1 million

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

and \$35.9 million for the years ended December 31, 2000, 1999 and 1998, respectively. In December 2000, we refinanced substantially all of its long-term debt and borrowed funds for the acquisitions of Ameristar Kansas City and Ameristar St. Charles, as described more fully below. Cash flows from financing activities decreased from \$35.9 million in 1998 to \$13.1 million in 1999 as a result of a reduced amount of borrowings required to fund capital expenditure projects. Borrowings in 1998 related primarily to the completion of The Reserve and the hotel at Ameristar Vicksburg.

On December 20, 2000, we refinanced substantially all our long-term debt through \$575 million of new senior credit facilities with a group of lenders led by affiliates of Deutsche Bank AG and a \$300 million senior subordinated credit facility with a group of lenders also led by affiliates of Deutsche Bank AG. On February 1, 2001, \$50 million of the proceeds from the sale of The Reserve were used to partially repay and permanently reduce our senior credit facilities to \$525 million.

On February 2, 2001, we refinanced the senior subordinated credit facility and partially repaid and permanently reduced our senior credit facilities by \$50 million to \$475 million with the proceeds of \$380 million in aggregate principal amount of our old 10 3/4% Senior Subordinated Notes due 2009. The net proceeds of the offering of the old notes were used (1) to repay the \$300 million in principal amount outstanding under our senior subordinated credit facility and accrued interest thereon, (2) to partially repay and permanently reduce the term loan B and the term loan C under our senior credit facilities by a

52

58

total of \$50 million, (3) to repay revolving loans under our senior credit facilities (which may be reborrowed) and (4) for general corporate and working capital purposes.

Our senior credit facilities are guaranteed by all of Ameristar's subsidiaries and are secured by first priority security interests on substantially all of our real and personal property, including the capital stock of Ameristar's subsidiaries. Our senior credit facilities require us to meet specified financial tests on an on-going basis, including minimum consolidated tangible net worth, maximum leverage and senior leverage ratios, minimum consolidated gross and adjusted fixed charge coverage ratios and minimum maintenance capital expenditures. As of March 31, 2001, we were in compliance with all of the covenants in our senior credit facilities. In addition, the credit agreement relating to our senior credit facilities includes customary representations and warranties, customary events of default, including a change of control, and other customary covenants, including covenants that limit our ability to incur additional debt, make capital expenditures, create or become subject to liens, make asset sales, merge with other entities or make acquisitions, make investments or advances, and pay dividends or make distributions.

We historically have funded our daily operations through net cash provided by operating activities and our significant capital expenditures primarily

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

through bank debt and other debt financing. We believe that our cash flow from operations, cash and cash equivalents and availability under our senior credit facilities will support our operations and liquidity requirements, including capital expenditure plans, for the foreseeable future. While we have availability under our senior credit facilities to fund up to \$100 million of the St. Charles expansion costs, we expect to finance a significant portion of these costs from our cash flows from operations. As a result, we do not expect to draw the full amount dedicated under our senior credit facilities to complete the St. Charles expansion. At May 7, 2001, we had \$123.6 million of available borrowing capacity under our senior credit facilities, including the \$100 million dedicated to the St. Charles expansion.

No assurance can be given that we will be able to satisfy, when necessary, the financial covenants under our senior credit facilities, the senior subordinated notes or other debt instruments for purposes of incurring additional debt, including draws under the revolving credit facility or revolving credit/term loan facility for the new St. Charles facility or other purposes. In addition, a failure to satisfy the financial covenants could either require us to reduce the outstanding debt balance, which requirements could adversely affect or exceed our, or result in an event of default under one or more debt instruments. Adverse changes in our operations or operating cash flow may affect our ability to satisfy these financial covenants.

On May 10, 2001, we entered into a construction contract with J.S. Alberici Construction Co., Inc. covering a substantial portion of the work necessary to complete the new casino-entertainment facility at Ameristar St. Charles. The contract provides for a guaranteed maximum price of approximately \$75 million for the completion of the scope of work covered by the contract, slightly below our initial expectations for this work. Our initial design plan for the completion of the new St. Charles facility calls for an estimated budget of approximately \$110 million, which we expect to fund from our operating cash flows and from borrowings under the senior credit facilities. We are considering various alternative designs that would further expand the casino among other enhancements. Any such design changes and change orders to the work currently under contract likely will result in an increase to the guaranteed maximum price under the Alberici contract and the total budget for the new St. Charles facility.

We have not declared any dividends on our common stock during the last three fiscal years, and we intend for the foreseeable future to retain all earnings for use in the development of our business instead of paying cash dividends. In addition, as described above, the senior credit facilities include covenants that may restrict or prohibit the payment of dividends.

QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Except for the senior credit facilities, under which \$343.7 million was outstanding at March 31, 2001, and \$2.3 million in certain other long-term debt outstanding at March 31, 2001 (collectively, the "Variable Rate Debt"), all of our other long-term debt bears interest at fixed rates. The Variable Rate

Debt bears interest equal to LIBOR (in the case of Eurodollar loans) or the prime interest rate (in the case of base rate loans), plus an applicable margin. At March 31, 2001, the average interest rate applicable to the Variable Rate Debt was 9.1%. An increase of one percentage point in the average interest rate applicable to the Variable Rate Debt outstanding at March 31, 2001, would increase our annual interest costs by approximately \$3.5 million. We have entered into an interest rate collar agreement with Wells Fargo Bank to manage the effects of fluctuations in the interest rate applicable to up to \$50.0 million in LIBOR draws prorated under the revolving credit/term facility and the term loan A. We have also entered into a swap arrangement with Deutsche Bank AG pursuant to which we have fixed the interest rate of \$100 million of LIBOR borrowings under the senior credit facilities at 5.07% (plus the applicable margin). We continue to monitor interest rate markets and may enter into interest rate collar or swap agreements for additional amounts of principal under the senior credit facilities as market conditions warrant.

Although we manage our short-term cash assets with a view to maximizing return with minimal risk, we do not invest in market rate sensitive instruments for trading or other purposes and we are not exposed to foreign currency exchange risks or commodity price risks in our portfolio transactions.

BUSINESS

We are a leading multi-jurisdictional gaming company that owns and operates casinos and related hotel and entertainment facilities with six properties in operation in Missouri, Iowa, Mississippi and Nevada. All of our principal operations are conducted through wholly owned subsidiaries of Ameristar. Our properties are:

Ameristar Kansas City: Ameristar Kansas City is a casino and related hotel and other facilities located seven miles from downtown Kansas City. The casino opened in 1997 and is the newest and largest gaming facility in the Kansas City market. It features an historic Missouri riverboat theme, including a 184-room hotel, approximately 140,000 square feet of gaming space, 3,294 slot machines and 161 table games. Ameristar Kansas City offers a fully-integrated gaming, dining, lodging and entertainment experience in a spacious, land-based atmosphere specifically designed to attract customers from the greater Kansas City area, as well as strong visitor and overnight markets. Ameristar Kansas City was recently named the top tourist attraction in Missouri by a local Kansas City magazine.

Ameristar Council Bluffs: Ameristar Council Bluffs is a riverboat casino and related land-based hotel and other facilities located in Council Bluffs, Iowa across the Missouri River from Omaha, Nebraska. We designed and operate Ameristar Council Bluffs as a destination resort to serve as the entertainment centerpiece for the region. The property currently features 444 hotel rooms, approximately 38,500 square feet of gaming space, 1,480 slot machines and 46 table games. In 1999, Ameristar Council Bluffs was awarded the prestigious Four-Diamond designation from the AAA and is the only riverboat property in the nation to carry such designation.

Ameristar St. Charles: Ameristar St. Charles is a casino and entertainment facility situated immediately north of the Interstate 70 bridge in the St. Louis

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

metropolitan area. The casino complex is strategically located to attract customers from the St. Charles and greater St. Louis area. The casino opened in 1994 and features approximately 45,000 square feet of gaming space, 1,875 slot machines and 40 table games. We intend to continue with a partially-completed new casino-entertainment facility at the property that will result in a casino and entertainment facility with at least 70,000 square feet of gaming space, 2,400 slot machines and 60 table games, as well as expanded entertainment facilities. This project is expected to be completed in mid-2002.

Ameristar Vicksburg: Ameristar Vicksburg is a riverboat-themed dockside casino and related hotel and other land-based facilities located in Vicksburg, Mississippi. The casino is located one-quarter mile north of Interstate 20, the main east-west thoroughfare connecting Atlanta and Dallas, approximately 45 miles west of Jackson, Mississippi. We opened Ameristar Vicksburg in 1994 and recently completed a renovation and enhancement of the casino facilities in which we added approximately 1,000 new generation multi-coin slot machines, while also refurbishing much of the non-casino facilities. The property features a 150-room hotel, approximately 39,000 square feet of gaming space, 1,200 slot machines and 50 table games.

The Jackpot Properties: Cactus Petes Resort Casino and The Horseshu Hotel & Casino are two casino-hotels located in Jackpot, Nevada at the Idaho border. The Jackpot Properties have been operated since 1956 and serve customers primarily from Idaho, Oregon, Washington, Montana, northern California and southwestern Canadian provinces. Together, the Jackpot Properties feature 420 hotel rooms, approximately 28,500 square feet of gaming space, 1,028 slot machines and 29 table games. We market the Jackpot Properties to three separate markets: budget, quality and luxury and the properties offer hotel rooms, food and other amenities at levels that are affordable for each of these customer bases. Cactus Petes is rated a Four-Diamond property by the AAA and has been named "Best Hotel/Resort" in rural Nevada by Nevada Magazine for the last two years.

The Reserve: In addition to the six properties that we currently own, until January 29, 2001, we owned The Reserve Hotel Casino in Henderson, Nevada, a suburb of Las Vegas. The Reserve features an African safari and big game reserve theme that includes statues of elephants, giraffes and other animals. On January 29, 2001, we sold The Reserve to Station Casinos, Inc. for \$71.8 million in cash. See

BUSINESS AND MARKETING STRATEGIES

Our business strategy is to: (1) emphasize quality dining, lodging, entertainment and other non-gaming amenities at affordable prices to complement and enhance our gaming operations, (2) promote our properties as entertainment destinations, (3) construct and expand facilities appropriate to individual markets, (4) emphasize courteous and responsive service to develop customer loyalty and (5) utilize marketing programs to promote customer retention. In selecting markets, we seek strong demographics and a favorable competitive environment. We believe this strategy will continue to distinguish us from our competitors, many of whom outside of Las Vegas have not emphasized non-gaming amenities in their operations to the same extent as us. Within markets, we look for sites with attractive, prominent locations and ease of access that will support the size and scope of our development plans.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Our properties emphasize slot machine play, and we invest on an ongoing basis in new slot equipment to promote customer satisfaction and loyalty. To this end, we added more than 1,000 new generation multi-coin slot machines to our properties in 2000. All of our properties include table games such as blackjack, craps and roulette. In addition, Cactus Petes, Ameristar Vicksburg and the two Missouri properties offer poker and the Jackpot Properties offer keno and sports book wagering. We generally emphasize competitive minimum and maximum betting limits based on each market.

Our gaming revenues are derived and are expected to continue to be derived from a broad base of customers, and we do not depend upon high-stakes players. We extend credit to our Nevada and Mississippi gaming customers only in limited circumstances and limited amounts on a short-term basis and in accordance with the credit restrictions imposed by gaming regulatory authorities. The Iowa and Missouri gaming statutes prohibit the issuance of casino credit.

Our marketing strategy is to develop a loyal customer base by promoting the quality of our gaming, leisure and entertainment amenities that emphasize high standards of service and customer satisfaction. We use players clubs at each property to identify and retain preferred players and develop promotions and special events to encourage increased gaming activity by these customers. Our marketing programs also include a number of promotions, designed primarily to increase the frequency of customer visits within local markets, as well as tour and travel promotional packages in certain markets. We use direct mail promotions and a variety of advertising media to market our properties, including print, television, radio, outdoor and internet advertising.

EXPANSION PLANS

New Casino-Entertainment Facility at Ameristar St. Charles

As part of the acquisition of the Missouri properties, we assumed a construction contract with J.S. Alberici Construction Co., Inc. ("Alberici") pursuant to which Alberici was serving as the general contractor for the former owner of the St. Charles property for the completion of a portion of a new casino-entertainment facility at the property. The former owner invested approximately \$169 million in this project before halting construction in June 1997. On May 10, 2001, we and Alberici amended and restated the contract, which covers a substantial portion of the work necessary to complete this project, with the exception of the interior build-out of the land-side entertainment center that will be separately contracted for following the completion of its design. The amended Alberici contract provides for a guaranteed maximum price of approximately \$75 million for the completion of the scope of work covered by the contract, slightly below our initial expectations for this work. Alberici is currently mobilizing to begin construction, which is in line with our objective of completing the new facility in mid-2002. Operations at the current St. Charles casino are not expected to be disrupted by the construction of the new facility.

Our initial design plan for the completion of the new St. Charles facility, with an estimated budget of approximately \$110 million, includes a man-made protective basin containing two new gaming vessels, a

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

retail and entertainment complex featuring an approximately 550-seat buffet, a well-appointed steakhouse and an entertainment lounge. As initially designed, only a portion of the casino interior will be completed, with approximately 2,400 slot machines and 60 table games in a total of approximately 70,000 square feet of gaming space, approximately 25,000 more square feet of casino space than the current facility. We are considering various alternative designs that would further expand the casino among other enhancements. Any such design changes and change orders to the work currently under contract likely will result in an increase to the guaranteed maximum price under the Alberici contract and the total budget for the new St. Charles facility.

We believe the St. Charles project fulfills a strategic need in the St. Louis market and that, upon completion of the new casino-entertainment facility, Ameristar St. Charles will be the premier gaming facility in the St. Louis market. We anticipate the project will be completed in mid-2002.

General Expansion Strategy

We seek to expand our operations through a variety of means, including entering new North American markets created by the legalization of casino gaming, developing new casinos or buying existing casinos in established North American casino gaming markets, expanding through continued growth at our existing properties, and selectively pursuing expansion projects through Native American reservations in North America. Although our preference is to own and operate each of our gaming properties, we also consider expansion opportunities involving management contracts or joint ventures.

Consistent with our expansion strategy, we recently acquired two properties in Kansas City and St. Charles, Missouri, expanded the casino, remodeled restaurants and added parking at Ameristar Vicksburg and added a third deck to the casino and a parking garage at Ameristar Council Bluffs. We consider enhancement projects for each property on an ongoing basis. In doing so, we evaluate the operating performance of each property, the anticipated relative costs and benefits of the projects under consideration, the availability of cash flow and debt financing to fund capital expenditures and competitive and other relevant factors.

We believe that our long-term success in our current markets and expanding into new markets will depend in part on our ability to distinguish our operations from those of our competitors. Our strategy of including quality non-gaming amenities in our facilities, such as lodging, dining and entertainment, is intended to provide these competitive distinctions. The scope of non-gaming amenities to be offered at existing properties and future expansion projects will be determined in part by competitive factors within a particular market and the nature of our participation in a particular project. In addition, we believe the selection of attractive expansion markets and quality locations within those markets will continue to be important to our growth. In selecting expansion opportunities, we seek a strong demographic market with a favorable competitive environment and a site in the market with an attractive, prominent location and ease of access that will support the size and scope of our development plans.

AMERISTAR KANSAS CITY

Ameristar Kansas City originally opened in January 1997 and we acquired the property in December 2000. The property is a master-planned gaming and entertainment destination facility featuring an historic Missouri riverboat theme and is strategically located to attract customers from the greater Kansas City area, as well as tourists from outside the region. The property is located on approximately 183 acres immediately east of the heavily traveled Interstate 435 bridge, seven miles east of downtown Kansas City. Ameristar Kansas City's marketing programs are specifically designed to effectively target and capture repeat customer demand from the local customer base and also capture the strong visitor and overnight markets. We believe that Ameristar Kansas City has specific advantages relative to other gaming facilities in the region and that it is the premier gaming facility in the Kansas City market. The site is adjacent to the Interstate 435 bridge, which supports an average traffic flow of approximately 88,000 cars per day. Interstate 435 is a six-lane, north-south expressway offering quick and easy accessibility and direct visibility of the site.

We believe the Ameristar Kansas City facility offers a full Las

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Vegas-style gaming experience in the Midwest. The Ameristar Kansas City facility features:

- two permanently docked gaming vessels situated in a man-made protective basin with an historic Missouri riverboat theme,
- an approximately 140,000 square-foot gaming space with approximately 3,294 slot and video poker machines and 161 table games, including a poker room,
- a land-based 184-room hotel and 5,000 parking spaces, and

58

64

- a land-based entertainment center with seven full-service restaurants, several fast-food outlets, eleven bars and lounges, a 1,400-seat Grand Pavilion, a Kid's Quest child-care facility, an 18-screen movie theater complex, a 5,700-square foot non-gaming video arcade and a gift shop.

Ameristar Kansas City's restaurants offer a variety of high-quality food at reasonable prices. Restaurants include an all-you-can-eat live action buffet featuring Italian, Mexican, Chinese, barbecue, and traditional American fare, a restaurant featuring fine Italian cuisine and a wine bar with an extensive selection, a restaurant featuring southwestern foods, a restaurant featuring fresh Louisiana style seafood, and a restaurant featuring a wide selection of micro-brewed lagers and an assortment of American and Bavarian cuisine. In addition, Ameristar Kansas City leases space to a well-known Kansas City favorite, Arthur Bryant's Barbeque. Furthermore, among other awards and distinctions, the property's restaurants were voted "Best of Kansas City" in five different categories in Kansas City Magazine's 2000 Annual Readers Survey.

Market. The Kansas City gaming market is the twelfth largest in the United States with gaming revenues for the year ended December 31, 2000 of \$559 million. The Kansas City market consists of four casinos located in Kansas City, including Ameristar Kansas City, and a fifth located approximately 50 miles north in St. Joseph, Missouri. The Kansas City market has over 1.4 million adults residing within a 50 mile radius and is insulated from other gaming markets, with no significant competition within 100 miles.

In September 1999, Missouri began allowing continuous boarding on riverboats in the St. Louis market and in November 1999, Missouri began allowing continuous boarding on riverboats in the Kansas City market. Prior to this policy change, casino patrons were permitted to board gaming facilities only during the first 45 minutes of each two-hour period. In August 2000, Missouri legislation became effective authorizing the use of slot machines that exchange paper currency into electronic credit instead of tokens, so that patrons are not required to manually deposit tokens into gaming machines. This change allows for faster, more convenient play, especially on new generation, multi-coin slot machines that have proven popular in other gaming jurisdictions without such regulations.

Competition. Ameristar Kansas City competes primarily with three other gaming operations located in and around Kansas City, Missouri. Gaming has been approved by local voters in jurisdictions near Kansas City, including St. Joseph, Missouri, which is located approximately 50 miles north of Kansas City and currently has one riverboat gaming operation. Since the opening of Ameristar Kansas City in 1997, Sam's Town, the closest casino to Ameristar Kansas City, closed, and Boyd Gaming, the owner of Sam's Town, sold most of Sam's Town's assets to Harrah's Entertainment Inc. Sam's Town has remained closed since its acquisition by Harrah's, which has announced its intention to sell the property

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

with a covenant restricting its use to non-gaming purposes.

In June 2000, Isle of Capri purchased the Flamingo Hilton and commenced a substantial renovation of the property, which was partially completed in the first quarter of 2001 and is expected to be completed in the second quarter of 2001. We believe that during this construction period, Isle facility patrons were displaced by the construction and many frequented Harrah's North Kansas City.

In May 2000, Harrah's North Kansas City, located approximately five miles from Ameristar Kansas City and currently the closest operating casino to Ameristar Kansas City, announced plans for facilities enhancements including consolidation of gaming space onto one expanded vessel. We cannot be sure what effect, if any, this will have on our operations or our ability to compete in the Kansas City market.

In April 2000, the Boonville City Council approved the Isle of Capri riverboat gaming operation on a site that has received preliminary site and development approval from the Missouri Gaming Commission and which is located approximately 105 miles from Ameristar Kansas City. Boonville is located in an area that is not currently served by Missouri gaming facilities.

AMERISTAR COUNCIL BLUFFS

We opened Ameristar Council Bluffs in January 1996 under one of three gaming licenses currently issued for the Council Bluffs gaming market. Ameristar Council Bluffs is located on the bank of the Missouri River across from Omaha, Nebraska and is adjacent to the Nebraska Avenue exit on Interstate 29 immediately north of the junction of Interstate 29 and Interstate 80. We designed Ameristar Council Bluffs as a destination resort intended to serve as an entertainment centerpiece of the region. Ameristar Council Bluffs features architecture reminiscent of a gateway river town in the late 1800s. The design complements existing characteristics of Council Bluffs while giving the property its own distinctive personality. Ameristar Council Bluffs opened in stages during 1996 and early 1997. The approximately 50-acre Ameristar Council Bluffs site is large enough to accommodate future land-based expansion. In 1999, Ameristar Council Bluffs was awarded the prestigious Four-Diamond designation from the AAA and the property is the only riverboat property in the nation to carry this designation.

The Council Bluffs Casino is an approximately 52,000 square foot three-level, cruising riverboat measuring 272 feet long by 98 feet wide with a casino of approximately 38,500 square feet. The third level addition to the riverboat was completed in November 1999, increasing the number of gaming positions by approximately 400. By building the vessel with high ceilings and making it 98 feet wide, the casino has the spacious feel of a land-based facility. Escalators and an elevator connect all levels of the riverboat. The casino is open 24 hours a day, seven days a week and is required to make a two-hour cruise a minimum of 100 days per year during the "excursion season," which is defined as April 1 through October 31. If the riverboat fails to satisfy this cruising requirement, it will not be allowed to operate during the balance of the year. However, we believe that the Iowa Racing and Gaming Commission would grant a waiver from this requirement should dangerous cruising conditions preclude the riverboat from making the minimum number of cruises.

Guests enter the riverboat from shore via an enclosed ramp from the 68,000-square foot Main Street Pavilion and from the newly completed, fully enclosed parking garage. The Main Street Pavilion is a self-contained complex featuring an Ameristar hotel, restaurants and entertainment options for children

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

and adults. The interior of the Pavilion is designed to replicate a Victorian-era main street. The main level of the Pavilion includes a buffet, a 24-hour coffee shop, a steak house and a sports bar cabaret, all of which are operated by us. Rising above the Pavilion is a five-story, 160-room, full-service Ameristar hotel that offers a panoramic view of the Missouri River and the Council Bluffs Casino. The Main Street Pavilion also includes a children's activity center operated by New Horizon Kids Quest, Inc. and owned by a joint venture between that company and Ameristar Council Bluffs. A 1,000 space parking garage, adjacent to the pavilion, was completed in Spring 2000.

In September 2000, Ameristar Council Bluffs completed the new 100-seat Atrium restaurant adjacent to the casino entrance as well as an expanded and enhanced VIP Lounge. In addition, in the second quarter of 2001, we completed an approximately \$7.4 million renovation and enhancement of the first two levels of the casino at Ameristar Council Bluffs. We also recently refurbished the sports bar and converted the 24-hour coffee shop to a 24-hour bakery and restaurant.

We have leased a portion of the Ameristar Council Bluffs site to an affiliate of Iowa-based Kinseth Hospitality Corporation for a 188-room, limited-service Holiday Inn Suites hotel that opened on March 31, 1997 and was expanded during 1999. Kinseth developed and operates this hotel. The Holiday Inn Suites hotel and the Main Street Pavilion are connected by a climate-controlled walkway that also connects to the indoor pool and spa and the exercise room. We have leased another portion of the Ameristar Council Bluffs site to another affiliate of Kinseth for a 96-room Hampton Inn hotel. Kinseth developed and operates this hotel, which is connected to the Holiday Inn Suites Hotel and the Main Street Pavilion by climate-controlled walkways. The Hampton Inn hotel opened on March 2, 2001.

Market. Council Bluffs has a population of approximately 54,000 people. Council Bluffs forms part of the greater Omaha, Nebraska/Council Bluffs, Iowa metropolitan area, which has a population of approximately 690,000. Approximately 1.0 million people live within a 50-mile radius, and approximately 1.7 million people live within a 100-mile radius, of Council Bluffs. The median household income of the

60

66

greater metropolitan area is approximately \$42,000, with an unemployment rate of approximately 2.1%. Based on available data, Council Bluffs is currently the strongest gaming market in Iowa. Gaming revenues in the Council Bluffs gaming market for the year ended December 31, 2000 were \$347 million, an increase of \$20 million over 1999.

Competition. Three gaming licenses have been issued for the Council Bluffs gaming market to Iowa West Racing Association. We operate our casino at Ameristar Council Bluffs pursuant to an operating agreement with Iowa West Racing Association. The other casinos operating under these licenses are Harveys Casino Hotel, which operates a riverboat casino in close proximity to Ameristar Council Bluffs, and Bluffs Run Casino, a year-round dog track and casino owned by a subsidiary of Harveys Casino Resorts, the parent company of Harveys, which acquired the property from Iowa West Racing Association in October 1999. Bluffs Run's gaming license limits the casino to the operation of reel-style and video slot machines that meet the definition of "games of chance" under the Iowa statutes. Bluffs Run, which opened in March 1995, has approximately 1,500 slot machines, a restaurant, a buffet, and lounge entertainment. We believe that Bluffs Run will continue to provide significant competition due to its advantage of being the only land-based facility in the market. Harveys, which opened in 1996, also provides serious competition for Ameristar Council Bluffs. Harveys

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

added a third level to its riverboat in early 1998, adding approximately 200 slot machines, and built a 1,600-space parking garage in 1999.

AMERISTAR ST. CHARLES

Ameristar St. Charles originally opened in May 1994 and we acquired the property in December 2000. The property is a master-planned gaming and entertainment destination facility featuring an historic Missouri riverboat theme and is located on approximately 52 acres immediately north of the Interstate 70 bridge in the St. Louis metropolitan area. The casino complex is strategically located to attract customers from the St. Charles and greater St. Louis area, as well as tourists from outside the region. Interstate 70 is a 10-lane, east-west freeway offering quick and easy accessibility to and direct visibility of the Ameristar St. Charles site for the 188,000 vehicles, on average, that use the highway per day.

In April 2000, a reconfiguration of the two gaming vessels at Ameristar St. Charles was completed. In response to the new continuous boarding rules that went into effect in the St. Louis market in September 1999, all of the gaming operations of Ameristar St. Charles were moved to a barge which contains 45,000 square feet of gaming and entertainment space. Ameristar St. Charles features approximately 1,875 slot and video poker machines and 40 table games, and non-casino amenities including a 250-seat buffet, a distinctive steak house, a deli, three bars, an entertainment lounge and a gift shop. As described above in "-- Expansion Plans," our current plans call for us to invest approximately \$110 million to complete an expansion at the property in mid-2002.

In May 1996, construction of an elevated roadway and a 4,000-space five-story parking structure was completed. The parking facility is constructed above the existing flood plain. The elevated roadway and parking structure provide improved access to the gaming facilities and significantly diminish Ameristar St. Charles' susceptibility to closure during the spring flooding season.

Market. The St. Louis gaming market is the ninth largest in the United States with gaming revenues for year ended December 31, 2000 of \$684 million. The St. Louis market, which overlaps two jurisdictions, Missouri and Illinois, consists of five casinos, including Ameristar St. Charles. There are approximately 1.8 million adults living within 50 miles and 2.7 million adults living within 100 miles of St. Louis, making it the third largest gaming market in the United States in terms of local population, and the St. Louis market is insulated from other gaming markets.

Competition. Ameristar St. Charles competes primarily with four other gaming operations located in and around St. Louis, Missouri. Two of these competitors are located in Illinois, which does not impose the \$500 loss limit that is imposed by Missouri. One of the competitors is a facility located in Maryland Heights that opened in April 1997 and is located five miles from Ameristar St. Charles. Ameristar St. Charles experienced a decline in revenues following the opening of the Maryland Heights facility. Prior to Harrah's acquisition of Players International, Inc. on May 22, 2000, Harrah's and Players operated

separate but adjacent facilities at Maryland Heights. Since Harrah's acquisition of Players, Harrah's has been in the process of consolidating both facilities into one operation. In addition, gaming has been approved by local voters in jurisdictions and other cities and counties along the Mississippi and Missouri Rivers near St. Louis, including two casinos in the outlying market area which were approved but have not been opened. This increasing competition could have a

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

material adverse effect on Ameristar St. Charles' business.

AMERISTAR VICKSBURG

Ameristar Vicksburg, which opened in February 1994, represents our first expansion project outside of Jackpot. Ameristar Vicksburg is a riverboat-themed dockside casino and related land-based hotel and other facilities located in Vicksburg, Mississippi. We believe Ameristar Vicksburg provides superior and larger facilities than its current competitors in the Vicksburg area and has competitive advantages by virtue of its close proximity to Interstate 20. Nonetheless, Vicksburg is a competitive gaming market and Ameristar Vicksburg's operations to date have been dependent to a substantial degree upon a continuous casino marketing and promotional campaign.

The permanently moored, dockside casino is approximately 315 feet long and approximately 120 feet wide. Due to the width of the Ameristar Vicksburg, the casino and restaurants have the spacious feel of a land-based facility. Ameristar Vicksburg has three levels, which are connected by escalators and elevators. The casino is on the lower and middle levels and has wide aisles with an open feel that provides a comfortable and inviting atmosphere. During 1999, the casino floor was upgraded and expanded, with more than 250 new gaming positions being added, including the installation of new generation multi-coin slots and the replacement of 232 older slot machines. A \$10.0 million renovation and enhancement project is currently in progress that will refurbish the first two levels of the casino, including new cages, lounges, players club and promotions booths, and add a VIP slot area. This project also will replace the showroom with a blues club featuring a saloon, entertainment and gaming. Ameristar Vicksburg is open 24 hours a day, seven days a week.

Ameristar Vicksburg offers a variety of food and beverage options including three restaurants and four bars. The restaurants include a new upscale steakhouse, which opened in December 1999, a buffet and a 24-hour casual dining restaurant which was remodeled during 1999. One of the bars offers live cabaret-style entertainment. In addition, approximately 600 new parking spaces were added during 1999, bringing the total number of guest parking spaces to over 1,700.

We believe Ameristar Vicksburg's competitive advantages include its location, the size and design of the project and the range and quality of its amenities. The primary locational advantages of Ameristar Vicksburg are its proximity to Interstate 20 and its ease of access. As discussed above, Ameristar Vicksburg is significantly wider than typical riverboat casinos. As part of a long-term plan to enhance Ameristar Vicksburg, we acquired 18 acres of raw land across from the main entrance to the property for the future development of additional improvements. We constructed a 150-room hotel, which opened in June 1998, on a portion of this parcel. In addition, we believe the overall range and quality of the facilities, food service and entertainment at Ameristar Vicksburg are superior to those available at its existing competitors.

Market. The primary market for Ameristar Vicksburg is residents of the Jackson and Vicksburg, Mississippi and Monroe, Louisiana areas; tourists coming to Vicksburg primarily to visit the Vicksburg National Military Park; and other traffic traveling on Interstate 20, a major east-west thoroughfare that connects Atlanta and Dallas.

Vicksburg, with a population of approximately 30,000 persons, is located 45 miles west of Jackson, the capital of Mississippi. According to the 1990 U.S. Census, the Jackson and Vicksburg metropolitan areas had a total population of approximately 460,000 persons. Approximately 1.5 million people live within a 100-mile radius of Vicksburg. The Vicksburg National Military Park, located within three miles of Ameristar Vicksburg, draws over 1.0 million registered visitors a year. Interstate 20 (which connects Atlanta and Dallas) passes

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

directly through Vicksburg. According to the Mississippi Department of

62

68

Transportation, approximately 8.0 million vehicles drove across the Interstate 20 bridge at Vicksburg during 1999. As of December 31, 2000, Vicksburg had approximately 1,900 lodging rooms. Gaming revenues in the Vicksburg gaming market for the 52 weeks ended December 31, 2000 were approximately \$230.2 million.

Competition. Ameristar Vicksburg is subject to competition from three local competitors and from casinos in Shreveport and Bossier City, Louisiana. Ameristar Vicksburg is also subject to competition from a Native American casino in Philadelphia, Mississippi, which recently announced plans to construct an additional gaming and hotel facility near the existing property. Ameristar Vicksburg has approximately 1,600 gaming positions. Several potential gaming sites still exist in Warren County and Vicksburg and from time to time potential competitors propose the development of additional casinos in or near Vicksburg, including a current proposal to develop a Native American casino in Louisiana near Vicksburg. We are currently involved in legal proceedings in which it is alleged that we and certain other parties engaged in conduct to oppose the development of a casino between Vicksburg and Jackson in violation of Mississippi's antitrust and gaming regulatory laws. See "Legal Proceedings."

THE JACKPOT PROPERTIES

The Jackpot Properties, which have been operating since 1956, have been designed and developed and are marketed to appeal to three separate markets: budget, quality and luxury. We set prices for hotel rooms, food and other non-gaming amenities at levels that are affordable to its separate customer bases. Our objective is to be perceived by our customers as providing good value and high quality for the price charged. We promote Cactus Petes as a destination resort primarily in the northwestern United States and southwestern Canada. The Jackpot Properties are open 24 hours a day, seven days a week.

Cactus Petes completed a major expansion project in 1991. In addition, we substantially completed a remodeling of the casino at The Horseshu in late 1997. Cactus Petes has received a Four-Diamond rating from the AAA annually since 1993 and The Horseshu Hotel has a Three-Diamond rating from the AAA. The food and beverage operations at the Jackpot Properties include a buffet, a fine dining restaurant, a 24-hour casual dining restaurant, a coffee shop and a snack bar, a showroom that features nationally known entertainment, and cocktail lounges with entertainment.

Market. We believe that approximately 50% of the customer base of the Jackpot Properties consists of residents of Idaho who generally frequent the properties on an overnight or turnaround basis. The balance of the Jackpot Properties' customers come primarily from Oregon, Washington, Montana, northern California and the southwestern Canadian provinces. Although many of the customers from beyond southern Idaho are tourists traveling to other destinations, a significant portion of these customers come to Jackpot as a final destination.

Competition. We have developed a dominant share of the market capacity in Jackpot. The Jackpot Properties compete with four other hotels and motels (three of which also have casinos). As of December 31, 2000, the Jackpot Properties accounted for approximately 55% of the lodging rooms, 62% of the slot machines and 73% of the table games in Jackpot. We believe Cactus Petes offers a more attractive environment and a broader and higher quality range of gaming and

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

leisure activities than those of its competitors. We are not aware of any expansion plans by existing or potential competitors in Jackpot.

Casinos with video lottery terminals ("VLT") similar to slot machines are operated on Native American land in Idaho, including one near Pocatello with approximately 200 VLT machines that has been operated by the Shoshone-Bannock Tribes (the "S-B Tribes"). The S-B Tribes recently entered into a compact with the State of Idaho allowing gaming on the S-B Tribes' lands to the extent permitted under Idaho law as to be determined by a federal court pursuant to currently pending proceedings. The State is contending in this litigation that VLT terminals are not permitted under Idaho law. A recent proposal to amend Idaho law and compacts between the State of Idaho and three tribes with reservations in Northern Idaho would permit these tribes to operate VLT terminals but place limits on the expansion of gaming by these tribes. The S-B Tribes are not covered by this proposal, but the outcome of the litigation under the compact with the S-B tribes could be affected if Idaho law is amended as has been proposed. The Idaho

63

69

legislature did not approve the bills to amend Idaho law or ratify the amended compacts with the other tribes during the 2001 legislative session, but similar legislation may be introduced in the future. In addition, casino gaming on Native American lands in both western Washington and northeast Oregon has been in operation for several years, and casinos also operate in Alberta, Canada. See "Risk Factors -- Risks Related to Our Business."

EMPLOYEES

As of March 15, 2001, we employed approximately 6,400 employees. None of our current employees is employed pursuant to collective bargaining or other union arrangements. We believe our employee relations are good.

PROPERTIES

Ameristar Kansas City. Ameristar Kansas City is located on approximately 150 acres of property, approximately 33 acres of which we lease and the balance of which we own. The site is east of and adjacent to Interstate 435 along the north bank of the Missouri River. The site, which is approximately seven miles east of downtown Kansas City, may be accessed via the Missouri Highway 210 exit on Interstate 435. The leased property is under lease with the Birmingham Drainage District for a 10-year initial term that commenced in 1995; the lease grants us eight 10-year renewal options. Approximately 2.9 acres of the Ameristar Kansas City site is ground leased by us for the use of a child care facility.

Ameristar Council Bluffs. Ameristar Council Bluffs is located on an approximately 50-acre site along the bank of the Missouri River and adjacent to the Nebraska Avenue exit on Interstate 29 immediately north of the junction of Interstates 29 and 80. We own approximately 27 acres of this site and have rights to use the remaining portion of the site that is owned by the State of Iowa for a 50-year term. We have leased 0.623 acres of the Ameristar Council Bluffs site to an affiliate of Kineth Hospitality Corporation for the development and operation of a 188-room limited service Holiday Inn Suites Hotel that opened on March 31, 1997 and was expanded during 1999. We have also leased 0.426 acres of the Ameristar Council Bluffs site to another affiliate of Kineth for the development and operation of a 96-room Hampton Inn hotel, which is expected to open in March 2001. All of our interests in Ameristar Council Bluffs serve as collateral for our obligations under the senior credit facilities.

Ameristar St. Charles. Ameristar St. Charles is located on approximately

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

52 acres which we own along the west bank of the Missouri River immediately north of Interstate 70. Access to the property may be obtained via the Fifth Street exit on Interstate 70.

Ameristar Vicksburg. In connection with the development of Ameristar Vicksburg, we acquired eight parcels in Vicksburg along Washington Street near Interstate 20. These parcels comprise approximately 48 acres, approximately 34 of which are developable. Substantially all of Ameristar Vicksburg's assets are pledged to secure our obligations under the senior credit facilities. In addition, we have developed a 20-acre mobile home park with 30 single- and 20 double-wide mobile homes. This mobile home park is located seven miles from Ameristar Vicksburg and sites are available for rent by employees and other persons. The mobile home park rental rates are competitive with the local market.

The Jackpot Properties. Cactus Petes is located on a 35-acre site and The Horseshu is located on a 30-acre site, both of which we own. The Cactus Petes and The Horseshu sites are across from each other on U.S. Highway 93. We also own 239 housing units in Jackpot, including 90 units in two apartment complexes developed as United States Department of Agriculture Rural Economic and Community Development Services Multi-Family Housing Program ("USDA") projects. These housing units support the primary operations of the Jackpot Properties. The Jackpot Properties are subject to deeds of trust securing our obligations under the senior credit facilities, and the USDA housing projects are subject to mortgage loans in favor of the USDA.

We own a gas station adjacent to Highway 93 in Jackpot, which we operate under a franchise from Chevron. We believe that this facility is in material compliance with applicable environmental and other

64

70

regulatory requirements. We have previously operated two other gas stations at the Jackpot Properties, one of which was abandoned prior to the adoption of modern environmental abandonment standards. Although management believes that all tanks for this gas station were removed in the mid-1970s, we have not conducted tests for the presence of any environmental contamination from this gas station. We believe that the likelihood of a material unfavorable outcome with respect to potential environmental liabilities relating to this former gas station is remote.

Other Properties. We lease approximately 29,400 square feet of office space in various locations, including for our executive offices in Las Vegas, Nevada.

LEGAL PROCEEDINGS

E.L. Pennebaker, Jr., et. al. v. Ameristar Casinos, Inc., et. al. On February 23, 1998, E.L. Pennebaker, Jr. filed a complaint in the Circuit Court of Pike County, Mississippi against Ameristar, Harrah's Vicksburg Corporation ("HVC"), Riverboat Corporation of Mississippi-Vicksburg ("RCMV"), and Deposit Guaranty National Bank ("DGNB"). The matter is pending as case number 98-0047-B (the "Pennebaker case"). The complaint was amended in February 1998 to add James F. Belisle, Multi Gaming Management, Inc. and Multi Gaming Management of Mississippi, Inc. as additional plaintiffs. The complaint was further amended in March 1999 to modify the specific claims alleged by the plaintiffs. The plaintiffs are property owners or claim to have contract rights in a proposed casino/racetrack development along the Big Black River in Warren County, Mississippi. They allege they would have profited if the Mississippi Gaming Commission had found suitable for a casino a location along that river that was controlled by Horseshoe Gaming, Inc. or its affiliates. The plaintiffs further

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

allege that the defendants entered into an agreement to hinder trade and restrain competition in the gaming industry in violation of the antitrust laws and the gaming laws of Mississippi. Specifically, the plaintiffs allege the defendants conducted an aggressive campaign in opposition to the application of Horseshoe Gaming, Inc. for a gaming site on the Big Black River. The plaintiffs also allege that the defendants tortiously interfered with the plaintiffs' business relations. The plaintiffs allege compensatory damages of \$38 million and punitive damages of \$200 million.

The trial in this case was held in October 1999, following which the jury rendered joint and several verdicts in favor of the plaintiffs against Ameristar, HVC and DGNB on the conspiracy count and against Ameristar and HVC on the restraint of trade and tortiously interference counts. RCMV settled with the plaintiffs prior to trial, and the damage amounts have been reduced by the settlement amount paid by RCMV. The net damages awarded to the plaintiffs total \$3,792,000, of which Ameristar's pro rata portion is \$1,685,333. These damages are compensatory only as the court did not allow the jury to consider an award of punitive damages. Judgment was entered on November 8, 1999, and we and the other defendants have appealed the case to the Mississippi Supreme Court, and we otherwise intend to vigorously defend against the plaintiffs' claims. Post-judgment interest on the damages will accrue at the rate of 8 percent per annum, and if an appeal is unsuccessful, the plaintiffs would also be entitled to a premium of 15% of the damages amount. Subsequent to the appeal being taken, DGNB settled with the plaintiffs, and the judgment has been reduced accordingly.

Mr. Pennebaker has also filed a petition with the Mississippi Gaming Commission requesting that the Mississippi Gaming Commission order Ameristar, HVC and RCMV to stop opposing the approval and construction of a casino on the Big Black River and for such other corrective and punitive action that the Mississippi Gaming Commission might find appropriate. We have been advised that no action is required by it in connection with this petition unless requested by the Mississippi Gaming Commission.

Walter H. Gibbes, Jr. and Margaret S. Dozier v. Ameristar Casinos, Inc. et al. On November 22, 1999, Mr. Gibbes and Ms. Dozier filed a complaint in the Circuit Court of Pike County, Mississippi against Ameristar, HVC, Isle of Capri Casinos, Inc. (the parent company of RCMV; "ICC") and DGNB. The matter is pending as case no. 99-0157-B. We believe that the plaintiffs were partners with Mr. Pennebaker in a partnership that held an option to a real estate parcel along the Big Black River that is adjacent to the parcel that was the subject of the Horseshoe Gaming, Inc. application. The allegations in

65

71

the complaint are substantially the same as those in the complaint in the case previously brought by the plaintiffs in the Pennebaker case. The plaintiffs seek \$4,567,500 in actual damages and an unspecified amount of punitive damages.

The defendants have removed this case to the United States District Court for the Southern District of Mississippi on diversity jurisdiction and federal question grounds. The case is now pending in federal court as case no. 3:99cv911WS. The plaintiffs filed a motion to remand the case back to the Pike County circuit court. Subsequent to the filing of this motion, ICC settled with the plaintiffs, but the federal district court was not advised of the settlement. Subsequently, the federal district court granted the plaintiffs' motion to remand the case to state court on the grounds that ICC's citizenship was not diverse. The other defendants have filed a motion seeking the federal court to vacate its prior ruling, which motion is still pending. We intend to continue to vigorously defend against this cause of action.

Other Legal Proceedings and Claims. From time to time, we are a party to

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

litigation which arises in the ordinary course of business. Except for the matters described or referred to above, we are not currently a party to any litigation that management believes would be likely to have a material adverse effect on us.

GOVERNMENT REGULATIONS

The ownership and operation of casino gaming facilities are subject to extensive state and local regulations. We are required to obtain and maintain gaming licenses in each of the jurisdictions in which we conduct gaming. The limitation, conditioning or suspension of gaming licenses could (and the revocation or non-renewal of gaming licenses, or the failure to reauthorize gaming in certain jurisdictions, would) materially adversely affect our operations in that jurisdiction. In addition, changes in law that restrict or prohibit our gaming operations in any jurisdiction could have a material adverse effect on us.

NEVADA. The ownership and operation of casino gaming facilities in Nevada are subject to: (1) the Nevada Gaming Control Act and the regulations promulgated thereunder (collectively, "Nevada Act"); and (2) various local regulations. Our operations are subject to the licensing and regulatory control of the Nevada Gaming Commission ("Nevada Commission"), the Nevada State Gaming Control Board ("Nevada Board"), and, in the case of the Jackpot Properties, the Liquor Board of Elko County. The Nevada Commission, the Nevada Board and the Liquor Board of Elko County are collectively referred to in this section as the "Nevada Gaming Authorities."

The laws, regulations and supervisory procedures of the Nevada Gaming Authorities are based upon declarations of public policy which are concerned with, among other things, (1) the prevention of unsavory or unsuitable persons from having a direct or indirect involvement with gaming at any time or in any capacity; (2) the establishment and maintenance of effective controls over the financial practices of licensees, including the establishment of minimum procedures for internal fiscal affairs and the safeguarding of assets and revenues, (3) providing reliable record keeping and requiring the filing of periodic reports with the Nevada Gaming Authorities; (4) the prevention of cheating and fraudulent practices; and (5) providing a source of state and local revenues through taxation and licensing fees. Change in such laws, regulations and procedures could have an adverse effect on our gaming operations.

Cactus Pete's, Inc. ("CPI"), which operates the Jackpot Properties, is required to be licensed by the Nevada Gaming Authorities. The gaming licenses require the periodic payment of fees and taxes and are not transferable. Ameristar is registered by the Nevada Commission as a publicly traded corporation (a "Registered Corporation") and has been found suitable to own the stock of CPI, which is a corporate licensee (a "Corporate Licensee") under the terms of the Nevada Act. As a Registered Corporation, Ameristar is required periodically to submit detailed financial and operating reports to the Nevada Commission and furnish any other information that the Nevada Commission may require. No person may become a stockholder of, or receive any percentage of profits from, a Corporate Licensee without first obtaining licenses and approvals from the Nevada Gaming Authorities. Ameristar and CPI have obtained from the Nevada Gaming Authorities the various registrations, findings of suitability, approvals, permits and licenses currently required in order to engage in gaming activities in Nevada.

The Nevada Gaming Authorities may investigate any individual who has a material relationship to, or material involvement with, CPI or Ameristar in order to determine whether such individual is suitable or should be licensed as

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

a business associate of a gaming licensee. Officers, directors and certain key employees of CPI must file applications with the Nevada Gaming Authorities and may be required to be licensed or found suitable by the Nevada Gaming Authorities. Officers, directors and key employees of Ameristar who are actively and directly involved in gaming activities of CPI may be required to be reviewed or found suitable by the Nevada Gaming Authorities. The Nevada Gaming Authorities may deny an application for licensing for any cause that they deem reasonable. A finding of suitability is comparable to licensing, and both require submission of detailed personal and financial information followed by a thorough investigation. The applicant for licensing or a finding of suitability must pay all the costs of the investigation. Changes in licensed positions must be reported to the Nevada Gaming Authorities, and in addition to their authority to deny an application for a finding of suitability or licensure, the Nevada Gaming Authorities have jurisdiction to disapprove a change in a corporate position.

If the Nevada Gaming Authorities were to find an officer, director or key employee unsuitable for licensing or unsuitable to continue having a relationship with CPI or Ameristar, the companies involved would have to sever all relationships with such person. In addition, the Nevada Commission may require

67

73

CPI or Ameristar to terminate the employment of any person who refuses to file appropriate applications. Determinations of suitability or of questions pertaining to licensing are not subject to judicial review in Nevada.

CPI and Ameristar are required to submit detailed financial and operating reports to the Nevada Commission. Substantially all material loans, leases, sales of securities and similar financing transactions by Ameristar and CPI must be reported to, or approved by, the Nevada Commission.

If it were determined that the Nevada Act was violated by CPI, the gaming licenses it holds or has applied for could be limited, denied, conditioned, suspended or revoked, subject to compliance with certain statutory and regulatory procedures. In addition, CPI, Ameristar and the persons involved could be subject to substantial fines for each separate violation of the Nevada Act at the discretion of the Nevada Commission. Further, a supervisor could be appointed by the Nevada Commission to operate CPI's gaming properties and, under certain circumstances, earnings generated during the supervisor's appointment (except for the reasonable rental value of the premises) could be forfeited to the State of Nevada. Limitation, conditioning or suspension of any gaming license or the appointment of a supervisor could (and denial or revocation of any gaming license would) materially adversely affect our gaming operations.

Any beneficial holder of Ameristar's voting securities, regardless of the number of shares owned, may be required to file an application, be investigated, and have his suitability as a beneficial holder of Ameristar's voting securities determined if the Nevada Commission has reason to believe that such ownership would otherwise be inconsistent with the declared policy of the State of Nevada. The applicant must pay all costs of investigation incurred by the Nevada Gaming Authorities in conducting any such investigation.

The Nevada Act requires any person who acquires beneficial ownership of more than 5% of a Registered Corporation's voting securities to report the acquisition to the Nevada Commission. The Nevada Act requires that beneficial owners of more than 10% of a Registered Corporation's voting securities apply to the Nevada Commission for a finding of suitability within thirty days after the Chairman of the Nevada Board mails the written notice requiring such filing. Under certain circumstances, an "institutional investor", as defined in the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Nevada Act, which acquires more than 10%, but not more than 15%, of a Registered Corporation's voting securities may apply to the Nevada Commission for a waiver of such finding of suitability if such institutional investor holds the voting securities for investment purposes only. An institutional investor shall not be deemed to hold voting securities for investment purposes unless the voting securities were acquired and are held in the ordinary course of business as an institutional investor and not for the purpose of causing, directly or indirectly, the election of a majority of the members of the board of directors of the Registered Corporation, any change in the Registered Corporation's corporate charter, bylaws, management, policies or operations of the Registered Corporation, or any of its gaming affiliates, or any other action which the Nevada Commission finds to be inconsistent with holding the Registered Corporation's voting securities for investment purposes only. Activities which are not deemed to be inconsistent with holding voting securities for investment purposes only include (1) voting on all matters voted on by stockholders; (2) making financial and other inquiries of management of the type normally made by securities analysts for informational purposes and not to cause a change in its management, policies or operations; and (3) such other activities as the Nevada Commission may determine to be consistent with such investment intent. If the beneficial holder of voting securities who must be found suitable is a corporation, partnership or trust, it must submit detailed business and financial information including a list of beneficial owners. The applicant is required to pay all costs of investigation.

Any person who fails or refuses to apply for a finding of suitability or a license within 30 days after being ordered to do so by the Nevada Commission or the Chairman of the Nevada Board, may be found unsuitable. The same restrictions apply to a record owner if the record owner, after request, fails to identify the beneficial owner. Any stockholder found unsuitable and who holds, directly or indirectly, any beneficial ownership of the common stock of a Registered Corporation beyond such period of time as may be

68

74

prescribed by the Nevada Commission may be guilty of a criminal offense. Ameristar is subject to disciplinary action if, after it receives notice that a person is unsuitable to be a stockholder or to have any other relationship with Ameristar or CPI, Ameristar, (1) pays that person any dividend or interest upon voting securities of Ameristar, (2) allows that person to exercise, directly or indirectly, any voting right conferred through securities held by the person, (3) pays remuneration in any form to that person for services rendered or otherwise, or (4) fails to pursue all lawful efforts to require such unsuitable person to relinquish his voting securities including, if necessary, the immediate purchase of said voting securities by Ameristar, for cash at fair market value. Additionally, the Liquor Board of Elko County has the authority to approve all persons owning or controlling the stock of any corporation controlling a gaming license within their jurisdictions.

The Nevada Commission may, at its discretion, require the holder of any debt security of a Registered Corporation to file applications, be investigated and be found suitable to own the debt security of a Registered Corporation if it has reason to believe that such holder's acquisition of such ownership would otherwise be inconsistent with the declared policy of the State of Nevada. If the Nevada Commission determines that a person is unsuitable to own such security, then pursuant to the Nevada Act, the Registered Corporation can be sanctioned, including the loss of its approvals, if without the prior approval of the Nevada Commission, it (1) pays to the unsuitable person any dividend, interest, or any distribution whatsoever; (2) recognizes any voting right by such unsuitable person in connection with such securities; (3) pays the unsuitable person remuneration in any form; or (4) makes any payment to the unsuitable person by way of principal, redemption, conversion, exchange,

liquidation or similar transaction.

Ameristar is required to maintain a current stock ledger in Nevada, which may be examined by the Nevada Gaming Authorities at any time. If any securities are held in trust by an agent or by a nominee, the record holder may be required to disclose the identity of the beneficial owner to the Nevada Gaming Authorities. A failure to make such disclosure may be grounds for finding the record holder unsuitable. Ameristar is also required to render maximum assistance in determining the identity of the beneficial owner. The Nevada Commission has the power to require Ameristar stock certificates to bear a legend indicating that the securities are subject to the Nevada Act. However, to date, the Nevada Commission has not imposed such a requirement on Ameristar.

Ameristar may not make a public offering of its securities without the prior approval of the Nevada Commission if the securities or the proceeds therefrom are intended to be used to construct, acquire or finance gaming facilities in Nevada, or to retire or extend obligations incurred for such purposes. On March 22, 2001, the Nevada Gaming Commission granted us approval to make public offerings for a period of two years, subject to specified conditions (the "Shelf Approval"). The Shelf Approval also applies to any company we wholly own that is a publicly traded corporation or would become a publicly traded corporation pursuant to a public offering. The Shelf Approval also includes approval for CPI to guarantee any security issued by, and to hypothecate its assets to secure the payment or performance of any obligations evidenced by a security issued by, us or an affiliate in a public offering. The Shelf Approval also includes approval of Stock Restrictions. The Shelf Approval, however, may be rescinded for good cause without prior notice upon the issuance of an interlocutory stop order by the Chairman of the Nevada Board. In addition, restrictions on the transfer of an equity security issued by a Corporate Licensee, and agreements not to encumber such securities (collectively, "Stock Restrictions") are ineffective without the prior approval of the Nevada Commission. The Shelf Approval does not constitute a finding, recommendation or approval by the Nevada Commission or the Nevada Board as to the accuracy or adequacy of the prospectus or the investment merits of the securities offered. Any representation to the contrary is unlawful. The exchange offer will be made pursuant to the Shelf Approval.

Changes in control of Ameristar through merger, consolidation, stock or asset acquisitions, management or consulting agreements, or any act or conduct by a person whereby he obtains control, may not occur without the prior approval of the Nevada Commission. Entities seeking to acquire control of a Registered Corporation must satisfy the Nevada Board and Nevada Commission in a variety of stringent standards prior to assuming control of such Registered Corporation. The Nevada Commission may also require controlling stockholders, officers, directors and other persons having a material relationship or

69

75

involvement with the entity proposing to acquire control, to be investigated and licensed as part of the approval process relating to the transaction.

The Nevada legislature has declared that some corporate acquisitions opposed by management, repurchases of voting securities and corporate defense tactics affecting Nevada Corporate Licensee gaming licensees, and Registered Corporations that are affiliated with those operations, may be injurious to stable and productive corporate gaming. The Nevada Commission has established a regulatory scheme to ameliorate the potentially adverse effects of these business practices upon Nevada's gaming industry and to further Nevada's policy to (1) assure the financial stability of Corporate Licensees and their affiliates; (2) preserve the beneficial aspects of conducting business in the corporate form; and (3) promote a neutral environment for the orderly governance

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

of corporate affairs. Approvals are, in certain circumstances, required from the Nevada Commission before the Registered Corporation can make exceptional repurchases of voting securities above the current market price thereof and before a corporate acquisition opposed by management can be consummated. The Nevada Act also requires prior approval of a plan of recapitalization proposed by the Registered Corporation's Board of Directors in response to a tender offer made directly to the Registered Corporation's stockholders for the purposes of acquiring control of the Registered Corporation.

License fees and taxes, computed in various ways depending on the type of gaming or activity involved, are payable to the State of Nevada and to the counties and cities in which the Nevada licensee's respective operations are conducted. Depending upon the particular fee or tax involved, these fees and taxes are payable monthly, quarterly or annually and are based upon either (1) a percentage of the gross revenues received; (2) the number of gaming devices operated; or (3) the number of table games operated. The license fee payable to the State of Nevada is based upon "gaming receipts" (generally defined as gross receipts less payouts to customers as winnings) and equals 3% of gaming receipts of \$50,000 or less per month, 4% of gaming receipts over \$50,000 and less than \$134,000 per month, and 6.25% of gaming receipts over \$134,000 per month. A casino entertainment tax is also paid by casino operations where entertainment is furnished in connection with the selling or serving of food and refreshments, or the selling of merchandise.

Any person who is licensed, required to be licensed, registered, required to be registered, or is under common control with such persons (collectively, "Licensees"), and who proposes to become involved in a gaming venture outside of Nevada is required to deposit with the Nevada Board, and thereafter maintain, a revolving fund in the amount of \$10,000 to pay the expenses of investigation of the Nevada Board of their participation in such foreign gaming. The revolving fund is subject to increase or decrease at the discretion of the Nevada Commission. Thereafter, Licensees are required to comply with certain reporting requirements imposed by the Nevada Act. Licensees are also subject to disciplinary action by the Nevada Commission if they knowingly violate any laws of the foreign jurisdiction pertaining to the foreign gaming operation, fail to conduct the foreign gaming operation in accordance with the standards of honesty and integrity required of Nevada gaming operations, engage in activities or enters into associations that are harmful to the State of Nevada or its ability to collect gaming taxes and fees, or employs, contracts with or associates with a person in the foreign operation who has been denied a license or finding of suitability in Nevada on the ground of unsuitability.

MISSOURI. The ownership and operation of riverboat and dockside gaming facilities in Missouri are subject to extensive state and local regulation, but primarily the licensing and regulatory control of the Missouri Gaming Commission. The Missouri Riverboat Gaming Act (the "Missouri Act") provides for the licensing and regulation of riverboat and dockside gaming operations on the Mississippi and Missouri Rivers in the State of Missouri and the licensing and regulation of persons who distribute gaming equipment and supplies to gaming licensees.

The Missouri Gaming Commission has discretion to approve gaming license applications for both permanently moored ("dockside") riverboat casinos and powered ("excursion") riverboat casinos and determine the number, location and type of excursion gambling boat allowed each licensee. Due to safety concerns, all gaming vessels on the Missouri River are permitted to be moored in moats set back from the river. Gaming licenses are initially issued for two one-year periods and must be renewed every two years

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

thereafter. No gaming licensee may pledge or transfer in any way any license, or any interest in a license, issued by the Missouri Gaming Commission. As a result, the gaming licenses of Ameristar Casino Kansas City, Inc. and Ameristar Casino St. Charles, Inc. were not pledged to secure our senior credit facilities.

The issuance, transfer and pledge of ownership interests in a gaming licensee are also subject to strict notice and approval requirements. Missouri Gaming Commission regulations prohibit a licensee from doing any of the following without at least 60 days prior notice to the Missouri Gaming Commission, and during such period, the Missouri Gaming Commission may disapprove the transaction or require the transaction be delayed pending further investigation:

- any transfer or issuance of an ownership interest in a gaming licensee that is not a publicly held entity or a holding company that is not a publicly held entity, and
- any pledge or grant of a security interest in an ownership interest in a gaming licensee that is not a publicly held entity or a holding company that is not a publicly held entity;

provided that no ownership interest may be transferred in any way pursuant to any pledge or security interest without separate notice to the Missouri Gaming Commission at least 30 days prior to such transfer, which restriction must be specifically included in the grant of a security interest.

Under the Missouri Act, certain members of our management and certain of our employees associated with our gaming business are required to obtain and maintain occupational licenses. Currently, all of our management required to obtain occupational licenses have obtained them. The Missouri Gaming Commission may deny an application for a license for any cause that it deems reasonable.

Substantially all loans, leases, sales of securities and similar financing transactions by a gaming licensee must be reported to and approved by the Missouri Gaming Commission. Missouri Gaming Commission regulations require a licensee to notify the Missouri Gaming Commission of its intention to consummate any of the following transactions at least 15 days prior to such consummation, and the Missouri Gaming Commission may reopen the licensing hearing prior to or following the consummation date to consider the effect of the transaction on the licensee's suitability:

- any issuance of ownership interest in a publicly held gaming licensee or a publicly held holding company, if such issuance would involve, directly or indirectly, an amount of ownership interest equaling 5% or greater of the ownership interest in the gaming licensee or holding company after the issuance is complete,
- any private incurrence of debt equal to or exceeding one million dollars by a gaming licensee or holding company that is affiliated with the holder of a license,
- any public issuance of debt by a gaming licensee or holding company that is affiliated with the holder of a license, and
- any significant related party transaction as defined in the regulations.

The Missouri Gaming Commission may waive or reduce the 15-day notice requirement.

The Missouri Act imposes operational requirements on riverboat operators,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

including a charge of two dollars per gaming customer that licensees must pay to the Missouri Gaming Commission, certain minimum payout requirements, a 20% tax on adjusted gross receipts, prohibitions against providing credit to gaming customers (except for the use of credit cards and cashing checks) and a requirement that each licensee reimburse the Missouri Gaming Commission for all costs of any Missouri Gaming Commission staff necessary to protect the public on the licensee's riverboat. Licensees must also submit audited quarterly financial reports to the Missouri Gaming Commission and pay the associated auditing fees. Other areas of operation which are subject to regulation under Missouri rules are the size, denomination and handling of chips and tokens, the surveillance methods and computer monitoring of electronic games, accounting and audit methods and procedures, and approval of an extensive internal control system. The Missouri rules also require that all of an operator's purchases of chips, tokens, dice, playing cards and electronic gaming devices must be acquired from suppliers licensed by the Missouri Gaming Commission, or another person or entity approved by the Missouri Gaming Commission. The Missouri Act provides for a loss limit of \$500 per person per two-hour "cruise". Although the Missouri Act provides no limit on the amount of riverboat space that may be used for gaming, the Missouri Gaming Commission can impose

71

77

space limitations through the adoption of rules and regulations. Additionally, United States Coast Guard safety regulations could affect the amount of riverboat space that may be devoted to gaming. The Missouri Act also includes requirements as to the form of riverboats, which must resemble Missouri's riverboat history to the extent practicable and include certain non-gaming amenities. All nine licensees currently operating riverboat gaming operations in Missouri are authorized to conduct all or a portion of their operations on a dockside basis.

Missouri gaming regulations have been modified in recent years to benefit gaming operations. In September 1999 the Missouri Gaming Commission began allowing open and continuous boarding on the riverboats in the St. Louis market and in November 1999 the Missouri Gaming Commission began allowing open and continuous boarding on area riverboats in the Kansas City market. This change eliminated the prior mandated two-hour simulated cruise times, which had limited boarding at any gaming vessel to only 45 minutes at the beginning of each two-hour period. The Missouri Act now authorizes the exchange of currency into electronic credits so that patrons are no longer forced to manually feed tokens into gaming machines at the start of play. This allows faster, more convenient play, especially in multi-coin games which have proven popular in other gaming jurisdictions.

The Missouri Act requires each licensee to post a bond or other surety to guarantee that the licensee complies with its statutory obligations. In addition, the Missouri Act gives the Missouri Gaming Commission the authority to require gaming licensees to post a bond or other form of security to the State of Missouri to, among other things, guarantee the completion of an expansion of a gaming facility within the later of a time period determined by the Missouri Gaming Commission or August 28, 2003. The failure to complete an approved expansion project within the prescribed time period may, pursuant to the Missouri Act, constitute sufficient grounds for not renewing the gaming license for the gaming facility.

To promote safety, the Missouri Gaming Commission has required that gaming entertainment barges obtain annual certification from the American Bureau of Shipping. On January 8, 1999, the American Bureau of Shipping decertified the gaming barges and other ancillary barges now operated by Ameristar St. Charles, as a result of low water levels on the Missouri River and the build up of silt and debris under these barges. At that time, the Missouri Gaming Commission

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

expressed concern regarding the effect of the low water level on the barges. However, the Missouri Gaming Commission allowed the former owner to keep the St. Charles property open because of steps taken to remedy the problem. The American Bureau of Shipping subsequently recertified the St. Charles facility in November 1999. While the former owner previously took steps to reduce the possibility that this will happen again, including additional dredging of materials from under the barges, we cannot assure you that this condition will not recur and, if so, require the closure of a property for a significant amount of time.

If the Missouri Gaming Commission decides that a gaming subsidiary violated a gaming law or regulation, the Missouri Gaming Commission could limit, condition, suspend or revoke the license of the gaming subsidiary. In addition, a gaming subsidiary, its parent company and the persons involved could be subject to substantial fines for each separate violation. Limitation, conditioning or suspension of any gaming license could (and revocation of any gaming license would) materially adversely affect Ameristar and our gaming subsidiaries' gaming operations.

The Missouri Gaming Commission regulates the issuance of excursion liquor licenses, which authorize the licensee to serve, offer for sale, or sell intoxicating liquor aboard any excursion gambling boat or facility immediately adjacent to and contiguous with the excursion gambling boat, which is owned and operated, by the licensee. An excursion liquor license is granted for a one year term by the Missouri Gaming Commission and is renewable annually. The Commission can discipline an excursion liquor licensee for any violation of Missouri law or the Missouri Gaming Commission's rules. Licensees are responsible for the conduct of their business and for any act or conduct of any employee on the premises that is in violation of the Missouri Act or the rules of the Missouri Gaming Commission. Missouri Gaming Commission liquor control regulations also include prohibitions on certain intoxicating liquor promotions and a ban on fees accepted for advertising products. Only Class A licensees can obtain a liquor license from the Missouri Gaming Commission. Class A licenses are licenses granted by the commission to allow the holder to conduct gambling games on an excursion gambling boat and to operate an excursion gambling boat.

MISSISSIPPI. The ownership and operation of casino facilities in Mississippi are subject to extensive state and local regulation, but primarily the licensing and regulatory control of the Mississippi Gaming Commission (the "Mississippi Commission").

The Mississippi Gaming Control Act (the "Mississippi Act"), which legalized dockside casino gaming in Mississippi, is similar to the Nevada Gaming Control Act. The Mississippi Commission has adopted regulations that are also similar in many respects to the Nevada gaming regulations.

The laws, regulations and supervisory procedures of Mississippi and the Mississippi Commission are based upon declarations of public policy that are concerned with, among other things, (1) the prevention of unsavory or unsuitable persons from having direct or indirect involvement with gaming at any time or in any capacity; (2) the establishment and maintenance of responsible accounting practices and procedures; (3) the maintenance of effective controls over the financial practices of licensees, including the establishment of minimum procedures for internal fiscal affairs and safeguarding of assets and revenues, providing reliable record keeping and requiring the filing of periodic reports with the Mississippi Commission; (4) the prevention of cheating and fraudulent practices; (5) providing a source of state and local revenues through taxation and licensing fees; and (6) ensuring that gaming licensees, to the extent practicable, employ Mississippi residents. The regulations are subject to amendment and interpretation by the Mississippi Commission. We believe that our

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

compliance with the licensing procedures and regulatory requirements of the Mississippi Commission will not affect the marketability of our securities. Changes in Mississippi laws or regulations may limit or otherwise materially affect the types of gaming that may be conducted and such changes, if enacted, could have an adverse effect on us and our Mississippi gaming operations.

The Mississippi Act provides for legalized dockside gaming at the discretion of the fourteen counties that border the Gulf Coast or the Mississippi River, but only if the voters in such counties have not voted to prohibit gaming in that county. In recent years, certain anti-gaming groups proposed for adoption through the initiative and referendum process certain amendments to the Mississippi Constitution, which would prohibit gaming in the state. The proposals were declared illegal by the Mississippi courts on constitutional and procedural grounds. The latest ruling was appealed to the Mississippi Supreme Court, which affirmed the decision of the lower court. If another such proposal were to be offered and if a sufficient number of signatures were to be gathered to place a legal initiative on the ballot, it is possible for the voters of Mississippi to consider such a proposal in November 2002.

As of March 15, 2001, dockside gaming was permissible in nine of the fourteen eligible counties in the state and gaming operations had commenced in Adams, Coahoma, Hancock, Harrison, Tunica, Warren and Washington counties. Under Mississippi law, gaming vessels must be located on the Mississippi River or on navigable waters in eligible counties along the Mississippi River or in the waters lying south of the counties along the Mississippi Gulf Coast. In December 1996, the Mississippi Commission rejected an application for the development of a casino on a site on the Big Black River in Warren County near Interstate 20 between Jackson and Vicksburg, which decision was appealed by an adjoining landowner and the license applicant. In December 1997, a Mississippi circuit court issued an order reversing the decision of the Mississippi Commission and remanded the application to the Mississippi Commission for further proceedings. The decision of the court was appealed by the Mississippi Commission to the Mississippi Supreme Court and oral argument was heard by the Supreme Court on March 6, 2000. The Mississippi Commission has also adopted a regulation that prohibits gaming on the Big Black River, however, the Mississippi Commission has taken the position that the Mississippi Commission may be prohibited from applying the regulation to the existing applicant that appealed the initial siting decision. In addition, Ameristar is involved in legal proceedings in which it is alleged that Ameristar and certain other parties engaged in conduct to oppose this application in violation of Mississippi's antitrust and gaming regulatory laws. See "Item 3. Legal Proceedings."

The Mississippi Act permits unlimited stakes gaming on permanently moored vessels on a 24-hour basis and does not restrict the percentage of space that may be utilized for gaming. There are no limitations on the number of gaming licenses that may be issued in Mississippi.

We and any subsidiary of ours that operates a casino in Mississippi (a "Mississippi Gaming Subsidiary") are subject to the licensing and regulatory control of the Mississippi Commission. Ameristar Casinos, Inc. is registered as a publicly traded holding company (a "Registered Corporation") of Ameristar Casino Vicksburg, Inc. ("ACVI") under the Mississippi Act. A Registered Corporation is required periodically to submit detailed financial and operating reports to the Mississippi Commission and furnish any other information that the Mississippi Commission may require. If we are unable to continue to satisfy the registration requirements of the Mississippi Act, we and our Mississippi Gaming Subsidiaries cannot own or operate gaming facilities in Mississippi. Each Mississippi Gaming Subsidiary must maintain a gaming license from the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Mississippi Commission to operate a casino in Mississippi. Such licenses are issued by the Mississippi Commission subject to certain conditions, including continued compliance with all applicable state laws and regulations.

Gaming licenses are not transferable, are issued for a three-year period (and may be continued for two additional three-year periods) and must be renewed periodically thereafter. ACVI was granted a renewal of its gaming license by the Mississippi Commission on December 18, 1999. No person may become a stockholder of or receive any percentage of profits from a Mississippi Gaming Subsidiary of a Registered Corporation without first obtaining licenses and approvals from the Mississippi Commission. We have obtained such approvals in connection with the licensing of our Mississippi Gaming Subsidiary.

Certain of Ameristar's officers and employees and the officers, directors and certain key employees of our Mississippi Gaming Subsidiary must be found suitable or be licensed by the Mississippi Commission. We believe that we have obtained or applied for all necessary findings of suitability with respect to such persons associated with Ameristar or our Mississippi Gaming Subsidiary, although the Mississippi Commission, in its discretion, may require additional persons to file applications for findings of suitability. In addition, any person having a material relationship or involvement with Ameristar may be required to be found suitable, in which case those persons must pay the costs and fees associated with such investigation. The Mississippi Commission may deny an application for a finding of suitability for any cause that it deems reasonable. Changes in certain licensed positions must be reported to the Mississippi Commission. In addition to its authority to deny an application for a finding of suitability, the Mississippi Commission has jurisdiction to disapprove a change in a person's corporate position or title and such changes must be reported to the Mississippi Commission. The Mississippi Commission has the power to require any Mississippi Gaming Subsidiary or Ameristar to suspend or dismiss officers, directors and other key employees or sever relationships with other persons who refuse to file appropriate applications or whom the authorities find unsuitable to act in such capacities.

At any time, the Mississippi Commission has the power to investigate and require the finding of suitability of any record or beneficial stockholder of Ameristar. The Mississippi Act requires any person who acquires more than 5% of any class of voting securities of a Registered Corporation to report the acquisition to the Mississippi Commission, and such person may be required to be found suitable. Also, any person who becomes a beneficial owner of more than 10% of a class of voting securities of a Registered Corporation, as reported to the Securities and Exchange Commission, must apply for a finding of suitability by the Mississippi Commission and must pay the costs and fees that the Mississippi Commission incurs in conducting the investigation. The Mississippi Commission has generally exercised its discretion to require a finding of suitability of any beneficial owner of more than 5% of a class of a Registered Corporation's voting securities. However, the Mississippi Commission has adopted a policy that permits certain institutional investors to own beneficially up to 15% of a class of a Registered Corporation's voting securities without a finding of suitability. If a stockholder who must be found suitable is a corporation, partnership or trust, it must submit detailed business and financial information, including a list of beneficial owners.

Any person who fails or refuses to apply for a finding of suitability or a license within thirty (30) days after being ordered to do so by the Mississippi Commission may be found unsuitable. The same restrictions apply to a record owner if the record owner, after request, fails to identify the beneficial owner. Any person found unsuitable and who holds, directly or indirectly, any beneficial ownership of such securities beyond such time as the Mississippi Commission prescribes, may be guilty of a misdemeanor.

We may be subject to disciplinary action if, after receiving notice that a person is unsuitable to be a stockholder or to have any other relationship with us or our Mississippi Gaming Subsidiary, the company involved: (1) pays the unsuitable person any dividend or other distribution upon such person's voting securities; (2) recognizes the exercise, directly or indirectly, of any voting rights conferred by securities held by the unsuitable person; (3) pays the unsuitable person any remuneration in any form for services rendered or otherwise, except in certain limited and specific circumstances; or (4) fails to pursue all lawful efforts to require the unsuitable person to divest himself of the securities, including, if necessary, the immediate purchase of the securities for cash at a fair market value.

We may be required to disclose to the Mississippi Commission, upon request, the identities of the holders of any of our debt or other securities. In addition, under the Mississippi Act, the Mississippi Commission may, in its discretion require the holder of any debt security of a Registered Corporation to file applications, be investigated and be found suitable to own the debt security if it has reason to believe that the ownership would be inconsistent with the declared policies of the State of Mississippi. If the Mississippi Commission determines that a person is unsuitable to own a debt security, then the Registered Corporation may be sanctioned, including the loss of its approvals, if without the prior approval of the Mississippi Commission it: (1) pays to the unsuitable person any dividend, interest, or any distribution whatsoever; (2) recognizes any voting right by the unsuitable person in connection with those securities; (3) pays the unsuitable person remuneration in any form; or (4) makes any payment to the unsuitable person by way of principal, redemption, conversion, exchange, liquidation, or similar transaction. Although the Mississippi Commission generally does not require the individual holders of obligations such as notes to be investigated and found suitable, the Mississippi Commission retains the discretion to do so for any reason, including but not limited to, a default, or where the holder of the debt instrument exercises a material influence over the gaming operations of the entity in question. Any holder of debt securities required to apply for a finding of suitability must pay all investigative fees and costs of the Mississippi Commission in connection with such an investigation.

Each Mississippi Gaming Subsidiary must maintain in Mississippi a current ledger with respect to ownership of its equity securities and each Registered Corporation must maintain in Mississippi a current list of its stockholders, which must reflect the record ownership of each outstanding share of any class of equity security issued by such corporation. The ledger and stockholder lists must be available for inspection by the Mississippi Commission at any time. If any securities are held in trust by an agent or by a nominee, the record holder may be required to disclose the identity of the beneficial owner to the Mississippi Commission. A failure to make such disclosure may be grounds for finding the record holder unsuitable. Ameristar must also render maximum assistance in determining the identity of the beneficial owner.

The Mississippi Act requires that the certificates representing securities of a Registered Corporation bear a legend indicating that the securities are subject to the Mississippi Act and the regulations of the Mississippi Commission. Ameristar has received from the Mississippi Commission a waiver from this legend requirement. The Mississippi Commission has the power to impose additional restrictions on the holders of securities at any time.

Substantially all material loans, leases, sales of securities and similar financing transactions by a Registered Corporation or a Mississippi Gaming Subsidiary must be reported to or approved by the Mississippi Commission. A Mississippi Gaming Subsidiary may not make a public offering of its securities, but may pledge or mortgage casino facilities. We may not make an issuance or a

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

public offering of our securities without the prior approval of the Mississippi Commission if any part of the proceeds of the offering is to be used to finance the construction, acquisition or operation of gaming facilities in Mississippi or to retire or extend obligations incurred for those purposes. Such approval, if given, does not constitute a recommendation or approval of the investment merits of the securities subject to the offering. We have received a waiver of the prior approval requirement for our securities offerings, subject to certain conditions.

75

81

Under the regulations of the Mississippi Commission, a Mississippi Gaming Subsidiary may not guarantee a security issued by an affiliated company pursuant to a public offering, or pledge its assets to secure payment or performance of the obligations evidenced by the security issued by the affiliated company, without the prior approval of the Mississippi Commission. The pledge of the stock of a Mississippi Gaming Subsidiary and the foreclosure of such a pledge are ineffective without the prior approval of the Mississippi Commission. Moreover, restrictions on the transfer of an equity security issued by a Mississippi Gaming Subsidiary and agreements not to encumber such securities are ineffective without the prior approval of the Mississippi Commission. We have obtained approvals from the Mississippi Commission for such guarantees, pledges and restrictions in connection with offerings of securities, subject to certain restrictions.

Changes in control of Ameristar or our Mississippi Gaming Subsidiary through merger, consolidation, acquisition of assets, management or consulting agreements, or any act or conduct by a person by which such person obtains control, may not occur without the prior approval of the Mississippi Commission. Entities seeking to acquire control of a Registered Corporation must satisfy the Mississippi Commission in a variety of stringent standards prior to assuming control of the Registered Corporation. The Mississippi Commission may also require controlling stockholders, officers, directors and other persons having a material relationship or involvement with the entity proposing to acquire control, to be investigated and licensed as part of the approval process relating to the transaction.

The Mississippi legislature has declared that some corporate acquisitions opposed by management, repurchases of voting securities and other corporate defense tactics that affect corporate gaming licensees in Mississippi and Registered Corporations may be injurious to stable and productive corporate gaming. The Mississippi Commission has established a regulatory scheme to ameliorate the potentially adverse effects of these business practices upon Mississippi's gaming industry and to further Mississippi's policy to (1) assure the financial stability of corporate gaming operations and their affiliates; (2) preserve the beneficial aspects of conducting business in the corporate form; and (3) promote a neutral environment for the orderly governance of corporate affairs. Approvals are, in certain circumstances, required from the Mississippi Commission before a Registered Corporation may make exceptional repurchases of voting securities in excess of the current market price and before a corporate acquisition opposed by management can be consummated. Mississippi's gaming regulations also require prior approval by the Mississippi Commission of a plan of recapitalization proposed by a Registered Corporation's Board of Directors in response to a tender offer made directly to the Registered Corporation's stockholders for the purpose of acquiring control of the Registered Corporation.

Neither Ameristar nor any Mississippi Gaming Subsidiary may engage in gaming activities in Mississippi while also conducting gaming operations outside of Mississippi without approval of the Mississippi Commission. The Mississippi Commission may require determinations that, among other things, there are means for the Mississippi Commission to have access to information concerning the out-

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

of-state gaming operations of Ameristar and our affiliates. We have previously obtained a waiver of foreign gaming approval from the Mississippi Commission for operations in other states in which Ameristar conducts gaming operations and will be required to obtain the approval or a waiver of such approval from the Mississippi Commission prior to engaging in any additional future gaming operations outside of Mississippi.

If the Mississippi Commission determined that we violated a gaming law or regulation, the Mississippi Commission could limit, condition, suspend or revoke our approvals and the license of the Mississippi Gaming Subsidiary, subject to compliance with certain statutory and regulatory procedures. In addition, we, the Mississippi Gaming Subsidiary and the persons involved could be subject to substantial fines for each separate violation. Because of such a violation, the Mississippi Commission could seek to appoint a supervisor to operate our Mississippi casino facilities. Limitation, conditioning or suspension of any gaming license or approval or the appointment of a supervisor could (and revocation of any gaming license or approval would) materially adversely affect us, our gaming operations and our results from operations.

76

82

License fees and taxes, computed in various ways depending on the type of gaming or activity involved, are payable to the State of Mississippi and to the counties and cities in which a Mississippi Gaming Subsidiary's respective operations are conducted. Depending upon the particular fee or tax involved, these fees and taxes are payable either monthly, quarterly or annually and are based upon (1) a percentage of the gross gaming revenues received by the casino operation, (2) the number of gaming devices operated by the casino, or (3) the number of table games operated by the casino. The license fee payable to the State of Mississippi is based upon "gaming receipts" (generally defined as gross receipts less payouts to customers as winnings) and equals 4% of gaming receipts of \$50,000 or less per month, 6% of gaming receipts over \$50,000 and not in excess of \$134,000 per month, and 8% of gaming receipts in excess of \$134,000 per month. The foregoing license fees are allowed as a credit against the Mississippi Gaming Subsidiary's Mississippi income tax liability for the year paid. The gross revenue fee imposed by the City of Vicksburg equals approximately 4% of the gaming receipts.

The Mississippi Commission's regulations require as a condition of licensure or license renewal that an existing licensed gaming establishment's plan include a 500-car parking facility in close proximity to the casino complex and infrastructure facilities which amount to at least 25% of the casino cost. Ameristar believes that ACVI is in compliance with this requirement with the opening of a 150-room hotel in June 1998. The Mississippi Commission adopted amendments to the regulation that increase the infrastructure development requirement from 25% to 100% for new casinos (or upon acquisition of a closed casino), but grandfathered existing licensees.

IOWA. Ameristar's Council Bluffs operations are conducted by Ameristar Casino Council Bluffs, Inc. ("ACCB") and are subject to Chapter 99F of the Iowa Code and the regulations promulgated thereunder. Ameristar's gaming operations are subject to the licensing and regulatory control of the Iowa Racing and Gaming Commission (the "Iowa Gaming Commission").

Under Iowa law, wagering on a "gambling game" is legal, when conducted by a licensee on an "excursion gambling boat." An "excursion gambling boat" is a self-propelled excursion boat. "Gambling game" means any game of chance authorized by the Iowa Gaming Commission. The excursion season is from April 1st through October 31st of each calendar year. The vessel must operate at least one excursion each day for 100 days during the excursion season to operate during the off season. Each excursion must consist of a minimum of two hours. The

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Council Bluffs casino satisfied the requirements of Iowa law for the conduct of off-season operations for the years of 1997 through 2000.

The legislation permitting riverboat gaming in Iowa authorizes the granting of licenses to "qualified sponsoring organizations." A "qualified sponsoring organization" is defined as a person or association that can show to the satisfaction of the Iowa Gaming Commission that the person or association is eligible for exemption from federal income taxation under sec. 501(c)(3), (4), (5), (6), (7), (8), (10) or (19) of the Internal Revenue Code (hereinafter "not-for-profit corporation"). The not-for-profit corporation is permitted to enter into operating agreements with persons qualified to conduct riverboat gaming operations. Such operators must be approved and licensed by the Iowa Gaming Commission. On January 27, 1995, the Iowa Gaming Commission authorized the issuance of a license to conduct gambling games on an excursion gambling boat to the Iowa West Racing Association, a not-for-profit corporation organized for the purpose of facilitating riverboat gaming in Council Bluffs, Iowa (the "Association"). The Association entered into an agreement with ACCBI authorizing ACCBI to operate riverboat gaming operations in Council Bluffs under the Association's gaming license (the "Operator's Contract"). The Iowa Gaming Commission approved this contract. The term of the Operator's Contract runs until December 31, 2002, with two five-year renewal options. The current license awarded by the Iowa Gaming Commission for the Ameristar Council Bluffs Casino expires on March 31, 2002.

Under Iowa law, a license to conduct gambling games may be issued in a county only if the county electorate has approved such gambling games. Although the electorate of Pottawattamie County, which includes the City of Council Bluffs, approved by referendum the gambling games conducted by ACCBI, a reauthorization referendum must be submitted to the electorate in the general election to be held in 2002 and each eight years thereafter. Each such referendum requires the vote of a majority of the persons

77

83

voting thereon. If any such reauthorization referendum is defeated, Iowa law provides that any previously issued gaming license will remain valid and subject to periodic renewal for a total of nine years from the date of original issuance, subject to earlier revocation as discussed below. The original issuance date of the gaming license for Ameristar Council Bluffs was January 27, 1995.

Substantially all of ACCBI's material transactions are subject to review and approval by the Iowa Gaming Commission. All contracts or business arrangements, verbal or written, with any related party or in which the term exceeds three years or the total value of the contract exceeds \$50,000 must be submitted in advance to the Iowa Gaming Commission for approval. Additionally, contracts negotiated between ACCBI and a related party must be accompanied by economic and qualitative justification.

ACCBI is required to notify the Iowa Gaming Commission of the identity of each director, corporate officer and owner, partner, joint venturer, trustee or any other person who has a beneficial interest of five percent (5%) or more, direct or indirect, in ACCBI. The Iowa Gaming Commission may require ACCBI to submit background information on such persons. The Iowa Gaming Commission may request ACCBI to provide a list of persons holding beneficial ownership interests in ACCBI of less than five percent (5%). For purposes of these rules, "beneficial interest" includes all direct and indirect forms of ownership or control, voting power or investment power held through any contract, lien, lease, partnership, stockholding, syndication, joint venture, understanding, relationship, present or reversionary right, title or interest, or otherwise. The Iowa Gaming Commission may suspend or revoke the license of a licensee in

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

which a director, corporate officer or holder of a beneficial interest includes or involves any person or entity which is found to be ineligible as a result of want of character, moral fitness, financial responsibility, professional responsibility or due to failure to meet other criteria employed by the Iowa Gaming Commission.

ACCBI must submit detailed financial, operating and other reports to the Iowa Gaming Commission. ACCBI must file weekly and monthly gaming reports indicating adjusted gross receipts received from gambling games and the total number and amount of money received from admissions. Additionally ACCBI must file annual financial statements covering all financial activities related to its operations for each fiscal year. ACCBI must also keep detailed records regarding its equity structure and owners.

Iowa has a graduated wagering tax equal to five percent (5%) of the first \$1.0 million of annual adjusted gross receipts, ten percent (10%) on the next \$2.0 million of annual adjusted gross receipts and twenty percent (20%) on annual adjusted gross receipts over \$3.0 million. In addition, the state charges other fees on a per customer basis. Additionally, ACCBI pays to the City of Council Bluffs a fee equal to \$0.50 per passenger.

Under the Operator's Contract, ACCBI also pays the Association an admissions fee of \$1.50 per passenger. ACCBI has interpreted the Operator's Contract to mean that a person may leave and re-enter Council Bluffs Casino (for example, to visit the restaurants at Ameristar Council Bluffs) without ACCBI being obligated to pay an additional admissions fee to the Association. ACCBI received a letter from the Association in August 1996 in which the Association asserted that an additional fee is due each time a person enters the Council Bluffs Casino, including re-entries. The Association has advised us that the board of directors of the Association discussed a proposal to settle this dispute at an October 1997 meeting but declined to take any action either to approve the proposed settlement or to pursue the previously threatened claim. Accordingly, the Association has advised ACCBI that it does not currently intend to pursue this claim, but the Association has not formally waived or released the claim.

All persons participating in any capacity at a gaming facility, with the exception of certified law enforcement officers while they are working for the facility as uniformed officers, are required to obtain occupational licenses from the Iowa Gaming Commission. All such licenses require annual renewal. The Iowa Gaming Commission had broad discretion to deny or revoke any occupational license.

78

84

If the Iowa Gaming Commission decides that a gaming law or regulation has been violated, the Iowa Gaming Commission has the power to assess fines, revoke or suspend licenses or to take any other action as may be reasonable or appropriate to enforce the gaming rules and regulations.

ACCBI is subject to licensure by the Alcoholic Beverages Division ("ABD") of the Iowa Department of Commerce which administers and enforces the laws of the State of Iowa concerning alcoholic beverages. Additionally, ACCBI is subject to the liquor ordinances adopted by local authorities. A local authority may adopt ordinances governing establishments which are located within their jurisdiction. Local ordinances may be more restrictive than the state law, but they may not conflict with the state law. The ABD and the local authorities have full power to suspend or revoke any license for the serving of alcoholic beverages.

OTHER JURISDICTIONS. We expect to be subject to similar rigorous

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

regulatory standards in each jurisdiction in which we seek to conduct gaming operations. There can be no assurance that regulations adopted or taxes imposed by other jurisdictions will permit profitable operations by us.

FEDERAL REGULATION OF SLOT MACHINES. We are required to make annual filings with the U.S. Attorney General in connection with the sale, distribution or operation of slot machines. All requisite filings for the most recent year and the current year have been made.

NON-GAMING REGULATIONS. The sale of alcoholic beverages by us is subject to the licensing, control and regulation in Jackpot by the Liquor Board of Elko County, in Vicksburg by both the City of Vicksburg and the Alcoholic Beverage Control Division of the Mississippi State Tax Commission, and in Council Bluffs by the Alcoholic Beverage Division of the Iowa Department of Commerce. The sale of alcoholic beverages by us at our Missouri properties is subject to the licensing, control and regulation by the Missouri Gaming Commission as described above and in Kansas City by Clay County. In Mississippi, Ameristar Vicksburg has been designated as a special resort area, which allows ACVI to serve alcoholic beverages on a 24-hour basis. In Nevada, the applicable liquor laws allow 24-hour service of alcoholic beverages without any additional permits. In Iowa, the applicable liquor laws allow the sale of liquor during legal hours, which are Monday through Saturday from 6 a.m. to 2 a.m. and Sunday from 8 a.m. to 2 a.m. All licenses are revocable and not transferable. The liquor license authorities described above (the "Liquor License Authorities") have the full power to limit, condition, suspend or revoke any such license or to place a liquor licensee on probation with or without conditions. Any such disciplinary action could (and revocation would) have a material adverse effect upon the operations of our business.

Certain officers and managers of ACVI must be investigated by the applicable Liquor License Authorities in connection with its liquor permit. The applicable Liquor License Authorities must approve any changes in licensed positions.

All cruising vessels operated by us must comply with U.S. Coast Guard requirements as to safety and must hold a Certificate of Inspection. These requirements set limits on the operation of the vessel and require that each vessel be operated by a minimum complement of licensed personnel. Loss of the vessel's Inspection Certificate would preclude its use as a riverboat. Every five years, US flagged passenger vessels operating exclusively in fresh water must conduct a thorough dry-dock inspection of underwater machinery, valves and hull. The Ameristar Council Bluffs riverboat was due for its dry-dock inspection in November 2000, but we have been accepted into a United States Coast Guard program that has allowed us to extend the dry-dock requirement by undergoing a thorough underwater inspection. This underwater inspection has been completed and the Ameristar Council Bluffs riverboat has received a U.S. Coast Guard Certificate of Inspection valid through October 19, 2001. The underwater inspection program allows for an extension of the dry-dock requirement for up to 30 months. Based on the results of this inspection, Ameristar Council Bluffs has applied to the U.S. Coast Guard for such an extension. Currently, Ameristar Council Bluffs is the only one of our properties that operates a cruising vessel subject to these requirements. Less stringent rules apply to permanently moored vessels.

In order to comply with the federal Merchant Marine Act of 1936, as amended, and the federal Shipping Act of 1916, as amended, and applicable regulations thereunder, Ameristar's Bylaws contain

provisions designed to prevent persons who are not citizens of the United States

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

from holding, in the aggregate, more than 24.9% of Ameristar's outstanding common stock.

All of our shipboard employees employed on U.S. Coast Guard-approved vessels, even those who have nothing to do with the actual operations of the vessel, such as dealers, waiters and security personnel, may be subject to the Jones Act, which, among other things, exempts those employees from state limits on workers' compensation awards.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Until March 31, 1997, we leased certain office space in Twin Falls, Idaho, from Lynwood Shopping Center, a partnership in which Craig H. Neilsen has a controlling equity interest. In 1998, we paid previously accrued rent of \$15,573 related to this tenancy. In addition, in 1998, CPI paid \$20,614 in rent to Lynwood Shopping Center for CPI's readerboard sign (which was owned by Lynwood Shopping Center) and space provided for CPI's dealer school. The readerboard sign lease expired in July 1998, at which time CPI exercised an option to purchase the sign for \$22,989.

Commencing April 1, 1997, Neilsen & Company (a partnership in which Mr. Neilsen owns a controlling equity interest) leased from Lynwood Shopping Center certain of the office space previously leased by us. CPI concurrently subleased from Neilsen & Company the right to use certain offices in this space and the common areas through December 31, 2001. In 2000, CPI paid \$19,825 to Neilsen & Company for rent and expenses under this sublease in 2000 and 1999. There was no balance outstanding for rent or expenses at December 31, 2000. In 1999, CPI paid \$16,775 to Neilsen & Company for rent and expenses under this sublease in 1998 and 1999. An additional \$1,525 was accrued for rent and expenses under this sublease in 1999 and was outstanding at December 31, 1999. In 1998, rent and expenses under this sublease of \$17,892 were accrued and paid, and accrued rent and expenses for 1997 totaled \$14,634, which was paid in February 1998. These offices, and the readerboard sign and dealer school described above, support CPI's casino-hotel operations in Jackpot, Nevada, at the Idaho border due south of Twin Falls. The offices previously supported our executive offices, which are now located in Las Vegas, Nevada.

We lease from Neilsen & Company two condominiums located in Sun Valley, Idaho. These leases, which required us to pay an aggregate monthly rental rate of \$3,500 per month, expired on December 31, 1998. We have continued to lease

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

the two condominiums on a month-to-month basis since January 1, 1999 at an aggregate monthly rental rate of \$3,675 plus maintenance, supply and utility costs (pending approval by our Board of Directors). The properties are made available by us at no charge to management personnel and certain business associates. We believe that the condominiums are a valuable asset in strengthening management morale and maintaining goodwill with important business contacts. We believe that the rental rates paid and proposed to be paid by us are within the range of rates generally charged for such properties in Sun Valley.

A portion of the services of one of our employees were provided to Neilsen & Company until July 1, 1997, at which time this employee terminated service with us and became an employee of Neilsen & Company. The total estimated amount due to us for these services at December 31, 1998 was approximately \$25,104 (\$13,104 for a portion of the 1996 services and \$12,000 for 1997 services), representing approximately half of the salary and additional payroll burden for this employee. Payment of the outstanding balance has been deferred pending an analysis of amounts due to Neilsen & Company from us for various services performed by Neilsen & Company and amounts due to us from Neilsen & Company for certain telephone expenses paid by us on behalf of Neilsen & Company. Among others, the services provided by Neilsen & Company to us included assistance with the relocation of our offices to Las Vegas, Nevada, litigation and arbitration support services, licensing application assistance and accounts payable assistance. In addition to the foregoing, Neilsen & Company provided services to us during 1999 and 2000 in connection with our license application for a potential casino project in South St. Louis County and provided services in 2000 in connection with our license applications for the Acquisitions. In April 2001, Neilsen & Company billed us \$15,328 for the services that were provided in 1999 and \$15,098 for the services that were provided in 2000, which amounts were based on the number of hours that employees of Neilsen & Company spent in providing these services. Other than these license applications, Neilsen & Company has provided only minimal services to us since 1997.

Mr. Neilsen is the president, director and sole stockholder of Intermountain Express, Inc. ("Intermountain"), a transportation concern that provided CPI with package delivery services between Jackpot and Twin Falls, Idaho until mid-2000. Intermountain also contracted with CPI for the use of CPI's drivers by Intermountain until mid-2000. In 2000, CPI paid \$29,975 to Intermountain for package

delivery services in 1999 and 2000. CPI charged Intermountain \$9,754 in 2000 for contracted driver services and miscellaneous fuel and van maintenance expenses provided by CPI in 2000. During 2000, Intermountain paid all of the amount charged together with \$7,422 that was outstanding at December 31, 1999 for such services performed in 1999. There was no outstanding balance due from CPI to Intermountain or from Intermountain to CPI at December 31, 2000. In 1999, CPI paid \$35,475 to Intermountain for package delivery services in 1998 and 1999. An additional \$10,110 was accrued for services provided in 1999 and was outstanding at December 31, 1999. CPI charged Intermountain \$28,491 in 1999 for contracted driver services and miscellaneous fuel and van maintenance expenses provided by CPI in 1998 and 1999, of which \$7,422 remained outstanding at December 31, 1999. In 1998, CPI paid \$54,198 to Intermountain for package delivery services in 1997 and 1998. An additional \$3,755 was accrued for services provided in 1998 and was outstanding at December 31, 1998. CPI charged Intermountain \$31,415 in 1998 for contracted driver services and miscellaneous fuel and van maintenance expenses paid for or provided by CPI in 1997 and 1998, of which \$8,910 remained outstanding at December 31, 1998. We believe that these relationships between CPI and Intermountain have been beneficial to us.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

In addition, Intermountain leased a van owned by CPI for use in connection with the package delivery services provided by Intermountain to CPI. Intermountain owed CPI \$11,400 in van rental payments accrued at the rate of \$100 per week in 1993, 1994 and early 1995. Van rental payments were not accrued since early 1995 pending the completion of discussions concerning the possible sale of the van by CPI to Intermountain and the settlement of the outstanding van rental balance. In January 1998, CPI and Intermountain reached an agreement for the forgiveness by CPI of the accrued van rental amount in excess of \$1,250 and a sale of the van by CPI to Intermountain for \$500. Intermountain has paid the \$1,750 due to CPI. We believe that this transaction was fair to us based on the condition of the van and the past services and payments received by CPI from Intermountain.

We have adopted a policy requiring transactions with affiliates to be on terms no less favorable to us than could be obtained from unaffiliated parties. Each of the completed transactions described above has been approved by our Board of Directors. In the opinion of management, the terms of the above transactions were at least as fair to us as could have been obtained from unaffiliated parties.

Ray Neilsen, our Vice President of Brand Development and Acting General Manager at our Vicksburg property, is the son of Craig Neilsen, our President and Chief Executive Officer. Ray Neilsen has held various other positions with Ameristar for the past 10 years. In these various capacities, Ray Neilsen received salary and bonus compensation of \$157,000 in 2000, \$155,000 in 1999 and \$150,000 in 1998, as well as perquisites and other employee benefits. We have provided housing to Ray Neilsen since early 2000 when he temporarily relocated to Vicksburg to become Acting General Manager of Ameristar Vicksburg. In addition, we pay approximately \$3,600 per month for Ray Neilsen's housing related expenses in Las Vegas.

DESCRIPTION OF EXISTING INDEBTEDNESS

In December 2000, concurrently with the Acquisitions, we entered into a \$575 million senior credit agreement with a syndicate of lenders led by an affiliate of Deutsche Bank AG as administrative agent. After the repayment of a portion of the senior credit facilities with a portion of the proceeds from the offering of the old notes and the Disposition, we currently have \$475 million senior credit facilities that consist of:

- a \$75 million revolving credit facility maturing in 2005 (\$25 million of which is dedicated to the completion of the St. Charles expansion and will be available for general working capital purposes thereafter);
- a \$75 million revolving credit/term facility that revolves for two years and then converts into a three year term loan maturing in 2005 (dedicated to the completion of the St. Charles expansion).
- a \$50 million term loan A maturing in 2005;
- a \$148.1 million term loan B maturing in 2006; and
- a \$126.9 million term loan C maturing in 2007.

The following description summarizes the material provisions of the senior credit agreement and is qualified in its entirety by reference to the agreement. A copy of that agreement is available from us or the initial purchasers upon request.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

The senior credit facilities are guaranteed by all of our subsidiaries. The senior credit facilities are secured by a first priority security interests on substantially all of our and our subsidiaries' real and personal property, including the capital stock of our subsidiaries.

The senior credit agreement requires us to meet specified financial tests on an on-going basis, including minimum consolidated tangible net worth, maximum leverage and senior leverage ratios, minimum consolidated gross and adjusted fixed charge coverage ratios and minimum maintenance capital expenditures. In addition, the senior credit agreement includes customary representations and warranties, customary events of default, including a change of control, and other customary covenants, including covenants that limit our and our subsidiaries' ability to:

- prepay principal of or redeem or repurchase the exchange notes and the old notes, including upon any asset sale, change of control or similar event, or make certain modifications of the indenture governing the exchange notes and the old notes;
- incur additional debt;
- make capital expenditures;
- create or become subject to liens;
- make asset sales;
- merge with other entities or make acquisitions;
- make investments or advances; and
- pay dividends or make distributions.

We obtained the senior credit facilities (together with the \$300 million senior subordinated credit facility repaid with proceeds of the old notes):

- to effect the Acquisitions;
- to retire our former credit facility and other outstanding debt, including (through a tender offer completed in December 2000) all of our 10.5% senior subordinated notes;

86

92

- to finance fees and expenses associated with the Transactions;
- to finance the completion of expansion of the Ameristar St. Charles facilities; and
- for general corporate and working capital purposes.

We may use up to \$15 million of the revolving credit facility for letters of credit. At March 31, 2001, we had \$343.7 million of borrowings outstanding under our senior credit facilities. The senior credit agreement includes provisions permitting an increase in the aggregate amount of the revolving credit facility or the term loans by up to an aggregate of \$50 million, subject to certain conditions including the receipt from one or more lenders, in their sole discretion, of the additional commitments that may be requested.

Interest on outstanding balances under the senior credit agreement is determined adding a margin to the Eurodollar or base rate existing for each interest calculation date. For the revolving credit facility, the revolving term facility and the term loan A, the margin is based on our leverage ratio, which is the ratio of our consolidated debt to last twelve months EBITDA, as defined, and ranges from 1.50% to 3.25% in the case of Eurodollar loans and from 0.50% to 2.25% in the case of base rate loans. For the term loan B and the term loan C, the margins are fixed at 3.75% and 4.00%, respectively, in the case of Eurodollar loans, and at 2.75% and 3.00%, respectively, in the case of base rate loans. We also pay commitment fees on unused availabilities and agency fees in connection with the senior credit agreement.

Under the senior credit agreement, we are required to prepay the term loans (or if the term loans are fully repaid to repay and permanently reduce the revolving credit facilities) with 100% of the net proceeds of sales of equity, incurrence of certain debt (other than the exchange notes) and certain asset sales and 75% of excess cash flow. We may also voluntarily prepay the loans. We must pay a premium ranging from 1% to 2% in the event of any voluntary prepayment of the term loan B or the term loan C during the first two years or any prepayment of such loans out proceeds of the old notes.

In addition to our senior credit facilities and the old notes, at March 31, 2001, we had approximately \$15.5 million of other indebtedness outstanding. This includes approximately \$8.2 million of purchase money indebtedness and capital lease financing for gaming equipment and other furniture, fixtures and equipment, \$5.4 million of first mortgage financing issued to the sellers of parcels of land in Vicksburg, Mississippi and \$1.9 million of other indebtedness.

DESCRIPTION OF THE NOTES

The Company will issue the exchange notes for the old notes under the indenture that governs the old notes, dated as of February 2, 2001 (the "Indenture"), among itself, the Guarantors and U.S. Bank Trust National Association, as Trustee (the "Trustee"). The following is a summary of the material provisions of the Indenture. It does not include all of the provisions of the Indenture. We urge you to read the Indenture because it defines your rights. The terms of the exchange notes and the old notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "TIA"). A copy of the Indenture may be obtained from the Company or the Initial Purchaser. You can find definitions of certain capitalized terms used in this description under "-- Certain Definitions." For purposes of this section, references to the "Company" include only Ameristar Casinos, Inc. and not its Subsidiaries. We refer to the exchange notes and the old note (to the extent not exchanged for exchange notes) in this section as the "Notes."

The Notes are unsecured obligations of the Company, ranking subordinate in right of payment to all Senior Debt of the Company, *pari passu* in right of payment to all senior subordinated Indebtedness of the Company and senior in right of payment to all subordinated Indebtedness of the Company.

The Company will issue the exchange notes in fully registered form in denominations of \$1,000 and integral multiples thereof. The Trustee will initially act as Paying Agent and Registrar for the Notes. The Notes may be presented for registration or transfer and exchange at the offices of the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Registrar. The Company may change any Paying Agent and Registrar without notice to holders of the Notes (the "Holders"). The Company will pay principal (and premium, if any) on the Notes at the Trustee's corporate office in New York, New York. At the Company's option, interest may be paid at the Trustee's corporate trust office or by check mailed to the registered address of Holders. Any old notes that remain outstanding after the completion of the Exchange Offer, together with the exchange notes, will be treated as a single class of securities under the Indenture.

PRINCIPAL, MATURITY AND INTEREST

The Company issued \$380.0 million in aggregate principal amount of old notes on February 2, 2001. The Notes will mature on February 15, 2009. Additional Notes may be issued from time to time, subject to the limitations set forth under "-- Certain Covenants -- Limitation on Incurrence of Additional Indebtedness." Interest on the Notes will accrue at the rate of 10 3/4% per annum and will be payable semiannually in cash on each February 15 and August 15 commencing on August 15, 2001, to the persons who are registered Holders at the close of business on the February 1 and August 1 immediately preceding the applicable interest payment date. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including February 2, 2001.

The Notes will not be entitled to the benefit of any mandatory sinking fund.

REDEMPTION

Optional Redemption. Except as described below, the Notes are not redeemable before February 15, 2006. Thereafter, the Company may redeem the Notes at its option, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the following redemption prices (expressed as percentages of the principal amount thereof) if redeemed during the twelve-month period commencing on February 15 of the years set forth below:

YEAR ----	PERCENTAGE -----
2006.....	105.375%
2007.....	102.688%
2008 and thereafter.....	100.000%

In addition, the Company must pay accrued and unpaid interest on the Notes redeemed.

Optional Redemption Upon Public Equity Offerings. At any time, or from time to time, on or prior to February 15, 2004, the Company may, at its option, use the net cash proceeds of one or more Public Equity Offerings (as defined below) to redeem up to 35% of the principal amount of the Notes issued under the Indenture at a redemption price of 110.75% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of redemption; provided that:

(1) at least 65% of the principal amount of Notes issued under the Indenture on the Issue Date remains outstanding immediately after any such redemption; and

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

(2) the Company makes such redemption not more than 90 days after the consummation of any such Public Equity Offering.

"Public Equity Offering" means an underwritten public offering of Qualified Capital Stock of the Company pursuant to a registration statement filed with the Commission in accordance with the Securities Act.

Redemption Based Upon Gaming Laws. Notwithstanding any other provision of the Indenture, if any Gaming Authority requires that a holder or beneficial owner of Notes must be licensed, qualified, found suitable or otherwise obtain any approval, consent, permit or finding under any applicable gaming law and such holder or beneficial owner (i) fails to apply therefor within 30 days (or such shorter period as may be required by the applicable Gaming Authority) after being requested to do so by the Gaming Authority or (ii) is denied such license or qualification or not found suitable or denied such other approval, consent, permit or finding or otherwise fails to qualify under applicable Gaming Regulations, the Company shall have the right, at its option:

(A) to require any such holder or beneficial owner to dispose of its Notes within 30 days (or such earlier date as may be required by the applicable Gaming Authority) of receipt of such notice or finding by such Gaming Authority or other failure to qualify under applicable Gaming Regulations, or

(B) to call for the redemption of the Notes of such holder or beneficial owner at a redemption price equal to

(a) the least of:

(1) the principal amount thereof, together with accrued interest and Additional Interest, if any, to the earlier of the date of redemption or the date of the denial of license or qualification or of the finding of unsuitability or of the denial of such other approval, consent, permit or finding by such Gaming Authority or other failure to qualify under applicable Gaming Regulations,

(2) the price at which such holder or beneficial owner acquired the Notes, together with accrued interest and Additional Interest, if any, to the earlier of the date of redemption or the date of the denial of license or qualification or of the finding of unsuitability or of the denial of such other approval, consent, permit or finding by such Gaming Authority or other failure to qualify under applicable Gaming Regulations, and

(3) the fair market value of the Notes to be redeemed on the date of redemption;

or

(b) such other amount as may be required by applicable law or order of such Gaming Authority.

The Company shall notify the Trustee in writing of any such redemption as soon as practicable. The holder or beneficial owner applying for a license, qualification or a finding of suitability, or for any

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

other approval, consent, permit or finding must pay all costs of the licensure or investigation for such qualification or finding of suitability.

SELECTION AND NOTICE OF REDEMPTION

In the event that the Company chooses to redeem less than all of the Notes, selection of the Notes for redemption will be made by the Trustee either:

- (1) in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed; or,
- (2) on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate.

No Notes of a principal amount of \$1,000 or less shall be redeemed in part. If a partial redemption is made with the proceeds of a Public Equity Offering, the Trustee will select the Notes only on a pro rata basis or on as nearly a pro rata basis as is practicable (subject to DTC procedures). Notice of redemption will be mailed by first-class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. On and after the redemption date, interest will cease to accrue on Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

SUBORDINATION

The payment of all Obligations on or relating to the Notes is subordinated in right of payment to the prior payment in full in cash or Cash Equivalents of all Obligations on Senior Debt of the Company (including the Obligations with respect to the Credit Agreement). Notwithstanding the foregoing, payments and distributions made relating to the Notes pursuant to the trust described under "Legal Defeasance and Covenant Defeasance" or as required as described under "Redemption -- Redemption Based Upon Gaming Laws" shall not be so subordinated in right of payment.

The holders of Senior Debt will be entitled to receive payment in full in cash or Cash Equivalents of all Obligations due in respect of Senior Debt (including interest after the commencement of any bankruptcy or other like proceeding at the rate specified in the applicable Senior Debt whether or not such interest is an allowed claim in any such proceeding) before the Holders of Notes will be entitled to receive any payment or distribution of any kind or character with respect to any Obligations on, or relating to, the Notes in the event of any distribution to creditors of the Company:

- (1) in a liquidation or dissolution of the Company;
- (2) in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Company or its property;
- (3) in an assignment for the benefit of creditors; or
- (4) in any marshalling of the Company's assets and liabilities.

The Company also may not make any payment or distribution of any kind or character with respect to any Obligations on, or relating to, the Notes or acquire any Notes for cash or property or otherwise if:

- (1) a payment default on any Senior Debt occurs and is continuing;
or
- (2) any other default occurs and is continuing on Designated Senior

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Debt that permits holders of the Designated Senior Debt to accelerate its maturity and the Trustee receives a notice of such default (a "Payment Blockage Notice") from the Representative of any Designated Senior Debt.

90

96

Payments on and distributions with respect to any Obligations on, or with respect to the Notes may and shall be resumed:

(1) in the case of a payment default, upon the date on which such default is cured or waived; and

(2) in case of a nonpayment default, the earliest of (x) the date on which all nonpayment defaults are cured or waived (so long as no other event of default exists), (y) 180 days after the date on which the applicable Payment Blockage Notice is received or (z) the date on which the Trustee receives notice from the Representative for such Designated Senior Debt rescinding the Payment Blockage Notice, unless in any such event the maturity of any Designated Senior Debt has been accelerated.

No new Payment Blockage Notice may be delivered unless and until 360 days have elapsed since the effectiveness of the immediately prior Payment Blockage Notice.

No nonpayment default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such default shall have been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action, or any breach of any financial covenants for a period commencing after the date of delivery of such initial Payment Blockage Notice that in either case would give rise to a default pursuant to any provisions under which a default previously existed or was continuing shall constitute a new default for this purpose).

The Company must promptly notify holders of Senior Debt if payment of the Notes is accelerated because of an Event of Default.

As a result of the subordination provisions described above in the event of a bankruptcy, liquidation or reorganization of the Company, Holders of the Notes may recover less ratably than creditors of the Company who are holders of Senior Debt or creditors of the Company whose obligations are not subordinated to Senior Debt. See "Risk Factors -- Risks Related to the Notes -- Your right to receive payment on the notes and the guarantees is junior to all of our and the guarantors' senior debt."

As of March 31, 2001, the aggregate amount of Senior Debt outstanding was approximately \$359.2 million, and the Company had unused availability of \$123.6 million under the Credit Agreement.

GUARANTEES

The Guarantors jointly and severally guarantee the Company's obligations under the Indenture and the Notes on a senior subordinated basis. Each Guarantee is subordinated to Guarantor Senior Debt on the same basis as the Notes are subordinated to Senior Debt. The obligations of each Guarantor under its Guarantee are limited to support findings that the Guarantee will not constitute a fraudulent conveyance or fraudulent transfer under applicable law.

Each Guarantor may consolidate with or merge into or sell its assets to

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

the Company or another Guarantor that is a Wholly Owned Restricted Subsidiary of the Company without limitation, or with other Persons upon the terms and conditions set forth in the Indenture. See "Certain Covenants -- Merger, Consolidation and Sale of Assets." In the event of a sale or other disposition of all of the properties and assets of any Guarantor, by way of merger, consolidation or otherwise, the sale of all of the Capital Stock of a Guarantor, whether by way of merger, consolidation or otherwise, in either case provided that such sale or other disposition complies with the provisions set forth in "Certain Covenants -- Limitation on Asset Sales" (other than provisions for future application of the Net Cash Proceeds), or in the event of the designation of any Guarantor as an Unrestricted Subsidiary in accordance with the applicable provisions of the Indenture, the Guarantor's Guarantee will be released.

Each of the Guarantors is a Wholly Owned Restricted Subsidiary of the Company, and the Guarantors constitute all of the Company's direct and indirect subsidiaries. The Company is a holding company with no operations or material assets independent of those of the Guarantors, other than its

91

97

investment in the Guarantors, and the aggregate net assets, earnings and equity of the Guarantors and the Company are substantially equivalent to the net assets, earnings and equity of the Company on a consolidated basis. Separate financial statements and certain other disclosures concerning the Guarantors are not presented because such Guarantors are jointly and severally liable with respect to the Company's obligations pursuant to the Notes and because, in the opinion of management, such information is not material to investors.

CHANGE OF CONTROL

Upon the occurrence of a Change of Control, each Holder will have the right to require that the Company purchase all or a portion of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer"), at a purchase price equal to 101% of the principal amount thereof plus accrued interest to the date of purchase.

Within 30 days following the date upon which the Change of Control occurred, the Company must send, by first class mail, a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law (the "Change of Control Payment Date"). Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third business day prior to the Change of Control Payment Date. Holders will be entitled to withdraw their election if the Trustee or the Company receives not later than the third business day prior to the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing its election to have such Note purchased.

Prior to the mailing of the notice referred to above, but in any event within 30 days following any Change of Control, the Company covenants to:

(1) repay in full and terminate all commitments under Indebtedness under the Credit Agreement and all other Senior Debt the terms of which require repayment upon a Change of Control or offer to repay in full and terminate all commitments under all Indebtedness under the Credit Agreement and all other such Senior Debt and to repay the Indebtedness

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

owed to each lender which has accepted such offer; or

(2) obtain the requisite consents under the Credit Agreement and all other Senior Debt to permit the repurchase of the Notes as provided below.

The Company shall first comply with the covenant in the immediately preceding paragraph before it shall be required to repurchase Notes pursuant to the provisions described below. The Company's failure to comply with the covenant described in the immediately preceding paragraph may (with notice and lapse of time) constitute an Event of Default described in clause (3) but shall not constitute an Event of Default described in clause (2) under "Events of Default" below.

The Company will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

If a Change of Control Offer is made, there can be no assurance that the Company will have available funds sufficient to pay the Change of Control purchase price for all the Notes that might be delivered by Holders seeking to accept the Change of Control Offer. In the event the Company is required to purchase outstanding Notes pursuant to a Change of Control Offer, the Company expects that it would seek third party financing to the extent it does not have available funds to meet its purchase obligations.

92

98

However, there can be no assurance that the Company would be able to obtain such financing or that the terms of the Indenture would permit the incurrence of such financing.

The Credit Agreement currently prohibits the Company from repurchasing any Notes, and also provides that some change of control events with respect to the Company would constitute a default under the Credit Agreement. Any future credit agreements or other agreements relating to Senior Debt to which the Company becomes a party are likely to contain similar restrictions and provisions. In the event a Change of Control occurs at a time when the Company is prohibited from purchasing Notes, the Company could seek the consent of its senior lenders to the purchase of Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company does not obtain such a consent or refinance such borrowings, the Company will remain prohibited from purchasing Notes. In such case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture which would, in turn, constitute a default under such Senior Debt. In such circumstances, the subordination provisions in the Indenture would likely restrict payments to the holders of Notes.

Neither the Board of Directors of the Company nor the Trustee may waive the covenant relating to a Holder's right to repurchase upon a Change of Control. Restrictions in the Indenture described herein on the ability of the Company and its Restricted Subsidiaries to incur additional Indebtedness, to grant liens on its property, to make Restricted Payments and to make Asset Sales may also make more difficult or discourage a takeover of the Company, whether favored or opposed by the management of the Company. Consummation of any such transaction in certain circumstances may require redemption or repurchase of the Notes, and there can be no assurance that the Company or the acquiring party will have sufficient financial resources to effect such redemption or

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

repurchase. While such restrictions cover a wide variety of arrangements which have traditionally been used to effect highly leveraged transactions, the definition of "Change of Control" is limited in scope and the Indenture may not afford the Holders protection in all circumstances from the adverse aspects of a highly leveraged transaction, reorganization, restructuring, merger or similar transaction.

The definition of Change of Control includes a phrase relating to the sale, lease or other disposition of "all or substantially all" of the assets of the Company on a consolidated basis. Although there is a developing body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the point at which a holder of notes will be able to require the Company to repurchase its notes as a result of a sale, lease or other disposition of less than all of the assets of the Company on a consolidated basis to another Person or group is uncertain.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the "Change of Control" provisions of the Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the "Change of Control" provisions of the Indenture by virtue thereof.

CERTAIN COVENANTS

The Indenture contains, among others, the following covenants:

Limitation on Incurrence of Additional Indebtedness. The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume, guarantee, acquire, become liable, contingently or otherwise, with respect to, or otherwise become responsible for payment of (collectively, "incur") any Indebtedness (other than Permitted Indebtedness); provided, however, that if no Default or Event of Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of any such Indebtedness, the Company or any of its Restricted Subsidiaries that is or, upon such incurrence, becomes a Guarantor may incur Indebtedness (including, without limitation, Acquired Indebtedness) and any Restricted Subsidiary of the Company that is not or will not, upon such incurrence, become a Guarantor may incur Acquired Indebtedness, in each case if on the date of the

93

99

incurrence of such Indebtedness, after giving effect to the incurrence thereof, the Consolidated Fixed Charge Coverage Ratio of the Company is greater than 2.0 to 1.0.

Limitation on Restricted Payments. The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any distribution (other than dividends or distributions payable in Qualified Capital Stock of the Company) on or in respect of shares of the Company's Capital Stock to holders of such Capital Stock;

(2) purchase, redeem or otherwise acquire or retire for value any Capital Stock of the Company or any warrants, rights or options to purchase or acquire shares of any class of such Capital Stock;

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

(3) make any principal payment on, purchase, defease, redeem, prepay, decrease or otherwise acquire or retire for value, prior to any scheduled final maturity, scheduled repayment or scheduled sinking fund payment, any Indebtedness of the Company or a Guarantor that is subordinate or junior in right of payment to the Notes (except for the purchase, defeasance, redemption, prepayment or other acquisition of such subordinate or junior Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of acquisition); or

(4) make any Investment (other than Permitted Investments)

(each of the foregoing actions set forth in clauses (1), (2), (3) and (4) being referred to as a "Restricted Payment"); if at the time of such Restricted Payment or immediately after giving effect thereto,

(i) a Default or an Event of Default shall have occurred and be continuing; or

(ii) the Company is not able to incur at least \$1.00 of additional Indebtedness (other than Permitted Indebtedness) in compliance with the "Limitation on Incurrence of Additional Indebtedness" covenant; or

(iii) the aggregate amount of Restricted Payments (including such proposed Restricted Payment) made subsequent to the Issue Date shall exceed the sum of:

(v) 50% of the cumulative Consolidated Net Income (or if cumulative Consolidated Net Income shall be a loss, minus 100% of such loss) of the Company earned subsequent to December 31, 2000 and on or prior to the date the Restricted Payment occurs (the "Reference Date") (treating such period as a single accounting period); plus

(w) 100% of the aggregate net cash proceeds received by the Company from any Person (other than a Subsidiary of the Company) from the issuance and sale subsequent to the Issue Date and on or prior to the Reference Date of Qualified Capital Stock of the Company or warrants, options or other rights to acquire Qualified Capital Stock of the Company (but excluding any debt security that is convertible into, or exchangeable for, Qualified Capital Stock and excluding any net cash proceeds from a Public Equity Offering to the extent used to redeem the Notes in compliance with the provisions set forth under "Redemption-Optional Redemption Upon Public Equity Offerings"); plus

(x) the aggregate principal amount (or accreted value, if less) of Indebtedness of the Company issued since the Issue Date (other than Indebtedness issued to or held by a Subsidiary) that has been converted into Qualified Capital Stock (other than Capital Stock issued or sold to a Subsidiary);

94

100

(y) without duplication of any amounts included in clause (iii)(w) above, 100% of the aggregate net cash proceeds of any equity contribution received by the Company from a

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

holder of the Company's Capital Stock (excluding any net cash proceeds from a Public Equity Offering to the extent used to redeem the Notes in compliance with the provisions set forth under "Redemption -- Optional Redemption Upon Public Equity Offerings."); plus

(z) without duplication, the sum of:

(1) the aggregate amount returned in cash on or with respect to Investments (other than Permitted Investments) made subsequent to the Issue Date whether through interest payments, principal payments, dividends or other distributions or payments;

(2) the net cash proceeds received by the Company or any of its Restricted Subsidiaries from the disposition of all or any portion of such Investments (other than to a Subsidiary of the Company); and

(3) upon redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary, the fair market value of such Subsidiary; provided, however, that the sum of clauses (1), (2) and (3) above shall not exceed the aggregate amount of all such Investments made subsequent to the Issue Date.

Notwithstanding the foregoing, the provisions set forth in the immediately preceding paragraph do not prohibit:

(1) the payment of any dividend within 60 days after the date of declaration of such dividend if the dividend would have been permitted on the date of declaration;

(2) if no Default or Event of Default shall have occurred and be continuing, the acquisition of any shares of Capital Stock of the Company, either (i) solely in exchange for shares of Qualified Capital Stock of the Company or (ii) through the application of net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of the Company) of shares of Qualified Capital Stock of the Company;

(3) if no Default or Event of Default shall have occurred and be continuing, the acquisition of any Indebtedness of the Company that is subordinate or junior in right of payment to the Notes either (i) solely in exchange for shares of Qualified Capital Stock of the Company, or (ii) through the application of net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of the Company) of (a) shares of Qualified Capital Stock of the Company or (b) Refinancing Indebtedness;

(4) if no Default or Event of Default exists or would result therefrom, (A) the Company may pay amounts required for any repurchase, redemption or other acquisition for value of any capital stock or options to acquire capital stock of the Company held by any director, officer, employee or consultant of the Company or any of its Subsidiaries pursuant to any equity subscription agreement or stock option agreement or similar agreement, or otherwise upon their death, disability, retirement or termination of employment or departure from the board of directors of the Company (provided that the aggregate price paid for all such repurchased, redeemed, acquired or retired capital stock and options (other than payments described in clause (4)(B)) shall not exceed (x) \$2,000,000 in any twelve-month period or (y) \$5,000,000 in the aggregate from and after the Issue Date) and (B) the Company may pay amounts required under the Missouri Stock Option Agreements in effect on the Issue Date if the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

trading market for the common stock of the Company is not sufficiently liquid as provided therein in an aggregate amount not to exceed \$3.75 million in each of the four calendar years commencing with calendar year 2001; provided that unused amounts may be carried forward to succeeding years through the maturity date of the Notes;

95

101

(5) the redemption or repurchase of any Capital Stock or Indebtedness of the Company, including the Notes, if required by any Gaming Authority or if determined, in the good faith judgment of the Board of Directors, to be necessary to prevent the loss or to secure the grant or reinstatement of any gaming license or other right to conduct lawful gaming operations; and

(6) Restricted Payments in an amount not to exceed \$10.0 million in the aggregate.

In determining the aggregate amount of Restricted Payments made subsequent to the Issue Date in accordance with clause (iii) of the immediately preceding paragraph, amounts expended pursuant to clauses (1), (2) (ii), (3) (ii) (a), (4), (5) and (6) shall be included in such calculation. The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the assets or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

Limitation on Asset Sales. The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly consummate an Asset Sale unless:

(1) the Company or the applicable Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets or Capital Stock sold or issued or otherwise disposed of (as determined in good faith by the Company's Board of Directors);

(2) at least 75% of the consideration received by the Company or the Restricted Subsidiary, as the case may be, from such Asset Sale shall be in the form of cash or Cash Equivalents and is received at the time of such disposition; provided that, for purposes of this clause (2) the following will be considered "cash" or "Cash Equivalents":

(a) any Senior Debt or Guarantor Senior Debt that is assumed by the transferee of any such assets, to the extent the Company or such Restricted Subsidiary is released from any further liability; and

(b) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 30 days after receipt; and

(3) upon the consummation of an Asset Sale, the Company shall apply, or cause such Restricted Subsidiary to apply, the Net Cash Proceeds (excluding amounts received and considered as "cash" or "Cash Equivalents" pursuant to clause (2) (a)) relating to such Asset Sale within 365 days of receipt thereof either:

(a) to repay any Senior Debt or Guarantor Senior Debt and, in

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

the case of any Senior Debt or Guarantor Senior Debt under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility;

(b) to make an investment in properties and assets that replace the properties and assets that were the subject of such Asset Sale, in the Capital Stock of a Person that becomes a Restricted Subsidiary as a result of such investment and that is engaged primarily in a Permitted Line of Business or in properties and assets that will be used by the Company and its Restricted Subsidiaries in a Permitted Business ("Replacement Assets"); and/or

(c) a combination of prepayment and investment permitted by the foregoing clauses (3)(a) and (3)(b).

Pending the final application of any such Net Cash Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest such Net Cash Proceeds in any manner that is not prohibited by the Indenture. On the 366th day after an Asset Sale or such earlier date, if any, as the Board of Directors of the Company or of such Restricted Subsidiary determines not to apply the Net Cash

96

102

Proceeds relating to such Asset Sale as set forth in clauses (3)(a), (3)(b) and (3)(c) of the preceding paragraph (each, a "Net Proceeds Offer Trigger Date"), such aggregate amount of Net Cash Proceeds which have not been applied on or before such Net Proceeds Offer Trigger Date as permitted in clauses (3)(a), (3)(b) and (3)(c) of the preceding paragraph (each a "Net Proceeds Offer Amount") shall be applied by the Company or such Restricted Subsidiary to make an offer (the "Net Proceeds Offer") to all holders of Notes and, to the extent required by the terms of any Pari Passu Indebtedness, an offer to purchase to all holders of such Pari Passu Indebtedness, on a date (the "Net Proceeds Offer Payment Date") not less than 30 nor more than 60 days following the applicable Net Proceeds Offer Trigger Date, from all Holders (and holders of any such Pari Passu Indebtedness) on a pro rata basis, that amount of Notes (and Pari Passu Indebtedness) equal to the Net Proceeds Offer Amount at a price equal to 100% of the principal amount thereof to be purchased, plus accrued and unpaid interest thereon, if any, to the date of purchase; provided, however, that if at any time any non-cash consideration received by the Company or any Restricted Subsidiary of the Company, as the case may be, in connection with any Asset Sale is converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), then such conversion or disposition shall be deemed to constitute an Asset Sale hereunder and the Net Cash Proceeds thereof shall be applied in accordance with this covenant.

The Company may defer the Net Proceeds Offer until there is an aggregate unutilized Net Proceeds Offer Amount equal to or in excess of \$10.0 million resulting from one or more Asset Sales (at which time, the entire unutilized Net Proceeds Offer Amount, and not just the amount in excess of \$10.0 million, shall be applied as required pursuant to this paragraph).

In the event of the transfer of substantially all (but not all) of the property and assets of the Company and its Restricted Subsidiaries as an entirety to a Person in a transaction permitted under "-- Merger, Consolidation and Sale of Assets", which transaction does not constitute a Change of Control, the successor corporation shall be deemed to have sold the properties and assets of the Company and its Restricted Subsidiaries not so transferred for purposes of this covenant, and shall comply with the provisions of this covenant (other than the first paragraph of this covenant) with respect to such deemed sale as if it were an Asset Sale. In addition, the fair market value of such properties

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

and assets of the Company or its Restricted Subsidiaries deemed to be sold shall be deemed to be Net Cash Proceeds for purposes of this covenant.

Notwithstanding the first two paragraphs of this covenant, the Company and its Restricted Subsidiaries will be permitted to consummate an Asset Sale without complying with such paragraphs to the extent that:

(1) at least 75% of the consideration for such Asset Sale constitutes Replacement Assets; and

(2) such Asset Sale is for fair market value; provided that any consideration not constituting Replacement Assets received by the Company or any of its Restricted Subsidiaries in connection with any Asset Sale permitted to be consummated under this paragraph shall constitute Net Cash Proceeds subject to the provisions of the first two paragraphs of this covenant.

Each Net Proceeds Offer will be mailed to the record Holders as shown on the register of Holders within 25 days following the Net Proceeds Offer Trigger Date, with a copy to the Trustee, and shall comply with the procedures set forth in the Indenture. Upon receiving notice of the Net Proceeds Offer, Holders may elect to tender their Notes in whole or in part in integral multiples of \$1,000 in exchange for cash. To the extent Holders properly tender Notes and holders of Pari Passu Indebtedness properly tender such Indebtedness in an amount exceeding the Net Proceeds Offer Amount, the tendered Notes and Pari Passu Indebtedness will be purchased on a pro rata basis based on the aggregate amounts tendered (and the Trustee shall select the tendered Notes of tendering Holders on a pro rata basis (based on amounts of Notes tendered)). A Net Proceeds Offer shall remain open for a period of 20 business days or such longer period as may be required by law. Holders will be entitled to withdraw their tender if the Trustee or the Company receives not later than the third business day prior to the purchase date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note

97

103

which was delivered for purchase by the Holder and a statement that such Holder is withdrawing its election to have such Note purchased. Upon completion of a Net Proceeds Offer (including payment of the purchase price for Notes duly tendered) the Net Cash Proceeds that were the subject of such offer shall cease to be Net Cash Proceeds and the Company or Restricted Subsidiary that engaged in the Asset Sale, as applicable, may use the remaining Net Cash Proceeds for general corporate purposes.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the "Asset Sale" provisions of the Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the "Asset Sale" provisions of the Indenture by virtue thereof.

If the Company is required to make a Net Proceeds Offer, such offer may be subject to restrictions arising out of the terms of outstanding Senior Debt or Guarantor Senior Debt or other limitations comparable to the restrictions and limitations that may apply to offers to purchase notes following a Change of Control. See "Change of Control" and "Risk Factors -- Risks Related to the Notes."

Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries. The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary of the Company to:

(1) pay dividends or make any other distributions on or in respect of its Capital Stock;

(2) make loans or advances or to pay any Indebtedness or other obligation owed to the Company or any other Restricted Subsidiary of the Company; or

(3) transfer any of its property or assets to the Company or any other Restricted Subsidiary of the Company,

except for such encumbrances or restrictions existing under or by reason of:

(a) applicable law, including restrictions imposed by applicable gaming laws or any applicable Gaming Authority;

(b) the Notes, the Guarantees and the Indenture;

(c) customary non-assignment provisions of any contract or any lease governing a leasehold interest of any Restricted Subsidiary of the Company;

(d) any instrument governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries or the properties or assets of the Person so acquired;

(e) agreements existing on the Issue Date to the extent and in the manner such agreements are in effect on the Issue Date, including the Credit Agreement;

(f) the provisions of security or pledge agreements or mortgages (or similar agreements) granting a Permitted Lien or restricting transfers of the assets secured thereby;

(g) FF&E Financing, Purchase Money Indebtedness or Capitalized Lease Obligations for property acquired in the ordinary course of business that impose restrictions of the nature described in clause (3) above on the property so acquired; or

(h) an agreement governing Indebtedness incurred to Refinance the Indebtedness issued, assumed or incurred pursuant to an agreement referred to in clause (b), (d), (e), (f) or (g) above; provided, however, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness are not less favorable to the Company in any material respect as determined by the Board of Directors of the Company in their reasonable

and good faith judgment than the provisions relating to such encumbrance or restriction contained in agreements referred to in such clause (b), (d), (e), (f) or (g).

Limitation on Preferred Stock of Restricted Subsidiaries. The Company will

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

not permit any of its Restricted Subsidiaries that are not Guarantors to issue any Preferred Stock (other than to the Company or to a Wholly Owned Restricted Subsidiary of the Company) or permit any Person (other than the Company or a Wholly Owned Restricted Subsidiary of the Company) to own any Preferred Stock of any Restricted Subsidiary of the Company that is not a Guarantor.

Limitation on Liens. The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Company or any of its Restricted Subsidiaries whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless:

(1) in the case of Liens securing Indebtedness that is expressly subordinate or junior in right of payment to the Notes, the Notes are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens, in each case until such time as such Liens no longer secure other Indebtedness or obligations; and

(2) in all other cases, the Notes are equally and ratably secured, in each case until such time as such Liens no longer secure other Indebtedness or obligations, except for:

(a) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;

(b) Liens securing Senior Debt and Liens securing Guarantor Senior Debt;

(c) Liens securing the Notes and the Guarantees;

(d) Liens of the Company or a Guarantor on assets of any Restricted Subsidiary of the Company;

(e) Liens securing Refinancing Indebtedness which is incurred to Refinance any Indebtedness which has been secured by a Lien permitted under the Indenture and which has been incurred in accordance with the provisions of the Indenture; provided, however, that such Liens: (i) are not materially less favorable to the Holders and are not materially more favorable to the lienholders with respect to such Liens than the Liens in respect of the Indebtedness being Refinanced; and (ii) do not extend to or cover any property or assets of the Company or any of its Restricted Subsidiaries not securing the Indebtedness so Refinanced; and

(f) Permitted Liens.

Prohibition on Incurrence of Senior Subordinated Debt. The Company will not, and will not permit any Restricted Subsidiary that is a Guarantor to, directly or indirectly incur or suffer to exist Indebtedness that by its terms would rank senior in right of payment to the Notes or any Guarantee, as the case may be, and would rank subordinate in right of payment to any other Indebtedness of the Company or such Guarantor, as the case may be.

Merger, Consolidation and Sale of Assets. The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined

on a consolidated basis for the Company and the Company's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(a) the Company shall be the surviving or continuing corporation; or

(b) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and of the Company's Restricted Subsidiaries substantially as an entirety (the "Surviving Entity"):

(x) shall be a corporation organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; and

(y) shall expressly assume, by supplemental indenture (in form and substance satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Notes and the performance of every covenant of the Notes, the Indenture and the Registration Rights Agreement on the part of the Company to be performed or observed;

(2) immediately after giving effect to such transaction and the assumption contemplated by clause (1)(b)(y) above (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), the Company or such Surviving Entity, as the case may be, (a) shall have a Consolidated Net Worth equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction and (b) shall be able to incur at least \$1.00 of additional Indebtedness (other than Permitted Indebtedness) pursuant to the "-- Limitation on Incurrence of Additional Indebtedness" covenant;

(3) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (1)(b)(y) above (including, without limitation, giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing; and

(4) the Company or the Surviving Entity shall have delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Company the Capital Stock of which constitutes all or

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

substantially all of the properties and assets of the Company, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The Indenture provides that upon any consolidation, combination or merger or any transfer of all or substantially all of the assets of the Company in accordance with the foregoing, in which the Company is not the continuing corporation, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under the Indenture and the Notes with the same effect as if such surviving entity had been named as such, and the Company shall be released from the obligations under the Notes and the Indenture except in the case of a lease of the

100

106

Company's assets and except with respect to any obligations under the Notes and the Indenture that arise from, or related to, such transaction.

No Guarantor (other than any Guarantor whose Guarantee is to be released in accordance with the terms of the Guarantee and the Indenture in connection with any sale of such Guarantor in a transaction complying with the provisions of "-- Limitation on Asset Sales") will, and the Company will not cause or permit any Guarantor to, consolidate with or merge with or into any Person other than the Company or any other Guarantor unless:

(1) the entity formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, lease, conveyance or other disposition shall have been made is a corporation organized and existing under the laws of the United States or any State thereof or the District of Columbia;

(2) such entity assumes by supplemental indenture all of the obligations of the Guarantor on the Guarantee; and

(3) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing.

Any merger or consolidation of a Guarantor with and into the Company (with the Company being the surviving entity) or another Guarantor that is a Wholly Owned Restricted Subsidiary of the Company need only comply with clause (4) of the first paragraph of this covenant.

Limitations on Transactions with Affiliates. The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or permit to exist any transaction or series of related transactions (including, without limitation, the purchase, sale, lease or exchange of any property or the rendering of any service) with, or for the benefit of, any of its Affiliates (each an "Affiliate Transaction"), other than (x) Affiliate Transactions permitted under the third paragraph of this covenant and (y) Affiliate Transactions on terms that are no less favorable than those that might reasonably have been obtained in a comparable transaction at such time on an arm's-length basis from a Person that is not an Affiliate of the Company or such Restricted Subsidiary.

All Affiliate Transactions (and each series of related Affiliate Transactions which are similar or part of a common plan) involving aggregate payments or other property with a fair market value in excess of \$2.0 million shall be approved by the Board of Directors of the Company or such Restricted Subsidiary, as the case may be, such approval to be evidenced by a Board

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Resolution stating that such Board of Directors has determined in its good faith judgment that such transaction complies with the foregoing provisions. If the Company or any Restricted Subsidiary of the Company enters into an Affiliate Transaction (or a series of related Affiliate Transactions related to a common plan) that involves an aggregate fair market value of more than \$10.0 million, the Company or such Restricted Subsidiary, as the case may be, shall, prior to the consummation thereof, obtain a favorable opinion as to the fairness of such transaction or series of related transactions to the Company or the relevant Restricted Subsidiary, as the case may be, from a financial point of view, from an Independent Financial Advisor and file the same with the Trustee.

The restrictions set forth in the first and second paragraphs of this covenant shall not apply to:

(1) reasonable fees and compensation paid to, indemnity provided on behalf of, and any benefits provided pursuant to any employee benefit plan or any similar arrangement (including any option or stock purchase plan) on behalf of, officers, directors, employees or consultants of the Company or any Restricted Subsidiary of the Company as determined in good faith by the Company's Board of Directors or senior management;

(2) transactions exclusively between or among the Company and any of its Restricted Subsidiaries or exclusively between or among such Restricted Subsidiaries; provided that such transactions are not otherwise prohibited by the Indenture and; provided, further, in each case, that

101

107

no Affiliate of the Company (other than another Restricted Subsidiary or a director owning qualifying shares) owns Capital Stock of any such Restricted Subsidiary;

(3) any agreement as in effect as of the Issue Date or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) in any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date;

(4) loans or advances to officers or employees of the Company or any Restricted Subsidiary made in the ordinary course of business of the Company or such Restricted Subsidiary in accordance with the past practice of the Company; provided that any such loan in excess of \$250,000 must be approved by a majority of the members of the Board of Directors who are disinterested in the transaction;

(5) Restricted Payments permitted by the Indenture; and

(6) the issuance of Qualified Capital Stock.

Additional Subsidiary Guarantees. If the Company or any of its Restricted Subsidiaries transfers or causes to be transferred, in one transaction or a series of related transactions, any property to any Restricted Subsidiary that is not a Guarantor, or if the Company or any of its Restricted Subsidiaries shall organize, acquire or otherwise invest in another Restricted Subsidiary having total assets with a book value in excess of \$500,000, then, such transferee or acquired or other Restricted Subsidiary shall:

(1) execute and deliver to the Trustee a supplemental indenture in form reasonably satisfactory to the Trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Company's

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

obligations under the Notes and the Indenture on the terms set forth in the Indenture; and

(2) deliver to the Trustee an opinion of counsel that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and constitutes a legal, valid, binding and enforceable obligation of such Restricted Subsidiary. Thereafter, such Restricted Subsidiary shall be a Guarantor for all purposes of the Indenture.

Conduct of Business. The Company and its Restricted Subsidiaries will not engage in any businesses other than Permitted Lines of Business.

Reports to Holders. The Indenture provides that, whether or not required by the rules and regulations of the Commission, so long as any Notes are outstanding, the Company will furnish the Holders of Notes:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such Forms, including; (a) a "Management's Discussion and Analysis of Financial Condition and Results of Operations" that describes the financial condition and results of operations of the Company and its consolidated Subsidiaries (showing in reasonable detail, either on the face of the financial statements or in the footnotes thereto and in Management's Discussion and Analysis of Financial Condition and Results of Operations, the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company, if any), (b) information with respect to net revenues, EBITDA and operating income for the Company's principal operating subsidiaries and (c) with respect to the annual information only, a report thereon by the Company's certified independent accounts; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports, in each case within the time periods specified in the Commission's rules and regulations.

108

In addition, following the consummation of the exchange offer contemplated by the Registration Rights Agreement, whether or not required by the rules and regulations of the Commission, the Company will file a copy of all such information and reports with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission will not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition, the Company has agreed that, for so long as any Notes remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

GAMING APPROVALS

Restrictions on the transfer of the Capital Stock of the Company's License Subsidiaries licensed in Nevada, Missouri, Iowa, Mississippi or other jurisdictions, and agreements not to encumber such Capital Stock, in each case, in respect of the Notes, are not effective without the prior approval of the applicable Gaming Authorities. No License Subsidiary shall be subject to such restrictions until the earlier of such time (the "Applicable Date") as (1) prior

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

approval of such restrictions with respect to such License Subsidiary is received from the applicable Gaming Authorities or (2) a registered public offering of the notes is made pursuant to a prior approval of the applicable Gaming Authorities of such offering that includes a prior approval of such restrictions with respect to such License Subsidiary. Such prior approval has been obtained with respect to the Company's Licensed Subsidiaries in Missouri, Iowa and Mississippi as of the Issue Date. The Company shall use commercially reasonable efforts to cause the Applicable Date to occur for each other License Subsidiary at the earliest practicable time. For more information, see "Government Regulations."

Each Holder of a Note, by accepting any Note, agrees to be bound by the requirements imposed on holders of debt securities of the Company by the gaming authority of any jurisdiction of which the Company or any of its Subsidiaries conducts or proposes to conduct gaming activities. For a description of the regulatory requirements applicable to the Company, see "Government Regulation" herein.

EVENTS OF DEFAULT

The following events are defined in the Indenture as "Events of Default":

(1) the failure to pay interest on any Notes when the same becomes due and payable and the default continues for a period of 30 days (whether or not such payment shall be prohibited by the subordination provisions of the Indenture);

(2) the failure to pay the principal on any Notes, when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer or a Net Proceeds Offer) (whether or not such payment shall be prohibited by the subordination provisions of the Indenture);

(3) a default in the observance or performance of any other covenant or agreement contained in the Indenture which default continues for a period of 30 days after the Company receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except in the case of a default with respect to the "Merger, Consolidation and Sale of Assets" covenant, which will constitute an Event of Default with such notice requirement but without such passage of time requirement);

(4) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 20 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other

such Indebtedness in default for failure to pay principal at final maturity or which has been accelerated (in each case with respect to which the 20-day period described above has elapsed), aggregates \$10.0 million or more at any time;

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

(5) one or more judgments in an aggregate amount in excess of \$10.0 million shall have been rendered against the Company or any of its Restricted Subsidiaries and such judgments remain undischarged, unpaid or unstayed for a period of 60 days after such judgment or judgments become final and non-appealable;

(6) certain events of bankruptcy affecting the Company or any of its Significant Subsidiaries;

(7) any Guarantee of a Significant Subsidiary ceases to be in full force and effect or any Guarantee of a Significant Subsidiary is declared to be null and void and unenforceable or any Guarantee of a Significant Subsidiary is found to be invalid or any Guarantor that is a Significant Subsidiary denies its liability under its Guarantee (other than by reason of release of a Guarantor in accordance with the terms of the Indenture); or

(8) any gaming license of the Company or any of its Restricted Subsidiaries is revoked, terminated or suspended or otherwise ceases to be effective, resulting in the cessation or suspension of operation for a period of more than 90 days of the casino business of any casino owned, leased or operated directly or indirectly by the Company or any of its Significant Subsidiaries (other than any voluntary relinquishment of a gaming license if such relinquishment is, in the reasonable, good faith judgment of the Board of Directors of the Company, evidenced by a resolution of such Board, both desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and not disadvantageous in any material respect to the Holders of Notes).

If an Event of Default (other than an Event of Default specified in clause (6) above with respect to the Company) shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Notes may declare the principal of and accrued interest on all the Notes to be due and payable by notice in writing to the Company and the Trustee specifying the respective Event of Default and that it is a "notice of acceleration" (the "Acceleration Notice"), and the same:

(1) shall become immediately due and payable; or

(2) if there are any amounts outstanding under the Credit Agreement, shall become immediately due and payable upon the first to occur of an acceleration under the Credit Agreement or 5 business days after receipt by the Company and the Representative under the Credit Agreement of such Acceleration Notice but only if such Event of Default is then continuing.

If an Event of Default specified in clause (6) above with respect to the Company occurs and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Indenture provides that, at any time after a declaration of acceleration with respect to the Notes as described in the preceding paragraph, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely

because of the acceleration;

(3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid;

104

110

(4) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances; and

(5) in the event of the cure or waiver of an Event of Default of the type described in clause (6) of the description above of Events of Default, the Trustee shall have received an officers' certificate and an opinion of counsel that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

The Holders of a majority in principal amount of the Notes may waive any existing Default or Event of Default under the Indenture, and its consequences, except a default in the payment of the principal of or interest on any Notes.

Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture and under the TIA. Subject to the provisions of the Indenture relating to the duties of the Trustee, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable indemnity. Subject to all provisions of the Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee.

Under the Indenture, the Company is required to provide an officers' certificate to the Trustee promptly upon any such officer obtaining knowledge of any Default or Event of Default (provided that such officers shall provide such certification at least annually whether or not they know of any Default or Event of Default) that has occurred and, if applicable, describe such Default or Event of Default and the status thereof. If a Default or Event of Default exists and is known to the Trustee, the Trustee must mail to each Holder notice of the Default or Event of Default no later than 30 days after it is known to a trust officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in the payment of principal of or interest on any Note, the Trustee may withhold notice if and so long as a committee of its trust officers in good faith determines that withholding such notice is in the interests of the Holders.

NO PERSONAL LIABILITY OF DIRECTORS, OFFICERS, EMPLOYEES OR STOCKHOLDERS

No director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. No director, officer, employee, incorporator or stockholder of any of the Guarantors, as such, shall have any liability for any obligations of the Guarantors under the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes and Guarantees by accepting a Note and a Guarantee waives and releases all such liabilities. The waiver and release are part of the consideration for issuance of the Notes and the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Guarantees. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the Commission that such a waiver is against public policy.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

The Company may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes ("Legal Defeasance"). Such Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Notes, except for:

(1) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due;

105

111

(2) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payments;

(3) the rights, powers, trust, duties and immunities of the Trustee and the Company's obligations in connection therewith; and

(4) the Legal Defeasance provisions of the Indenture.

In addition, the Company may, at its option and at any time, elect to have the obligations of the Company released with respect to certain covenants that are described in the Indenture ("Covenant Defeasance") and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to the Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, reorganization and insolvency events) described under "Events of Default" will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders cash in U.S. dollars, non-callable U.S. government obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States reasonably acceptable to the Trustee confirming that:

(a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(b) since the date of the Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such opinion of counsel shall confirm that, the Holders will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States reasonably acceptable to the Trustee confirming that the Holders will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Indenture or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company shall have delivered to the Trustee an officers' certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company or others;

106

112

(7) the Company shall have delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with;

(8) the Company shall have delivered to the Trustee an opinion of counsel to the effect that:

(a) the trust funds will not be subject to any rights of holders of Senior Debt, including, without limitation, those arising under the Indenture; and

(b) assuming no intervening bankruptcy of the Company between the date of deposit and the 91st day following the date of deposit and that no Holder is an insider of the Company, after the 91st day following the date of deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally or, in the case of Covenant Defeasance, will be subject to a first priority Lien in favor of the Trustee for the benefit of the Holders; and

(9) certain other customary conditions precedent are satisfied.

Notwithstanding the foregoing, the opinion of counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) will become due and payable on the maturity date within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

SATISFACTION AND DISCHARGE

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

The Indenture will be discharged and will cease to be of further effect (except as to surviving rights or registration of transfer or exchange of the Notes, as expressly provided for in the Indenture) as to all outstanding Notes when:

(1) either:

(a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable and the Company has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Company directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Company has paid all other sums payable under the Indenture by the Company; and

(3) the Company has delivered to the Trustee an officers' certificate and an opinion of counsel stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture have been complied with.

MODIFICATION OF THE INDENTURE

From time to time, the Company, the Guarantors and the Trustee, without the consent of the Holders, may amend the Indenture for certain specified purposes, including curing ambiguities, defects or inconsistencies. In formulating its opinion on such matters, the Trustee will be entitled to rely on such

107

113

evidence as it deems appropriate, including, without limitation, solely on an opinion of counsel. Other modifications and amendments of the Indenture may be made with the consent of the Holders of a majority in principal amount of the then outstanding Notes issued under the Indenture, except that, without the consent of each Holder affected thereby, no amendment may:

(1) reduce the amount of Notes whose Holders must consent to an amendment;

(2) reduce the rate of or change or have the effect of changing the time for payment of interest, including defaulted interest, on any Notes;

(3) reduce the principal of or change or have the effect of changing the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption or reduce the redemption price therefor;

(4) make any Notes payable in money other than that stated in the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Notes;

(5) make any change in provisions of the Indenture protecting the right of each Holder to receive payment of principal of and interest on such Note on or after the due date thereof or to bring suit to enforce such payment (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration), or permitting Holders of a majority in principal amount of Notes to waive Defaults or Events of Default;

(6) after the Company's obligation to make an offer to purchase Notes arises thereunder, amend, change or modify in any material respect the obligation of the Company to make and consummate a Change of Control Offer in the event of a Change of Control or make and consummate a Net Proceeds Offer with respect to any Asset Sale that has been consummated or, after such Change of Control has occurred or such Asset Sale has been consummated, modify any of the provisions or definitions with respect thereto;

(7) modify or change any provision of the Indenture or the related definitions affecting the subordination or ranking of the Notes or any Guarantee in a manner which adversely affects the Holders; or

(8) release any Guarantor that is a Significant Subsidiary from any of its obligations under its Guarantee or the Indenture otherwise than in accordance with the terms of the Indenture.

GOVERNING LAW

The Indenture provides that it, the Notes and the Guarantees will be governed by, and construed in accordance with, the laws of the State of New York but without giving effect to applicable principles of conflicts of law to the extent that the application of the law of another jurisdiction would be required thereby.

THE TRUSTEE

The Indenture provides that, except during the continuance of an Event of Default, the Trustee will perform only such duties as are specifically set forth in the Indenture. During the existence of an Event of Default, the Trustee will exercise such rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

The Indenture and the provisions of the TIA contain certain limitations on the rights of the Trustee, should it become a creditor of the Company, to obtain payments of claims in certain cases or to realize on certain property received in respect of any such claim as security or otherwise. Subject to the TIA, the Trustee will be permitted to engage in other transactions; provided that if the Trustee acquires any conflicting interest as described in the TIA, it must eliminate such conflict or resign.

In addition to and without limitation of the foregoing, for purposes of this definition, "Consolidated EBITDA" and "Consolidated Fixed Charges" shall be calculated after giving effect on a pro forma basis for the period of such calculation to:

(1) the incurrence or repayment of any Indebtedness of such Person or any of its Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to working capital facilities, occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on

(1) result in an increase in the aggregate principal amount of Indebtedness of such Person as of the date of such proposed Refinancing (plus the amount of any premium required to be paid under the terms of the instrument governing such Indebtedness and plus the amount of reasonable expenses incurred by the Company in connection with such Refinancing); or

(2) create Indebtedness with: (a) a Weighted Average Life to Maturity that is less than the Weighted Average Life to Maturity of the Indebtedness being Refinanced; or (b) a final maturity earlier than the final maturity of the Indebtedness being Refinanced; provided that (x) if such Indebtedness being Refinanced is Indebtedness of the Company, then such Refinancing Indebtedness shall be Indebtedness solely of the Company and (y) if such Indebtedness being Refinanced is subordinate or junior to the Notes, then such Refinancing Indebtedness shall be subordinate to the

Without limiting the generality of the foregoing, "Senior Debt" shall also include the principal of, premium, if any, interest (including any interest accruing subsequent to the filing of a petition of bankruptcy at the rate provided for in the documentation with respect thereto, whether or not such interest is an allowed claim under applicable law) on, and all other amounts owing in respect of:

(5) any liability for federal, state, local or other taxes owed or owing by the Company;

(6) that portion of any Indebtedness incurred in violation of the Indenture provisions set forth under "Limitation on Incurrence of Additional Indebtedness" (but, as to any such obligation, no such violation shall be deemed to exist for purposes of this clause (6) if the holder(s) of such obligation or their representative shall have received an officers' certificate of the Company to the effect that the incurrence of such Indebtedness does not (or, in the case of revolving credit indebtedness, that the incurrence of the entire committed amount thereof at the date on which the initial borrowing thereunder is made would not) violate such provisions of the Indenture);

(1) the Company certifies to the Trustee that such designation complies with the "Limitation on Restricted Payments" covenant; and

(2) each Subsidiary to be so designated and each of its Subsidiaries has not at the time of designation, and does not thereafter,

123

129

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary only if:

"Weighted Average Life to Maturity" means, when applied to any Indebtedness at any date, the number of years obtained by dividing (a) the then outstanding aggregate principal amount of such Indebtedness into (b) the sum of the total of the products obtained by multiplying (i) the amount of each then remaining installment, sinking fund, serial maturity or other required payment of principal, including payment at final maturity, in respect thereof, by (ii) the number of years (calculated to the nearest one-twelfth) which will elapse between such date and the making of such payment.

"Wholly Owned Restricted Subsidiary" of any Person means any Wholly Owned Subsidiary of such Person which at the time of determination is a Restricted Subsidiary of such Person.

"Wholly Owned Subsidiary" of any Person means any Subsidiary of such Person of which all the outstanding voting securities (other than in the case of a foreign Subsidiary, directors' qualifying shares or an immaterial amount of shares required to be owned by other Persons pursuant to applicable law) are owned by such Person or any Wholly Owned Subsidiary of such Person.

EXCHANGE OFFER; REGISTRATION RIGHTS

Ameristar, the guarantors and the initial purchasers of the old notes entered into a registration rights agreement, dated as of February 2, 2001 (the "Registration Rights Agreement"), pursuant to which each of Ameristar and the guarantors have agreed that they will, at their expense, for the benefit of the holders of the notes (the "Holders"), (i) within 75 days after the issue date of the old notes (the "Filing Date"), file a registration statement on an appropriate registration form (the "Exchange Offer Registration Statement") with respect to a registered offer (the "Exchange Offer") to exchange the notes for notes (the "Exchange Notes") of Ameristar, guaranteed on a senior subordinated basis by the guarantors, which Exchange Notes will have terms substantially identical in all material respects to the notes (except that the Exchange Notes will not contain terms with respect to transfer restrictions) and (ii) cause the Exchange Offer Registration Statement to be declared effective under the Securities Act within 145 days after the Issue Date. Upon the Exchange Offer

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Registration Statement being declared effective, Ameristar will offer the Exchange Notes (and the related guarantees) in exchange for surrender of the notes. Ameristar will keep the Exchange Offer open for not less than 30 days (or longer if required by applicable law) after the date notice of the Exchange Offer is mailed to the Holders. For each of the notes surrendered to Ameristar pursuant to the Exchange Offer, the Holder who surrendered such note will receive an Exchange Note having a principal amount equal to that of the surrendered note. Interest on each Exchange Note will accrue (A) from the later of (i) the last interest payment date on which interest was paid on the note surrendered in exchange therefor, or (ii) if the note is surrendered for exchange on a date in a period which includes the record date for an interest payment date to occur on or after the date of such exchange and as to which interest will be paid, the date of such interest payment date or (B) if no interest has been paid on such note, from February 2, 2001 (the "Issue Date").

Under existing interpretations of the Commission contained in several no-action letters to third parties, the Exchange Notes and the related guarantees will be freely transferable by holders thereof (other than affiliates of Ameristar) after the Exchange Offer without further registration under the Securities Act; provided, however, that each Holder that wishes to exchange its notes for Exchange Notes will be required to represent (i) that any Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) that at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any person to participate in the distribution (within the meaning of Securities Act) of the Exchange Notes in violation of the Securities Act, (iii) that it is not an "affiliate" (as defined in Rule 405 promulgated under Securities Act) of Ameristar, (iv) if such Holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of Exchange Notes and (v) if such Holder is a broker-dealer (a "Participating Broker-Dealer") that will receive Exchange Notes for its own account in exchange for notes that were acquired as a result of market-making or other trading activities, that it will deliver a prospectus in connection with any resale of such Exchange Notes. Ameristar will agree to make available, during the period required by the Securities Act, a prospectus meeting the requirements of the Securities Act for use by Participating Broker-Dealers and other persons, if any, with similar prospectus delivery requirements for use in connection with any resale of Exchange Notes.

If (i) because of any change in law or in currently prevailing interpretations of the Staff of the Commission, Ameristar is not permitted to effect the Exchange Offer, (ii) the Exchange Offer is not consummated within 175 days of the issuance of the Issue Date or (iii) in certain circumstances, certain holders of unregistered Exchange Notes so request, or (iv) in the case of any Holder that participates in the Exchange Offer, such Holder does not receive Exchange Notes on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of Ameristar or within the meaning of the Securities Act), then in each case, Ameristar will (x) promptly, but in any event, no later than five business days after any of the events listed in clauses (i) through (iv) above, deliver to the Holders and the Trustee written notice thereof (a "Shelf Notice") and (y) at its sole expense, (a) as promptly as practicable, file a shelf registration statement covering resales of the notes (the "Shelf Registration Statement"), (b) use its best efforts to keep effective the Shelf Registration Statement until the earlier of two years after the Issue Date or such time as all of the applicable notes have been sold thereunder. Ameristar will, in the event that a Shelf Registration Statement is filed, provide to each Holder copies of the prospectus that is a part of the Shelf

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Registration Statement, notify each such Holder when the Shelf Registration Statement for the notes has become effective and take certain other actions as are required to permit unrestricted resales of the notes. A Holder that sells notes pursuant to the Shelf Registration Statement will be required to be named as a selling security holder in the related prospectus and to deliver a prospectus to purchasers, will be subject to certain of the civil liability provisions under Securities Act in connection with such sales and will be bound by the provisions of the Registration Rights Agreement that are applicable to such a Holder (including certain indemnification rights and obligations).

If Ameristar fails to meet the targets listed above, then additional interest (the "Additional Interest") shall become payable in respect of the notes as follows:

(i) if (A) neither the Exchange Offer Registration Statement nor the Shelf Registration Statement is filed with the Commission on or prior to 75 days after the Issue Date or on or prior to 75 days after delivery of a Shelf Notice, respectively, or (B) notwithstanding that Ameristar has consummated or will consummate the Exchange Offer, Ameristar is required to file a Shelf Registration Statement and such Shelf Registration Statement is not filed on or prior to the date required by the Registration Rights Agreement, then commencing on the day after either such lapsed filing date, Additional Interest shall accrue on the principal amount of the notes at a rate of 0.50% per annum for the first 90 days immediately following each such filing date, such Additional Interest rate increasing by an additional 0.50% per annum at the beginning of each subsequent 90-day period; or

(ii) if (A) neither the Exchange Offer Registration Statement nor a Shelf Registration Statement is declared effective by the Commission on or prior to 145 days after the Issue Date or (B) notwithstanding that Ameristar has consummated or will consummate the Exchange Offer, Ameristar is required to file a Shelf Registration Statement and such Shelf Registration Statement is not declared effective by the Commission on or prior to the date required by the Registration Rights Agreement, then, commencing on the day after either such required effective date, Additional Interest shall accrue on the principal amount of the notes at a rate of 0.50% per annum for the first 90 days immediately following such date, such Additional Interest rate increasing by an additional 0.50% per annum at the beginning of each subsequent 90-day period; or

(iii) if (A) Ameristar has not exchanged Exchange Notes for all notes validly tendered in accordance with the terms of the Exchange Offer on or prior to the 175th day after the Issue Date or (B) if applicable, the Shelf Registration Statement has been declared effective and such Shelf Registration Statement ceases to be effective at any time prior to the second anniversary of the Issue Date (other than after such time as all notes have been disposed of thereunder), then Additional Interest shall accrue on the principal amount of the notes at a rate of 0.50% per annum for the first 90 days commencing on (x) the 176th day after the Issue Date, in the case of (A) above, or (y) the day such Shelf Registration Statement ceases to be effective, in the case of (B) above, such Additional Interest rate increasing by an additional 0.50% per annum at the beginning of each subsequent 90-day period;

provided, however, that the Additional Interest rate on the notes may not accrue under more than one of the foregoing clauses (i) - (iii) at any one time and at no time shall the aggregate amount of Additional Interest accruing exceed in the aggregate 2.0% per annum; provided, further, however, that (1) upon the filing of the Exchange Offer Registration Statement or a Shelf Registration Statement (in the case of clause (i) above), (2) upon the effectiveness of the Exchange Offer Registration Statement or a Shelf Registration Statement (in the case of

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

clause (ii) above), or (3) upon the exchange of Exchange Notes for all notes tendered (in the case of clause (iii)(A) above), or upon the effectiveness of the Shelf Registration Statement which had ceased to remain effective (in the case of clause (iii)(B) above), Additional Interest on the notes as a result of such clause (or the relevant subclause thereof), as the case may be, shall cease to accrue.

Any amounts of Additional Interest due pursuant to clause (i), (ii) or (iii) above will be payable in cash on the same original interest payment dates as the old notes.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following is a general discussion of United States federal tax consequences associated with the exchange of old notes for exchange notes and of the ownership and disposition of the exchange notes by an initial beneficial owner of the exchange notes. The discussion below is based upon current provisions of the Internal Revenue Code of 1986, as amended (the "Code"), applicable Treasury Regulations, judicial authority and administrative rulings and practice, any of which may be altered with retroactive effect thereby changing the federal tax consequences discussed below. The tax treatment of the holders of the exchange notes may vary depending upon their particular situations. In addition, certain other holders, including insurance companies, tax exempt organizations, financial institutions and broker-dealers, may be subject to special rules not discussed below. We will not seek a ruling from the Internal Revenue Service (the "IRS") with respect to any of the matters discussed in this prospectus and there can be no assurance that the IRS will not challenge one or more of the tax consequences described below. PROSPECTIVE INVESTORS ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE UNITED STATES FEDERAL TAX CONSEQUENCES OF ACQUIRING, HOLDING AND DISPOSING OF EXCHANGE NOTES, AS WELL AS ANY TAX CONSEQUENCES THAT MAY ARISE UNDER THE LAWS OF ANY FOREIGN, STATE, LOCAL OR OTHER TAXING JURISDICTION AND THE POSSIBLE EFFECTS ON YOU OF CHANGES IN U.S. FEDERAL OR OTHER TAX LAWS.

THE EXCHANGE OFFER

The exchange of old notes for exchange notes pursuant to this exchange offer should not be treated as an "exchange" for United States federal income tax purposes because the exchange notes will not be considered to differ materially in kind or extent from the old notes. Rather, any exchange notes received by you should be treated as a continuation of your investment in the old notes. As a result, there should be no United States federal income tax consequences to you resulting from the exchange offer. In addition, you should have the same adjusted issue price, adjusted basis, and holding period in the exchange notes as you had in the old notes immediately prior to the exchange.

NON-UNITED STATES HOLDERS

The following is a general discussion of United States federal income and estate tax consequences of the acquisition, ownership, and disposition of the exchange notes by an initial beneficial owner of the exchange notes that, for United States federal income tax purposes, is not a "United States person" (a "Non-United States Holder"). United States persons acquiring the exchange notes are subject to different rules than those discussed below. For purposes of this discussion, a "United States person" means a citizen or resident of the United States, a corporation, partnership or other entity created or organized in the United States or under the laws of the United States or of any political subdivision thereof, an estate whose income is includible in gross income for United States federal income tax purposes regardless of its source or a trust,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

if a United States court is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust. "United States" refers to the United States of America, including the States and the District of Columbia, and United States possessions, which include, Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island, and Northern Mariana Islands.

INTEREST

Generally, interest income of a Non-United States Holder that is not effectively connected with a United States trade or business will be subject to a United States federal income tax and withholding tax at a 30% rate, or, if applicable, a lower rate as is prescribed by an income tax treaty between the United States and your country of residence. However, interest paid on a note by us or our paying agent to a Non-United States Holder will qualify for the so-called "portfolio-interest exemption" and, therefore, will not be subject to United States federal income tax or withholding tax provided that such interest income is

127

133

not effectively connected with a United States trade or business of the Non-United States Holder and provided that:

- the Non-United States Holder does not actually or constructively own 10% or more of the total combined voting power of all classes of stock of our company that is entitled to vote;
- the Non-United States Holder is not
 - a controlled foreign corporation related to our company actually or constructively through the stock ownership rules under Section 864(d)(4) of the Code,
 - a bank which acquired the note in consideration for an extension of credit made pursuant to a loan agreement entered into in the ordinary course of business, or
 - a foreign tax exempt organization or a foreign private foundation for United States federal income tax purposes;
- the interest paid to the Non-United States Holder is not considered contingent interest under Section 871(h)(4) of the Code and the regulations thereunder, and
- either
 - the Non-United States Holder provides to our company or our paying agent a Form W-8BEN, or suitable substitute form, signed under penalties of perjury that includes its name and address and certifies that the holder is not a United States person, or
 - the Non-United States Holder provides a Form W-8BEN, or a suitable substitute form or other appropriate documentation, signed under the penalties of perjury to a qualified intermediary, such as a securities clearing organization, bank, or other financial institution, which in turn provides to us or our paying agent a Form W-8IMY. The certificates described in this paragraph are effective only with respect to payments of interest made to the certifying Non-United States

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Holder after the issuance of the certificate, in the calendar year of its issuance, and the two immediately succeeding calendar years.

Except to the extent that an applicable treaty otherwise provides, interest received by a Non-United States Holder that is effectively connected with a United States trade or business conducted by such holder will be taxed at the graduated rates applicable to United States persons. Effectively connected interest received by a corporate Non-United States Holder may also, under certain circumstances, be subject to an additional "branch profits tax" at a 30% rate, or, if applicable, a lower treaty rate. Even though such effectively connected interest will be subject to federal income tax, and possibly subject to the branch profits tax, it will not be subject to withholding if the Non-United States Holder delivers a properly executed IRS Form W-8ECI to us or our agent.

GAIN ON DISPOSITION

A Non-United States Holder will generally not be subject to United States federal income tax on gain realized on a sale, redemption or other disposition of a note unless

- the gain is effectively connected with the conduct of a trade or business within the United States by the Non-United States Holder, or
- in the case of a Non-United States Holder who is a nonresident alien individual and holds the note as a capital asset, such holder is present in the United States for 183 or more days in the taxable year and certain other requirements are met.

If a Non-United States Holder falls under clause (i) in the preceding paragraph, the holder will be taxed on the net gain derived from the sale under the graduated United States federal income tax rates that are applicable to United States persons and, if the Non-United States Holder is a foreign corporation,

128

134

it may also be subject to the branch profits tax described above. Even though the effectively connected income will be subject to federal income tax, and possibly subject to the branch profits tax, it will not be subject to withholding if the Non-United States Holder delivers a properly executed IRS Form W-8ECI to us or our agent. If an individual Non-United States Holder falls under clause (ii) in the preceding paragraph, the holder generally will be subject to United States federal income tax at a rate of 30% on the amount by which the gain derived from the sale from sources within the United States were to exceed such holder's capital losses allocable to sources within the United States for the taxable year of the sale.

FEDERAL ESTATE TAXES

If interest on the notes is exempt from withholding of United States federal income tax under the rules described above, the notes will not be included in the estate of a deceased Non-United States Holder for United States federal estate tax purposes.

BACKUP WITHHOLDING AND INFORMATION REPORTING

We will, when required, report to the IRS and to each Non-United States Holder the amount of any interest paid on the exchange notes in each calendar

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

year, and the amount of tax withheld, if any, with respect to the payments.

Treasury Regulations provide that backup withholding and additional information reporting will not apply to payments on the notes by us to a Non-United States Holder if the holder certifies as to its status as a Non-United States Holder under penalties of perjury or otherwise establishes an exemption, provided that neither we nor our Paying Agent has actual knowledge that the holder is a United States person or that the conditions of any other exemption are not, in fact, satisfied.

The payment of the proceeds from the disposition of the notes to or through the United States office of any broker, United States or foreign, will be subject to information reporting and possible backup withholding at a rate of 31%, unless the owner certifies as to its status as a Non-United States Holder under penalties of perjury or otherwise establishes an exemption, provided that the broker does not have actual knowledge that the holder is a United States person or that the conditions of any other exemption are not, in fact, satisfied. The payment of the proceeds from the disposition of a note to or through a non-United States office of a non-United States broker that is not a United States related person will not be subject to information reporting or backup withholding. In the case of the payment of proceeds from the disposition of a note to or through a non-United States office of a broker that is either a United States person or a United States related person, information reporting is required on the payment unless the broker has documentary evidence in its files that the owner is a Non-United States Holder and the broker has no actual knowledge to the contrary. Backup withholding will not apply to payments made through foreign offices of a broker that is a United States person or a United States related person, absent actual knowledge that the payee is a United States person. For purposes of this paragraph, a "United States related person" is

- a "controlled foreign corporation" for United States federal income tax purposes,
- a foreign person 50% or more of whose gross income from all sources for the three-year period ending with the close of its taxable year preceding the payment, or for such part of the period that the broker has been in existence, is derived from activities that are effectively connected with the conduct of a United States trade or business, or
- with respect to payments made after December 31, 2000, a foreign partnership that, at any time during its taxable year, is 50% or more, by income or capital interest, owned by United States persons or is engaged in the conduct of a United States trade or business. Recently adopted Treasury Regulations provide certain presumptions under which a Non-United States Holder will be subject to backup withholding and information reporting unless the Non-United States Holder provides a certification as to its Non-United States Holder status.

129

135

Any amounts withheld under the backup withholding rules from a payment to a Non-United States Holder will be allowed as a refund or a credit against such Non-United States Holder's United States federal income tax liability provided that the requisite procedures are followed.

The Treasury Department recently promulgated final regulations regarding the withholding and information reporting rules discussed above. In general, these regulations do not significantly alter the substantive withholding and information reporting requirements but rather unify current certification

procedures and forms and clarify reliance standards. In addition, these regulations impose more stringent conditions on the ability of financial intermediaries acting for a Non-United States Holder to provide certifications on behalf of the holder, which may include entering into an agreement with IRS to audit certain documentation with respect to such certifications. These regulations are generally effective for payments made after December 31, 2000, subject to certain transition rules. You should consult your own tax advisor to determine the effects of the application of these regulations to your particular circumstances.

THE FEDERAL TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND MAY NOT BE APPLICABLE DEPENDING UPON A HOLDER'S PARTICULAR SITUATION. HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS WITH RESPECT TO THE TAX CONSEQUENCES TO THEM OF THE OWNERSHIP AND DISPOSITION OF THE NOTES, INCLUDING THE TAX CONSEQUENCES UNDER STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN FEDERAL OR OTHER TAX LAWS.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding exchange notes where such outstanding exchange notes were acquired as a result of market-making activities or other trading activities.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act, and any profit on any such resale of exchange notes and any commissions or concessions received by such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

We will promptly send additional copies of this prospectus and any amendment or supplement to this Prospectus to any broker-dealer that requests such documents in the letter of transmittal. We have agreed to pay all expenses incident to the exchange offer other than commissions or concessions of any brokers or dealers and will indemnify original holders of the outstanding exchange notes, including any broker-dealers, against certain liabilities, including certain liabilities under the Securities Act.

We have not entered into any arrangements or understandings with any person to distribute the exchange notes to be received in the exchange offer.

AMERISTAR CASINOS, INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 -- PRINCIPLES OF CONSOLIDATION AND BASIS OF PRESENTATION

The accompanying condensed consolidated financial statements include the accounts of Ameristar Casinos, Inc. ("Ameristar" or "ACI") and its wholly owned subsidiaries (collectively, the "Company"). The Company's principal subsidiaries, all of which are wholly owned, are Ameristar Casino Kansas City, Inc. ("ACKCI"), Ameristar Casino St. Charles, Inc. ("ACSCI"), Ameristar Casino Council Bluffs, Inc. ("ACCBi"), Ameristar Casino Vicksburg, Inc. ("ACVI") and Cactus Pete's, Inc. ("CPI"). ACI also owns A.C. Food Services, Inc. ("ACFSI"), a purchasing subsidiary, Ameristar Casino St. Louis, Inc. ("ACSLI"), a subsidiary organized to pursue a gaming license in South St. Louis County, Missouri, and Ameristar Casino Las Vegas, Inc. ("ACLVI"), a subsidiary that owned The Reserve Hotel Casino until it was sold in late January 2001. All significant intercompany transactions have been eliminated.

ACKCI owns a master-planned gaming and entertainment facility in Kansas City, Missouri, which features a casino, hotel, cinema multiplex and restaurants. ACSCI owns a riverboat casino in St. Charles, Missouri that serves the St. Louis metropolitan area. The Company currently expects to invest approximately \$110 million for the construction of a new casino-entertainment facility at Ameristar St. Charles, expected to be completed in mid-2002, that will include a significantly larger casino and add other amenities. ACCBi owns and operates Ameristar Council Bluffs, a riverboat casino and related hotel and other land-based facilities in Council Bluffs, Iowa. ACVI owns and operates Ameristar Vicksburg, a riverboat-themed dockside casino and related hotel and other land-based facilities in Vicksburg, Mississippi. CPI owns and operates two casino-hotels in Jackpot, Nevada -Cactus Petes Resort Casino and The Horseshu Hotel and Casino. ACLVI owned and operated The Reserve Hotel Casino in Henderson, Nevada, until it sold the property in late January 2001.

The accompanying condensed consolidated financial statements have been prepared by the Company, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Accordingly, the condensed consolidated financial statements do not include all of the disclosures required by generally accepted accounting principles. However, the accompanying unaudited condensed consolidated financial statements do contain all adjustments that, in the opinion of management, are necessary to present fairly the Company's financial position and its results of operations for the interim periods included therein. The interim results reflected in the condensed consolidated financial statements are not necessarily indicative of results to be expected for the full fiscal year.

Certain reclassifications, having no effect on net income, have been made to the prior period's condensed consolidated financial statements to conform to the current period's presentation. The Company's players' clubs allow customers to earn certain complimentary services and/or cash rebates based on the volume of the customers' gaming activity. The Emerging Issues Task Force ("EITF") Issue 00-22, "Accounting for 'Points' and Certain Other Time-Based or Volume-Based Sales Incentive Offers, and Offers for Free Products or Services to be Delivered in the Future" ("EITF 00-22"), was effective beginning in the first quarter of 2000 and requires that progress towards earning points be recorded as a reduction of revenue, including reclassifying prior period amounts. Previously, the Company accounted for its players' clubs in accordance with EITF 00-22, except that the Company recorded the charge for progress towards the complimentary services/cash rebates as a casino department expense. The Company has reclassified these charges, which totaled \$1.7 million and \$4.2 million for the quarters ended March 31, 2000 and March 31, 2001, respectively, as a reduction of casino revenue.

The accompanying condensed consolidated financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000.

AMERISTAR CASINOS, INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

NOTE 2 -- NOTES PAYABLE AND LONG-TERM DEBT

The Company's principal long term debt is comprised of \$475 million in senior credit facilities (the "Senior Credit Facilities") and \$380 million in aggregate principal amount of 10 3/4% Senior Subordinated Notes due 2009 (the "Senior Subordinated Notes"). At March 31, 2001, \$343.7 million was outstanding under the Senior Credit Facilities. The Senior Credit Facilities consist of a revolving credit facility (\$75 million), a revolving credit/term loan facility

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

(\$75 million) and term loans A (\$50 million), B (\$148.1 million) and C (\$126.9 million). Each of these facilities bears interest at a variable rate based on LIBOR or the prime rate plus a margin. For the revolving credit facility, the revolving credit/term loan facility and the term loan A, the interest rate margin fluctuates based on the Company's leverage ratio, which is the ratio of the Company's consolidated debt to latest twelve months EBITDA, as defined, and ranges from 1.50 percent to 3.25 percent in the case of LIBOR loans and from 0.50 percent to 2.25 percent in the case of prime rate loans. For term loans B and C, the margins are fixed at 3.75 percent and 4.00 percent, respectively, in the case of LIBOR loans, and at 2.75 percent and 3.00 percent, respectively, in the case of prime rate loans.

Each of the revolving credit facility, the revolving credit/term loan facility and the term loan A mature on December 20, 2005. The term loan B matures on December 20, 2006 and the term loan C matures on December 20, 2007. The term loan A is subject to mandatory quarterly principal repayments increasing from \$0.6 million in the first quarter of 2001 to \$4.4 million in 2005. The term loan B is subject to mandatory quarterly principal repayments of \$0.4 million from the first quarter of 2001 through 2005 and of \$35.2 million per quarter in 2006. The term loan C is subject to mandatory quarterly principal repayments of \$0.3 million from the first quarter of 2001 through 2006 and of \$29.8 million per quarter in 2007.

The Senior Credit Facilities contain certain affirmative and negative covenants, including restrictions on the incurrence of additional indebtedness, restrictions on dividend payments and other restrictions, as well as promises to maintain certain financial ratios and tests within defined parameters. As of March 31, 2001, the Company was in compliance with all of the covenants in the Senior Credit Facilities. As of March 31, 2001, the Company was limited to a 3.25:1 senior debt ratio (senior debt divided by EBITDA), and a 5.25:1 total debt ratio (total debt divided by EBITDA). As of March 31, 2001, the Company's senior debt and total debt ratios were 2.27:1 and 4.85:1, respectively. As of March 31, 2001, the Company was required to maintain a minimum fixed charge coverage ratio (EBITDA divided by fixed charges, as defined) of 1.50:1. As of March 31, 2001, the Company's fixed charge coverage ratio was 2.04:1. The Senior Credit Facilities also require the Company to maintain a consolidated tangible net worth (as defined) of at least \$23 million plus 50 percent of net income (without any reduction for net losses) as of the end of each quarter plus net proceeds of certain future equity offerings. As of March 31, 2001, the Company's consolidated tangible net worth was \$9.2 million more than required by this covenant. The Senior Credit Facilities are guaranteed by all of Ameristar's subsidiaries and are secured by first priority security interests on substantially all of the Company's real and personal property, including the capital stock of Ameristar's subsidiaries.

The Company has an interest rate collar agreement with Wells Fargo Bank to manage interest expense, which is subject to fluctuation due to the variable-rate nature of the debt under the Senior Credit Facilities. Under the agreement, which covers \$50 million of LIBOR borrowings under the revolving credit/term loan facility and the term loan A of the Senior Credit Facilities, the Company has a LIBOR floor rate of 5.39 percent and a LIBOR ceiling rate of 6.75 percent, plus the applicable margin. The agreement terminates on June 30, 2003. The Company adopted SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities," in the first quarter of 2001. SFAS No. 133 requires that derivative financial instruments be recognized as assets or liabilities, with changes in fair value affecting net income or comprehensive income,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

depending on the effectiveness of the instrument as a hedge. As a result, the Company recognized (1) the value of the collar agreement (\$0.8 million at March 31, 2001) as

F-6

144

AMERISTAR CASINOS, INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

a liability, (2) a cumulative effect of change in accounting principle of \$0.1 million, net of tax, for the value of the agreement upon adoption of SFAS No. 133, and (3) additional interest expense of \$0.7 million for the quarter ended March 31, 2001.

In April 2001, the Company entered into a swap arrangement with Deutsche Bank AG pursuant to which it has fixed the interest rate of \$100 million of LIBOR borrowings under the Senior Credit Facilities at 5.07% (plus the applicable margin). This swap arrangement, which expires March 31, 2004, applies to all of the facilities under the Senior Credit Facilities on a pro rata basis. The Company continues to monitor interest rate markets and may enter into interest rate collar or swap agreements for additional amounts of principal under the Senior Credit Facilities as market conditions warrant.

The Senior Subordinated Notes are unsecured and rank junior to all of the Company's existing and future senior debt, including borrowings under the Senior Credit Facilities. Pursuant to the terms of a registration rights agreement, the Company expects to offer to exchange the Senior Subordinated Notes with notes having substantially identical terms that have been registered with the Securities and Exchange Commission.

All of the Company's current subsidiaries (the "Guarantors") have jointly and severally, and fully and unconditionally, guaranteed the Senior Subordinated Notes. Each of the Guarantors is a wholly owned subsidiary of the Company, and the Guarantors constitute all of the Company's direct and indirect subsidiaries. The Company is a holding company with no operations or material assets independent of those of the Guarantors, other than its investment in the Guarantors, and the aggregate assets, liabilities, earnings and equity of the Guarantors are substantially equivalent to the assets, liabilities, earnings and equity on a consolidated basis of the Company. Separate financial statements and certain other disclosures concerning the Guarantors are not presented because, in the opinion of management, such information is not material to investors. Other than customary restrictions imposed by applicable corporate statutes, there are no restrictions on the ability of the Guarantors to transfer funds to the Company in the form of cash dividends, loans or advances.

The guarantees of the Senior Subordinated Notes by the Guarantors are unsecured senior subordinated obligations of each Guarantor and rank junior to all existing and future senior debt of the Guarantors, including guarantees of borrowings under the Senior Credit Facilities. The Senior Subordinated Notes may

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

be redeemed by the Company on or after February 15, 2006 in accordance with their terms and include certain affirmative and negative covenants, including limitations on the Company's ability to incur additional debt.

The write-off of the unamortized senior subordinated credit facility loan fee and a prepayment premium on the retired senior debt resulted in a non-recurring charge to interest expense of \$3.5 million (\$2.3 million net of the associated tax benefit) and reduced the Company's basic earnings per share for the first quarter of 2001 by \$0.11 per share to \$0.19 per share.

NOTE 3 -- EARNINGS PER SHARE

The Company computes earnings per share in accordance with Statement of Financial Accounting Standards No. 128 ("SFAS 128"), "Earnings Per Share." SFAS 128 requires the computation and presentation of basic and diluted earnings per share for all periods for which an income statement is presented. Outstanding stock options issued by the Company represent the only dilutive securities. Options to purchase approximately 1,634,500 and 3,142,515 shares of common stock were outstanding at March 31, 2000 and March 31, 2001, respectively, at exercise prices ranging from \$2.64 to \$16.00 for both of the periods.

Dilutive potential common shares are calculated in accordance with the treasury stock method, which assumes that proceeds from the exercise of all options are used to repurchase common stock at

F-7

145

AMERISTAR CASINOS, INC. AND SUBSIDIARIES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

market value. The amount of shares remaining after the proceeds are exhausted represents the potentially dilutive effect of the securities.

NOTE 4 -- COMMITMENTS AND CONTINGENCIES

On May 10, 2001, the Company entered into a construction contract with J.S. Alberici Construction Co., Inc. covering a substantial portion of the work necessary to complete the new casino-entertainment facility at Ameristar St. Charles. The contract provides for a guaranteed maximum price of approximately \$75 million for the completion of the scope of work covered by the contract. The Company expects to fund the cost of the new casino-entertainment facility from its operating cash flows and from borrowings under the Senior Credit Facilities. A condition to the granting of a gaming license to the Company from the Missouri Gaming Commission was that the Company open the new facility by December 2003.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

The Company expects to open the new facility in mid-2002.

NOTE 5 -- ACQUISITION OF MISSOURI PROPERTIES

On December 20, 2000, the Company, through two newly formed wholly owned subsidiaries, completed its acquisitions of substantially all of the assets of two gaming properties in St. Charles and Kansas City, Missouri from subsidiaries of Station Casinos, Inc. (the "Acquisitions"). The total purchase price for the Acquisitions, net of cash acquired, was \$486.8 million. The Acquisitions were financed with a portion of the proceeds from the Senior Credit Facilities and the Company's senior subordinated credit facility (which was subsequently refinanced with a portion of the proceeds of the Senior Subordinated Notes).

The following unaudited pro forma data summarizes the Company's results of operations for the periods indicated as if the Acquisitions had occurred at the beginning of the periods presented:

To the Board of Directors and Stockholders
of Ameristar Casinos, Inc.:

We have audited the accompanying consolidated balance sheets of Ameristar Casinos, Inc. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

AMERISTAR CASINOS, INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 -- BASIS OF PRESENTATION

The consolidated financial statements of Ameristar Casinos, Inc., a Nevada corporation ("ACI" or the "Company"), include the accounts of the Company and its wholly-owned subsidiaries, Cactus Pete's, Inc. ("CPI"), Ameristar Casino Vicksburg, Inc. ("ACVI"), Ameristar Casino Council Bluffs, Inc. ("ACCB"), Ameristar Casino Las Vegas, Inc. ("ACLV"), Ameristar Casino St. Louis, Inc. ("ACSL"), Ameristar Casino St. Charles, Inc. ("ACSCI"), Ameristar Casino Kansas City, Inc. ("ACKCI") and A.C. Food Services, Inc. ("ACFSI"). ACSCI and ACKCI were formed in October 2000 to complete the acquisitions of two properties in St. Charles and Kansas City, Missouri, as described more fully in Note 10. ACSLI was formed in October 1999 to pursue a gaming license in South St. Louis County, Missouri. On December 20, 2000, AC Hotel Corp, a wholly owned subsidiary of ACVI, merged with and into ACVI and ceased to exist.

CPI owns and operates two casino-hotels in Jackpot, Nevada -- Cactus Petes Resort Casino and The Horseshu Hotel and Casino. ACVI owns and operates Ameristar Vicksburg, a riverboat-themed dockside casino and related hotel and other land-based facilities in Vicksburg, Mississippi. ACCBI owns and operates Ameristar Council Bluffs, a riverboat casino and related hotel and other land-based facilities in Council Bluffs, Iowa that serves the Council Bluffs and Omaha, Nebraska metropolitan area. ACSCI owns a riverboat casino in St. Charles,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Missouri that serves the St. Louis metropolitan area. ACKCI owns a master-planned gaming and entertainment facility in Kansas City, Missouri, which features a casino, hotel, cinema multiplex and restaurants. ACLVI owned and operated The Reserve Hotel Casino in Henderson, Nevada, in metropolitan Las Vegas, until it sold the property in January 2001.

The gaming licenses granted to ACSCI, ACKCI, ACVI and ACCBI must be periodically renewed by the respective state gaming authorities to continue gaming operations. In addition, ACCBI's gaming operations are subject to a county-wide reauthorizing referendum every eight years, commencing in 2002.

NOTE 2 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. All significant intercompany accounts and transactions have been eliminated from the accompanying consolidated financial statements.

Cash and cash equivalents

The Company considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents. Cash equivalents are carried at cost, which approximates market, due to the short-term maturities of these instruments.

Accounts receivable

Gaming receivables are included as part of the Company's accounts receivable balance. An allowance of \$731,000 and \$629,000 at December 31, 1999 and 2000, respectively, has been applied to reduce receivables to amounts anticipated to be collected.

Inventories

Inventories are stated at the lower of cost or market. Cost is determined principally on the weighted average basis.

AMERISTAR CASINOS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

Depreciation and capitalization

Property and equipment are recorded at cost, including interest charged on funds borrowed to finance construction. Interest of \$1,434,000, \$561,000 and \$1,359,000 was capitalized for the years ended December 31, 1998, 1999 and 2000, respectively. Betterments, renewals and repairs that extend the life of an asset are capitalized. Ordinary maintenance and repairs are charged to expense as incurred. For major renovation projects, assets to be disposed of are identified and the Company writes down the value of these assets to realizable value when disposed of. Costs of major renovation projects are capitalized in accordance with existing policies.

Depreciation is provided on both the straight-line and accelerated methods in amounts sufficient to relate the cost of depreciable assets to operations.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Amortization of building and furniture, fixtures and equipment under capitalized leases is provided over the shorter of the estimated useful life of the asset or the term of the associated lease (including lease renewal or purchase options the Company expects to exercise). Depreciation and amortization is provided over the following estimated useful lives:

Buildings and improvements.....	5 to 40 years
Building under capitalized lease.....	39 years
Furniture, fixtures and equipment.....	3 to 15 years
Furniture, fixtures and equipment under capitalized leases.....	3 to 5 years

Impairment of long-lived assets

The Company accounts for impairment of long-lived assets in accordance with Statement of Financial Accounting Standards (SFAS) No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed Of." SFAS No. 121 requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the book value of the asset may not be recoverable. The Company reviews long-lived assets for such events or changes in circumstances at each balance sheet date. If a long-lived asset is to be held and used, the Company assesses recoverability based on the future undiscounted cash flows of the related asset over the remaining life compared to the asset's book value. If an impairment exists, the asset is written down to fair value, based on quoted market prices or another valuation technique, such as discounted cash flow analysis.

If a long-lived asset is to be sold, the asset is reported at the lower of carrying amount or fair value less cost to sell, with fair value measured as discussed above. The Company recognized an impairment loss related to the sale of The Reserve in 2000, as discussed more fully in Note 11.

Debt issuance costs

Debt issuance costs are capitalized and amortized to interest expense using the effective interest method or a method that approximates the effective interest method over the term of the related debt instrument.

Excess of purchase price over fair market value of net assets acquired

The excess of purchase price over fair market value of net assets acquired is amortized over its estimated useful life.

Gaming revenues and promotional allowances

In accordance with industry practice, the Company recognizes as gaming revenues the net win from gaming activities, which is the difference between gaming wins and losses. Gross revenues include the retail value of complimentary food, beverage and lodging services furnished to customers. The retail value of these promotional allowances is deducted to compute net revenues. The estimated departmental costs of

providing such promotional allowances are included in casino costs and expenses and consist of the following:

Advertising

The Company expenses advertising costs the first time the advertising takes place. Advertising expense included in selling, general and administrative expenses was approximately \$9,966,000, \$10,690,000 and \$11,564,000 for the years ended December 31, 1998, 1999 and 2000, respectively.

Preopening costs and business development expenses

Preopening costs primarily represent direct personnel and other operating costs incurred prior to the opening of new facilities. The Company changed its method for accounting for preopening costs effective January 1, 1999 in accordance with American Institute of Certified Public Accountants issued Statement of Position No. 98-5 "Reporting on the Costs of Start-up Activities." Prior to 1999, the Company capitalized preopening costs and expensed such costs upon the commencement of operations. The adoption of SOP 98-5 did not have a material impact on the Company's operations in 1999 or 2000 since the Company was not developing any new facilities.

Business development expenses are general costs incurred in connection with identifying, evaluating and pursuing opportunities to expand into existing or emerging gaming jurisdictions. Such costs include, among others, legal fees, land option payments and fees for applications filed with regulatory agencies and are expensed as incurred.

Federal income taxes

Income taxes are recorded in accordance with SFAS 109, "Accounting for Income Taxes." SFAS 109 requires recognition of deferred income tax assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Earnings Per Share

The Company calculates earnings per share in accordance with SFAS 128, "Earnings Per Share". Basic earnings per share are computed by dividing reported earnings by the weighted average number of common shares outstanding during the period. Diluted earnings per share reflect the additional dilution for all potentially dilutive securities such as stock options. All outstanding stock options were excluded from the calculation of diluted earnings per share for the periods presented because the effect of including the options would have been anti-dilutive in 1998 and 2000 and the dilutive effect was not significant in 1999.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

Under SFAS No. 109, deferred income taxes reflect the net tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the Company's net deferred tax liability consisted of the following:

	DECEMBER 31,

The excess of the alternative minimum tax over regular federal income tax is a tax credit which can be carried forward indefinitely to reduce future federal income tax liabilities. At December 31, 2000, the Company has available \$60,264,000 of unused operating loss carryforwards that may be applied against future taxable income. The unused operating loss carryforwards will expire in 2018 through 2020. No valuation allowance has been provided against deferred tax assets as the Company believes it is more likely than not that deferred tax assets are realizable based on expected future taxable income.

On December 20, 2000, the Company refinanced substantially all of its long-term debt with new \$575 million senior credit facilities provided by a group of lenders led by affiliates of Deutsche Bank AG and a \$300 million senior subordinated credit facility provided by a group of lenders also led by affiliates of Deutsche Bank AG. In connection with the refinancing, the Company repurchased through a tender offer \$100 million in aggregate principal amount of its 10.5 percent senior subordinated notes due 2004 and repaid and terminated its previous \$115 million revolving credit facility and approximately \$30.2 million of other indebtedness. As a result of the early repurchase of the 10.5 percent senior subordinated notes and the early termination of the Company's previous revolving credit facility, the Company incurred an extraordinary charge of \$6,560,000 (net of associated tax benefit of \$3,479,000), comprised of the premium paid to the noteholders, unamortized discount on the notes and the write-off of related loan costs and fees.

The Company's new senior credit facilities consist of a revolving credit facility, a revolving credit/ term loan facility and term loans A, B and C. Each of these facilities bears interest at a variable rate based on LIBOR or the prime rate plus a margin. For the revolving credit facility, the revolving credit/ term loan facility and the term loan A, the interest rate margin fluctuates based on our leverage ratio, which is the ratio of our consolidated debt to latest twelve months EBITDA, as defined, and ranges from

157

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

1.50 percent to 3.25 percent in the case of Eurodollar loans and from 0.50 percent to 2.25 percent in the case of base rate loans. For term loans B and C, the margins are fixed at 3.75 percent and 4.00 percent, respectively, in the case of Eurodollar loans, and at 2.75 percent and 3.00 percent, respectively, in the case of base rate loans.

The new senior credit facilities contain certain affirmative and negative covenants, including restrictions on the incurrence of additional indebtedness, restrictions on dividend payments and other restrictions, as well as promises to maintain certain financial ratios and tests within defined parameters. As of December 31, 2000 the Company was limited to a 3.25:1 senior debt ratio, defined as senior debt divided by EBITDA (as defined). The Company was also limited to a 5.25:1 total debt ratio, defined as consolidated debt divided by EBITDA, as of the same date. As of December 31, 2000, the Company's senior debt and total debt ratios were 2.66 and 4.75, respectively.

As of December 31, 2000, the Company was required to maintain a minimum fixed charge coverage ratio (EBITDA divided by fixed charges, as defined) of 1.50:1. As of December 31, 2000, the Company's fixed charge coverage ratio was 1.84. The senior credit facilities also limit the Company's aggregate capital expenditures in each year. For the period from December 20, 2000 through December 31, 2001, the Company is limited to a maximum of \$26 million of capital expenditures in addition to capital expenditures of \$110 million in connection with the St. Charles expansion project, \$9.5 million in connection with the ongoing renovation project at Ameristar Vicksburg and \$8.0 million in connection with the ongoing renovation project at Ameristar Council Bluffs. The senior

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

credit facilities also require the Company to maintain a consolidated tangible net worth (as defined) of at least \$23 million plus 50 percent of net income (without any reduction for net losses) as of the end of each quarter plus net proceeds of certain future equity offerings. As of December 31, 2000, the Company's consolidated tangible net worth was \$5.0 million more than required by this covenant.

In 1997, the Company entered into an interest rate collar agreement with Wells Fargo Bank to manage interest expense, which is subject to fluctuation due to the variable-rate nature of the debt under the Company's senior credit facilities. Under the agreement, which covered \$50.0 million of the borrowings under the previous credit facility and covers \$50 million of the LIBOR borrowings under the revolving credit/term loan facility and the term loan A, the Company has a LIBOR floor rate of 5.39 percent and a LIBOR ceiling rate of 6.75 percent, plus the applicable margin. In 1999 and 2000, the Company paid approximately \$49,000 and \$0, respectively, in additional interest as a result of this agreement. The agreement terminates on June 30, 2003.

On February 2, 2001, the Company issued \$380 million in aggregate principal amount of 10 3/4% Senior Subordinated Notes due 2009. The notes were issued at a discount to yield 11.0 percent. The net proceeds of the offering were used (1) to repay the \$300 million in principal amount outstanding under the Company's senior subordinated credit facility and accrued interest thereon, (2) to partially repay and permanently reduce the term loan B and the term loan C under the Company's senior credit facilities by a total of \$50 million, (3) to partially repay the revolving credit facility under the Company's senior credit facilities and (4) for working capital purposes. The 10 3/4% Senior Subordinated Notes due 2009 are unsecured, and are guaranteed by each of the Company's subsidiaries and rank junior to all of the Company's existing and future senior debt, including borrowings under the Company's senior credit facilities. Pursuant to the terms of a registration rights agreement, the Company expects to offer to exchange the notes with notes having substantially identical terms that have been registered with the Securities and Exchange Commission. The unamortized debt issuance costs related to the senior subordinated credit facility totaled \$2.3 million at the date of that facility's termination and will result in an extraordinary loss on extinguishment of debt in 2001.

The 10 3/4% Senior Subordinated Notes were issued by the Company, and all of the Company's current subsidiaries (the "Guarantors") have jointly and severally, and fully and unconditionally,

guaranteed the notes. Each of the Guarantors is a wholly owned subsidiary of the Company, and the Guarantors constitute all of the Company's direct and indirect subsidiaries. The Company is a holding company with no operations or material assets independent of those of the Guarantors, other than its investment in the Guarantors, and the aggregate assets, liabilities, earnings and equity of the Guarantors are substantially equivalent to the assets, liabilities, earnings and equity on a consolidated basis of the Company. Separate financial statements and certain other disclosures concerning the Guarantors are not presented because, in the opinion of management, such information is not material to investors. Other than customary restrictions imposed by applicable corporate statutes, there are no restrictions on the ability of the Guarantors to transfer funds to the Company in the form of cash dividends, loans or advances.

At December 31, 2000, the book value of the Company's long-term debt approximates fair value due to the predominantly variable-rate nature of the obligations. Also, fixed rate obligations are at rates that approximate the

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Company's incremental borrowing rate for debt with similar terms and remaining maturities.

recognized in the years-ended December 31, 1998, 1999 and 2000 was \$60,000, \$60,000 and \$67,500, respectively.

ACI leases office space in Las Vegas, Nevada to serve as its corporate offices. Monthly payments are approximately \$63,000 plus the Company's share of certain common area maintenance expenses. Payments under the leases are subject to annual escalation clauses corresponding to increases in the cost of living. The Company recorded rental expense of approximately \$533,000, \$552,000 and \$596,000 under these leases in the years ended December 31, 1998, 1999 and 2000, respectively.

The Company entered into a three-year lease (with renewal options for an additional 24 years) for land on which Ameristar Vicksburg is situated. The lease initially requires quarterly payments of approximately \$20,000. The lease contains a purchase option exercisable at various times during the term of the lease.

NOTE 7 -- BENEFIT PLANS

401(k) plan

The Company maintains a defined contribution 401(k) plan which covers all employees who meet certain age and length of service requirements and allows an employer contribution up to 50 percent of the first four percent of each participating employee's compensation. Plan participants can elect to defer before-tax compensation through payroll deductions. These deferrals are regulated under Section 401(k) of the Internal Revenue Code. The Company's matching contributions were \$485,000, \$585,000, and \$586,000 for the fiscal years ended December 31, 1998, 1999 and 2000 respectively.

Insurance plan

The Company has a qualified employee insurance plan covering all employees who work an average of 32 hours or more per week on a regular basis. The plan requires contributions from eligible employees and their dependents. The Company's contribution expense for the plan was approximately \$5.0 million, \$7.5 million and \$9.8 million for the years ended December 31, 1998, 1999 and 2000, respectively.

Stock Option Plans

The Company has various stock incentive plans for directors, officers, employees, consultants and advisers of the Company. The plans permit grants of options to purchase common stock intended to qualify as incentive stock options or non-qualified stock options and also provides for grants of restricted stock. The maximum number of shares available for issuance under the plans is 4.6 million, subject to certain limitations. To date, the Company has not granted any awards of restricted stock. The Compensation Committee of the Board of Directors administers the plans and has broad discretion to establish the terms of stock option awards, including without limitation the power to set the term (up to 10 years), vesting schedule and exercise price of stock option awards.

In December 1998, certain stock options granted under the plans were amended to reduce the per share exercise prices to \$2.64 (the market price on the date of amendment) from initial exercise prices ranging from \$2.78 to \$6.13. No other terms of these stock options were amended.

In December 2000, in connection with the Company's acquisitions of two properties in Missouri (see Note 10), the Company granted 675,000 options to four members of the Missouri properties' senior management team. These options have an exercise price of \$4.64 per share and the market price on the date of grant was \$5.56 per share. Therefore, compensation expense of \$623,000 will be

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

recognized over the vesting period of the options based on the difference between the exercise price and fair market value. Options to purchase 270,000 shares vest equally over a four year period from January 1, 2002 through December 31, 2005. The remaining options vest on December 31, 2007, subject to acceleration through

December 2005 if the Missouri properties meet certain performance targets (as established by the Board of Directors or, in its discretion, by a Committee of the Board of Directors).

The Company accounts for its stock option plans under Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees" ("APB 25"). Under SFAS No. 123, "Accounting for Stock-Based Compensation", all employee stock option grants are considered compensatory. SFAS No. 123 is effective for fiscal years beginning after 1995 and provides, among other things, that companies may elect to account for employee stock options using APB 25. Had compensation cost for these plans been determined consistent with SFAS No. 123, the Company's net income (loss) and earnings (loss) per share would have been adjusted to the pro forma amounts in the following table. The table also discloses the weighted average assumptions used in estimating the fair value of each option grant on the date of grant using the Black-Scholes option pricing model and the estimated weighted average fair value of the

NOTE 8 -- COMMITMENTS AND CONTINGENCIES

Litigation

E.L. Pennebaker, Jr., et al. v. Ameristar Casinos, Inc., et al. On February 23, 1998, E.L. Pennebaker, Jr. filed a complaint in the Circuit Court of Pike County, Mississippi against the Company and other parties (the "Pennebaker case"). The complaint was amended in February 1998 to add James F. Belisle, Multi Gaming Management, Inc. and Multi Gaming Management of Mississippi, Inc. as additional plaintiffs. The plaintiffs are property owners or claim to have contract rights in a proposed casino/racetrack development along the Big Black River in Warren County, Mississippi. They allege they would have profited if the Mississippi Gaming Commission had found suitable for a casino a location along that river that was controlled by Horseshoe Gaming, Inc. or its affiliates. The plaintiffs allege the defendants conducted an aggressive campaign in opposition to the application of Horseshoe Gaming, Inc. for a gaming site on the Big Black River, in violation of the antitrust laws and the gaming laws of Mississippi. The plaintiffs also allege that the defendants tortiously

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

interfered with the plaintiffs' business relations. The plaintiffs allege compensatory damages of \$38 million and punitive damages of \$200 million.

The trial in this case was held in October 1999, following which the jury rendered joint and several verdicts in favor of the plaintiffs against the Company and other defendants, on the conspiracy count and on the restraint of trade and tortiously interference counts. The net damages awarded to the plaintiffs total \$3,792,000, of which the Company's pro rata portion is \$1,685,333. These damages are compensatory only as the court did not allow the jury to consider an award of punitive damages. The Company and the other defendants have appealed the case to the Mississippi Supreme Court, and the Company otherwise intends to vigorously defend against the plaintiffs' claims. Post-judgment interest on the damages will accrue at the rate of 8 percent per annum, and if an appeal is unsuccessful, the plaintiffs would also be entitled to a premium of 15% of the damages amount.

Mr. Pennebaker has also filed a petition with the Mississippi Gaming Commission requesting that the Mississippi Gaming Commission order the Company and the other defendants, to stop opposing the approval and construction of a casino on the Big Black River. The Company has been advised that no action is required by it in connection with this petition unless requested by the Mississippi Gaming Commission.

Walter H. Gibbes, Jr. and Margaret S. Dozier v. Ameristar Casinos, Inc. et al. On November 22, 1999, Mr. Gibbes and Ms. Dozier filed a complaint in the Circuit Court of Pike County, Mississippi against the Company and other defendants. The Company believes that the plaintiffs were partners with Mr. Pennebaker in a partnership that held an option to a real estate parcel along the Big Black River that is adjacent to the parcel that was the subject of the Horseshoe Gaming, Inc. application. The allegations in the complaint are substantially the same as those in the complaint in the case previously brought by the plaintiffs in the Pennebaker case. The plaintiffs seek \$4,567,500 in actual damages and an unspecified amount of punitive damages.

The defendants have removed this case to the United States District Court for the Southern District of Mississippi on diversity jurisdiction and federal question grounds. The plaintiffs filed a motion to remand the case back to the Pike County circuit court, which was granted. The other defendants have filed a motion seeking the federal court to vacate its prior ruling, which motion is still pending. The Company intends to continue to vigorously defend against this cause of action.

Other. The Company is engaged in several other legal actions arising in the ordinary course of business. With respect to these legal actions, the Company believes that it has adequate legal defenses, insurance coverage or indemnification protection or otherwise believes that the ultimate outcome(s) will not have a material adverse impact on the Company's financial position.

NOTE 9 -- RELATED PARTY TRANSACTIONS

The Company engages Neilsen and Company, a company that is owned and controlled by Craig H. Neilsen, the Company's president, chief executive officer and chairman, to provide certain construction and professional services, office space and other equipment and facilities. Total payments to Neilsen and Company were \$33,000, \$44,000 and \$45,000 for the years ended December 31, 1998, 1999 and 2000, respectively.

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

The Company also leased office space from the Lynwood Shopping Center, which until September 1999 was also controlled by Mr. Neilsen. Total payments to the Lynwood Shopping Center were \$69,000, \$17,000 and \$0 for the years ended December 31, 1998, 1999 and 2000, respectively.

Mr. Neilsen is the president, director and sole stockholder of Intermountain Express, Inc. ("Intermountain"), a transportation concern that provides CPI with package delivery services between Jackpot, Nevada and Twin Falls, Idaho. In 1998, 1999 and 2000, CPI paid \$54,000, \$35,000 and \$26,000 respectively, for these services. CPI provided contracted driver services and miscellaneous other supplies to Intermountain Express, Inc. and in 1998, 1999 and 2000, CPI was paid \$23,000, \$21,000 and \$23,000, respectively, for these services and supplies.

In management's opinion, at the time the above described transactions were entered into, they were in the best interest of the Company and on terms as fair to the Company as could have been obtained from unaffiliated parties.

NOTE 10 -- ACQUISITION OF MISSOURI PROPERTIES

On December 20, 2000, the Company, through two newly formed wholly owned subsidiaries, completed its acquisitions of substantially all of the assets of two gaming properties in St. Charles and Kansas City, Missouri from subsidiaries of Station Casinos, Inc. (the "Acquisitions"). The total purchase price for the Acquisitions, net of cash acquired, was \$486.8 million. The Acquisitions were financed with a portion of the proceeds from the Company's new senior credit facilities and its senior subordinated credit facility, as described in Note 5.

The purchase price has been allocated to the fair market value of the assets purchased and liabilities assumed, including identified intangible assets consisting primarily of customer lists valued at

\$6 million. The final purchase price is subject to change based on the results of a working capital adjustment. NOTE 11 -- SALE OF THE RESERVE

On October 17, 2000, the Company, through ACLVI, agreed to sell substantially all of the assets of The Reserve to a wholly owned subsidiary of Station Casinos, Inc. On January 29, 2001, the Company completed its planned sale of The Reserve for a total consideration of approximately \$71.8 million. The proceeds from the sale of The Reserve were used (1) to partially repay and permanently reduce the revolving loan commitment and the term loan A under our senior credit facilities by a total of \$50 million, (2) to repay revolving loans under our senior credit facilities (which remain available for future borrowing), and (3) to repay certain indebtedness associated with the assets sold in the transaction.

The sale of The Reserve resulted in a loss of approximately \$57.2 million. This impairment loss was recorded in the third quarter of 2000 as required by SFAS No. 121. The assets and liabilities to be sold have been reclassified as current assets and liabilities in the accompanying consolidated balance sheets. STATION CASINOS, INC. MISSOURI OPERATIONS NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND BASIS OF PRESENTATION

Basis of Presentation and Organization

The accompanying combined financial statements include the Missouri operations of Station Casinos, Inc. ("Station") to be sold to Ameristar Casinos, Inc. ("Ameristar"), a Nevada Corporation pursuant to definitive agreements entered into between Station and Ameristar on October 17, 2000. The Missouri operations consists of two wholly-owned subsidiaries of Station, St. Charles Riverfront Station, Inc. ("Station Casino St. Charles") and Kansas City Station Corporation ("Station Casino Kansas City"), (collectively the "Company"). During the period covered by these financial statements, the Company was under common control operating as a subsidiary of Station. These financial statements have

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

been prepared from Station's historical accounting records and present substantially all of the operations of businesses that will be owned and operated by Ameristar as if the Company had been a separate entity for all periods presented.

This sale is subject to certain customary contingencies, including the purchaser's receipt of regulatory approvals and financing and is expected to close late in the fourth quarter of 2000. The Board of Directors of Station has approved the sale.

Change in Fiscal Year

On November 6, 1998, Station filed a Form 8-K announcing its change in fiscal year end from March 31 of each year to December 31 of each year. This change is effective for the nine month period ended December 31, 1998 (the "Transition Period 1998"). Selected combined financial data for the twelve months ended December 31, 1998 is presented below, for comparison purposes only (amounts in thousands, unaudited).

Net revenues.....	\$289,999
Operating loss.....	(2,071)
Loss before income taxes.....	(59,249)
Income tax benefit.....	4,887
Net loss.....	(54,362)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include investments purchased with an original maturity of 90 days or less.

Inventories

Inventories are stated at the lower of cost or market; cost being determined on a first-in, first-out basis.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets or the terms of the capitalized lease, whichever is less. Costs of major improvements are capitalized, while costs of normal repairs and maintenance are charged to expense as incurred.

Debt Issuance Costs

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Debt issuance costs incurred in connection with the issuance of long-term debt are capitalized and amortized to interest expense over the terms of the related debt agreements.

Revenues and Promotional Allowances

In accordance with industry practice, the Company recognizes as casino revenues the net win from gaming activities, which is the difference between gaming wins and losses. All other revenues are recognized as the service is provided. Revenues include the retail value of accommodations and food and beverage provided on a complimentary basis to customers. The estimated departmental costs of providing such promotional allowances are included in casino costs and expenses and consist of the following (amounts in thousands):

Recently Issued Accounting Standards

In June 1997, the Financial Accounting Standards Board ("FASB") issued SFAS No. 130, "Reporting Comprehensive Income." SFAS No. 130 requires companies to classify items of other comprehensive income by their nature in a financial statement and display the accumulated balance of other comprehensive income separately from retained earnings, and is effective for financial statements issued for fiscal years beginning after December 15, 1997. The Company has adopted SFAS No. 130 as reflected in the accompanying combined financial statements.

In June 1997, the FASB issued SFAS No. 131, "Disclosures About Segments of an Enterprise and Related Information." SFAS No. 131 establishes additional standards for segment reporting in financial statements and is effective for fiscal years beginning after December 15, 1997. The Company currently operates in only one segment.

At December 31, 1998 and 1999, substantially all property and equipment of the Company is pledged as collateral for long-term debt.

Construction in Progress

In the fall of 1996, Station commenced an expansion project at Station Casino St. Charles which included the building of a backwater basin containing two new gaming vessels and a new retail and entertainment complex. Since December 31, 1997, construction on the Station Casino St. Charles expansion project has been halted. Included in construction in progress at December 31, 1999 is approximately \$101.0 million related to the Station Casino St. Charles expansion project (see Commitments and Contingencies -- New Legislation).

Asset Impairment

In accordance with SFAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed Of," Station recorded an impairment loss of \$24.8 million in the Transition Period 1998 and \$125.7 million in the fiscal year ended December 31, 1999 to adjust the carrying value of its fixed assets and land held for development to their estimated fair value. In the fiscal year ended December 31, 1999, approximately \$125.2 million of the impairment loss was related to Station Casino St. Charles. In the fourth quarter of 1999, Station made a decision to reconfigure the existing Station Casino St.

Charles facility to a more efficient layout in response to the new open boarding rules promulgated by the Missouri Gaming Commission that began in September 1999 in the St. Louis market.

All gaming operations were moved to the existing barge during the first quarter of 2000. The existing riverboat was sold in June 2000. In accordance with SFAS No. 121, the riverboat and miscellaneous other fixed assets were written down by approximately \$15 million to their net realizable value.

In addition, Station performed an evaluation of the carrying values of the remaining assets in St. Charles and determined a \$110 million write-down of the asset values was necessary. The write-down was deemed appropriate after a review of the property's asset valuations relative to Station's near-term investment objectives.

In the Transition Period 1998, the impairment loss principally involved assets at the Station Casino St. Charles facility, including a riverboat formerly used in the Missouri operations, capitalized project costs associated with various parcels of land determined to have no value, and several parcels of land within close proximity to the St. Charles, Missouri site that were being held for future development. The fair value of the impaired assets was primarily determined through the market's interest in riverboats and barges, and on the comparable sales prices on parcels of land in the St. Charles area. The total amount of the impairment loss in the Transition Period 1998 related to this category of assets was approximately \$23.4 million. The value of these parcels was determined based on sales prices for comparable parcels of land on the market.

4. LONG-TERM DEBT

	1998	1999
Debt allocated by Station.....	\$672,503	\$664,106

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

Interest was calculated based on Station's weighted average interest rate of 9.8%, 9.5% and 9.0% for the fiscal year ended March 31, 1998, the Transition Period 1998 and the fiscal year ended December 31, 1999, respectively. Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

the land on which the Station Casino Kansas City casino is located. At December 31, 1999, \$3.0 million related to this investment is included in other assets, net in the accompanying combined balance sheets.

In April 1994, Station Casino Kansas City entered into an agreement with the joint venture to lease this land. Currently, the agreement requires monthly payments of \$96,632. New Legislation

New legislation has been passed in Missouri, giving the Missouri Gaming Commission the authority to require gaming licensees to post a bond or other form of surety to the state of Missouri to, among other things, guarantee the completion of any expansion of a gaming facility within the later of a time period determined by the Missouri Gaming Commission and the date that is three years after enactment of the legislation. The failure to complete an approved expansion project within the prescribed time period may, pursuant to the Missouri legislation, constitute sufficient grounds for not renewing the gaming

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

license for that gaming facility. A failure to complete the proposed Station Casino St. Charles expansion facility within the prescribed time period could constitute sufficient grounds for the Missouri Gaming Commission to deny renewal of gaming licenses at Station Casino St. Charles.

7. RELATED PARTY

Included in the combined financial statements are certain expenses, which have been allocated from Station to the Company. Station allocates expenses for such services as Human Resources, Information Technology, Advertising, Room Reservations, Legal and various other centralized functions based on a specific review to identify costs incurred for the benefit of the Company. Allocations from Station were approximately \$1.1 million, \$0.9 million and \$1.6 million for the fiscal year ended March 31, 1998, the Transition Period 1998 and the fiscal year ended December 31, 1999, respectively. The Company believes that this represents a reasonable amount for such costs to support the operations of the Company as a stand-alone entity.

8. BENEFIT PLANS

The employees of the Company participated in Station's defined contribution 401(k) plan, which covers all employees who meet certain age and length of service requirements and allows an employer contribution up to 50 percent of the first four percent of each participating employee's compensation. Effective October 1, 1998, the employer contribution was increased from 25 percent of the first four percent of each participating employee's compensation. Plan participants can elect to defer before tax compensation through payroll deductions. These deferrals are regulated under Section 401(k) of the Internal Revenue Code. Station's matching contribution was approximately \$152,000, \$199,000 and

\$654,000 for the fiscal year ended March 31, 1998, the Transition Period 1998 and the fiscal year ended December 31, 1999, respectively. The employees of the Company also participated in Station's Stock Compensation Program.

9. EXECUTIVE COMPENSATION PLANS

The Company has employment agreements with certain of its executive officers. These contracts provide for, among other things, an annual base salary, supplemental long-term disability and supplemental life insurance benefits in excess of the Company's normal coverage for employees.

10. INCOME TAXES

Income taxes are recorded in accordance with the provisions of Statement of Financial Accounting Standards (SFAS) No. 109, "Accounting for Income Taxes." SFAS No. 109 requires recognition of deferred income tax assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The benefit (provision) for income taxes attributable to the net loss consists of the following (amounts in thousands):

Station Casino St. Charles and Station Casino Kansas City currently have a net operating loss carryforward ("NOL") of \$203.9 million. This NOL begins to expire in year 2009 through year 2019. Station Casino St. Charles did record a valuation allowance at December 31, 1999 and 1998 relating to recorded tax benefits because all benefits are likely not to be realized.

Station Casino St. Charles and Station Casino Kansas City have been included in the consolidated Federal income tax return of Station. The income tax provision reflects the portion of Station's historical income tax provision attributable to the operations of Station Casino St. Charles and Station Casino Kansas City. Management believes the income tax provision, as reflected, is comparable to what the income tax provision would have been if Station Casino St. Charles and Station Casino Kansas City had filed a separate return during the periods presented. The above deferred tax assets and liabilities are not being sold by Station to Ameristar.

11. LEGAL MATTERS

The Company is a litigant in legal matters arising in the normal course of business. In the opinion of management, all pending legal matters are either adequately covered by insurance or, if not insured, will not have a material adverse effect on the financial position or the results of operations of the Company.

12. SUBSEQUENT EVENTS

On November 29, 2000 the Company entered into a settlement agreement with the Missouri Gaming Commission (the "MGC"). The settlement addressed all outstanding issues between the MGC and the Company. Included in the outstanding issues were (1) allegations related to the activities of an attorney who formerly represented the Company in Missouri, (2) other unrelated, pending disciplinary

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

actions which sought administrative penalties totaling \$0.4 million; which was accrued as a liability by the Company at September 30, 2000. Although denying any wrongdoing, the Company agreed to pay an administrative penalty of \$1.0 million to the MGC as part of the settlement after the closing of the pending sale of the Missouri properties to Ameristar.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 78.7502(1) of the General Corporation Law of Nevada, or the "NGCL," provides that a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 78.7502(2) of the NGCL provides that a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth in subsection (1), against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if he or she acted under the standards set forth in subsection (1), except that no indemnification may be made for any claim, issue or matter as to which such person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which such action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 78.7502(3) of the NGCL provides that to the extent a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) and (2), or in defense of any claim, issue or matter therein,

Edgar Filing: AMERISTAR CASINOS INC - Form S-4/A

the corporation shall indemnify such person against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 78.751(1) of the NGCL provides that any discretionary indemnification under Section 78.7502, unless ordered by a court or advanced pursuant to subsection 2 of Section 78.751, may be made by the corporation only as authorized in the specific case upon determination that indemnification of such director, officer, employee or agent is proper in the circumstances. The determination must be made (a) by the stockholders; (b) by the board of directors by majority vote of quorum consisting of directors who were not parties to the action, suit or proceeding; (c) if a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion; or (d) if a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion.

Section 78.751(2) of the NGCL provides that the articles of incorporation, bylaws or an agreement made by the corporation may provide that the expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding must be paid by the corporation as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the corporation. Such provision does not affect any rights to advancement of expenses to which corporate personnel other than directors or officers may be entitled under any contract or otherwise by law.

II-1

180

Section 78.752 of the NGCL provides that a Nevada corporation may purchase and maintain insurance or make other financial arrangements on behalf of any person who acted in any of the capacities set forth above for any liability asserted against such person for any liability asserted against him or her and liability and expenses incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the corporation has the authority to indemnify him or her against such liabilities and expenses.

Our Amended Articles of Incorporation provides that none of our directors or officers shall be personally liable to us or our stockholders for damages for breach of fiduciary duty as a director. However, such provision does not eliminate or limit the liability of a director or officer for any act or omission which involves intentional misconduct, fraud or a knowing violation of law, or the payment of distributions in violation of Section 78.300 of the NGCL. In addition, our Amended Articles of Incorporation and Amended Bylaws provide for indemnification of its directors and officers in accordance with the NGCL.
