On August 27, 2003, Transgenomic, Inc. (the Company) entered into a Securities Purchase Agreement (the Agreement) with a select group of investors (the Purchasers), including two of the Company's largest institutional investors. Pursuant to the Agreement, the Purchasers will collectively acquire 4,500,000 shares of the Company's common stock. The purchase price of the shares is \$1.00 per share. The net proceeds to the Company, after payment of a 5% sales commission to Fahnestock & Co. Inc., who acted as the placement agent for the sale, and other expenses of the offering, will be approximately \$4,239,000, all of which will be used by the Company for working capital purposes. The sale of these shares is exempt from registration under the Securities Act of 1933, as amended (the Securities Act), as a sale not involving a public offering. The sale of the shares is contingent only upon the staff of the Securities and Exchange Commission notifying the Company of its willingness to declare a registration statement relating to the resale of such shares effective under the Securities Act.
