The Reporting Person does not have any present plan or proposal as a shareholder which relates to, or would result in any action with respect to, the matters listed in paragraphs (b) through (j) of Item 4 of Schedule 13D. In the future, the Reporting Person may decide to purchase additional Common Shares in the open market or a private transaction, or to transfer or sell any or all of his Common Shares. In addition, the Reporting Person may, from time to time, acquire additional Common Shares upon exercise of options to purchase Common Shares currently held by him.

**Item 5.**

**Interest in Securities of the Issuer**

(a) The Reporting Person beneficially owns 1,552,250 Common Shares, representing approximately 5.2% of the total number of Common Shares outstanding as of November 30, 2003. Of such total (1) 387,158 are issuable upon exercise of Preference Shares beneficially owned by Otter Capital, for which Mr. Pasquesi serves as sole managing member, (2) 37,110 Common Shares are beneficially owned by Otter Capital and (3) 1,126,419 are beneficially owned by the Reporting Person and are issuable upon exercise of currently exercisable options to purchase Common Shares.

Because the Preference Shares vote on an as-converted basis, the outstanding voting shares beneficially owned by the Reporting Person represent, in the aggregate, approximately 2.13% of the total voting power of all outstanding voting shares of ACGL.

(b) The Reporting Person has sole dispositive and voting power with respect to 1,552,250 Common Shares beneficially owned by him, which includes the 387,158 Preference Shares and 37,111 Common Shares owned by Otter Capital.

The Reporting Person is the sole managing member of Otter Capital, with sole dispositive and voting power with respect to 387,158 Preference Shares and 37,110 Common Shares.

(c) On October 23, 2003, 375,473 stock options to purchase Common Shares at \$20 per share held by the Reporting Person became fully vested. This acquisition was disclosed in the Reporting Person's Form 4 filed on October 27, 2003.

(d) Not applicable.

(e) Not applicable.

**Item 6.**

**Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Otter Capital is party to a management subscription agreement dated as of October 23, 2001, as amended, and a shareholders agreement dated as of November 20, 2001, as amended, with respect to the Preference Shares and Class A Warrants to purchase 37,110 Common Shares acquired by Otter Capital. This investment was made as part of the capital infusion described under the heading "Item 1. Business - Recent Developments - The Capital Infusion" in ACGL's Annual Report on Form 10-K filed on March 19, 2002, which description is incorporated herein by reference. The Reporting Person is the sole managing member of Otter Capital. On September 19, 2002, Otter Capital exercised the Class A Warrants held by it, at an exercise price of \$20 per share, for 37,110 Common Shares.

The Reporting Person may receive additional Preference Shares in the event of certain purchase price adjustments under the subscription agreement. Otter Capital acquired additional Preference Shares as part of two post-closing adjustments: 8,606 Preference Shares on June 28, 2002 and 27,824 Preference Shares on December 16, 2002.

If the aggregate amount of purchase price adjustments under the subscription agreement exceeds \$250 million, investors of the Preference Shares may cause the Preference Shares and Class A Warrants issued therewith to be exchanged for preference shares and warrants, with identical rights and privileges, of a subsidiary of ACGL that holds ACGL's core insurance operations. Such parties also agreed not to transfer to a single person or group Common Shares or securities convertible into Common Shares representing in excess of either 51% of the votes then entitled to be cast in the election of directors or 51% of the then outstanding Common Shares without giving all shareholders the right to participate in such transaction on the same or substantially the same terms. Under the shareholders agreement, the Reporting Person has certain rights to have his Common Shares included in a registration under the Securities Act of 1933 if ACGL registers any Common Shares for its behalf or on behalf of its shareholders.

ACGL has agreed not to pay any dividend or other distribution on, or repurchase, any Common Shares until it has repurchased Preference Shares having an aggregate value of \$250 million at a per share price acceptable to the holders thereof. The foregoing summary of certain provisions of the subscription and shareholders agreements is qualified in its entirety by reference to the agreements, which are filed as exhibits to this Schedule 13D and incorporated by reference.

The Reporting Person was also party to an employment agreement dated as of October 23, 2001, which expired on October 23, 2003. Under the terms of this agreement, the Reporting Person received compensation for his service as Executive Vice Chairman of ACGL's Board and an option to acquire 375,473 shares of ACGL's Common Stock at an exercise price of \$20.00 per share. Such options vested on October 23, 2003. The foregoing summary of the employment agreement is qualified in its entirety by reference to the agreement, which is filed as an exhibit to this Schedule 13D and incorporated by reference.
