(1) Since the date on which we were provided with the information regarding their Notes and other security ownership in ARC, selling securityholders may have acquired, sold, transferred or otherwise disposed of all or a

portion of their Notes or other securities. Accordingly, the information provided here for any particular securityholder may understate or overstate, as the case may be, such securityholder's current ownership.

(2) The aggregate principal amount of Notes outstanding as of the date of this prospectus supplement is \$96,600,000, which is the aggregate principal amount of Notes registered pursuant to the registration statement of which the prospectus is a part. Any such changed information will be set forth in supplements to this registration statement if and when necessary. For purposes of presenting the number of shares of ARC common stock beneficially owned by holders of Notes, we assume an exchange rate of 69.8812 shares of ARC common stock per each \$1,000 principal amount of Notes (the initial exchange rate), which is equivalent to a conversion price of approximately \$14.31 per share of ARC common stock, and a cash payment in lieu of the issuance of any fractional share interest. However, the conversion price is subject to adjustment as described under "Description of Notes Exchange Rights Exchange Rate Adjustments" in the prospectus.

As a result, the number of shares of ARC common stock issuable upon exchange of the Notes, and as a consequence, the number of shares beneficially owned by the holders of Notes, may increase or decrease in the future.

(3) Percentages based on 43,619,218 shares of ARC common stock outstanding as of August 17, 2006, assuming the issuance of all shares attributable to outstanding warrants that may be exercised within 60 days of such date and all shares issuable upon redemption of outstanding common partnership units in the Partnership.

Farallon Partners, L.L.C., the general partner of each of the Farallon Partnerships (FPLLC), in its capacity as general partner, may, for the purposes of Rule 13d-3 under the Securities Exchange Act of 1934 (the Exchange Act), be deemed to be the beneficial owner of all such Notes owned by the Farallon Partnerships and has shared voting and dispositive power with respect to all such Notes. As manager of Farallon Capital Offshore Investors, Inc. (the Managed Account), Farallon Capital Management, L.L.C. (FCM), may, for the purposes of Rule 13d-3 under the Exchange Act, be deemed to beneficially own the shares held by the Managed Account. Each of the following persons, who are managing members of both FPLLC and FCM, in such capacity, may, for the purposes of Rule 13d-3 under the Exchange Act, each be deemed to be the beneficial owner of all such Notes owned by the Farallon Partnerships and the Managed Account: (i) Chun R. Ding, (ii) William F. Duhamel, (iii) Richard B. Fried, (iv) Monica R. Landry, (v) William F. Mellin, (vi) Stephen L. Millham, (vii) Jason E. Moment, (viii) Rajiv A. Patel, (ix) Derek C. Steyer, as senior managing member of FPLLC and FCM (the Farallon Senior Managing Member), may, for the purposes of Rule 13d-3 under the Exchange Act, also be deemed to beneficially own the shares held by the Farallon Partnerships and the Managed Account. Each of FPLLC, FCM, the Farallon Managing Members and the Farallon Senior Managing Member disclaim any beneficial ownership of such Notes. Each of FPLLC, FCM, the Farallon Managing Members and the Farallon Senior Managing Member disclaim group attribution.
