Item 3.02 Unregistered Sales of Equity Securities.

On February 6, 2008, Vista Gold Corp. (the Company), announced that recent exercises of outstanding warrants issued as part of the Company's private placement of February 2006 (the February 2006 Warrants), which expired on February 4, 2008, resulted in proceeds to the Company of approximately US\$2.9 million. An aggregate 490,175 February 2006 Warrants have been exercised during 2008 to date, including 471,375 warrants exercised on February 4, 2008, at an exercise price per warrant of US\$6.00. As previously reported, upon the completion in May 2007 of the Arrangement involving the Company, Allied Nevada Gold Corp. and Carl Pescio and Janet Pescio, among other things, the number of shares to be issued in connection with the Company's outstanding warrants was adjusted in accordance with the warrant terms, so that each of the February 2006 Warrants entitled the holder thereof to receive 1.894 common shares per warrant. Accordingly, the foregoing exercises of the February 2006 Warrants are resulting in the issuance by the Company of an aggregate 928,393 common shares during January and February 2008 of which 892,785 are to be issued pursuant to the warrant exercises of February 4, 2008.

The foregoing issuances of common shares upon warrant exercises were exempt from the registration requirements of the Securities Act of 1933 (the Act) pursuant to Section 4(2) of the Act and Rule 506 of Regulation D promulgated thereunder. Each warrant holder is an accredited investor under the Act, and the securities were sold without any general solicitation by the Company.

These issuances would bring the Company's total issued and outstanding shares to approximately 34.4 million, including the 213,503 common shares issued by the Company on January 24, 2008 to Grandcru Resources Corporation and the San Miguel Group, as previously reported in Forms 8-K filed by the Company.
