(1) Conditional awards of shares were today granted to directors by the Trustees of the Vodafone Group Employee Trust. The awards have been granted in accordance with the Vodafone Group Plc 1999 Long Term Stock Incentive Plan. The vesting of these awards is conditional on continued employment with the Vodafone Group and on the satisfaction of a performance condition approved by the Remuneration Committee. The performance measure is comparative total shareholder return (TSR). The TSR of Vodafone Group Plc over the three year performance period is compared with that of other constituent companies of the FTSE Global Telecommunications index and companies are ranked by reference to their relative TSR performance. If Vodafone's TSR performance is such as to position it in the top half of the performance ranking of the constituent companies, all or some of the shares comprised in the award will vest. The options will be exercisable subject to continued employment with the Vodafone Group and the satisfaction of a performance condition approved by the Remuneration Committee. The performance condition is that compound growth in adjusted earnings per share over the three-year performance period must exceed at least 8% per annum. If the compound growth is 8% per annum, 25% of the option will vest rising to full vesting if compound growth is 18% per annum. In the event that full vesting is not achieved after three years, the measurement may be repeated after year five, measuring performance over five years. The options are normally exercisable at any time between 3 and 10 years from the date of grant.

(3) These awards are also conditional on the directors being compliant with the Company's share ownership guidelines, which provide that they will acquire and maintain minimum levels of shareholding.
