MTS Announces Subscriber Growth Numbers for October 2004

Moscow, Russian Federation November 3, 2004 Mobile TeleSystems OJSC (MTS - NYSE: MBT), the largest mobile phone operator in Russia and the CIS, announces that its consolidated subscriber base reached 27.79 million users on October 31, 2004.

During October 2004 MTS consolidated subscriber base increased by 1.16 million subscribers, of which 128,800 were added in Moscow and the Moscow region.

Commenting on the subscriber growth numbers, MTS Vice President and Chief Marketing Officer, Mikhail Susov, said: Our new marketing initiatives in Russia were very well received. We are particularly satisfied with the subscriber dynamics in Moscow and the Moscow region. Our objective for the rest of Russia is to launch networks in the regions where we are not yet operational, in order to increase our nationwide share of net additions. Our recent launches in Astrakhan and Volgograd demonstrate that MTS possesses significant potential for successfully penetrating even established markets with high levels of competition.
