PROXY STATEMENT

December 27, 2006

The enclosed proxy is solicited by and on behalf of the Board of Directors of Chase Corporation (the "Company") for the annual meeting of the Company's shareholders to be held on February 5, 2007 at 9:30 a.m., and at any adjournment thereof (the "Meeting"). The cost of solicitation will be borne by the Company. In addition to solicitation by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone.

The authority granted by a duly executed proxy may be revoked at any time before it is exercised by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date or by voting in person at the Meeting. Shareholders who attend the Meeting in person will not be deemed thereby to have revoked their proxies unless they affirmatively indicate at the meeting their intention to vote their shares in person. Unless a proxy is revoked, the shares represented thereby will be voted as directed. If no specifications are made, then proxies will be voted for the election of the directors nominated by the Board of Directors.

On November 30, 2006, there were 3,984,865 outstanding shares of the Company's Common Stock, \$0.10 par value per share (the "Common Stock"), which is the only class of voting stock outstanding. Shareholders of record at the close of business on November 30, 2006 are entitled to vote at the Meeting. With respect to all matters that will come before the Meeting, each shareholder may cast one vote for each share of Common Stock registered in his or her name on the record date.

A majority in interest of the Company's Common Stock outstanding and entitled to vote represented at the Meeting in person or by proxy will constitute a quorum for the transaction of business at the Meeting. Directions to withhold authority, abstentions, and broker non-votes will be counted for purposes of determining the existence of a quorum at the Meeting. A broker non-vote occurs when a registered broker holding a customer's shares in the name of the broker has not received voting instructions on a matter from the customer and is barred by applicable rules from exercising discretionary authority to vote on the matter and so indicates on the proxy.

The approximate date on which this proxy statement and form of proxy will be first sent or given to shareholders is December 27, 2006. The Company's annual report for the fiscal year ended August 31, 2006 will be sent to shareholders on the same date.

The current members of the committee are Messrs. Levy (Chairman), Fenno and Gack.

PROPOSAL 1
ELECTION OF DIRECTORS

Seven directors are to be elected at the Meeting. The Board of Directors recommends that the seven nominees named below be elected as directors. The directors elected at the Meeting will hold office until the next annual meeting and until their successors are elected and qualified. When a proxy in the accompanying form is properly executed and returned, unless marked to the contrary, all shares represented by such proxy will be voted for the election of the persons named below. If any nominee should become unable or unwilling to serve as director, then the persons voting the accompanying proxy may in their discretion vote for a substitute. The Board of Directors is not presently aware of any reason that would prevent any nominee from serving as a director if elected.

Vote Required

As long as a quorum is present, the nominees for director shall be elected by a plurality of the votes cast at the Meeting by the holders of shares entitled to vote at the Meeting. Votes may be cast in favor of the election of the nominees for director or withheld; votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

The Company's Board of Directors held five meetings during the fiscal year ended August 31, 2006. Each director attended at least 75% of the aggregate of all meetings of the Board of Directors and all meetings held by committees of the Board on which they served.

The Company has adopted the Chase Corporation Financial Code of Ethics, which is applicable to the Chief Executive Officer, Chief Financial Officer and Corporate Controller and other employees with important roles in the financial reporting process. The Chase Corporation Financial Code of Ethics is Exhibit 14 to the Company's Annual Report on Form 10-K for the fiscal year ended August 31, 2006, which was filed on November 29, 2006 and is also available on the Chase Corporation web page (www.chasecorp.com).

Audit Committee. The Audit Committee recommends to the Board of Directors the engagement of the Company's independent accountants, reviews the scope and extent of their audit of the Company's financial statements, reviews the annual financial statements with the independent accountants and with management, and makes recommendations to the Board of Directors regarding the Company's policies and procedures as to internal accounting and financial controls. The members of the Audit Committee are Lewis P. Gack, Chairman, William H. Dykstra and Ronald Levy. Each member of the committee is independent, as independence for audit committee members is defined in the listing standards of the

The Audit Committee held five meetings during the fiscal year ended August 31, 2006. The Audit Committee operates under a written charter that is available through the Company's website at www.chasecorp.com. It was also attached as Exhibit B to the Company's proxy statement filed with the Securities and Exchange Commission for the annual meeting of stockholders held in February 2006.

Compensation and Management Development Committee. The Compensation and Management Development Committee advises the Board of Directors on matters of management, organization, and succession, recommends persons for appointments to key employee positions, and makes recommendations to the Board of Directors regarding compensation for directors, officers and key employees. The committee administers the Company's equity incentive plans, except for plans for directors who are not employees of the Company. The members of the committee are Ronald Levy, Chairman, J. Brooks Fenno and Lewis P. Gack. Each member of the committee is independent, as independence for compensation committee members is defined under the listing standards of the American Stock Exchange. The committee held five meeting during the fiscal year ended August 31, 2006.

Nominating and Governance Committee. The Nominating and Governance Committee recommends persons for election as directors of the Company, and makes recommendations to the Board of Directors regarding the structure and membership of the various committees of the Board of Directors, including the Nominating and Governance Committee itself. The Nominating and Governance Committee operates under a written charter that is available through the Company's website at www.chasecorp.com.

Director Nomination Process

The Nominating and Governance Committee identifies individuals believed to be qualified to become Board members and recommends individuals to fill vacancies. In nominating candidates the Committee takes into consideration such factors as it deems appropriate, including judgment, experience, skills and personal character, as well as the needs of the Company. The Nominating and Governance Committee will consider nominees recommended by shareholders if such recommendations are made in writing to the committee. The Nominating and Governance Committee does not plan to change the manner in which the committee evaluates nominees for election as a director based on whether the nominee has been recommended by a stockholder or otherwise.

Mary Claire Chase has been nominated for election as a director of the Company pursuant to a Voting Agreement dated December 26, 2002, as amended December 10, 2003, between the Company and the Edward L. Chase Revocable Trust.

J. Brooks Fenno was recommended for election as a director of the Company by the Nominating and Governance Committee and elected by the full Board on August 25, 2006, in order to fill a vacancy on the Board left by the death of Edward F. Hines, Jr. Mr. Fenno was identified as a candidate following the recommendation of both the Chief Executive and certain non-management members of the Board of Directors.

The Company's Bylaws provide that the Nominating and Governance Committee shall recommend for the election to the Board (i) a lineal descendant or spouse of Edward L. Chase (so long as the spouse of Edward L. Chase, his issue, a trust for the benefit of his spouse and/or his issue, or his estate owns 10% or more of the outstanding voting stock of the Company) and (ii) the Chief Executive Officer of the Company.

The Company's Bylaws also provide that the Nominating and Governance Committee shall recommend to the Board of Directors any individual or individuals for election to the Board of Directors if, after such election, a majority of the Board of Directors shall consist of non-affiliated directors. Non-affiliated directors are directors (i) who are not lineal descendants of Edward L. Chase (whether by blood or adoption); (ii) who are not the spouse of Edward L. Chase or of any of his lineal descendants; (iii) who are not at the time of determination, and shall not have been at any time within three years preceding such time, officers or employees of the Company (or its predecessor) or any of its subsidiaries, affiliates or divisions; (iv) who are not at the time of determination the beneficial owners of more than 10% of the issued and outstanding shares of any class of the Company's stock; and (v) who are not officers, employees, directors or partners of any person who at the time of determination is a holder of more than 10% of the issued and outstanding shares of any class of the Company's stock.

Also, at least a majority of the directors on the Board must be independent directors as defined in the rules of the American Stock Exchange.

	2004	194,189	120,000			9,226

(a) Annual compensation includes amounts earned in each fiscal year, whether or not deferred. Compensation is deferred pursuant to the provisions of the Chase Corporation Retirement Savings Plan. Unless otherwise noted, aggregate perquisite values do not exceed the lesser of \$50,000 or 10% of the reported base salary and bonus for each year.

(b) Represents incentive based bonus for 2004 and 2005. For 2006, represents (i) incentive based bonus of \$314,597 and \$0 for Messrs. Chase and Chadwick, respectively, and (ii) a grant of common stock on October 17, 2005 (FY 2006) in the amount of 57,419 shares to Peter Chase and 19,807 shares to Everett Chadwick valued as of the date of the grant (\$832,001 and \$287,003 for Messrs Chase and Chadwick, respectively). The Board of Directors authorized this grant for the achievement of long term results in fiscal years 2002 through 2005.

(c) The value of restricted stock shares and restricted stock units awarded during the fiscal year is determined by multiplying the total number of shares/units awarded to each named executive by the fair value of the common stock on the date of grant (valued at \$15.10 per share, the closing price of the Company's common stock on the American Stock Exchange on February 2, 2006). The dollar value of all restricted stock and restricted stock units held by Mr. Chase at the end of fiscal year 2006 (44,404 shares valued at \$16.75 per share, the closing price of the Company's common stock on August 31, 2006) is \$743,767. These shares represented by restricted stock units will vest in August 2008. Dividends will not be paid on these amounts until vested.

(d) The amounts represent the contribution by the Company on behalf of the employees to the Chase Corporation Retirement Savings Plan and for Group Term Life Insurance for the employee. In fiscal year 2006, contributions to the Retirement Savings Plan and payments made for Group Term Life insurance were \$12,752 and \$11,067 respectively for Peter R. Chase and were \$3,210 and \$1,940, respectively for Everett Chadwick, Jr.

Additionally \$309,208 included in this column for Peter R. Chase in both fiscal year 2006 and fiscal year 2005 represents reimbursement to the Executive by the Company for the cost of premiums incurred by the Executive for certain life insurance policies owned by the Executive. The Company agreed in January 2005 to make these premium payments on behalf of the Executive for a nine year period in connection with the Executive's restructuring of previously existing split dollar arrangements as a result of the enactment of the Sarbanes-Oxley Act of 2002 and the issuance by the Internal Revenue Service of regulations relating to the treatment of so-called equity split dollar arrangements.

(e) On February 24, 2006, Everett Chadwick, Jr. retired as Vice President-Finance, Treasurer and Chief Financial Officer, of the Company. Peter R. Chase temporarily assumed the role of Treasurer and CFO. In connection with Mr. Chadwick's retirement, the Registrant entered into a consulting agreement with Mr. Chadwick in order to provide for his continued service to the Registrant on a part-time basis for the next year. The agreement calls for Mr. Chadwick to be paid a retainer of \$10,000 per month beginning March 1, 2006, through February 2007 for his part time involvement in assisting the Company with financial and operational matters at the request of the Chief Executive Officer and the Board of Directors during the period ending February 28, 2007. Amounts shown as salary for Mr. Chadwick in 2006 represent his salary through the date of retirement, plus the consulting payments made through the end of the fiscal year.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-end Option Values

No options were granted to the named executive officers during the fiscal year ended August 31, 2006. The following table shows certain information concerning the aggregate number and dollar value of all options exercised during the fiscal year ended August 31, 2006 and the total number and value of unexercised options held on August 31, 2006 by each of the named executive officers.

(b) The closing price of the Company's Common Stock on the American Stock Exchange on August 31, 2006 was \$16.75. Chase (the Executive) entered into a Severance Agreement which supersedes the previous severance agreement entered into in October 1994. Under the terms of the agreement, if the Executive's employment is terminated within 24 months after the occurrence of a change in control of the Company, then the Executive shall receive the following benefits:

2005 Incentive Plan. The 2005 Incentive Plan (the 2005 Plan) provides for the grant of stock options (both non-statutory options or NSOs and, in the case of employees, incentive stock options or ISOs), restricted stock, performance awards (including cash), dividend equivalents, deferred stock and unrestricted stock. Unless otherwise determined by the Committee, awards may not be transferred except by will or by the laws of descent and distribution, until the award has been exercised and all restrictions have lapsed, as applicable. The number of shares subject to grant under the 2005 Plan is 500,000. The maximum number of awards that may be issued to any person in any calendar year is 200,000 shares. The maximum annual cash award that may be issued to any person shall be \$2,000,000.

2001 Senior Management Stock Plan. The 2001 Senior Management Stock Plan (the Management Plan) reserves 750,000 shares of the Company's Common Stock for equity awards to senior management, including named executive officers. Under the terms of the Management Plan, awards may be granted in the form of incentive stock options, non-qualified stock options and restricted stock. Options granted under the Management Plan generally vest over a period ranging from three to five years and expire after ten years. The Company granted 77,226 shares of common stock under the Management Plan to the named executive officers during fiscal 2006. As of August 31, 2006 there were 148,502 shares of the Company's Common Stock available for future issuance under the Management Plan.

Non-Qualified Retirement Savings Plan. The Company maintains a non-qualified Retirement Savings Plan covering selected employees, including the named executive officers. Participants may elect to defer a portion of their compensation for future payment in accordance with the terms of the plan.

Pension Plan. The Company maintains a tax-qualified defined benefit pension plan and a non-qualified excess benefit plan. The qualified pension plan covers substantially all employees of certain businesses of the Company who have attained the age of 21 and have completed six months of service. The excess benefit plan, which is part of the Employees Supplemental Pension and Savings Plan, covers those employees of the Company that from time to time may be designated by the Board of Directors. Currently, only the Company's Chief Executive Officer has been designated by the Board of Directors as being covered by the excess benefit plan. Benefits under the qualified pension plan are determined based on final average base earnings (subject to Code-imposed limits on compensation and excluding bonuses, overtime, and other extraordinary amounts) and total years service with the Company (up to a maximum of 40 years). Benefits under the excess benefit plan are determined based on final average earnings (including base salary and incentive based bonuses) and total years of service with the Company. Benefits are payable upon the retirement of a participant at age 65, or upon the fifth anniversary of employment, if later, or earlier if the participant is at least 55 years old and has completed at least five years of service. The plan offers the option for a participant to receive a lump sum distribution upon attainment of age 65 and five years of employment even if the employee elects to remain actively employed. Benefits may be paid in a variety of forms, including a lump sum, at the election of the participant.

The following Tables 1 and 2 show estimates of aggregate annual benefits payable under the qualified pension plan and excess benefit plan upon retirement at age 65 or upon the fifth anniversary of employment, if later. Table 1 relates to those participants who were employed prior to May 1, 1995 or are covered by a collective bargaining agreement and are in the specified compensation and years-of-service classifications before an offset of 0.6% of covered compensation at the time of retirement times the number of years-of-service (up to a maximum of 40 years).

Table 2 relates to those participants who became employed on or after May 1, 1995 and are not covered by a collective bargaining agreement and are in the specified compensation and years-of-service classifications before any offset of 0.3% of covered compensation at the time of retirement times the number of years-of-service (up to a maximum of 40 years).

Mr. Chase has approximately 35 years of service with the Company.

Compensation of Directors. Directors who are not employees of the Company are paid an annual retainer of \$18,000. In addition, directors who sit on a Board committee receive an additional annual retainer of \$3,500 for each committee they sit on up to a maximum of \$7,000 for two or more committees. Non-employee Directors will also receive \$15,000 of Chase Corporation common stock, in the form of Restricted Stock or Restricted Stock Units valued at the closing price of the day preceding the first day of the new year of Board service. The Shares will vest one year from the date of grant. The retainer covers all meetings.

In addition to the cash and stock retainer, committee chairperson annual fees will be paid in the form of Restricted Stock or Restricted Stock Units valued at the closing price of the day preceding the first day of the new year of Board Service. These shares will also vest one year from the date of grant. The annual fees for committee chairpersons are as follows: Audit - \$7,000; Compensation and Management Development - \$5,000; Nominating and Governance - \$3,000.

2005 Incentive Plan. Under the compensation policy noted above, the Compensation & Management Development Committee authorized a grant of 8,361 shares of the Company's common stock to non-employee members of the Board of Directors as compensation for their service to be performed for the period ending January 31, 2007. These shares will vest on February 1, 2007 and will not be issued until they are vested. The number of shares granted is equal to \$15,000 divided by the closing price of the Company's common stock at the time of grant, except that it additionally takes into consideration each Director's involvement in the various committees of the Board as outlined above.

At a meeting of the Board of Directors of Chase Corporation held on February 3, 2006, the Compensation & Management Development Committee authorized a grant of 6,127 shares of the Company's common stock to members of the Board. These share grants represented compensation for service on the Company's Board of Directors for fiscal years 2002 through 2005 and were in addition to the annual retainers discussed above. The Compensation & Management Development Committee recommended the award after taking advice from an independent compensation consultant. The number of shares granted to each Director was based on his time served on the Board of Directors during fiscal years 2002 through 2005.

2001 Non-Employee Director Stock Option Plan. The 2001 Non-Employee Director Stock Option Plan (the Director Plan) reserves 90,000 shares of the Company's Common Stock for option grants to directors. Options granted under the Director Plan will be issued as non-qualified stock options. Options granted under the Director Plan generally vest over a period ranging from three to five years and expire after ten years. In fiscal 2006 Company did not grant any options under the Director Plan. As of August 31, 2006 there were 5,000 shares of the Company's Common Stock available for future issuance under the Director Plan.

Non-Qualified Retirement Savings Plan for the Board of Directors. The Company maintains the Non-Qualified Retirement Savings Plan for the Board of Directors. Participants may elect to defer a portion of their compensation for future payment in accordance with the terms of the plan.

George M. Hughes also receives compensation for his services as outside general counsel to the Company.

Compensation and Management Development Committee Report on Executive Compensation

Recommendations on compensation for the Company's executive officers are made by the Compensation and Management Development Committee of the Board of Directors (the Committee). The Committee is composed of independent non-employee directors who have no interlocking directorships as defined by the Securities and Exchange Commission. Committee decisions are reviewed and approved by the full Board of Directors.

The Company's executive compensation program is designed to accomplish the following objectives:

- Reward key executives at levels that are competitive with those of similar comparative companies.
- Provide incentives that are directly linked to the achievement of Company strategies, profits and enhancements of shareholder value.
- Ensure that the objectives for corporate and business unit performance are established and measured.
- Attract and retain executives who have the capabilities needed to ensure proper growth and profitability.

The Company, acting through the Committee, employs three programs to compensate its senior management. These include an annual base salary program, a contingent compensation program that is based on selected financial performance measures and an equity award plan. Following is a description of the manner in which each program was administered during the last fiscal year, which includes an explanation of the rationale for the compensation paid to the Chief Executive Officer.

Annual Base Salary Program

The salary of each individual holding an executive position is determined using established salary ranges and also by taking into consideration the individual's qualifications, sustained performance and level of responsibility, each as evaluated by the Committee. Annual adjustments in base salary are made after an analysis of the foregoing factors and any external trends in compensation reflected in comparative survey data provided by an independent consultant.

The base salary for Peter R. Chase was set by the Committee using the same policies and criteria used for other executive officers of the Company. His base salary for the fiscal year ended 2006 was set utilizing comparative survey data and adjusted based on the Committee's evaluation of the additional criteria discussed above. While corporate performance measures are used in determining bonuses, such corporate performance measures are not considered by the Committee in determining Mr. Chase's base salary.

Contingent Compensation Program

Under the Company's contingent compensation program, each executive officer was eligible to earn additional contingent compensation in an amount equal to a designated percentage of annual base salary. In the 2006 fiscal year, the target percentage for achieving targeted operating profits set with reference to the three prior fiscal years was 50% of annual base salary for the Chief Executive Officer. Potential incentive earnings for the Chief Executive Officer as a percentage of his annual base salary are adjusted up or down depending upon whether the Company's actual performance during the year met, exceeded or fell short of the operating profit goals. The Company exceeded the operating profit goals established for payment of the targeted incentive compensation in fiscal year 2006; therefore, using the plan as a basis, the Chief Executive Officer received contingent compensation in an amount equal to 74% of his annual base salary for the last fiscal year.

Senior Management Stock Plan

The Committee and Board of Directors, with the assistance of an independent compensation consultant, have developed long term equity incentive plans for the Company. The 2005 Plan and 2001 Senior Management Stock Plan were designed in part to retain and provide incentives to the Company's Chief Executive and Chief Financial Officers as well as other members of the Company's senior management. The Committee believes that these executives are in a position to make the most significant contribution to the Company's future success. The program is designed to recognize significant contributions and provide longer-term incentives to increase shareholder value.

In February 2006, 41,317 restricted stock units (RSUs) were granted to key executives and other members of management, including 28,238 shares to Peter R. Chase, President and CEO. The RSUs were subject to certain performance measures based on net revenue and operating income for the fiscal year ended August 31, 2006. Based on the actual financial results of the Company, the total amount of RSUs granted was subject to change either up or down. The RSUs are also subject to an additional two year vesting provision after the measurement period. Based on the financial results for fiscal year 2006 the performance measure was exceeded resulting in an additional long term award of 23,654 RSUs of which 16,166 related to Peter R. Chase. These awards will vest as of August 31, 2008.

At a meeting of the Directors of Chase Corporation held on October 17, 2005, the Board authorized a grant of 98,250 shares of common stock to certain members of management for the achievement of long

term results in fiscal years 2002 through 2005. The Compensation Committee recommended the award after taking advice from an independent compensation consultant. The grant of common stock was made from the 2001 Senior Management Stock Plan and included 57,419 shares to Peter Chase, President, CEO and Director of the Company and 19,807 shares to Everett Chadwick, Jr., Vice President Finance, Treasurer and Chief Financial Officer of Chase Corporation.
