**Item 7.01. Regulation FD Disclosure.**

Inland Real Estate Corporation (the Company) intends to distribute copies of certain printed materials (the Materials) to analysts, institutional investors and other persons in connection with presentations to be made, or meetings to be held, by the Company at its Analyst and Investor Day event on November 1, 2005 and at the National Association of Real Estate Investment Trusts Annual Convention from November 2, 2005 through November 4, 2005. A copy of these Materials is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein solely for purposes of this Item 7.01 disclosure.

The Materials contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the Company intends that these forward-looking statements be subject to the safe harbors created thereby. These forward-looking statements are not historical facts, but rather are predictions and generally can be identified by use of statements that include phrases such as believe, expect, anticipate, estimate, intend, plan, foresee, looking ahead, is confident, should be, will, predicted, likely or other words or phrases of similar import. Similarly, statements that describe or contain information related to matters such as the Company's intent, belief or expectation with respect to its financial performance, investment strategy and portfolio, cash flows, growth prospects and distribution rates and amounts are forward-looking statements. These forward-looking statements often reflect a number of assumptions and involve known and unknown risks, uncertainties and other factors that could cause the Company's actual results to differ materially from those currently anticipated in these forward-looking statements. In light of these risks and uncertainties, the forward-looking events might or might not occur, which may affect the accuracy of forward-looking statements and cause the actual results of the Company to be materially different from any future results expressed or implied by such forward-looking statements. Certain factors that could cause actual results to differ materially from these forward-looking statements are listed from time to time in the Company's Securities and Exchange Commission reports, including, but not limited to, the annual report on Form 10-K for the fiscal year ended December 31, 2004. The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.

The information in this Item 7.01 disclosure, including Exhibit 99.1, is being furnished and shall not be deemed filed for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities under that Section. In addition, the information in this Item 7.01 disclosure, including Exhibit 99.1, shall not be incorporated by reference into the filings of the Company under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
