On the same date, the Board of Directors (the Board) of Bank of Hawaii Corporation (the Company) reviewed and approved the schedule of non-management director compensation, including awards of restricted stock and stock options from the Plan. Changes to director compensation include an increase in the per meeting fee for the Chairman of the Audit Committee from \$1,500 to \$2,000 and an increase in the annual retainer fee for the Lead Director from \$5,000 to \$10,000. In addition, the Board approved their annual equity compensation of approximately \$52,500 and that half of the total annual equity-based awards to Directors will be paid in shares of restricted stock, and half will be granted in the form of stock options, valued using an option-pricing model such as Black-Scholes. The total number of shares of restricted stock awarded for 2005 was 555 shares and the total number of stock options granted for 2005 was 2,057 options.
