Item 3. Source and Amount of Funds or Other Consideration

The response to Item 3 is hereby amended and restated as follows:

Under the subscription and exchange agreement, as amended (the Subscription Agreement), by and among Grand Toys International, Inc. (Grand US), Grand Toys International Limited (Grand HK) and Centralink, Centralink subscribed for 10,000,000 Grand HK ADSs in exchange for all of the shares of Playwell International Limited (Playwell), a wholly-owned subsidiary of Centralink, and cash and other consideration in a total amount of US\$11,000,000. Centralink and Cornerstone used their working capital to finance this subscription price.

As part of an internal reorganization, Mr. Hsieh and COIL entered into an agreement (the Transfer Agreement) pursuant to which COIL transferred all of its equity interest in

Centralink, the direct owner of the Grand HK ADSs, to Mr. Hsieh in exchange for US\$1.00. Immediately thereafter, Mr. Hsieh contributed Centralink into CBIL as a capital contribution. Mr. Hsieh used his personal funds to finance the acquisition. As a result of the reorganization, CBIL is the direct parent of Centralink. Mr. Hsieh remains the ultimate beneficial owner of the Grand HK ADSs. COIL does not have any interest in the Grand HK ADSs.

Under the subscription agreement (the Note Agreement) by and between Grand HK and Centralink, Centralink subscribed for an exchangeable note (the Note) issued by Grand HK in the principal amount of US\$7,675,000 in consideration of a cash loan in the amount of US\$7,400,000. Centralink and Cornerstone used their working capital to finance the subscription price. The Note was exchanged for 2,000,000 Series A Preference Shares (the Preference Shares) plus US\$145,089.04 in accrued interest, which was satisfied by the issuance of 52,175 Grand ADSs, immediately after the Grand HK annual general meeting on April 15, 2005. The Preference Shares are convertible into 2,804,600 Grand HK ADSs.

Item 4. Purpose of Transaction

The response to Item 4 is hereby amended and restated as follows:

The parties to the Subscription Agreement believe that the combination of Playwell's manufacturing and sourcing expertise, financial resources and cost-management skills and experience and Grand US marketing and distribution presence in North America and the combined significant toy industry experience of the management of Playwell and Grand US will create a vertically-integrated company that will have manufacturing and distribution capabilities and allow Grand HK to expand its product offerings significantly. They also believe that together, the combined company will be a larger and financially more stable company and a stronger vehicle for future expansion.

In the future, Grand HK expects to seek to identify and acquire complementary companies which have experienced management with proven track records, but which lack cost-effective manufacturing and proper sales channels into mass market retailers and large distributors. In this regard, several acquisition opportunities have been identified as potentially attractive. However, Grand HK recently did not have the financial resources to pursue these acquisition opportunities due to the transactions contemplated by the Subscription Agreement.

Management of CBIL believes that these potential acquisition opportunities have businesses and/or personnel that would complement and enhance the prospective business and organization of Grand HK. CBIL believes that these opportunities were only available for a finite amount of time. Since the transactions contemplated by the Subscription Agreement had taken a significant amount of time, COIL pursued these negotiations on its own with the intention that COIL would offer to contribute these acquired businesses to Grand HK in the future for additional equity interest in Grand HK. As a result of an internal reorganization, certain of the businesses acquired by COIL have been transferred to CBIL. CBIL maintains the intention to offer to contribute these acquired businesses to Grand HK in the future for additional equity interest in Grand HK.

CBIL expects that the terms upon which it will contribute these businesses to Grand HK will first be negotiated on an arms-length basis between CBIL and the directors of Grand HK who are not affiliated with CBIL. If an agreement providing for the contribution of these businesses to Grand HK is reached, the consummation of such transaction will be conditioned on the affirmative vote of a majority of the shareholders of Grand HK who are not affiliated with CBIL at a general meeting of Grand HK shareholders convened for that purpose. This self imposed requirement that any transfer of any of these businesses from CBIL to Grand HK must be approved by the independent directors, who will constitute a majority of the board, and the disinterested shareholders of Grand HK provides assurance that such a transfer will occur, if at all, only if the contribution is in the best interest of Grand HK and then only on terms that are fair to its shareholders.

The parties entered into the Note Agreement in order to fund the cash portion of the purchase price of Grand HK's acquisition of International Playthings, Inc. (IPI) and to provide ongoing working capital. The Note was sold at a US\$275,000 discount in order to compensate Mr. Hsieh for providing IPI with the option to require Mr. Hsieh to purchase, after the first anniversary of the closing of the acquisition, the Grand HK ADSs received by IPI as partial consideration for its assets.

Item 5. Interest in Securities of the Issuer

The response to Item 5 is hereby amended and restated as follows:

(a) As of the date of this Statement, the Reporting Persons (except COIL) beneficially owned in the aggregate 13,780,962 Grand HK ADSs (including 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares), representing approximately 72.4% of the outstanding Grand HK ADSs based on the 16,234,937 outstanding on June 30, 2005 (plus 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares, and including 52,175 Grand HK ADSs issued to Centralink in lieu of a cash interest payment under the Note). The 13,780,962 Grand HK ADSs include certain Grand HK ADSs that CBIL will cause Centralink to transfer to Mr. Hu as consideration for certain consulting services (see Item 6). The foregoing percentage is based on 16,234,937 Grand HK ADSs disclosed as issued and outstanding as of June 30, 2005, as described in the Form 6-K filed with the SEC by Grand HK on August 16, 2005.

(b) As of the date of this Statement, Centralink is the direct beneficial owner of all 13,780,962 Grand HK ADSs (including 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares) being reported by the Reporting Persons. The 13,780,962 Grand HK ADSs include Grand HK ADSs that CBIL will transfer to Mr. Hu as consideration for certain consulting services (see Item 6). CBIL is the sole

parent of Centralink and an indirect beneficial owner of the 13,780,962 Grand HK ADSs (including 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares) being reported. Mr. Hsieh is the direct beneficial owner of CBIL and an indirect beneficial owner of the 13,780,962 Grand HK ADSs (including 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares) being reported. Centralink, CBIL and Mr. Hsieh have shared power to vote or direct the vote of all 13,780,962 Grand HK ADSs (including 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares) and shared power to dispose or direct the disposition of such Grand HK ADSs.

(c) The Reporting Persons (except COIL) acquired the 2,856,775 Grand HK ADSs (including the 2,804,600 Grand HK ADSs issuable by Grand HK upon conversion of the Preference Shares) pursuant to the transactions contemplated by the Note Agreement, as described in the proxy statement for annual general meeting filed with the SEC on Form 6-K on April 4, 2005. The Reporting Persons (except COIL) will also dispose of certain Grand HK ADS held by Centralink as described in Item 6 hereof.

(d) Not applicable.

(e) COIL ceased to be a beneficial owner of more than five percent of the Grand HK ADSs on March 24, 2005.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The response to Item 6 is hereby amended and restated as follows:

COIL has entered into a Consulting Agreement, dated August 25, 2004 (the Consulting Agreement), with Henry Hai Lin Hu (Mr. Hu) pursuant to which Mr. Hu performed certain consulting services for COIL. As part of the internal reorganization described in Item 3, COIL's interest, rights and obligations in the Consulting Agreement were assigned and transferred to CBIL. The Consulting Agreement was amended by oral agreement between COIL and Mr. Hu in early May 2005. Under the Consulting Agreement, as amended, Mr. Hu shall receive, upon completion of certain milestones, among other things, a number of Grand HK ADSs held by Centralink equal to US\$2,000,000 in value, at a price per Grand HK ADS of US\$2.75 per Grand HK ADS. Mr. Hu will receive approximately 727,272 Grand HK ADSs.
