**Item 5. Other Events and Regulation FD Disclosure**

On September 25, 2003, the Company announced that:

The quotation of the Company's equity securities on the OTC Bulletin Board trading system ( OTCBB ) was removed on September 24, 2003.

As part of its continuing corporate restructuring initiatives, the Company has undertaken to move its corporate headquarters from New York City to Charlotte, North Carolina. A much downsized, Charlotte-based, accounting and financial reporting work force has been successfully recruited and, in October, will commence operations in newly leased office space in Charlotte. The Company expects to close its New York City office before the end of 2003.

The Company remitted the \$7.98 million to U.S. Bank Corporate Trust Services, the trustee of its \$152.0 million 10 ½ % Senior Discount Notes due 2007, thereby effecting the required semi-annual interest payment prior to the September 30, 2003 due date.

To conserve cash in anticipation of further business development opportunities and potential refinancing of the Company's Senior Discount Notes, the Company elected to not declare a dividend on its 7¼% cumulative convertible preferred stock for the quarterly dividend period ending on September 15, 2003. Accordingly, as of the September 15, 2003 due date for such dividend, aggregated dividends in arrears is \$37.5 million.

The press release announcing this matter is attached as Exhibit 99.1 and is incorporated herein by reference.
