**Report of Independent Registered Public Accounting Firm**

*To the Plan Administrator of the*

*Represented Employee Savings Plan for Nine Mile Point*

We have audited the accompanying statements of net assets available for benefits of the Represented Employee Savings Plan for Nine Mile Point (the Plan), as of December 31, 2005 and 2004, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2005 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

## Notes to Financial Statements

### Note 1. General Description on the Plan

On November 7, 2001, Nine Mile Point Nuclear Station, LLC (Company), a subsidiary of Constellation Energy Group, Inc. (CEG), purchased the Nine Mile Point Nuclear Power Station from the Niagara Mohawk Power Corporation and other owners.

Consequently, a number of the participants' balances in the Niagara Mohawk Represented Employee Savings Fund Plan were spun off to a cloned plan which was named the Represented Employee Savings Plan for Nine Mile Point (Plan).

The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participants should refer to the Plan document for a more comprehensive description of the Plan provisions.

**Pending CEG Merger with FPL Group, Inc.** - In December, 2005 CEG entered into an Agreement and Plan of Merger with FPL Group, Inc. (FPL Group). Prior to the completion of the merger, which is subject to shareholder and various regulatory approvals, CEG and FPL Group will continue to operate as separate companies. The possible effect of the completed merger on the Plan is not known.

**Eligibility** - An employee must be employed by Nine Mile Point Nuclear Station, LLC, be covered by a collective bargaining agreement, and be 21 years of age with one month of service to be eligible to participate in the Plan.

**Administration** - In 2004, the Company began a feasibility study and trustee/recordkeeper search with the intent of consolidating the Represented Employee Savings Plan for Nine Mile Point, the Non-Represented Employee Savings Plan for Nine Mile Point, and the Constellation Energy Group, Inc. Employee Savings Plans with a single trustee/recordkeeper, and adopting consistent plan provisions where appropriate. As a result of this study the Trustee and Recordkeeper for the Represented Employee Savings Plan for Nine Mile Point was changed.

The Plan Administrator is the Director of Benefits, Human Resources Division of Constellation Energy Group, Inc. Effective September 30, 2005 the assets are held and managed by the Trustee, T. Rowe Price Trust Company (TRP). T. Rowe Price Retirement Plan Services, Inc. provides the record keeping for the Plan.

Prior to September 30, 2005 the assets were held and managed by the Trustee, Fidelity Management Trust Company. Fidelity Management Trust Company also provided the record keeping for the plan.

Although it has not expressed any intent to do so, the Company has the right to amend or terminate the Plan at any time, subject to provisions set forth in ERISA.

**Contributions** - Eligible participants may contribute from 2% to 50% of their eligible pay on a before-tax basis, from 2% to 15% of their eligible pay through an after-tax basis, or a combination thereof through payroll deductions. The maximum combined contribution rate for both the before-tax and the after-tax contributions is 50%. The maximum amount a participant can contribute to the Plan on a before-tax basis is limited per year by the Internal Revenue Service. The limitation for 2005 was \$14,000.

Participants age 50 and older (by year end) and meeting one of the Plan's or IRS pre-tax contribution limits are eligible to make catch up contributions. The catch-up contributions limit for 2005 was \$4,000.

The Plan accepts rollovers of employees' eligible rollover distributions from other qualified plans.

## Edgar Filing: CONSTELLATION ENERGY GROUP INC - Form 11-K

Participants have the right, on a daily basis, to change the amount of their payroll deductions, effective as of the next pay period. Participants also have the right to change, on a daily basis, the percentage of their future contributions being invested in each of the available investment funds as provided in the Plan.

**Company Matching Contributions** - Upon completion of one year of service, the Company contributes an amount equal to 50% of the participant's first 2% to 6% of contributions based on the employee's age and service.

All company matching contributions are fully and immediately vested upon being credited to the participant's account. Company contributions are initially invested in the CEG Company Stock Fund. Once credited, the participant has the option to transfer the funds to other available investment options.

**Investment Options** - Except as otherwise indicated, participants can elect to have their contributions invested in the following:

- Fidelity Asset Manager: Income
- Fidelity Growth & Income Portfolio
- Fidelity Overseas Fund
- Fidelity Retirement Government Money Market Portfolio
- Fidelity U.S. Bond Index Fund
- Janus Flexible Income Fund
- Janus Worldwide Fund
- Spartan Extended Market Index Fund

Effective October 1, 2005, the following funds were removed as investment options of the plan.

- National Grid Stock Fund
- Fidelity Freedom 2005 Fund
- Fidelity Freedom 2010 Fund
- Fidelity Freedom 2015 Fund
- Fidelity Freedom 2020 Fund
- Fidelity Freedom 2025 Fund
- Fidelity Freedom 2030 Fund
- Fidelity Freedom 2035 Fund
- Fidelity Freedom 2040 Fund
- Fidelity Freedom Income Fund
- Fidelity Growth Company Fund
- Fidelity Managed Income Portfolio
- Fidelity Small Cap Stock Fund
- Fidelity U.S. Equity Index Commingled Pool

- PIMCO Total Return Fund Administrative Class

**CEG Common Stock Fund** - Participant and company matching contributions in the CEG Common Stock Fund are invested in Constellation Energy Group, Inc. common stock.

**Interest Income Fund** Amounts held in the Interest Income Fund are invested in a combination of the T. Rowe Price Stable Value Common Trust Fund and the Fidelity Managed Income Portfolio.

Effective April, 2006 the final component of the Fidelity Managed Income Portfolio was liquidated and invested in the Stable Value Common Trust Fund. All assets in the T. Rowe Price Interest Income Fund were transferred into the T. Rowe Price Stable Value Common Trust Fund.

**Investment Income** - Dividends and earnings received on all other funds are automatically reinvested in the fund to which those earnings apply.

**Transfers** - Participants whose job status changes from or to represented and non-represented may transfer assets to or from the Represented Employee Savings Plan for Nine Mile Point and the Constellation Energy Group, Inc. Employee Savings Plan. Those transfers are recorded at fair value.

In addition, participants are allowed to initiate, on a daily basis, a transfer of the value of their contributions, including earnings, among the available investment funds.

**Participant Loan Provisions** - Participants may obtain a loan in any amount between a minimum of \$1,000 and a maximum of \$50,000, but not more than 50% of the participant's account balance. Participants may elect up to five years to repay the loan, unless the loan is used for the purchase of a principal residence, in which case they may elect up to 30 years for repayment. Participants are allowed to have up to two loans outstanding at any time. Principal and interest are repaid through regular payroll deductions or by direct payment. The interest rate for loans is equal to the prime rate plus one percent on the last day of the month preceding the month the loan is initiated. The interest rate on amounts borrowed is set at the time the loan is

executed and remains in effect for the duration of the loan.

**Withdrawals and Distributions** - A participant may, on a daily basis, elect to withdraw all or part of the stock and cash attributable to their after-tax contributions. Contributions made on a before-tax basis may not be withdrawn until a participant attains age 59 1/2, except for death, disability, retirement, separation from service, or under certain circumstances of hardship, in which case the participant may be subject to tax penalties.

Distributions to participants who retire or terminate active employment are automatically deferred until they either reach age 65 or cease active employment, whichever is later, unless they request an earlier or later distribution. Generally, participants who reach age 70 1/2 must begin receiving their Plan distribution by April 1 of the following year. Furthermore, active employees who attain age 59 1/2 may request to receive a distribution of their before-tax account balances. The distribution options include lump sum or installments paid monthly, quarterly, or annually for up to 10 years.

Withdrawals and distributions to participants are recorded when paid.

**Vesting** - All contributions that are held in participants' accounts are immediately 100% vested.

**Administrative Costs** - The Company currently pays all the administrative expenses of the Plan, including those of the Trustee. Brokerage fees, commissions, and transfer taxes associated with the purchase, sale or transfer of shares of common stock for the CEG Common Stock Fund are borne by the CEG Common Stock Fund. Investment management expenses are deducted from the assets of that fund. Participants are charged a \$50 loan initiation fee and may incur short-term trading fees on some investments.

**Related Party Transactions** - Certain Plan investments are shares of mutual funds managed by T. Rowe Price, a division of which is also the Plan Trustee, and therefore, these transactions qualify as party-in-interest transactions.

Prior to September 30, 2005, certain Plan investments were shares of mutual funds managed by Fidelity Investments, a division of which was also the Plan Trustee, and therefore, these transactions qualified as party-in-interest transactions.

## **Note 2. Significant Accounting Policies**

The financial statements of the Plan are prepared under the accrual method of accounting. The accounting principles and practices that affect the more significant elements of the financial statements are:

**Contributions Receivable** - represent amounts paid and remitted in January which were attributable to compensation earned in December.

**Valuation of Investments** - Shares of common stock in the CEG Common Stock Fund held by T. Rowe Price Trust Company are valued as of year-end using the quoted closing market price as reported by the NYSE Composite Transactions published in the eastern edition of The Wall Street Journal. Mutual fund shares held in the plan are valued as of year-end, using the net asset value price of such shares as quoted by the Mutual Fund Quotations for such date in the eastern edition of The Wall Street Journal. Participant loans are valued at cost, which approximates fair value.

The Plan's investments are stated at fair value.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments.

Shares of CEG common stock are purchased on the open market, through new issuances, or by other acquisition. Mutual fund shares are purchased on the open market, except the Trustee may purchase from time to time a small number of shares at current market value from participants making withdrawals or interfund transfers or obtaining loans from the Plan. The cost of shares sold from the CEG Common Stock

## Edgar Filing: CONSTELLATION ENERGY GROUP INC - Form 11-K

Fund and the mutual funds, as a result of participant distributions, withdrawals, interfund transfers or loans, is determined under the average cost method.

Loans to participants are valued at their outstanding principal amount.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during

10

---

the reporting period. Actual results could differ from those estimates.

### Note 3. Tax Status

The Company has received the latest favorable determination letter from the Internal Revenue Service (IRS), dated July 21, 2004, with respect to the Plan as restated effective September 13, 2002, qualifying the Plan as a stock bonus plan under Section 401 of the Internal Revenue Code (Code) exempting the Plan from federal income tax under Section 501 of the Code.

### Note 4. Investments
